

Nye Captivates Record Convo.

Speaking before a record crowd at Convocation Tuesday, Gerald P. Nye, U. S. senator from North Dakota, brought out some poignant facts bearing out his topic "Commercial Appetites and War". Because of his activity on the Munitions Investigations Board he was very able to present to the faculty and the student body the commercial influence in war, the importance of which has not been expressed in history books. It was the profit motive of some of the manufacturers and financiers which, despite the efforts of President Wilson to maintain peace, inevitably led the U. S. into the last war. The statement by the financiers, who declared that the U. S. must enter the war if she were to maintain her economic structure, was given impetus by the wave of prosperity following the opening of the war. They hoped to increase their profits by selling foodstuffs, ammunition, and supplies to the Allies.

The thorn in this bed of roses was the period of depression which followed the war, a repetition of the economic outcome of the wars of the past. The ideals, according to the history books, for which we went to war to defend, have not been realized. We had been led to believe we entered the war to protect our interests for freedom of the seas, peace, and to protect Belgian rights. These ideals were false impressions of the outcome of the war but due to the lateness of the recent investigation many of the aspects which were previously overlooked were exposed by Senator Nye.

Drastic Price Slash In Bison Cut Sales

In an attempt to get a better representation of the student body in the Bison the price of having your cut in the Bison has been drastically reduced from the \$1.75 of former years to 75c. Last year there were only some 250 underclass cuts in the Bison. These cuts were informal and taken any place that the student happened to be. As a result the cuts in the Bison not only gave a very bad impression of the size of the student body at the North Dakota State college, but also the cuts gave the impression of a checkerboard in the Bison and were highly criticized. This year the pictures will again be semi-informal and will be taken in the Bison office under artificial light and every picture will have the same background and will be in the same proportion. Thus, the view of one student will not be from the knees up and the fellow below him on the page from the neck up. Starting at the beginning of next week the members of the business staff under Archie Seebart will begin the Bison cut sales. As a goal, Seebart has set the sale of cuts at a minimum of 800.

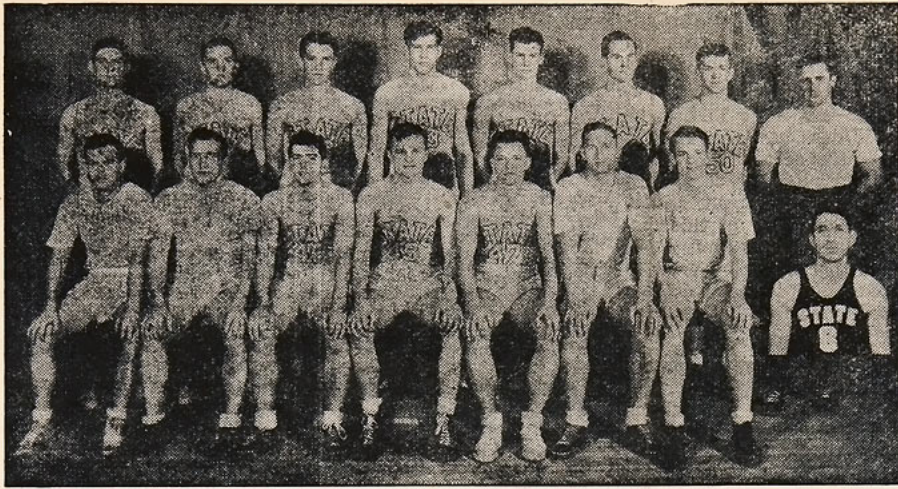

Gold Star Band Plays Big Concert

Doctor C. S. Putnam presented his Gold Star Band in its annual concert, by staging a complimentary affair for all friends of the band last evening at 8:15 in Festival hall. Numbers on the program were: "The North Dakota Hymn," Foley and Putnam; "Overture Fest, Lenther; Marclau, "Basket of Rose," Albers; a trio of three cornets, "Three Kings," Robert Itrich, Montel Vander Horck, and James Fahrer; Mardi Gras from "Mississippi" suite, Graffe; and a soprano solo by Ruth Piper, "Maid of Cadiz," by Lea Delibes. "Song of Bayou" by Bloom; Spanish Fandango, "el Querido Quenzel," by Gayo; and a Zylophone solo, "Canadian Capers" by Chandler, White, and Cohan, played by Lloyd Collins were followed by a number by the mass band of 140 members, Marche Et Cortege, "LaRaine de Saba," by Gounod. Concluding the concert was a march, "Cavalry Soldier," Brackenshire, and the Yellow and the Green, Minard and Putnam.

Brevities Staff Conduct Tryouts

General Director Robert Sanders this week-end is conducting tryouts for parts in Tangerine, all-college Bison Brevities musical show, sponsored by Blue Key. Tryouts began Thursday afternoon and will continue this afternoon in Festival Hall. Assisting Sanders are Bill Stewart, Margery Pfeffer, Margaret Calhoun, Leon Hartwell, Miss Adda Blakeslee and Ernst Van Vlissingen. Rehearsals will begin shortly after casting is completed. Announcement of selection of the cast will be made in next week's Spectrum.

SOUTH DAKOTA STATE INVADES BISON COURT

Pictured above is the 1937-38 State college cage squad, which is being coached this year by Jimmy Baker, former University of Minnesota cageman. In the picture: left to right, back row—Robert Oddy, Woonsocket, center or guard; Cecil Hartung, Oldham, forward; Loren (Dutch) Thornton, Harrisburg, forward; Bob Pylman, Gettysburg, center; Wendell Andrews, Miller, forward; Carl Lathrop, Nebraska City, Neb., center; Jimmy Forgan, Parkston, guard, and Jimmy Baker, coach. Front row—Bob Holmcomb, Langford, forward; Kent Cameron, Pierpont, guard; Mack Jones, Miller, guard; Stu Holdhusen, Ipswich, forward; Allen Schroeder, Aberdeen, guard; Bert Rude, Brookings, guard, and Carlyle Kvam, Estelline, forward. Capt. "Tuffy" Darr is shown in the inset.

'The Good Earth' Scores Heavily

Giving a splendid interpretation of a powerful drama, Little Country theater dramatists presented Pearl Buck's "The Good Earth" before a capacity audience Tuesday evening. A. G. Arvold was general director, Miss Carol Ladwig, coach.

