

# THE SPECTRUM

Vol. LVI Z 545a State College Station, North Dakota, Friday, May 15, 1942 No. 30

## Council Designates Monday, Tuesday As War Stamp Days

War Stamp days on the NDAC campus have been officially announced as Monday and Tuesday by a committee of the war council. Goal of the drive is the sale of one 25-cent stamp to each of the 1250 students on the campus.

Stamps will be sold at a booth in front of Old Main and at Science hall. The numbers sold will be posted hourly. Campus organizations have been asked to cooperate.

Heading the committee in charge is R. C. Reinhart, chairman, Dick Carley, Roland Johnson, Audrey Cadieux, Dorothy Monson and Jean Mason.

## Explosive Course Subsidized During Summer Quarter

The U. S. Office of Education has authorized the college to offer a subsidized program of training in the chemistry of powder and explosives during the summer session. This program is designed to train both men and women as inspectors and operators in explosives plants and, in the case of men, will qualify them as inspectors of ordnance and loading plants.

The course will be organized in two sections to meet the requirements of two different groups of students entering the course with different backgrounds in chemistry. Students will give full time to this course five days a week. This program provides an opportunity to continue in college through the summer session at no expense other than the cost of text books and their personal living expenses.

Besides students in the School of Chemical Technology, students in pharmacy, arts and science, agriculture, home economics, and engineering will be admitted to the course if they possess the necessary prerequisites.

Because registration in the course will be limited in number, it is urged that interested students confer with Dean Carrick and file their applications for admission to the course immediately.

## Y Recognizes Work Of Cabinet Members

At the annual Recognition program of the YMCA Clark Heggness, Morris Jorgenson, Edwin Lokken, Art Walen and Al Geisler were presented with service keys.

Officers and members of the incoming junior cabinet were introduced by their president, David Haibec. They are William Sturlaugson, vice president; Ralph Enander, secretary; other members were Terrence Webster, William Stegner, Leonard Geisler, Archie Martindale, Dale Morrison, Lloyd Hellier, Eugene Rosenberger, Charles Mutchelknaus, Andrew Kovash, Donald Ouradnik, LeRoy Schaffner and Stuart Calderwood.

## Senior Notice

A very important meeting of the senior class will be held Monday at 4 p. m. in the Little Country theater.

This will be the last meeting of the class and the committee in charge urges every senior to attend. Rehearsal for graduation exercises is the main business.

The faculty committee in charge of commencement exercises has worked hard to make this a success and would appreciate cooperation from every senior Monday at 4. Cliff Nygard, Senior class president

## Y Conference Set June 6-13

"Democracy in Action" will be the theme of the annual regional YM-YWA conference to be held at Lake Geneva, Wis., from June 6-13.

Featuring the policy of cooperation, the conference will be a community of shared living in which the delegates will spend a period of each day on a work assignment doing some chore about the camp.

The program will concern itself with three main topics—"The Student and His World", "The Christian Faith" and "The Student Christian Associations at Work". Each of these topics will be discussed by groups meeting regularly each day.

For the second time since the camp was first established it will be operated on a co-educational basis.

Corporate worship will be held in a natural open air amphitheater on Vision hill overlooking the lake.

Students from NDAC who plan to attend include Ole Berg, Vilas Walhood, Russell Heine, Vernon Hathaway, Bob Hunsaker, Andrew Kovash and Norbert Lange.

## Lange Named Y Secretary

Norbert Lange, junior in education, will assume the program secretaryship of the college Y on June 1.

He is chairman of the joint YM and YW cabinet, president of the YM and was delegate from the association to the Geneva student conference last year. He also attended the Oxford conference held in Oxford, Ohio last December.

Richard E. Sweitzer, present general secretary of the local association, leaves for the army on June 1. Mrs. Sweitzer will remain here to take the position of office secretary of the Y.

Sweitzer has been full-time executive secretary of the Y since September, 1936. He graduated from Iowa State in 1935.

## Irene Murphy Will Reign As Queen For Lilac Days, May 12-31

Feature of Lilac days, May 12-31, is the crowning of Queen of the Lilacs, Irene Murphy, in the Little Country theatre at 4:30 p. m. Monday, May 18. Clarence Becker, president of the student commission, will officiate.

Attendants to the queen, picked from three of the speech class, will be June Persinger, June Heisler, Shirley Putz, Mary Tilden, Jane Brolling and Millicent Webster.

Following the crowning ceremony, the traditional Lilac dinner will be held in the Lincoln log cabin. The program will consist of short talks on lilacs given by students of the speech classes.

