## Charity Ball Tomorrow

Ellen Johnson

Ellen Johnson, president of the Panhellenic council, and her escort, Russell Heine, will be first in line of march at the Charity ball Friday evening in the Crystal ballroom from 9:30 to 12:30.

Second in line will be Mary Burfening, Panhellenic secretary, and her escort, Paul Sinner, with the members of Panhellenic following next.

Approximately 200 couples are expected to celebrate Valentine's day in the heart-bedecked ballroom. Novel lighting effects and decorative archways will be featured.

Programs, secured at the door, will be used after the grand march at 10:30. The affair will be semi-formal.

Honored guests who have been invited are President and Mrs. J. H. Longwell, Mayor and Mrs. Charles Dawson, Governor Fred Aandahl, the deans of the various schools on campus and Lt. Col. Frank Balke.

Paul Thonn's 13-piece Statesmen will furnish music. Added attractions provided by the band will be special spotlighting, made possible by the purchase of new music stands, and a vocal group, the Campus Crooners, composed of three men and a girl.

Chaperons will be Dr. and Mrs. E. M. Opton, Mr. and Mrs. B. C. Stein, Maj. and Mrs. S. V. Burke and Sgt. R. D. White.

This year's ball will be the 17th sponsored by Panhellenic.

## Dairymen Meet On Campus

The eighth annual Dairy Plant Operators' conference, held here Feb. 4 to 6, was successful in its purpose of emphasizing quality production of milk and milk products, according to Dr. Chris Jensen, NDAC professor of dairy technology.

One of the high spots of the program was a report on a new churning process by H. H. Behlmer of the Cherry-Burrell Corporation, Chicago. In this process cream is processed in a continuous operation and is ready for final packaging at the end of the operation. Jensen said that the new process should prove revolutionary to the butter industry by introducing a technique similar to those used in other mass production fields of manufacturing.

A former NDAC instructor addressed the 58 registered attendants. He was H. R. Thornton, now head of the department of dairying of the University of Alberta. In 1928 and 1929 he was assistant professor of bacteriology here.

Besides Jensen, four other members of the college staff took part

in the conference. They were Lyle D. Beck, Dwight Espe, R. L. Post, and R. L. Witz.

## Campus Vets Organize

About 150 ex-servicemen and women attending NDAC met in the YMCA auditorium last week to discuss a proposed organization for campus GIs.

Fred Saefke was named acting chairman, and he appointed Mayo Kucera to head a constitution committee. When the constitution is completed, it will be submitted to college authorities for approval, Saefke said.

Bob Meath, publicity chairman, will then make arrangements to inform the student vets of the next meeting, which will be held the first Thursday following the completion and official approval of the constitution.

## ADDRESSES ROTC

Arne Lochen, NDAC student from Norway, addressed a meeting of ROTC students Tuesday.

## Commission Joins Student Action Group

Members of the NDAC student commission took action Tuesday to establish the college chapter of the Intrastate Student Action Committee as a constitutional division of the campus student government.

In a meeting attended by ISSAC members the commission voted to accept membership in the ISSAC on behalf of the entire student body, thus making the committee for the first time in its history an authorized spokesman of all NDAC students.

A motion by Cliff Rothrock, commissioner of athletics, to establish four ISSAC committee chairmen and a general chairman, all of whom would be responsible to the commission, was passed. Committee heads will handle ISSAC work in radio, research, publicity and campus activities. No appointments were made, pending further study.

## FIRST LEGAL VOICE

Prior to Tuesday's commission action the local ISSAC group was able to represent legally only those students who had purchased membership in the organization. Recognition was given the committee, however, in the commission approval of delegates to state ISSAC conventions and to the lobbying mission at Bismarck last week.

The motion to accept ISSAC membership on behalf of the student body was introduced by Edith Gelder, commissioner of public speaking.

Ellsworth Moe, commissioner of publications, submitted his resignation to the commission at the Tuesday meeting. Replacing him temporarily will be Dolores Shanks, the other senior member of the board of publications. Moe will continue temporarily as president of that board.

## Committee Report Hikes AC Request

### Asks Building Fund Boost For College Engineering Annex

Following completion of hearings last week the house appropriations committee of the North Dakota legislature submitted a report Monday recommending over \$1,000,000 in additional college budget appropriations for 1947-49, \$581,000 of which was asked for NDAC.

