also active in sponsoring and supporting civic events, among these are Boys’ State and American Legion baseball teams. An interesting component of the Post is the Legion Drum and Bugle Corps, which performs at many county and state-wide celebrations.

Klauss-Becker Post Number 218 American Legion (Lehr). It was organized and received its charter in November 1947 and named in honor of Erwin Klauss, who was killed in action in Italy, and in honor of Raymond Becker, who died of wounds received at the invasion of Italy during World War II.

The Post has been active in supporting and in sponsoring community projects. It conducts annual observances of patriotic events, such as Memorial Day. It has sponsored high school boys for attendance at the American Legion Boys’ State, held annually in Fargo.

Original membership of the Post was 40 members.

Aloysius J. Streifel Post Number 253 American Legion (Zeeland). The Aloysius J. Streifel Post Number 253 was organized in 1945, and was named for the first casualty of this area who fell during the Normandy Invasion in June 1944.

There were nine charter members in the organization.

The Post is active in sponsoring community activities, also conducting observances during patriotic holidays.

The Post assists the community in many other worthwhile projects and events.

Officers are Francis Streifel, commander; Sylvester Meier, vice commander; Joe Wolf, adjutant; and Eugene Schatz, sergeant-at-arms.

LIST OF VETERANS

World War I

The only record at the courthouse of veterans from McIntosh County who served during World War I is in three volumes listing names of men and women from North Dakota. The list is not categorized by county.

Prairies’ list was compiled from some of the county’s legion posts, Henry Sayler of Wishek, Mary Meier of Ashley, and from a calendar printed by First State Bank of Ashley in July 1920 which listed the names of “Our Boys Who Fought For Us” (the calendar was submitted by Martha Nill Weber).

Names in boldface are those who were killed while in the armed services.

Discharges for World War II and Post-War Period
Soldier's and Sailor's Discharge Record, Vol. 1

The names of the following people are categorized at the time they filed their discharge papers at the clerk of court's office in McIntosh County. Most filed soon after they were discharged, thereby indicating the wars and time during which they served; however, there were some who waited to file their papers as long as 30 and 40 years later.

Letters following the name indicate the service in which they served: (A)—Army; (N)—Navy; and (M)—Marines. Air Force is written in full.

While serving in Germany in a U.S. Army tank squadron, Rochus Lacher was injured when a fellow buddy's gun jammed, hitting Lacher in the right side of his face. Another injury was when his leg was run over. For that and other heroism, he received the Purple Heart. Lacher died on January 31, 1984 after receiving open heart surgery for replacement of a valve. He died at the University Hospital in Minneapolis.

Pius Lacher was stationed at Company C 115th Infantry Training Battalion, 78th Regiment Infantry at Replacement Training Center at Camp Joseph T. Robinson, Arkansas.

Anton Lacher, veteran of World War II. The following is a news item which appeared in The Ashley Tribune, and was submitted by Barbara Tschosik:

Citation for exemplary service and conduct has been made to Pvt. Anton A. Lacher, Zeeland, a member of a fighter control sector of the Mediterranean Allied Coastal Air Force who was recently awarded the Army Good Conduct Medal.

The fighter sector is responsible for the interception of all enemy aircraft and the carrying out of defensive measures. It is through its quick action that Allied planes are dispatched for interception, many times miles away from Allied controlled territory.

The unit is one of the most important in the whole Coastal Command and has been commended numerous times for its efficient work through the Mediterranean campaigns.

Pvt. Lacher's home is with his mother, Barbara Lacher, in Zeeland.
