Singers To Go On State Tour

The men's glee club, under the direction of Ernst Van Vlissingen, will begin a concert tour of several North Dakota towns on Sunday, April 23. A chartered bus will carry the members. The alumni association is taking care of food and arranging for members of the club to stay in private homes.

On Sunday afternoon the club appears in a concert at New Rockford, Monday afternoon at Rugby, Monday evening at Minot, Tuesday evening at Kenmare, Thursday afternoon at Watford City, Thursday evening at Dickinson, Friday morning at Mandan, Friday afternoon at Bismarck, Friday evening again in Jamestown. All afternoon concerts are presented before the high schools.

Members going on the tour are: Ronald Hocking, Donald Bannister, Paul Weiser, Clark Packard, Arlo Hendrickson, Homer Goebel, Dean Theodos, Conway Christianson, Fred Oyhus, Rex Carr, Dick Weltzin, Howard Bellin, Thomas Allison, John Plath, Glenn Rosendahl, Clayton Larson, Arnold Stoutland, Victor Beckley, Laurence Larson, Alfred Thompson, Vernon Gunkel, John Carlson, Abner Selvig, Oliver Uthus, and Lloyd Collins. Miss June Lowe is the accompanying soloist.

FACULTY PARTY

An all-faculty party will be held at 8 next Thursday evening in Festival Hall. Theme of the evening's entertainment will be a Pioneer Party. All faculty members are invited.

Sigma Alpha Iota To Sponsor Recitals

Plans are going forward for the music division of the May Festival. Under the direction of Sigma Alpha Iota, representatives of music departments from several schools in the state will appear in recital programs. The programs will not be in the form of contests but will be presented for the enjoyment of both the participants and those attending the Festival, providing opportunity for expression and a chance to hear the music accomplishments of different state schools.

A recital program has been scheduled for Friday afternoon in Festival Hall, which will feature solos, instrumental numbers, and selections by glee clubs. Another presentation of the music division of the Festival will be the Future Farmers of America band made up of 35 representatives from the Future Farmers chapters in North Dakota and supervised by Ernest L. De Alton, state FFA adviser. The band plans to give several concerts under the direction of Dr. Putnam.

Twice Postponed Spring Elections Scheduled May 4

Application Filing Deadline Set Next Wednesday; Change Commission Terms

The oft-postponed campus election will definitely be held on Thursday, May 4, announces John Lynch, commissioner of elections. Ordered by the student commission to proceed with elections as provided for in the constitution of the commission, Lynch has set Wednesday, April 19, as the deadline for receiving all applications.

Applications which were turned in to the commissioner several weeks ago will not be accepted and only those candidates who submit applications in the next few days preceding the filing deadline will be placed on the ballot. Candidates will be announced in next week's Spectrum.

One change has been made in regard to the class affiliations of candidates for the student commission. Commissioners of campus, finance and elections will be chosen from the junior class instead of the sophomore, as previously announced. They will serve one-year terms.

Commissioners of public speaking, judiciary and athletics will be selected from the sophomore class and will serve terms of two years. The president of the commission and the commissioner of social affairs will be named from the junior class, as previously announced.

To Elect Four

Four members will be named to the board of publications. Two juniors, one sophomore and one freshman will be elected to serve terms of one, two and three years. Applicants for positions on this board must submit written applications, setting forth qualifications, to James Elwin, acting board president, by 4 o'clock Wednesday afternoon.

Applicants for all other positions will submit applications to Lynch by midnight Wednesday. These applications should state the candidate's name, his class, and the position for which he is applying.

All applications, except for the board of publications, need not include eligibility cards nor a list of qualifications. For convenience's sake, the commissioner will determine the candidates' eligibility when all applications have been submitted.

In addition to offices mentioned above, a junior and senior student will be named to the board of athletic control. They will serve one-year terms. A complete list of offices to be filled at the election may be obtained from Lynch.

Campus Groups Pick Model Man Of '38 Aspirants

One of these campus Don Juans will be elected Model Man of 1939 at Senior Staff's Spinster's Skip Friday evening, April 28:

Henry Ness, Kappa Sigma Chi.
Victor Sasse, Sigma Chi.
Bill Guy, Sigma Alpha Epsilon.
Larry Tanberg, Theta Chi.
Percy Hagen, Kappa Psi.
Mark Olson, Sigma Phi Delta.
John McDonald, Gamma Rho.
Barney Hutchens, Dugout.
Bill Mutz, Independents.

