AC President Leaves For Conference

President Frank Eversull of North Dakota Agricultural College, John J. Tiegert of the University of Florida, and Chancellor John W. Harrelson of North Carolina State College are the three men whose presence is requested in Washington the week of Nov. 18th as representatives of the Land Grant College Association to hear the House Military Affairs Committee, War and Navy Departments, discuss the Compulsory Military Training bill. Their capacity will be to act as sources of opinion representative of the educational field. The headquarters of the group will be the Penatgon building. The space was offered to them by the War and Navy departments.

Eversull has been commissioned to write the brief that will be presented by the House and Senate through the Military Affairs Committee. Harrelson acts on the committee and President Tiegert represents the Executive Council.

Four other duties will be executed by the three during their stay:

1. The Committee will represent ROTC affair to counsel with War Department on ROTC in the schools.
2. They will appear before policy making groups of the Army and Navy to present the view of education as to ROTC.
3. They will present before Congress and the Army and Navy the needs and provisions for buildings and equipment needed before there can be an extension of ROTC and NROTC for national defense.
4. They will present the LGCA in connection with the distribution of surplus commodities.

The editor, neither praising nor condemning the article "From The Sidelines" which appeared in the Nov. 1st Spectrum, regrets the tone and wording in which the article was written. This regret is not intended in anyway to be a reflection on the content. That which is in bad taste is not necessarily slander.

Formal Military Ball Planned For December

December 7th will mark the date of the formal Military Ball which is to be held from 9:00 p. m. to 1:00 a. m. in the Field House. In charge of the ball is Captain Smith, his military staff, and a student committee of nine. It includes Wallace Horberger, Miles Brakke, Bill Swanston, Fred Kingdom, Dash Conford, Darlene Jones, Ardyce Swenson, Gwen Host, and Arlys Jensen. The girl members are the representatives of Guidon.

Trailer Quota Gotten By AC

Approximately 100 trailers is the quota for the NDAC trailer camp which is being built between the Home Management House and the Men's Residence Hall on our campus. Negotiating for these and 100 more which will be the North Dakota allotment was President Frank Eversull. The President travelled to Chicago to complete the arrangements with Mr. Fred Craft, head of Housing Distribution for Chicago.

"The AC hit the jackpot", is the way Mr. Craft described the purchase. Because of the great demand by schools of higher education and municipalities who are trying to solve their housing shortage through the use of these trailers, the AC and North Dakota (Continued on Page 4)

Johnson Named Regional Head

Clarence Johnson, a returned veteran now enrolled as a special student at NDAC, was elected 1945-46 president of the Northwest Region of the Lutheran Student Association at the regional conference of LSA in Brookings, South Dakota, Nov. 2-4. There are 13 regions of LSA in the United States and Canada and the Northwest includes 18 colleges and universities in northern Minnesota, North and South Dakota, and Winnipeg, Manitoba, Canada.

Other '45-'46 officers from the Fargo-Moorhead district are Gladys Sather, NDAC, corresponding secretary, and Dorothy Mae Gilbertson, Concordia, mission secretary.

