NUMBER 14

4-H Club Annual Institute Disbands Today

Leaders Name Partners For Military Ball

Gertrude Powers, Jane Schulz Will Be Awarded Honorary Commissions; Billo to Play

When the grand march of the Military Ball, first formal of the social season, gets under way at 9:30, Friday night, Jan. 10, the leading couple in line will be Walter McGrath, manager of the ball, and his partner, Margaret Hansen. Following them will be assistant ball manager, Warner Litten, with his guest, Elizabeth Dewey.

As president of Scabbard and Blade, military fraternity sponsoring the ball, Lynn Fredrikson with his partner, Ellen Blair, will be the third couple in line. Fourth couple in line will be Cadet Colonel Sidney Shannon, with Frances Asleson of Fargo as his guest.

Prior to the grand march, a saber arch will be formed through which Gertrude Powers, battalion sponsor, and Jane Schulz, president of Guidon, will pass to receive the honorary commissions of cadet colonel and lieutenant-colonel, respectively.

Those who look forward to an enjoyable evening of dancing will not be disappointed for Joe Billo and his orchestra have been secured to furnish the music. This same band played at the Engineers' ball this fall and were very favorably received. Billo's band is one of the most popular in the northwest and Billo himself has played in such orchestras as Herbie Kay's and Clyde McCoy's.

Decorations will carry out the military theme of the ball and are being planned by Bob Sundt. Many of the decorations and lighting effects will be secured from Minneapolis. A detailed drawing of the decorations will be exhibited soon in the windows of a downtown store.

For this ball either tuxedos or military uniforms will be proper. Tickets are on sale for \$1.50 and may be purchased from any member of Scabbard and Blade. Informal dancing will start at 9 p. m. Following the grand march, which will begin at 9:30, program dancing will start and will continue till 1 a. m.

EDWIN BOOTH DRAMATIC CLUB INITIATE SEVEN

The Edwin Booth Dramatic club initiated seven students at a meeting Sunday evening at the Little Country theater. Wilfred Rommel, president, was in charge.

Those initiated were Gwendolyn Stenehjem of Arnegard; Robert Pryor of Devils Lake; and Elizabeth Dewey, Marjorie Rooney, Grethe Jones, Robert Nelson, and Dayton Jones, of Fargo.

Following the meeting refreshments were served in the Lincoln Log Cabin. Former members of the club were guests at the meeting.

STATE LEADER

H. E. Rilling, state director of North Dakota's 4-H activities.

Scots' Christmas Portrayed at LCT

"Christmas in Scotland" was the title of the 20th annual Christmas festival staged by the class in festivals in The Little Country Theater Sunday, December 8, under the direction of A. G. Arvold.

After entering the college gate while the chimes sounded from the tower of Old Main, guests were conducted to the open court adjoining the theater which was converted into an evergreen forest. At this juncture the NDSC girls' glee club, under the direction of Adda Blakeslee, sang Christmas carols.

Following a brief interval of chime music in the theater which was transformed into a miniature cathedral, a story of the nativity, "One Night in Bethlehem", was presented. The play was directed by LaVerne Gilbertson.

A children's Christmas program was presented in the Seminar room under the direction of Mason Arvold, son of A. G. Arvold. A scene from Shakespeare's "Midsummer's Night Dream", and an original scene from a story by young Don McCracken, were given, after which stories were told by Lorraine Weir and Mary Sherwood of the Story Telling department.

A social hour followed in the Lincoln Log Cabin at which coffee and cookies were served.

The first college cheer is credited to Princeton students, who got the idea from an unknown private of the Seventh Regiment of New York, as the outfit mobilized for war in April, 1860.

In a single year, the central earthquake reporting bureau at Oxford university reported 7,000 tremblors, of varying severity, occurring in all quarters of the globe.

Annual Y Kiddies Party Held Tonight

Carrying out an eight year old tradition, the NDSC YMCA and YWCA are jointly sponsoring the Christmas kiddies party tonight. About 115 of Fargo's needy children will be guests at the party.

A full dinner will be served to the student or faculty member buying a ticket in addition to the dinner, toys and candy given the kiddies. In addition, the YMCA gymnasium, where the affair is being held, will be done up in Christmas decorative fashion. A Christmas tree has been provided, a Santa Claus will be on hand, and a program has been provided to entertain the kiddies. The affair takes place from 6 to 8 p. m.

The program includes a violin solo by Gail Aamoth, a reading by Dorothy Cull and a song by Delores Twilight.

Dayton Jones and Phyllis Rowe declare that to date the ticket sales is falling far short of financing the party and urge everyone to buy their tickets early today.

Commission Plans New Constitution

A revision of the constitution and by-laws of the student commission will be submitted for student body approval early in January, announced Walter McGrath, president of the student governing group, late yesterday.

A committee composed of Vern Johnson, Katherine Kilbourne, and Vern Kasson will submit a plan for the revision of the constitution, and the laws governing each office in the group will be revised by the respective office holder. This change will be the first to be made in twenty years.

The student body had been asked to submit suggestions to the committee but as none were received, the commission feels that the student group will approve of any rule made.

Useless Honoraries Receive Criticism

Greencastle, Ind.—ACP.— Beginning of a general movement for the abolition on the Indiana University campus here of honorary fraternities that fail to justify their existence, and perhaps of social fraternities also, was predicted by student leaders following the announcement recently that members of Phi Gamma, honorary journalistic, debating and dramatic fraternity, had decided to disband.

The action was commended by Dean C. E. Edmondson, who said, "If the members of Phi Delta Gamma felt their organization was not doing any constructive work and was, therefore, not justified, they did the wise thing by disbanding. Undoubtedly there are other organizations on the campus that are not justified."

