Citation: [Identification of item]. North Dakota Biography Collections, Institute for Regional Studies, North Dakota State University, Fargo.

PROVENANCE

The North Dakota Biography Collection was begun at the Institute in the 1970s as a means of preserving and providing access to newspaper clippings and other ephemeral items which contain biographical material on North Dakotans.

SCOPE AND CONTENT

Each entry has been assigned a number with the collection arranged in numerical order. The amount of material for any one entry varies from one newspaper clipping to numerous items. Additions to the

collection are ongoing. The collection is maintained in the Institute office and requests for items should be made to the Institute staff.
