SCOPE AND CONTENT

The Amenia and Sharon Land Company represent the most complete set of records for a North Dakota bonanza farm that have survived. The records were deposited in the Institute by members of the Chaffee family over a span of twenty years. Inventories of the early records were compiled by William C. Hunter, and in early 1990s the records were processed incorporating all the accessions. The records have been organized into eight series: Historical research, Personal correspondence, Business correspondence, Estate and personal legal papers, Amenia & Sharon Land Co. general business records, Other related companies general business records, Amenia & Sharon Land co. business records, and Other related companies business records. Within each series the records have been organized alphabetically by the name or type of record. Oversize ledgers are listed on the box & folder listing, however they are stored separately due to their size.

The **Historical Research Series** includes handwritten and typed drafts of the history of the Amenia & Sharon Land Company, compiled by William C. Hunter. He was a long-time professor of history at NDSU and later became the curator for the Institute for Regional Studies. In addition are his research files of documents, notes and information used in writing the history. In addition there are general research files on the Chaffee and Reed families as well as information regarding Amenia, N.D.

The **Personal Correspondence Series** consists primarily of Chaffee family letters spanning from 1840 to 1965. Of particular note is the early family letters of Eben Whitney Chaffee (1840-1900), and H.F. Chaffee and wife Carrie (H.F., 1887-1911 and for Carrie, 1913-1945). There are quite a number of poignant letters between H.F. and his wife Carrie as well as back to family in Connecticut. In addition there are letters of William Guy Sr. (1920-1942), Robert Reed (1923, 1933-1942) Walter R. Reed (1849-1939), as well as the Togood family (Carrie Chaffee's maiden name).

The **Business Correspondence Series** consists primarily of the correspondence of Herbert L Chaffee and is organized alphabetically, spanning from 1896 to 1966, although most dates from the 1940s to 1960s. Some correspondents have been broken out and placed in their own file. In addition there are small series of correspondence for Chaffee-Miller Milling Co., H.F. Chaffee Company, The John Miller Company, and the Miller-Chaffee-Reed Company.

The **Estate and Personal Legal Papers Series** contains mostly of estate related documents for members of the Chaffee family. Of note are those for Herbert F. Chaffee who died on the sinking of the Titanic.

The **Amenia & Sharon Land Company General Business Records Series** contains the basic, general documents related to the company including articles of incorporation, minutes, by-laws, and annual reports. The Legal Business Records Subseries contains chattel mortgage documents, farm contracts spanning from 1882 to 1942, mortgage documents, and warranty deeds.

The **Other Related Companies General Business Records Series** contains the general business records such as incorporation documents, by-laws, meeting minutes and certain legal documents for companies that were subsidiaries or affiliated with the Amenia & Sharon Land Company. The files are arranged alphabetically by the name of the company. Among the major companies represented include the Amenia

Elevator Company, Chaffee-Miller Land Company, Chaffee-Miller Milling Company, H.F. Chaffee Company, John Miller Company, Miller-Chaffee-Reed Company, and Wanotan Land Company. Consult the Box and Folder List for a complete listing.

The smaller items are in Mss 1596.2. It includes three files; 1-- various insurance documents and papers; 2-- Certificates including land deed of St. Pierre Wallette from the Red Lake and Pembina Bands of Chippewa Indians for Section 34, T141N R52W, dated June 4, 1881. 3-- List of *S.S.
