

# Brawls Absent From Descendant Of Gay Cat Day

Today is All-College day. Reviewing the history of that traditional event shows the evolution of the attitude and interests of the NDAC student. An AC man of 1920 would come back here today, sadly shake his head and bemoan the younger generation, asking for the good old days when men were men and the coeds were glad of it. He would compare the first All-College day in May, 1920, then known as Gaycat day, with our mild events of today. In '20, the big thing was the return to the old Flag day. Each class was to defend a flag which was placed either on the roof of Old Main, Ceres Hall, Science or Engineering. The object was to defend your class' flag and at the same time tear the rest of them down. The battle raged from 9:30 to 5, the winner being the class with the standing flag.

The old grad would remember smilingly that the student commission preyed at the time warned all Gaycats to open all windows before throwing other students or sticks through. (Rugged, weren't they?)  
**Nigger Heaven**  
All through the '20s the battles raged with new innovations being thrown in every year. In 1923 a special mock convo for and by the students was held with the balcony reserved for the lowly faculty. Costumes and "horses and buggies and cars over 1910 vintage in order."  
In '24 NDAC saw one of the biggest brawls between the frosh and sophomores staged right here on the campus. Both class presidents disappeared for a time; there were more laughs at the mock convo and the "Saddle and Siroin Brawl" was bigger and better, thus making it a good

year. Gaycat day was moved from Friday to midweek the following year, in order to stop the annual trek of students to the lakes. Modern, weren't they?  
**Cadets Clean-up**  
In '27 the student commission vetoed the hazing so prevalent on Gaycat day, and athletic contests of a more formal order were sponsored by the commissioner of athletics. The 1928 Gaycat day opened with the general cleansing of the campus by the cadet corps followed by their parade, in costume by the way, which, to quote a '28 Spectrum, made them look like a "veritable Cox's army."  
The student commission and the student activities committee couldn't get together in '27 as to the length of Gaycat festivities, the former holding out for a half-holiday while the latter wanted things to commence

at 4. The stalemate resulted in the sad absence of an All-College day from the social calendar.  
**First Lilac Day Held**  
It was revived as All-College day in '33, sponsored by Blue Key and Senior Staff. A. G. Arvold presented the first Lilac day as a part of the program with an intra-squad football game, an all-college dance, distribution of the yearbooks and a free lunch thrown in for good measure with no change in prices.  
From then on All-College day has been much the same, with the traditional turtle races, spring sings, and invasions of Mrs. McVeety's sanctuary taking the place of the more lusty side of college life. Looking back, the average AC student will agree with that 1920 grad that those were the good old days at state college.

THE BISON defending champions of the North Dakota Intercollegiate Track crown place their title at stake tomorrow night and Saturday afternoon. See BISON DEFEND, p. 4

## Cadets Seek To Retain 18-Year-Old Excellency

At the annual federal inspection today and tomorrow, the NDAC ROTC unit, commanded by Cadet Colonel Edward Cummings attempts to retain its 18-year old excellent rating under the critical eyes of inspectors Col. Raymond W. Briggs, officer in charge of ROTC work from Headquarters, seventh corps area, and Col. G. W. C. Whiting, professor of military science at NDU. The official inspectors will be accompanied and aided by Pres. Frank L. Eversull and the college deans. A luncheon will be held in Ceres hall Friday noon, given by the military department honoring the college deans and the visiting officers. This morning the cadet classroom work was inspected with the general inspection of the entire cadet corps called for 8:30 tomorrow morning. The cadets will form at 8 and will pass in review before the visiting officers with inspection in ranks following. The maneuvers will be held west of the library. At 10, the second battalion will be featured in a mass calisthenic exhibition followed by Companies A and B demonstrating company drill with E, F and G doing platoon drill. Colonel Briggs and Colonel Whiting then will inspect companies C and D in extended order drill and combat formations at 10:40. Company H closes the general inspection with tent pitching. Lieut. Col. John R. Mendenhall, who is leaving NDAC, and the military faculty have trained the cadet corps with the hopes of keeping the excellent rating, the highest attainable, which the college has maintained since 1923.

