Blue Key Selects 3 Men For Service To College

New members of Blue Key fraternity elected on the basis of outstanding service to NDAC are Ernst Van Vlissingen, Sgt. R. D. White and Tom Torgeson.

Van Vlissingen is musical director of the mixed chorus, boys and girls glee club and directed the Bison Brevities production of Sweethearts this year.

Sgt. White, noted for his extra work in mimeographing and other services, is an instructor in the military department and is on record for knowing a large number of students. He was Homecoming counselor and in charge of ticket sales on the campus for athletic contests.

The man behind the scenes of the Bison Boosters is Tom Torgeson, employed at the Grand Recreation parlors. Torgeson handles all uptown ticket sales for NDAC athletic contests and is noted for aiding students in employment.

New officers elected by Blue Key are Kenneth Jones, president; Robert Pile, vice president; Paul Berge, recording secretary; Carroll Eian, corresponding secretary and Jim Ford, treasurer.

Five Men Initiated In Debate Club

Prominent students in the field of debate and forensics were recognized Monday at the luncheon meeting of the Lincoln Debate club in the Little Country theater.

Initiated into membership were: Marvin Tullman, James Sullivan, David Haibec, Wallace Sweeney, Glen Gullickson.

Members are chosen for the honorary forensic society on the basis of outstanding activity in college debate work.

James Gullickson was elected president of the group. Other officers include James Sullivan, vice president, and David Haibec, secretary-treasurer.

Army Air Reserve Program Underway

Results of the convocation Monday on the changes in the Army air corps reserve program are coming in rapidly, announces Dr. Otto J. Beyers, college defense coordinator. To date 150 men have indicated their desire for interviews and examinations preliminary to entering the reserve program.

Notification will be given the college by the war department as to the exact date when the recruiting board will be on campus.

Nine NDAC students have been accepted for officers training in the Marine Corps. The following men will leave immediately after graduation for the Marine Corps base at Quantico, W. Va.: Roald Mogen, Elton Baldwin, Alan Cumming, Allan Flaten, Reuben Ruud, Clinton Sheffield, Orville Stanley, Richard Trowbridge and Paul Weiser.

Carrington Named Festival Winner

Carrington high school won the sweepstakes honors at the May Festival held at NDAC May 1 and 2 by taking five of the six events offered in the Little Country theater.

Sylvia Radke, Carrington, placed first in the declamatory contest, and Dorothy Jane Olson won the extempore speech, oratorical and story telling contests. Carrington placed first in the one act play contest. Fargo high school won the sixth event, radio drama.

Marilyn Slater was named chairman; Catherine Platz, secretary of the southeast section of the state home economics clubs.

Awards of merit were given to 12 towns in recognition of fulfillment of the standards set by the home economics clubs. They were Tryota, NDAC; Chez Maison, Gardner; Jolly Jakers, Carrington, and clubs from Hunter, Sheldon, Casselton, Lidgerwood, Cooperstown, Steele, Argusville and Wahpeton.

Danforth Representative To Visit On Campus Five Days

Students on the campus will have an opportunity to have conferences with Miss Jennie Doidge, representative of the Danforth Foundation and outstanding Christian youth leader in the United States.

Arriving Saturday, Miss Doidge will be on campus until May 13. Her schedule here includes meetings with various church groups, college classes, the Y cabinet and commission and other campus groups.

Dean C. A. Sevrinson, in charge of arrangements for her visit, states that student conferences may be arranged for May 11 from 2:30 to 5 p. m. and May 12 from 3 to 5.

Miss Doidge completed her undergraduate work in Washburn college and Boston university. She did her graduate work in Columbia university. For the past few years she has been employed in interdenominational Christian education in the states of Washington and Minnesota.

As a member of the Danforth Foundation, she is known to NDAC students who attended the Danforth summer camp for 1941.

Engineers Choose New Officers For 1942

Heading the Engineers club for the next year will be Rex Sherritt as president. Vernon Peterson is vice president, Kenneth McLarty, secretary-treasurer and Professor L. O. Doerr, faculty adviser.

The retiring slate of officers is Reuben Gerlitz, president; John Calhoun, vice president and Bill Hope, secretary-treasurer.