As Wang Lung, the farmer, Robert Nelson was outstanding. His dramatic technique was very fine, his interpretation of the role, excellent. Gwendolyn Stenehjem as O-Lan, his wife, gave a finished performance in a difficult role. In his first important Little Country Theater role, Mason Arvold showed unusual dramatic talent, seemingly losing himself in the part of Wang Lung's father. As the enchantress who temporarily captured Wang Lung's fancy, Carol Ladwig showed complete understanding of the role.

Excellent cast, with many fine characterizations, standout performers were Don Jones and Mildred Boettcher, as Wang Lung's uncle and aunt; Darrel Dahl as Ching, and Virginia Smith as the ancient mistress of the House of Hwang. Lillian Chow, Chinese co-ed, added color as the bride of Wang Lung's son. Completing the cast were Richard Hoag, Lucyle Kapaun, Virginia Landquist, Roland Barnick, DeLaurence Nelson, Robert Nichols, Hubert Bahr, Thad Fuller, Leland Stenehjem. Group parts were taken by Paul Goebel, Clair Evenson, Evelyn Benson, Margaret Caddieux, Alice Davis, Mary Koller, Fay Nelson, Virginia Runyan, Frances Tourtlotte and Mary Widdifield.

Work of the production staff demands commendation for unusually excellent sets and costumes. On the production staff were Miss Stenehjem, business manager; Misses Tourtlotte, Koller, Benson, Widdifield, costumes; Mason Arvold, Misses Runyan and Kapaun, make-up; Evenson, Goebel, Nichols, Fay Nelson, scene designs and lighting effects, and Mary Caddieux and Mildred Boettcher, properties.—J. F. L.

In Zoology lab Wednesday, Lance Pousette was offered \$7.50 if he would eat a 14-inch round worm. Believe it or not, he did it! The lad that had to kick in with the \$7.50 couldn't eat supper, but Lance didn't mind a bit.

Local Students' Willingness To Work Impresses Dean

By ALICE HALEY
Dean of School of Home Economics. I have been asked so many times how I "like Fargo" that I wonder if others more timid are also questioning silently. The plain truth is that I do like Fargo. I like the weather. I like the people, and I like my work. It is a queer characteristic which we all seem to possess—to wonder how we appear in the eyes of others. People are always being asked for their "first impressions." These are usually considered "news," although this, to be sure, is true only according to the relative degree of importance of the individual. However, The Spectrum news collector has been assigned a story from me and here are some of my impressions of the North Dakota Agricultural College. The earnestness of the student body is striking in contrast to many places I have been. The willingness to work and work hard to secure an education makes teaching a joy and provides an urge to broaden the scope and increase the value and influence of the teacher. The faithfulness of the teaching staff is evidence of the pleasure to be derived from working with such a group of students. This faithfulness is apparent to the newcomer even against the great odds under which this institution has labored. Another realization is constantly forced upon one—how inadequate is the mechanism of the college to cope with the size of the student body and to meet their demands. I am constantly amazed at the quality of work and the cheerful attitude toward makeshift housing which the instructors discuss daily. The college has outgrown its buildings but the spirit and desire for education still grows in the hearts of the students. So I am glad to be a part of the school and hope I can provide the kind of leadership which will be a challenge to so earnest a group of students. Of course I have seen other things and have heard many things about the college but these are the things which really impress me.

Willson To Speak At Convocation

E. A. Willson, executive director of the Public Welfare Board of North Dakota, will speak on the problem of relief and the work of the welfare board during convocation Monday, February seventh. Mr. Willson was formerly connected with the extension department of NDSC, specializing in rural sociology. He has since transferred to Bismarck, center of the Federal Relief Agency branch in North Dakota.

Name Advisory Body For Student Union, Proposed Co-op Unit

Meeting Tuesday afternoon, a group of representative students discussed and laid plans for formation of a student union, a cooperative association designed to bring about better social and economic conditions among North Dakota State students.

The meeting was called and presided over by Gorman King, originator of the plan. Seven students were named to work with King, functioning as an executive council directing organization activities. Council members are Catherine Brandes, George Putz, Millard Borke, John Lynch, John Fisher, R. Gordon Arneson and James McGregor.

OFFICIAL CALENDAR	
Friday, Jan. 28:	9:00-11:30—Alpha Gamma Rho, Fraternity House.
9:00-11:30—Phi Mu, College YMCA.	
9:00-11:30—Sigma Alpha Epsilon, Festival Hall.	
Saturday, January 29:	9:30-12:00—Sigma Phi Delta, Festival Hall.
Basketball—South Dakota State, here.	
Sunday, Jan. 30:	4:00-8:30—Sigma Chi, Fraternity House.
4:30—Newman Club, K. C. Hall.	
Monday, Jan. 31:	Sorority and Fraternity meetings.

Retort Dwight Hunkins, cheerleader, answers last week's Student Opinion letter

I've been called many a thing in my day but never before a shepherder—thanks old wise "Student interested in his school." You know there is only one thing wrong, if I were such a moron as to be influenced by the actions of two people alone, I would be the last one to admit it. So it is with one of my more literary sheep, although he makes the reservation that he was one of the many of his faction that noticed poor sportsmanship and who refuses to come to further games unless a better attitude is shown. If there were many of them they may have noticed the display of poor sportsmanship but they did very little or nothing about it—for the response of "boos" was greater than any response from any yell given in the true spirit of support of the team. His many membered faction also must have changed their minds about staying away from future games, either that or the crowd enjoyed the excitement incited by "booing" because the crowd at the Concordia game far exceeded the one at the previous one.

Don't get me wrong, my gentle lambs, I'm not crusading for the cause of "booing." I'm merely trying to defend myself from the false accusations of a cracked-pot. The mere fact that I or my brother shepherder (or anyone else for that matter) don't agree with the referee and see fit to "boo" is that any reason why the man or woman on

Stenehjem Announces Line For Charity Ball On Feb. 4

Farm Folk School Reviewed In Capital

Friday, January 21, Dean of the school of Agriculture presented a detailed discussion of the work of the Farm Folk school that is being conducted on this campus, at a meeting of representatives of the Farm Security administration held at Bismarck. Dean Walster stated that the farm folk school has been very interesting and educational instruction for the group enrolled and a larger number is expected to be in attendance for the coming term which will open February 7 and continue through March 12.