Ed Announces Bison Staff

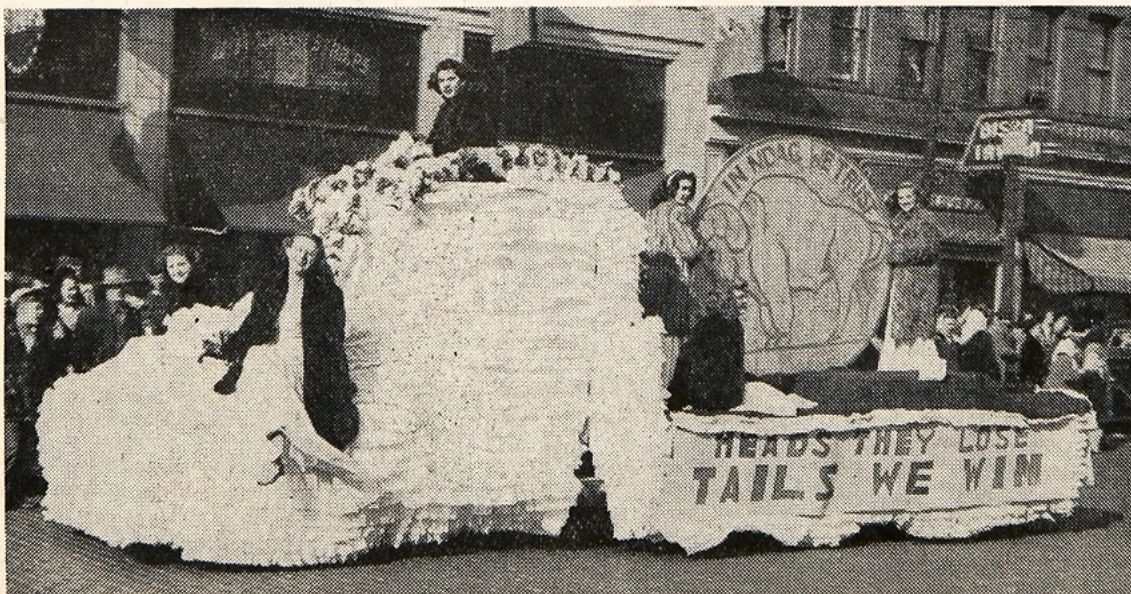

Editor Doris Oliver and Assistant Editor Jeanne Warner have chosen the following staff to assist with the 1946 Bison. Campus Organizations, Rose Ann Vogel and Virginia Hill; Greek Editors, Norma Jean Steinmeyer and Manny Walth; Make-up, Lois Olson; Photography, Dan Olson; Bison Life, Betty Lou Payne and Mary Joyce Tindall; Women's Sports, Sue Naaden; Athletics, Eddie Persellin; Classes, Janet Lyngstad; Military, Charles Dickens; Schools and Deans, Mary Lou Kraemer; Dakota Hall, Freddy Cooper; Ceres Hall, Naomi Schuricht; Men's Dorm, Edwin Anderson; Typist, Lois Wangen; Rewrite, Larry Vettel; Proof Readers, Marjorie Sebens and Evelyn Thurnau.

30 Allotted To NDAC Military

Thirty was the allotment to the NDAC military staff as the number of men they may have in officer's training on this campus. This is one of the highest allotments in the 7th Service Command. In case more men wish to enroll the requests for an increased number may be filed with the 7th Service Command Headquarters.

By using allotments of other schools for comparison it shows what a favorable number this is. The U of Nodak gets only 16; the U of Minnesota only 34, 4 more than the AC. The highest allotment in our area went to the U of Missouri which has 600 boys in ROTC. Their contract is for 100.

Kappa Delta Take First With Float

The music will be provided by George Schue. Tickets are \$1.25 a couple. All members of ROTC and returned service men are eligible to attend. A special feature this year is the allowing of all returned men who appear at the ball in military dress to enter free.

A Grand March is being planned by the Captain. Programs will be given to all girls and their escorts. The Field House will be decorated by Guidon girls assisted by the ROTC units. The reason that Guidon is so active in all of the planning is that it is the auxiliary to Scabbard and Blade which sponsored the ball before the war. Scabbard and Blade is no longer active.

"I am planning to go all out for this ball," said Captain Smith, "because it is the first one to be held after the war. I hope to set a successful precedent."

His efforts are being furthered by a new feature. He is sponsoring a poster and cartoon contest for every one on the campus. This contest is handled by Miss Gruenwald and Mrs. Dobervich, both instructors in the Art Department. According to Mrs. Dobervich the contest is running along beautifully.

All posters are due before November 15th. Captain Smith wishes to urge everyone, not only art students to participate. The prizes are \$5, first prize; \$3, second prize; and \$2, third prize.

Aandahl Addresses Institute At AC

Governor Aandahl, appearing for the first time on the campus in two years, addressed the delegates to the Achievement Institute at NDAC Thursday, November 11.

Through the 4-H activities the young people who have had these benefits can point the way to the improvement of farm production in the state through better methods.

Governor Aandahl called attention to the accomplishments brought about by the use of superior varieties of livestock, resistant to disease. Also stressed were the advantages of the farm home in building the characteristics of leadership exhibited by the 4-H Club.

There is need for rural leadership which will maintain the economic prosperity, for 85% of North Dakota's income comes directly from agriculture or small individually owned businesses serving agriculture.

The institute adjourned at noon Friday, following election of officers for the next year and a citizenship ceremony. The total attendance has been approximately 500, with 46 counties represented.

There will be a luncheon honoring Rev. Vikner Friday noon in the Ceres Hall cafeteria for certain representatives from the YW and YMCA.

So Home Ec. never gets in the news. Well is it my fault? I'm no spoon jockey. How about some of you griping gals sending me some stuff?

