

## Strong Omahans Battle Bison In Tilt Tonight

C. C. FINNEGAN

Nebraska Team Is Billed As  
Favorites for Conference  
Championship

Eleven Boasts Big Line And  
Triple-threat Scoring  
Backfield Man

By ORVILLE GOPLEN

Casey Finnegan's Thundering Herd, 1935 North Central conference champions, smarting under pre-season publicity billing them for the cellar berth in the conference, are all primed to meet the challenge of Omaha university, co-favorites for the 1936 conference title tonight. The contest will be on Dacotah field at 8 p. m.

### 200 Pounders

Although only four regulars from 1935 Bison combination will be in the lineup tonight, Bison backers see possibilities of brilliant performing, but inexperienced sophomores rounding out an aggregation which will battle the Omahans, sporting a line averaging almost 200 pounds, on even terms.

Observers admitted that the Bisons' job of stopping the triple threat speed merchant, Tippy Tyler, performing behind the massive veteran line, would be extremely tough, but pointed out how the Bison coaches, Finnegan and Bob Lowe, had been developing a smaller, but speedy, hard-fighting crew of smart linemen.

### Good Backfield

Then, too, the Bison have the best balanced backfield in the conference this year. Led by Capt. Bob Erickson, 190 pounds of dynamic energy at fullback, the backfield possesses men like Ernie Wheeler of Fargo, Bill Olson of Leeds, Carl Rorvig of Nome, Howard Fraser of Wahalla, Wes Phillips of Moorhead, Elmer Schrank of Grafton, and Emil May of Aberdeen, S. D. A quartet from this group will form a backfield giving kicking, passing, speedy and hard running performances that may explode with score-making effect in Omaha territory at any stage of the game. The game will be a crucial one, for the victor is expected to go on to gain at least a tie for conference title.

### STUDENTS SOUGHT

Students interested in obtaining positions on either the business or editorial staff of the Bison, college yearbook, may make personal application between the hours of 3:00 and 5:00 P. M. on either Wednesday, Thursday, or Friday, Sept. 23, 24, 25, according to Katherine Kilbourne, editor, and Maurice Benid, business manager.

The Bison office is located on the basement floor of Science Hall, room 120.

## College Band Well Received

The newly-organized Walsh-Sanders orchestra made a decided hit with the A. C. students in its first two college engagements, the freshmen mixer and the all-college hop. It is an eight-piece orchestra of which Robert Sanders, Bill Walsh, Paul Hanson, Robert Itrich, and Robert Hagen are A. C. students. The other three members are former students of the A. C.

Hot music and lots of it is their motto. Every man is a good singer and their program is filled with novelties and feature acts. A saxophone quartet and a vocal trio add variety to the music. Sanders and Walsh make all their arrangements.

## Arneson Is Leader In Spring Grades

Gordon Arneson, junior in applied arts and sciences, again had the highest average among all students for the spring term, with 96.8.

The grades of the ten students with the highest averages throughout the entire college are recorded each term and Arneson led the student body two terms in succession, having the highest average in the winter term also.

Robert Penman, sophomore, civil engineering, rates second with a 96.1 average.

Following Arneson and Penman are Catherine Cummins, freshman, education, 95.6; Joseph Wright, sophomore, education, 95.5; David Askegaard, freshman mechanical engineering, 95.2; Marion Hokenson, sophomore, applied arts and sciences, 95.1; Margaretta Bjornson, freshman, applied arts and sciences, 94.6; Edward Ballard, senior, chemistry, 94.0; Arwin Hoge, junior, applied arts and sciences, 94.0; and Robert Pierce, senior, mechanical engineering, 93.8.

## NYA Benefits Extended 96 Additional Students

Increased NYA money in form of aid to 96 additional doughty education-bent students was ordered distributed here this week by federal government officials. This represents a 60 per cent increase over last year's quota. All North Dakota schools received a similar increase.

A total of 256 students are now eligible for NYA appointments, announced Prof. C. A. Severson, chairman of the local NYA board. Of this number, 176 are boys and 80, girls, he said. Last year's quota was 110 men and 50 women.

Placing Almost Complete  
Placing of students on projects is practically completed, Severson said. Workers are assigned to campus projects by Mrs. Psyche Gooden, secretary of the college employment bureau.

Instructions will be given project workers at meeting to be held shortly, according to Severson.

Aid Drought-hit  
The recent increase was made to aid students coming from the hardest hit drought counties and appointments were made entirely from the ranks of students from those counties.

## SCENE DURING REGISTRATION

Pictured here is a camera shot taken on the steps of Old Main during registration. In the foreground are frosh, who this year donned green caps for the first time in the past few years.