This third term will offer courses in farm crops, poultry farming, farm correspondence and literature, sheep husbandry, farm shop, dairy husbandry, farm meats, machinery and power, and parliamentary practice and group discussion.

Lem Hawkins Orchestra Will Play; Sorority Heads Make Up Line

Don McNeil's favorites have been chosen to play for the coming Charity Ball Feb. 4 in the Field House. When the well known master of ceremonies for the Breakfast Club came to Fargo a month ago it was Lem Hawkins orchestra that furnished music for his benefit program. Dancing will be to this orchestra of the air waves from 9:30-1:00.

The traditional reception line will form at 9:30, to receive the college women and their guests. Gov. and Mrs. Wm. Langer will be asked to accept the honor position in the line, and will be followed by Pres. and Mrs. J. C. West, Mayor and Mrs. Olson, and Dean Dinan.

Sorority presidents, members of Pan Hellenic, will complete the reception line: President Gwendolyn Stenehjem, Kappa Delta, and Orville Sorvick, Secretary Evelyn Wattam, Kappa Kappa Gamma, and Harris Vowles, Treasurer Lois Myron, Gamma Phi Beta, and Charles Pollock, Catherine Brandes, Alpha Gamma Delta, and John Fisher, Doris Stinson, Phi Mu, and Melvin Thuring, and Dorothy Olson, Phi Omega Pi, and Ward Redmond.

Significant of Pan Hellenic, decorations will be in the theme of Greek letter groups emphasizing sororities found on this campus. Frances Tourtlotte, in charge of decorations, has appointed the following sororities to assist: Kappa Kappa Gamma and Alpha Gamma Delta to arrange for the scenic background and orchestra; Phi Mu and Gamma Phi Beta, lighting; and Kappa Delta and Phi Omega Pi, background.

A featured number of the evening will be a medley of sorority songs arranged by the orchestra for dancing. Following the custom of last year campus women showing their ticket at Dean Dinan's office will receive programs and sign the guest book.

Bottolfson Tells Of Work In India

Describing his recent medical work in India, Dr. B. T. Bottolfson of Moorhead, Tuesday evening addressed members of the Zoology club and others. Accompanied by his wife, Dr. Bottolfson toured European and Asiatic points for six months, spending most of the time in India, where he worked as an eye specialist.

Typical of his work in India, Dr. Bottolfson performed 561 eye operations in six weeks. In one day, the Moorhead doctor handled 22 cataract operations. Very susceptible to eye diseases, natives of India are taken care of through an established medical set-up with a permanent eye specialist in charge. Dr. Bottolfson was one of two surgeons chosen to gain this special training in 1937.

The Moorhead doctor was the first man to address the college Zoology club at its organization several years ago. James Moore, club president, presided at the meeting. Next meeting of the club will be early in February when Dr. F. J. Brinley will tell of his work last summer on Tortugas Island near Florida.

Walster To Review Verse Before Club

Dean H. L. Walster will appear before a meeting of the Cosmopolitan club Monday evening, January 31. The theme of his discussion will be on farm verse. He will read a poem of Victoria Sackville-West's entitled "The Land" and give a detailed interpretation of it to the group. Every member of the club is urged to attend this meeting Monday evening.

POP Inspector Feted On Campus

Honoring their regional inspector, Mrs. Joyce Howell, Zeta chapter of Phi Omega Pi was hostess at a formal tea Tuesday afternoon from 4:30 to 5:30. Two members from each fraternity and sorority on the campus attended as representatives from their group.

Tuesday evening the sorority alumnae, with Mrs. Leon Metzinger in charge, entertained Mrs. Howell at a dinner, at the Graver hotel. Wednesday noon an informal luncheon was held at the chapter house. At the Panhellenic dinner Wednesday night, Mrs. Howell was a guest of honor.

Mrs. Howell, a graduate of North Dakota State, and a member of Zeta chapter, received her appointment as regional inspector of this province this fall.

Ewbank, Bryngelson To Give Lectures On Speech In LCT

Two striking personalities in the field of Speech Education, H. L. Ewbank in charge of Radio Research and Group Discussion at the University of Wisconsin and Bryng Bryngelson, Director of the Speech Clinic at the University of Minnesota, and a national authority on stammering, will spend four days next week, Feb. 2, 3, 4 and 5, at the Little Country Theater. While the two distinguished educators will be brought here primarily for the three hundred students who are taking work in the Little Country Theater, the entire student body and general public are cordially invited to attend the lectures and demonstrations.

The morning sessions of the four days will be given over to addresses by the two men and the afternoons to private and group conferences. One evening meeting will be held on Thursday, Feb. 3, beginning promptly at 8 o'clock. The general public is especially invited to be present at this particular program. The main topic will be Group Discussion for Organization.

Kappa Delta Unit Entertains Officer

Miss Mary Niestadt of Wilmette, Illinois, Delta Province president of Kappa Delta sorority, arrived Wednesday to inspect the local chapter.

Miss Niestadt was a guest at the Pan Hellenic dinner Wednesday evening, and will be honored at various social functions to be given by the active and alumnae chapters, and patronesses. A luncheon in the home of Mrs. C. W. Sunday is planned for Saturday with active members as guests.

Miss Niestadt will be introduced to the other Greek groups on the campus at a tea in the chapter rooms Sunday from 3-5. She plans to leave Monday morning to continue her inspection tour.

tions, Radio Research, Stammering and Speech Defects. At the close of the two lectures an informal reception will be held in the Lincoln Log Cabin in honor of the two speakers. A special meeting will be held Saturday morning and afternoon, Feb. 5, for the country school teachers in Cass, Traill, Barnes and Richland counties in North Dakota and Clay county in Minnesota. All of the teachers in these five counties are cordially invited to be present.

Both gentlemen have enviable records in their chosen fields. H. L. Ewbank received his education at Ohio Wesleyan university, University of Michigan, and University of Wisconsin. During the war he was an ensign in the United States Navy. For the past ten years he has been chairman of the University Radio Committee at the University of Wisconsin and is now chairman of the committee in charge of research in school broadcasting. He has conducted group discussions over the state radios and been on the National Farm and Home Hour several different times. He attended the first conference held by the United States Department of Agriculture in Washington, D. C., to consider methods of discussion for rural groups. Last year he served the United States Department of Agriculture as instructor in discussion methods at the regional conference in Salt Lake City.