Alpha Tau Omega, for whom James Critchfield won the title last year, has not yet selected their candidate for this year's honor. Winner of the title will receive a merchandise award.

In charge of the Skip are a Senior Staff committee of LaVaun Anderson, chairman, Catherine Brandes, Doris Stinson and Claire Putz.

Students Seek Flying School

The Carl Ben Eielson flying club, a student organization, is seeking government recognition and the establishment of a Civil Aeronautics school here, according to Einar Mickelson, president. The school will be a branch of a government institution to train college students in practical mechanics, offer piloting courses and issue them licenses. Ships for student instruction are furnished and it might mean a training ground for men planning to go into the air corps, he said.

At present, the club is planning purchase of a glider for use by its members to supplement their training. Members are studying courses in the art of gliding, wind currents, construction and flight theory of glides. A series of motion pictures will be shown soon.

The club has arranged a display for Engineer's Open House May 5, consisting of exhibits from Northwest Airlines, meteorology equipment and model planes.

A dinner has been planned for April 27, when a prominent World War aviator will speak.

NOTICE

Girls wishing to apply for tuition scholarships for next year may secure application blanks in the Dean of Women's Office. Applications should be filled as soon as possible as some organizations are ready now to make awards.

Lyceum Series Brings Noted Met. Soprano Here Monday

NELITA DYER

Nelita Dyer Heads Campus YWCA Unit

Nelita Dyer, junior in education, was elected YWCA president last Friday to succeed Evelyn Larson. Other officers named were Jean Humphreys, vice president; Hazel Isaak, secretary; and Irva Mae Vincent, treasurer. Mrs. F. L. Eversull and Miss Geraldine Ewald were elected to the advisory board, and Mrs. Mildred Kirst was elected as a new member.

Announcement was made Tuesday of the new cabinet to serve for the year 1939-40. In addition to the four elected officers, Elizabeth Covert, Nora Johnson, Kathleen Benson, Mildred Cone, Marguerite Olson, Verna Thysell, Clarice Lee, Mildred Corcoran, Muriel Rockne, and Jean Halbeisen were named department chairmen, and Mary Beth Lewis, Ruth Thomte, Virginia Carnahan, and Mavis Jensen were named members-at-large.

Packed House Will Greet Kirsten Flagstad In First Concert On Campus

Kirsten Flagstad, the Norwegian soprano, said to have the greatest voice in the world, will appear here in concert on the Lyceum series Monday. Singing her first concert in Fargo, the interest has been running high, and tickets have sold unusually well, according to A. G. Arvold. Doors will be open to students at 6:30 p.m., he said.

Miss Flagstad, Metropolitan prima donna who is regarded as the greatest Wagnerian soprano in the world today, comes from a musical family. She was born in Hamar, Norway, her father being a conductor in Oslo, her mother a pianist and coach for soloists and chorus groups. Her brother, Ole, is a conductor; another brother, Lasse, a concert pianist, and her sister, Karen Marie, is a singer.

Her early musical training was not in preparation for an operatic career, and her beginning as a singer was largely accidental.

Likes Swing Music

Strange to say, Madame Flagstad confesses she likes American swing music and listens to it on the radio whenever she has time. She is fond of movies and has been known to come out of one movie house and go right into another because there were two pictures she wanted to see. Asked who her favorite film star is, she said, "Carbo," but she also likes Jeanette MacDonald, Gary Cooper, Dick Powell and Fred Astaire.

Her operatic roles have covered a wide gamut, Tosca, Micaela in Carmen, Marguerite in Faust, Aida, Mimi in La Boheme, Eva in Die Meistersinger, Anita in Jonny Spielt Auf, Handel's Rodelinda, Nedda in Pagliacci, Minnie in The Girl of the Golden West, Eurycleia in Orpheus, Agatha in Der Freischutz, Desdemona in Othello, in addition to the Wagnerian roles for which she is known at the Metropolitan.