4-H LEADER

Miss Pauline Reynolds, assistant state 4-H club leader.

Welford Speaks To Youthful Audience

Water conservation and a more equitable tax system were cited as North Dakota's two major problems challenging the youthful generation for solution in a talk before the NDSC student body and members of the 4-H Institute by Governor Walter Welford last Tuesday.

That an extensive water conservation program must be carried out in this state to offset the sinking water levels was emphasized by Welford. The CCC and biological survey is helping in achieving this end, he said.

A substitute tax system to replace the outmoded real estate tax was advocated by the governor. The present North Dakota sales tax was lauded as an emergency measure and might prove a building base for future tax systems, said the governor.

The 4-H activities and the International Livestock Show came in for praise from the governor.

DEBATE SUBJECTS ARE LISTED FOR WINTER TERM

Due to exams there are no debates scheduled before the next quarter gets under way. There are to be four questions for debate:

1. Should the counties of North Dakota be consolidated?
2. Are the economic sanctions against Italy justified?
3. Should our present system of mass college education be continued and encouraged?

The question for college debate is: 4. Should Congress have power to overrule by two-thirds majority vote decisions of the Supreme Court declaring laws passed by congress unconstitutional?

All students who wish to take part in either community or collegiate debate next quarter are urged to see Henry Swenson for further information.

Russian medical students are classed as workers and are paid 100 rubles a month by the government.

Delegates Leave After Successful 4-H Convention

Washington Representative Addresses Conclave Tuesday On National Club Work

By BOB WILLIAMS

The week of six o'clock breakfasts is over for 517 North Dakota 4-H club boys and girls here this week for the Twenty-sixth Annual Institute, the healthiest boy and girl will go back to their whole milk and spinach, boys with tears will leave with fond memories of the lambs, steers, and barrows, that brought downwards of \$384 Thursday, girls will leave with sewing machines, pressure cookers, and ribbons—the better show to make next year—and NDSC students and Fargo business men will go into the holiday period with new vigor inspired by our farm youth. Harry Rilling, and Pauline Reynolds, state 4-H club leaders, and our silent Tom Gildersleeve, not to mention the scores of interested students that have cooperated to make this year's achievement week a decided success, have another victory for themselves and deserve special mention.

Institute delegates are also celebrating the success of their club representatives who attended the National Club Congress in Chicago, Nov. 29 to Dec. 6, in which 25 North Dakota 4-H members participated. Among the awards secured there was the placing of George Strum of Hastings as third high individual in the national livestock judging contest, and the ribbons gained by Helen Grant of Barnes county, and Esther Manz of Stutsman. The state livestock judging team placed ninth in the national event. Added to this we have the various awards of the state institute distributed throughout the various counties of the state. But more important yet is the host of hard working club members and leaders who offered the competition that made the delegates work for the right to represent their club at Fargo.

The twenty-sixth annual meeting was called to order Tuesday by Mary Jane Phelps, president, and the minutes of the last meeting were read by Fred Elliott, secretary, followed by an official welcome by H. E. Rilling, state club leader. R. A. Turner, a Washington representative of club work, addressed the conclave on the subject, "Club Work from a National Viewpoint." They then retired to Festival hall for a joint convocation with the student body. "Doc" Putnam and his Gold Star Band rendered several selections prior to the introduction of Governor Walter Welford, who gave an inspiring address to the assembled body.

Wednesday, the livestock were placed preparatory to the sale the following day. A chamber of commerce banquet followed that evening as well as free entertainment at the Fargo theater. Throughout the week various entertainment was offered in the Little Country theater.

The Growth of 4-H Work

With "Heads, Hearts, Health, and Hands" (the 4-H's of man's social organization and individual advancement) the future farmers of North Dakota have throughout the last year tried their best to bring about more and better results in their individual localities.

A year ago hundreds of young people, chosen as representatives by their local groups, met here at North Dakota State college, demonstrated the progress they had made in the preceding year, were inspired and encouraged to go on with their work by speakers who had the best interests of the state and of its youth at heart, and returned to their homes and work—but not before they had presented a colored-glass window to the Little Country theater, both in appreciation of the great services and pleasures which it has given to rural communities and in remembrance of the "great time" they had enjoyed here.

Once again the chosen hundreds have rallied to the convention call, and North Dakota State college, perhaps the leading exponent of creative, helpful service to the farmers in the state, is again the mecca. As evidence of the rising significance which must be given to 4-H groups as a force in society, the governor of the state, Walter E. Welford, has made it his business to be here to speak.

Many undergraduates here at present are members or former members of 4-H clubs. They, more than students from cities are directly interested; but it is our sincere belief that everyone, despite his seeming remoteness from the work, will find it decidedly to his future advantage to share actively in the convention . . . either by attending meetings or by making the visitors as welcome as possible.

And when the delegates leave, give them the traditional college "glad-hand"; for, remember! our college colors are the colors of agriculture . . . the green and yellow of prairies and grain fields!

Joe Wright.

A Support-deserving Function

A bit of charitable giving is afforded the activity-rushed student tonight when the annual "Y" Christmas kiddies party is given. No single college sponsored function accomplishes a more happiness-giving purpose than does this party.

To give one of Fargo's needy children a good dinner, candy, toys and entertainment is the accomplishment of each person who buys a ticket to this affair. It deserves student support.

By spending just a small amount, college students may bring Christmas cheer to those less fortunate than themselves.

