

THE SPECTRUM

VOLUME LI.

STATE COLLEGE, NORTH DAKOTA, FRIDAY, SEPTEMBER 13, 1935.

NUMBER 1

Orientation, Registration Rites Begin Today

All Graduates Are Placed By Two Schools

1935 PLACEMENT BESTS THAT OF 1934; HOME EC. PLACE EVERY GRAD

Placement of graduates for 1935 exceeded that of 1934. The schools of pharmacy and home economics succeeded in placing all members of the 1935 class either in a private business or in work directly connected with their training.

School of Home Economics

From the home economics department, teaching positions in high school domestic science departments were filled by Betty Bickert, Sharon, North Dakota; Helen Hummel, Brocket, North Dakota; Vivian Peterson, Drayton, North Dakota; Maxine Rustad, Alexandria, Minnesota; Bergliot Thorson, Hatton, North Dakota; Phyllis Tidemanson, Twin Valley, Minnesota; Gladys Tofte, Hecla, North Dakota; and Paula Verne, Caribault, Minnesota.

Positions as vocational instructors in North Dakota were taken by Frances Loomis, Beach; Doris Hudson, Edgeley; Gudrun Goodman, Crafton; Cecil Olson, Neche; Bernice Shines, Sherwood; Emma Dietz, Elva; Helen Foster, Washburn; and Lucille Smith, McClusky.

Those filling various business positions here in Fargo are Hermoine Hanson in the drapery department; Sears Roebuck; Marjorie Baker in the Tea Room of the Postal Drug; and Helen Borgeson in the Hoelner Store.

Various hospitals have accepted some Economic graduates as student dieticians, Isabelle Humphreys, Michael Reese Hospital, Chicago; Joyce Connolly, Miami Valley Hospital, Dayton, Ohio; and Mildred Federick, Massachusetts General Hospital, Boston.

(Continued on Page Six)

Applicants Rank To 1 For Jobs

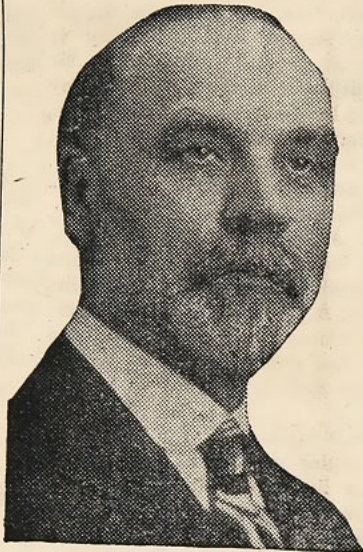

Applications for assignment to jobs under the National Youth Administration total 475 for the 110 posts available to boys, according to C. A. Brinson, chairman of that project on this campus. For the girls, 75 have applied for 50 available openings. Dean Pearl Dinan receives applications for the girls' jobs.

The federal government allotted \$12 per cent of the enrollment on October 15 of last year. Thus, North Dakota State college receives jobs for 110 boys and 50 girls.

The students will be paid under same arrangement as last year under the FERA student aid. They work 50 hours a week and are paid 30 cents an hour. Jobs will be divided equally between old students and new students.

All appointments for men are for six months with the possibility of extension, according to Sevrin-

OUR PRESIDENT

Dr. J. H. Shepperd this fall begins his sixth year as president of North Dakota State college.

Both Dormitories Already Filled

That NDSC enrollment this school year will surpass by a large margin that of previous years was the opinion of A. H. Parrott, registrar, late yesterday.

The men's residence hall is filled to its capacity of 288, while last year, which was the previous record year, pre-registration reservations were 100 less. Ceres hall, dormitory for girls, is also up to its capacity of 86.

Other indicators of an enlarged enrollment are: a large number of early transcripts from high schools and other colleges, the early appearance on the campus of new students, and an enormous number of inquiries from part-time jobs at the college employment bureau and at the National Youth Administration headquarters.

DR. JOHN L. COULTER PAYS COLLEGE VISIT

Dr. John Lee Coulter of Washington, D. C., former president of North Dakota State college, was a visitor in Fargo from August 25 to 30.

From 1922-1929 Dr. Coulter was president of NDSC at which time he left to take the position of chief economist of the U. S. Tariff Commission. He later became a member of the commission. In 1934 he was assistant to Mr. Peek, President Roosevelt's special advisor on foreign markets. This last year he was advisor in the Import and Export Bank. Dr. Coulter has now set up a private office for economic advice in Washington.

The Coulter family preceded Dr. Coulter by two weeks and returned to Washington after a trip to Texas.

NOTICE

All faculty men and persons interested in NDSC are requested to provide cars and drivers for the tour of Fargo-Moorhead on Sunday, Sept. 15, at 4:00 o'clock.

Deans' Messages

To the Freshman Class I extend a hearty welcome to the North Dakota State College.

It is my desire to become acquainted with the men of the Freshman Class, as well as all new men, as soon as possible. I trust that I may have the opportunity of assisting you in the many problems that arise in your adjustment to college life.

I sincerely wish that you may have a happy and successful college year.

I. W. SMITH,
Dean of Men.

To all students, but in particular to the freshman students and to all other new students we extend a cordial welcome.

Each summer we wonder what the fall term will bring us in enrollment; and when the fall term comes we are more than pleased with our prospects. This summer's correspondence convinces us that we are to have an even larger attendance this year than we had last year. The mail I have received and the personal calls I have had from girls and from parents have paved the way for what I trust will grow into four years of happy friendships. Although it is my special responsibility to advise with girls in regard to their various problems, I also speak for the other faculty members when I say that we are all deeply interested in your welfare. We trust that you will take advantage of every opportunity to become acquainted with us and to let us help you.

PEARL DINAN,
Dean of Women.

Record Debate Season Expected

That the achievements of 1935, a crown year for NDSC in debate circles, would be surpassed this season in student participation and the comprehensibility of the public speaking program was voiced this week by Donald Hay, debate coach in a statement to the Spectrum.