All-College Day Program Curtailed

All-College day festivities will suffer a damper this year. Because of the speed-up in the college program, President F. L. Eversull announces that regular classes will be held, no mass cuts allowed and events will be confined to evening hours.

In a Student Commission meeting Thursday at 5 p. m., Wednesday, May 13 was set for the annual affair.

The Gamma Tau Sigma sponsored Turtle Race is scheduled for 5 p. m. Willie Boehrs, in charge, will be assisted by Leonard King. Boehrs announces that all organizations are invited to enter. All entrants must notify Boehrs on or before the deadline, Tuesday afternoon. As in past years, a traveling cup will be awarded the winner.

Tentatively set for 7 p. m. the annual baseball game is under the direction of Cliff Nygard.

Climax to the day's program will be the All-College Spring Sing sponsored by Alpha Phi Omega, national honorary scouting fraternity. Scheduled for 8 p. m. the Sing is open to all organized groups on the campus.

Johnson Assistant Spectrum Manager

Larry Johnson, sophomore in agriculture, was named Spectrum assistant business manager at the regular meeting of the Board of Publications Wednesday at 5 p. m. Assisting Willie Boehrs, Johnson will become business manager in the fall in the event that Boehrs is called to army duty.

Johnson's experience includes work on the business staffs of the Spectrum, Bison Furrows and Bison Brevities. He also has two years of reportorial experience on high school newspapers.

Bridge Tournament Enters Final Round

Jane Brolling and Alice Driver meet Francis Palmer and Herb Glaser in the championship finals of the second annual all-college bridge tourney sponsored by the Spectrum.

Misses Brolling and Driver defeated Elaine Nygard and Jeanette Hickethier, 2370-1650, in the semi-finals.

Palmer and Glaser advanced to the finals on a bye after defeating Don Hoag-Bob Atkinson and Evangeline Schwartz-Rachel Elznic.

Arrangements Completed For Semi-Formal Prom

Publication Board Will Award Keys To Staff Members

Keys and pins will be awarded to staff members of student publications at the annual board of publications dinner to be held in the Graver hotel, Wednesday at 6 p. m.

Basis for award is meritorious work on campus publications in the business and editorial field.

All members of the board of publications, all staff heads and those receiving awards will attend.

Steve Olson, president of the board, is in charge of the recognition banquet.

Honors Day Convo Set For May 13

The east lawn of the Library on May 13 will be the scene of the seventh annual Honor's day convocation, sponsored by Senior Staff and Blue Key for the purpose of recognizing honor students.

Phi Kappa Phi and Senior Staff memberships are to be announced and the individual schools and general scholarships are to be presented.

In addition, one new scholarship, the Dr. Robert G. Sayle Memorial scholarship, given by Mrs. Charles M. Pollock in memory of her father, is to be presented.

Dr. Sayle, who pioneered in the medical profession in Milwaukee, has always had a keen interest in young people and particularly in those who earn part of their college expenses.

Journalists Initiate II

Initiated Wednesday into active membership of Gamma Tau Sigma, honorary journalistic fraternity, were 11 new members. Following a banquet in the Ceres hall small dining room, these students were initiated:

Ellsworth Moe
Carroll Eian
Kenneth McLarty
Bernice Wickmann
Eileen Osking
Vincent Mayou
Larry Johnson
Glen Gullickson
Richard C. Olson
Bill Nelson
Leonard King

Gamma Tau Sigma members will conclude their year's program with a picnic Wednesday at 6 p. m. in the tourist park.

Lindemann, Nees, Melby, Larson First In Junior-Senior Line

Semi-formal for the first time, the annual Junior-Senior prom tonight will be lead by Senior Manager Bohn Lindemann, his guest, Marjorie Nees, and Alice Larson and her escort, Arvid Melby.

Second in line will be assistant managers Margery Fjeld, her escort, Dr. Charles Wood, and Norbert Lange and Marjorie Foley.

Following them will be Senior Class President Cliff Nygard and Doris Larson and Junior Class President Wallace Chase and Polly Carter.

Senior class athlete Arnold Johnson, Harriet Shigley and Herbert Glaser, junior class athlete, and his guest, Elnore Matthey will be fourth in line.