Largest item on the requested NDAC increases was \$260,000 for educational services, most of which will go for a hike in staff salaries and for the employment of additional staff members. The total request for educational services now totals \$1,480,000, which, according to Pres. J. H. Longwell, contemplates a 20 per cent pay raise.

### ENGINEERING GETS ANNEX

NDAC is set for a \$123,000 addition to its engineering building, if the committee report is accepted and passed by the legislature. The report requested funds for the new structure, while asking that a \$20,000 boiler appropriation be dropped.

Appropriations for scientific investigations in the experiment station were increased \$90,000 to \$290,000, while an additional \$30,000 was asked for station equipment, improvement and repair, bringing that fund to \$65,000. The station building fund was raised from \$60,000 to \$75,000.

New NDAC buildings now scheduled for appropriations are a library, agricultural engineering building, livestock building, maintenance building and engineering building addition. Funds also are being requested for relocating two campus barns.

## Convo Books Christensen

Relations between the United States and Argentina will be discussed in an NDAC convocation address next Thursday by Professor Asher N. Christensen, associate professor of political science at the University of Minnesota.

A graduate of the University of Minnesota, he has been a member of the political science department since 1935. A leave of absence granted him in 1942 enabled him to accept an appointment as visiting professor of the United States government at la Universidad Nacional del Litoral, Santa Fe, Argentina, where he taught in Spanish. He later was appointed cultural relations attache with the United States embassy in Buenos Aires. A special assignment took him to Paraguay in 1943.

Professor Christensen is co-editor of The People, Politics, and the Politician, an anthology which deals with the problems of government in the United States.

In 1945 Professor Christensen returned to the United States to resume his professorship at the University of Minnesota. Since then he has lectured and participated in Inter-American Institutes throughout the midwest.

## Name Eight Seniors As New Members In Phi Kappa Phi

Eight seniors were recently selected for membership in Phi Kappa Phi, national honorary scholastic organization, according to Dr. J. A. Munro, secretary-treasurer of the group.

- New members include:  
**Inez Carlson**  
**Bertrand Iwen**  
**Catherine Knutson**  
**Lorna Longwell**  
**Merlin Miller**  
**Roland Nordine**  
**Carol Omodt**  
**William Welander**

Miss Carlson is enrolled in home economics; Iwen in pharmacy; Misses Knutson and Longwell in arts and science; Miss Omodt and Miller in education; Nordine in chemistry and Welander in agriculture.

Members are elected on the basis of scholarship and activities each term.

## Ag Staff Members Attend Three Northwest Meetings

NDAC is well represented this week at several agricultural meetings being held in Minot, Park River, and Bismarck.

A number of NDAC instructors and workers in agriculture are attending the Northwest Farm and Home week being held at the Minot State Teachers college.

Last Monday a joint session was held during which Dr. R. W. Bryant spoke on poultry problems.

For the remainder of the meeting, the discussions are divided into three general groups—livestock, agricultural engineering, and home economics—which meet concurrently.

Last night Dr. J. H. Longwell was the main speaker at the Ward County Improvement banquet given in his honor.

The following from NDAC took part in the livestock improvement discussions: Dr. M. L. Buchanan, Dr. F. Gray Butcher, and M. H. McDonald.

Included in the agricultural engineering program were Lars A. Jensen, William Promersberger, A. H. Schulz, and Dr. H. L. Walster.

Representing NDAC in the home economics division were Julia Brekke, Butcher, Shulz, and Dr. Walster.

Next Monday Dr. Walster will address this year's final meeting of the Velva farmers' evening school.

Several faculty members of the NDAC school of agriculture and workers in the experiment station and extension service are attending the Winter Fair and State Potato show being held at Park River.

Among those attending are: M. L. Buchanan, F. P. Day, P. V. Hemphill, W. G. Hoyman, G. A. Johnsgard, M. H. McDonald, and R. L. Post.

Dr. C. C. Volkerding, assistant dean in the school of agriculture, is attending the soil conservation district supervisors' meeting in Bismarck this week. He is presenting material on the maintenance of soil fertility.

## Tax Expert Available

A representative of the Fargo internal revenue office will be in the college business office, Old Main, from 9 a.m. to 5 p.m. next Wednesday to assist college employees and students with their 1946 federal income tax returns, it was announced.

## Phi Mu Sorority Picks Dream Man

Phi Mu sorority announced Wednesday afternoon the election of Arnljot Granheim, Theta Chi, as sorority "Dream Man."