BISON BRIEFS

There just isn't a way out—how can we decide how to look or act—if we have ears like McGrath people will know blame well we've had them frozen—if we have hair like Mercedes everyone will know we've had a shampoo—or a temperament like Goplen, they know we frequent the Crystal—if we are pacifists we flunk military—if we are conservatives we are heels and if we are radicals we are Rays—if we don't drink we are pansies and if we do we make the bison briefs—if we wear oxfords we are collegiate and if we wear boots we are Connellys and go out with a pop—if we write columns the student body kicks and if we don't write columns they kick also—if we are dopes we stay out of office and if we are worse than that we get on the student commission—if we flunk our exams we are boneheads and if we top the honor roll we are apple polishers—if we think we should work in school the staff helps us and if we think we should work when we graduate God help us—if we don't eat at our own Ceres cafeteria we prunes and if we do it is prunes anyway—if we look to Psyche for jobs we are disappointed—if we look for a job without asking Psyche she is disappointed—if we plan on a night at the grand parlors the sigma chi's beat us to it and if we don't lay our plans there they'll be at the dugout too—if you flare up when we mention Bob Taylor we flare up when we mention him too—if Riggs is a Theta Chi then McCormick is a joke—if Deitrich can run a fraternity house he ought to be able to run weiser out—if God should have put chimneys on people that smoke as Helt says, he should also have made Helt's feet out of virgin soil that He made pure and free so he wouldn't have to walk on everybody's lawn—if Florenz D. wants to be popular she should squelch her little sister first for more than one reason—if Gertie can't make a fortune she can at least carve herself a career—so a columnist hasn't got a chance—if he has a nose for news he has a neck for noose—if he tries to be funny he is scoffed at and if he doesn't try to be funny he is laughed at—if you work on a paper your life is one of misery but if you are editor it is rather soft—if a girl can't dance you won't ask her and if she can you don't get a chance—if you go to the military ball you can't buy a car and you can't go without a car—so why live—if we live to learn some of us must have been just existing for the past twenty years—or maybe some of us were out to lunch when the brains were passed out—enough for that.

A certain speaker recently stated that in all his travels he had found no place where the girls as a whole were better looking than in North Dakota—he added that the only reason we do not appreciate this fact is because they are compelled to wear too many cloths the year round—we think we get spring fever but what actually happens is that they start shedding and our emotions are regulated by our eyes.

Another man said that people organized hang together like a bunch of bananas—but have you ever noticed how soon a banana gets skinned once he leaves the bunch—that is what drives writers nuts—they have to leave the group to get material and you know what fellows—we realize that you readers get tired of reading the same names all the time and the subjects probably feel the same way about it—we would appreciate your suggestions.

Slinging the "bull" is his specialty
 And he does it skilfully.
 He teaches classes in Military
 And it happens very rarely
 That he'll pass up a chance to speak
 On any topic of the week.
 By telling tall stories he regales us
 And at no time fails us
 In spinning a wild yarn
 About Mexico or the Marne.
 His stories are so "tall" they cause men
 To think him a veritable Baron Munchausen.
 We'll write "Finis"
 By saying it's Ennis.
 Though we've omitted you, Captain Mac,
 Don't you fret, we'll be back.

As a parting thought—the military department anticipated the giving season by letting the militant-pacifist Goplen out after an extra term's workout. And he's exempt from the final, too! We knew our trust wasn't misplaced.

Theater Reviews

Stars of radio fans will play a large part in the film offerings of local theaters next week.

Jack Benny, with Una Merkel, Ted Healy, and Nat Pendleton will play at the Grand theater Sunday through Tuesday, in "It's in the Air." The following two days "Here's to Romance," with Nino Martini, Genevieve Tobin, and Anita Louise will show. Dick Foran and Sheila Manners are cast in "Moonlight on the Prairie" next Friday and Saturday.

Carole Lombard, Fred MacMurray, and Ralph Bellamy will act in "Hands Across the Table," starting at the Fargo theater tomorrow and continuing through Tuesday. Claudette Colbert is starred in "She Married Her Boss," with Melvyn Douglas and Michael Bartlett at the same theater Dec. 18-22.

An English production, "Born for Glory," is showing at the Roxy today and tomorrow. Barry Markay and Irene Dunne and Clive Brook will show Sunday and Monday. Helen Twelvetrees and Ralph Morgan are cast in "She Was a Lady" the following three days.

Playing at the State theater today and tomorrow are Charles Butterworth and Una Merkel in "Baby Face Harrington." "Wings in the Dark," with Myrna Loy and Cary Grant is scheduled for the next three days. James Dunne, Neil Hamilton, and Skippy, a wire-haired terrier, share honors in "The Daring Young Man," showing at the same theater Dec. 18 and 19.

Cornell Scientist Aids Cancer Fight

Ithaca, N. Y.—ACP.—What may prove to be another milestone on man's long road toward a cancer cure has been uncovered by Dr. W. F. Bruce, instructor and research worker in the chemistry department of Cornell University, who has isolated a new material called the most active substance now known for the probation of cancer.

This new substance—a hydrocarbon called methylchloranthene—was discovered while Dr. Bruce was pursuing an investigation begun by English scientists. They had discovered that the skin cancer so prevalent among workers with coal tar is caused by a particular hydrocarbon occurring naturally in the coal tar.

"It is necessary," says Dr. Bruce, "that a rational idea of the cause of cancer be obtained before a cure can be instituted. Positive proof of the ability of the new substance to initiate cancer has been demonstrated.

"From the medical point of view, the field of cancer research has been characterized by a leading investigator as 'hard and stony ground'. Therefore, the work of the organic chemist would appear to offer a new and encouraging method of approach to the problems of this field."

