Direct costs to the district include books, supplies, fuel, maintenance, and operations. Costs of educating a grade school student in 1967 was $250.80. Direct costs to the district include books, supplies, fuel, maintenance, and operations.

Linton Public School Faculty Reaches Record of 39 Teachers

When the Linton Public School opened Monday morning, there will be 39 teachers on duty. This is the largest number ever reported for the school system. Last year the total was 32, compared to 1966’s 540.

Thurman Storm Hits John Moser Farm

Many parts of the county had not fully recovered from the storm of Tuesday, Aug. 15, when another one moved over part of the county Thursday evening. About the only area that reported any serious damage was the southwestern part of the county, where a strong wind and some hail accompanied a quarter inch of rain. The John Moser farm, about 1 mile south of Thurman, had a heavy loss of corn and hay. Hail and wind damaged the roofs of the house and barn.

Hail Bales Left After Storm of Aug. 15

After the storm, which dropped several inches of water and much hail on an area east and northeast of Linton on Aug. 15, much of the hail floated on the ground, making it easy to pick up. Mr. and Mrs. Jacobson are busy picking up the hail in the field. The hail fell on the fields and formed chunks up to six inches thick. Shown above are Frank Jacobson, Mr. and Mrs. Joseph, 3 boys and 3 girls, and Kenneth, 11, standing in one of the hail deposits.

of Aug. 15

Hailstorm of Aug. 15

Besides inflicting almost total losses on unharvested crops, the storm blew several bales from the top of Jacob’s hay stack and damaged the roofs of the house and barn.

In the immediate area of the farm, water ran across the roads of gravelled roads in numerous places.

Thursday Storm Hits John Moser Farm

Any parts of the county had fully recovered from the storm of Tuesday, Aug. 15, when another one moved over the county Thursday night.

About the only area that received any serious damage was southwestern part of the county, where a strong wind and some hail accompanied a quarter inch of rain.

The John Moser farm, about five miles north west of Pollock, suffered the most.

Strasburger Named To NDSU Library Post

A Strasburg native has been named to the faculty of North Dakota State University, Fargo. Michael M. Miller, son of Mr. and Mrs. Peter P. Miller, was appointed by Pres. H. R. Albrecht. Miller will teach library science, act as circulation librarian and handle the library displays.

An honor graduate of Strasburg High School in 1961, Miller received his bachelor’s degree from Valley City State College and then completed two years as teacher-librarian. In June of this year he earned his master’s degree at the University of North Dakota where he was an assistant at the library and alumni office.

His accomplishments include writing two books, the 1965 Strasburg Alumni Reunion Remembrance Book and “As We Reminisce,” completed in 1967. He was a consultant for the North Dakota Library Commission for federal Library Services Act and wrote the Title III State Library Plan. In 1965 he was general chairman of the Strasburg Alumni Reunion and is director of the Strasburg Schools Alumni Association.

Linton Public Reaches Record

When the Linton Public School opens Monday morning, there will be 39 teachers on duty. This is the largest number ever in the local school system.

Last year the total of 32 teachers already a record, and that number is exceeded by seven this year.

Those returning from the year, and their positions, are Duane Baer, counselor; education, football coach; Francis Bouman Jr., boys’ physical education, basketball coach; Miss Linda Deplazes, home economics; Daniel Mack, bus driver; Miss Corrine Rall, business teacher.

Emmons County Education Costs Continue Rise

Costs of educating high school and grade school pupils of Emmons County continue to rise according to statistics recently by County Supervisor M. Tschosik. The average cost of educating a high school student in 1966 was $889.58 compared to $794.79 in 1966. High school costs have risen every year since when the figure was $347.45 in 1961.

Direct costs to the taxpayers, however, increase more rapidly than the rate charged by the school district. In 1966 the city of Linton charged $423.17 compared to $356.00 in 1963. The increase in the charge to the city for $423.17 was $67.17, or nearly 20 percent.