Other candidates for the honor were John Babcock, Sigma Phi Delta; Donald Brockel, SAE; Curtis Hegg, Kappa Sig Chi; Donald Horne, Alpha Tau Omega; John Lytle, Kappa Psi; Kelly Miller, AGR; and Lloyd Stein, Sigma Chi.

## EDITORIAL OBSERVATIONS

### Objective

## Turnabout: A Commendation

Representatives of North Dakota's institutions of higher learning returned from Bismarck last week with praises for the legislature's house and senate appropriations committee.

Members of the NDAC administration and faculty and representatives of the student body who attended the legislature's hearings on educational appropriations received unprecedented co-operation from the legislators, they reported, and were given the best hearing—from the observation of those who have been there before—in the institution's history. The Spectrum adds its appreciation.

And these praises came even before news was released this week that the house appropriations committee, which handled the main burden of reviewing college needs, had recommended all of NDAC's specific amendment requests.

## This Business Of Name-Calling

There are very few people in the world today so uninformed that they will contest the value of vitamins. Yet those people, for the most part, have only the vaguest idea of what a vitamin is or what it does. The important thing is: their minds have been conditioned through the press and in various ways to believe that vitamins are good. This is a case of unarmful propaganda.

Suppose that a similar campaign had been conducted to convince people that vitamins were bad. All a speaker would have to do to refute an argument for a new food would be to shout, "Vitamins!"

From a study of events of the day one may very well conclude that there is in the United States today a growing tendency for people's minds to be swayed by just such illogical propaganda measures. Part of this wave of reaction may be traced to sluggishness of thought, but at least a mentionable portion is a result of planning by those who stand to benefit from the illogical thinking of others. The result can be nothing less than the abandonment of justice in certain phases of social thinking.

The technique of name-calling is an old and effective one. By shouting "Vitamins!" the speaker can close his listener's ears to the arguments of the opposition. Last week in Fargo just such a measure was used with effect.

Mr. DeWitt M. Emery of Akron, Ohio, president of the National Small Business Men's association, told members of the Associated Industries of Fargo that a textbook used at NDAC is "Communitic!" That it is so, whether that be good or bad, is highly controversial.

What does such a charge mean to anyone with a rational mind? It ceases to be a charge. Communism is an economic system, and like vitamins, it deserves to be considered along with other fields of study. To conclude that one is a "Communist!" because he has studied communism is like concluding that a physiologist is a "Beri-Beri-ist!" because he has studied the diseases of malnutrition.

Mr. Emery's denunciation was directed at the book, Economics: Principles and Problems, by Paul F. Gemmill and Ralph H. Blodgett, published by Harper and Brothers, New York. One copy of the book is used for occasional reference work in the department of agricultural economics.