## ROTC Students To Wear Bison

Don School Insignia for First  
Time in History of  
Institution

Beginning this year, a gold bison, the school emblem, will be worn on the left shoulder of the uniform coats of the basic ROTC students. The advanced students will wear a yellow and green fourrage on the left shoulder.

The bison is superimposed over a small green triangle and will be worn a half inch below the shoulder seam. The fourrage is of yellow and green, interwoven, in the form of a double braid and is worn over and under the left shoulder.

This is the first time this ROTC unit has worn a distinctive marking although all regular army and most ROTC units wear some sort of insignia.

In addition, the regular officers are wearing black brassards, a mark of mourning because of the death of the former secretary of war, Dern. They were donned immediately after the death of the secretary and will be worn for 30 days.

## Newman Club Open Year With Reception

Newman club, A. C. Catholic student organization, will hold a reception for new students at 7:30 p. m., Sunday, in the K. C. hall, next to the Isis theater.

The affair will formally open the unit's activities for the year, according to Bernard Majors, president.

Mrs. A. J. Tagliabue will be in charge, with alumni members and officers assisting. All Catholic students are invited.

Blue Key, national honorary service fraternity, will hold the first meeting of the year in Ceres hall next Thursday at 6 p. m., announced James Baccus, president.

## Eighty Seniors Given Attendance Exemptions Earn Reward For Hard Study During Junior Year

Diligent class work during their junior year resulted in 80 seniors being placed on the senior list and given exemptions from class attendance during the coming year, announced Registrar A. H. Parrott. A minimum average of 85 for the junior year is necessary in order to make the roll.

Instructors should not report absences for these students and should, on their class rolls, make note of this fact, announced Parrott.

The following are on the list: Marie Amidon, Hugh Anstett, Eunice Arneson, Marjorie Arnold, Eric Arntson, Kenneth Bergan, Andrew Berglund, Harvey Boyum, Don Bu-

## Special Radio Room Equipped

Extension Service Installs  
Facilities for Direct  
Broadcasts

Through the aid of United States Department of Agriculture extension service, activities and information from the local college will be broadcast daily direct from a specially equipped room in the agricultural building.

Named to direct radio publicity

News from today's edition of the Spectrum will be broadcast direct from the NDAC radio room at 3:30 p. m., announced Earl Hodgson. Members of the Spectrum staff will assist in the broadcast.

for the college is Earl Hodgson, NDAC graduate who has been doing county extension work. While in college, Hodgson was business manager of the Spectrum.

The installation of a machine for the electrical transcription of NDAC programs will facilitate the spread of publicity and information. Records made in the radio room will be sent to KFYZ, Bismarck, for daily reproduction, said Hodgson.

After Sept. 20, the program will be on the air from WDAY at 3:15 p. m. daily except Sunday. Until then, broadcasts will be at 3:30 p. m.

## Five Local SAE Men Attend National Meet

Attending a national Sigma Alpha Epsilon leadership conference at Northwestern university late in August were five members of the local chapter. They were Hugh Anstett, chapter president, Maurice Benid, Joey Burgum, Jack Cook and Philip Garberg.

Topics discussed at the school included scholarship, fraternity management, rushing, finance, initiation and alumni relations.

## Total Enrollment Reaches High Of 1376 Following First Week Of Registration; 600 Are Freshmen

College and Nearby Room  
Accommodations  
Taxed

Ceres Cafeteria Enjoys Best  
Business in Several  
Years

By BOB WILLIAMS

College authorities have been in a quandary over the almost impossible proposition of supplying campus rooming accommodations for the heavy influx of freshmen, numbering 600, and upperclassmen, who this year broke all existing attendance records before the first week of classes had elapsed. Fraternity houses, the men's residence hall, and Ceres hall can accommodate only a portion of those desiring rooms on the campus, the remainder finding rooms in Fargo homes approved by the board.

### Hire Graduates

Graduate teachers have been employed by the college in order that large freshman classes can be broken up to afford more individual instruction. Newell Beckwith, chemistry, Miss Winifred Ewald, history, and Clifford Maloney, mathematics, are acting in this capacity.

The college cafeteria has become a mint under the new management and is aided by the fact that few boarding houses have advertised for business. Meals there are exceptionally reasonable and a horde of students and faculty members have already recognized this fact.

### Ceres Is Filled

Ceres hall was unable to take care of the number of girls applying for rooms there. Every available room is occupied and two study halls have been converted into living quarters. In the men's hall cots have been spread over the entire basement to accommodate freshmen until rooms can be located and accredited. Kitchens at the hall have been increased and assigned to needy students who wish to do their own cooking.

