Citation: [Identification of item]. Garrison Dam and Diversion Project Records (SC 464), NDSU Archives, North Dakota State University, Fargo.

HISTORY

Garrison Dam is an earth fill embankment dam located near Garrison, N.D. It was constructed between 1947 and 1953. The dam produces electricity for several hundred thousand customers.

SCOPE AND CONTENT

Pamphlets, articles, and newspaper clippings on the history of the Garrison project from the 1950s through the early 1970s. Includes mention of people, organizations, and places involved, including C.S.N.D., Inc. (Committee to Save North Dakota, Inc.) which opposed the project, Sivert Thompson, and

the North Dakota Farmers Union. Also includes Canadian pamphlets raising concerns about the diversion project.