For the second consecutive year, the Spectrum was awarded a First Class or excellent rating by the Associated Collegiate Press' 24th All-American Newspaper Critical Service. Jane Blair was editor of the Spectrums submitted for rating. The judges of the Service liked the headlines, typography and makeup of the NDAC publication, giving the greatest number of points for that phase of the paper's make-up.

Before coming here Mr. Axness did law enforcement work for 10 years, was a deputy sheriff for 14 years, and served as an agent or 'Bull' for the Great Northern Railroad for four and one-half years. Being slugged twice, shot at three times and hit in the left shoulder is a record any detective could well be proud of, but the egg-sized bump on his shoulder is no laughing matter. While a special railroad agent, it was his duty to guard trains transporting Chinese out of Seattle to work on sugar plantations in Cuba. Loaded directly from boat into trains, the aliens were never allowed to set foot on American soil because of immigration laws designed to prevent

At 2:30 p. m. fraternity strong men will vie against each other in a tug-of-war. All will be trying to unseat Alpha Gamma Rho's current champions. Bob Sheard is in charge of the event. The feature event of the afternoon, the Turtle Derby, gets underway at 3:30. Twenty-five men on each squad will try to drag, throw or kick the five sacks across their own goal line. Heggeness promised a good show for those with sadistic tendencies, saying "There won't be a sophomore walking off the field, we'll cripple 'em."

Ann Murphy is in charge of a new feature at 4, the all-college talent show. From 5 until 6:30 there will be a free supper dance sponsored by the student commission. Both of these events are in Festival hall. Defending champions of the Greek sing contest at 8 in Festival are Theta Chi and Phi Omega Pi. Allan Burman is in charge of this year's presentation. Contrary to previous announcements, the 1941 Bison will not be distributed today. "Technical difficulties have made delivery impossible," Bill Guy, editor, announced.

VOLUME LV. Z 545a STATE COLLEGE STATION, NORTH DAKOTA, THURSDAY, MAY 22, 1941 NUMBER 30

## All-College Event Today

### Blue Key To Give Sudro Doctor Of Service Award

This year Blue Key will present its Master of Service award to Dean W. F. Sudro of the school of pharmacy. The presentation will be made Friday at 6:15 in Ceres hall with Larry Tanberg presiding.

Dean Sudro has been at NDAC for 33 years, since 1907. He attended the University of Illinois and the University of Michigan, getting his bachelor's degree at the latter. He earned a master's degree at Wisconsin.

After completing his education, Dean Sudro worked as a pharmaceutical chemist with Benton Hall & Co. in Cleveland, and with the North Dakota food and drug regulatory division for 13 years.

He is a member of the Rho Chi, pharmacy honorary, and Phi Kappa Phi. For 16 years Dean Sudro served as secretary of the North Dakota Pharmaceutical association. He was a co-founder of the state food and drug bulletins and various drug publications. He is also a contributing editor of the Northwestern Druggist, printed in St. Paul.

DEAN SUDRO

### 140 Students Selected To Advise Frosh

Student assistants, approximately 140 upper-class YWCA and YMCA members, have been selected to aid in carrying out a more effective freshman orientation program. As drafted by Dr. Otto Beyers, Dean C. A. Severinsson and Dr. Elmer H. Darling, the program will be centered on one week, September 15 to 21.

Anticipating an enrollment of about 400 men and 180 women, the faculty committee plans to assign four or five incoming freshmen to each student assistant. It will be the duty of these upper-classmen to see that their assignees attend meetings and placement examinations at scheduled times.

With an eye to the need for guidance other than curricular, the assistants are advised to attend all social functions with their group enabling them to more fully enter the college program.

An innovation in the orientation program is the photographing of every incoming student. These pictures will be kept on file in the registrar's office.

### 15 Reptiles Entered In All-College Derby

Fifteen turtles have been entered by organizations in the fifth annual All-College day turtle race sponsored by Alpha Phi Gamma. Harriet Shigley and Jim Ford are in charge.