Honored guests invited are Gov. and Mrs. John Moses, Mayor and Mrs. Fred O. Olsen, President and Mrs. Frank L. Eversull, Dean and Mrs. C. A. Sevrinson, Dean Pearl Dinan, Dean Alba Bales, Col. and Mrs. Charles H. Hart, Dr. and Mrs. E. C. Darling, Dean and Mrs. H. L. Walster, Dean and Mrs. W. F. Sudro, Dean and Mrs. A. E. Minard, Dean and Mrs. R. W. Dolve, and Prof. A. C. Cobb, junior class advisor.

Chaperons for the evening are Sgt. and Mrs. L. L. Detroit and Mr. and Mrs. K. A. Henning.

ROTC Unit Has Annual Inspection

Col. R. W. Briggs of the field artillery branch in the seventh corps area of the ROTC conducted the annual military inspection at NDAC Thursday and Friday. He was assisted by Col. J. P. Murphy, professor of military science and tactics at the University of South Dakota, at Brookings.

The parade and review of the cadets was held Thursday at 9 a. m. on the campus at the west side of the library. Following the inspection, cadets demonstrated their ability in tent pitching, calisthenics and open drill.

Col. Briggs made an inspection of the administrative department in the afternoon.

Col. Murphy judged freshmen and sophomore classroom discussion this morning and in the afternoon will judge the junior and senior advance classes.

Lt.-Col. C. H. Hart, professor of military science and tactics at NDAC, assisted Col. Briggs in the inspection of Coe college, Cedar Falls, Iowa, Monday and Tuesday.

● exam worries

Exam week ahead and the same old question arises—how will the schedule be arranged?

Will regular classes continue through Saturday or will a more conveniently devised and intelligently planned method be devised? We propose the following as a skeleton plan upon which the exam schedule might be successfully built.

Classes convene Monday and Tuesday as usual, with discussions on these days preferably consisting of review. The remainder of the week should be completely given over to one-hour tests in each course.

This plan would afford practicability for students and faculty alike. It presents itself as a clear-cut system, yet is sufficiently flexible to allow the various adjustments which would be necessary.

At any rate, whatever the decision of the administration and faculty is regarding the situation, we hope that they realize that students felt last term's system was definitely unsuccessful. It is a human impossibility for a student to turn out his best work under such jumbled-up, chaotic conditions.

● summer sessions

Summer sessions at NDAC with a practically complete fall curriculum offered, present a very pleasing perspective. To returning students better continuity of courses is afforded; to the incoming freshmen all customary first term subjects will be scheduled.

An additional advantage is the forming of smaller classes which will give each student more individual attention. Then, too, those who attend will either lighten their academic curricula for next year or they will be able to receive their degrees one term earlier than otherwise.

Students now on campus are urged to consider registering for the summer quarter and are requested to inform others in their home towns of the program. High

Genevieve Hamilton
Heads Phy Ed Group

Genevieve Hamilton is the new president of Delta Psi Kappa. She was elected at the chapter's meeting Wednesday night.

Elected to serve with Miss Hamilton during the coming year are Lois Skadeland, vice president; Pat Torgerson, secretary; and Janet Peterson, treasurer.

Misses Torgerson and Peterson were initiated into the group at Wednesday's meeting.

NOTICE

school seniors should benefit greatly by entering now.

Summer school opens June 1 and continues until the last week in July. A slight change in class periods has been made; they will be held from 7:30 to 3:30 with ample time allotted for the lunch hour.

Music Fraternity
Initiates Fifteen
To Membership

Sigma Alpha Iota, national professional music fraternity for women, Tuesday initiated 15 to membership. Included were eight NDAC students, one former AC student and six candidates from Concordia, MSTC and the local school teacher bracket.

New NDAC initiates are Dorothy Jensen, Jeanette Hickethier, Pat and Doris Bjorklund, Jane Gilbert, Kay Spohn, Shirley Rodewald and Sybil Pull. Gerry Wisehart, former AC student now attending Concordia, was also in the group.

Present for the initiation ceremony was Mrs. Rait Hutton of Des Moines, Iowa, province president of the fraternity. The service was part of the active chapter's annual inspection program, for which Mrs. Hutton is inspecting officer this year.

NOTICE

All persons who have loaned books from Dick Sweitzer or the College Y will please return them this week.

