

A BUSY MAN

Dr. Frank L. Eversull, NDAC president, is in great demand as a speaker. This morning he made his first appearance before the entire student body, speaking to a convocation audience on "Facing Tomorrow Today". Wednesday he addressed the Fargo Rotary Club. Next week he is scheduled for five appearances, one in Aneta, the rest in Fargo. Sunday afternoon he will speak at the student fellowship hour on "The Quest for Certainty". Sunday evening he will be at the Young People's meeting at the First Methodist church, Monday at Aneta, and Friday, a banquet of the North Dakota Insurance Underwriters. Later he will appear before Shiloh Lodge No. 1.

PLAN BANQUET FOR QUEEN

Meeting Thursday noon in Ceres hall, Senior Staff, senior women's honor group, made plans for their annual Homecoming banquet honoring the Homecoming queen. Presiding was Florenz Dinwoodie, Staff president. Other members are Margaretta Bjornson, Claire Putz, Catherine Brandes, Evelyn Larson, LaVau Anderson, Marian Smith, June Lowe, and Doris Stinson.

FORMER STUDENT DIES

Dr. John Rudd Wentz, 47, who died Aug 24 at his home in Ames, Iowa, was a nephew of President Emeritus and Mrs. J. H. Shepperd and formerly attended NDAC. For the last 17 years Dr. Wentz has been associate professor of agronomy at Iowa State College. He was graduated from NDAC in 1913, earning his Ph. D. from Cornell University. He is survived by his wife, Mrs. Edna Patterson Wentz, and a son, John B., jr., a sophomore at the Iowa college.

INTERPRET INDIAN LIFE

Reginald and Gladys Laubin of the University of Minnesota will appear at convocation Monday morning in an Indian recital, "Old Buffalo Days." Theme of the program is interpretation of life of the American Indian. Next scheduled convocation is Monday, October 3, when H. N. Wheeler of the U. S. Forest Service will present an illustrated lecture.

AIR HERO'S KIN HERE

Oliver Eielson of Minneapolis, brother of Carl Ben Eielson, North Dakota's air hero, and personal friend of Sir Hubert Wilkins, Arctic explorer, was a campus visitor Wednesday evening, the guest of the Carl Ben Eielson Flying Club, student organization. Eielson spoke informally at a Club meeting and was a supper guest of Theta Chi fraternity. Recent ceremonies dedicating the Eielson Memorial Arch at Hatton were attended by three air-minded NDAC students, "Doc" Vinje, Robert Whempner and Einar Mickelson.

REALISTIC TARGET PRACTICE

Through use of six sub-caliber barrels, the college ROTC department's .45 calibre service pistols will be converted into 22 calibre target pistols, says Major W. H. Halstead. A unique floating chamber simulates noise and recoil of the .45 to add realism to target practice.

CHANGE MILITARY UNIFORMS

In accordance with the change being made in the regular army uniforms, a new uniform will be worn by junior ROTC officers, according to the college military department. The new uniform, of slate blue, will be worn on social occasions only, junior officers donning basic uniforms at all other times. In the basic uniform, an overseas cap will replace the visored cap of former times.

WEEKLY MEETING SLATED

The Student Commission, already formulating plans for Homecoming, will meet every Friday afternoon until Homecoming, Oct. 29, according to plans worked out at last week's meeting. On this year's commission are James Critchfield, president; Claire Putz, Dick Cook, Catherine Brandes, John Fisher, John Lynch, Mike Doberwitsch, Mel Thuring, Kenneth Erickson.

Final Tribute Is Paid E. H. Jones, Education Chief

Classes were dismissed Wednesday afternoon out of respect to Professor Edward H. Jones, acting head of the education department, who died Saturday evening at his home. Professor Jones, 54, state director of Smith-Hughes agricultural education work, was a member of the NDAC faculty 20 years.

Before coming to this institution Professor Jones taught science at the State School of Science, and later was head of the Walsh County Agricultural school. When he came to NDAC in 1919 he organized the state Smith-Hughes agricultural education setup in high schools.

A graduate of Lafayette college in Pennsylvania, he also studied at the University of Wisconsin. He was a member of the First Presbyterian church, Masonic orders and Phi Kappa Phi, national honorary scholastic group.

Two daughters and one son have been students at NDAC. Dayton, now of New York, was graduated from here in 1937, and Margaret and Jean are former students. A younger son, Robert, and Professor Jones' stepmother, Mrs. Eudora Jones of East Hampton, N. Y., also survive.

Five faculty members, F. W. Christensen, J. R. Dice, H. L. Bolley, Dr. W. C. Hunter, and Ernest L. DeAlton, and T. W. Blair, principal of the Roosevelt junior high school, were pallbearers.

To Continue High School Courses

On the heels of the announcement of removal of the high school, came word of organization of a new complete four-year prep course, to be under the supervision of T. W. Thordarson, present director of correspondence.

A scientific study of each student will be made to find the aptitudes and needs of each to determine a course of study which will be most valuable, and which will stress his particular abilities.

Seniors in the high school will be found part time work as closely as possible allied with the course of study the student is taking. The outside work and the course of study will be coordinated to give each student an intensive training up to the time he graduates.