The return of many veteran debaters and the prospective enrollment of many promising freshmen gave reason for Hay to view the coming debate season optimistically. The addition of an inter-class extemporaneous speech contest will round out an extensive public speaking program of inter-class debates, intercollegiate debates, and community debates.

Headlining the intercollegiate debate series will be contests with the University of Minnesota, Montana State college, and the University of North Dakota.

Johnny Smith, '31, for the past three years coach at Waubun, Minnesota, has resigned to accept a similar position at North Dakota State. Johnny will coach freshman football and basketball and will also take work for his Master's Degree.

Faculty Changes Are Effected

Notable among the changes made in the faculty of the college for the coming year are two in the English department and two in the Military department. Outside of these, according to present reports, most of the former instructors have returned to take up their duties.

To replace Miss Frances Lamb, who resigned to take up the position of Moorhead postmaster, and Mr. W. F. Wright of the English department are Mr. Thomas F. Dunn and Mr. Herman O. Werner. The two were selected by Dean Minard from 20 outstanding applicants. Mr. Dunn was graduated from Washington university where he received his B. A. and M. A. degrees. He also has had four years teaching experience in the Washington university and has done over two years of additional graduate work in English at the University of Chicago. Mr. Werner received his B. A. at Brown university and his M. A. at Harvard and is at present completing work for his Ph. D. He has had a year's teaching experience. While at Brown he edited the student paper. Both men had outstanding recommendations and are spoken of highly by Dean Minard.

In the military department Captain J. B. Conmy, who after October 4 is to be stationed in Hawaii, has been replaced by Capt. A. J. Tagliabue, transferred from Fort Hayes, Columbus, Ohio. Sergeant L. C. Detroit, formerly of Fort Snelling, is to become supply sergeant in place of Sergeant L. O. Wyatt, who has taken a position in Omaha, Nebraska.

Dr. Leon Metzinger of the German department, has fully recovered and will resume his regular program. Mr. L. E. West is studying at the University of Washington during a year's leave of absence. Glenn A. Lawritson, instructor of psychology, has returned from a year's leave of absence spent at the University of Chicago and will take the place of Dr. Donald E. Tope.

EDITOR OF YEARBOOK SEEKS STAFF MEMBERS

Glorification of North Dakota will be the theme of the Bison annual, which will come out in June, according to Bill Murphy, editor-in-chief.

Two shades of blue will be used throughout the art work, which, as well as the engraving, is being done by the Dakota Photo Engraving company. Positions on the staff must be filled within the first two weeks of school. Students interested see Bill Murphy, at the Bison office in Science hall.

SEASON FOOTBALL TICKETS

Season football tickets for reserved seats are on sale at Cook Drug Co. and the Grand Recreation Parlors for \$4 plus 40c tax. Faculty members may secure their reserved seat tickets at the alumni office in the administration building for \$3 plus 30c tax.

—C. C. Finnegan,
director of athletics.

Official Frosh Welcome Lasts Five Days

SENIORS, JUNIORS, SOPHOMORES, REGISTER MONDAY, TUESDAY

Orientation for incoming freshmen began this morning at 9 a. m. in the Little Country Theatre with the explanation of the registration process and distribution of student hand books. Registration began immediately after this and will continue till 4 p. m. Tonight at 8:30 a football game between two Bison squads will be held under the floodlights at Dacotah field.

Registration will continue tomorrow morning till noon in the Administration building while the evening beginning at 8:00 will be devoted to a freshman party and mixer in Festival hall for which freshman identification is required.

For Sunday the program is: 8:45 a. m. freshman breakfasts given by the college Christian association, boys at college YMCA and girls at Ceres Hall; 1:15 p. m., freshman dinner at Ceres Hall, tickets to be furnished free at time of registration; 3 p. m., freshman girls meet with Miss Dinan, dean of women, in the Little Country Theatre and freshman boys with I. W. Smith, dean of men, at college YMCA; 4 p. m., drives about the city in cars furnished by college faculty and interested citizens; 5:30 p. m., freshman supper at college Y served free to all freshmen by the Christian associations of the college.

Monday's program will start out at 9 a. m. with a rally in Festival Hall at which time Dr. Putnam will instruct the students in NDSC songs and yells. Bring hand books for the rally. At 9:30 in Festival Hall Registrar Parrott will instruct the freshmen in the practices and more important regulations of the college (Continued on Page Eight)

Junior Officers Rated Excellent

North Dakota State's detachment at Reserve Officers Training Camp held at Fort Snelling, Minn., from June 9 to July 20, gained a rating of excellence, according to word received from corps area headquarters.

Two juniors from NDSC, Sidney Shannon and Edward Ballard, were chosen members of the seventh corps area rifle team to compete in the national rifle matches to be held at Camp Perry, Ohio, September 1 to 19. Athletic laurels were added to the detachment by John McCormick who gained the featherweight boxing title.

The unit from North Dakota State and the unit from St. Thomas Academy formed the third platoon under the command of Major Ennis of the military department of this college. Sergeant White also of this school acted as top sergeant for the entire ROTC unit.

"Glad To See You" Says President

"I'm glad to meet you" is the most common greeting that the new student hears from members of the faculty and staff when he arrives at this college, and it is a genuinely cordial expression, too, for we are indeed glad to welcome you here.

The old students also say, in the same meaning and kindly way: "Glad to meet you." They, too, mean it, for the more you enter into the activities of student life and the better you do in your quest for knowledge, the more you spur them on to do better work.

The experienced searcher after information knows that it is the final and added effort that brings maximum results to the scholar.

The janitors mean it when they say "I'm glad to see you here," for while you make them extra work — thoughtlessly, too, at times, I am sorry to say—they are genuinely pleased when the attendance is good and the students are successful in their work.

The Experiment Station worker reiterates the same phrase, for while most of them do no teaching, but devote their entire time to research, they are always on the alert for "good prospects" to help carry on the work they have begun and for those who can reach forward into new fields of discovery.