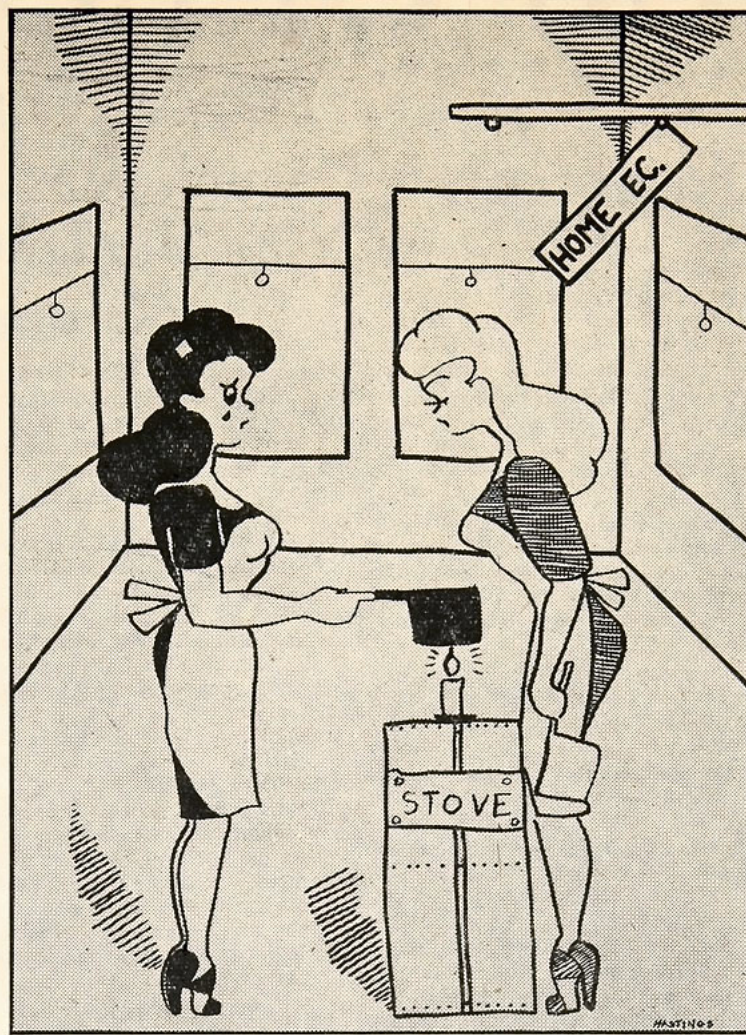

In his sensational pronouncement to Fargo business men Mr. Emery pointed to various subjects discussed in the book which could be branded as "Communitic!" One of these was the abolition of inheritances. What Mr. Emery does not know, apparently, is that such a measure to prevent the formation of a moneyed aristocracy was a subject for serious thought in the United States government a hundred years before "Communism!" was adopted by Soviet Russia. Not one of Mr. Emery's other published points can be construed as an anti-social principle.

What Mr. Emery failed to mention to his listeners was the fact that "Communitic!" as an economic system has both good and bad qualities. Even if that system were 90 per cent bad, it might be of benefit to society to know about it for the 10 per cent good. And he failed to mention that it is the purpose of education—the purpose for the existence of NDAC—to study facts—all facts—scientifically without reference to emotion.

Mr. Emery is but one of a flood of reactionaries preaching a doctrine of illogical thinking to the American public today. Until the time when society learns to see through such name-calling as his, and until the time when people learn to think and act—singly and collectively—according to the precepts of rationality, the world faces a danger of greatest magnitude.

How does it feel to have \$5,000 in your hands? Just ask Alice Reimers or Dora Dyste, the two NDAC students who found that amount in jewels in the Gopher Grill a couple of weeks ago. The gems had been left in the grill by a Grand Forks couple who did not discover their loss until after they had returned home. A call to Moorhead ascertained that the jewels had been returned by two unknown girls. After a great deal of persuasion Alice and Dora "owned up" and should have received a reward by this time. (Note to The Dakota Student: AC students are honest, even when Grand Forks is concerned.)

A pat on the back to The Statesmen, college dance band, who get smoother each time out. In a way it's too bad that they are getting better, since it may force an upward swing in the price scale in order to keep some of the men now

playing. But they're easily the best bunch to play for a college dance around here for a long time. Incidentally they're booked almost solid from now until school is out.

Just a reminder that unless you've got a buddy in Grand Forks, you might as well plan to stay here during the AC-U series the weekend of February 21-22. There just ain't no space at the postage-stamp armory. In fact, all the university students will have a hard time getting in, let alone a delegation of superior intellects from down this-away.

A belated item on Dean C. A. Sevrinson's letter to The Spectrum, asking that we convey his compliments to the student body for their fine conduct at recent convocations. Only suggestion that the dean had to make was that students try to get in at the 9:40 starting time instead of clomping in along about 10:15.

## The Fearsome

## Foursome

We're back with news from here and there, With events like the Charity ball. Unlike the formals that will appear, Our column covers all.

Butch Rue was heard to conclude after a noon pinochle game—To get a good hand you have to have a good deal, and in order to get a good deal, you have to have a good hand.

Orchids to Bob Owens who was recently elected fire escape inspector of Dakota Hall.

In the midst of the week's hustle and bustle I calm my poor, wretched mind with the peaceful thought

of a group happily bowling. It includes Joyce Gackle, Barbara Nelson and Edith Arneson who were eagerly making points while the fellas—Fred Bristol, Jim Dawson and Bob Dawson—were hypnotically watching the pins.

Jeannie Cosgriff will appear in an exquisite Paris Creation at the Charity Ball. She is planning to wear an enormous skirt and is praying for a large corsage.

This week's \$64 question—Is Jean Beverly Hoverson (they told us to use full names and be definite) so spoiled and so sure of getting her own way that she writes two days ahead in her diary?

AGRs report that shoveling snow at the Home Management house is no chore when coffee and cookies are served to the workers . . . Let it snow!

Let there be light, said Dean Dinan, and Women's Senate provided two new lamps for the Old Main lounge.

