

Open Space Standards John A. Johnson Park

Intent/ Standards

The Jungle

A tree grid for children to play in and create games using the grid.

Playground/Recreation

A space for youth recreation. This space should be near a school building and include playground equipment and pavement for activities such as four square and basketball.

Back To Nature

A place for unstructured play that also serves to expand the diversity and richness of the outdoor environment.

Community Gardens

Garden plots for community members. An informal social meeting/gathering place.

Green

Large open space for unstructured recreation.

Plan John A. Johnson Park