Turtle jockeys appointed to guide the various "steeds" are Betty Kind-schi, Kappa Delta; Virginia Winn, Gamma Phi; Tillie Ruud, POP; Gayle McDowell, Kappa Kappa Gamma; Marian Amundson, Alpha Gam; Betty Paries, Phi Mu; Chuck Page, Sigma Chi; Ralph Harmon, Gamma Rho; Wormy Hanson, Theta Chi; Paul Heger, Sigma Phi Delt; James Kyser, SAE; Florian Remreich, Kappa Psi; Jack Wilson, ATO; Roland Currie, Kappa Sig; and Wayne Rowe, YMCA Dugout.

### Recognition Day Convo Set

Newly elected members of Blue Key Fraternity and the Senior Staff, women's service honorary, will be presented to the student body at a Recognition day convocation Wednesday, May 28, at 11 a. m.

Both of these groups stress scholarship, leadership and service in their membership, and the new members will be in charge of activities of the groups for next year. There will be an innovation this year in the Recognition day convocation, and scholarships and awards of other campus organizations will be announced.

As in former years the convocation will be held outdoors in front of Old Main with the Gold Star band furnishing the musical features of the program.

### Waldron, Arabian Geologist, Will Speak At Open Meeting

Fred R. Waldron, a graduate of NDAC in 1932, will lecture Tuesday evening at 7:30 o'clock at an open meeting of Sigma Xi, Honorary science fraternity, in Room 207, Chemistry building.

Waldron, a geologist with the California-Arabian Standard Oil company, will show films on his work in Egypt, Arabia and India and will lecture on the topic "A Geologist Abroad."

A son of Dr. L. R. Waldron, Plant Breeder at NDAC, his geological duties consist of searching for oil deposits in the Arabian desert. Soldiers are continually on guard against the possibility of attack by native tribesmen, as he goes about his daily work.

Desirous of returning to Arabia after his leave, Waldron may instead be called for selective service. He registered in New York upon his ar-

FRED WALDRON

rival on the liner President Taylor from Bombay, India.

### Bison Distribution Delayed; Spring Sing Program Featured

Shortly after classes are dismissed at noon today, collegians will begin their annual all-college day activities. Designed and camouflaged in the mode of the modern military tank, the ancient turtle will thunder over the turf in Alpha Phi Gamma's annual derby; fraternal choruses will warble in their best pitch in Alpha Phi Omega's annual interfraternity-intersorority sing, and scores of students will take part in the rest of the varied program.

First on the docket of events is the faculty-senior softball game at

Due to unforeseen difficulties that have arisen in the printing of the yearbook it will not be available for distribution today as formerly announced.

The new book will be 9"x12" in size with the contents divided into three sections, Mind, Body, and Life. In addition to the increase in size the new annual boasts more pages, photography and art work.

According to Bill Guy, editor, the book will be here for distribution by next Wednesday. Contrary to existing rumors the distribution point will again be the Bison office and not Festival hall.

1:30. Captain Larry Tanberg of the senior aggregation believes his squad will avenge their defeats in the classroom by a victory on the ball field. S. J. Kocal is equally confident of his faculty team.

"Tarzans" Will Tug  
At 2:30 p. m. fraternity strong men will vie against each other in a tug-of-war. All will be trying to unseat Alpha Gamma Rho's current champions. Bob Sheard is in charge of the event.

The feature event of the afternoon, the Turtle Derby, gets underway at 3:30. Twenty-five men on each squad will try to drag, throw or kick the five sacks across their own goal line. Heggeness promised a good show for those with sadistic tendencies, saying "There won't be a sophomore walking off the field, we'll cripple 'em."

Announcement of the 1941 Bison will not be distributed today. "Technical difficulties have made delivery impossible," Bill Guy, editor, announced.

### AG Economist Coming

Dr. O. E. Baker, Senior Agricultural Economist with the U. S. Department of Agriculture, will be entertained at dinner at the Co-op house on Monday, May 26. Dr. Baker has long been recognized as an authority on problems concerning population mobility and land utilization in the United States and Europe.