Watch The Things Go By

Picnic Technology

By Jim Ford

President Frank L. Eversull firmly denies that rumors to the effect that there will be seven schools on the campus instead of six now in operation when school opens for the fall term are true.

The proposed School of Picnic Technology which, rumor said, would be entirely staffed by students under the direction of Dean L. L. Detroit is a dream, an official communique says.

Professor Elmer Anderson, who was to have taught the first course in the new school, Fire building 203, has been removed from the payroll.

Proposed courses include Weiner-Splitting 411, instructed by Kenny Stamus; Elementary Bundling 101 with lessons from Chuck Follett, Doctor of Blanketology; and Picnic Chronology and Qualitative Picnic Analysis with courses tutored by Professor Bob Fairfield.

Classes were to be held in the bushes on the east side of the library, with Ethel responsible for maintaining quiet hours.

BEWARE THE RAMMIES

Pie a la mode in reverse will be the order of the week on the campus. On Tuesday the Kappas will serve ice cream at their annual lawn social. The following day, Wednesday, the Pops are having their annual pie party

Kappas, Pops To
Sponsor Socials

Spring social events take to the green next week when the Kappa's annual ice-cream social and the POP's Pie Party are scheduled.

From 3 to 6 p. m. on Tuesday Kappas will be hostesses to students and faculty members alike on the east side of the college Y. Partiers may have their choice of cake and ice-cream. Mary Betty Punton, social chairman, is in charge.

Scene of the POP Pie Party is the lawn of the sorority house. Hours are 3 to 6 also. Guests will be served pie and coffee.

Everyone is invited to attend both these functions. Price in each instance is ten cents.

Arley Hovland Named
F. F. A. President;
Two Slates Elected

Arley Hovland, junior in agriculture, was elected president of the NDAC chapter of the Collegiate Future Farmers of America at their last regular meeting of the year Tuesday.

Other officers named include Mac Miller, vice president; Wallace Campbell, secretary; Russell Shorridge, treasurer; and Walter Alm, reporter. These men will hold office until winter term of 1943.

Succeeding them at that time will be Francis Daniel, president; Glen Gullickson, vice president; Willis Marr, secretary; Ernest Deutsch, treasurer, and Ole Berg, reporter.

Guest speaker for the meeting was Winston Dolve of the agricultural education department. His topic was "Things I Would Do Differently."

FFA members will hold their annual picnic Sunday at 4 p. m. at Oak Grove. In charge of arrangements are Bill Sturlaugson, Vernon Asheim and Eugene Rosengerber.

which this year will feature free pie to anyone after they eat five pieces. Under this new regulation the Pops will go broke if they invite the boys from the Ram Pasture augmented by Cliff Rothrock.

STUDENTS, LIE LOW

Exams are coming again, so, students, lie low. Now is the time to get plenty of sleep, about 20 hours a day, in preparation for an onslaught that would knock anybody off his feet. We're only hoping that classes in which there are no examinations scheduled, such as one-credit lab courses, will be excused during the last week of school.

TURTLES COMING UP

Annual migration of Greeks to the lake region is expected this weekend in view of the approaching tortoise relay on All-College day. We would remind hunters that it doesn't pay to bring back more than one entrant, because it's always the one that you give away that wears the blue ribbon in the end!

'Pop' Concerts Now
Planned By College
Record Committee

Presentation of "pop" concerts consisting of light, semi-classical music while summer school is in session, is being considered by the Concert on Records committee.

The present series of concerts on records which terminated Thursday was fairly successful, according to Dr. Otto J. Beyers, chairman of the committee. Approximately 600 attended. Records used on these programs were from private collections.

If the student demand for the continuance of such informal concerts is great enough, the series will be continued next year.

Hathaway Named
Co-op House Prexy

Vernon Hathaway is the new president of the Co-op house. He succeeds Donald Richardson.

Other officers elected are Wayne Rowe, vice president; Everett Markwardt, secretary; Walter Alm, house manager; Robert Lorenzen and Andrew Kovosh, board members at large.

At the annual meeting, members voted to again pay 4 percent interest on capital stock after placing 10 percent of the net earnings into a permanent reserve fund and an additional 5 percent into the education fund.