The Dean of Men and the Dean of Women, as well as the Registrar, speak in all sincerity when they say "I'm glad to meet you," for they try hard during long hours to help you make a success of your college work and only the members of your own family take greater interest and pride in your success.

The ministers of Fargo have already sent a committee to me inquiring what they can do, more than they have done in the past, to help you. When you go to the church of your choice on Sunday they will give you good sermons and good music and at the close of the service they will go out of their way to say "I am glad to meet you, won't you come again and regularly."

Now, Fargo has able preachers and priests who will educate and uplift the young men and young women who attend their services and there is no place where you will meet a better or more genuine group of folks.

In closing then, let me repeat, "We're glad to meet you."

J. H. SHEPPERD,
President.

Welcome and Best Wishes, Class of '39

Freshmen four hundred or more strong will invade the campus today and tomorrow when they register for the fall term. As the official publication for North Dakota State college we wish to bid the class of '39 welcome in the name of the faculty and upperclassmen.

To the majority this campus is unfamiliar ground and all are as yet unacquainted with the different phases of college procedure and thus for a few days many things will be confusing to the new students. The best and surely one of the oldest means of clarifying

matters is by asking questions. Faculty and upperclassmen will be willing to answer any perplexing questions and it is hoped that the new students will not hesitate to consult them at any time.

As for the Spectrum. It is the official publication of this college and as the spokesman of the student body, should mirror at all times the thoughts and happenings of the students and faculty. Your criticism is invited and contributions such as signed student opinions, will gladly be printed. The Spectrum is available to each and every student and is printed on Friday. It may be obtained in either the Administration building, more often referred to as "Old Main", or in Science Hall.

And again may we extend a hearty welcome and wish that your stay at North Dakota State will be a most successful one.

BISON BRIEFS

The old campus really looks quite presentable now that it has had its face lifted. In fact it is a question of which will prove to be the greenest, the lawn or the freshmen. But cruel as it may seem, freshmen, that dark spot just west of the Library is not reserved for you to sow your wild oats and aged in wood rye; it seems some meanies got in ahead of you and sowed barley as a cover crop only it doesn't quite cover.

One of the first things that greeted our eyes was the doors on the Engineering building. Plain old barn paint red! Now some cuss will probably break out again with that old war cry about the students at NDSC being a bunch of "reds" in the making. Those painters might have used a little restraint in choosing their color or at least they might have put that color on the doors of the Ag building.

This campus sister business gets confusing at times. Just ask the society editor of this sheet. The little sister she picked was named Shirley, but imagine Marj's surprise when she looked at the picture her little sister sent to discover the face of one decidedly of the masculine gender peering out at her. What will Gordie think?

Girls will insist on wearing print dresses and ankle socks. Betty Christianson went into a drug store the other day to buy her favorite fag, but the proprietor squelched her by asking "Have you a note from your mother?" The modeling K. D. prexy really has something to prove she was in California this summer—an autographed picture of Jimmie Dunne. He dunned her right.

The Duchess, Charlotte Treat, is coming back to NDSC after a summer in Europe. Reports have it that she had an offer from one Paris dressmaker to model gowns. Look out for your boy friends, gals. What will these Kappa cuties think of next. Goose Wilson paid them a nice sociable visit the other evening but the girls hit him over the head with a gunny sack and it was ten minutes before he cooled off. Now, girls, don't you think it a bit early to start bagging your game?

Very inexpensive entertainment was afforded the Sig Chi's while at their convention. Their bedroom, according to Shafer, was directly over the ballroom of the Edgewater Beach so they were really closer to Ted Fio Rita than anyone in the night club. Must have been nice to be lulled to sleep by the Three Debutantes.

Oily tongued Erling Schranz took advantage of some unsuspecting mother of two future rushees the other day by informing her that the ATO's never touched alcoholic beverages of any sort, but that she should never let her sons fall into the evil hands of the Sigma Chi's as they were bad boys to play with. That any one fraternity on this campus ever had a corner on the drinking market is certainly news to the Spectrum.

Rumors of engagements—Ellen Tillotson and Frank Nichols—Lucille Bolstad and Lee May—Winifred Ewald and Earl Carlton—Helen Engel and Bob Greenshields. As a dying request for this week will some kind soul please give us the low down on the Olson-Sornsin and Martin-Sturgeon romances.

Rushing Week Starts Friday

Formal rushing for fraternities and sororities will begin Friday, Sept. 20, and will continue through Friday, September 27. Pledging of rushees will be according to the preferential bid system and will occur on Sunday, Sept. 29.

Prior to next Friday sororities will not be allowed to do any rushing whatsoever, but fraternities will be allowed to enjoy "open" rushing before that date. During the formal rushing season each fraternity is allotted one evening for a party. No fraternity will be allowed to do any rushing between 1 a. m. and 1 p. m., nor after 8 p. m. unless on the night assigned for it to hold its party. Dates set aside for fraternity rushing parties are: Sigma Chi, Sept. 20; Sigma Adpha Epsilon, Sept. 21; Kappa Sigma Chi, Sept. 23; Delta Tau Epsilon, Sept. 24; Theta Chi, Sept. 25; Alpha Tau Omega, Sept. 26; Alpha Gamma Rho, Kappa Psi, and Sigma Phi Delta, Sept. 27. Saturday, the 28th, is open to all fraternities.

Formal rush week for the sororities begins on Sept. 23. Each group gives a luncheon, afternoon party, and evening party during the week. No rushing is allowed except at these parties. Kappa Kappa Gamma will give a luncheon from 12 to 1:30 on Monday, an afternoon party from 4 to 6 p. m. on Wednesday, and the evening party from 7 to 10:30 on Friday. The Kappa Delta sorority has the following dates; luncheon on Saturday, afternoon party on Tuesday, evening party on Thursday; Gamma Phi Beta, luncheon on Tuesday, afternoon party on Thursday, evening party in Saturday; Alpha Gamma Delta, luncheon on Tuesday, afternoon party on Thursday, evening party on Monday; Phi Mu luncheon on Thursday, afternoon party on Saturday, and evening party on Tuesday; Phi Omega Pi, luncheon on Friday, afternoon party on Monday, and evening party on Wednesday. Formal rush week is followed by a formal tea given by each sorority on Sunday, Sept. 29. Each rushee may not attend more than two of these teas. The one she attends last is understood to be the sorority she wishes to pledge.