### MORE GOOD CHEER

The dimes march on, the line being lengthened by Ceres hall's contribution of \$17 and Sigma Chi's gift of \$15.50.

### SURPRISE

No coffee hour at the Alpha Gam or Beta Xi houses Friday. Other social doings include the KD diner a week from today, an all-college dance sponsored by Phi Mu after the game Saturday, a fire side party at the Theta Chi house the same night, a Sig-sponsored swimming party at the downtown Y Sunday with Alpha Gams and Beta Xis adding the eye appeal and a Sig dance next Saturday by pledges in honor of actives. Kappa Psis entertained KDs at coffee during the week.

### AULD LANG SYNE

Faith Conmy made a short stop at the Kappa house between her return from UCLA and her departure for Florida with her family. However, she plans to return to NDAC for the spring term. Jean Leebey and Jean George, Gamma Phi pledges from UND, visited the chapter rooms here Monday and Tuesday before returning to start a new semester's work.

### SOMETHING NEW

Thordis LaFranau joined the KD pledge ranks Monday evening. Alpha Gams started the month right by initiating Barbara Christenson, Virginia Fitch and Jo Ann Herigstad. Theta Chi pledged Leroy Loder, Tom Bjornstad, Jeff Brown and Gordon Dodd. New Beta Xis—pledges—are Jane Hensel and Fern Zimmerman.

### GUESTS

Maybe there will be room for potluck guests this week. Dr. Posin broke bread with Gamma Phis and then settled down for a vivid description of atomic energy. Other GPB guests included Phyllis Holiday, Ruth Tante, Jean Leebey and Jean George. Phi Mu guested the eight candidates for Phi Mu Dream Man. At the KKG domain were Margaret Welter, Joan Murphy, Medrean Rufer, Kay Householder, Lorraine Cosgriff, Doris Bjorklund and Faith Conmy. Muriel Solberg and alumni Fred Martin, Glen Storm, Myrle Anderson and Bill Guy were at the SAE house.

### AND SO

Kappa Psi alum Jim Parkins visited the house this week . . . Among Sunday diners at the AGR hotel were Prof. and Mrs. M. L. Buchanan and children and Prof. and Mrs. W. W. Moberg.

### Who's New Club Meets

The Faculty Who's New club members and their husbands or wives will celebrate Valentine's day this evening at 8 in Old Main lounge.

Co-chairman for the function are Miss Ina R. Johnson and Mrs. Harold Heggeness.

Assisting them are Mrs. Don Jones, Mrs. D. Q. Posin, Mrs. C. E. Abbott, Mrs. Mildred Green, Miss Frances Kapuscinski, Mrs. E. M. Opton, Miss Jean Stange, Miss Florence Swallow, Mrs. Glen Vergeront, Mrs. Glenn Walrath, Mrs. Alida McGregor and Mrs. James Johnston.

Membership is open to faculty members who have been on the campus two years or less.

## Bison-MSTC Benefit

Tuesday night for the polio fund is in our opinion well worth the support of the entire student body. The comparative low charge of 35 cents for students and 50 cents for others shouldn't keep anyone away. This third meeting was scheduled last month to add a feature attraction to the polio fund campaign.

## And Speaking

of the Bison, may we throw a few bouquets for this past week's performance—especially for the drive displayed in the Cobber setto. Isn't it peculiar how a couple of wins can silence the wolves.

## Pep Convocations

have long been missing from the NDAC scene. A feeble attempt was made several weeks ago to hold one, but evidently someone forgot to check with the athletic department as the squad had left town the day scheduled. However, with the University series not far off, the question remains, WHEN ARE WE GOING TO HAVE A PEP RALLY?

## This B Squad

ought to have a few bouquets while we're in a generous mood for their performances lately. The Bs looked good whipping the Rexall Ramblers, 43-14, Friday and the Concordia Bs, 49-32, in preliminary contests this week. Ayr fell to the Baby Bison, 39-32, Monday.

## Cliff Rothrock's

signing with the Chicago Rockets to play a 14-game schedule next fall proves somebody besides the Iowa sportswriters thought Rothrock a good ball player (Attention: Doug Kane at SDSC).

## On Display

in the field house showcases are the trophies for the intramural bowling, softball, and basketball tournaments (volleyball trophy on the way). And handsome they are. Track And Boxing are still short participants. Anyone interested in boxing instructions or track should contact the athletic department.