Oxford Group Host
To Miss Jennie Doidge

Miss Jenny Doidge, staff member of the American Youth Foundation, will be the distinguished guest of the Oxford club at its annual picnic Sunday. Miss Doidge is visiting our campus this week and is concluding her stay as the Oxford club's guest.

Oxfordites and their friends will meet at the Methodist church at 4 where transportation to the tourist park will await them.

TALES OF INTEREST

Potluck guests at the Alpha Gam rooms Monday night were John Sanders, Don Ness and Clark Heggness.

Alums Ed Olson and Roy Pederson were weekend guests at the Theta Chi house.

Larry Iverson, Kappa Sig alum, was a Monday night guest at the house.

The Gamma Rhos were entertained by the Alpha Gams last Wednesday from 6:30 to 8 in the college Y.

The Greatest Air Army in the World
Needs Flight and Ground Crew Officers

NOW FOR COLLEGE MEN A NEW OFFICERS' TRAINING PLAN

★ New Deferred Service Plan Allows You to Continue Your Education ★

In the skies over America the mightiest air fleet in the history of the world is mobilizing for victory!

So fast is it growing that there is a place here — an urgent need here — for every college man in America who can qualify for Officer's Training.

The U. S. Army Air Forces need Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today's college students — men who make their plans now for the necessary Aviation Cadet training.

Thanks to a newly created Air Force Reserve plan, men of all classes — aged 18 to 26, inclusive — can enlist for immediate service or continue the scholastic work required for graduation before being called to active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

\$75 A MONTH DURING TRAINING

Those accepted who wish immediate duty will go into training as rapidly as facilities permit. As an Aviation Cadet, you are paid \$75 a month, with subsistence, quarters, medical care, uniforms, equipment.

In 8 months you can win an officer's commission as a bombardier, navigator or pilot — and be well started on your way to serve America and advance yourself in aviation.

Three Enlistment Plans for College Men

Juniors—Sophomores—Freshmen May Continue Their Education

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standings.

All College Men May Enlist for Immediate Service

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R.O.T.C. plans.)

MANY BRANCHES OF SERVICE

There are also commissions awarded in ground crew service. College men particularly will be interested in the requirements for Armaments, Communications, Engineering, Meteorology, Photography. If you have engineering experience your chances of getting a commission are excellent.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from \$183 to \$245 a month.

ACT AT ONCE

If you want to fight for America, this is where your blows will count.

If you want the best training in the world, and years of solid achievement in aviation—the great career field of the future—this is where you belong. Your place is here—in the Army Air Forces.

If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same day you apply. Get further information now.

NOTE: If you wish to enlist and are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today—you can then complete your enlistment before any Aviation Cadet Examining Board.

Sigs Meet Kappa Sigs, Theta Chi Faces AGR For Divisional Crowns

NDAC's intramural softball teams enter the final week of play Monday with bracket winners in both divisions still to be determined.

Monday the Sigma Chi contenders face the Kappa Sigma Chi club for the right to represent Bracket A in the finals while the Theta Chi ten meet the Alpha Gamma Rhos for the Division B crown Tuesday night.

Winner of the Sigma Chi-Kappa Sigma Chi clash will automatically advance to the championship series. Should the Gamma Rhos beat the OX team Tuesday, the two teams would be tied for the bracket leadership and a playoff would be necessary.

The Dorm will face the Co-ops Monday at 4:30 p. m. on the south diamond rather than Tuesday afternoon as announced earlier in the Spectrum. Kappa Psi's game with the YMCA is set for Tuesday at 4:30 p. m. on the south diamond rather than on Monday.

Sigma Chi triumphed over the SAEs, 11-7, Wednesday night to go into the Kappa Sig game with a clear slate and a chance to give the KSC strong pitching a battle all the way. Kappa Sigma Chi showed they have something besides two fine pitchers as they dumped the YMCA, 14-1.

In other games this week the Independents handed the defending titlists, Alpha Gamma Rho, their first defeat of the season while the SAEs won from the YMCA.

Tuesday the Sigma Phi Deltas handed the Independents a 7-4 defeat and the Theta Chis won their first of two victories when they humbled the Co-ops, 24-11.

Gamma Rho's champs drubbed the Co-ops, 17-0, in a game called at the end of the third inning last night while the OX ten dropped the Dorm, 14-2.