Dedicated to all NDAC boys in the service and representing the counties in the state, 53 lilac shrubs will be planted north of and around the campus. This year the planting will not be done by NDAC girl representatives from each of the counties as has been the practice in the past.

All students and faculty members are invited to attend this dinner as well as the crowning of the queen. Dinner tickets are 65 cents.

## NOTICE

Oxford club members must meet at the Methodist church Sunday at 4 p. m. for the spring picnic. Transportation will be furnished.

## Scholarships, Awards Given At Seventh Honors Convo

Honor students were recognized with scholarships and awards Wednesday morning in Festival hall at the seventh annual Honors Day convocation sponsored by Senior Staff and Blue Key.

Kenneth Jones, president of Blue Key, introduced Dr. Frank L. Eversull who presented the awards and Betty Lou Pannebaker, president of Senior Staff. Miss Pannebaker announced the following as the 1942-1943 members of the honorary women's organization:

Charlotte Bahe  
Annabelle Donovan  
Jean Hoelt  
Betty Lynne  
Marjorie Nees  
Mildred Strong  
Dona Thompson  
Elaine Wigdahl

Shirley Soliah and Margaret Johnson received the junior and freshman Danforth Foundation fellowships. Miss Soliah will spend two weeks in St. Louis and both of the girls will take a two weeks leadership training course in camp on Lake Michigan. Miss Johnson also received the Phi Epsilon Omicron award for the freshman Danforth scholarship winner.

The Danforth summer fellowship in agriculture was given to Harvey Coon.

The Sears, Roebuck & Company Agricultural Foundation

## College Will Graduate 175 At Commencement Exercises On May 25

J. O. CHRISTIANSON

## J. O. Christianson, Minnesota U Man, To Give Address

Seven master's degrees and 175 bachelor's degrees will be conferred on graduates of NDAC at commencement on Monday, May 25.

Activities for graduating seniors will begin with baccalaureate services Sunday, May 24 at 3 at Festival hall. Dr. Frank L. Eversull will give the sermon, "There Can Be No Returning".

NDAC alumni slate the annual class day exercises at 4:15 followed by a dinner for graduates in Ceres hall. At 8:30 faculty members, graduates and their families will attend a formal reception in Old Main.

J. O. Christianson, superintendent of the school of agriculture and director of the school of agriculture's short courses at the University of Minnesota will give the commencement address at 10 a. m. Monday. The subject will be "The Roots of Civilization."

Candidates for master's degrees are:

**School of Agriculture:** animal husbandry—Alec Christopher Sears, Merkel, Texas; school of applied arts and sciences—Jack Stuart Knapp, Fargo; school of chemical technology—Edwin Brands, Naperville, Ill., Lowell Cummings, Rockford, Ill., Herbert James Fletcher, Snover, Mich., Joseph Kenney, Youngstown, Ohio, and Elmer Raunio, Superior, Wyo.

## BACHELOR OF SCIENCE

**Agriculture**—Elton Baldwin, Robert Bale, Curtis Berg, Melvin Berg, Kermit Bjorlie, Frank Carlisle, John Conway, Richard Crockett, Fred DeKrey, John Emo, Bernard Epstein, John Fisher, Bruce Fulks, Lawrence Gregory, Willard Griffin, Morris Jorgenson, Oscar Juntunen, Loran Ladwig, Delwin Liddle, John Logan, James McNeill, Clifford Nygard, Franklin Nylander, Everett Orth, Henry Richardson, Reuben Ruud, Maynard Scillee, Harold Sieber, David Stanley, Andrew Vanvig, Thomas Vanvig, Arthur Walen, Paul Weiser, Eugene Zink, Morris Broschat, Arnold Seim, and Hilliard Belling.

**Applied Arts and Sciences**—Alice Driver, Robert Fairfield, Mildred Ferch, Edward Gillig, Homer Goebel, Robert Hamlisch, Clark Heggness, June Heisler, Lester Kelley, John Johnson, Clayton Klakeg, George Koch, Bohn Lindemann, Charles Myers, Doris Mary Bader, Frances Osterwind, Elizabeth Pannebaker, Duane Pile, Elmer Roswick, Lois Schumacher, Hubert Sweeney, Raymond Toman and William Snyder.

**Education**—Richard Buswell, Phyllis Carlson, Lloyd Collins, Eugene Fuller, Ruth Kellesvig, Rollin Michelsen, Ann Murphy, Lorraine Olson and Evelyn Sauer.

**Chemical Technology**—Gordon Bader, Charles Buck, Eugene Gerlitz, Walter Hall, John Hobbs, Robert Kann, Leonard Kirk, Paul Middaugh, Stephen Olson, Ralph Pitman, Galen Prine, Arnold Stoutland, Edward Vancura, Immanuel Wilk.