## Traffic Rules To Be Enforced Say Authorities

Driving and trespassing regulations pertaining to campus and city traffic will be strictly and rigidly enforced during the present school year, announced college authorities in an effort to eliminate wreckless or speedy driving and to protect the student and faculty pedestrian.

Lyle Currie, campus policeman, will apprehend violators. A speed limit of 15 miles per hour has been clamped on campus drivers. Persons driving cars should also become acquainted with parking regulations in order to avoid embarrassment, advised authorities.

### DR. BRINLEY PROMOTED

Omitted in last week's Spectrum story on promotions of local faculty men was Dr. F. J. Brinley. Dr. Brinley was raised from assistant professor to associate professor rank, announced President Sheperd.

## Transform Attic Into Modernized Suite Of Offices

From the dim, musty rafters and creaking floor boards of an old attic to the spacious airy rooms of a modern office, is the transformation accomplished on the far-away top floor of Science hall.

During late August, Dr. J. T. E. Dinwoodie moved his Agriculture conservation workers and 75 files into the new rooms that have undergone changes during the past summer months. This suite consists of three offices and one large working room, which will accommodate 100 workers.

Formerly, Dr. Dinwoodie's offices were located in Francis hall, in the English offices and Science hall study room. All his workers are now using the consolidated offices.

## Club To Hold Essay Contest

Students May Compete For  
Cash Awards Given By  
Townsendites

Local students will have opportunity to compete in an essay contest sponsored by the officers' association of the Townsend clubs of Fargo. \$15 will go to the winner and \$10 to the runner-up.

The essay topic is "What is the Townsend Plan and how will it benefit the people of the United States of America when it is enacted into law?"

Judges for the contest are P. B. Garberg, Quentin Burdick, and Judge P. M. Paulson. The five best papers will be sent to Professor O. G. Davis, Chicago, for final decision.

The essays are to be from 1,000 to 1,500 words in length. Literature to aid contestants may be obtained at the public and A. C. libraries. Information may be obtained by writing or phoning Mrs. J. H. Amerland, 1346 2nd St. N. The contest ends Oct. 15.

In all the wars in history involving the United States a total of 244,357 Americans were killed. Between 1920 and 1935, the number killed in auto accidents totalled 388,936.

## New School of Religion Completion Set Dec. 1

Climaxing 15 years of holding classes at various places in the campus, Dr. Walter Lee Airheart on Dec. 1 will begin conducting classes in a new school of religion building being constructed just east from Ceres hall. The building is made possible through a substantial donation from Mr. and Mrs. S. Fred Knight, in addition to donations received from interested Fargo people. The cost of the building is \$15,000.

First school of religion on the campus was Wesley college formed in 1921. This was incorporated in 1932 and given over to the Fargo School of Religious Education. Dr. Airheart held his first classes in the YMCA building and later was given classrooms in the college buildings. For the past several years, classes

Until the new structure is completed, Dr. Airheart will conduct his classes in religion at the Dairy building in room 28, he announced today.

have been held in a frame building on the site where the new building is being erected.

A drive to obtain a \$25,000 maintenance fund is being made at present. When completed, the building will be a modern brick structure housing offices, classrooms, washrooms, cloakrooms, storage space, and an attached garage in the back. After the building is constructed, the grounds will be landscaped to form an attractive setting for the new school of religion.

Supplants Record Established  
By Last Year's  
Class

Total Will Increase by 200  
Early Next Week,  
Parrott

With a record breaking freshman class of about 600 newcomers, enrollment figures here have reached an all time high of 1376 students, according to a report made last night by A. H. Parrott, registrar.

Previous record was made last year when a mark of 1351 on Sept. 22 was reached. The latest report is expected to be raised by about 200 upperclassmen who are expected to return this weekend.

In addition to the freshmen, there are 285 sophomores, 256 juniors, 161 seniors, four graduates four special students and 14 in the high school.

### YM-YW Aid

Campus sisters and Alpha Phi Omega, service fraternity, teaming with the YWCA and YMCA, ushered the largest freshman class in history through a solid week of orientation, registration, and consultation, culminating in a freshman mixer last Saturday night and an all-college mixer attended by over 600 students Tuesday night.

Al Brauer planned the YM-YWCA supper Sunday night, and Monday afternoon Mesdames L. W. Smith and C. A. Williams poured a reception tea for all girls. Sunday morning Harry Graves, assisted by Rudolph Otterson and Orville Goplen, had charge of a men's breakfast in the YMCA building, while at the same time the girls were being entertained in Ceres hall with Ethel Olson, president of the YWCA, in charge.

### Jones Presides

Dayton Jones presided at a freshman smoker at which introduction of Bison athletes and organization leaders was made Monday as Lennea Frisk, assisted by members of the Panhellenic council entertained in Festival hall. A musical program was given with Lorraine Dunlevy, Ruby Livdalen, Ruth Piper, Rosemary Lee, and LaVahn Buhman taking part.