This year he has served on the staff at Leadership Conferences in World Economic Cooperation and Discussion Methods in Denver, Colorado, and Des Moines, Iowa. Mr. Ewbank is a fluent speaker with an affable personality and is a mighty fine educator. Bryng Bryngelson is the Director of the Speech Clinic at the University of Minnesota. He received his education at Carleton college, did graduate work at Yale, Wisconsin university and Iowa university. For the past eleven years he has been connected with the Uni-

Is the Church Falling Out?

The church—remember it students? From your attendance at church it does not look as if it was very difficult for you to shake the religious influence of your early training.

Students, can you honestly believe you are educated and still say the church has no place in your life? Why should I patronize it? Even if you have the agnostic viewpoint—you as the future leaders of society, can not help but see how necessary religion and its agency the Church has been to society.

Go to church because you believe in God—to pay your respects to him. Go to church because it is your duty—you the leaders of tomorrow should set the example—support the church because society needs it, it is your moral as well as your intellectual obligation.

The Editor's Corner

It has been a great week. It has been Talk Week. The students have talked, the faculty have talked, and to one who has heard all, the future seems rosy.

ams next week. And when the initial convo is held let's all turn out.

Enough talking was also done by both students and faculty members this week to form a strong platform for the new Student Co-op. The voiced sentiments ran something like this: "Our school has undergone a change this year. New struts have replaced a few old ones.

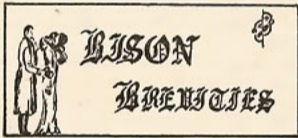

"This philosophy has caused us to become lax in our manners. We eat at Ceres Hall in our shirt sleeves, we walk across the lawns that Prof. Bolley and others have worked so very hard to cultivate, we throw paper about.

"It took those who came before us thirty years to build a reputation for being one of the best dressed and perfect mannered institutions in the country, and at the rate we are going now it shouldn't take us more than a month to ruin it completely.

Doctor Putnam and the Gold Star Band certainly did their part last night. That concert, the like of which has never been witnessed by a local audience, is one of the best rocks we have yet discovered upon which we want to build for the future.

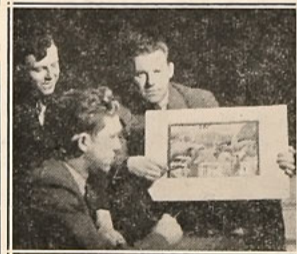

Another big step has recently been taken by our campus Student Health Center (the biggest and most efficient in the state). Free Wassermann tests are being offered to any student wishing them.

Still another attempt to out-yell the supercilious silence that has for generations hidden the facts of life is the offer put forward to all students this week by Mr. Severson and Miss Dinan.

Here we see three architects. They are the architects for the Bison Brevities production "Tangerine." Two of them are architects by trade, the other is an architect, a Bison Brevities architect, by habit.

Take Butch Whitver and Jim Shigley. They've been favorite campus architects since Sundt and Cave left.

Whitver is chiefly famous for his 50,000 white steps which led up to that never-to-be-forgotten satirical mural at the Junior-Senior swing-out last year.

As far as their Brevities work goes they've been working two weeks now and have completed designing of a sign to be hung in front of Festival Hall.

The other picture is Herb Jones. He is only a sophomore and a Sigma Phi Delt, but already he has gained appointment as head electrician for the musical show.

In the midst of tryouts now, the staff finds that all the guys want to be king and have eight wives. All the gals want to be the first wife but no one wants to play eighth fiddle.

WITH THE GREEKS

Kappa Kappa Gamma— Eleanor Thompson, NDU student, and Miss Minnie Anderson were potluck guests... An exchange potluck was held with the Phi Mus...

Severin... The pledges presented the Chapter with a bouquet of flowers last Saturday.

Delta Tau Epsilon— Kirk Crawford of Niagara was initiated into the Active chapter last week... Sidney Johnson of Hillsboro spent the weekend visiting at the house...

Alpha Gamma Rho— Donald Lawrence, Soil Conservationist at Park River, visited at the house... Allen Purdon, Jim's little brother, also visited at the house...

Sigma Alpha Epsilon— Gordon Brandes spent another weekend at Forks... Edward Toman, Oliver Uthus and Myrle Anderson were chosen as delegates to the national convention...

Kappa Delta— Guests at potluck Monday night were Barbara Black and Charlotte...

SOCIETY

"Winter" is the theme the SAE pledges chose for their annual party for the active chapter. The dance will be held in Festival Hall from 8:30 to 11:30 P. M. this evening.

The Phi Mu sorority will hold their winter term party at the college Y. M. C. A. on Saturday from 8:30 to 11:30. It is to be a radio party with Ellen Endersbee the featured soloist.

Blue Monday Tea was held in the Fireside Room around the fire place. Dorothy Bentley and Patricia Oram poured. Assisting were Renee Walz, Betty Jane Wylie, Agnes Gunvaldsen, and Jane Blair.

The Alpha Gamma Delta will have their weekly Friday relaxer today from 4 to 6 in the chapter rooms. It is to be given for all alumnae.

The active and pledge chapters of Kappa Kappa Gamma entertained the SAE chapter Thursday from 4:30 to 8:00 at a supper dance in the college Y. M. C. A.

Earl Mannes, Dazey, chairman, announced that Sigma Phi Delta fraternity would hold their term dance Saturday evening from 9 to 12 at Festival Hall.

The pledges of Gamma Phi Beta entertained the SAE pledges Sunday afternoon at a sleigh ride party. Supper was served in the chapter apartment.

A Sleigh-ride Party will be given by the Sigma Chi fraternity for the Gamma Phi Beta sorority on Sunday from 4:00 to 8:30.

Mary Niestad of Wilmette, Ill., who is province president of Kappa Delta sorority arrived here on Wednesday. She will be introduced to the other Greek organizations on the campus at an informal tea Sunday from 3 to 5 in the chapter rooms.

Kappa Sigma Chi— Neal McClure is back in school... Don Hill, '37, spent a few days at the house last week... The basketball team has won both of the League games played last week...