Theaters Offer Wide Variety

Fargo theaters this week and next are offering a variety of entertainment. Heading the bill at the Fargo tomorrow, Sunday, and Monday is the stage show "Dark Town Scandals." In conjunction with this is the movie "We're in the Money" starring Joan Blondell, Glenda Farrell, Hugh Herbert, and Ross Alexander. Tuesday and Wednesday those two irrepressible comedians, Wheeler and Woolsey, will panic you in "Nitwits".

At the Grand today and tomorrow Burns and Allen are featured in "Here Comes Cookie." "Woman Wanted" is the attraction showing Sunday and Monday. This picture portrays the fight between law and organized crime with Joel McCrea, and Maureen O'Sullivan in the leading roles. Another picture guaranteed to give you many laughs is "Calm Yourself." Robert Young and Madge Evans have the stellar roles. That famous star of radio, Jack Benny, is responsible for much of the entertainment to be found in "Trans-Atlantic Merry-Go-Round," playing at the Roxy today and tomorrow. Benny is supported by Gene Raymond and Nancy Carroll. Tullio Carminati and Lillian Harvey have the leads in "Let's Live

"Expert Watch and Jewelry Repairing"
WIMMER'S
FARGO JEWELRY MFG. CO.
"Walk a Flight and Buy Right"

Tonight" which shows Sunday and Monday. Ginger Rogers and Fred Astaire exhibit their dancing and singing skill in "The Gay Divorcee" coming to the Roxy Tuesday, Wednesday, and Thursday. Fargo's own star, Virginia Bruce, has the lead in "Times Square Lady" playing today and tomorrow at the State. Sunday and Monday W. C. Fields and Baby LeRoy are teamed in "It's A Gift." Francis Lederer and Joan Bennett do the chasing in "Pursuit of Happiness" showing Tuesday and Wednesday.

Geraldine Ewald, '28, Dean of Women at Scottsbluff Junior College, Scottsbluff, Nebraska, for the past three years, will spend the winter in Fargo at the home of her parents, Mr. and Mrs. C. R. Ewald.

Claude Ebling, '24, of Ladysmith, Wisconsin, was a visitor on the campus a week ago. Claude brought Merton Runkle down to enroll at North Dakota State. He also left word that he would be back for Homecoming.

Jackie Cooper—Mary Astor
In "Dinky"

The Social Climber...

Hello everybody! This is the Social Climber broadcasting again that which tries to be covered up and not leaked out.

Today our column is dedicated to the new students and what we could find out about them. This is the lowest low-down and maybe after a few weeks, we can find more things to print about more people.

If a snappy black-eyed girl and a black curly-headed boy are seen wandering about in a kind of daze, ever be reminded that they are Clair and Jimmy, the two representative seniors of Fargo High School. But smart people always catch on quickly, don't they, Tarp? You'll all know Tarp before long. He's the guy with the carefree gait and the "rawther jolly old" accent... Speaking of accents, please excuse "usher" Albert Sidney Hinkle because, honey, you know these Alabamans... We have reports of some new musicians heading for Music Hall. Bill

Arnold, North Dakota state high school clarinet solo winner; also in passing, he's horse shoe champion of Fargo High School. Bill Armstrong will pack his clarinet, and the South Dakota state high school trumpet solo winner for two years, Florenz Dinwoodie, captures solo chair in the band already... Frances Johnson is going to keep things "giggling" in the Bison office. Maybe she'll turn out to be a second Katie Ray... LaVerne Gilbertson is among some students who got mad at Concordia and are going to matriculate at NDSC... Here we might mention some athletes we managed to hear of. Westgate from South Dakota took army life too much to heart so he's back to go to school again. Lest we forget, Connie Taylor, the girl with the ruddy complexion, smacks a mean tennis ball and basketball... Fellows, we want to give you a few hints on your fellow fresh "girls". Jean Hegge thinks she's going to take all the boys to the cleaners... her Dad's a laundry man. June Sanstead makes all her own clothes, but she thinks she should have more than 13 cards when she's playing bridge. Don't be tempted by Jean Stewart and her gift of gab... too many have already fallen by the wayside. Then, too, there are Margaret and Jean Jones, you may think you're seeing double, but just remember you went to bed early last night so you could start school today, and look again... From all over the state will come sisters, brothers, and cousins. New Rockford sends us musician Loomis... Are there any more at home?... remember those three charming songbirds from there? How could we forget them... "Boy Scout" Brandes will have to behave now because his sister Catherine is here to look after him... Richard Cook and Lenore Christianson have had the way paved for them by Georgia and Betty... maybe I should say Dana, eh Georgia?... The fun has already begun in rushing. ATO's Sig Chi's and SAE's are treading on each other's toes. Roy and Rex Carr and Kirk are the reason. Roy was awarded the cup for being the best all around fellow at the CMTC camp this summer. We've been wondering if Gen Hawkinson talked ATO the other night when she was out with Mr. Kirk. Bill Thompson's presence may have had something to do with it. ATO's and Sig's all but swear at each other... but it's all in fun and the next time we'll bring you the rushing low-down.

NEWMANS ENTERTAIN NEW CATHOLICS SUNDAY

The Newman club will hold an informal reception for all new Catholic students Sunday evening from 7:30 to 10:00 o'clock in the home of Mrs. Sara O'Conner, 1037 7th St. North.

In the receiving line will be John Sevenants, president of the club; Dean Pearl Dinan; and Rev. Father Leo Devorschok, spiritual director of the club. Captain and Mrs. Aloysius J. Tagliabue will be special guests. Capt. Tagliabue is a new instructor in the military department.