Bison Enter State Event At JC Today

The Bison track team left for Jamestown today to compete in the annual state college track meet which is being held this year at Jamestown college Friday and Saturday, May 8 and 9.

Jamestown was chosen as the site of the event in order to cut down travel distances for the various schools. It has formerly been staged at Grand Forks and Fargo.

NDAC is to be well represented by a large squad of speedsters. Men have been entered in every event except the high jump, high hurdles, discus and shot put.

Entries are:
100 yd.—Noonan.
220 yd.—Noonan, Wheeling.
440 yd.—Sturlaugson, Nygard, Sill.
880 yd.—Sturlaugson, Sill, Gall, Lussenden.
Mile—Holmes, Lussenden.
2 mile—Holmes.
Broad jump—Noonan, Wheeling, Soulis.
Pole vault—Gall, Bergh, Pitman.
Javelin—Noonan, Vancura.
Low hurdles—Wheeling, Soulis.
Mile relay—Noonan, Sill, Nygard, Sturlaugson.

Preliminaries in the 100, 220, 440, high hurdles and low hurdles will be run at 6 Friday. Finals in the pole vault and discus will start at 6 Friday with the other finals beginning Saturday at 2.

Bison Netmen Split Opening Match With Cobbers

NDAC's tennis squad split the six matches played against Concordia Wednesday afternoon on the Island park courts in the first intercollegiate competition of the season.

Marcus Sirrs, 1940 North Dakota high school single champion, defeated Rolfe Espeseth, 6-3, 6-3 while Ed Gall whipped Sig Bjertness, 6-2, 6-0. Bernard Epstein-Jim Sullivan scored a victory in the doubles over Harold Lundeborg-Clyde Odin, 6-1, 6-1, for the Herd's third win.

Lundeborg defeated Epstein and Odin won from Sullivan for Cobber triumphs in the singles competition while Sirrs-Gall battled Espeseth - Bjertness throughout the second set of their doubles match before dropping a 6-2, 7-5 decision to the opposition.

Herd Battles Sioux In Sprint Medley Of Dragon Relays

NDAC trackmen garnered a pair of seconds, a third and a fourth in the Dragon relays at Moorhead State Teachers college Saturday.

The University of North Dakota and NDAC, longtime sports rivals, put on a battle in the sprint medley with the Sioux winning in 3:54.4 while the Bison were timed at 3:54.5.

In special events, Jerry Morrow took second place in the high hurdles, Gail Holmes was third in the 2 mile and Jim Noonan captured fourth in the javelin.

After pitting their shooting ability against the boys' team this winter on the rifle range, NDAC's girls' rifle squad will compete against the men's team at the joint picnic of the two squads May 14.

This time, however, the girls will attempt to gain the upper hand in another form of sport—softball. Sgt. R. D. White will act as umpire for two games which will be played simultaneously. All members of the girls' rifle squad are asked to get in touch with Delight Whempner in order to get positions on the two teams which will face two squads manned by the boys.

Lt.-Col. Charles H. Hart Jr., commandant, will present awards to members of both teams for outstanding shooting during the past season.

All members with cars are asked to be at the Y corner at 4 p. m. Thursday to furnish transportation to the tourist park.

The federal government will need 67,000 men with engineering training by June 30, 1943, according to Dean W. R. Woolrich of the University of Texas college of engineering.

A BOOKLET ON EVERYDAY SCIENCE
We live in a world of science. Almost every day some far-reaching discovery is announced that may have a profound effect on our lives. The stories of the sciences told in the booklet on EVERYDAY SCIENCE offered by this bureau do not attempt to cover the field fully, but they do point out the highlights. This survey of general elementary science in question and answer form will interest all who wish to understand the ordinary happenings of everyday life in the light of the explanations that science has to offer.

Activities Of

College War Council

In another two weeks NDAC students will be going home to 500 community centers. Some will be going elsewhere, others will be in active service, but most will be going to some locality and resuming civilian duties. What will be your defense activity for the summer? What programs are going forward in your community with which you can assist? What is needed which you can help organize?

For most of us there is nothing more important than doing our regular work better than we have done it before. But the extra things all help. You may feel that your contribution is too small to be of value. Nothing is too small. One private is a small party of an army but he is an essential part.