McMichael Will Discuss China

YMCA-YWCA will sponsor a convocation Thursday morning, April 27, when Jack McMichael will speak on the topic of "A Student's Experience in China." A graduate of Emory University McMichael is president of the National Intercollegiate Christian Council. He has been traveling in China for the past year and in February started touring the United States to meet with student groups. He is one of the leaders at the spring YW-YM Conference now in session at Minot.

YWCA Cabinet and Commissions will entertain McMichael at a noon luncheon Thursday and the YM cabinet will entertain him Thursday evening.

The annual spring Conference for YW-YM is now in session at Minot State Teachers College, starting Thursday and ending Saturday evening. Local students attending are: Kenneth Erickson, Wilbur Benson, Charles Benson, Orville Monroe, Adolph Winther, Frank Buck, Lloyd Nygaard, John Fisher, Richard Sweitzer, Nelita Dyer, Mildred Cone, Lois McMillan and Dr. W. C. Hunter, faculty adviser for the YMCA.

Eight Go To Wyoming Engineer's Convention

Dean Rush and seven student electrical engineers left Wednesday for Laramie, Wyoming, where they will attend the district convention of the American Institute of Electrical Engineers. Students were Harry Woll, Reider Rasmussen, Don Hansen, Elmo Larson, Lyle Benson and David Askegard.

Students from each college in the district will read technical papers on engineering subjects. Harry Woll will read The Engineer as a Salesman, written by Robert Berg. A \$25 prize will be given for the best paper which will also be published in the magazine, "Electrical Engineering".

Tentative plans include an excursion to Denver after the convention, which will end Saturday afternoon.

ROY PEDERSON

Stanley Bale Named Alpha Zeta President

Stanley Bale, junior in agriculture, was named president of Alpha Zeta, national honorary agricultural fraternity, in an election held last week. He succeeds Peder Nystuen who graduates this term.

Other new officers are Lloyd Nygaard, vice president; Roger Toussaint, secretary; Kenneth Ford, treasurer, and Norman Akesson, reporter.

At a luncheon held Wednesday of this week Alpha Zeta presented certificates of scholarship to Robert Coon and Richard Crockett as the two freshman students in agriculture with the highest averages for the fall term of 1939. Elinor Johnson, sophomore in horticulture, who had the highest average for freshman in agriculture for the year 1937-38, was given a trophy.

Students To Have Bard's Cake At Theater Reception

Students will have a taste from Dame Shakespeare's cupboard next Sunday in the Little Country Theater, where they will be served the honey cakes that were the favorites of the Bard of Avon himself. April 23 is Shakespeare's birthday, to be observed by Prof. Arvold and members of the speech department at the annual reception for all students who have taken courses in the speech department, members of all plays and those who have participated in debates and declamations.

Prof. Arvold said he has issued no formal invitations but will welcome any student who has taken work in the department this year. Hours of the reception will be from 3 to 5 p.m.

Journalism Fraternity Inducts New Members

Alpha Phi Gamma, national honorary co-educational journalistic fraternity, held initiation Wednesday evening for Jeanne Paris, Ab Selvig, Jo Erickson and Gordon Anderson.

Miss Paris is organizations editor of this year's Bison; Miss Erickson has been sports writer for the Spectrum for two years; Selvig is assistant business manager of the Spectrum; and Anderson, assistant business manager of the Bison.

Chicago 'U' Dean Will Speak At Convocation

Dr. Jerome G. Kerwin, dean of students and social science at the University of Chicago, is scheduled to speak at the annual convocation sponsored by the Newman club April 25. A member of the University of Chicago faculty since 1921, Dr. Kerwin is the author of several books and a contributor to social science magazines. His convocation topic will be "A Challenge to Democracy."

The University of Dayton's student newspaper has been given a two-foot baby alligator as a mascot for its staff.

Hayseed Features Barn Dance Decorations

By DICK CROCKETT

Howdy folks! This is your uncle Ezra Peabody to remind ye that tonight is the night of Saddle and Sirlin's annual Barn Dance. The scene of this year's affair will again be the Field House. Casey's Bison Shed has been decorated in such a manner as to really put across the good old hay-loft atmosphere.