**School of Engineering:** architecture—John Carlson, Millard Gjerstad, John Belter and Orlo Holman; civil engineering—Kenneth Anderson, Ernest Bergeson, Eugene Guldemann, Laurence

(Continued on Page 6)

## Tau Delta Pi Names Six

Tau Delta Pi initiates will present papers on technical engineering subjects as part of their initiation into the local honorary fraternity Wednesday at 6 p. m. in the Ceres hall dining room.

New members are as follows:

Herbert Arnold  
Cyril Borho  
Daniel Reitan  
Ralph Schuricht  
Carl Sebans  
Rex Sherritt

Engineering instructors will be special guests at the banquet.

## Journalists Receive Awards For Work On Publications

Sixteen NDAC students were honored Thursday evening when the board of publications held its annual recognition banquet for college journalists in the Graver hotel at 6 p. m.

Rewarded were Pat Bjorklund and Marjorie Hoiland of the Spectrum editorial staff; Dorothy Kinney and Jean Baillie, Spectrum business staff; Carroll Eian and Paul Berge, North Dakota State Engineer; Andrew Vanvig and Robert Pile, Bison Furrows.

Glenn Gullickson, Vincent Mayoue, Fannie Helen Dygve and Willie Boehrs, Bison business staff; Frances Lindsay, Bill Critchfield and Dick Olson, Bison editorial staff, and Steve Olson, president of the publications board.

## It's More Fun

to watch the pictures for the FotoFun Contest at the Powers Coffee Shop—long the favorite downtown rendezvous for AC students. Recent winners include Dorothy Jensen, Jacqueline Jongeward, Molly McDonald, John Sanders, Jean McFarlin, Beth Ann Piers, Kenneth Jones, James Fick, Jeanne McQuade, Ruth Nye, Marjorie Peterson, Mary McCannel, Marian Stemme, Clayton Melby, Leola Myra, Arnold Johnson, Beverly Halbeisen, Georgiana Findahl, Elaine Nelson, Elsie Ryan, Jeanette Archer, June Heisler, Dennis Boelke, Warren Hueschwerlen, Jean Stroup, Patricia Torgerson, June Persinger, Jane Cumming, George Burns, Leslie Price, Charles Follett, and Betty Gage.

## farewell to ndac

Now on the threshold of graduation we find that it is rather difficult to describe our feelings. We have been working for the last few years to reach this goal. Some found it relatively simple to attain—to others it was a difficult and tedious task.

During the period we attended college we met many people and made many friends, individuals whom we hope to see again. Some of us consumed a considerable amount of knowledge; others preferred a little learning and a lot of recreation. But regardless of which way the graduate leans, college life will always be remembered as the place where he spent the best years of his life and as the source of his most enriching and satisfying experiences.

All this will be forgotten soon. There isn't time to waste on trivialities. The training that the college gave us should and must be used for vital purposes.

We are entering a hard world—a world that is fighting a war. How do we feel about it? There exists only one answer: We will see it through and will do all in our power to contribute to the victory of the United Nations. We are the first NDAC class of war graduates. Let us trust that it will be the only one.

The class of 1942 takes this opportunity to express its thanks to the administration and members of the faculty. They certainly deserve our commendation.

To the undergraduates—we would like to see all of you again. Good-bye, and thanks very much.

—I. J. W.

## Ceres Girls Plan Friendship Dinner

Ceres hall girls will meet in their last informal get-together of the year for their annual Friendship supper Tuesday evening at 6:30 in the Ceres cafeteria.

Special guests include Mrs. Mildred Kirst, social director for Ceres hall; Mrs. F. L. Eversull, Dean Pearl Dinan and Miss Cecilia Mack.

## Jiver Thinks Spring Sing Turned Into Variety Show

By WILDER WYLIE

I've never seen a judge of a spring sing, but somehow I feel that if I ever do see one, I'll recognize her—even if she isn't wearing her KD pin!

Not that I have any intention of maligning the judges of Wednesday night's affair, but I still say it isn't in good taste for people like that to flip a coin. I wouldn't holler so much either if they'd have given me my penny back.

### SOMEBODY CHEATED?

However, I feel that two awards are not enough for an affair of that sort. I feel that many persons were deserving of recognition last evening. For example, an award should be made to the group laboring under the greatest handicap. This, of course, would have gone to the POPs. As one of the girls said afterwards: "With a little bicarbonate of soda we might have won." —I had a piece of their pie, too, so I know how they felt.