Called the New Progressive High School, the school will offer opportunities for students to prepare themselves for office work, art and music, agriculture, home economics, Diesel and gas engineering, mechanical subjects, scientific training, creative work, social work, speech and dramatics, cooperative business, and academic subjects leading to the professions.

High School Students Once Outnumbered Collegians

After more than 30 years of existence, the AC high school was discontinued this fall. Reason for the action was that students of the school, a part of the Education division, were obliged to use equipment designed for college students, because of lack of funds, said P. J. Iverson, for 18 years principal of the school.

Organized in 1906 under former Registrar A. H. Parrott, the high school was classified by the state in 1911. In the years before Iverson took over in 1920, former Dean I. W. Smith was in charge of it, followed by Charles Carlson. Many of the returning soldiers enrolled in the high school, swelling the total in 1920 to over 300. At that time high school students outnumbered collegians. In the early 1920's the quality of instruction and size of appropriations for public schools began to rise, and more and more students went to high school in their home town. About 1926 the enrollment returned to normal, which was 125. Since then it has gradually backedslid until last year there were 40.

In 1930, on Iverson's suggestion the

E. H. JONES

Noyes Awards Go To Seven Students

The applications of four upperclassmen and three freshmen were approved for LaVern Noyes scholarships, announced Acting Registrar Viola Borderud. Total award money is \$302.50 for the coming college year.

The students are: Albert Pull, Fargo, freshman; Joyce Ruland, junior, Fargo; Dick Weltzin, junior, Fargo; Irvamae Vincent, sophomore, Beulah; Kenneth Kaess, sophomore, Fargo; Richard Wiley, freshman, Velva; and Rachael Elznic, freshman, Amenia. Other applications are in but have not been approved. Scholarships from this source are still available.

To be considered for these scholarships the applicant must have the following qualifications: first, shall themselves have served in the army or navy of the United States in the World War, and be honorably discharged from service, or be descended by blood from someone who served in the war and whose service was terminated by death or honorable discharge.

The scholarships were established by LaVerne Noyes to express his gratitude and to reward those who ventured the supreme sacrifice of life for this country in the Great War.

Application for one of these scholarships may be made to Prof. Ernest L. DeAlton, chairman of the scholarship committee in Morrill Hall.

Yeager's Tomato Project Continued

Ten acres of tomatoes were grown at NDAC experiment station this year in the breeding work originated by Dr. A. F. Yeager, who resigned last year, and being continued by Harold Mattson, chief horticulturist. Selections for earliness, size and type for both garden and commercial varieties are made. Among varieties developed at the station which have attained wide popularity are Bison, and All-Red. A promising cross has been made between All-Red and Break of Day.

At Brooks Horticultural station in Alberta, Canada, of 17 varieties tested in 1937, the seven earliest were from NDAC.

Dr. Eversull Appeals For Reinstatement Of NDAC

President Frank L. Eversull is perfecting an appeal to the North Central Association of Colleges and Secondary Schools for reinstatement of the North Dakota Agricultural College on the association's accredited lists, according to the Friday morning Fargo Forum.

Dr. Eversull, who is directing his appeal to the association's executive committee, of which he is a former member, expressed hope that action would be taken on the appeal at the group's April meeting.

The president will confer Oct. 14 at Champaign, Ill., with Arthur W. Cleavinger, NCA president, and plans to meet Dean Aaron J. Brumbaugh, secretary of the higher institutions division of the association at Chicago, Oct. 15.

Student Problems Will Get Airing On New Program

With student problems, local and national as a point of departure, and personality development as the end in view, the Student Fellowship Hour under the combined auspices of the YMCA, the YWCA, and the various young people's organizations of the city churches, will be inaugurated Sunday, September 25, from 4:00 to 5:00 in the Little Country Theater.

James Critchfield will preside over the hour; Dr. Frank L. Eversull will talk on "The Quest for Certainty"; Ernest Van Vlissingen will present special music as well as lead the group singing; Dr. W. L. Airheart will offer the prayer; and Margie Pfeffer will give a reading.

Sunday's meeting will begin a regular series of discussions to be led by NDAC, MSTC, and Concordia faculty members, ministers of local churches and Fargo business men and women.

The committee in charge includes Catherine Brandes, Evelyn Larson, Margie Pfeffer, Ruth Swisher, James Critchfield, Wilbur Benson, Bernard Hutchens, and John Fisher. Dr. W. L. Airheart and Richard E. Sweitzer are acting as advisers to the group.

SPIRITUAL EMPHASIS WEEK

Cooperating with local church groups, the YMCA is sponsoring a Spiritual Emphasis Week, October 6, 7, 8, and 9. Speaker at two convocations during the period will be Dr. George P. Conger, professor of philosophy at the University of Minnesota.

Eversull Asks Boost For Fargo-AC Morale

In an address to the Rotary club of Fargo, Dr. Frank Eversull on Wednesday urged help in building up a new morale at the AC for the present and the future, and to forget the past.

Pointing out that Fargo and the state need the AC because any impetus given agriculture results in similar gains in all other industries of the state, Dr. Eversull asked Fargo business men to get behind the AC and promised them anything they did for it would rebound to their benefit.

He also pointed out new benefits for agriculture would mean greater things for other departments of the school. He wants to "bring the state closer to Fargo and Fargo closer to the state."