Highlight of the evening will be the crowning of the Barn Dance Queen. Here are the candidates: Kathleen Benson, Ceres Hall; Patty Lavelle, Kappa Kappa Gamma; Margery Fields, Alpha Gamma Delta; Jo Erickson, Gamma Phi Beta; Lorraine Fittjar, Phi Omega Pi; Helen Miller, Phi Mu; and Phyllis Johnson, Kappa Delta.

No Stuffing Allowed

In order to prevent the ever popular ballot-stuffed vote, dance tickets will serve as votes. Just write your choice for Queen on the back of your ticket.

Music will be by Bill Walsh and his band. Maestro Walsh promises a program plentifully sprinkled with novelty numbers.

This will be strictly a high class affair with costumes and even shoes very much in vogue. Prizes will be given to the lass and lad who appear in the most appropriate get-up.

Tickets may be purchased at the College Y, the Dugout, and the Bookstore. The price is only 50 cents per couple, and remember—

each ticket counts as a vote for the Barn Dance Queen.

Celebrities Invited

Invitations have been sent to Calamity Jane's daughter and also to a grandson of Wild Bill Hickock. It is also feared that Dangerous Dan McGrew will again attend. Guns must be checked in the lobby, cautions the management. Manager Bob Brastrup reports

tickets are going like hot cakes on a frosty morning. So if you plan to attend you had better get your ticket now and prepare to slide down the old hay chute into the "rip roarin'" time of the whole year.

Dancing will be from 9 to 12. Chaperones will be Mr. and Mrs. Ford Daugherty and Mr. and Mrs. Al Severson.

Train, Ye Turtles, Train—

The third annual intramural turtle race sponsored by Alpha Phi Gamma, honorary journalism fraternity, will be one of the main highlights of an extensive program of entertainment being planned for all college day, tentatively set for Thursday, May 25.

All fraternities and sororities are allowed to enter the race, as well as such organizations as the YMCA Dugout, the Co-op House and the Independent Students Association. The winner is presented with a traveling cup, won last year by the Dugout and the year before, by Sigma Chi fraternity.

Weigh-in Turtles

An innovation in the event this year will consist of a weighing-in ceremony in the morning preceding the race. Another idea, successfully introduced last year and to be followed in the current derby is the fanfare, blown by Archie Seebart, Alpha Phi Gamma's one and only bugler, which accompanies the entrance of the turtles and the

jokeys. The race will consist of a series of preliminary heats, the winners of each heat to run in the final event. Judges will be picked from the faculty. The official rules will be published in the Spectrum at an early date.

Bloomquist Manager

Don Bloomquist is promoting the colossal attraction, assisted by Myrtle Anderson and Leland Stenehjelm. They promise the sporting public positively the greatest collection of turtleflesh ever assembled under one tub, at one time, when the entries line up in Festival Hall.

Other highlights of the days festivities will consist of the distribution of the Bison, a band concert by Dr. Putnam and his Gold Star Band, the annual senior-faculty softball game, an all-college lunch, the inter-fraternity sing, sponsored by Alpha Phi Omega, with an all-college dance in the evening to culminate the day's activities.

the Powers

After the dance—and it's good dancing we wish you, Saddlers and Sirliners—saddle Old Paint and whisk down to the POWERS COFFEE SHOP.

Peggy and Frank will be on hand till 1 a. m. with their "Hi Ho, Silver." A steak sandwich is the ideal climax to the barn dance.

Tuneberg To Study Co-op Bookstores In Minneapolis

Everett Tuneberg, president of the temporary committee in charge of organizing a cooperative bookstore, left yesterday with Laurence Gilbertson for Minneapolis, where they will study cooperative bookstores at the University of Minnesota, Macalester and Hamline. They will observe methods and costs of operating for use in preparing a plan for the proposed cooperative bookstore on this campus. Both represent the temporary committee, Tuneberg as a student of cooperatives and Gilbertson as a student of accounting. Costs of the trip are being paid by contributions. Other trips will be made later to other schools and will be financed in the same way, Tuneberg said.