Besides Mrs. O'Conner, hosts and hostesses for the evening are the patrons of the Newman club; namely, Mr. and Mrs. George C. Mayoue, Misses Pearl Dinan, Pauline Reynolds, and Frances Lamb. They will be assisted by a group of upper classmen members of the Newman club.

Campus Sisters Assist New Coeds

Sixty NDSC girls acting as campus sisters, under the direction of Mary Horner, YMCA vice-president in charge of the campus sisters' work, have been assisting new women students with registration and accommodations. The group met their respective little sisters on their arrival and have helped them become acquainted with the college.

A meeting of the campus sisters was held last night in the YWCA to make further plans for freshman entertainment. Following the meeting, they held a short social hour at Ceres Hall for the new girls. The YWCA will act as hostess to the freshman girls Sunday morning at a breakfast in Ceres Hall. Cars will be furnished to bring the students to their respective churches. The freshman supper Sunday evening is given by the two Christian organizations. Monday from 3 to 5 p. m. a reception and tea will be given in Ceres hall parlors by the advisory board, which will afford a means of presenting Delphine Rosa, new YWCA faculty advisor. Miss Rosa succeeds Jane Rush, who served the organization as part time secretary and advisor last year.

The same program will be carried out this season as was used in the past year, which includes Blue Monday teas, a pleasant social afternoon from 2 to 5 p. m. every Monday for all women on the campus. Girls are chosen from the freshman class to act as hostesses for each tea. Each semester All-Y meetings are held, which are composed of a short program and refreshments. The two Christian organizations on the campus sponsor dances and a needy children's Christmas dinner each year. Membership in the organization is offered to all women with nominal annual dues.

The following girls are acting as campus sisters: Alice Graham, Fern Berg, Mary Fay Wenger, Betty Kretzshmar, Mary Clemens, Eunice Arneson, Olive Maloney, Anne Viengen, Cathryn Ray, Jane Bristol, Leone Phillips, Naomi Skarison, Jean May, Marjorie Arnold, Elizabeth Dewey, Mary Hannaher, Eleanor Issac, Janet Sharp, Marjorie Patterson, Genevieve Hawkinson, Mary May Hall, Gertrude Murphy, LaVonne, Wylie, Katherine McEnroe.

Lucy Loomis, Marjorie Huey, Vinnie Olson, Lennea Frisk, Grace Cole, Florence Phillips, Sally Minard, Virginia Smith, Ethel Olson, DeLoris Cook, Lois Millar, Gwendolyn Stenhjem, Elsie Engel, Winifred Ewald, Marjorie Laliberte, Katherine Kilbourne, Ruth Schmirer, Mary Rector, Lorraine Weir, Mary E. Runice, Mildred Peterson, Beth Oliver, Frances Cooper, Luverne Furcht, Lucille Clark, Grethe Jones, and Margaret Johnson.

WELCOME STUDENTS...

Many Students Speak Vows

Marriage vows were spoken by several former NDSC students this summer.

Gertrude Lee, Towner, and William Euren, Fargo, were united in marriage, August 30. Mr. Euren is connected with the Ford company here and Mrs. Euren has been employed at Beth Morrish, both of Fargo, whose fiancée is with Alpha Tau Omega fraternity and Mrs. Euren, Gamma Phi Beta sorority.

Vivian Johnson, Fargo, had her sister as her only attendant when she became the bride of Ronald Pearce, Fargo, August 27. Leland Johnson, brother of the bride, attended Mr. Pearce. Mrs. Pearce is a member of Phi Omega Pi sorority and she has been associated with the O. J. deLendrecie company. Mr. Pearce is a graduate of the Georgetown university, and is associated with the Northwest Audit company. His fraternity is Delta Sigma Pi.

Helen Helen Miller, Northfield, Minn., and Alvin Lee of Ithaca, N. Y., formerly of Valley City, were married in Ithaca, August 23, according to word received by Fargo friends.

The Norman church near Kindred marked the place of the wedding of Alice Dahlen, Kindred, and Dr. Leo Rosebrook of Des Moines, Iowa. Mrs. Rosebrook is a NDSC and Iowa State College at Ames graduate. She has been instructor in home economics at Ames. Dr. Rosebrook is associated with the Broadlawns hospital in Des Moines.

Agnes Hanson, Fargo, and Glenn Hoople of Hoople were married in Minneapolis Saturday August 31. Mr. Hoople is employed in the Minneapolis Central office of the Cargill Elevator company, and Mrs. R. Hoople has been employed in the office of the Fargo Paint and Glass company for two years and previous to that was instructor in the Kildeer high school for two years.

Marcella Ike and John Thorsell both of Fargo, repeated nuptial vows in June. Mrs. Thorsell is a Gamma Phi Beta sorority member and Mr.

Thorsell is affiliated with Sigma Chi fraternity. Mr. and Mrs. Thorsell are living in Devils Lake where Mr. Thorsell is associated with Firestone.

Other marriages of former students are those of James Golseth and Beth Morrish both of Fargo, whose wedding took place in Minneapolis. Robert Millar and Dorothy Armstrong, Fargo, announced their marriage in June. Mrs. Millar was a pledge of Gamma Phi Beta sorority, and Mr. Millar is a member of Sigma Chi fraternity. Mr. Millar will return to school this fall.

Students Attend Five Conventions

Five campus social Greek letter groups held conventions this summer. Three sororities, Kappa Delta, Phi Omega Pi, and Alpha Gamma Delta, and one fraternity, Sigma Chi, held their national conventions, while Sigma Alpha Epsilon fraternity sent representatives to a school of instruction for chapter leaders.

Lennea Frisk, Pauline Reynolds, and Edna Sommerfeld, represented the active and alumnae chapter of Kappa Delta at their convention held in the Huntington Hotel in Pasadena, California.