Commenting on the address, Dr. Eversull told of a Fargo business man who came up to him after Wednesday's talk, wished him success and said he was providing \$500 worth of work for needy students this year. "Just send the boys down," he said.

Fall Term Enrollment Approaches Normal

Borderud Reports Unexpectedly Large Total; Sees Continued Late Registration

LATE NEWS FLASH! As the office of the Registrar closed at 5 o'clock this evening the total registration had reached 1,261.

With 1,224 students enrolled after the second day of school, all indications point to a normal registration for the fall term, according to Miss Viola Borderud, acting registrar. That figure, released Thursday noon, exceeds the wildest hopes of everybody on the campus. During the black days of last spring there were many who predicted the enrollment this fall would be cut in half.

By comparison with last fall's figures, the total then at the end of the first week of school was 1,500, only 276 in advance of last year's, and after two additional days of registration. Miss Borderud stated she expected her staff to be kept busy during the rest of this week and through next Monday as late students arrive. She expressed confidence the total would exceed 1,400 by the end of this week.

MRS. DARLINE KNOWLES, former chief dietitian for the State of Illinois, has been named Research Home Economist at the Experiment Station. With her office in the Mill building, Mrs. Knowles will assist in developing methods for testing quality of macaroni products made from North Dakota durum wheats. She will also work in cooperation with Dr. C. I. Nelson of the bacteriology department, on canning meats in glass containers, and the horticulture department, in determining quality of fruits and vegetables developed at the station. Mrs. Knowles is a graduate of the University of Illinois, holding both a bachelor of science and master of science degree from that institution.

All present members of the Spectrum editorial staff, students who have applied for reportorial positions and those who have not yet applied, but wish to work on the staff this year, are asked to attend a staff meeting Monday at 4:00 p.m. at the Spectrum office at the west end of the north wing of the basement floor of Science Hall. The staff is still incomplete and all students interested in news writing are urged to attend the meeting.

The men's dormitory has been filled up by some of the 404 freshmen who have already registered. The total membership of the band at this early date is 104, whereas last year there were about 140. Late registrations and applications for band positions will swell the total somewhat.

Included in last fall's total were 40 pupils of the now-discontinued high school. According to Secretary Hagan, in charge of state student loans, 150 students entered school last year who would not have had it not been for the loans. The loans are not available this year, accounting for a slight decrease.

Distribution of registration according to departments and classes will not be completed until the early part of next week, said Miss Borderud. An increase in NYA allotment will aid 75 students of southern, southwestern, and western North Dakota, according to Dean C. A. Severson, director of NYA. The increase amounts to \$135 monthly and is provided especially for students from areas of the state hardest hit by drouth and grasshoppers this year.

Tickets Go On Sale For AC Home Games

Tickets for the four games on NDAC's home schedule will be on sale at the Grand Recreation parlor and the Postal Pharmacy, according to an announcement from C. C. Finnegan, athletic director. Tickets for downtown patrons are now on sale for the NDAC-MSTC game tonight.

No seats will be reserved for home games except for the homecoming game with the University, Saturday afternoon, Oct. 29. Reserved seats for this game will be available in about two weeks. Home games include the stadium dedication tilt against Iowa Teachers, Oct. 14; Greeley State Teachers, Oct. 21, and the UND freshmen and Baby Bison contest, Oct. 28.

New Talent Hunt Program Called 'Quest For Guests'

Musical and dramatic talent of students in Fargo-Moorhead's three colleges will have its best chance for public expression in many years through a series of weekly half-hour radio broadcasts beginning next Thursday evening at 7:30 over Moorhead's KVOX.

Master of ceremonies and discoverer of hidden talents on the "Quest for Guests" program will be Roy Colby Pederson, NDAC sophomore, remembered for his performance in last year's Bison Brevities. Pederson plans to use Roy Colby as his airwaves name.

Two local students, June Lowe, senior and feminine lead in last year's musical show, and Lloyd Collins, who was also a member of last year's Brevities with his xylophone, will be featured. Ed O'Brien will assist as master of ceremonies.

Announcements of social events, including homecoming and balls of Concordia, Moorhead State Teachers, and NDAC will be a part of each program. Social calendars of all schools will also be broadcast.

The program, which is sponsored by Peterson Clothing Co. of Moorhead, will be transferred to WDAY soon after its beginning.

Frosh Are Heroes In Old Main Fire

Current heroes on the campus are five freshmen who called the Fargo fire department Monday night when they discovered a fire starting in historic Old Main, and then proceeded to hold the blaze in check while waiting for the firemen.

Walking about the campus Monday evening at about 10:25, the five, Harold Zumpf of Hamburg, John Hohncke, Joseph Samweber, Bob Beal and Kermit Chapman of Fargo, heard a window break in the Little Country

Theater seminar room and saw flames in the interior.

Three of the freshmen rushed over to Ceres Hall, where they notified Catherine Brandes, who turned in the alarm. Others climbed a fire escape, broke another window and held the fire in check until the firemen arrived.

Paint soaked rags, left in the seminar room, may have started the fire, either by spontaneous combustion or through contact with a hot radiator, firemen believe. Damage was estimated at \$300.

**Anonymous Donation Boosts Social Disease Control Plan**

Editor's Note:—This editorial is part of material distributed by The American Social Hygiene Association for the public's education and is indicative of the recent trend to banish the taboo on social diseases and to "do something about it."