## Football Schedule

for next fall lists four attractive home games after the opener with Iowa on September 20. The schedule:

- Sept. 20—at Iowa.
- Sept. 26—Gustavus Adolphus here.
- Oct. 3—Iowa Teachers here.
- Oct. 10—South Dakota U here.
- Oct. 18—North Dakota U here.
- Oct. 25—at Augustana.
- Nov. 1—at SDSC.
- Nov. 15—at Morningside.

## Vikings, Cobbers Defeated By Herd

The Augustana Vikings were edged, 39-35, Friday and the Concordia Cobbers whipped, 66-42, Tuesday by an avenging Herd in the field house this week.

With a 6-4 score at the end of the initial period, the Viking contest picked up speed in the second quarter as the Sioux Falls quint pulled away to a 22-16 from the middle of that period.

However, the Bison outscored Augustana, 11-5, to make it a tie ball game as the final quarter began. With 1:30 left in the game the score was 33-32, but Nick Vujovich and Tom Corrigan soon added buckets to put the game on ice.

Showing their best drive of the year, the Bison jumped into an 11-point lead over Concordia at half-time with the aid of Jim Johnston's eight points in the second frame. From then on it was the Herd's show all the way til the 66-42 final.

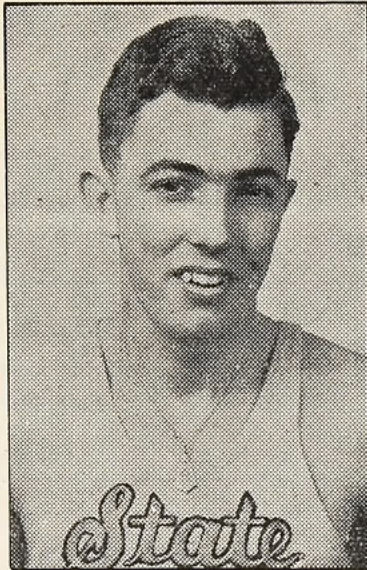

# Bison Meet Rabbits Sat.; MS Tuesday

BY JOHN PAULSON

Big Jim Schmidt and his South Dakota State College Jackrabbits move onto the NDAC field house floor Saturday night to face Chalky Reed's Bison quint in a North Central Conference tilt.

In a preliminary to the Bison-Jackrabbit game, Stan Kostka's Bison 'B' squad run into the powerful Ayr independent team.

Schmidt, leading NCI scorers with 148 tallies in 7 games, is generally considered one of the outstanding, if not the outstanding, performer in the loop. However, big Paul Brostrom, Bison

Jim Schmidt

pivot man, is in second place in loop tallying with 106 markers, and the Red Head is being counted upon by Herd followers to furnish Schmidt with plenty of competition.

In loop competition, the Bunnies own a 4-2 record. The South Dakota crew dropped their opening loop tussle by losing to NDU. The Bunnies split with Iowa Teachers in two outings, took Augustana into camp twice, and walloped the Bison 61-41 earlier in the campaign.

The Bunnies will be closing a two-game northern sweep that finds them in Grand Forks tomorrow night to face Cookie Cunningham's Sioux.