The best dressed award would naturally have gone to the ATOS. However, it's not true that the reason they wore tuxes was because Carlson was just getting in from the Prom and didn't have time to change. —It was Foss who was just getting in!

### FINE ARTS DISPLAYED

The plaque for the best terpsichorean effort of the year of course goes to Pat Regan. Pat did every step but the Charleston during the singing of Violets and he was starting that when they ended.

Then there's the case of the Sigs. I'm not sure whether it was a case or a keg, but the only time those fellows were together was at the start. The photofinish showed that Kibler won by two bars in two minutes and fourteen seconds flat. And when I'm speaking of those boys, I think of flat. Billy Anderson was so flat he was two notes down under. The rest of the group was high except Rothrock who drinks milk.

The gold cup for the outstanding performance of the evening goes to the AGR's boy soprano, Maynard Scilley. His solo was by far the most unique feature of the evening's entertainment. It was rather interesting to note that although the AGRs came on the stage together, several fellows took varying paths upon

leaving. It's not true that these lagards were Theta Chis planted to deceive the audience—anyone knows the Theta Chis don't dress that well!

### I'M TERRIBLY SORRY

I realize that in making the belated awards I am omitting a great many deserving groups, namely the Kappas, Gamma Phi, the Four Sharps and the First Lutheran choir. However, I have not time to write anymore—I have to go over the KD rooms and interview one of the judges.

Incidentally, some mention should be made of Library day, for it was a great success. Heggeness presented Mrs. McVeety with flowers and asked her to dance. She wisely declined so they sat that one out. I'm not sure whether or not Heggeness hung his pin, but even if he did, I doubt if Ethel will let him write his name in the Who's Who.

## To Award Noyes Scholarships For Summer Quarter

It is expected that LaVerne Noyes scholarships will be available to students attending the summer quarter. The number of scholarships and the amount of each scholarship is not definitely known but plans are being made to make available as much money as possible for the scholarships.

Applicants for LaVerne Noyes scholarships must have served in the United States army or navy of the first World War or be descended by blood from someone who served in the army or navy of this war. Service record must show overseas duty or at least six months duty prior to the signing of the Armistice on Nov. 11, 1918. Scholarship requirements are 1.5 or better in college work; or for entering freshmen, good high school scholastic attainment. All interested and qualified students are urged to make application immediately at the college employment office in the Main building.

### NOTICE, GIRLS!

Pleasant rooms for summer sessions with meals by arrangement at moderate cost. Address—1121 12 Street N. Dial 9371.

The Colonel said to change over to **MANSFIELDS**

The shoe that meets all requirements for the Army, Navy or Airways. Get yours today!

EVERYONE SHOULD HAVE FIRST AID KNOWLEDGE In case of an accident which results in serious injury to any one, the first thing to do is to send for a physician. But until the doctor comes there are many emergency measures to be taken, all depending upon the nature of the injury. Ignorance or helplessness on the part of bystanders has cost many a life, or led to serious after-effects. Herein lies the value of knowing what to do in an emergency. FIRST AID, a 32-page authoritative publication, is handsomely indexed for quick reference. Get your copy of this publication now, so you will know what to do when the emergency arises. Ten cents postpaid.

# GRAND OPENING for ROLLER SKATING at the FARGO ARENA Saturday, May 16th

## Social Notes

By RACHAEL ELZNIC

### RECOGNITION

At the senior banquet Monday the SAEs presented outstanding men with awards. Hubert Sweeney's name was placed on the Darryl Dahl plaque for having contributed the most to the fraternity. The LeMar Isaac award given to the pledge with the highest scholastic average went to George Klein. Jim Leet was awarded a key as the sophomore having contributed the most to the chapter.

### VISITORS AND GUESTS

Sunday dinner guests at the Co-op house were Miss Jennie Doidge and Mr. and Mrs. Norman Tenneson.

Last Thursday luncheon guests at the Sig house were Col. J. R. Murphy, Lt.-Col. C. H. Hart, Lt.-Col. R. L. Kiker and Sgt. R. D. White.

Clarence Swallows, Kappa Sig alum, was a Monday guest at the house.

Jack Kemstad, Theta Chi from UND, was a Tuesday visitor at the Theta Chi house.

### COUNTRY CLUBS HAVE IT

This weekend social highlights are shared by the Gamma Phis and the POPs.

Friday night the Gamma Phi will dance at the Fargo Country club from 9:30 to 12. Music for the semi-formal party will be furnished by a nickelodeon. Jean Bailie and Ruth Kellesvig are general chairmen.