Plans for an expanded program of education in syphilis control and social hygiene to reach ultimately 35,000,000 young men and women throughout the nation were announced in New York today by Dr. William F. Snow, Chairman of the Administrative Committee of the American Social Hygiene Association.

These activities, made possible by an anonymous contribution of \$25,000 will attempt, in addition to bringing knowledge of the venereal diseases before youth, to provide biological information and guidance in preparing young men and women for stronger and more enduring marriage and family relations, the announcement stated.

This gift, earmarked for the youth project, brought the total contributed to the fund being raised by the association's National Anti-Syphilis Committee to \$155,015.

"Of the nation's 35,000,000 individuals between 16 and 30 years of age, it is estimated that about 5,000,000 are suffering from syphilis or gonorrhoea," said Dr. Snow. "No other dangerous communicable disease takes as many victims from this age group as these twin plagues which can be curbed and can be cured."

The program will get under way by October 1 and is expected to reach its peak of intensity for the year around Third National Social Hygiene Day on February 1, 1939.

During the campaign among youth, appeals will be made for continued cooperation of press and radio to supplement the

home, church, and school. Leaflets, posters, handbills, and a special "newspaper" are being designed to aid in teaching young persons the facts about syphilis and gonorrhoea, how exposures are avoided, and what treatment is necessary when infections occur. These same educational facilities will be utilized to assist them in preparing for lasting and happy marriages.

Based on its twenty-five years of cooperation with youth and youth-serving organizations, and augmented by new pledges of aid now being offered in recognition of the urgent requests of youth, the Association believes that the forthcoming effort will surpass in scope and effectiveness any before attempted.

"Youth has not only demanded an accelerated campaign against lack of social hygiene knowledge, but has consistently demonstrated its willingness to take an active part," Dr. Snow said.

Among the organizations which have been active in past years and assisted in last winter's Social Hygiene Day observance having as its theme, "Stamp Out Syphilis—Enemy of Youth," are: YMCA, YWCA, YMHA, Jewish Juniors, Big Brother and Big Sister Federations, Youth Fellowship of the Reformed Church of America, Federal Council of Churches of Christ in America, American Youth Congress, Intercollegiate Newspaper Association, and others. Many of these youth agencies, it was stated, have been working for fifteen years or more in the social hygiene field.

**Campus Clubs Offer Big Field For New Students**

Right now, at the beginning of the year, is the time to think of the many honors that come to a senior who has used his four years of college to an advantage. Particularly should the freshman take note before his habits are formed, and of course the sophomore who has just decided to hit the books this year.

First and foremost is Phi Kappa Phi, for this scholastic honorary requires the most in every desirable trait from its members. Only the most superior students and leaders on the campus receive this honor.

Membership in Senior Staff for women and Blue Key for men is the reward given the student for outstanding service to the school and participation in activities.

In strictly departmental honoraries which recognize outstanding work by students specializing in their particular field are Alpha Zeta, agriculture; Phi Upsilon Omicron, home economics; Rho Chi, pharmacy; Pi Gamma Mu, social science, and Delta Psi Kappa, women's athletics.

Two honoraries recognize outstanding work in music. For men there is Kappa Kappa Psi and for women is the professional sorority, Sigma Alpha Iota. Scabbard and Blade accepts for membership men outstanding in military and Guidon is the women's auxiliary to that unit.

This list does not touch on the technological clubs which take as members students interested in outside work in certain departments. A host of clubs in addition to the honorary groups gives adequate opportunity for expression of a student's likes and talents. New students should make use of the opportunities.

**Eighty-nine Seniors Named On Honor List**

"Burning the midnight oil" during their junior year proved fruitful for eighty-nine seniors who won coveted positions on the Senior List, exempting them from all attendance requirements for the coming school year, according to Miss Viola Borderud, acting registrar.

The list follows:  
Corrine Anderson, LaVaun Anderson, William Armstrong, Charles Askegaard, Charles Benson, William Berget, Harold Bice, Arthur Bjerkan, Theodore Bjerke, Margaretta Bjornson, Wallace Bjornson, Catherine Brandes, John Campbell, Conway Christianson, Lucille Clark, William Corwin, Lyle Creiman, James Critchfield, John

**Fall Term Dean's List . . . .**

Announcement was made this week of students whose average and compliance with cut rules last term entitles them to enjoy the privilege of exemption from cut rules for the fall term. To be placed on this list a student must have an average of not lower than 84, and must have observed attendance requirements during the previous term.

The dean's list follows:

Eugene Aaas, Alvin Adam, Donald Aird, Norman Akesson, Andrew Ames, William Ames, Arnold M. Anderson, Corrine Anderson, James Anderson, Kenneth Anderson, LaVaun Anderson, William Armstrong, A. J. Artz, Charles Askegaard, David Askegaard, Ruth Askegaard, Harry Baker, Hubert Bahr, Victor Beckley, Bernhard Bekkerus, Charles Benson, Carrie Berg, Curtis Berg, Robert Berg, Howard Berget, William Berget, Harold Bice, Josephine Biewer, Norbert Biewer, Arthur Bjerkan, Theodore Bjerke, Margaretta Bjornson, Wallace Bjornson, Jane Blair, Kenneth Blanchard, Eugene Blanco, Harvey Boe, Robert Bogan, Mary Pauline Bohn, Russell Botsford, Herman Braasch, Robert Brandenburg, Catherine Brandes, Leslie Brecke, Rosella Brekke, Arthur Brenckle, David Brown, Rudolph Brunsvold, Harold Bruschwein, Murray Buchanan, Carol Buhrmann, Beryl Burkee, Irene Butts.