Plan Conference

A conference will be arranged with President Eversull to discuss further the details of the proposed bookstore, according to Tuneberg. Present at the conference will be Emily Dakin, manager of the present bookstore, Dr. J. P. Johansen, adviser to the student committee, and the members of the committee. Out of that conference and the studies of bookstores now in operation will come the plan for the cooperative bookstore. The plan will be submitted for approval to President Eversull, the state board of administration and the NDAC student body.

Miss Dakin leaves today for St. Louis, where she will attend a convention of college bookstore managers. She intends to make a study of cooperative bookstores at the convention, she said.

May Festival Features Girls' Sports Program

High school girls interested in sports will find plenty of opportunity to prove their prowess at the annual May Festival, May 4, 5 and 6 at NDAC.

Outdoor track events for girls will be the baseball target throw, 50-yard dash, 200-yard relay, discus, 60-yard hurdles, javelin throw, running broad jump, and high jump. Any school may enter one softball and one volleyball team.

Events for an indoor track meet, to be held in case of rain, are the baseball target throw, bean bag throw, 50-yard dash, potato race, 75- and 60-yard dashes, quoits, running broad jump and high jump.

Tennis matches are limited to two in singles and four in doubles. Two sets out of three will determine the match. Dancing contests will include tap and character types, solo and group. Folk dances will also be solo and group. Two entries may be made for each event except the relay, in which four persons are required.

These contests are open to all North Dakota and a limited number of western Minnesota high schools. Entries must be certified by the principal and superintendent of the high school.

Christianson, Bolin Visit Two Stations

F. W. Christianson, chairman of the animal nutrition department, and Dr. F. M. Bolin, chairman of the department of animal pathology and hygiene of the Experiment Station are inspecting investigational work in animal nutrition and disease this week at the Minnesota and Wisconsin Experiment Stations. They hope to bring back information of value to the livestock industry of the state.

HOME ECS TO SERVE

Members of the Institutional Cookery Class and those in the Home Management House are being offered an opportunity to meet some of the outstanding business and professional women in five or six states. On Sunday morning, April 23 in the Home Management House, they will serve morning coffee to the members of the District Conference of Quota International, service club for business and professional women, and their guests.

RICHARD BURRIS

Burris Will Manage NDAC Radio Station

Selection of Richard E. Burris of Bismarck, to manage the farm and home radio programs of the extension service department of information is announced by E. J. Haslerud acting director.

Burris' appointment was approved recently by the State Board of Administration to succeed H. Earl Hodgson who resigned in January to accept a position with an advertising firm in Milwaukee, Wis.

The new college radio man has been program director for station KFJR in Bismarck for the past three years during which time he has cooperated frequently with the extension service in its educational activities. He was graduated from the South Dakota State College at Brookings in 1934, and was connected with the college radio station there for some time. Burris also has been on the staffs of stations KSO, Des Moines, Ia., and WCTN, Minneapolis.

The NDAC radio program known as "Agriculture In The News" is carried five days each week by nearly every broadcasting station in the state.

Hopper Represents AC At Illinois Conference

T. C. Hopper, agricultural chemist on the experiment station staff, will attend the annual meeting of the collaborators of the U. S. Regional Soybean Industrial Products Laboratory, April 20 to 23 at the University of Illinois.

Hopper has recently received official notice from B. H. Heide, manager of the International Livestock Exposition at Chicago, of his appointment as Superintendent of the International Livestock Judging Contest, held in connection with the Exposition. He succeeds the late Dr. J. H. Shepperd who had directed the judging contest since its inception.

A catalog, listing all of subjects that will be taught at NDAC's Summer Session will be available by May 1, announces the education office.

Anyone desiring a particular subject should notify his dean immediately to ascertain whether the subject will be taught.

**SPECTRUM
SPORT
SPECULATIONS**

By JACK GARRY
With football and basketball the traditional college sports for so many years, it appears average sports fans have forgotten that any other sport exists. In most of the colleges throughout the country, these sports have always occupied the spotlight. These sports are typically American and it is only natural that the majority of interest lies with them. This situation has not been fair to those who have additional athletic interests, however, and the tendency has been to push most of the other sports in the background, in many instances eliminating them from the college athletic program entirely.

