“I really enjoyed the trip. It was a rewarding experience on many different levels — spending time with other people with the same background and on the same quest, learning more about the history and current situation in the Black Sea area, as well as seeing, meeting and talking to people from the area were worth the trip.”

The NDSU Libraries’ GRHC hosts special tours for individuals and families who wish to travel from the United States and Canada to Germany. Travelers visit many memorable sites throughout Germany and stay in four different cities. Since our first tour in May 1996, we have sponsored a trip each year.
The North Dakota State University Libraries' Germans from Russia Heritage Collection (GRHC) is pleased to announce sponsorship of the 21st Journey to the Homeland tour to Germany for May 17-27, 2015. The tour includes visits to Berlin, Regensburg, Munich, and Stuttgart, Germany and Alsace, France. Joining the tour will be Michael M. Miller, GRHC Director, and Jeremy Kopp, GRHC Special Collections Associate.

Tour members will hear well known speakers presenting the story of the ethnic Germans who have emigrated from the former Soviet Union to Germany since the early 1990s. They will visit the Germans from Russia museum and archives in Stuttgart and as well as many historic sites throughout Germany.

“A WOW moment for me on our trip was meeting and visiting with Dr. Bechert in Regensburg. His remarkable story is something that will always stick with me. Listening to him and thinking about how the decisions our respective ancestors made, whether to leave South Russia, affected each of us and our stations in life, were quite special to me. To meet someone who was born in Siberia and only allowed to leave after Communism “fell” was a special treat on the trip.”