John Campbell, Marie Carlson, Virginia Carnahan, Rex Carr, Bryce Cascaden, Conway Christianson, Olive Clementson, Clifford Cortright, William Corwin, James Critchfield, John Cromb, Louise Crosby, Virginia Crust, Lyle Currie, Edward Cushman, Raymond Dahm, Wesley Dickinson, Chester Dietz, Mike Dobervich, Thomas Donovan, Laurence Douglass, Maurice

# Greek Groups Fete Frosh As Formal Rushing Season Opens

## Fraternities, Sororities Enter Final Week Of Rush Period

Closed rush week begins today and continues until Friday, Sept. 30, for campus fraternities. As planned by the Interfraternity Council, granted a constitution last year, each fraternity has been given a definite day during the closed week. Other fraternities may entertain from 1 to 8 but must give up a rushee upon request of the fraternity having that day.

Three sororities are entertaining today from 4 to 6:30 at the second of their invitational teas during informal rush week. They are Kappa Kappa Gamma, Phi Omega, and Kappa Delta. Tomorrow at the same hours Gamma Phi Beta, Alpha Gamma Delta, and Phi Mu will act hostesses to rushees. Monday sororities begin formal rush week.

### Fraternity Schedule

According to a planned rotation followed each year, Sigma Alpha Epsilon is the first to entertain fraternity rushees this year. Myrle Anderson, Sigma Alpha Epsilon rushing captain, will be in charge of their entertainment today. Kappa Sigma Chi with Roger Kimber as rushing head will be host tomorrow. Sunday is open and will be followed by Delta Tau Epsilon entertainment Monday and Theta Chi Tuesday. John Hauglund is rushing chairman for Theta Chi.

Because they draw principally from boys in agriculture, engineering and pharmacy and therefore do not infringe on one another, Alpha Gamma Rho, Sigma Phi Delta, and Kappa Psi, will entertain on Wednesday. Rushing captains are Waldo Southam, Alpha Gamma Rho; Kenneth Hanson, Sigma Phi Delta; and James Brady and William Johnson, Kappa Psi.

Thursday Alpha Tau Omega entertains with James Critchfield in charge, and Friday, Sigma Chi with William Corwin as rushing captain. Open rushing prevails on Saturday with pledging set for 4:00 Sunday afternoon.

### Sorority Activities

Afternoon parties scheduled by sororities are Monday, Gamma Phi Beta and Phi Mu; Tuesday, Alpha Gamma Delta and Phi Omega Pi; Wednesday, Phi Mu and Kappa Delta; Thursday, Phi Omega Pi and Kappa Kappa Gamma; Friday, Kappa Delta and Gamma Phi Beta; and Saturday, Kappa Kappa Gamma and Alpha Gamma Delta.

One night during the week has been given to each group for a dinner party. Starting Monday in chronological order they are Kappa Delta, Kappa Kappa Gamma, Gamma Phi Beta, Alpha Gamma Delta, Phi Mu and Phi Omega Pi. Sunday, rushees will be guests at formal teas from 2:30 to 3:45 and 4:00 to 5:15. Sorority preference will be expressed by the rushee when she reports at the Panhellenic lawyer's office, 616 Black Building that evening. Bids will be extended Monday morning with pledging Monday night.

## Sorority Group Revises Quota

Believing that about 64 girls will pledge sororities this year, at meetings this week Panhellenic sorority governing body, set quotas in accordance with that number. Both Phi Mu and Kappa Kappa Gamma will be allowed to pledge 12 and Alpha Gamma Delta, Phi Omega Pi, Kappa Delta, and Gamma Phi Beta, 10. Fifty freshman girls have definitely stated they will pledge this fall.

As they now exist sororities number Phi Mu, 18 with 10 underclassmen, Alpha Gamma Delta, 21 with 15 underclassmen; Phi Omega Pi, 28 with 15 underclassmen; Kappa Delta, 18 with 12 underclassmen; Kappa Kappa Gamma, 18 with 8 underclassmen; and Gamma Phi Beta, 19 with 16 underclassmen.

Providing each group takes their quota, after graduation this spring actives for each group will be Phi Mu 22, Alpha Gamma Delta 23, Phi Omega Pi 25, Kappa Delta 22, Kappa Kappa Gamma 20, and Gamma Phi Beta 26. But feeling that a chapter of 27 would be ideal for this campus, Panhellenic has suggested that open rushing begin the winter term and prevail until each chapter reaches 27. That would mean that Kappa Kappa Gamma could take the most with 7 and Gamma Phi Beta the least with 1. Definite action has not been taken on this suggestion, however.

## Newman Club Host To New Students

New Catholic students were Sunday supper guests of the Newman club at the Knights of Columbus hall. Margie Pfeffer, president, welcomed the new students and Dean Pearl Dinan and Father Leo Dvorshak, adviser, spoke. On the arrangements committee were Marion Anstett, Mary Jones, Patricia Lavelle, Leonette Parries, Basil Maloney, Kenneth Crahan, Leness Laliberte and William Buck.