For several years now, golf has gained national popularity. In recent years, several college golf teams have been organized and built up to the extent that they now are accepted as a major part of the college athletic program. This year at the AC, several of the students, whose ability and keen interest in golf has warranted their action, have been enthusiastically engaged in trying to form a college golf team. If their sincere efforts are realized, they should be able to prove to the sports enthusiasts that golf here is entitled to the support that other colleges have given it.

A few weeks ago Don Sealander, along with Bud Wattam, Irv Fisher, and Bud Paulson, approached C. C. Finnegan, athletic director, on the prospect of having an AC golf team. The boys met up with a few obstacles that will have to be ironed out before they can play under the school colors.

An important item yet to be arranged is that of finding a coach for the team. Several prospects have been considered, but no official contacts have been made. The expense required, slight though it may be, is still a problem that must be discussed. Just as soon as a remedy for these problems can be reached, the boys feel confident that the college will have a golf team worthy of the name.

If Finnegan gives his okay, a match with Grand Forks is practically a deal. Another tentative match is one with the U. of Minnesota. Necessity demanding, the boys will probably go ahead, at their own expense and arrange matches with those schools that already have a team.

There is no reason why the AC cannot have a golf team. It stands to reason that golfing cannot be a money making proposition, but that is not the idea. Besides having some mighty good material in the upper classes, there are some fine prospects that will come up next year from the freshman class. It sounds like a good idea, and it really should go over.

**Largest Squad In History
Holds First Grid Scrimmage**

Line Coach Lowe Sees One Of Strongest Lines In Conference Next Year; Kojancik and Greene On Sidelines

The largest squad ever to come out for football, spring or fall, at NDAC had the first practice scrimmage of the year Wednesday. Upwards of 40 candidates are out after positions on the varsity team for next year. The session started out with the squad divided into three teams for signal practice. After familiarizing themselves with the signals, Coach Finnegan lined up two teams for the scrimmage. There were no designations as to which was the first and second teams, each taking turns on the offense and defense. Frequent substitutions were made so that all aspiring candidates were given a chance.

Lack Polish
The scrimmage was no afternoon tea or anything of the sort. The tackling was vicious, the blocking, fierce and the running and plunging, spirited. The usual early season lack of polish was, of course, present; for example, several fumbles were made, and the timing was off in several instances. Such conditions will easily be remedied by practice, and are only natural early in the season.

From a spectators viewpoint, the outstanding feature of the scrimmage was the amazing potentialities shown by the line. This line figures to be the strongest in the conference when the next season rolls around, and there were spots in the workout, where it showed it may exceed even Bob Lowe's fondest expectations. On numerous occasions it opened up holes big enough for even Cecil Sturgeon to get through.

Kojancik, Greene Out
Two almost surefire regulars, Joe Kojancik and Merrill Greene, have been forced to remain on the sidelines. Kojancik is still recuperating from an appendicitis operation last winter, while Greene has been bothered with an infected hand. It is doubtful whether either one of the two will be able to see much action until next fall.

Elmer Holt, all-conference guard of 1938, is assisting Bob Lowe in coaching the line.

**Softball League
Opens Monday**

The intramural softball schedule will get under way Monday at 4:15 when the YMCA team squares off against the Co-op house team. Games at 6:15 will include the Sigma Phi Delta-Alpha Gamma Rho fracas and the Farm Folks versus Kappa Psi.

The teams are divided into brackets as follows:

A Bracket	B Bracket
YMCA—	Kappa Sigma Chi
Sigma Phi Delta—	Sigma Chi
Kappa Psi—	SAE
Alpha Gamma Rho—	Theta Chi
Co-op House—	ATO
Farm Folks—	Dormitory

In Bracket A the Gamma Rhos are the pre-season favorites to win, with the Kappa Psi outfit given a good chance to cop the title. In the other bracket the Theta Chis are the defending champs and along with the Kappa Sigma Chis, are favored to come out on top.

The games will be played five nights a week, with one being played at 4:15 and two at 6:15. This arrangement was made because the football practice field occupies one of the diamonds and will be used for spring football practice in the afternoons. All games are scheduled for seven innings.