Winifred Ewald of the active chapter and Mrs. L. C. Sorlein, alumna, were official delegates at the Phi Omega Pi convention held in Yellowstone National Park in June. Other delegates were Josephine Hoffman, Katherine McEnroe, Lucille Bolstad, Carol Cooper and Margaret Hanson, of the active chapter, and Ruth Dyson, Marion Addison, Joyce Peterson, Veronta Weppler, and Geraldine Ewald representing the alumnae chapter.

Alpha Gamma Delta's delegate to their convention in Quebec was the chapter president, Eleanor Isaacs.

Sigma Chi fraternity held their

convention in the Edgewater Beach Hotel in Chicago with Maine Shafer, Paul Boleyn, and Morton Larson attending from the active chapter. Alumnae in attendance were Roland Moore and Freddie Anderson.

Attending the SAE school of instruction at Northwestern university were William Akeley, Dayton Jones, Hugh Anstett, and William Kneeland.

Velva Rudd, '31, is working as assistant in the Botany Department at the college. Since her graduation Velva has attended the University of Cincinnati, and the University of Minnesota. Last year Velva was an instructor at the Philadelphia School of Horticulture for Girls, Philadelphia, Pa.

YM Breakfast Begins Year's Activities

Fulfilling their role as the campus's leading men's fellowship organization, the YMCA begins its year's activities Sunday morning when it gives a breakfast for the freshman boys. During the remainder of the orientation program and throughout the school year, the YMCA presents a comprehensive program designed to be of service and entertainment to the students.

Projects sponsored by the group include stag parties and mixers, lectures on political and social topics, and joint sponsorship with the YWCA of the Christmas kiddies party and two all-college parties.

The YMCA is housed in a \$65,000 brick building which contains a spacious lobby and reading room, the Y book exchange, a recreation room, kitchen and dining-room, auditorium, apartments for the sororities, office of the student employment secretary, and the Y Dugout. The student-operated Y Dugout, popular campus hang-out for men and women, opens today, after being modernistically rejuvenated during the summer. The establishment employs approximately ten boys throughout the school year, with Vardi Thorwardson acting as student manager.

The Y Book exchange, which sells used textbooks for students on a commission basis, opened Wednesday under the management of Tony Dahl.

Erling Thorson is executive secretary of the YMCA. Orville Goplen is president of the student cabinet; Vinton Plath, vice president; Harry Graves, secretary; and Tony Dahl, treasurer.

Numerous '35 Grads Are Placed

(Continued from Page One)

School of Music

Earl Turnblad and James Golseth, graduates of the school of education, accepted positions as instructors of music at Hallock, Minnesota, and Page, North Dakota, respectively. Also as music instructors, Warren Covert goes to Balfour, North Dakota, and Mildred Thorstad, to Grandin, North Dakota.

School of Agriculture

Graduates from the agricultural school have taken varied positions for the coming year. Marlin Cline, recipient of the Sparks Memorial Fellowship sponsored by Phi Kappa Phi, will do graduate work at Michigan State college. Leonard House is engaged in a private commercial gardening venture at Mandan. James Long is junior botanist in the soil conservation service at Ames, Iowa. Also in soil conservation service is Laddie Kelly now located at Bethany, Missouri. Calvin Olson is in the administration offices of the Rural Rehabilitation Corporation at Bismarck, North Dakota. A number of graduates have taken up Smith Hughes work: George Sullivan, Wall, South Dakota; Bruce Willson, Steele, North Dakota; Arnold Kunkel, Starkweather, North Dakota; and Roy Solberg, Pembina, North Dakota.

School of Science and Literature

Warren Whitman, graduate of science and literature has been working under Dr. Hanson this summer and will return here this fall to work on his masters degree. Gale Monson, former editor of the Spectrum, is working in the soil conservation service at Safford, Arizona.

School of Education

Graduates from the School of Education who will teach this year will be Edna Addison at Fargo; Marion Anderson at Russell, North Dakota; Mable Bautz at Fargo; Elizabeth Burton at DesLacs, North Dakota; Lloyd Flinn at Max, North Dakota; Cleo Knapp at Finley, North Dakota; Jack Knight at Verona,

North Dakota; George May at Hebron, North Dakota; Wayne Owens at Verona, North Dakota; Alice Towey at Beardsley, Minnesota; and Jessie Wyckoff at Fargo.

School of Engineering

Students of engineering are serving in many capacities. Robert Bergseth received a fellowship at Rensselaer Polytechnic Institute, Troy, New York. Ernest Hall is with an oil mix road construction company in North Dakota, and Robert Lacy is with the Fairmont Creamery at Moorhead. The Northwestern Bell Telephone Co. in Fargo hired Chas. Martin and Theodore Peterson. Gordon McCulloch is with the International Harvester Co., Fargo. Ole Rice is a salesman for the Fairbanks Morse Company in North Dakota. Two graduates were placed in Iowa, Harold Naegeli, Aerodyne Wind Electric Co., Sioux City, and Arthur Hoistad, Deere Tractor Co., Waterloo.

John McCarthy is in the McCarthy Theater company at Cavalier, North Dakota. The biological survey at Minot, placed William Wright, Earl Jennings, and Archie Hanson. Omar Korshus is working in an architect's office at Minot, and Roy Smilie is in the state highway department, Minot while Norin Johnson is an engineer at a CCC camp in Valley City.

School of Chemistry

Paint and varnish companies placed a great number of the 1935 chemistry graduates: Lawrence Anderson, Western Paint and Varnish company, Duluth; Arthur Cramer, Akron Varnish company, Akron, Ohio; Vernon Kemmer, Wardway Paint Works, Chicago Heights, Illinois; Lloyd Owen, Keystone Varnish company, Brooklyn, New York; Clarence Walde, Tousey Varnish company, Chicago; and Loren Odell, Davis Paint company, Kansas City, Missouri. George Ercink is with R. N. Nason and Company, San Francisco, and James Konen is with the Archer-Daniels-Midland company, Minneapolis. Warren Dundon accepted an assistantship at Iowa State college, Ames. Bernard Thiels and Paul Hegstad have been placed in the North Dakota regulatory department at Bismarck.