A EULOGY

"For ways that are dark and looks that are vain,
 The Heathen Chinese is peculiar";
 For farmers that toil all in hopes of their grain,
 Than prices there's nothing unrulier.
 For boys and for girls who had courage to face
 What seemed on the surface destruction,
 There came: "For not raising a grain in this space,"
 Immediate cash for "reduction."
 While taking advantage of government aid,
 The 4-H's haven't been shirking;
 With thoughts to the future when taxes are paid
 They've spent all their energy working.
 They're learning to make every cent do its task;
 They learn that in union is might;
 They know that State college will do all they ask,
 'Cause "It serves the farmer right!"
 —Joe Wright.

Attendance Records Are Set By Institute

Besides being the best attended institute of any in the 26 years the event has been staged at the North Dakota Agricultural college, the 1935 institute was also the most thoroughly representative of the state.

The 462 delegates and 54 local club leaders who took part in the four-day session which opened Dec. 10 came from 47 of the 52 counties in which organized 4-H club programs are conducted by the extension service. Only five counties that have clubs failed to send delegates.

Besides celebrating one of their most successful Achievement Institutes, 4-H members of the state also have occasion to celebrate 1935 for the large growth which occurred both in total club membership and in the number of clubs.

In the past year enrollment in the organization which is open to farm boys and girls in every community increased nearly 47 per cent.

That is recognized as an excellent advance in the work, particularly when the club department of the extension service has always maintained a conservative policy in developing the organizations. No attempt is ever made to use high pressure methods in increasing club enrollment, for the department feels that it is to the best interest of the work to allow the clubs to grow where there is a real interest and community demand for them.

Such a demand was evident in 1935, with the result that club membership is now well over 8,000 in 52 counties. The number of clubs also increased greatly, the number growing from 524 in 1934, to 739 in 1935—a 41 per cent gain.

Agricultural clubs made the heaviest gains, with the present membership nearly double that of a year ago. Enrollment in home economics activities registered a 24 per cent gain. However, there are still more than 1,300 more girls than boys in the clubs.

Fifteen counties have more than 200 boys and girls taking part in club activities. These counties include: Barnes, Ward, Stutsman, Benson, Dickey, Williams, Burleigh, Ramsey, Walsh, Cass, Sargent, Grand Forks, Pembina, Adams, and Ransom. Barnes is the leading 4-H county in the state in clubs and enrollment, with 482 members in 45 clubs.

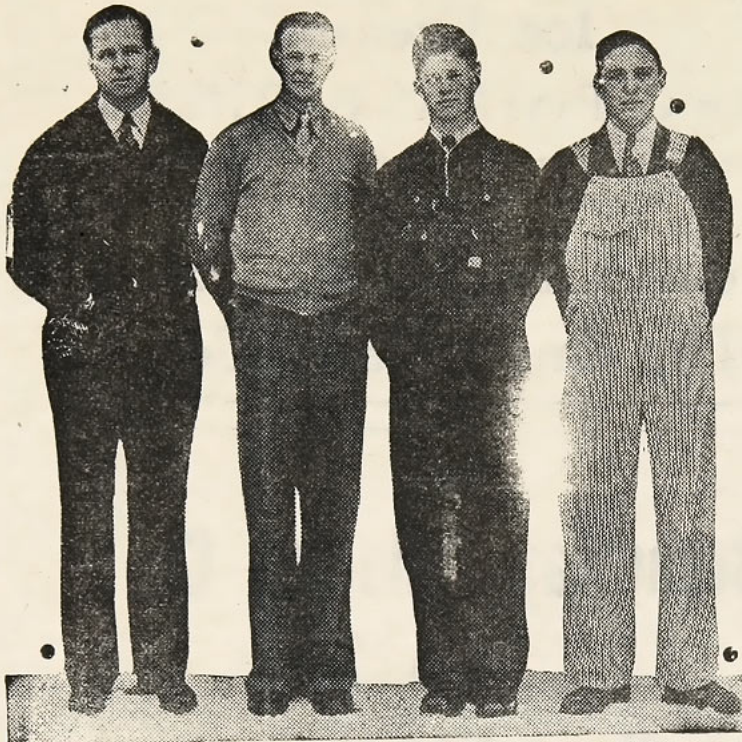

Twenty-one counties have enrollments between 100 and 200 boys and girls. They are: Bottineau, Cavalier, Hettinger, Richland, Foster, Mercer, McKenzie, Sioux, Wells, Eddy, Billings, Renville, Griggs, McLean, Rolette, Morton, Bowman, Towner, Pierce, Dunn, and Emmons. McIntosh is the only county which does not have any 4-H work.

Five Club Members Get Honor Reward

Expenses paid to the North Dakota 4-H Achievement Institute at the State college this week were the rewards enjoyed by five club members who have worked diligently the past year in the interest of wild life conservation. Names of the award winners were announced this week by H. E. Rilling, state 4-H leader.

Carolina Soma, Glenfield, Foster county; Helen Follman, Rugby, Pierce county; Melvin Kjos, Mott, Hettinger county; Everett Barta, Steele, Kidder county, and Louise Bellamy, Drayton, Pembina county, received the honor.

BARNES COUNTY JUDGING TEAM

This 4-H livestock judging team composed of Bill Plath, coach, George Strum, Gordon Potter, and Gerald Didier, all of Barnes county, placed ninth at the International Livestock Show held recently in Chicago.

WELCOME, 4-H MEMBERS

To members of the 4-H clubs of North Dakota, the Spectrum staff at NDSC dedicates this issue of the weekly newspaper. We have attempted to make it interesting to you and to the students of the college and through its pages give one another an insight into the varied activities which we as students and you as club workers carry on.

We hope that sometime in the near future it may be your convenience to become a member of our student body and share in our activities here. The development found in 4-H club work should make each of you a student that the college and we, as students, would be proud to have. We congratulate you, club members.

THE SPECTRUM STAFF.