Not only do fraternities go in for Emily Post, but it seems as if campus cuties are hot after the stuff too.

Let's end this rub where all good things end, at Nick's "Coke and Phosphate Palour", where special sorority and fraternity, king-sized booths are giving away to the cozier 2 for 5 variety. Leading this re-conversion are certain B T O's who wish to remain anon. at this time, thank heavens cause believe me they are big.

Well, here I am back again after a harrowing Halloween of haunting innocent Ceres Hall victims. Yes, 'tis true. Complete with zooty sheets (but natch!) Yours Truly and two fellow-spooks went on a zany trick or treat tour of third floor last Halloween night. Net gain: a veritable goldmine of edible delicacies, including those ever-lovin' peaches dished out in forkful by Bev Anderson. Having partaken of this enchanting preparation, we of Spooks, Inc., staggered down the hall and haunted (with slightly inebriated gusto) some more. An none of us had a haunting license either!

Upon wandering into Joyces' and Wickie's room, we found them gazing adoringly at a wristwatch and a bracelet respectively. They claimed same were already "old stuff", as the saying goes; but that look in their eyes was putting in a plug for a couple of boys from Washburn.

The ATO Fraternity was entertained by the POP Sorority on Wednesday evening from 7 to 11 p.m. at the sorority house. The following day the ATO's were guests of the Kappa Delta sorority at a Hallow'een party, from 8 to 11 p. m. Both parties were enjoyed by all members of the ATO Fraternity.

Ensign Bill Tarbell is home for a few days after reseiving his commission.

S/Sgt. Bob Flynn is still home, and has attended most of the parties with the chapter.

Last Sunday the ATO's attended the presentation of the Phi Omega Pi and Alpha Gamma Delta sorority pledges.

Wednesday evening the ATO's are being entertained by the Alpha Gamma Delta sorority from 7 to 9 p. m.

Alpha Gamma Delta

Alpha Gamma Delta held Pledge Presentation Sunday from 3 to 5 p. m. in the chapter rooms.

Pot-luck guests Monday were Madelyn Forsythe, Jean Hoverson and Barbara Ann Nelson. The pledges entertained us with a song which they composed.

Pledging was held in the chapter rooms Tuesday for Madelyn Forsythe.

Wednesday evening we had the pleasure of entertaining the ATO's.

Gamma Phi Beta

Gamma Phi Beta pledges, actives and their mothers will be guests of the Alumnae at their traditional Founders Day Banquet, Monday November 12, in Town Hall of the Gardner Hotel at 7:00 p. m. The Gamma Phi's are celebrating the 71st anniversary of their founding.

Mrs. J. W. Shotwell, alumni advisor to active chapter, is in charge of general arrangements, while Mrs. Walter Murfin is originator and director of the program. Mrs. C. W. Litten, alumnae president, will act as toastmistress] Responding will be Irene Gunvaldsen, active president, and Jeanne Wallerius, pledge president. Mrs. Paul Person will lead the songs and Joyce Gunvaldsen will be the Lady of the Moon.

Two novelty numbers will be sung by the Gamma Phi pledges accompanied by Audrey Remme. Betty Lewis will sing "One Kiss" accompanied by Dorothy Allen. Actives will present songs and an octette will sing "Dreaming",

Anderson, contemplating with wrinkled brow a page of original doodlings which she continues to turn out in amazingly rapid succession with her trusty fountain pen. This unnatural attitude of active concentration was explained by the fact that Bev was trying to divert her attention from the thought of her departure from Ceres Hall on Monday morning. We miss you, Bev, but our loss is Home Management House's gain, especially if you take along those you-know-what peaches! Can't say you didn't have a good send-off, though, a birthday party Saturday night and everything. (See, we told you it wasn't only beds that used pillows!)

Also on Saturday night, Joyce furnished canned music for an East Corridor hop, or so I hear. Several Dakota Hall residents were guests.

And Sunday morning saw Phyllis N. doing a fast jitterbug step on a tile floor. It was practically

and will present a shadow play narrated by Mrs. J. A. Jardene featuring the following cast; Misses Paul Person, J. W. Shotwell, C. H. Arnold, E. C. Kaiser, David Scott and William McClung and the Mesdames Eleanor Evan-son and Jocelyn Birch. Mrs. Chester Bautein will play incidental music.

A carnation service will commemorate the four Gamma Phi founders. Closing the evening will be the traditional candle-lighting ceremony with one candle representing the Alpha Omicron Alumnae, ten different candles for ten out-of-state chapters present and one candle for all the remaining Gamma Phi Beta chapters.