Sigma Phi Delta— Louis Kittel, Doc Montgomery, Norman Gehler, and Howard Arnegaard spent the week-end visiting at their homes... Jack Pahl visited the house Saturday... George Probstfield was a guest at the house Monday evening...

Gamma Phi Beta— Lorraine Swanson spent the week-end at her home in Hillsboro... Verna Thysell will skate at Wolverton, Minn. on Wednesday... Guests at pot-luck were Jeanne La Grave, and Irene Martin... Janet Sharp and Mary Elise Bibow came to town to attend the Military Ball...

Bison In Bad Shape For Saturday Game

Prospects of Winning Second Conference Game Fade With Injuries

A badly crippled Bison basketball team will meet the sophomore stars from South Dakota State at the field house tomorrow night in an attempt to wrest their second conference victory at the expense of the Bunnies.

The Jackrabbits should be distinct favorites over the luckless Herd on their past record alone, even if the Herd were at full strength. Although they have been defeated by the University of North Dakota the Sioux came back singing their praises. The next week the Bunnies walloped the Morningside Maroons, a team that already numbered the Bison among its victims.

Tomorrow night the Bison again face the prospect of starting without Ted Whalen, ace forward who this time is laid up with a badly injured arm which he hurt in a fall that he took while playing against the Cobbers. Even if he feels that his arm is in good enough shape to play with tomorrow night he will go on the floor without having practiced during the past week.

Ray Hawkins is also injured, having suffered a recurrence of the ankle and knee trouble which he had injured in the SDS football game. The team has begun to count more and more on Ray and if he is slowed up in his play tomorrow night it will tell on the play of the team.

RORVIG, FRASER ARE ALL RIGHT

The two veteran guards, Captain Carl Rorvig and Howard Fraser are in fine shape, however, and are to be counted on for their usual fine game. At forwards we will likely find Herman and Lloyd Troseth at the starting posts.

Last Saturday evening the Bison bowed to the Concordia Cobbers for the second time this year as they went down under a score of 46-40.

Although the Herd was defeated Coach Lowe felt that they showed distinct improvement over their former games and only the fact that the Cobbers played the best game of the season kept them from victory.

HAWKINS COUNTS HEAVILY

Ray Hawkins went into the game with orders from Coach Lowe to shoot more often and the results of that command were surprising. Hawkins connected six times from the floor, each time with an unstoppable one handed shot that nobody knew he possessed.

Captain Rorvig also played a good game and with 14 points was high scoring man for the Bison. The sophomores at forward, Troseth and Larson, were not hitting the basket at all, although they played good floor games. Howard Fraser turned in his usual strong defensive game.

JACKRABBITS PLAY TWICE

The State college Jackrabbits, with a record of one victory and two losses so far in North Central conference league cage play, will play NDU this evening in addition to meeting the Bison tomorrow night.

The sophomore Rabbits will have a special incentive for victories on their northern invasion, for both North Dakota schools have been consistent winners over State on the court in recent years.

The Bison and the Rabbits have played a total of 36 games in the last 16 years, of which State has won only six. The last win by a Rabbit cage squad over the Bison occurred in 1929 with a count of 26 to 21.

Coach Baker's starting lineup against the Herd probably will consist of Thornton and Andrews, forwards; Oddy, center, and Capt. Glenn Darr and Fergen, guards.

Gobs of Giggling Gals Gawk, Groan and Get Frat Fellows Flustered

Well, from all reports there have been several girls turning out to see their best boy friends play in the interfraternity basket ball games. The ATO fraternity seems to lead with their feminine boosters, having had the largest number present for their game with the Delta Taus. Cheer leader Hunkins says the Sigma Chi's are going pretty good this year, winning two out of two games so far, one more than they won all last year. That means the sweethearts of Sigma Chi may have something to yell for.

Last Tuesday night the gym was void of all girls when the Dormitory defeated the SAEs and even Josephine, the sweetheart of Theta Chi, was missing when the Gamma Rhos took the Theta Chis into camp. Maybe they

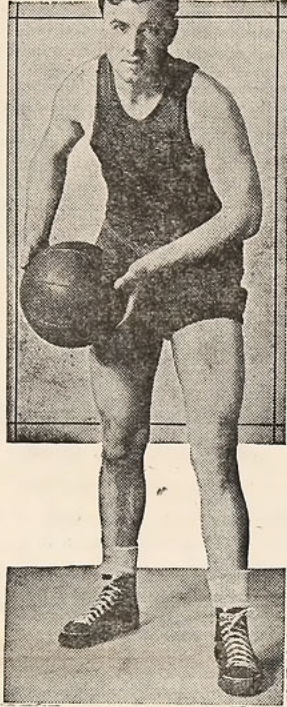

Bismarck Game Cancelled By U

Because the newly scheduled game with the Bison gave the Nodaks three hard games in less than a week the game to be played at Bismarck between the Herd and the Sioux was called off in the best interests of all concerned.

The protest that the game would work undue hardships on the players came from the University where they feel that they have a chance to win the conference title this year and they do not want to do anything to endanger their chances of winning. They have two tough games that weekend inasmuch as they travel south to meet the University of South Dakota and Morningside.

There is a good possibility that a game will be scheduled next year at Bismarck between the two teams or between the Bismarck Independents and the college team.

lack the feminine following the rest have. Eh, Jewell?

More girls should attend these games; they might help their favorite fraternity win its games. Without a doubt a player should turn in his best performance with the girl friend looking on. Remember the old saying, "Love will find a way."

NDSC Must Wait Another Year For Hockey Ice Rink

Hockey fans are doomed to disappointment until a rink can be constructed on the campus. With plans for an intra-mural league well under way, no games have as yet been played.

For years hockey was a major sport on the NDSC campus and at times teams made several long trips, one team even playing at West Point. Hockey, in recent years, has made an outstanding leap in popularity among sports fans although accompanied by a similar decrease in interest by State College students. It has often been called the great American winter sport and well it should, for a harder, faster, more thrilling game has never been invented.

Because of poor facilities hockey will be practically out this year unless the park board relents and allows the school to use the Island Park rink at some time other than Tuesday and Thursday nights.

However next year it seems that everything will be changed. A warming house will be built into the new stadium now being erected and a sufficiently large rink will be constructed on the baseball diamond. Floodlights used for the football field will be turned about onto the rink and a really fine hockey program will be the result.