Grand Forks Girl Wins Clothing Prize

A tailored wool dress was selected as the most representative of the 38 clothing outfits displayed by girls from seventeen of the twenty-one counties in the revue Wednesday. Amande Skrede, designer, of Grand Forks, received a sewing machine as the first prize.

Placings in each of the four classes were as follows: cotton school dress—Tina Hovi, Hannaford; DeLores Ward, Enderlin; Leona Axtell, Medina; informal party dress—Jean McDonald, Grand Forks; Ruth Haggarth, Glenfield; Laura Udem, Rogers; semi-tailored silk dress—Helen Richards, Amenia; Mildred Russell, Buchanan; and Gunvar Carlson, Oakes; wool dress—Amanda Skrede, Grand Forks; Lucille Olson, Jamestown; Arlene Adcock, Cuba.

In the foods awards two first prizes were given. Pressure cookers for this award went to Ruth Meier, New Salem, and Wilma Mejie, Surrey. Second places were won by Genevieve Linster, Berthold, and Irene Josephson, Washburn, while the third awards were received by Helen Jensen, Hettinger, and Nora Schwarting, New Salem.

Rosemary Kalinowski, Cray; Dorothy Arason, Mountain, and Mardell Litsey, Bisbee, won first, second, and third, respectively, in the contest for home furnishing.

Strum Outstanding 4-H Club Member

George Strum, Hastings, was named the outstanding 4-H club member at the institute here this week and was awarded the Alpha Gamma Rho trophy at the annual club banquet given the delegates by the Fargo Chamber of commerce Wednesday. Strum, as member of the North Dakota 4-H judging team at the International Livestock Show in Chicago, was third high individual and won a one hundred dollar scholarship. While here he registered at NDSC and will begin school here next term. Other awards went to Norma Stepenek, Wheelock; Edna Erickson, Devils Lake; and Leona Luedtke of Medina.

Miss Stepnak won one of three awards offered by Phi Upsilon Omicron, college honorary home economics fraternity, for the excellence of her work in food club activities. In her sixth year in club work she prepared 311 meals for her family and canned 156 pints of food.

The foremost home furnishing club member was Edna Erickson who does practically all of the sewing for herself and family. Her activity in clothing clubs gained for Leona Lutdtke, the last award.

Also honored at the banquet were two adult members whose interest and effort in helping 4-H clubs in their communities earned for them a special vote of appreciation from the institute. The two leaders were Mrs. C. A. Wicks, Williston, and Elmer West of Rhame.

Pressure cookers were awarded Ruth Meier, New Salem, and Welma Mejie, Surrey, winners in the home economics contest Wednesday. Genevieve Linster, Berthold, and Irene Josephson, McLean county, received red ribbons and white ribbons awarded Helen Jensen, Hettinger, and Nora Schwarting, New Salem.

HEALTH CHAMPIONS CHOSEN AT INSTITUTE

A Sargent county boy and a LaMoure county girl were selected Thursday as North Dakota's 1936 4-H club health champions at the Achievement Institute in progress at the Agricultural college.

The pair are Luther Gulleason of Rutland, and Lillian Gackle of Kulm.

The University of Vermont has distributed a booklet on etiquette to the male contingent on the campus.

Livestock Brings Record Prices At 4-H Auction Sale Thursday

Crossbred Angus Steer Wins Grand Championship At Show

A cross-bred Angus calf shown and fitted by Bernard Johnson of Amenia was named grand champion of the baby-beef division of the tenth annual 4-H livestock show that saw over 55 animals, groomed and fitted, pass the judgement of members of the NDSC animal husbandry department Wednesday forenoon preparatory to the auction sale Thursday. Elmer Genz of Ellendale exhibited the grand champion in the swine show, a Poland China barrow, and the third grand championship was taken by a southdown lamb shown by Roger Cossette of Wild Rice.

Reserve champions in the show Wednesday were won by Howard Jabs of Fort Totten with a Hereford in the beef class; Willard Brakke, Wild Rice, with a Chester white in the swine class; and by Grant Anderson, Wild Rice, with a Shropshire lamb in the sheep division.

Bred champions and reserve champions were as follows: **Short-horn**—Leslie Holweger, Northwood, and Wilma Logg, Forest River. — **Hereford**—Howard Jabs, Fort Totten, and Raymond Schnell, Dickinson. **Angus**—Bernard Johnson, Amenia, and Ernest Benedict, Hazelton. — **Duroc Jersey**—Kenneth Grant, Cuba, and Vernon Grant, Cuba. — **Chester White**—Willard Brakke, Wild Rice, and Hazel Brakke, Wild Rice. **Hampshire**—Leroy Miller, Minnewaukan, only exhibitor. **Poland China**—Elmer Genz, Ellendale and Orlando Reiten, Wild Rice. **Spotted Poland**—Sterling Weiker, Cando, and Richard Retzlaff, Ellendale. **Yorkshire**—James McCauley, Park River, and Kenneth Dobemeier, Park River. — **Shropshire**—Grant Anderson, Wild Rice, and Roland Reiten, Hastings. **Hampshires**—Floyd Fredenberg, Edgeley, and Herbert Sebastin, Langdon. **Southdowns**—Roger Cossette, Wild Rice, and Donald Sorenson, Kathryn.

Merchants Pay Record Prices For 55 Youngsters' Livestock

A bullish market on 4-H meat on the hoof brought new highs for the week, Thursday, as numerous business firms, interested in the welfare of North Dakota farm boys and 4-H club work, rallied to the cause of fifty-five deserving young livestock men to reward them wholeheartedly. Swift and Company paid \$384, or over \$3 a pound, for the grand champion lamb of the show, a Southdown owned by Roger Cossette of Wild Rice.