The Metzinger memorial scholarship awards were presented Monday night to Irene Gunvaldsen and Marilyn Collette. These awards are in the form of inscribed gold bracelets and according to the sorority tradition are passed on to the two girls who have the highest scholastic averages during the spring and fall terms and to the two girls who have succeeded in raising their average the most during the winter term.

Monday, November 12, a Founder's Day banquet will be held at which time all alums, actives, pledges and members of the Mothers' club will be present.

Kappa Kappa Gamma

Eight pledges of Kappa Kappa Gamma will be presented next Sunday, November 11 in the chapter house from 4:00 to 6:00 p. m. Miss Helen Johnson, college nurse, will pour.

Guests at pot luck Monday were Annette Martin, Joyce Gackle, Mary Thoraldson, Marian Thompson, and, of course, George Rulon.

The Kappas bid a sad farewell to "our sweetheart", George Rulon, who was called back to the service of his country. Good luck, George, and hurry back.

Kappa Delta

Kappa Delta will have pledge presentation on Sunday, November 18, in the chapter rooms. General Chairman is Shirley Huleback; the committees working with her are food, Liz Grosz and Yvonne Christenson; flowers, Lois Dickson and Caryl Freedland.

Potluck guests last Monday were Vangie Browning, Joanne Zimmerman, Dorothy Borg, Lota

Tuesday at six o'clock pledging service was held in the chapter rooms for freshmen Merlyn Anderson and Joyce Leidholm. The new pledges were presented with the traditional carnations and pledge gifts by their sister-mothers.

The Alpha Gamma Rho fraternity fellows were guests at potluck Monday evening and the same evening Dorine Grenier passed candy. SAE Johnny Grosz is the lucky boy.

Sigma Alpha Epsilon

Regular meals are now being served in our chapter house under the supervision of our chef, Louis Larson, and our cook, Mrs. Hubert.

One of our more famous alumni who recently returned from the Pacific with a discharge is Captain Charles Dills. We expect him to be around for some time to come.

Pledged Monday night was Hubert Thompson of Moorhead. In all now SAE has 27 pledges. At this meeting, all pledges were assigned their big brothers.

Plans are well underway for the formation of a basketball team. SAE is loaded with talent and should make a very good showing.

The SAE Mothers Club held their meeting here at the chapter house on Monday afternoon, October 29.

The SAE's entertained the Gamma Phi's Wednesday from 5 to 8. The social chairman is Wallace Erickson.

Bob Schreiner and John Gray left for Camp McCoy on Tuesday and Wednesday respectively. Captain Charles Dills is visiting in Fargo on terminal leave from the air force.

Sigma Chi

Ellsworth Moe is now back as an active Gamma Tau chapter after having started college here again. George Rulon, Tom Folt-house, and John Hinkle were at the meeting Monday night. Brother Hinkle left again Wednesday for Fort Snelling where he is stationed. Jim Fuller is now at Fort Schnelling where he is taking his physical examination. Bob Frand is back in college and has pledged Sigma Chi. The actives and pledges are anticipating the coming of next Thursday evening when they will be entertained by the Phi Mu's. We were honored last Monday night by the presence of Brother George Booth attending an active meeting for the first time this year.

Ernst Van Vlissingen, recently discharged from the services, will be at the chapter house next week to organize a chorus.

Phi Omega Pi

Joan Herigstad and Shirley Prince were guests at potluck Monday evening at the Phi Omega Pi house. Mrs. Paul Paulson, the former Laura Jane Huglen who is a Phi Omega Pi alumna, was also a guest for a short time. Polly Carter and Molly McDonald were also guests.

From The Sidelines

Bison trampled by Hamlin . . . It isn't a policy of mine to make excuses for the home team, but in this case, I think excuses are justified. The Bison battled Hamlin minus several regulars.

Credit should be given to the Military Department for their aid given to the Athletic Department. Lt. (I am not as fat as you are Tony) Haynes capably assisted Bob Lowe in coaching duties. I think a word of thanks are in order for the Lieutenant. Many hours of his services were donated for the good of the team. In basketball, Lowe will have Captain Smith assisting him. Captain Smith is working with the cagers at the present. The Military Department should not receive credit only for their assistance in sports. They have participated in all Campus activities. I walked into Captain Smith's office before Homecoming. I was under the impression the Captain had lost his marbles. Upon closer examination, I learned that the Captain was not cutting out paper dolls, but was busily engaged in cutting out decorations for the field house. There should be more faculty members with the same spirit.