**NDAC Host To Annual
Volleyball Tournament**

Saturday afternoon the third faculty men's volleyball tournament will be held on the field house floor. According to Glenn Hill, chairman of the tournament committee, teams from Concordia, MSTC, Fargo high school, Agassiz junior high school, and three teams from the AC are expected to compete.

At stake will be the trophy donated two years ago by B. C. B. Tighe, Fargo high school principal, which is to be awarded to the team which wins the tournament three times. Teams from the AC have won the two previous tournaments. MSTC sponsored the tourney in 1937 while Concordia was host last year.

Delta Phi Epsilon fraternity has awarded its national honor key to Secretary of State Cordell Hull for his work in fostering the cultural solidarity of the nations of the western hemisphere.

**Whalen Kayoed;
Johnston Wins
In Valley City**

Two Bison boxers, Ted Whalen and Al Johnston were featured on a boxing-wrestling card at Valley City last Friday night, together with such ring notables as Abe Kashey, Billy Sledge and "Swede" Gransberg.

Ken Kruger was awarded a technical knockout over Whalen in the 148 pound class. In the 126 pound class Johnston scored a technical knockout over Ralph Watson of Hawley, Minn.

Whalen, showing a lot of speed, had a decided advantage over the crude boxing of Kruger in the first round. In the second round, a hard right hand smash to the chin sent Whalen to the canvas. He refused to take a count and came up fighting, only to be knocked down again. At this point Whalen's seconds threw in the towel but Ted protested strongly, kicking the towel from the ring. In spite of his protests, the referee called the fight after one minute and 20 seconds of the second round. Elmer Holt and Joel Nelson acted as Whalen's seconds.

Johnston Scores KO
In the Johnston-Watson match the odds were even in the first round, each man feeling out the other. Their styles of fighting were much alike, both being fast and shifty. Al took one on the jaw for a count of five early in the second round but came back strong to knock Watson to his knees for a nine count. In the third round Johnston turned on the heat and had his opponent down twice more for the count of nine. Referee Les Jessie stepped in and stopped the fight in the third awarding a technical knockout to Johnston.

Delta Psi Kappa will present the modern dance classes in a concert to be presented on May 11 at Festival Hall.

Both the beginning and advanced sections will take part. The modern dance is a new class which was organized during the winter quarter. The girls have been showing much interest, and, in spite of the short time they have had classes, they have accomplished a great deal.

Womans Athletic Association met Wednesday afternoon to elect officers for the coming year.

Kay Odney was named president to succeed Helen Restvedt; Evelyn Olson was elected vice president; Florence Kapoun, corresponding secretary; La Verne Knudtson, treasurer; and Irma-mae Vincent and Jo Erickson, publicity chairmen.

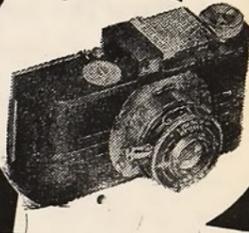

Plans were discussed on the Inter-class Softball Tournament.

A short business meeting of Pi Gamma Mu will be held at 4 Wednesday afternoon in room 314, Science Hall.

**FORD SHIPS SAIL
THE SEVEN SEAS**

S. S. East Indian and Lake Ormoo of the Ford Fleet

Down to the sea in Ford ships go millions of tons of shipping. The Ford docks berth one of the largest industrial fleets in the world.

There are 29 Ford ships in all, including seven seagoing craft, the two largest motorships on the Great Lakes, barges, tugs and canal boats. They are kept busy bringing raw materials to Ford plants, or carrying parts or assembled cars outward-bound.

Ford production methods eliminate all extra handling or storage of material and parts. Waste motion is waste money. Useless storage takes time, space, and ties up capital.

So, parts and materials flow in a steady, unstoping stream to and from the great Ford plant on the River Rouge. Iron ore—much of it dug from Ford mines—and coal from Ford mines—come to the Rouge in Ford ships.

Ore that reaches the plant Monday morning may emerge about 28 hours later—or Tuesday noon—as part of a finished car. In its progress from earth to automobile it has been constantly under way and under control. There is no guesswork.

Ford efficiency begins at the beginning. In the end, the sum of these savings is passed along to buyers of Ford cars and trucks—in the form of lower price and higher value.