Also on Friday night the POPs will hold their term party at the Moorhead Country club. Chaperoned by Sgt. and Mrs. R. D. White and Capt. and Mrs. N. W. Lovness, they will dance to the music of a nickelodeon. A midnight supper will be served. In general charge is Bernice Wichmann.

### BOUQUETS TO SENIORS

Monday night the KD seniors were honored at a picnic by the alums in Oak Grove park.

The POPs will honor their seniors at a breakfast Sunday morning. Elaine Wigdahl is general chairman. The breakfast will be held in the house at 9.

Sunday morning at 9 the Alpha Gams will also have a breakfast for their seniors. In charge are Maxine Mauriston and Ruth Pollock. Afterward they will all attend the First Lutheran church.

Junior class members of Gamma Phi Beta will entertain graduating seniors of the chapter at a breakfast in the Gamma Phi apartment.

### TO THE CITIES

Several Theta Chis are leaving today for Hamline college in St. Paul where they will install the local chapter of Beta Kappa into the national fraternity of Theta Chi.

Monday night guests at the Phi Mu house were Billy Critchfield, Dale Wretling, Ann Murphy, Ethel Heuer and Margy Anderson.

Gamma Phi guests last Monday night were Kay Cosgriff Holzer, Ann Powers and Verle Delameter.

### INTERESTING BITS

Last Thursday the SAEs entertained the Kappas at a 5:30 picnic.

Next Monday the KDs will entertain their mothers at a theater party. Refreshments will be served in the chapter rooms afterwards.

Potluck was served to the Gamma Phis last Monday night by the Mothers' club.

Frank Palmer, Kappa Sig, was a weekend visitor at Omaha, Neb., where he enlisted in the signal corps as a junior engineer.

Kappa Sig Bud Wieser left for Quantico, Va., last Saturday where he will begin training in the Marine corps.

**"We Shall Pay Them Back With Compound Interest"—F. D. R.**

# We Need Every College Man In Officers' Training

★ To Man the Mightiest Air Army in the World ★

**Make Your Choice This Week For Present or Future Officers' Training**

**IF** your blood boils at the very thought of an enslaved world...

If Jap treachery and Nazi savagery make you see red and itch for a gun—calm yourself with the promise that *we shall pay them back with compound interest!*

We shall—and you as a college man now have the opportunity of serving as a Flying Officer—a Bombardier, Navigator or Pilot—with that branch of service which will do that paying back *in person*—the U. S. Army Air Forces!

Under the new Army Air Force Reserve Plan—if you are a Senior or wish to leave school—apply *now* for your Aviation Cadet training.

You and your friends can share together the work and fun of flight training, and after approximately 8 months—earn the right to be flying officers in the U. S. Army Air Forces!

On the other hand, if you are a Freshman, Sophomore or Junior—you can, if you like, *continue your studies* under the Deferred Service Plan of the Army Air Forces—and become better prepared for Officers' Training later.

### New Simplified Requirements

To qualify you must be 18 to 26 (inclusive), physically fit—and pass a new, simplified mental test which college men find easy.

When you are ready—and facilities are ready—you begin as an

### THREE ENLISTMENT PLANS FOR COLLEGE MEN

#### Juniors—Sophomores—Freshmen May Continue Their Education

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standing.

#### All College Men May Enlist for Immediate Service

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R. O. T. C. plans.)

Aviation Cadet at \$75 a month, with expenses paid.

If you have majored in science or engineering you can try for a commission in the ground crew—in Armament, Communications, Engineering, Meteorology, Photography.

As a Second Lieutenant on active duty, your pay ranges from \$183 to \$245 a month.

### 80% Have Won Commissions

Due to thorough training—about *four out of every five* Aviation Cadets this past year received Second Lieutenants' commissions—of which 67% are now flying officers.

The tremendous expansion of the Air Forces should assure rapid advancement in all branches. And after the war—you'll be ready for the ever-growing opportunities in aviation.

### Settle Your Service Now

The years ahead are war years—and every college man should make his plans accordingly.

To make America supreme in the air we need *every* college man who can qualify for active or deferred service.

So take advantage now of this option. You may never again have such opportunities.

See your Faculty Air Force Advisor for information and help with details. Join the thousands of America's college men who are enlisting this week!

NOTE: If you are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today.

## Local OXs Commemorates Twenty-Fifth Anniversary

Members of Phi chapter of Theta Chi, located on the NDAC campus, Tuesday celebrated its twenty-fifth anniversary at a dinner at the house. The local chapter was founded on this campus 25 years ago.

The recipients of the awards made each year to the members outstanding for scholastic record and fraternity prominence were Bob Schaezel and Carl Golden.