With the football season over, our attention swings to the basketball court. This year should prove to be very successful, having such cagers as Warner, Brakke, Hofmeister, Hanson and several other promising candidates reporting for practice. On No-

vember 29, we will have the pleasure of seeing our cagers in action. The much respected Lee-coached Comets from Mayville Teachers College will furnish the opposition.

A great deal of discussion, pro and con, over the proposal of a two-game series with the Sioux has been heard on the campus this week. Financially, it should be a success, but many questions arise from the proposal. Which game would decide the fate of the much coveted Blue Key Nickel? Would it dampen or raise the spirit shown in the past? How would it affect conference play? These are only a few questions arising from the proposal.

Although they won only a single game this season, I want to congratulate the Bison on a successful grid season. Next year should prove to be an outstanding year for the Herd with practically all of the team returning.

Members of the team were wondering if they would receive letters or jackets for their services rendered this year. I certainly believe they deserve them. Bob Lowe probably has the answer.

A girl's basketball team is contemplated this year. I would really like to see this become a reality. I understand they can get competition from MSTC, U of North Dakota, Mayville Teachers and several other schools sponsoring women's basketball teams this year. Probably it could be arranged to have the girls perform at one of the games played by the Herd this year.

Inquiring Reporter

Should AC-U Play Two-Game Series?

The sensational comeback made by the Herd against the Tribe from upstate homecoming weekend has provoked more than a little discussion, both on the campus and among fans and alumni in Fargo. After dropping the opener of the two-game series, by a score of 20 to 12, the Bison beat the odds a week later on their home field to the dulcet melody, 26 to 7. Tongues wagged while NDAC celebrated its victory; fans asked, "Why not play two games every year?"

Local sports editor Eugene Fitzgerald, brought the discussion to a head with a pointed question some time ago: ". . . . There are a lot of good reasons why the two teams should play twice each fall. . . . It would be interesting to see what the reaction of fans, alumni, and students would be to such a proposal. . . ."

A cross-section of the student body agree that there are "good reasons why the two teams should play twice each fall." In an attempt to resolve the discussion, at least as far as students are concerned, a representative of the Spectrum staff took a poll of campus opinion. An overwhelming majority of the students favored an annual two-game series with the "U". Some of the sororities and fraternities even went so far as to take an actual vote among

the pledges and actives on the issue. The sororities were 100% in favor of the plan. ATO and Theta Chi fraternities and a majority of the varsity football squad support the measure, but with reservations.

A number of the members of the varsity expressed the opinion that if the series becomes a reality, the two games should be played some weeks apart. In no other game of the season is the rivalry more intense, nor winning more important. Consequently the boys really "Knock themselves out" in Sioux-Bison encounters. They need a breather between contests.

The opinion of most of the men and women on campus, however, can be summed up in the remark of one lovely sophomore lass, who answered, "What comes after 75? I think it's a great idea!"

Hamline Downs Bison 43-0

NDAC Bison, minus five regulars now in service, bowed to Hamline university 43-0, Saturday, in St. Paul to give the Pipers their fifth victory against one loss.

An intercepted Bison pass and a 27-yard gallop accounted for the first Hamline goal. Simonson booted the point.

After an 89-yard plunge, Sam Richie came through from the 1-yard line for the second Piper score and Simonson again made good on his kick.

Two passes in the third quarter and two intercepted aerial attacks in the fourth, cinched the Piper game.

The Bison held the Hamline boys in the first period, forcing a field goal from the 25-yard line, but they were unable to get their ground work going. In the second half, the aerial attack failed to score for the Bison as well.

ta was fortunate to have gotten its bid in so soon and its requests granted.

An experiment in "Trailer Democracy" was tried at the U of Wisconsin where a city of trailers was erected. It was of such proportions that they elected a mayor, city council and other officers needed for group living.

Mr. Eversull in his purchase was caring for the needs of the University, AC, Wahpeton Science, Ellendale, Dickinson, Minot, and Bottineau. These trailers, wherever used, were highly acclaimed. They have been used in all climates and have worked successfully. Only Universities and cities could obtain them under a Federal Housing Authority ruling.

Not all of the trailers have been rented as yet. "This is most fortunate," said the President, "because no more are to be had." Only married veterans of World War II and their families are eligible to rent.