School of Pharmacy

Although all the 1935 Pharmacy graduates can not be traced, all have been placed. They are now filling pharmacy positions in various cities throughout the country. Robert Montrose is in Chicago, Illinois; Murlen Haugen, Mandan, North Dakota; Maurice Hoff, Fargo; Joseph Howell, Valley City, North Dakota; Erling Nord, Grenora, North Dakota; Allan Rendahl, Alaska; Max Retzlaff, Jamestown, North Dakota; Helen Swensen, Fargo; Louis Whalen, Langdon, North Dakota; Bernard Faber, Bismarck, North Dakota; Marcella Gray, Williston, North Dakota; Charles Peterson, Valley City, North Dakota; Leo Schreiner, Fargo; Helen Skei, Winona, Minnesota; and Quay Wells is in Valley City, North Dakota.

Cline Tops Spring Term Honor Roll

Marline Cline, who last spring was awarded the Sparks Memorial award, a national Phi Kappa Phi scholarship, led the honor roll for the spring term with an average of 96.3. Ranking after him were R. Gordon Arneson, sophomore, and Freida Panimon, junior, with marks of 96.2 and 96.1.

Others among the high ranking ten scholastically were Arvin Hoge, sophomore, 95.7; Wm. Clark, senior, 95.6; Earl Jennings, senior, 95.5; Edward Ballard, junior, 95.4; Margaret Hanson, senior, 95.4; Warren Whitman, senior, 95; Flora Elliott, junior, 94.7.

Alpha Gamma Rho leads the fraternities and sororities with a mark of 85.8. The rankings of the others are Kappa Sigma Chi, 85.4; Gamma Phi Beta, 85.2; Phi Omega Pi, 84.9; Alpha Gamma Delta, 84.5; Kappa Delta, 84.4; Phi Mu, 84.3; Sigma Alpha Epsilon, 83; Alpha Tau Omega 82.2; Kappa Psi, 81.9; Sigma Phi Delta, 81.6; Sigma Chi, 80.8;

Busy Summer Spent By "Doc"

With the exception of four days this summer, 'Doc' Putnam has been in his office every day. After musing around a bit, things were discovered that lead us to believe that he hasn't exactly been idle in his secluded abode.

"Doc's" office, the library, and room 2, have been redecorated, and the office has been made more cheery by the brightly colored curtains that Doc put up himself. Twenty-nine new poaches are in order with the NDSC gold monogram on each one polished and glistening and a bright gold star adorning each poach.

Over \$130 has been spent on music including two full sets of books, one set made up of pep songs and the other of band numbers for the concert band. In the new repertoire is an original march of Putnam's, "The Bachman Band". This piece is dedicated to Harold Bachman, a former pupil of Putnam's and a fellow member of the American Bandmaster's Association. After the publishing of this number, the engravers now have another march of Putnam's, "Captain Smith". The dedication of this composition goes to Major Thomas Smith of Bismarck, former military instructor at the NDSC, who was responsible for starting the present drum and bugle corps.

With a display of the band in Stone's Music Store this summer, was a brand new instrument never used in the band before; namely, a "Bell Lyre". The horse hair plumes designed on the instrument have been dyed green and yellow in keeping with school traditions.

John Hafstrom, a former student, will return to the band this fall as Doc's first assistant and first chair in the trumpet section. Florenz Dinwoodie will be featured as trumpet soloist with the band. Florenz comes from South Dakota where she won the high school trumpet solo contest twice.

The only change in the music faculty will be in the person of Miss Thelma Edelbrock who will replace Audrey Kenevan, violinist. Ruth Piper will be secretary of the department.

"I'm going to have the best band ever this fall", was Doc's closing remarks.

Theta Chi, 80.2; Delta Tau Epsilon, 79.7.

The rankings of the non-social campus organizations follow: Alpha Zeta, 92.6; Kappa Tau Delta, 91.5; Lincoln forensic club, 91.4 senior staff, 89.8; YMCA cabinet, 88.9; Edwin Booth dramatic club, 88.9; Tau Delta Pi, 88.8; Pi Gamma Mu, 88.7; Scabbard and Blade, 88.2; student commission, 87.8; Panhellenic council, 87.7; Phytois, 87.5; ASME, 87.4; Phi Upsilon Omicron, 87.3; Rho Chi 87.3; ASCE, 87.1; chemists' club, 87.1; Delta Psi Kappa, 87; Blue Key, 86.8; Guidon, 86.4; Alpha Phi Omega, 86.3; Saddle and Sirloin, 86.3; YWCA cabinet, 85.9; Women's Senate, 85.5; ASEE, 85.4; zoology club, 85.2; Women's Athletic Club, 84.4; Tryota club, 84.3; Art club, 84.3; Gamma Tau Sigma, 84; Spectrum staff, 83.1; Engineer's club, 83; Cosmopolitan club, 82.8; Bison staff, 82.8; Kappa Epsilon, 82.7; Ceres hall club, 81.6; Pharmacy club, 81.5; Atelier Chat Noir, 80.1.

NOTICE

All freshmen and other students desiring positions on the Spectrum reportorial staff should apply personally at the Spectrum editorial offices in Science hall.

JACK SPALDING,
Editor-in-Chief.

Students, Profs Take Many Trips

All corners of the country were reached by students and faculty of NDSC during the summer months.

New York city was host to several North Dakota people including Dean A. D. Weeks and Leon Hartwell. Weeks also vacationed in Rhode Island while Portland, Maine, claimed most of Hartwell's time. Eastward bound were Drs. A. D. Whedon and F. J. Brinley, who did research work at Woods Hole, Mass.