### PRESENT SILVERWARE

Keeping the tradition of making an investment to commemorate the anniversary, alumni and actives presented the house with silverware. Wesley Tobin, in charge of the gift, made the presentation to Dick Carley, president.

Toastmaster for the affair was Roy Pederson, alumnus and AC grad of '41.

### TOBIN, GRAND CHAPLAIN

The welcome address was given by Wesley Tobin, who was recently made Grand Chaplain of the national organization. C. A. Williams gave the history of Theta Chi at NDAC, and Dr. Frank I. Darrow spoke on Fraternity Principles and Ideals. Playing piano solos and the accompaniments for fraternity singing was Matt Bierman.

Before Theta Chi was introduced here on May 12, 1917, the local chapter went under the name of Alpha Mu. Founded in 1904, Alpha Mu was the first fraternity on the AC campus. Among its founders were several Fargoans—Fred Birch, Harry Carpenter and Bert Scott.

### BLUE ROOM FAMOUS

Original home of the fraternity was the room on the third floor

of the Engineering building, called the Blue room. Still in existence today, it was famous all over the country and was in use until the present house was built in 1929.

Interesting to note is the fact that at present there are 64 members of Phi chapter in the armed forces of the United States.

## Band Group Elects Whipple President

At a recent meeting of Kappa Kappa Psi, honorary band fraternity, the following officers were elected for the coming year: James Whipple, president; Bill Nelson, vice president; Marion Petrick, secretary; Harvey Coon, treasurer; and Dell Cowell, editor.

## ATOs Honor Mothers At Chapter Dinner

At a dinner held last Monday evening at 6:30 in the house, the ATO mothers were entertained by the chapter. The mothers presented the chapter with a cash purse to be used for chapter improvements. Each mother was given a red carnation. Mark Sayer, Bill Bernier and Orville Kvamme were in charge.

A nutrition course for house-mothers or proprietors of sororities and boarding houses has been inaugurated at the University of California.

## Fuel Saving Aids US Effort

Home owners of North Dakota can make an important contribution to the nation's war effort by conserving fuel, Paul D. Close, technical secretary of the Insulation Board Institute, Chicago, told members of the Engineering club Monday night.

Mr. Close explained how the use of structural materials with insulating values in place of ordinary materials could effect fuel saving up to 36 per cent. By using storm windows and weatherstripping in addition, he said, savings can be increased to as much as 50 per cent.

Taking as an example a two-story, six-room home, he pointed out that with a reasonably efficient heating plant but without insulation, storm windows or weather strips, ten tons of coal or 1387 gallons of oil would be required during an average heating season in Fargo.

"By substituting insulating board for ordinary building materials in construction, or by using the insulating board in remodeling, the amount of fuel needed will be reduced considerably," Mr. Close said. "This has the double advantage of lowering heating expenses and making more fuel available for war purposes."

In insulating with board type products, Mr. Close pointed out, the insulating material also serves

## Bison Place Fifth In Collegiate Meet Of State Schools

NDAC's Bison track squad tallied 14 points in the annual state collegiate track and field meet held May 8-9 at Jamestown to finish fifth in a field of nine schools.

Ellendale Normal and Industrial school captured the meet with a 49-point total. George Rampfer, Ellendale star, was high point man with 30 1/4 points.

### COLMES WINS TWO-MILE

Gail Holmes, freshman star, garnered the only first place award taken by the Herd as he led the field home in the two-mile event in 10 minutes and 17.8 seconds.

Milt Lussenden and Kenny Sill added eight tallies to the Bison total with second places in the mile and half mile runs respectively. Bill Sturlaugson competed the Herd scoring with a fourth place in the 440-yard run.

### THIRD IN RELAY

NDAC's mile relay team finished third in that event which did not count in the meet scoring however.

Four events on the program—discus, mile, 440, and low hurdles—were won by the Sioux from down the river at UND.

a structural purpose. Because there usually is little difference in cost between insulating board and the material it replaces, the cost of insulation is low.

## Solberg Takes Junior Legion Baseball Post

Charlie Solberg, Bison freshman football and basketball coach and varsity track tutor is the new baseball coach for the junior American Legion program sponsored in Fargo by the Gilbert C. Grafton post.

Solberg succeeds John Callahan, Sacred Heart academy coach, who resigned recently to enter private business. Callahan had been baseball coach of the Fargo team for two seasons.

In addition to coaching the squad of players which enters inter-city competition, Solberg will handle the eight-team junior circuit made up of players too young or inexperienced to hold positions on the principal squad.

Coming to NDAC from Fessenden, Solberg is taking graduate work in agriculture in addition to his coaching duties in the athletic department.