Leading the list in the beef division was Armour and Company of West Fargo, which paid Bernard Johnson of Amenia, \$341 for his grand champion steer, a crossbred Angus. The same company paid Elmer Genz of Ellendale \$179 for the grand champion barrow of the show.

No beef animal in the sale sold for less than sixteen cents a pound, the lowest for hogs was eighteen cents a pound, and the low for lambs was thirty-five cents a pound, prices well above the 1934 returns. All of the 55 beef cattle, lambs, and hogs, were sold. H. L. Finke of Minot, was auctioneer.

Other firms on the honor roll for showing their support of the attempts of thousands of 4-H workers in the state by taking part in the sale were: Fargo Rotary club, Manchester Biscuit company, Fairmont Creamery Co., Central Co-operative Livestock Commission Co., Powers Hotel, Merchants Bank and Trust Co., Interstate Seed and Grain Co., First National Bank, Fargo Forum, Cudahy Packing Co., Union Stock Yards, Sears and Roebuck, Greater North Dakota association, Northwest Fair Assn., Dakota State Fair Assn., Northern States Power, County Agents Assn., Weiler and Weiler, Golberg Feed and Seed, Midwest Farmer, Minot Clearing House, United Shows of America, Fargo Lions club, Knight Printing Co., Patterson and Co., and the Haas Commission Co.

GUEST ROSTER

Following is a list of official delegates by counties:

Adams: Gayle Erlandson, Hettinger; Lorraine France, Hettinger; Everett Haftman, Bucyrus; Helen Jansen, Hettinger; Winston Markgard, Bucyrus; Ruth Mills, Reeder; Shirley Quickstad, Hettinger; Elmer Solseth, Bucyrus; Charles Strehlow, Bucyrus; Rose Tanous, Hettinger; Mrs. F. H. Due, Mrs. O. A. Erlandson and Mr. William Kramer, chaperons.

The Social Climber....

That girl Alice has "got us Crahan" again with her latest estimate of the temperature — above or below knees. Dads were entertained by the Theta Chi's and ATO's this week . . . can there be a double purpose behind it all . . . get the Hon Pa in good mood for the coming marks and also show them how bad the boys need a new davenport to jump on. Military Ball Fashion Forecasts: Mercy More, twenty-eighth in line, will wear the first three installments of her nine installment formal (listen, kid this may be a dance, but it's not a burlesque show); Lib Screwey will wear her biblical gown, . . . lo and behold. Here's one dug up from two years back which is particularly applicable at this moment:

'Twas the week of exams, and all through the campus
Not a pupil was dating, not even the fastest;
The giddies were hung by their books with the scares,
In hopes that some brightness soon would be theirs.
The young-uns scarce rested all snug in their beds,
For visions of flunking pranced in their heads
And profs in their offices with books on their laps
Had all settled down to make students seem saps.
Even at evenin' there wasn't a clatter
For pupils were cramming for old Alma Mater.
But exams they will come, and exams they will go—
What matter all that; forgetting's not slow.
You'll hear us exclaim as they fade out of sight,
"Happy Christmas to all, and to all a good tight."

Kappa Sigma Chi—A banquet will be held Saturday for the alumni chapter at the house. Don Hill is in charge. . . . Floyd Ewing spent last Sunday and Monday at the house. . . . Andy Aandahl returned Monday morning from Chicago, where he has been attending the International Soil Congress.

Phi Omega Pi—The annual Christmas party was held Monday evening and gifts were received from the alumnae, pledge, and active chapters for the house.

Theta Chi—Mothers club held a meeting at the fraternity house last Tuesday. . . . Harvey Haynes, who is in St. Luke's hospital with pneumonia, is greatly improved.

Phi Mu—Viola Ness, former A. C. student and now attending the "U" of North Dakota, visited the chapter rooms last week.

Alpha Tau Omega—Alumnae, active and pledge fathers were entertained at the Christmas party held Monday night. Dean Smith and P. J. Iverson were special guests. . . . Hen-

ry Swenson spent the week-end in Cooperstown.

Delta Tau Epsilon—The Christmas party was combined with a smoker Monday night. Individual and group gifts were given to the house.

Kappa Kappa Gamma — Pledges and actives had their Christmas party Wednesday night.

Kappa Psi—John Rice, of Beach, was a guest at the house last week.

ALPHA PHI OMEGA PLEDGES SIX UNDERGRADUTES

Alpha Phi Omega, national honorary service fraternity, pledged six men Wednesday noon Nov. 27, in Ceres hall at a luncheon.

New pledges are: Joe Burgum, John Cook, Eldred Lee, John Pollock, Kermit Solheim, and Harlan Winn.

Plans were formulated for the inter-fraternity sing and a tentative date set for May 10, according to Gordon Brandes, president of the group.

SIGMA ALPHA EPSILON INDUCTS NEW OFFICERS MONDAY

Warner Litten was installed Monday night as eminent archon of Beta chapter of Sigma Alpha Epsilon fraternity. Other officers elected were: Gordon Brandes, eminent deputy archon; Eldred Lee, eminent recorder; and Joey Burgum, eminent warden. Other officers: Maurice Benidt, eminent herald; William Kneeland, eminent treasurer; and Reuben Smith, corresponding recorder, were retained.

William Akeley, past eminent archon, acted as installing officer, and is now a member of the executive council of the fraternity. Glen Landbloom will act as counselor.

GIRLS HAVE PARTY

Ivah Brevik had charge of the traditional Ceres hall Christmas party held last Sunday evening in the hall parlors from 10:30 until 12:00.

The girls drew names, and exchanged Christmas presents, which were distributed by a Santa Claus.