With the acknowledged surplus of fine material in school inter-school series between NDU and NDSC may be arranged in addition to the league games.

To Honor Outstanding NC Conference Athlete

Marking the first conference-wide recognition of athletic ability, the Grand Forks Herald announced Saturday it will sponsor a trophy to be awarded annually to the outstanding athlete in the North Central conference. M. M. Opegaard, publisher of the Herald, said the award will be made on votes of the athletic directors of member institutions and sports editors of publications in cities where North Central schools are located.

The trophy will remain one year in possession of the school from which the athlete has been selected, while the athlete will be presented with a plaque, which he will keep.

Awards will be made for the school year each spring following the conference track meet and will be based on athletic ability, sportmanship, and scholarship. Each voter will select four candidates with his choices getting 5, 3, 2, and 1 points in that order. The athlete receiving the largest total will be awarded the trophy.

In announcing the award, Mr. Opegaard said that it was being made for the purpose of recognizing outstanding ability, encouraging the development of all-around manhood, and further promoting North Central conference intercollegiate athletics.

"I have always been impressed with the high type of athletic competition in the North Central conference," said the publisher. "The young men taking part have represented the best in sportmanship and intelligence and the Grand Forks Herald wishes to do all it can to promote activities of that sort."

Tanberg Leads Frosh Into Fourth Victory

In a preliminary to the Concordia game last Saturday evening the Baby Bison chalked up another victory to their unbroken win string, this time taking the laurels from the Concordia Reserves by a score of 39 to 27.

With the exception of Paul Johnson and Larry Tanberg the Frosh were not clicking especially well and showed a tendency to ease up time after time. In no game this year have the Freshmen showed all that they have, and at no time have they showed the smooth clicking outfit that they do in scrimmages against the varsity daily.

Tanberg, at forward, counted six times from the floor and twice from the free throw line to lead the counting with 14 points. Paul Johnson, center, was next with 8 points. Sig Erickson counted three buckets and Weible scored three times from the backcourt. Bob Johnston completed the scoring from the field with two field goals, while Toomey added one point from the foul line and George Hammel, a guard who can't be stopped in practice, was held scoreless.

Tomorrow night the Bison Frosh meet another independent team from the YMCA City league.

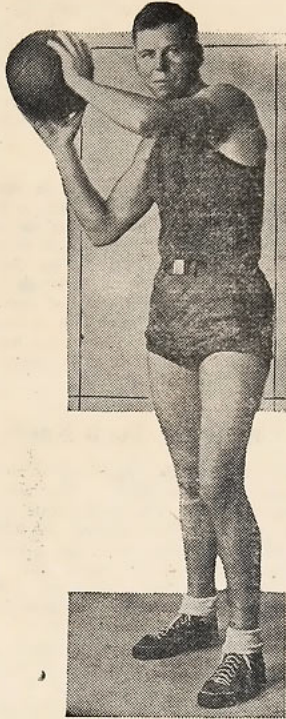

Bison Meet Two Foes Next Week

Next week the Bison meet two North Dakota conference teams in Jamestown College and Minot State Teachers. The Jamestown game, set for Monday night at the AC gym, is a return game between the two teams.

Jamestown downed the Bison by a score of 33 to 27 in the first encounter. However, the Bison have shown tremendous improvement since then and if they enter the game at full strength will doubtless reign as favorites.

The game with Minot will be played on the Minot court on February 4. Minot State Teachers college are the present reigning leaders in the North Dakota conference, having lost but one game.

SOPHOMORE FORWARD

Herman Larson

Nine Games Carded For 1938 Gridmen

With the signing of Creighton University to play a ninth game on November 19, the 1938 football schedule for the Bison was completed. The schedule calls for four games at home and five away from home.

There will be no soft spots on the conference schedule for the Bison next year with the perennial foes, the Sioux and SDS back again. Morningside and Omaha have been displaced by USD and Iowa State Teachers.

The longest trip and toughest game of the whole season will be to Moscow, Idaho, where the Herd meets the University of Idaho Vandals. They also meet the Winnipeg Rugby club, runner-up team in the Canadian professional league this year.

The final game of the season with Creighton marks the first meeting between the two schools in an athletic contests since Creighton left the conference in 1925.

Because of conflicting dates the Bison athletic director was forced to turn down games with Texas Tech and Western Reserve for next year. Texas wanted the Herd to come down there to play but as it was impossible to change the date on a conference game the offer was turned down. Western Reserve, a small school which turned in an impressive undefeated record during the past year, offered Finnegan Oct. 1 for a game at their stadium but Winnipeg had already been scheduled for that date.

1938 FOOTBALL SCHEDULE

Sept. 23—Moorhead Teachers—Fargo.
Oct. 1—Winnipeg Rugby Club—Winnipeg.
Oct. 8—Idaho University at Moscow.
Oct. 14—Iowa Teachers at Fargo.
Oct. 21—Greeley State at Fargo.
Oct. 29—NDU at Fargo.
Nov. 5—Univ. of S. Dak. at Vermillion.
Nov. 12—S. Dak. State at Brookings.
Nov. 19—Creighton Univ. at Omaha.

Bantamweights on the 1937-38 basketball squad are Allen Schroeder, Aberdeen, sophomore guard, and Bob Holcomb, Langford, senior forward. Both have to stretch a trifle to hit the 5-foot, 8-inch mark.

Bob Pylman, Gettysburg, all-conference football tackle on the 1937-38 team, is the tallest man on the Rabbit cage squad. He stands "six-foot-four" and weighs approximately 215 pounds.

SMITH - FIGHTING BABY BISON SHOW POORLY IN GAME

By JOHN SMITH

Tomorrow night the Bison have another chance at a conference foe—South Dakota State. The Bunnies have a team whose experience approximates that of the Bison as both teams have a large number of sophomores playing. At times the South Dakota team has been supreme, but at other times they have been mediocre, which is, of course, characteristic of teams made up of men who lack experience. The Bunnies are a good team, however, and the Bison will have a hard job to cover them. I think that the Bison can play better basketball than they exhibited against Concordia last week regardless of the fact that the Cobbers were playing the highest brand of ball that they are capable of playing.