Iowa State college spring quarter registration is 5,211, a drop of 2 1/2 per cent from the 1941 spring quarter.

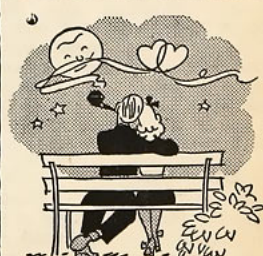

**FOUL PIPE NE'ER WON FAIR MAID**

# Theta Chis Defeat AGRs In I-M Bracket Playoff To Meet KSC In Finals

Theta Chi fraternity sends its softball team against the Kappa Sigma Chi ten Monday afternoon in the first game of the championship series to name a new titleholder for NDAC's intramural softball league.

Tied with the defending champ—Alpha Gamma Rho—for the lower bracket title at the end of the regular schedule, the OX team scored a 6-4 victory over the AGRs Thursday night to move into the finals against the Purple and Gold of KSC.

### FIRST GAME MONDAY

Monday's opening contest of the series is set for 6:30 p. m. on the south diamond behind the fieldhouse. The second game will be played Tuesday at the same time and place and should a third contest become necessary to name the champ, it will be played Wednesday at 6:30 p. m.

AGR went into the lead of last night's all-important contest when the Gamma Rho squad pushed across two counters in the top half of the third inning. Theta Chi was not slow in exceeding that score as the OX team came back in its half of the same stanza to produce a trio of counters.

### OXs GET 3 IN SIXTH

One run in the Gamma Rho half of the fifth frame tied up the score at 3-all but the Theta Chis went ahead, 6-3, in the sixth. Another single run by the AGR team in the last inning ended the scoring.

Theta Chi garnered eight hits, five of them coming in the sixth inning. The Alpha Gamma Rhos scored their four runs on only two hits as runners moved around the bases on OX errors.

### KSC STOPS SIGS, 12-6

Kappa Sigma Chi topped Bracket A Monday night when it tripped the only serious contender for the title—Sigma Chi, 12-6. The KSC team finished the schedule with a clean record while the Sigma Chis suffered only the Kappa Sigma Chi loss in five contests.

# Rifle Awards Made At Annual Picnic On Thursday Night

Tillie Ruud and Evangeline Schwartz received top honors in marksmanship at the NDAC rifle teams' joint picnic Thursday afternoon in Oak Grove.

Miss Ruud topped the entire girls' squad with 589 out of 600 while Miss Schwartz was second with 587. Both girls were in the distinguished expert class.

Others receiving awards on the girls' team were Jean Hoeft, Janice Nelson, Lois Skadeland, Claire Ward, Pat Reimers, Verle Delameter, Ruth Nye, Joann Barickman, Wilma Grant, Gladys Welken and Elise Norcross.

Ribbons were presented to the members of the men's team.

# Nine Bison Enter Conference Meets At SDS Tomorrow

Nine athletes represent NDAC at the North Central Intercollegiate conference spring meets tomorrow at Brookings, S. Dak.

Accompanied by Athletic Director Johnny Smith and Track Coach Charlie Solberg, the Bison contingent leaves today for the annual NCI events in track, tennis and golf.

Gail Holmes, Bill Sturlaugson, Jim Noonan, Milt Lussenden, and Kenny Sill will enter track and field events while Marcus Sirrs and Ed Gall will compete in tennis with Roy Olson and Carl Ekern in the golf matches.

# Glaser, Palmer Triumph In Bridge Tournament

Herb Glaser and Francis Palmer defeated Alice Driver and Jane Brolling in the final round of the second all-college bridge tourney sponsored by the Spectrum.

The champions and runnersup may receive their prizes in the Spectrum office Wednesday morning, May 20.

# Summer Job Setup Planned

Students who have been working part-time while attending school this year and who will be unable to return to college during the summer quarter are urged to make their jobs available for the summer only to needy summer quarter students.

With an anticipated large summer enrollment the need for part-time employment will be great, and the cooperation of all students who are unable to return to college this summer is asked.

It is planned to assign available jobs to summer school students on the basis that they must return the job in the fall to the original student worker.

Students who wish their jobs handled for them during the summer are asked to make arrangements with the college employment office immediately.

Students returning to college for the summer quarter and who

# Graduates Find Jobs Plentiful

Jobs are plentiful for this year's NDAC graduates, especially for the men who can stay out of "Uncle Sam's" service.

The placement of graduating men students has been made rather difficult because many will be called to active service either as commissioned officers or privates as soon as school is out.

Chemists are having no trouble in finding good jobs according to Dean L. L. Carrick. All have been placed this year, most of them with the E. I. du Pont Co. of Wilmington, Del. and the Hercules Powder Co., also of Wilmington.