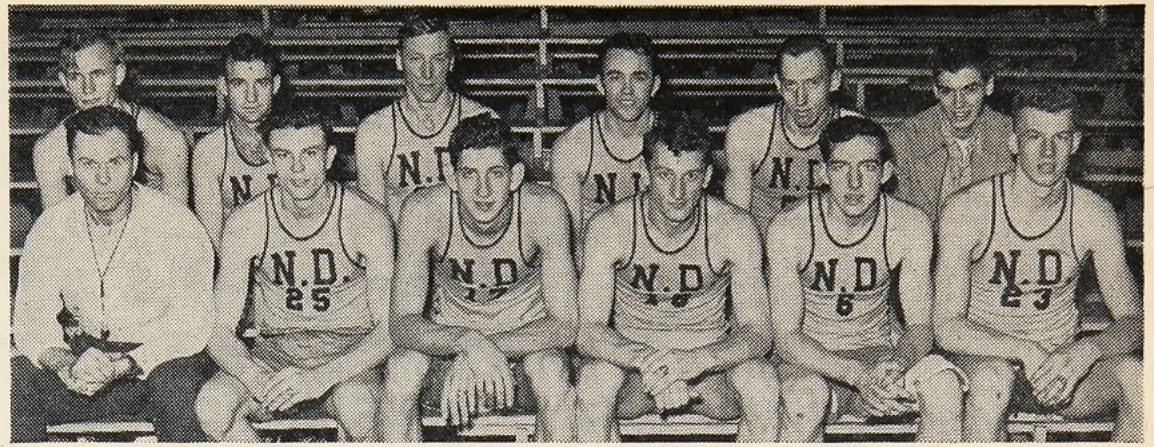

## PLAY BENEFIT TUESDAY

Tuesday night the Bison run into intercity competition when they meet Roy Domek's MSTC quint in a polio-benefit tussle. The Dragons, defeated by the Bison in their first two meetings, but winners over the Herd last month, should offer the Reedmen plenty of competition, and the game is expected to arouse considerable local interest.

Scheduled after the season opened, to benefit the Infantile Paralysis drive, the game will be played on the Field house floor.

Besides the NDU-SDS' game at Grand Forks tomorrow, Morningside is at South Dakota university in another loop tilt.

# Chalky Reed's 1946-47 Cage Squad

Victors over Augustana and Concordia this week are the above pictured members of the 1946-47 basketball squad. In the front row, left to right, are Coach Chalky Reed, Jim Johnston, Curt McCamy, Nick Vujovich, Tom Corrigan, and Jack Garrett; second row, Dave Turner, Bill Gallagher, Nick Soulis, Dennis Drews, Paul Brostrom, and Bruce Warner.

## ATO, OX Head Volleyball League, Only Three Undefeated BB Teams

Theta Chi and Alpha Tau Omega retained the intramural volleyball lead last week with perfect records of five and four wins apiece, while Trailer City cut Sigma Chi I out of the clean slate class in the basketball tournament last Wednesday with a 23-21 victory.

The Trailer City win left Kappa Sigma Chi ahead in Bracket I with four wins. Leading Bracket II are the Privateers with four victories and Bracket III, the Saints with five wins.

Besides the Trailer City win last Wednesday, Dorm II defeated Sigma Chi III, 22-20, and Dorm I edged Kappa Psi 28-23.

Last Thursday's games resulted in a 40-23 Kappa Sig win over AGR, ISA II defeat of Sigma Phi Delta, 25-10, and Fergus Fizzler victory from Sigma Chi II, 22-12.

Saturday ATO got back on the winning track by edging the Architects, 30-28, the Privateers continued the victory way defeating LBRs, 26-17, and Dakota Hall forfeited to SAE.

## ISA VICTORY WEDNESDAY

In volleyball play this week ISA whipped Kappa Sigs II, 37-22, Wednesday, Sigma Chi I walloped Sigma Phi Delta, 30-10, Tuesday,

and the Dorm defeated AGR, 30-14, Tuesday.

## NEXT WEEK'S SCHEDULE

Today: volleyball, Kappa Psi-Trailer City at 4:30; basketball, Sigma Chi I-Kappa Sigs at 7:00, Saints-Dorm II at 8:00, and LBRs-Outlaws at 9:00.

Saturday: basketball, AGR-Trailer City at 2:00; ISA II-Dakota Hall at 3:00, and Kappa Psi-Privateers at 4:00.

Monday: volleyball, AGR-Theta Chi at 4:30.

Tuesday: volleyball, Kappa Sigs I-Sigma Phi Delta at 4:30; basketball, ATO-AGR at 7:00, SAE-Saints at 8:00, and Sigma Chi II-Dorm II at 9:00.

Wednesday: volleyball, ATO-Dorm at 4:30; basketball, Sigma Chi I-Architects at 7:00, Sigma Phi Delta-Oak Grovers at 8:00, and Kappa Psi-Fergus Fizzlers at 9:00.

## IM BOARD MEETING

The IM board will meet Monday at 4:00 p.m. in the field house.

## Aune On Honor Roll, Dorm Increases Lead

Rolling the high single game with 224, Duane Aune, Dorm, fell one pin short of the season's record set by Bob Miller, ISA, and totaled the high single series with 550 to land on the bowling honor roll last Thursday.

The Dorm increased their lead by taking three games from the Kappa Sigs, while the second place Theta Chi entry was taking two from AGR.

Other results had SAE winning two from ATO and ISA shutting out Sigma Chi.

Pairings today on the Grand alleys at 9:00 are SAE-ISA, Theta Chi-Kappa Sigs, Sigma Phi Delta-AGR, and ATO-Kappa Psi.