Last Saturday, Ray Hawkins was evidently showing the brand of basketball that made him the most outstanding court performer in LaCrosse, Wis., high schools the winter of 1935. If Ray can keep up that pace the Bison are going to dump a few of their conference foes before the season ends.

Coach Lowe hasn't been getting any breaks with his basketball team this

week. Ted Whalen, who hurt his arm severely in the Cobber game, is still bothered by the injured member. To top this off, Ray Hawkins, who, by the way, has been playing great ball under the serious handicap of a weak knee and ankle, twisted both in a scrimmage last Tuesday against the yearlings. Hawkins will probably be in the lineup against State Saturday but might not be setting the fast clip that he did against the Cobbers.

Freshman teams are rated according to how successful they are against the UND Frosh. The present Baby Bison have looked strong especially in their scrimmage encounters although not so impressive under game conditions. The Nodaks have a good bunch of yearlings which means that the Bison first year men will have to be at top form to take their Grand Forks rivals this winter. Spirit and fight carried the State yearlings to a football win over the Nodaks last fall and the Baby Bison quintet seem to possess the same aggressiveness. Paul Johnson, Murray Weible, George Hammel, Sig Erickson, Bob Johnston, Lawrence Tanberg and Pat Twomey are all fighters; they might lose, but if they do it will not be because they lack fight.

Women In The News

Seventy-two fluffy coeds bang birds and feathers across the nets with wicked rackets as they seriously practice for the badminton tournament. The first round will be played Monday. More girls are urged to grab partners and sign up for the doubles to be played after the singles tournament.

The girls' basketball tournament will start Monday. The seniors and sophomores will play at 5:00 and the freshmen and juniors at 5:30.

Psi Kappas are having a skating party February 2. Afterwards the group will meet at Muriel Stevens' for a little social gathering.

Ping pong semi-finals will be completed by the end of the week.

The energetic tumblers of the school started out with plenty of vim, vigor and vitality and now the exostulations that come tumbling from their lips are: "Ouch! every muscle in my body is stiff," "I can hardly move," or some such promulgation. However, they continue to spend an hour of misery on each Monday and Wednesday and keep hoping that they soon will be able to swing into somersaults without touching the mats. Girls may earn WAA points by joining the class.

Average height of the 1937-38 State college cage squad is 5 feet, 11 inches.

VETERAN GUARD

Howard Fraser

Athletic letter-winners at State college have formed a Monogram club with a membership of 29 athletes. Additional members will be elected after the basketball and track seasons this spring.

The sweaters are here for the letter and numeral winners in Bison football.

Language Bureau Asks World Peace

Addresses of students in foreign countries are now available to any interested student on this campus. These addresses were procured by the Modern Language department through the Students International Travelers Association. The association is now in its third year, and has as its object the broadening of students education through travel and the promotion of peace. Popularly called SITA, the organization parallels the work of such organizations as the Carnegie Endowment for International Peace, the Institute of International Education, and the Students' International Union. Addresses of students from the following countries are in the Modern Language office: France, Germany, Panama, Arabia, India, and Argentine.

Livestock Show Late This Year

The Little International will be held in the early part of April rather than in the winter term as has been done in past years. The new time for the annual livestock exposition sponsored by the Saddle and Siroin, an Agriculture Club, with the cooperation of the entire Agriculture department was necessitated by a change in the Agricultural academic schedule for the winter term.

It is too early in the season to know definite plans concerning the exposition, but the major part will be the finishing and the showing of livestock with the annual Coed Milking Contest for an added bit of humor. The nature of the intersociety competition has not been decided.

John McDonald, manager of this year's exposition, declares it should be very successful with an unusually large turnout due to the increase in the Agricultural enrollment and the change of time.

YM Established As Bridge Players Port

Bridge has struck the fancy of some of the students who spend their leisure time over in the Y playing cards. There are usually enough to fill four or five tables depending on the number who feel they have no better way to pass their time. Those that play every day usually carry their own packs of cards, quite worn with constant use. When the players are through they leave their tables, chairs, and papers to be picked up by the YM cleanup boys.

Newman Club To Hear Bishop Muench Sunday

Bishop Aloisius J. Muench will speak on "Responsibilities of Academic Freedom" at the regular meeting of the Newman club Sunday, January 30, at 4:30 in the Knights of Columbus hall.

As this meeting marks the tenth anniversary of the founding of Newman club on this campus, all Catholic faculty members and students are urged to attend. Supper will be served at 6 o'clock with Leonette Parries in charge. The Newman club picture will be taken after the meeting.

Cosmo Club News---

The membership pins have arrived and will be given out soon. Miss Dorothy Moen will be in charge. . . Any one who would like to join the club is invited to attend our weekly meetings at the Y from 8 to 10 on Monday nights. Taffy pulls and sleigh riding will be on this term's social slate. . . Miss Marjorie Hanson, Freshman in HE, underwent an appendectomy at St. John's hospital Tuesday morning. She is getting along nicely.

Fete Officers

Pan Hellenic entertained province officers of Phi Omega Pi and Kappa Delta at their regular supper meeting last Wednesday in the upstairs dining room of Ceres. The guests were Mrs. Joyce Peterson Howell, province director of province 1, Phi Omega Pi, and Miss Mary Neistadt, province president of Delta province, Kappa Delta.

NOTICE

Tryouts for the Brevities production, "Tangerine," will continue today from 3:30 to 5:30 and Saturday morning from 9:30 to 12:00. No parts have been filled as yet; so all interested in women's or men's singing and dialogue parts please report to the Brevities office in Festival Hall for tryouts, either Friday or Saturday.

Retort---

(Continued From Page 1)

Sight of everyone down in front Hawkins absolutely did not even touch the man—he knocked the ball out of his hands—I think he should be condemned. On top of that when asked by Hawkins if this were a kindergarten, Brown let his temper get the best of him and proceeded to call a technical foul on Hawkins. Those two errors on Brown's part wouldn't have been so bad but when he forced Whalen to take the ball out of bounds—that's pushing anyone's sense of judgment too far. After the game I talked to the players in the dressing room and they emphatically told me that nowhere in any rule book is there a rule that says a referee can force any player to throw the ball in after it has gone out of bounds. As I said before it's nothing against Brown himself as a person, but as a referee he is a good ocharina player. I think the main trouble lies in the fact that not being able to see the plays clear enough, Brown isn't sure as to who made the infringement and as a result he flips a mental coin and calls it as he guesses. Yours for more wool in the fall, The Shepherder.