### MASTER'S DEGREES

Those receiving master's degrees in chemistry are Lowell Cummings, James Fletcher and Joseph Kenney, all of whom will work for the Hercules company; Elmer Raunio goes to Du Pont, and Edwin Brands will be employed by the Stoner-Mudge, Inc. at Pittsburgh, Pa.

Robert Burman has already left for the Du Pont plant and William Herm is working in the Panama Canal Zone. Kemble Lewis is in Chemical Warfare service for the U. S. army.

Chemistry seniors who will go into the service as commissioned second lieutenants are Walter Hall, Eugene Gerlitz, Leonard Kirk and Paul Middaugh. Gordon Bader has enlisted in the navy V-7 program.

### OTHER CHEMISTS

Other seniors, Charles Buck, Robert Kann, John Hobbs, Ralph Pitman and Arnold Stoutland, go to Du Pont. Accepting positions with Hercules Co. are Stephen Olson, Galen Prine and Edward Vancura. Immanuel J. Wilk will work for the Seagram Alcohol company, Louisville, Ky.

Seventeen students graduating in home economics have accepted contracts as teachers. Six have received appointments as dieticians.

Those who have dietetics appointments include Genevieve Olson at Barnes hospital, St. Louis, Mo.; Betty Myrbo, Henry Ford hospital, Detroit, Mich.; Mary Elizabeth Cosgriff, Western Penn-

sylvania hospital, Pittsburgh, Pa.; Audre Wells, Colorado General hospital at Denver; Helen Slingsby, University of Michigan hospital, Ann Arbor, Mich., and Betty Greenshields, Oklahoma A and M college, Stillwater, Okla.

### TEACHERS

Teaching positions have been accepted by Kathleen Strandvold at Rugby; Marguerite Steiner, Mohall; Marian Ammann, Medina; Lois Anderson, McClusky; Isabell Bork, Bowman; Lucille Cox, Edgeley; Carol Fortney, Carrington; Lois Hefti, Drake; Peggy Hogstad, Henning, Minn.; Avis Iverson, Buffalo; Irene Josephson, Velva; Muriel Kotschevar, Warroad, Minn.; Belvedere Olson, Leeds; Betty Olson, Tracy, Minn.; Evelyn Pundsness, Steele; Evelyn Wilhelm, New England, and Carol Sanstead, Enderlin.

In the schools of agriculture, education, and pharmacy positions have not yet been definitely accepted, since nearly all men graduates are either being called into the army or are expecting to be called at any time.

Two graduates in agriculture have been placed in teaching positions. They are Gordon D. Anderson, who is already an instructor at Hettinger, and Bruce Fulks, who will go to Kenmare. Morris Broschat will become county extension agent of McIntosh county. Eugene Zink has a position with the DuPont Industrial Co. of Joliet, Ill.; Bernard Epstein—Du Pont Co.; Hilliard Belling—agricultural engineer for the United States government; Andrew Vanvig has received an assistantship to Cornell university for post graduate work in agricultural economics.

### EDUCATION DIVISION

In the division of education, only one placement has been made definitely. Evelyn Sauer will teach English at Forman. Dr.

Darling reports that only eight graduating students have put in applications for teaching positions.

According to Dean Sudro of the school of pharmacy, "Practically all of them are going into the service".

In the school of engineering 45 seniors are graduating: 4 in architecture, 12 in electrical engineering, 2 in administrative engineering, 11 in civil engineering, and 16 in mechanical engineering. None of these have accepted any one position definitely, but jobs are plentiful and all will be placed, according to Dean Dolve.

### Independent Students Will Picnic Friday

The Independents Students' association will hold its annual picnic at 5:30 Friday in Oak Grove park. In case of rain, a supper dance in the Y auditorium will be held.

Lester Sites, general chairman, and Doris Good, in charge of food, head the committees in charge. Chaperones for the event are Mr. and Mrs. W. S. Ettesvold and Mr. and Mrs. H. W. Joh.

### NYA NOTICE

The final NYA month closes Friday, May 15, and no NYA work is authorized after that date. Time cards for this month are due Saturday morning of this week.

## ROTC Seniors Graduate Tuesday At Tournament

Thirty-two seniors in the ND-AC department of military science and tactics will receive commissions as second lieutenants in the United States army at the annual military tournament and graduation parade Tuesday at 3 p. m. in the college stadium.

Those receiving commissions are expected to leave for armed service about June 5.

The events of the afternoon will include competitive squad and platoon drills, a parade by the cadet regiment and the presentation of awards.