In charge of the all-college mixer Tuesday evening was Robert Saunders, president of the student commission, and Lennea Frisk, social commissioner.

## Phi Mu Leads Spring Averages

Phi Mu led all campus social Greek letter organizations for the spring term scholastically, with an average of 86.6. Phi Omega Pi was second with 85.5. Leading the fraternities was Kappa Sigma Chi with 84.6. Sigma Phi Delta, Alpha Gamma Rho fraternities and Kappa Delta sorority had 84.5.

Kappa Kappa Gamma sorority follows with an 83.9 average; Alpha Gamma Delta sorority, 83.4; Sigma Alpha Epsilon fraternity, 83.4; Theta Chi fraternity, 82.8; Sigma Chi fraternity, 82.6; Alpha Tau Omega fraternity, 82.6; Gamma Phi Beta sorority, 82.4; Kappa Psi fraternity, 81.1; and Delta Tau Epsilon fraternity, 80.8.

Deaths totalled 36,000 and injured close to a million last year as the result of auto accidents.

Parents Take Courageous Role In Education

AGAIN the North Dakota parent has shown courage in sending his offspring to college after early registration figures were revealed here.

The will of the parent to help his sons and daughters to go to college is undoubtedly not the only reason for the sizable enrollment.

One would naturally think that due to these depressing conditions, many young people, just finishing high school, would be forced to stay at home, not being able to further their education.

This is indeed, a heartening aspect to those who realize the seriousness of the drought. President Roosevelt, upon his visit to drought-stricken North Dakota, was greatly impressed by the spirit which was shown by the farmers.

NYA Funds Are Boon To Local College Students

A SUBSTANTIAL boon to local college enrollment this year and for the past two years has been federal funds received through the NYA and FERA.

The augmented appropriation, giving aid to over 200 students, can be given credit for at least part of the increased enrollment.

Friends of education, no matter what their political theories are, will commend the NYA setup for aiding college students.

The Editor's Corner

YOUR EDITOR'S requests for criticisms in his first issue came back at him in the form of a double-barreled boomerang with both "boomers" heavily loaded.

An Expression Made When the

height of criticism was leveled at me and which still bothers me is the charge hurled over the telephone terming the editorial in question a "blob".

The Other 'Boomer' Came at

interfraternity council meeting when one of the special columns in the original edition of the Spectrum was given a heated verbal lambasting by fraternal representatives.

Thus, the Upshot of the

whole thing was the printing of a new edition with substitutions made for both objectionable articles. And thus ended my first important episode as editor of the Spectrum.

The Contribution Came in

form of an anonymous letter asking me to print an anonymous weekly column. Excerpts of the letter and comments on it are printed elsewhere.

BISON BRIEFS

By JIM BACCUS

It's with some trepidation that I begin this. First, because its my first attempt, not of putting my ideas on things down on paper, but at columnizing for everyone's general interest; secondly, because I know one gentleman, whose unsigned letter to the editor is reproduced elsewhere, and who has some real leads on what this space should contain, will be watching my efforts closely.

Thoughts while hurrying: I like the green caps again... the change to Festival for registration is for the better... I felt vaguely sorry for the freshman girl, bewildered and frightened, who, flanked by her puzzled father and mother, was being registered in Education by someone even more unfamiliar with it all...

The POPS begin a big year with new rugs, dresses, ice-box, knick-knacks, house-mother, and one new house-boy. Roger Dyson, (Ruth's brother) first-year architect, who with Jammie Irgens will bus the tempting dishes prepared by that master-cook, Mrs. Colton.

Finding myself a student instead of a maestro and jack-of-all-trades doesn't mean I haven't the interests of the jazz boys at heart. It sounds all right, Bob and Bill, but don't feed them too much of the old trash.

That was a terrific stay line, Tuesday. Too bad, with girls at Ceres crying their eyes out... I liked Ward Redman's tie... Did you notice Manny Ladwig trucking and trucking?...

Some of the reactions of frosh girls, being driven over town Sunday, were interesting. The group included Alice Larson, Elaine Madison, and Jeanette Anderson, and they thought Concordia campus very bad, M. S. T. C., good; Moorhead's streets terrible; new Front St. bridge to be "swell"; north Fargo's addition better than the south, some of the peaked roof architecture on dwelling and porch acting against the south.

Quite a group of Jamestown high grads enrolled now: Harold and Alice Larson, (not the POP's president), Bill Bursack, Frank Nelson, Martha Wolf, Dolores Zerbes, Dorothy Olson and Eddie Olson, Ray Fitjar, Margaret Baas, Frances Baxter, Sigurd Johnson, Bernard Majors, Bill Mutz, among others.