Refreshments were served, and solos were rendered by Harriet Thorpe and Jean Crowley. The remainder of the evening was spent in dancing.

Alpha Gamma Delta — Pledged: Gladys Aalgaard, Fargo. . . . Annual Christmas party was held Monday night at which patronesses and alums were guests.

Alpha Gamma Rho—Ernest Wheeler and Arley Hovland were guests for dinner Sunday. . . . William Purdy and Wallace Larson returned this week from the National Soil Surveyors' convention at Chicago. . . . Robert Williams, William Keup, Clifford Altermatt, and Maynard Shotts have returned from the International Livestock Show in Chicago.

Sigma Alpha Epsilon — Manny Smith, Hillsboro, former student, was a guest at the house Sunday. . . . The annual Christmas stag party will be held tonight at 9 o'clock in the house. Gifts will be exchanged and donated to the house.

Roommates Woes Are 'Coed-ified'

Madison, Wis. —ACP.— Most students are inclined to bear the foibles of their roommates in more or less anguished silence, but a University of Wisconsin co-ed burst into articulate annoyance recently, and in a communication to the Grippers' Club, student paper column, set forth the woes of all roommates everywhere.

"My dear, dear roommate," she wrote, "we have now enjoyed each other's delightful company for three whole weeks. When I first met you, that beautiful maiden's smile of yours, your ever-gay disposition, your happy-go-lucky air assured me that our school life together would be semester after semester of bliss. Certain minor things have come up that irk me. I have tried to tell them to you time and again, but when I see you go blitely through

the day, a personification of a ray of sunshine, I haven't the heart to take the chances of spoiling your happiness. So, my beloved roommate, I am taking this opportunity to get these irksome things off my mind, out of my hair. I know you won't read this, and even of you do it will do no good. At any rate, sweetheart, here is what I increasingly can't stand.

"(a) Wipe that perpetual silly grin off your kisser.

"(b) When I lend you silk stockings I expect them back. Christmas is a long way off.

"(c) Who cares how popular you were in your home town? The fact is that my boy friend is sick of forever fixing you up with dates, consequently making himself Man to be Avoided No. 1 among his friends.

"(d) Give me at least 50-50 chance at the candy I got from home.

"(e) If you can't stand having your clothes in order, at least let them accumulate on your own bed and chair.

"(f) I know that because of your country peaches and cream complexion you don't use cosmetic while I do. But do you have to make this fact the principle theme of conversation whenever we double-date? Lovingly, Alias Sally."

Two Indiana campus sweethearts of the 90's have found a last resting place near a historic old sun dial on the grounds of the Greencastle institution. Their ashes were scattered in that place by their son.

SPECTRUM
SPORT
SPECULATIONS

By WALT McGRATH

Gold footballs have been awarded, letter winners have been named, the first couple of basketball have been won, and everybody is practically through with exams and wearing that broad beam of contentment in anticipation of those final grades. That's what we would call a successful first term regardless of the fact that practically the entire basketball squad is laboring under the handicap of journeying around the country while the rest of the student body is struggling with finals, but at least getting some small opportunity of studying.

After just stepping into the boxing room and sparing a few minutes with some of the aspiring gladiators, Captain Sam was accosted as follows by Al Zech, boxing instructor: "Mm, pretty fine pair of biceps you have there—nice left jab—what did you say your name was? . . . ever do much boxing before? When are you planning on coming out regularly?" At least that's the story if you listen to some of Sam's friends.

"One dollar to the winner." So said Captain Tagliabue and as a result the members of the old and new rifle teams went out and shot as they have never done before. Tony Welker astounded the members of the old rifle team when he came from behind and belted out the almost impossible score of 88 from the standing position. This sort cramped the style of Buchanan who up till that point was considered to be in a pretty fair spot to cop the simoleon. Among the neophytes, a longwoodsman by the name of Sheard stood out like a lighthouse and walked off with top honors which just made him one dollar richer.

Frosh basketball aspirants held Coach Johnny Smith in quiet high respect these days. After watching members of the attempting set-up shots and doing a foul job of it Smith firmly became a wee mite disgusted and taking the ball and the practice into his own hands proceeded to demonstrate just how he intended to have things done. Which brings us to the point where we can reminisce and recall the days when Johnny set the high school league afire while playing for Fargo. In those days Smith played with the best of them and not very often did he come out on the short end of the deal.

State Drops Close Game to Minnesota

Gophers Sprint For 30-22 Win

Anderson Leads Fargoans For High Scoring Honors With 8 Points

By DON BUCHANAN

Meeting tough competition for the first time in the season, the Herd was beaten by the superior working Gopher quint by a score of 30 to 22 Tuesday night at Minneapolis.

The Bison seemed to play a better brand of ball than they have exhibited in the previous games of the season, sweeping the Minnesota team off their feet in the first five minutes of play.

Baker of Minneapolis opened the scoring by sinking two free throws, after being fouled by Bob Saunders. Saunders came back later with two field shots from under the hoop to make the count 4-2. Kiely and Reiners then both sank a free throw. Wallbloom, Minnesota forward then sank a single pointer on Reiner's foul to bring the count to 6-3.

The Gopher club quickly pulled out of their slump, Baker scoring a field goal and a free throw and Roscoe, shifty Minnesota guard, scoring two baskets on perfectly timed set-up shots making the count 10 to 6 for Minnesota.

Saunders countered three points before Wallbloom and Roscoe each sank a counter as the half ended 14 to 13.

The Bison again took the lead in the beginning of the second half due to the scoring of Kiely and Reiners. The gophers next came into the running, Baker sinking a counter from under the hoop and later Naslund scoring on a fast break to lead 20-19.

