

State 'Y' Groups Convening On Campus

Election On Constitution Scheduled For Monday

A new constitution for the student body of NDAC will be presented Monday when members of that student body go to the polls to ratify the constitution which has as its purpose the increasing of "the general student welfare, interest and participation of the North Dakota Agricultural college."

Several changes have been made, and the resulting constitution is to date the best possible means for the exercising of "the power delegated to us by the college, and to provide an organization for the regulation thereof."

Queen Election Changed

One of the most interesting differences between the new and the old constitutions is the omission of the old clause stating that the commissioner of social affairs shall automatically become homecoming queen. There is no provision for the election of homecoming queen, but the current idea is that the queen will be selected by student vote in the fall, thereby making that office more of a nonpolitical affair. It will also give an added interest to Homecoming itself.

Added powers are given to the commissioner of social affairs in the form of membership and voting power on the convocation committee and the social committee.

In accordance with the present commission's policy, weekly meetings of the student governing body will be held, and alternate meetings will be open to the student body.

Two Posts Eliminated

Two members of the commission have been eliminated, and one has been added. Commissioners of judiciary and campus have been taken out of the setup with a commissioner of organization added. The new commissioner will act as the coordinating body for all campus organizations and will submit a list of them. He also will act as vice-president of the commission and will take over in the absence of the president. In the past if the prexy was not present, there was no meeting.

If the new commission is ratified by the students, the commissioner of public speaking will be chosen from the Board of Public Speaking Control instead of being elected as a commissioner.

There is a provision included for the removal and recall of officers and for initiative and referendum. No provision was included in the old constitution. The commission feels that these incorporations will add to the power of the average student.

Faculty Advisor

The remaining changes concern the choosing of a faculty advisor and the election of an assistant commissioner of finance. The advisor will be chosen by the administration from a list of three submitted by the student commission.

The assistant finance commissioner will be elected and must be in the last half of his sophomore year. He automatically becomes commissioner of finance the following year.

Polls in the ratifying election will be open Monday from 8 to 5, with Kay Odney, commissioner of elections, in charge.

Anderson Wins Judging Event

Gordon Anderson, senior in agriculture, took high honors Wednesday, in the student livestock judging contest sponsored by the Saddle and Siroloin Club, in which fifty contestants participated.

Second honors went to Dave Barnett, junior; third, Bruce Fulks, junior; fourth, Dell Colwell, freshman; and fifth, Robert Lambourne, freshman.

Gordon Potter placed first in sheep judging; Neal Davidson, second; and tied for third were Orvil Stanley, Dell Colwell and Melvin Holmquist.

In beef, Duane Campbell placed first; Bruce Fulks, second; and Howard Olson, third.

Robert Lambourne copped first honors in dairy judging, Dave Barnett, second; and Carl Knutson, third.

Don Bahl headed the contestants in horses, Fred DeKrey and Don Barnett tied for second, and Gordon Potter placed third.

In hog judging Neal Davidson headed the list with Dell Colwell, second, and Richard Crockett, third.

Ribbons and awards to the winners will be distributed at the Saddle and Siroloin dance, Saturday night, April 19.

Tryota Elects; Makes Awards

New Tryota officers, outstanding members of the year and the winner of the annual cash award were named at a Tryota buffet supper, held Wednesday in the college Y auditorium.

Officers elected at the meeting following the supper are Kathleen Strandvold, president; Mildred Duckstad, vice-president; Dona Mae Thompson, secretary; and Genevieve Hamilton, treasurer.

Following a short program consisting of a vocal solo by Genevieve Lindemann and a reading by Helen Slingsby, Miss Alba Bales presented the cash award to Blanche Carlson. The award is made on the basis of scholarship and participation in Tryota and other campus activities.

Irvamae Vincent, Margaret Fairley, Allagene Jeffries, Muriel Kotschevar, Doris Marie Larson, Clarice Stestad, Helen Larson, Frances Maier, Doris Margaret Larson, Mary Jane Pavlik, Genevieve Olson, Beatrice Brandes, Evelyn Wilhelm and Muriel Rockne were given recognition for their outstanding service in the organization during the past year.

KAPPA EPSILON DELEGATES

Betty Mae Iliff and Lorraine McCagherty left yesterday to represent NDAC's Iota chapter of Kappa Epsilon, national professional pharmaceutical association for women, at the national convention held this year at the University of Minnesota.

The conclave starts today and continue through Sunday.

Proxy and Deans Go 'Garcon'

By STAN OBERMILLER

To prove that a delicious dinner can be served without running down to the corner grocery, the new officers of the Men's Faculty Club are sponsoring a Food Feast in the Lincoln Log Cabin at 6:15 p. m., Monday, April 21. Only food grown or produced on the campus will be used.

