The exhibition was held at the Venice Biennale, Italy, from October 1, 2008, to October 31, 2008. The exhibition was held at the Venice Biennale, Italy, from October 1, 2008, to October 31, 2008.

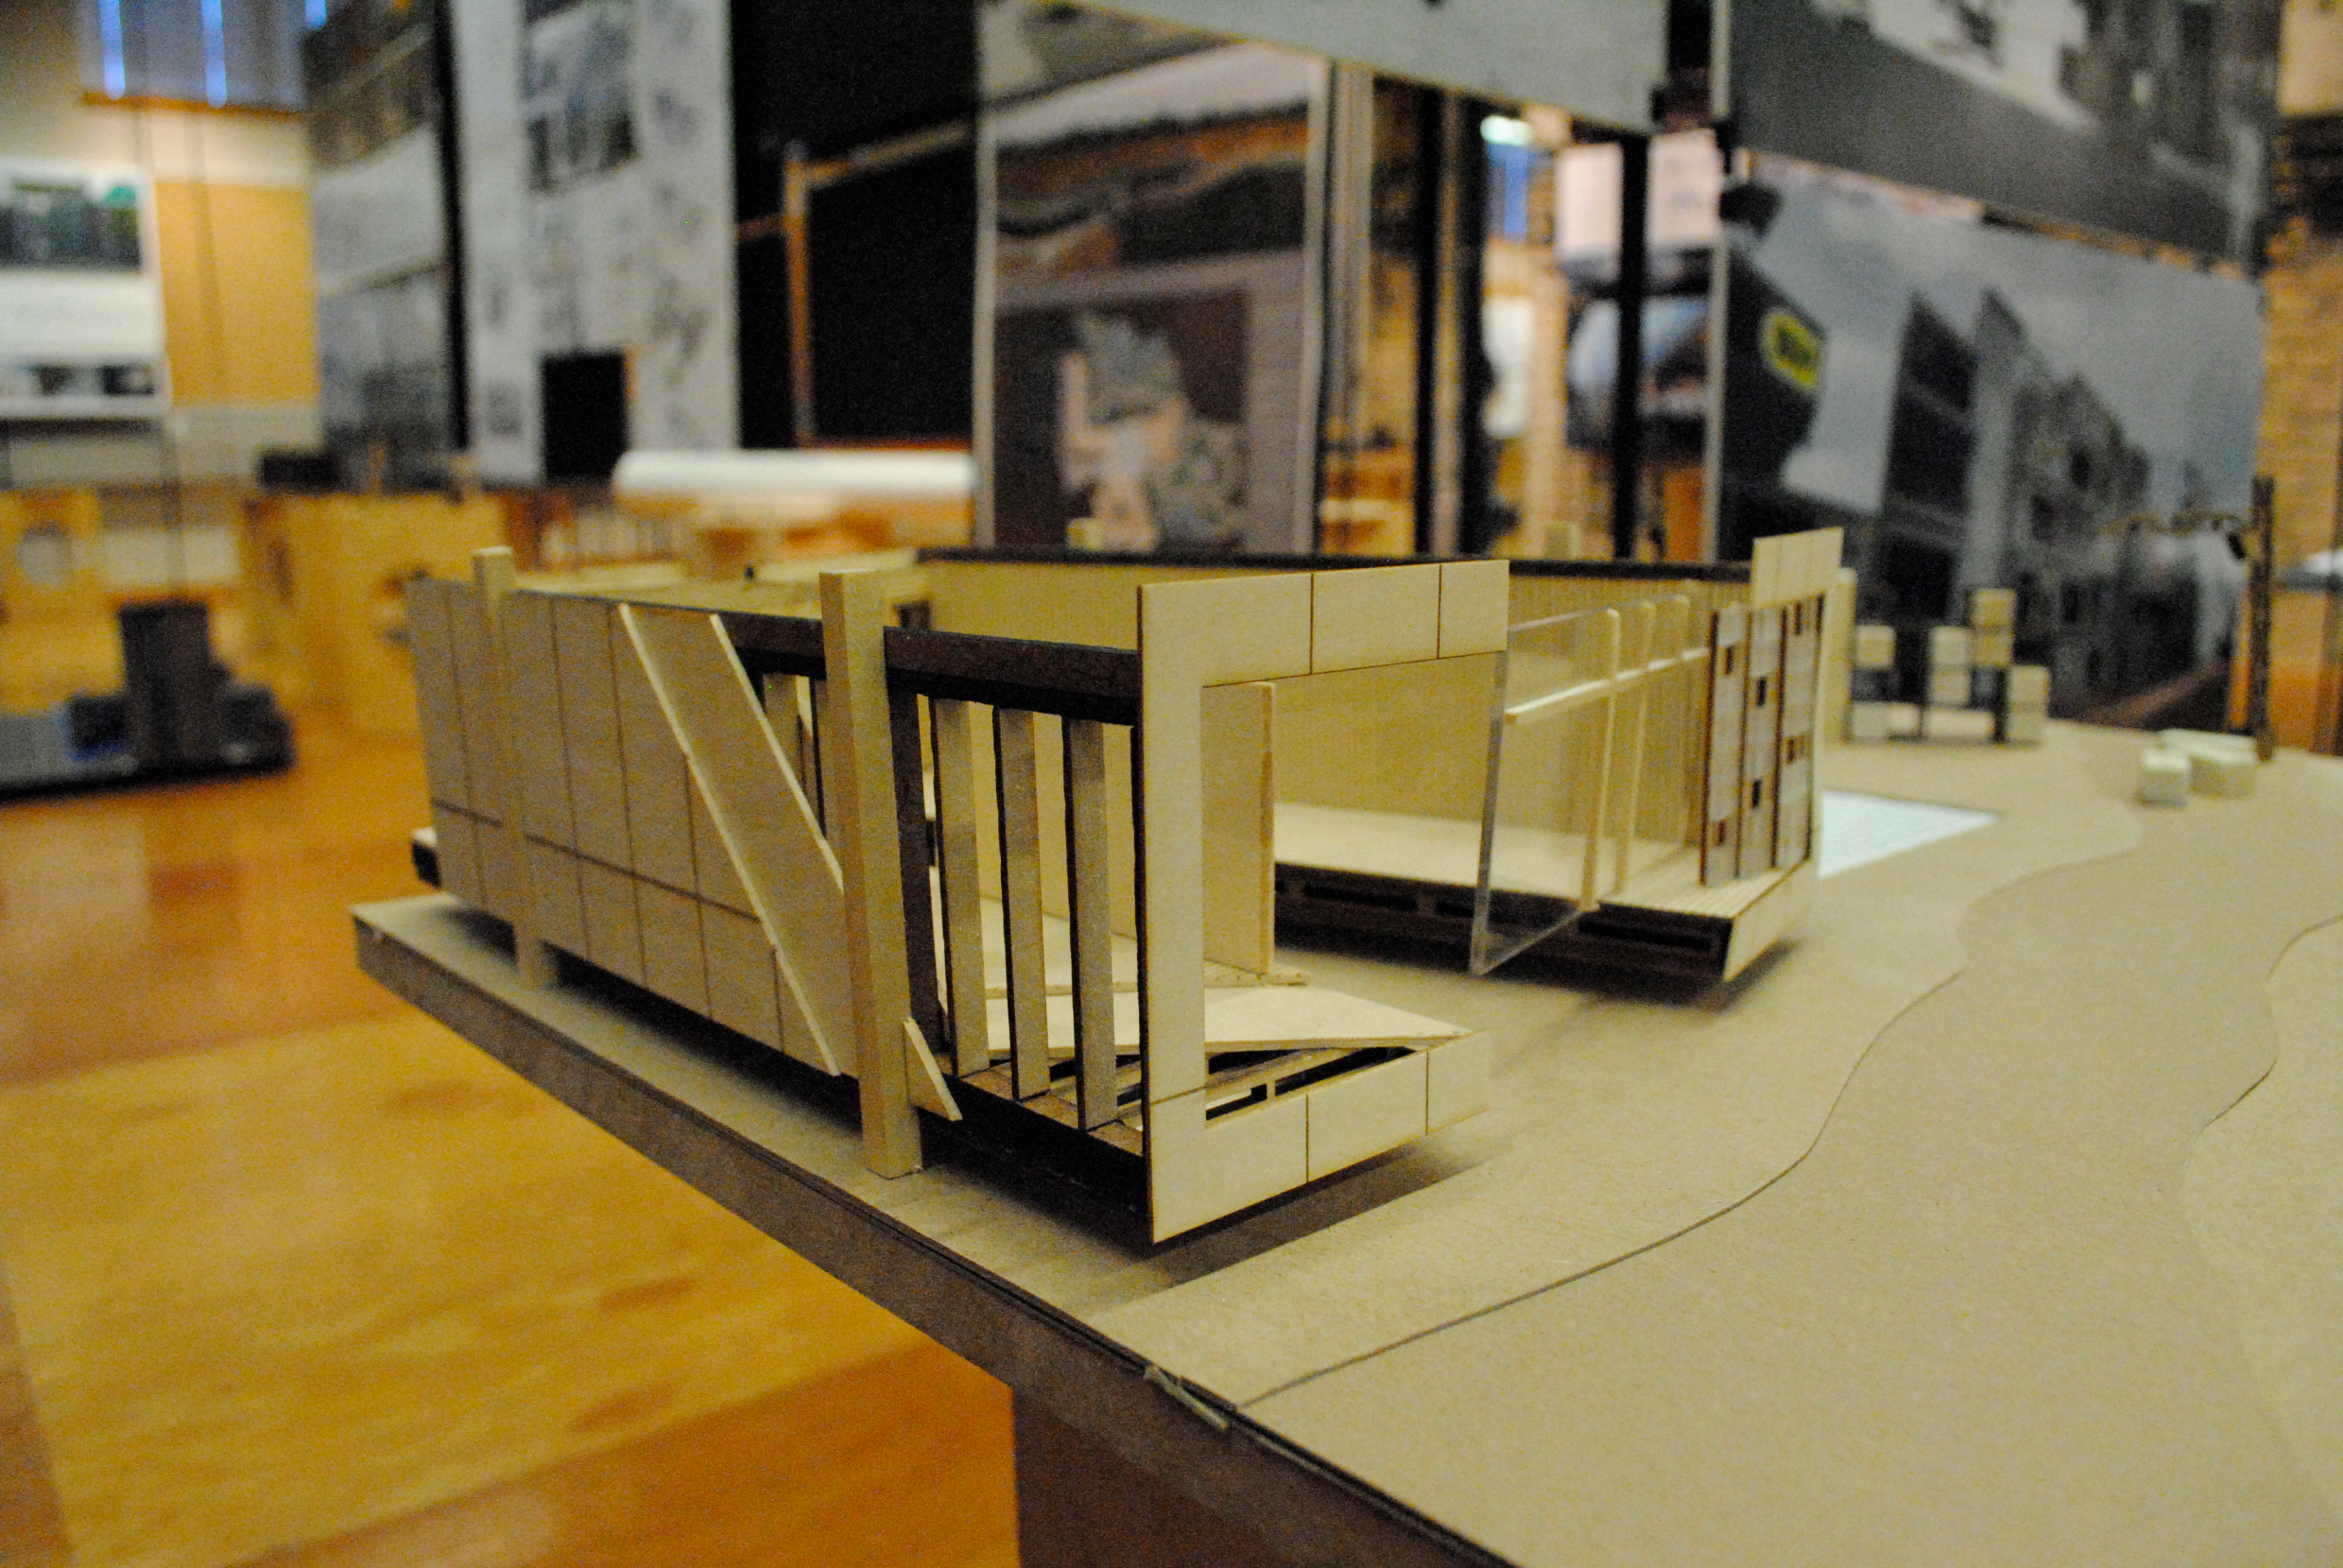

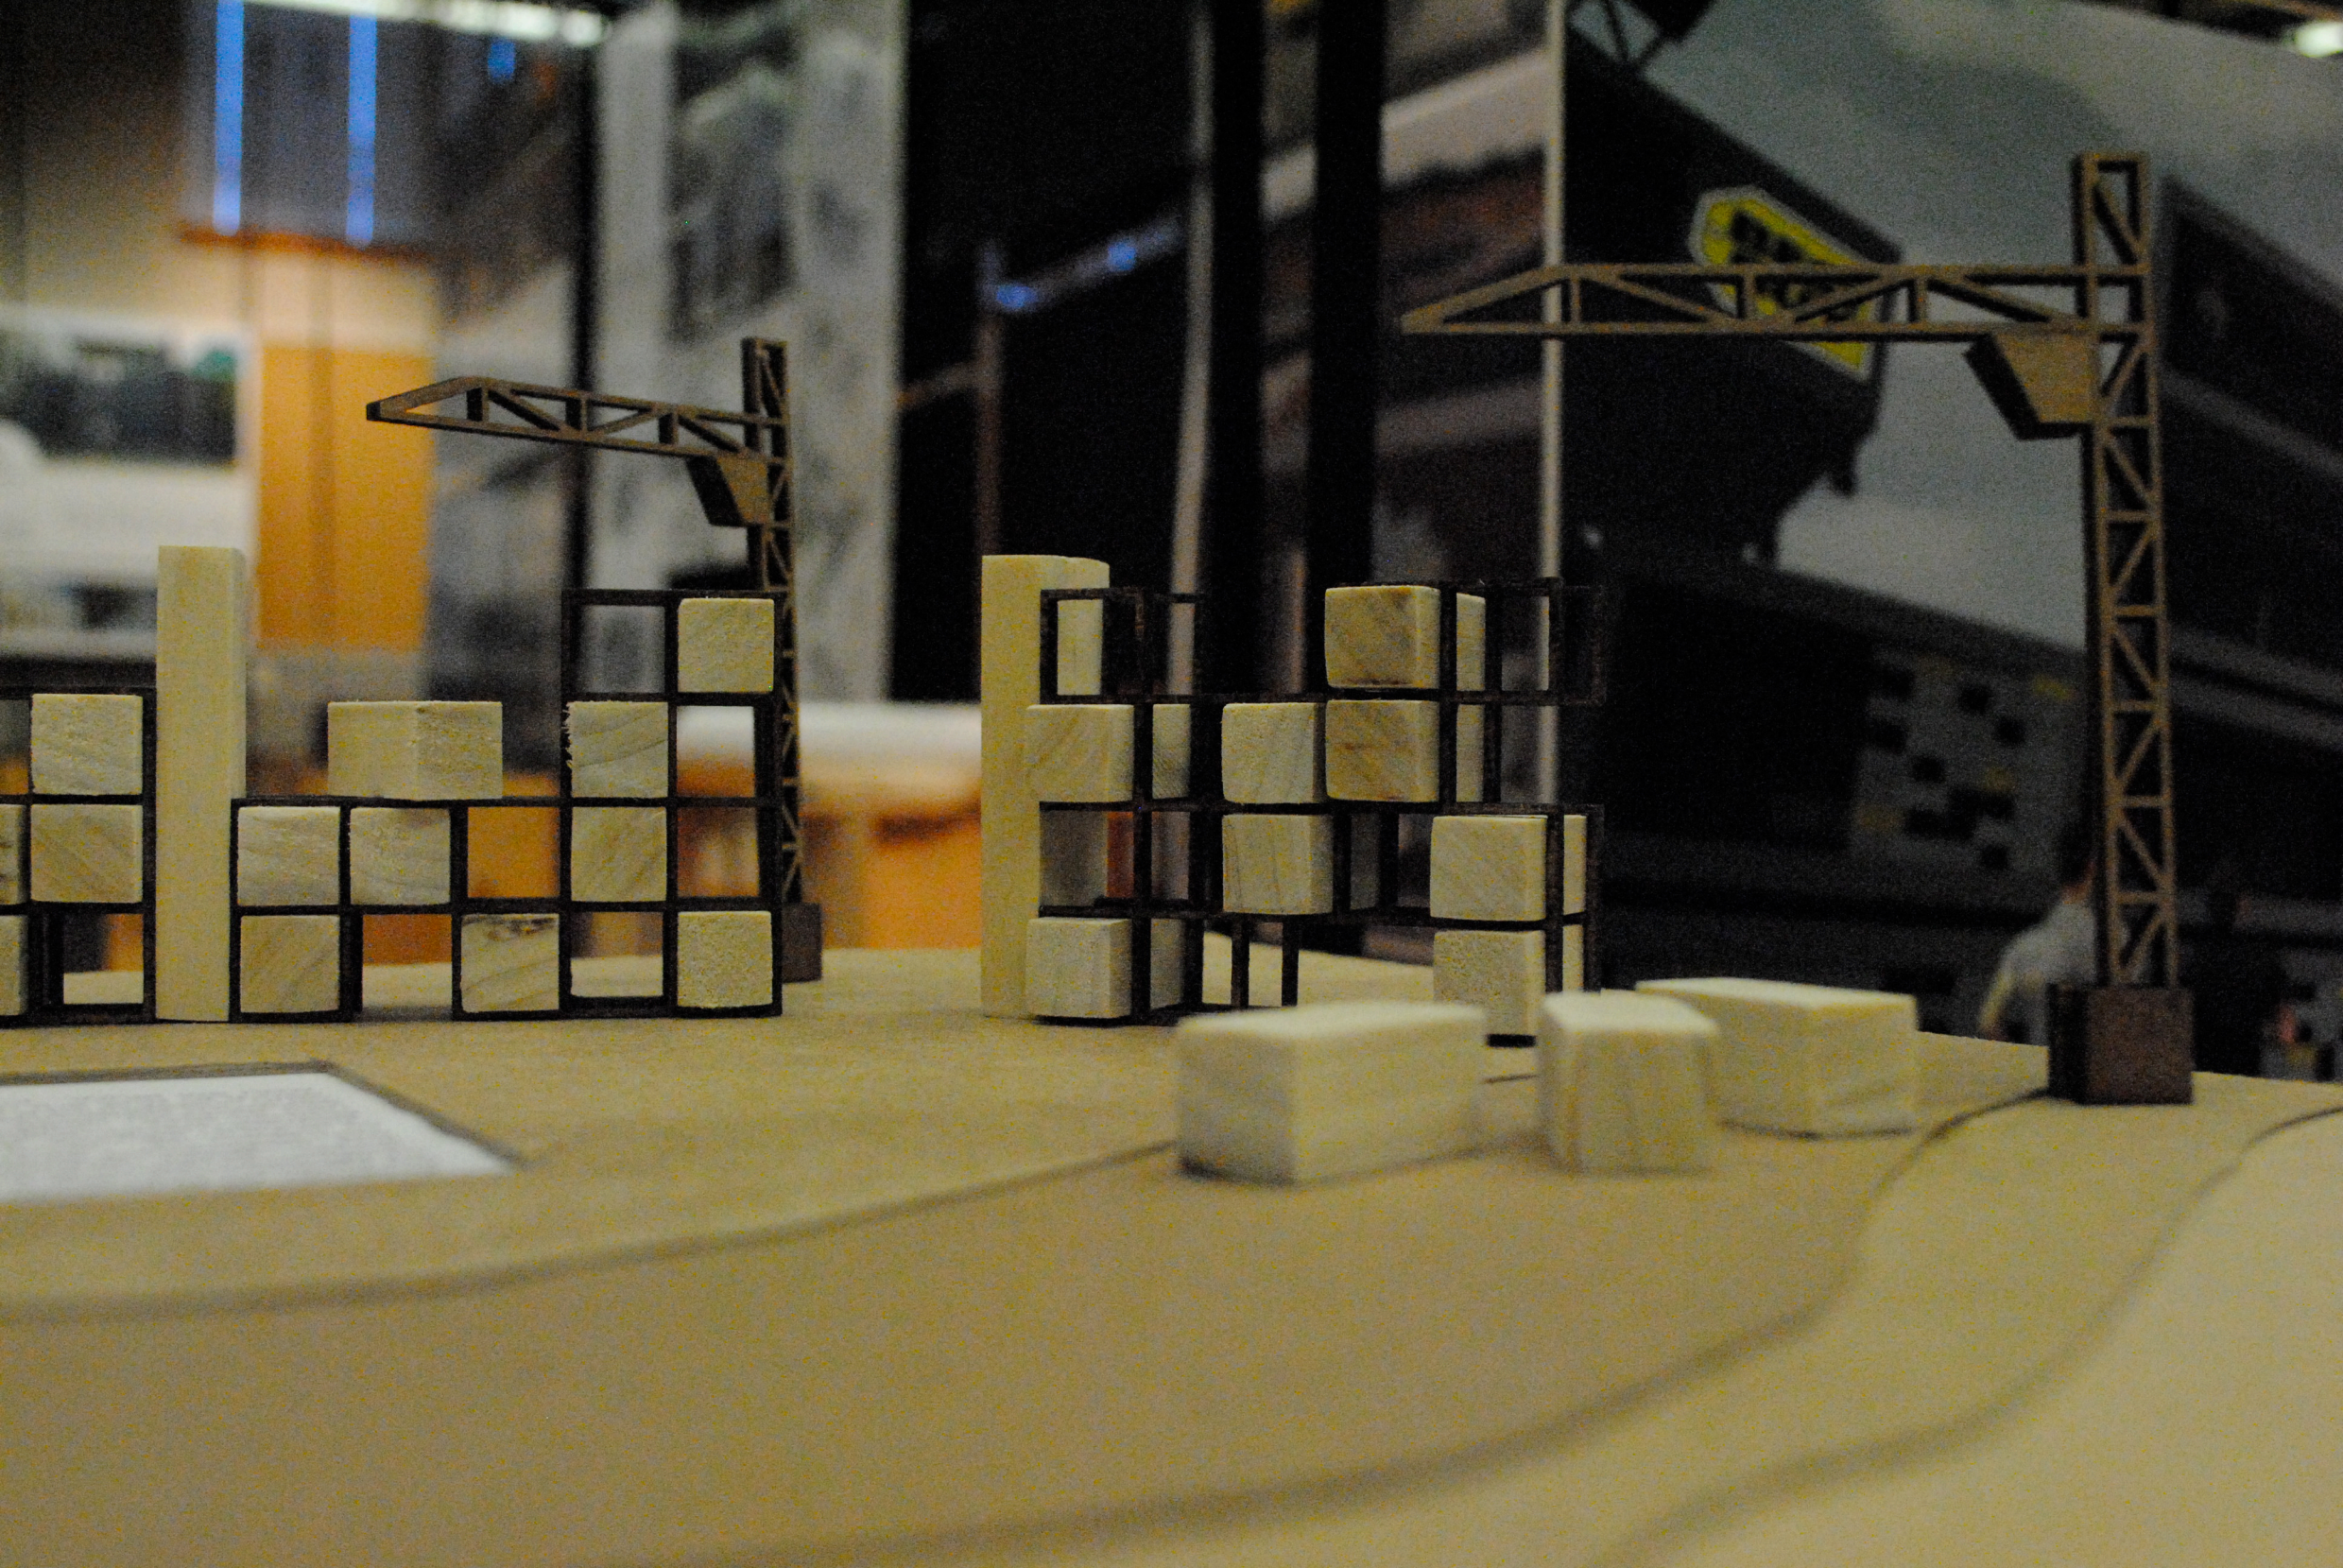