### Greek Choruses To Harmonize At 8

Four fraternities and five sororities will compete tonight for the annual All-College day spring sing which will be held at 8 tonight in Festival hall. Sponsored by Alpha Phi Omega, the sing is in charge of Allan Burman and Gordon Johnston.

Fraternities entered are SAE, Ralph Martin, director and Fred Martin, accompanist; ATO, Paul Hanson, director; Sigma Chi, Herb Harris, director and Pat Callinan, accompanist; Theta Chi, John Berg director and Bill Barner, accompanist.

Sororities are Gamma Phi, Gerry Wisheart, director and Betty Connolly, accompanist; Kappa Kappa Gamma, Annabelle Donovan, director and Doris Bjorklund, accompanist; Alpha Gam, Marian Lyman, director and Eva Ruliffson, accompanist; Kappa Delta, Charlotte Bahe, director; POP, Jeanne Boyle, director and Mildred Strong, accompanist.

### The Call Board

The 4-H club picnic will be held Saturday afternoon. All members are asked to meet at the YMCA at 4:30 p. m.

Meeting of YWCA Cabinet and Freshman Commission 5:30 p. m. May 28 in the Fireside Room.

All students who are registered for selective service are urged to file their student questionnaire with this office before the end of the school year.  
Dr. O. Beyers.

WHEN THE BALL is called off, remember the Powers. It's still a date when you take her to the famous Powers Coffee Shop.

## Premiere Pleases Audience

Tuesday, May 20, 1941, will be a memorable date for Fargo first nighters, for on that date they enjoyed a privilege usually allotted only to the larger cities. The occasion was the premiere performance of the play, "Emma," adapted from Jane Austen's novel by Marion Morse MacKaye. The evening was a gala one, with many adding glamour by appearing in true premiere style, in evening dress.

The presence of Percy MacKaye, famous poet and dramatist, and husband of the late Mrs. MacKaye, was an added attraction. Mr. MacKaye read a prologue to the play which he dedicated to his wife.

The play itself grew stronger with each act, finished on a high point, and drew several curtain calls from an appreciative audience. Gwendolyn Stenehjem gave a sensitive and sincere portrayal of the clever and charming Emma. Duane Pile was strong in the part of Frank Churchill who foils one of Emma's match-making schemes. Mr. Knightley, the dignified gentleman who persuades Emma finally to practice some of her own principles of love, was well handled by Rolfe Taintor. Ann Murphy was effective as the vivacious Mrs. Elton; demure Harriet Smith was well portrayed by Frances Bettchen. An essential complement to the role taken by Pile was well done by blonde, eye-filling Jeanne Cathcart. Character parts of the effeminate Mr. Elton and the verbose Miss Bates were handled capably by Norbert Lange and June Probstfield, respectively.

No small part of the effectiveness of the performance was due to the lavish and colorful sets designed by Mason Arvold. The Empire costumes which he also designed, blended and contrasted with the sets to produce effects comparable to those of a Broadway production.

During the intermissions refreshments were served and spectators viewed exhibits and met Mr. MacKaye. The beautiful harp music of Miss Alice Lawson, accompanied by Lloyd Collins on the organ, provided an authentic touch. The play, which was a memorial production in honor of Mrs. MacKaye, was under the direction of Mason Arvold, who received an original Gordon Craig drawing from Mr. MacKaye as a token of appreciation. Mr. MacKaye also presented Mr. Arvold with a volume of his own verses.

### PI GAMMA MU INITIATES

North Dakota Alpha chapter of Pi Gamma Mu, social science honor society, will initiate six NDAC students in Ceres hall at 6 p. m. Tuesday, May 27.

Initiates are Thomas Anderson, Charles Cadieux, Robert Coon, Clark Heggeness, Lois Schumacher and Andrew Vanvig. An initiation dinner will follow.