Noted Men To Give Speech Lectures in LCT

(Continued From Page 1)

University of Minnesota. While he is a member of the Speech Department he is also on the medical staff at the University of Minnesota. He belongs to the American Speech Correction Society, the American Psychological Association as well as the American Association for the Advancement of Science and the Minnesota Society of Speech Clinicians. Over five thousand people have interviewed Bryng Bryngelson in regard to stammering and stuttering. He is considered a national authority in the field of Speech Defects, Stammering, Loss of Voice, Hesitancy in Utterance and Nervousness. The two men will be at the service of the student body, faculty and the general public during their four days stay in the Little Country Theater.

Quotable Quotes

(By Associate Collegiate Press)

"It is just as easy to get verbal indigestion from stuffing your speaking or writing vocabulary as it is to get the more usual physical ailment," Mrs. Claire Soule Saay, lecturer in English for the University of California extension division, thinks too many people stuff their vocabularies with verbige and obscure thought processes by an excess of words.

"Democracy grew up here and it is best for you; but in Germany, we never did have any real democracy. . . That is why we gave it up." Max F. Heinze, 17-year old German exchange student at Moses Brown school, thinks it would be impossible for the U. S. to have a dictator. The people would laugh him out of power.

"In view of the fact that the schools have failed to acquaint many youths with their own qualifications and with the opportunities open to them in adult life, some effective means must be developed for giving the 'out-of-school' youths of each community the information and help the schools should have given them." Dr. Marion R. Trabue, dean of the school of education, Pennsylvania State College, believes a new cooperative enterprise should be set up in each community to help youth find itself.

"Powers of concentration are greater in a girls' school. The girls lose nothing by not rubbing shoulders with men. They work when they work and play when they play." Mrs. Vivienne B. Breckenridge, alumnae secretary of Sweet Briar College, says that private schools for girls prepare them better for matrimony than do co-educational institutions.

Carnegie Tech Feud

Pittsburgh, Pa. (ACP)—Two editors—but only one paper. That was the situation last week at Carnegie Tech. A journalistic feud between the leftists and the rightists, with the Carnegie Tartan in between, began when the student council objected to the paper's editorial policy, called it "against the majority opinion on the campus."

Walter K. Ellis, the Tartan's outspoken editor, found himself ousted and in his place Katherine Thomas, former news editor. He refused, however, to resign, explaining, "I have not been warned about the editorial policy or asked to retract or apologize for any statement and until I do have a trial I won't resign."

The former editor claimed that he was "railroaded" out because of the editorial in the last issue of 1937 in which he wrote, in a light vein, definitions of campus class honoraries and the Council. The Council referred to as "a playlet entitled 'A Comedy of Stooges,' a weekly production holding forth of a Tuesday evening in the Amen Corner of the Christian Assn. office."

Meanwhile at Duquesne University, the university's recently appointed Publications Board has officially taken over editorial supervision of the Duquesne Duke and the Duquesne Monthly.

It followed a flare-up last week when the Duke broke an uncensored story on an altercation between the president of the council and an Administration official.

At the Movies

Racing hoofs and beating hearts mingle to provide dramatic thrills in "Thoroughbreds Don't Cry," in which MGM presents Ronald Sinclair, new discovery in English boy actors, teamed with Judy Garland, Mickey Rooney and Sophie Tucker. The new picture comes to the Grand theater Sunday, Monday and Tuesday.

Four shows, three of them outstanding productions, play at the State this week. Sunday and Monday, Errol Flynn, Anita Louise and Margaret Lindsay are featured in "The Green Light." Following this Don Ameche and Ann Sothern gambol through a delightful comedy, "Fifty Roads to Town," playing there Tuesday and Wednesday.

"History Is Made at Night," Walter Wanger's second United Artists' production, plays Thursday and Friday at the State, with Charles Boyer and Jean Arthur, leads. Warner Oland plays the great Chinese detective in "Charlie Chan at the Opera," there Saturday. Playing Sunday through Wednesday at the Fargo is "True Confession," featuring a host of Hollywood stars, headed by Fred MacMurray and Carole Lombard. Other topnotchers are John Barrymore, Una Merkel and Edgar Kennedy. Comedy runs wild in the story of a lying wife who finally ends up at the wrong end of a first degree murder charge.

At the Fargo the last half of the week is entertainment of a gripping nature in "The Last Gangster" with Edward G. Robinson in the type of role which first made him famous as one of the screen's foremost character stars. Supporting Robinson are Rose Stradner, new Viennese "find," and James Stewart.

Interest Runs High In Camera Contest; Club Meets Tuesday

Much interest is evidenced in the camera contest being conducted by the newly organized Bison Camera club. Several entries have been turned in but competition remains open to students and faculty members. Theme of the contest is "Smoke." Snapshots depicting smoke in any form are eligible. Entries are to be submitted at the Spectrum office.

Next meeting of the Camera club will be Tuesday evening. A guest speaker and student speakers will discuss photography in its popular forms and a series of discussions will be started on use of cameras. All students and faculty members are asked to attend and bring prints for roundtable discussion following the program.

Martin Quigley, one of the Minnesota's Daily crack columnists, started his monologue out this way the other day: "You can imagine how the editor of The Daily felt the other day when he was eating raisin pie, and one of the raisins fell from his fork and climbed back up on the plate again."

Lloyd Nyard Given Alpha Zeta Award

The Alpha Zeta award to the outstanding freshman in the school of agriculture for the school year 1936-'37 was made to Lloyd Nygard of Park River, yesterday morning during convocation. Dean H. L. Walster made the presentation.

Each year the Alpha Zeta, honorary Ag. fraternity on this campus awards a small loving cup to the outstanding freshman for the previous year; this award is usually presented during the fall term.

The Dakota chapter of Alpha Zeta was installed at North Dakota State College June 8, 1910 and has been a very active group since its installation. Present officers consist of Sigrud Melstad, chancellor; Clifford Volkerding, censor; Donald Kaldor, scribe and Sam Tracinski, treasurer.

THE GREEKS