Notes on people: The unsinkable Jo Connelly is working for a Billings school official this year... Reimche and the former Miss Alma Marquardt live in Davenport, Wash... Stanley Vejtasa, freshman in 1930, is back to complete his work in Education after getting a certificate at Valley City and teaching a rural school near Park River...

SOCIAL CLIMBER

By LENNEA FRISK

Explanation: Freshman girls, and any other girls on the campus who are considered rushees, please do not think that the upperclass women have become high-hat lately when they merely pass you and say hello.

Cummins Leads Women Students

Catherine Cummins, freshman in applied arts and sciences, led the Senior Staff honor roll the spring term with an average of 95.6.

Seniors: Mary Clemens, 92.8; Rocelia Rud, 92.5; Frieda Panimon, 92.4; Ellen Blair, 92.3; LaVahn Buhman, 91.7; Mary Elise Bibow, 91.6; Lily Simonson, 91.0; Mona Davis, 90.5; Lois Millar, 90.3; Orphe High, 89.8.

Juniors: Alice Larson, 93.3; LaVerne Gilbertson, 92.5; Marjorie Laliberte, 92.5; Phyllis Coyne, 91.4; Marjorie Danielson, 90.9; Emma Jordre, 90.9; Ethel Olson, 90.5; Marjorie Rooney, 89.3; Eunice Arneson, 89.2; Doris Oman, 88.9.

Sophomores: Marion Hokenson, 95.1; Annebel Ahlberg, 93.0; Ruth Piper, 92.2; Verda Van Vorst, 92.1; Elizabeth Jameson, 91.6; Margaret Cadieux, 91.1; Adeline Hoge, 91.0; Elsie Gabe, 90.0; Gwendolyn Stenehjem, 88.9; Lucy Loomis, 88.7.

Freshmen: Catherine Cummins, 95.6; Margareta Bjornson, 94.6; Mildred Yeiser, 92.8; Mary Yeager, 92.8; Mary Mahlan, 92.7; June Lowe, 91.8; Ella Shalit, 91.8; Maxine Schlander, 91.6; Donna Jean Davis, 91.6; Mrs. Harriet Hovland, 91.3.

Dr. Leon Metzinger, Jocal German instructor, and Miss Katherine Jensen spoke marriage vows during the month of July.

Rushing Captains Sharpen Wits For Final Rush Week

As the deadline for completion of all rushing activities draws near, rushing captains for campus Greek organizations are sharpening their wits preparatory to entering the home stretch — a week of formal rushing beginning today for fraternities and Sunday for sororities.

During the sorority rush week no rushing will be allowed except at the time of the parties from four to six p.m., and the evening parties from seven to ten-thirty p.m. Gamma Phi Beta will give an afternoon party Sept. 23 and an evening party Sept. 25.

Formal rushing for fraternities begins Sept. 18; Sept. 20 and Sept. 27 both being closed days for rushing, and silence must be maintained. Dates are set aside for each fraternity rushing party but no fraternity will be allowed to rush between 1 a.m. and 1 p.m. or after 8 p.m. except on the night assigned.

### Freshman Team Stiff Competition Says Coach Smith

Such Players as Mattson, Cortwright, Stefonowicz Aids in Frosh Team

First Game With Wahpeton Sept. 25; "U" Team Will Play Here Oct. 30

"While I don't think we will have as strong a team as last year, I am sure that we will have a team that will furnish some very stiff competition for our opponents," said Coach Johnny Smith when interviewed on his freshman football squad.

Smith continued on to say that his team would not be exceptionally heavy, but that he felt that it would have plenty of speed. Some high school gridders that he thinks will help to build a strong team are Emil Mattson and Clifford Cortwright of Fargo; "Nookie" Schranz of Moorhead; Petrich of Lidgerwood; Cecil Schrank of Grafton; Jack Blair of Ladysmith, Wisconsin; Gorman King of Park River; Miller of Wadena; Stefonowicz of Lakota; Green, and Charlson.

The freshman team has been scrimmaging and running through plays since Monday. Their first game is with Wahpeton Science at Wahpeton, September 25. Following this game they encounter the "U" of North Dakota freshman team here, in a night game, October 30, the night before homecoming. There will be two games with the "U" freshman, the other one to be scheduled at a later date.

### Sport Speculations

By BOB WILLIAMS

**Oliver**  
Read a letter from the hands of Casey Finnegan, chief worrier over today's opener, in which the Omaha coaches expressed the fear that tonight's game was scheduled too early in the season. They complain that a few of their players were late in reporting for fall practice, the squad has been weakened by injuries, and little has been accomplished in the way of signal drill. Which all leads us to believe that Omaha either has a lot of respect for the "cellar" team or else they have not only a coach but a psychologist.