### ATTENDS LAW SCHOOL

Charles M. Pollock, jr., left Wednesday for Iowa City, Iowa, where he will attend the University of Iowa law school. He graduated from NDAC last June, and played football and golf. He is a member of Sigma Chi fraternity.

## Elinor Johnson, Ag Major, Heads Senior Staff Honor Roll

Elinor Johnson, freshman in agriculture, received the highest average among NDAC women for the spring term of 1938 with 95.1. The second highest average of 94.7 was earned by Lorraine Naftalin, sophomore in arts and science. Following is the complete Senior Staff Honor Roll for the 1938 spring term.

Freshmen—Elinor, Agric., 95.1; Jane Blair, A. & S., 94.0; Virginia McMillan, A. & S., 90.4; Doris Meyer, H. E., 90.2; Luella Midgley, H. E., 89.8; Barbara Sjordal, H. E., 89.8; Ferne Murray, A. & S., 89.5; Marguerite Olson, H. E., 89.5; Vivian Moffitt, A. & S., 89.2; Shirley Olson, H. E., 89.2.

Sophomore—Lorraine Naftalin, A. & S., 94.7; Lola Herzog, A. & S., 90.5; Helen Louise Sletvold, H. E., 90.4; Evelyn Clementson, A. & S., 90.2; Helen Restvedt, H. E., 89.9; Josephine Biewer, A. & S., 89.7; Virginia Carnahan, H. E., 89.7; Betty Anne Funk, H. E., 89.3; Irene Butts, A. & S., 89.0; Beryl Burkee, H. E., 88.3.

Juniors—Marjorie Paulson, Educ., 91.8; Margery Lincoln, A. & S., 91.7; Corrine Anderson, Educ., 91.1; Mary Mason, H. E., 89.8; Doris Stinson, Pharm., 89.5; Marjorie Wilson, A. & S., 88.8; Margareta Bjornson, A. & S., 88.4; Margie Pfeffer, A. & S., 88.0; Lucille Knudson, A. & S., 87.7; Claire Putz, H. E., 87.6.

Seniors—Verda VanVorst, Educ., 93.6; Rose Parkins, H. E., 92.4; Margaret Cadieux, Educ., 92.3; Kathryn McEnroe, H. E., 91.3; Jennie Barton, A. & S., 91.2; Gwen Stenehjem, Educ., 90.8; Virginia Smith, Educ., 90.7; Emma May Brittin, H. E., 90.0; Dorothy Hawkinson, H. E., 89.8; Thea Greenhouse, A. & S., 89.5.

## — WITH THE GREEKS —

**Kappa Delta—**  
Jean Leake, who has been employed the last year doing 4-H resettlement work, will return to school in two weeks . . . Cherle Tellefson is attending Iowa State College this year . . . Initiation services were conducted Sunday morning in the chapter rooms for Nora Johnson, Allis Larson, Barbara Black and Marguerite Olson of Fargo, Loretta Brandt of Casselton . . . Gwen Stenehjem will be associated with the Little Country Theater this year.

**Theta Chi—**  
Oliver Eielson of Hatton, brother of North Dakota's famed flyer, Carl Ben Eielson, and "Doc" Vinje were supper guests Wednesday . . . John Kent Heland, NDAC June graduate, now with Reid, Murdoch Co., will make Fargo his headquarters this winter . . . Ed Brekke of Harvey, former student, visited at the house early this week . . . Not returning to NDAC this year are Lloyd Jones, who will attend Los Angeles Junior College; Mark Fredrickson, University of Idaho; William McKee, Oregon State College; Gorman King, University of Washington; Eldred Haugen, Interstate Business College; Alan Folsom, St. Olaf's; Jerry Reagan and Ole Quamme, University of Minnesota.

**Kappa Kappa Gamma—**  
Members from this chapter attending other schools this year are Virginia McMillan, University of Minnesota, Minneapolis; Betty Ann Funk, Iowa State College, Ames; Lucille McCarthy, Michigan State College, East Lansing;

and Anna Jane Black, Northwestern University, Evanston, Ill. . . . Jane Schulz Dobervich, '37, is teaching NDAC freshman home economics . . . Florenz Dinwoodie passed candy Monday . . . Barbara Isaacs of LaMoure and Carolyn Brown of Hope are expected for formal rush week.

**Phi Omega Pi—**Barbara Scatterday is living at the Home Management House and Cloyce Hocking has returned from Casselton where she was practicing teaching . . . Alice Larson, instructor in home economics at Wahpeton, spent Sunday in Fargo.

**Alpha Gamma Delta—**Dorothy Johnson passed candy at the last meeting. She is wearing a Phi Kappa Psi pin from Illinois University . . . Bernice Heuer visited her sister, Elvira, Wednesday . . . Georgia Mott is now attending LaCrosse, Wis., Normal . . . Elaine Matteson was honored on her birthday Wednesday when Mrs. Howard Nelson, the former Lorraine Dunlevy, entertained a group of nine.