Drop in at the Key Center some day and see if it can give you an idea. Read "What the War Means to Us". It is written by the U. S. Commissioner of Education. Look over the "War Policy for American Schools". It was prepared by the National Education association. Examine the "Forum Planning Handbook". You may be surprised to find how much your speech courses have done to help you in community meetings and discussions.

Recent additions to the library include a handbook of Australia and two other well illustrated booklets on Australia's war efforts. Australia is as large as the United States. Since many of our boys may be there, we should know more about it.

"War comes to America", the series of lectures from the University of Minnesota, is now on the shelves. "Building America", is a new magazine with excellent material on civilian defense.

ATTEND MEETING

Several members of the faculty are leaving for a meeting on Saturday at Bismarck of the Women's Division of the Civilian Defense Council which is working in conjunction with the State Council.

This group, composed of officers of various civic organizations and leaders in the institutions of higher learning, will coordinate the women's war work.

Governor John Moses will speak.

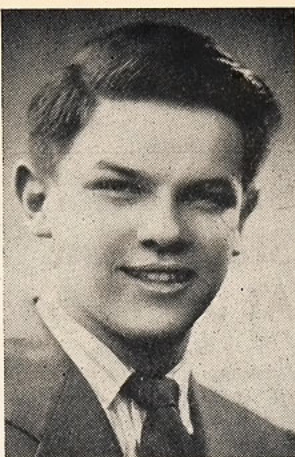

NEW MEMBER

Dick Carley, representing the Interfraternity Council, was elected to replace Clarence Becker on the staff of the college War Council. Becker resigned because of the pressure of other activities.

ASCE Elect New Heads; Sherritt Prexy

Rex Sherritt is the new president of the American Society of Mechanical Engineers. Other officers are Morgan Hanson, vice president and Ralph Schuricht, secretary-treasurer. Professor A. C. Cobb is the faculty adviser.

Retiring officers are John Calhoun, president; Leif Ruud, vice president; Robert Perkins, secretary-treasurer, and Dean R. M. Dolve, faculty adviser.

HAROLD CROSBY is the new president of North Dakota Beta chapter of Sigma Alpha Epsilon.

NDAC Physician Leaves For U. S. Army

Dr. Hugh Hawn, ophthalmologist (eye specialist) on the medical staff of the NDAC Health Center, leaves today for Vancouver Barracks, Vancouver, Wash. On the staff of the Center for the past two years, Dr. Hawn will enter the medical corps of the army as a Captain. Mrs. Hawn plans to leave later in the month when Dr. Hawn receives his post assignment.

Navy Convo Set For Monday In Field House

Opportunities for college men in the navy will be the subject of a convocation Monday at 9 in the Field house with Lt. Stan C. Kostka and Lt. E. W. Cliff leading the discussion.

The discussion will feature opportunities for men in the naval air corps and movies will be shown. Both men and women are requested to attend by Dr. Frank L. Eversull.

Chemists Pick Taylor President For 1942-3

Clinton Taylor, junior in chemistry, was elected president of the NDAC Chemists' club in their regular meeting Thursday evening.

Other officers include Richard Fernbaugh, vice president; Roy Gordon, secretary, and Douglas Dills, treasurer.

Graduate student members of the group presented the program which consisted of trick chemical experiments.

15 Qualify For Navy's V-7 Program Here

Dr. Otto J. Beyers, national defense coordinator representative, announces that 15 men have qualified under the Navy V-7 program for officers training as midshipmen. Upon graduation from NDAC these men will report immediately at one of the Navy's training stations, probably the Great Lakes station.

Men who will receive this training are Orlo Holman, Gordon Bader, Arnold Johnson, Robert Peterson, Glenn Strom, Walter Alm, Thomas W. Anderson, Kenneth Campbell, Kermit Chapman, Francis Daniel, Lloyd Fercho, Raymond Toman, Arthur W. Anderson, John Zaic and Arnold Seim.

There are other enlistments in the Navy program which have not been reported. Dr. Beyers states, "All enlisted men must report such enlistment with me before the close of the school year in order that our records may be complete."

NOTICE

Due to conflicting dates, the annual meeting of the College Farmers' union local has been postponed until Thursday, May 14, at 7:30 p. m. in the college Y.