The Omaha report failed to mention the condition of Tippy Tyler, 170 pound triple threat back, who has made football history for three years, besides finding time to equal the conference high hurdle record. Tyler is undoubtedly one of the outstanding ball-toters in the loop and Bison fans will enjoy a demonstration of passing, running, and kicking, last seen in the conference with the passing of Pierce, Hanson, Claudie Miller, and Knauf, unless the herd line can perform the near impossible of bottling him up. Other bright spots on the Omaha eleven will be Johnk, 203 pound center; Gardner, 215 pound left tackle; Gammon, 190 pound guard; an entire line averaging well over the ideal 195 pound average.

One new face and one second-handed will support the wing positions with Stevens, six-foot-four and tipping the scales at 190, returning after skipping a year of varsity competition, Hawkins, another sophomore

teaming with Bud "Hawkeye" bright spot. Held in reserve will be Gil Fredricks, Paul Sorkness, and Ed Welles, promising, but lacking the experience of the former two. And speaking of ends we must mention, in passing, a freshman that could make varsity ball look like marbles tonight were he allowed to compete. Jack "Badger" Blair, 200 pound end standing six-foot-four, a Wisconsin north woodsman, but tougher than any other lumberjack is this man.

At least nine sophomores will see service in tonight's game and it will be no surprise to see Wheeler, Hawkins, and Oliver, on the field for the kick-off. With Pollock at center, we expect to see Oliver, most promising of the freshman crop, teaming with Wayne Springer, backfield prospect returned to the line where he belongs, at the guard posts. Neither will carry the weight of the opposing rough-house but both will be fast and tough, leaving little to worry about in that position, with Holt and Laavig to back them up.

Ernie Wheeler may be the only sophomore back on the starting eleven tonight but Schrank, lineman converted to blocking back to bolster that department. Experience marks the remaining backfield men including Captain Bob Erickson, Emil May, Carl Rorvig, Howard Fraser, Bill Olson, and Phillips. Phillips is likely

**Wheeler**  
Gas-jet Phillips.

### Sioux Boosters Not Expecting Perfect Season

West-men Meet Four Inter-sectional Foes; Three Champion Teams

University of North Dakota fans concede the West-men a very outside chance of sneaking through their eleven game schedule without taking a shellacking, according to Ed Butler, Sioux publicity man.

They will step out of their class to challenge Gus Dorais' clan at the University of Detroit; battle two other inter-sectional rivals in DePaul at Chicago, and St. Louis university, the homecoming fracas, and then wind up with a clash with the Montana Grizzlies at Missoula. Between times they will be expected to chuck the Bison, Luther college, Moorhead Teachers, and four more conference teams into the "defeated by the Sioux" roster.

Luther is out for another uncrossed goal-line record; Buck Starbeck and his Iowa Teachers know too much about the Nodaks; St. Louis is out to avenge a 6 to 7 beating; the South Dakota schools are licking their chops; the Bison are pawing the ground in anticipation of two conference titles in a row; and the inter-sectional foes are primed for national recognition. Anything like a clear record under this arrangement looks pretty dubious to the most loyal.

Granting that West can fit the

to get the starting call tonight.

And now if Kent Helland and I may be so bold, may we name the starting line-up as we see it:

Ends, Forrest Stevens, Bud Hawkins; tackles, Lyle Sturgeon, Bob Miller; guards, Wayne Springer, Leon Oliver; center, Chuck Pollock; halves, Emil May, Bill Olson; full, Captain Bob Erickson; quarter, Wes Phillips.

### Form Nucleus Of 1936 Bison Team

Olympian hurdling flash, Fritz Polard, into the ball carrying department, plus the assumption of all-staters Hovde, Cameron, and Burckhardt, the return of "Dutch" Leidholdt, stellar blocker who skipped a year because of a knee injury, the Sioux are expected to push the conference teams to the top. But Sioux supporters are reported to be keeping their fingers crossed.

### Thomas Appointed Hettinger Coach

Earl Thomas, former A. C. football star, has been appointed athletic director in the Hettinger high school.

Thomas completed his course in education here last spring. Two years ago, he was made all-conference center and was given All-American mention by several prominent sports writers. He was assistant coach of the freshman football team last fall. Previous to his entrance here, he starred with the Grafton high gridders.

Los Angeles.—The eligibility mix-up which threatened to keep Glenn Thompson, hard-running Trojan quarterback and fullback, out of University of Southern California's grid line-up this season has been straightened out to the satisfaction of everyone concerned, it was announced last week.