Under the direction of A. G. Arvola, who also originated the idea, Dr. Frank L. Eversull as head waiter with his corps of assistants composed of the college deans will serve the dinner.

Milk and Honey

Bread and pastry will be baked on the campus from college-grown wheat that is now being milled by the cereal technology department. Honey from the college hives will be used, and butter, milk, Roquefort cheese,

and ice cream will be furnished by the dairy department. Other articles strictly from the campus to be used are pork from the farm, butchered on the campus, fruits and vegetables from Mrs. Knowles' frozen preserves supply, eggs from the poultry department for the cake and potatoes grown in the college greenhouse.

All of these college produced foodstuffs will be organized into a tasty dinner under the direction of Mrs. Roen, chef.

Informal

Informality will be the keynote of the meeting as no speeches are planned. There will be a few introductions and brief remarks but FOOD will be the main attraction.

Following the dinner, cards and tables will be available in the lounge of Old Main.

Board Names Lewis, Koch Bison Heads

The Board of Publications Control Wednesday named Pete Lewis and George Koch editor and business manager respectively of the 1942 Bison to succeed Bill Guy and Gorman King.

Lewis, a sophomore in arts and science has two years of experience in journalism at NDAC. A draftee from the editorial staff of the Spectrum where he served as sports editor and more recently as associate editor, Lewis was also active in LCT work.

Koch, a junior in arts and science, has three years of experience on the Bison business staff, having just completed a year of service in the capacity of associate business manager. He is a member of Alpha Phi Gamma, YMCA cabinet, and Alpha Tau Omega social fraternity.

Both Lewis and Koch hold keys awarded by the Board of Publications for outstanding service to publications on the campus.

The new heads take over on completion of the 1941 yearbook by its present staff.

English Students Compete For Publications Theme Prize

The NDAC English department and the Board of Publications is sponsoring an essay contest for freshmen with the topic "The Function of a College Newspaper" as the general subject.

Contest themes will be written in all freshman English classes on Monday and Tuesday, May 12 and 13. Students will come prepared with mental outlines and illustrative detail, but will not be permitted to use notes or rough drafts in the writings of themes. Prize winning selections will be published in the Spectrum issue of May 16.

Winner of the essay contest will receive \$10 with second and third place winners getting \$7 and \$3.

Some of the suggested questions which may be treated are:

1. What do you expect from a college newspaper?
2. What are the shortcomings of our paper?
3. What could be done to make our paper more effective?
4. What features seem worth while in other college papers?
5. How can we get more complete coverage in our paper?
6. How can we interest a larger body of students in campus

election again

Next week the students of the NDAC go to the polls once more. Why? What happens? The elections occur, the candidates are elected, and nothing is accomplished by those chosen.

We believe that each party should state its aims and policy. If we are going to vote Modern we want to know why. If we are going to vote Sure-Cure, we want to know why.

After the election is over, the politicians retire to the Bison office and fulfill their campaign promises. Because they haven't made any, this is comparatively easy.

We believe one can judge a public official by the way he fulfills the pledges of his platform. We believe that each candidate must state HOW he intends to help Dr. Eversull run the school.

During our three years at the NDAC, every election has resulted in a deploring of the fact that so few students have chosen to exert the effort to vote. Let the candidates give up a stirring, appealing, thoughtful program, and a large vote will naturally follow.

CANDIDATES, TELL US WHAT YOU PLAN TO DO!

STUDENTS, DETERMINE WHICH PARTY YOU THINK WILL BENEFIT THE SCHOOL AND YOU MOST, AND THEN VOTE!

C. L. C. M. L. A.

Open Letter To Editors Of 'Dakota Student'

Dear Sirs: We wish to express our gratitude for the following letter received from Jack Dunn, editorial writer: Editorial Editor The Spectrum, State College Station, Fargo, N. D.

My dear Madam: According to the last issue of the Spectrum, anyone interested in writing editorials for your paper is asked to leave his name in the Spectrum office. I am burning up to write editorials for Spectrum.

How much do you pay? I've been in charge of the DAKOTA STUDENT editorial page for the past year. I can not only write your editorials, but revitalize your page makeup and import a couple of good columnists. The Bystander, for instance, can be had for practically nothing.

WHAT DO YOU PAY? Sincerely, J.D. According to the stationary, we notice that the Dakota Student is the "Biggest Business on the Campus Except the University Itself".

We are glad that we are not the only ones who appreciate the merit, prowess, originality, individuality, and infinitum, of the aforementioned column, the Bystander, written by Charlie Dahl, recently voted the most propped up man in Harms Bar, and incidentally editor (not copy boy) of the Dakota Student.