**Gamma Phi Beta—**Patricia Oram is attending the University of Illinois, Urbana; Regina Garrity, University of

Minnesota; Dorothy Bentley, University of Iowa, Iowa City; Eloise Voss, New York University; Betty Wylie, Carleton; Laverne Middlemas, University of North Dakota; and Marjorie Patterson, Traphagen School of Design, New York City . . . Marjorie Gaetz is wearing a Theta Chi pin.

**Sigma Alpha Epsilon—**Among the SAE's who have transferred to other schools are: Austin Ward, to Washington State, James Taylor to Carnegie Tech, Walt Ulmer and Charlie Fossum to Iowa State at Ames, James Mahoney to the University of North Dakota, and Martin Wolf to George Washington University at Washington, D. C. . . . George Dike is back in school after dropping out last spring. . . . Mike Benidt, '38, is working for the Crop Insurance at Minneapolis.

### NOTICE

A short meeting of the Lutheran Students Association will be held Sunday at 5 p.m. in the YMCA, following the Student Fellowship hour. A program is arranged and lunch will be served. All Lutheran students are invited.

# BISON MEET DRAGONS IN SEASON OPENER TONIGHT

## Moorhead Eleven Is First To Appear In New Stadium

By SAM TOLCHINSKY

Satisfied that the backfield is one of the best in years, Coaches Finnegan and Lowe are going to see just what kind of an aggregation is going to bear the proud name of Bison during 1938, in the season's opener tonight. The MSTC Dragons, always tough, are also opening up tonight, and with one of their best teams in years are going to furnish plenty of opposition for the Thundering Herd as the AC boys initiate their new stadium.

Sliv Nemzek, the Dragon coach, for weeks has been satisfied that his defense is ready and is confident that he can stop the running threats of the Bison's three triple threat men, as well as the passing attack certain to be released by the team which boasts of no less than five accurate passers.

However, the boys from across the river may be in for a surprise because the Herd's attack, bristling with power, is going to be mighty hard to stop.

Elmer Schrank is back and the AC coaches are confident that his man-killing blocking is going to lead more Herd runners across opponent's goal lines than any other blocking back in the school's history, including the great Neville R e i n e r s. Strictly a 60 minute player, Schrank will be in there at full-back part of the time when Don Johnston takes over the quarterback post.

SCHRANK

### Potential All-American

Being boosted for All-American honors this year is the Bison starting left halfback. He can punt, pass, quick kick, plunge through a line and skirt the ends, all with the greatest of ease. And when Wheeler is not in there the Bison fans will be able to watch Emil May, the Herd's last member of that great 1935 team, NCI champions. May was good enough for all conference honors that year and if a year's layoff from football doesn't hurt his playing he will be hard to keep off any all-conference team.

Brother to the famous Lyle Sturgeon, former Bison tackle, now playing with the Green Bay Packers, Cecil Sturgeon is prepared to lend his 200 pounds to rounding out one of the greatest AC backfields since the days of Claudie Miller. The Herd is depending on

this boy, a sophomore this year, for plenty of yardage.

Sig Erickson, Gil Friederichs, George Moore—all of them fully capable—and Casey Finnegan has to choose among them for his right half-back. It will matter little which of the three is in the game, the Dragons will see too much of him tonight.

The line should FRIEDERICHS be a veritable stronghold this year, as it lines up on paper. But even though every position is lined with veterans on the field as well as on the bench, Bison fans are holding their breath to see just how they will work together tonight.

### No Worries at Center

Not quite as heavy as a dream line should be, some of the same injuries which wrecked the 1937 line may recur to bogey the hopes of the Bison fans.

At center most of the worries are gone as both of last year's regulars are back, Jim On and Kojanic, as well as a newcomer, Bill Kelly, who is liable to beat them both out.

Just to name a few of the guards, there are Merrill Green, Al Bostow, Neal McClure and Joel Nelson. All of them however take the back seat to Elmer Holt, s c r a p p y little watchcharm player, who won All-Conference honors last year.

Cecil Schrank was one of the few players whom line coach Bob Lowe never worried over last year, and this year the worries are even less. For "Spanky" is not the only tackle on hand now. Harry Johnson is getting more and more powerful every day and he is backed up by Ruel Hovland and Arnold Seim.

That old injury jinx has already hit the Bison camp and may have taken Ed Welles from the Dragon melee tonight but with Co-captain Hawkins as well as Jim Maxwell, Earl Marquardt and Herb Kittler on hand his presence will not be missed even though he will probably be a starting end later in the year

FRIEDERICHS

HOLT

HERE'S BISON FIRST STRING MATERIAL AS THEY LINED UP FOR a practice scrimmage. From left to right they are, bottom row: Eddie Welles, Harry Johnson, Merrill Green, Jim On, Elmer Holt, Cecil Schrank, Bud Hawkins. Backfield, left to right: Gil Friederichs, Elmer Schrank, Cecil Sturgeon, Ernie Wheeler.

## 31 Frosh Report For Initial Workouts

The 1938 freshman football season got under way Tuesday, with thirty-one gridiron prospects reporting to Coach Johnny Smith. The squad, which represents numerous high schools in every section of the state and several in Minnesota, went through a snappy workout in preparation for the first game.

Coach Smith stressed fundamentals of the game, giving the boys assignments in blocking, tackling, and ball handling. He divided the group in sections, according to positions, and then showed them how to do these particular phases of football. The material on hand was inexperienced, but Smith said the team would be in shape for the game with Wahpeton Science on September 29.