**BILL STAFF MEETING**  
All applicants for positions on the Spectrum editorial staff should come to a staff meeting in the Spectrum office Tuesday at 4 p. m. Others interested in positions may come.  
Orville Goplen, Editor.

### Thal Elected Head Of Band Fraternity

Max Thal was elected president of Kappa Kappa Psi, honorary band fraternity, at the first regular meeting for the coming school year Wednesday night in Ceres hall.

The position of president was left vacant by Dallas Rudrud, who will not return to school. Woodrow Wieland was elected treasurer of the organization to fill the position vacated by Thal.

### Dean's List Names 362 Upperclassmen

Three hundred and sixty-two students, members of sophomore and junior classes, made places for themselves on the dean's list for the first term, announced Registrar A. H. Parrott. They will not be required to account for their absences during this term, but must comply with the regular attendance requirements or will be barred from the list for the next term.

These students earned this distinction through maintaining an average of 84 during the last term, and a good attendance record, Parrott explained further.

The following are on the list:  
June Aasheim, Annabel Ahlberg, Marie Amidon, Corrine Anderson, LaVaun Anderson, Russell Anderson, Woodrow Anderson, Duane Anstett, Hugh Anstett, Richard Armstrong, William Armstrong, Eunice Arnason, R. Gordon Arneson, Eric Arntson, David Askegaard, James Baccus, Hubert Bahr, Lottie Behrens, Evelyn Bengson, Charles Benson, Darold Benson, Wilbur Benson, Kenneth Bergan, Erling Berget, William Berget, Andrew Berglund, Arnold Bernard, Harold Bice, Philip Biewer, Charles Birkeland, Margaretta Bjornson, Wallace Bjornson, Joyce Black, James Blimm, Nevin Boemann, Millar Borke, Floyd Botsford, Edward Boulger, Harvey Boyum, Franklin Brame, Catherine Brandes, Gordon Brandes, Emma May Brittin, Harold Bruschein, Don Buchanan, Howard Buchholtz, William Buck, Carol Buhrmann, Ralph Bullock, Arden Burbidge, Margaret Burns, William Bursack, Marsden Busch, Marilyn Butterwick, Sterling Byerly.  
Margaret Cadieux, Roy Carr, Cyril Chandler, Elizabeth Christensen, Mary Clark, John Clason, Arvad

Cline, Dorothy Cone, DeLores Cook, Georgia Cook, Frances Cooper, Edgar Corneliuson, Phyllis Coyne, Kirk Crawford, Lyle Creiman, John Cromb, Ellen Cronin, Jean Crowley, Taylor Crum, Virginia Crust, Edward Curren, Ralph Dahl, Bruce Dahrling, Marjorie Danielson, Donna Jean Davis, Roy DeRose, Elizabeth Dewey, John Dimunation, Florenz Dinwoodie, Robert Dolve, Thomas Donovan, Helen Edmonds, Walter Ekeren, Charles Evers, Ernest Farnum, Lawrence Fine, Winfield Fine, Neil Fisher, Oscar Flatau, Robert Follett, Clifford Forkert, James Foss, Richard Foster, Esther Friendberg, Kenneth Frouland.

Daisy Gessner, LaVerne Gilbertson, Dorothy Goebel, Harry Graves, Willard Greenleaf, Roberta Gregg, Leslie Gruber, Edwn Gruneh, Robert Gwyther, Irvin K. Nelson, Arnold Ness, Beatrice Ness, Maynard Nesvig, Leslie Neumann, Margaret Newell, Arthur Newman, Jean Newton, John Niles, Madeline Nims, Marjorie Nims, Peder Nystunen, Lewis Odland, Julia Oehlert, Beth Oliver, Chester Olson, Ethel Olson, Doris Oman, Eleanor Oman, Frank Osborne, Kay Ostergaard, John Pahl, Marvin Paulson, Marjorie Pederson, Oswald Peltola, Robert Penman, Edgar Peterson, Mildred A. Peterson, Margie Pfeffer, Ruth Piper, Vinton Plath, Lillian Platt, Frances Probst, Robert Pryor, Clarence Putnam, Claire Putz.