Smith Faces Problems Before Track's Opener

A week from today NDAC's track quartet are the choices of the Herd's team enters its first meet of the season, and as yet Coach Johnny Smith has several vital problems to solve. The Bison are entered in the Aberdeen Relays April 25 at Aberdeen, South Dakota.

First and foremost task of the Bison mentor is to find several replacements for his fine relay team of last season. Only Bill Herm and Cliff Nygard are back to carry on this year. As it is Nygard didn't always compete in this particular event. Herm teamed with Bernie Bermann, Terry Carey and Vern Johnson to give the Yellow and Green its strongest mile foursome in history.

But Bermann and Johnson graduated and Carey left school to enter Uncle Sam's fighting forces. Thus Smith must find two runners to team with Herm and Nygard for this season. Gene Fuller and Earl Mar-

Rain Hampers Herd's Work

Rain and wet weather hampered Bison spring football again yesterday as the Herd was forced to workout in the fieldhouse. The bad weather sent the Bison squad indoors again after a single day of outside drill which saw the Bison mentors giving their charges about 45 minutes of scrimmage.

This action marked the first contact work of the spring sessions and found several new faces on the varsity first string. Daly King and Adam Bender, two freshmen, started in the backfield and Cliff Rothrock anchored the line from the center position.

Completing this first eleven, which was changed around from time to time, were Joel Nelson and Ed Boe in the backfield and Harry Treglawny, Jim Davis, Charles Scott, Sid Sanderson, John Snowberg and Pat Twomey in the line.

Before the brief drill was halted, Coaches Stan Kostka and Bob Lowe had given the entire squad an opportunity to show their stuff. In all about 35 men saw action in this first scrimmage.

Among the points of interest which the party will investigate, are the 85,000 acre Belle Fourche irrigation system at Newell, the Homestake Gold Mine at Lead, and the construction of the famous memorials at Mt. Rushmore.

AC Summer Session Offers New Courses In Three Schools

Opening June 16 and continuing for 6 weeks through July 25, the 1941 Summer Session at NDAC includes several offerings in agriculture, home economics, and national defense training not given in previous sessions, announces Dr. Elmer C. Darling, director of the summer school.

The total offering of 47 courses lists plant and animal genetics, botany, clothing, home management, drafting and flight training in addition to the regular courses in the arts and sciences. Eighteen regular NDAC staff members will teach during the 1941 session. President Frank L. Eversull will again offer his guidance course; other offerings include courses in art, chemistry, economics, education, English, history, mathematics,

Softball Opens Next Week

NDAC's intra-mural competition spotlight will be focused for the next few weeks on softball. Plans are being made to get the league underway sometime next week.

For the third straight year the Alpha Gamma Rhos and the Kappa Sigma Chis appear on paper as the teams to beat for the championship. The AGR and KSC tens will return to the spring tussles with practically the same rosters that carried them into the final playoff last season.

Loop manager Earl Marquardt has called a meeting of all team managers for tomorrow at 1 p. m. At this time drawings for brackets will be made and the schedule for the season will be drawn up. For these reasons Marquardt requests that every team planning to enter the league send a representative to this meeting.

The league is run on a round robin basis with two divisions. Each team plays all the other teams in its division and the leaders of the two brackets at the end of this competition face each other for the intra-mural title.

NDAC Riflemen Finish National Gun Match

NDAC's rifle team has completed its record firing in the national collegiate competition, but as yet the final standing of the Bison squad has not yet been announced.

Firing in four different phases, the Bison amassed 7607 points out of a possible 8000. Of the four phases, the prone-prone position was the best for the Herd. The NDAC riflemen scored 1976 in this phase to top the next nearest one by 25 points.

Prone-sitting was second best with 1941 while prone-kneeling had 1900 and prone-standing finished with 1790. Final results of this match will be released next week as will the season's record of each individual rifleman on the Bison squad.

Noted Correspondent Addresses Convention

Edward Hitchcock, the noted foreign correspondent and radio speaker, addressed the student body at convocation Wednesday April 9.

Mr. Hitchcock who returned from Europe just a year ago explained the situation on that continent and spoke of the present war as one of "quick shifts."

The fifth column activity in America was also discussed and in various enlightening statements the noted commentator showed that though we fear the fifth column today there must be a much greater fear of these organizations of the "isms" in the future.

NEW APO OFFICERS

New officers for Alpha Phi Omega, honorary service fraternity, will be installed at a meeting Monday evening in the Y.

Heading the organization is Harold Twedten. Allan Burman is vice-president with Tom Woods as secretary. Perley Draffehn is treasurer and Dick Ryerson is historian.