Anderson and Saunders counted three baskets apiece. Anderson sank two free throws and Saunders one. Roscoe was the high point man for Minnesota, scoring four baskets.

Sheard and Welker Win Rifle Matches

In a preliminary practice match Tony Welker, rifle team captain, and Alvin Sheard each won a prize of one dollar offered by Captain Tagliabue, team coach, for the high scores in the veteran and tyro divisions respectively of the rifle team aspirants. In four targets in four positions Welker turned in a score of 376 out of a possible 400. Buchanan was second among the old team members with a total of 373. Among the new men trying out for the team Sheard's score totaled 345 while Benson was second with 355.

Several of the old members turned in possibles in the prone position. The men punching out 100 were Welker, F. Sorenson, Smith, and Buchanan. Captain Tagliabue stated that a similar match will be carried on this week, but that the range will be closed during the holidays.

At the beginning of the next term the annual sweepstakes will be held by which the rifle team be chosen.

The scores for the five high men in each class were:

	prone	sit.	knee.	stand.	total
Welker	100	99	89	88	376
Buchanan	100	97	90	86	373
Smith	100	96	90	86	372
Sorenson	100	95	91	78	364
Friese	95	90	93	77	355
New men —					
Sheard	96	88	80	81	345
Benson	98	91	85	61	335
Halgren	95	90	78	53	315
Millar	83	84	83	65	315
Larson, R.	55	89	73	50	267

Any students interested in entering the city New Year's Ice Carnival are urged to get in touch with P. E. Mickelson by phoning 2099. They may enter either the racing or solo or group skating contests.

GOLF INSTRUCTIONS ARE OFFERED WINTER TERM

Golf instruction will again be provided NDSC students during the winter quarter, according to C. C. Finnegan, athletic director. Although the course is designed for beginners, it is available for all students.

Women interested in the course may enroll with Grace Cole and men may register at the athletic director's office. A definite schedule of classes will be worked out at the beginning of the next quarter.

State Trounces St. Cloud 38-22

The Bison basketball team made easy work of defeating the St. Cloud Teachers quintet by a score of 38 to 22, Monday night at St. Cloud.

The NDSC men started strong and built up a 22-11 lead at half time. They then settled down to a more defensive and less chance-taking type of play. The Bison clicked as a team for the first time this year, the passing game being "on" and many times in the second half rather than to shoot and take a chance at losing the ball they passed it around before attempting a shot.

Russ Anderson and Arney Bernard led the scoring with four field goals each. Anderson, in addition, got two free throws and Bernard one. Wendell Kiely got three baskets.

The summary:

Bison Trip Up Dragons, 32-16

Friday in the second contest of the season the Herd romped over Moorhead State Teachers college by the decisive count of 32 to 16, following up a 36 to 18 victory over the Wahpeton Wildcats on the previous Tuesday. The tilt gave the local fans the first chance of the season to witness either team in action, the initial tilt of the Bison occurring at Wahpeton Science.

The ragged defense that the Moorhead quint showed in their season's opener proved to be no match for the shooting of Russ Anderson, Pretz Reiners and Barney Bernard. Anderson was the high counter with a half dozen field goals and a free throw for a total tally of 13. Reiners and Bernard sank three baskets for six points apiece.

The Bison defense showed promise, rushing the Moorhead shooters and allowing few set-ups while they worked through the Dragon guards for numerous close range shots, many of which dropped through for counters.

The Moorhead forward, Blaine Wright, and Odis LeGrand, guard, were the main offensive tools of the Dragons, although they failed to show the drive that characterized (Continued on Page 8)

Bison Score Win On Dragons 32-16

(Continued from Page 7)

the Bison assault. Wright scored four points, while LeGrand accounted for three.

The State Teachers club opened the scoring in the first minute, Wright sinking a set-up from a fast break. Five minutes later Anderson tied the score with a pivot shot from under the hoop. Shortly afterward he sunk a second to place the Bison in the lead, where they remained for the rest of the tilt.

The Herd worked the count up to 8-4 before LeGrand found an opening, tallying with a long throw. Steadily the Bison heaped the lead to a count of 17 to 7 when the signal ended the first half.

In the second period the Bison started the scoring after two minutes of play, Bob Saunders dropping in a set-up. The Dragons came back immediately to score two counters, pulling up their end of the tally four points, making the score 19 to 11. This spurt proved to be the last threat that the Dragons made on the superior outfit from the west side of the river.

The reserves of both teams had a chance to show their prowess, Lowe playing ten men and Nemzek nine.

North Dakota University Twin City Alumni Association. About 90 people, both Bison and Sioux attended the gathering. Dancing was from 8 to 12. Mr. Stevens says, "We feel that this party has been another step in building up friendly relations between the two North Dakota institutions and we hope to make this Christmas party an annual event for the alumni of both schools now residing in the Twin Cities."

Amy Erickson, '27, has accepted a position at Dickinson State Teachers College. She will have charge of South Hall, girls dormitory at Dickinson, and will be dietitian for college dining hall.

Carleton R. Rydstrom, '25, was a visitor in Fargo recently. He is located at Rockford, Illinois at present.

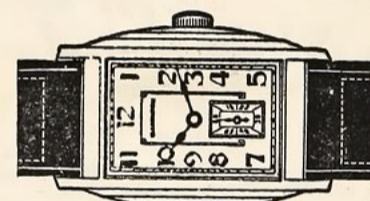

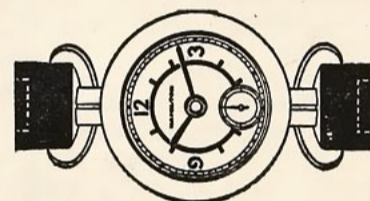

Lampoon, Harvard publication, is the oldest college humor magazine in America.