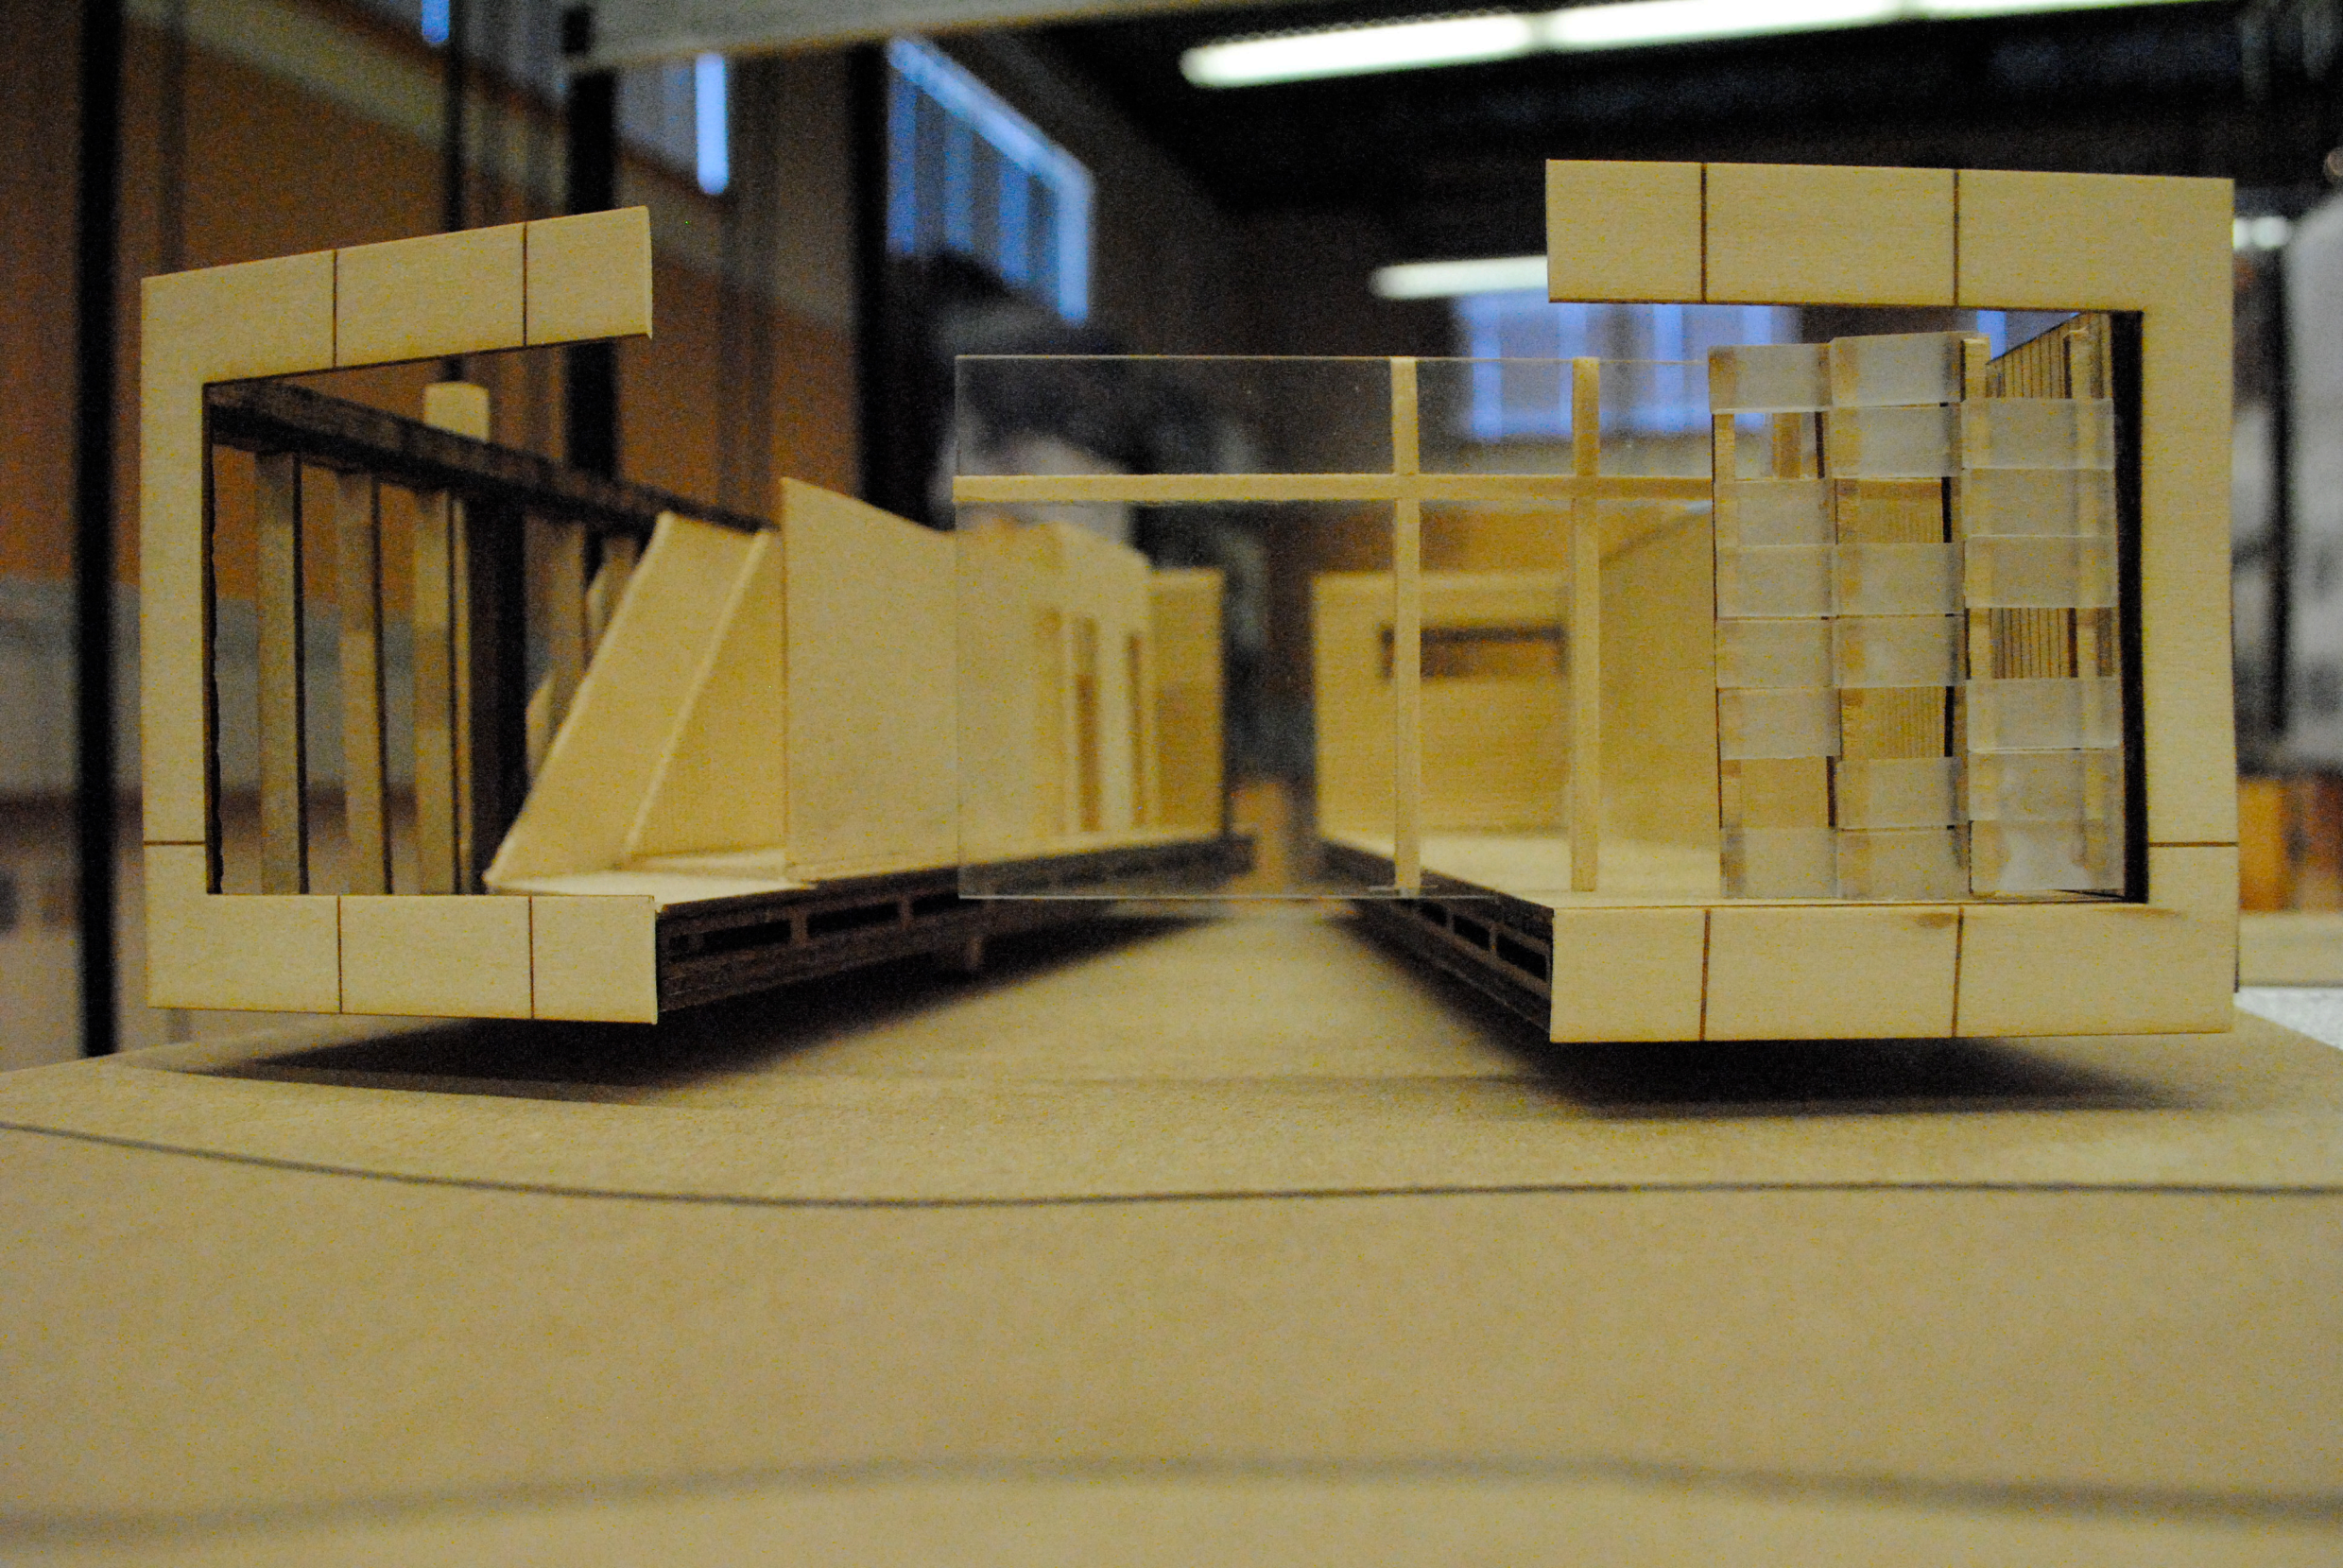

PLUG IT IN

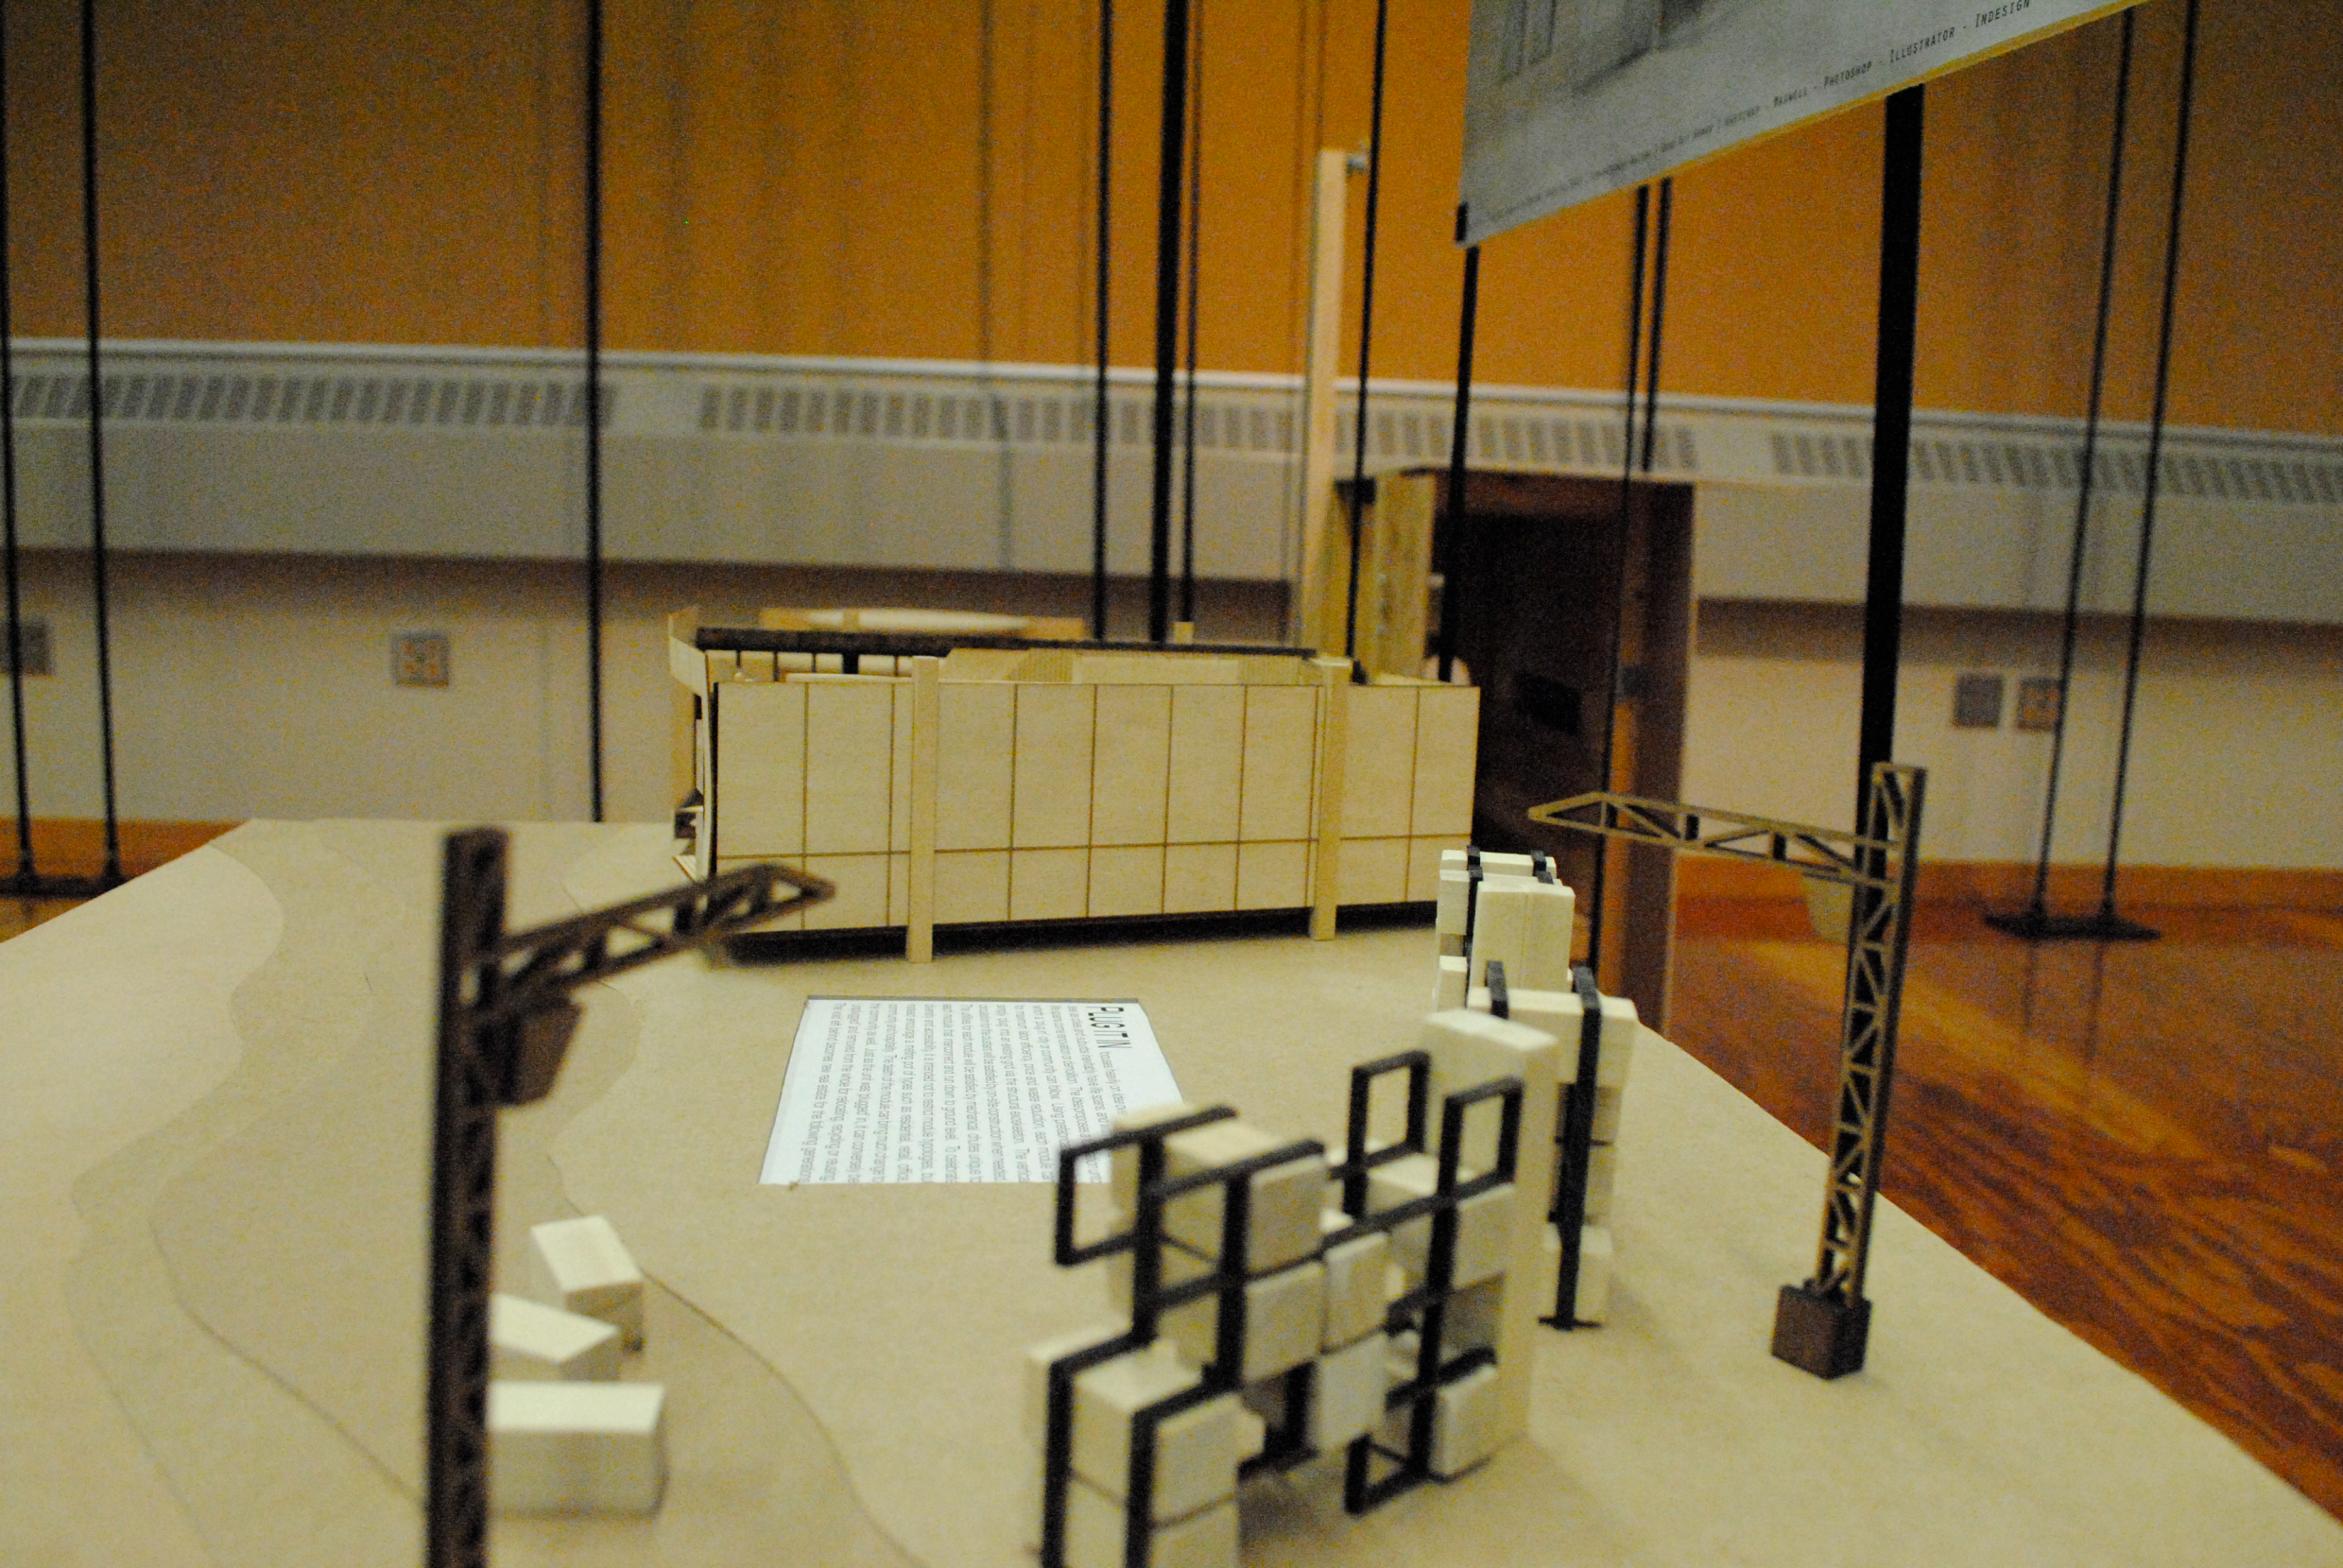

The void left behind becomes new real estate for the community as well. Just as the unit was 'plugged in', the void left behind becomes new real estate for the community as well. Just as the unit was 'plugged in', the void left behind becomes new real estate for the community as well. Just as the unit was 'plugged in', the void left behind becomes new real estate for the community as well.

PRIMEEL - PHOTOSHOP - ILLUSTRATOR - INDESIGN

2011
The model is a representation of a modern interior space. It features a large wooden wall, a white reception desk, and a wooden reception counter. The floor is made of wood. The model is supported by black metal stands. A sign on the wall lists software: "PRIMEEL - PHOTOSHOP - ILLUSTRATOR - INDESIGN". A small sign on the desk contains text.