Among the most promising frosh were "Butch" Kimblin, star backfield performer from East Grand Forks; Bill Peschel, Wahpeton lineman; Clifford Nygaard, Park River's flashiest half-back; "Bud" Snowberg, an end from Fergus Falls, Minnesota; Joseph Hovland, a lineman from Maddock; Frank Perkins, backfield star from Beulah; A. Toftgruben, lineman from Park River; Brown and Merwin, backfield aces from Hettinger; Thomas McMahon, an end from Fargo; and Pomeroy Hill, also of Fargo.

The Baby Bison open their season when they tangle with the strong Wildcat eleven from Wahpeton. Every year the Wops schedule a game with the NDAC freshman as a warmup game before their conference contests. Each year the Baby Bison give the Science School a good game and have

## Former Bison Win Honors In Coaching Field

Probably the best evidence of the type of football taught at N.D.A.C. is the long list of former greats who have made enviable records in the coaching field. "Cod" Ordahl, '31, himself an all-conference center here, has been promoted to head coach at Devils Lake where he succeeds Doug Smith. Cy Peschel is spreading the football gospel at Long Island High School in New York while Claudie Miller is beginning his second year at Hutchinson, Minn. Army Bernard, '36, is now at Hettinger where he succeeds Earl Thomas, '35, who has accepted a position at Baker, Montana.

Another Bison now coaching in Montana is Kenny Bute who is at Poplar. Don Bettschen, '36, is looking for bigger and better football players at Lidgerwood and Bob Saunders is beginning his second year as head coach at the Bottineau School of Forestry.

Two former Bison who have forsaken the coaching profession at least temporarily, are Sam Dobervich and Leo May. The former, coaching the team which won the state six man championship at Page has decided to go back to school at Ames, while the latter, after two successful years at Grafton, has accepted a position with a well-known sporting goods firm.

beater them several times Other games on the yearlings' schedule include two games with the University Papooses of Grand Forks.

## SMITH TOUCHES on HIGHLIGHTS of 1938 BISON FOOTBALL SCHEDULE

By JOHN SMITH

High lights of the Bison football season — the incoming frosh players who will be the teams of the future; the opening game against the Dragon team of M. S. T. C.; the trip to Idaho and a game against the powerful Vandals of Idaho University; the stadium dedication game and program commemorating the new addition to NDAC; the Homecoming classic Oct. 29 with the Sioux and a record breaking crowd; the trip to Omaha to meet Creighton, a conference foe of a decade ago; the culmination of the college football career of many Bison stars.

Frosh prospects look a little lean as far as football is concerned, as the first year squad is the smallest in years. There are a number of yearlings who are beginning to look like potential stars however. From East Grand Forks is reported one of the finest Frosh prospects in many years in the person of "Butch" Kimblin. Well, more about the others is the future and don't be down-hearted for, also, at a later date we'll inform you about the greatest of all North Dakota high school basketball teams that matriculated, practically enmass, at NDAC this week.

Tonight on New Dacotah Field the Herd go to the barriers against their traditional rivals from across the river and Dragon partisans inform enthusiastic Bison boosters that the Herd is in for a shellshocking. Granting that MSTC is powerful this season, NDAC supporters still believe differently. It goes without saying, however, that it will be a fiercely contested game.

Oct. 1 the Bison leave the country to battle the Winnipeg Rugby team and the following week they go on their annual trek across the country to meet a distant foe; and this season the journey is to Moscow which happens to be in Idaho. Many a sad retreat from Moscow is predicted for this fall because the Vandals are a powerhouse, — but then so was Napoleon. Many fans remember no sad retreat in 1936 when the Vandals were glad

of their slim margin of victory which was 13 to 12.

Iowa State Teachers play the Bison for the first time on Oct. 14, altho they have been in the North Central Conference about three years. They meet the Bison for the first time in the game in which the Herd dedicate their new athletic stadium. Coach Buck Starbeck of the Iowa school is no stranger to NDAC partisans as he was assistant to Coach West at the University for many years. Buck can always be counted on to have a real football team; the fans at the dedication game will see some real football played.

Not much can be said about Oct. 29. Suffice it to say—Bison battling Sioux, Homecoming, a new stadium, a record breaking crowd.

After taking jumps to South Dakota University and South Dakota State on successive weeks, the Herd hops to Omaha to meet Creighton University. This school has many years of rugged football tradition behind it and is perennially powerful. It is interesting to note that Creighton was a member of the North Central Conference a number of years back. Competition was not strong enough for them in those days but the gradual rise in power of the North Dakota teams and other conference teams, as well, has decreased the gap to such an extent that Creighton will find a worthy foe in the NDAC, Nov. 19.

That date culminates the college football career of a number of Bison whose names will go into the hall of NDAC football fame. Tin Yan Jim On, who three years ago traveled from the Hawaiian Islands to attend NDAC, will be through with football as will those two Elmers from Grafton, blocker Elmer Schrank and guard Elmer Holt. Co-Captain Ray Hawkins completes his football as does Emil May, Ed Wellens, Gil Friederichs and Neal McClure. No longer will Ernie Wheeler's dynamic cut-backs, punting and passing bring Bison fans to their feet. So—go your best, boys, the time is short.