## Drawing Course Added To AC Defense Work

To provide training suitable for draftsmen in government service and in industry is the purpose of another phase of the NDAC defense program. An intensive engineering course in drawing under the direction of the U. S. Office of Education will be offered this summer at NDAC, announces R. M. Dolve, dean of engineering.

Qualifications for admission are high school graduation and at least two years of mathematics. The course will be conducted for eight hours a day, five days a week beginning June 16 and continuing through Sept. 5. Instruction will include mechanical drawing, descriptive geometry, freehand drawing, shop mathematics, gages and measure-

## Shortage Seen In Pharmacists

Double the number of graduates this June would not be more than sufficient to fill the demand for registered pharmacists, declares W. F. Sudro, dean of the School of Pharmacy at North Dakota Agricultural college, in pointing out the opportunities now present in the field of pharmacy.

"For a number of years there has existed in the Northwest a 'healthy shortage' in the number of registered pharmacists," he says. "Almost without exception, each member of the graduating class in pharmacy at NDAC has been offered a position—a favorable situation that has existed during the 39 years that pharmacy has been taught at the college.

"This June the NDAC School of Pharmacy will graduate 13 students—entirely too few," Dean Sudro says, "to provide for even ordinary times. There is only one remedy for this situation, and that is for more young men and women to consider pharmacy as a career.

ments, and shop process. No tuition will be charged, but students must supply their own drawing supplies, instruments, and text books.

Federal agencies will aid in the establishment of nation-wide contacts for placement of those who complete the course. The number that can be accommodated is limited and will be carefully selected on the basis of fitness and priority.

Since this is a defense course, local draft boards may consider deferring from military service an enrollee in this course who is making satisfactory progress. Further information and application blanks can be secured from Dean Dolve.

### YMCA MEN TO CONVENE

Ten men who are active in YMCA activities on the campus will attend the annual student YMCA conference at College Camp, Lake Geneva, Wis., this summer, Dick Sweitzer, executive secretary of the local association announced.

# Bison Defend Title Against Tough Foes

### NDAC Trackmen Host On Dacotah Field To North Dakota College Cinder Teams; Preliminaries Will Be Run Tomorrow Night

Sixty-eight athletes representing six North Dakota colleges are entered to date in the North Dakota State intercollegiate track and field meet to be held on Dacotah field tomorrow night and Saturday afternoon. Teams entered are Wahpeton Science, Jamestown, Valley City Teachers, Mayville Teachers, Ellendale Industrial, and NDAC. At press time Johnny Smith, NDAC athletic director who is in charge of the meet, had not heard from North Dakota university, Dickinson State Teachers college, Minot State Teachers college, and the Bottineau School of Forestry.

However, Smith stated that he expected entries from at least one of these four schools to swell the number of trackmen seeking the crown worn by the host Bison for the last two years.

Finals of all events will be run on Saturday afternoon starting at 1 p. m. with preliminary heats in the 100, 220, 440, high and low hurdles to be run tomorrow night under the lights at 8:15 p. m. Drawings are to be made at 8 p. m. in the athletic department office.

All records this year indicate that the meet will be one of the best in the decade that it has been run. Each school entered boasts of one or more individual stars that will figure in the final total of scores. Ellendale has Rempfer, Jamestown has Hendrickson, Mayville has Ernest, Valley City has Schatz, Wahpeton has Kolegraf, and NDAC has Tanberg and Sheard.

Ellendale Normal has entered only eight men but the Dusties are expected to take home a trophy that symbolizes victory. Rempfer is a one-man track team, being entered in seven of the 15 events. The Ellendale star will compete in the 100, 220, low hurdles, high hurdles, shotput, discus, and broad jump.

Coach Al Cassell of the Jamestown Jimmies has indicated that he will bring the biggest squad to the meet. The Jimmie mentor listed 15 thinclads on the official entry blank. The Bison are next in number having 13 listed as entries.

Crews of workers have been busy all week getting the track into shape; and if weather conditions are all right, the cindered oval should be in the best condition.