Cathryn Ray, Ward Redmond, Emily Reynolds, Jackson Riedesel, John Ringdahl, Olav Rogensen, Marjorie Rooney, Louis Rosenberg, Beatrice Rosatti, Oliver Rowe, Phyllis Rowe, Maurice Ruland, Robert Ruse, Arnold Rustad, Ted Samuelson, Noble Sanders, Robert Sanders, Cyrus Sawby, Murray Schaetler, Maxine

Schollander, Joseph Schultz, Jane Schulz, Elaine Schurr, Edith Serungard, Ella Shalit, Dorothy Sharpe, James Shigley, Maynard Sholts, Robert Simmons, Allan Skarie, Naomi Skarison, Myron Skow, Orin Smedborn, Ralph Smith, Lyla Sommers, Frank Sorenson, Orville Sorvick, Harold Spitzer, Wayne Springer, Gwendolyn Stenehjem, Jerome Stevens, Russell Stevenson, Eleanor Stoltenau, Alfred Strinden, Russell Stuart, Lyle Sturgeon, John Sundt, Clifford Svidal, Leland Swanson, Josephine Swenson, Ruth Swisher.

Constance Taylor, David Taylor, Robert Taylor, Joyce Tehven, Max Thal, Donald G. Thompson, Harold J. Thompson, John Seth Thompson, Lewis Thompson, William H. Thompson, Dorothy Thull, Nicholas Timpe, Harold Tisdale, Gene Trotter, Eleanor Trzeinski, Verda VanVorst, Esther Vig, Clifford Volkerding, Eloise Voss, Leslie Voss, Edwin Walker, William Walsh, Francis Walters, Steve Ward, Earl Webster, Mildred Weiser, Leiber Wells, Willa Jean Wells, Julia Wetmore, Maurice Wicklund, Selma Wieseke, Robert Williams, Jane Willson, Joseph Wright, Lavone Wylie, Mary Yuster, Phil Yuster, Arthur Zbytovsky.

The first all-college pep rally of the year led by the Gold Star band and "Doc" Putnam, paramount rooter on behalf of A. C. undertakings, was held in Festival hall at 9:40 this morning.

Members of the football team that will attempt to squelch the title hopes of a highly ballyhooed Omaha eleven tonight were introduced. Captain Bob Erickson, and Coaches Bob Lowe and Casey Finnegan, made brief comments regarding the feeling of the team toward the battle.

### Frosh Poet Finds Local Tests Tough, To Take Sub-English

There is no justice. At least so believes the Webster, N. D., athlete, who, after having a poem written by him printed in a literary journal, took the English placement test here and muffed it.

Wm. McKee, paramount bull-throver of the Theta Chi house, already dubbed poet laureate of Phi chapter, "Fibber McKee," and other labels, is that disillusioned literary aspirant.

Fearless, masculine and quick witted, McKee shows promise on the athletic field and social contacts, but he must live down the amazing inconsistency which finds his work in literary publications on one hand and forcing him to take sub-English on the other.

His poem, "Prisoners of Alcatraz," was published in the current issue of "Prairie Wings," North Dakota poetry journal.

"It was all a mistake," said Jeff Cravath, assistant to Coach Howard Jones. Cravath made it his business to investigate the cause of the trouble when the faculty athletic advisor's office one day came forth with the announcement that Thompson's scholarship records were not all they should be. The assistant coach, however, said he found that Glenn had not been properly credited with certain items and that now everything is "hunky-dory."

Start the Fall Term  
With the Pen That  
Students  
Rate Highest  
BY ACTUAL VOTE  
Invented by a College  
Professor to Bring You  
Higher Grades

A college professor noticed that poor grades are often due not to brains running low but to pens running dry!

So he worked out an utterly different and basically better pen principle—and Geo. S. Parker engineered it to perfection.

Thus came the revolutionary Parker Vacumatic that has superseded every old-style pen—both sac-type and sacless.

Recently the student editors of 30 college papers asked 4,699 of their readers, "Which make of pen do you own? Which pen do you prefer?"

To both questions more students answered "Parker," than any other two makes of pens COMBINED!

One reason is that the Vacumatic ink supply is EVER-VISIBLE, the ENTIRE length of the barrel. It isn't merely last-drop visibility—doesn't merely show when your pen is empty. It shows days ahead WHEN IT'S RUNNING LOW, so it can't run dry against your will.

The Vacumatic's working parts are sealed in the top WHERE INK CAN NEVER TOUCH THEM—can never decompose them. That's why this miracle pen is GUARANTEED mechanically perfect.

And the Parker Vacumatic has no rubber ink sac or lever filler—hence

has room for 102% more ink without increase in size!

Its luminous, laminated Pearl style has won every Pen Beauty Contest by 2 to 1. Go and see it today at any good store selling pens. The Parker Pen Co., Janesville, Wis.

To Make Any Pen Clean Itself  
Try this utterly different writing ink—Parker Quink—an ink that dissolves deposits left in pens by ordinary inks. Quink cleanses a pen as it writes—a Parker or any other pen. Ends pen-clogging. Get Quink at any store selling ink, 15c and 25c.

Styled Right!  
Priced Low!  
Amazingly Sturdy!