# Smith Enters 13 Tracksters In State Meet

Thirteen may be an unlucky number for some people, and it may be an unlucky number for the Bison track squad, but that's the number of Herd tracksters that will defend NDAC's state intercollegiate track title tomorrow night and Saturday afternoon on Dacotah field.

Larry Tanberg and Bob Sheard seem to be the only NDAC men sure of winning first places. Sheard has thrown the javelin better than anyone in the state so far this season, and it is expected that he will win this event on Saturday afternoon for the third year. The Bison spearman will also enter the discus throw.

Tanberg should come thru with five points in the pole vault if his past performances are any indication of what he will do. The NCI's outstanding athlete will represent the Herd in the discus and high jump as well as the pole vault.

Bill Herm and Cliff Nygard will run the 440-yard dash with Herm also entered in the 220. Nygard and George Murray will represent NDAC in the 880. Ferdinand Johnson is the lone Bison entry in the mile run. Leland Brand will compete in both hurdle races for the Herd, and Gene Fuller is also a possibility in the 220 lows. In addition, Fuller will enter the century dash and the broad jump.

Chuck Vancura, Ralph Pitman, Harry Treglawny, Bill Fowler and Bud Johnson are the other thinclads who will compete for the Herd.

Vancura will heave the javelin while Pitman is entered in the pole vault. Treglawny is entered in the shotput, with Fowler, a dash man, going to the starting mark in the 100-yard event. Johnson is entered in both jumping contests—the high jump and the broad jump.

### Meet Director

Problems of managing a state intercollegiate track meet face Johnny Smith, NDAC athletic director, as he makes final arrangements for the event to be held on Dacotah field tomorrow and Saturday.

### SOFTBALL PLAYOFFS

Kappa Sigma Chi and Alpha Gamma Rho softball teams will clash in the first of the championship games on Tuesday night.

# Panthers Win Track Crown

Iowa State Teachers college track team lived up to pre-meet dope on May 17 as the Panther cinder squad captured 11 firsts in 15 events to take their third straight North Central conference track title on the South Dakota State college field at Brookings.

ISTC's victory made Coach Art Dickinson's club the second team in the history of the conference to win the crown three years straight.

NDAC garnered fifth place in the meet as the Herd compiled 11½ points. The mile relay team placed fourth in that event for the only Bison points in the running phase of the meet. However, Herd members did better in the field events.

Larry Tanberg and Bob Sheard made the best showing for the Bison as they took second place in the pole vault and javelin respectively.

Bud Johnson and Ralph Pitman were the other Bison who took points for the Herd. Johnson tied with Tanberg for third place in the high jump and Pitman tied with Mustad of South Dakota State for third in the pole vault.

# Golfers Take Second In League Tourney

NDAC's two-man golf team finished second to the Panther twosome from Iowa State Teachers college in the NCI conference golf meet held on the South Dakota State college links at Brookings, May 17.

Irv Fischer shot a 162 while Bud Wattam was getting a 170 to give the Bison a 332 total for the 36 holes.

Bud Close of ISTC won the individual honors as he led the Panthers to victory.

on the Beaches

# It's Chesterfield

in the clean white pack with the COOLER, Milder, BETTER TASTE liked by smokers everywhere

Just as you know you'll always find it cooler at the beaches, smokers know they can always count on Chesterfield for a Cooler smoke that's refreshingly Milder and far Better-Tasting.

Everybody who smokes Chesterfields likes their right combination of the best tobaccos that grow in our own Southland and that we bring from far-off Turkey and Greece. THEY SATISFY.

BETTY GRABLE starring in 20th Century-Fox's hit "MIAMI" in Technicolor.

### SUCCESSFUL PUBLIC SPEAKING

Rid yourself of the idea that great speakers are born, not made. You may not develop into a Webster or a Lincoln, but you can become a person of consequence in your own group by your ability to put your ideas across. SUCCESSFUL PUBLIC SPEAKING will help the average person develop the ability to express himself adequately when addressing small groups or large, to overcome nervousness, and to gain poise and confidence. Anyone of normal voice and personality can learn to speak, and to speak well. Send for your copy of this booklet today. Only ten cents postpaid.