In the opposite corner of the country at Portland, Oregon, were Jack Spalding and Dean I. W. Smith. Spalding worked on the Oregon Journal of that city. In the south were W. R. Wenger at Florida and Prof. T. P. Cobb at Texas. At St. Louis, Mo., Sam Dobervich spent the summer studying. Others who did work this summer are Dr. D. S. Dedrick at the University, and Dr. C. J. Sunde at Minnesota university. Dean A. E. Minard and Dr. Leon Metzinger were in Chicago a short while. Ellen Blair and Ethyl Olson also visited Chicago, following the YWCA convention at Geneva, Wis. Mary Horner, Delaphine Rosa, and Jane Rush attended the convention. The week preceding the YWCA conclave the YMCA convened. Orville Goplen, Bob Thorson, YMCA secretary, and Vardi Thorwardson represented this college.

Visiting the national parks were John Jenkins and Warner Litten, at Glacier, Bill Murphy and Don Fraser, at Yellowstone. Among students taking the north shore drive this summer were Janet Sharp, Mary Elise and Barbara Bibow.

Greek letter conventions took several NDSC students out of North Dakota. Lennea Frisk, Kappa Delta president, attended the sorority convention as official delegate at the Huntington hotel in Pasadena, Calif., visiting Los Angeles and San Francisco following the conclave. Eleanor Isaacs went to the Alpha Gamma Delta convention at Quebec as delegate. This month, Maine Shafer, Paul Boleyn, and Morton Larson attended the Sigma Chi conclave in Chicago at the Edgewater Beach hotel. At Yellowstone the Phi Omega Pi sorority held its convention which Winnifred Ewald, Kathryn McEnroe, and Ruth Dyson attended. A school of instruction was held at Evanston, Ill., for SAE members. Bill Akeley, Bill Kneeland, Hugh Anstett, and Dayton Jones went from this chapter.

Outside Colleges Call Students

Approximately fifteen former ND-SC students will attend colleges and universities in other sections of the country during 1935-36.

The University of Minnesota will claim Muriel Nelson, Jane Nichols, and Wallace Lien. Attending the University of North Dakota the coming year will be Robert Fick and Al Ruemmele. Beverley Jenson will attend Iowa State, and Constance Heilman, Northwestern university.

Two graduates of 1935, Howard Kilbourne and Gerald Stevens, will take up advance studies at the University of Michigan. Leon Jacobson will attend the medical school of the University of Chicago, and Ione Noggle, Gregg college in Chicago. Kathleen Litten and Barbara Bibow have chosen to attend the University of Iowa. Lawrence Hall will journey to the west coast where he will attend Oregon State at Corvallis. Marm Houglum will study singing in New York city.

FORMER SPECTRUM MAN EDITS FARGO PAPER

Arnold Chamberlin, assistant editor of the Spectrum under Gale Monson, has become editor of the Valley Farmer, a Fargo bi-weekly publication. Chamberlin and another youthful newspaperman recently bought this paper and the first issue comes out next week.

The paper circulates among the farming populace of the Red River valley.

SPECULATIONS**

North Dakota State, North Dakota "U", and South Dakota State—not named in one, two, three order—that's the trio that will share the first three positions in the North Central conference banner chase. This isn't a good idea to start the year with a prediction and it doesn't show much veneration for the new league entrants, Iowa State Teachers and Omaha City "U", but the winning habit of these three teams isn't due for a change in pace for a year at least.

It hasn't been spoken but it's old news around here that the Sioux of UND will be the toughest nut for the Bison to crack. It's simply a matter of pride that Casey's gang keep the scalpers in their right place. A victory this year will mark the Bison's third straight year of domination over the "U".

South Dakota State has been reaching for the conference title for the last four years—each attempt more formidable than the previous try. This trip they return with one of the sweetest backfields and gosh awful bunch of fighters in the line that they've ever rounded up. Watch them!

The old sad tale of irreparable losses won't find any sympathy in this column. Coaches continuously offering up the old baloney that their best men have passed on are weak sisters. College football is something new every year. Whether the result is good or bad every season is met by new combinations of players and is more interesting because of it.

Men like meteoric Fritz Hanson don't show up every year, but somewhere in the Bison lineup there is a high-stepping baby that'll keep you gasping in every game he plays.

Fritz Hanson, Cy Peschel, Bud Marquardt, former students, and Curtis Denenny, '35, have left for Winnipeg, Manitoba, where they have accepted positions. Fritz, Cy and Bud will play rugby with the professional rugby team of Winnipeg this fall. Bud and Curt will play basketball with the professional basketball team of Winnipeg this winter.

Small, Classy Squad Greet Goaches

**Football Men
Get in Shape
For Season**

**TEN BISON LETTERMEN
RETURN TO COLLEGE
TO BEGIN PRACTICE**

By MAINE SHAFER

Picking up where they left off last spring, coaches Finnegan and Lowe maneuvered their small but classy squad through the rugged early practice sessions in preparation for the tussle with Concordia Friday, Sept. 20.

While the squad is not as large as those in former years, the quality and balance are there. With the exception of Les Dohn and "Shifty" Bill Gove, Finnegan and Lowe have their full squad intact and in beautiful physical shape.

Sam Westgate returns to renew the hopes and plans that Casey had made for him two years ago. Westgate, in Finnegan's opinion, was one of the best ends ever in Bison togs and one of the leaders of that great team of 1929 which swept the conference and inter-sectional games. Westgate has spent the last two years in the army and now returns to give the Bison outstanding power on the outposts.

In Bob Lowe's own terms, and he's not generally an optimist, the Bison boast the finest group of backs in years. "While we will miss Hanson", he adds, "our backfield will have better balance than last year. In Erickson we have a great fullback

Sam Westgate

and have two unexcelled blocking quarterbacks in Isensee and Reiners". Strong support at the half-back posts from Schranz, Rorvig, May, Bill Olson, and Saunders gives Lowe foundation for his optimism.

Except in the backfield, where the available material is the best in years, the probable strength of the team is uncertain. At tackles Casey has dependable Sam Dobervich, the best bet in the line for all-conference honors. Dobervich is the 60-minute man who will captain the Bison through the 1935 struggles.

Ten Lettermen

Ten major lettermen are available for the forward posts. Of these Sturgeon and Dobervich will make the best tackle duo in the loop. At ends Westgate, Sloan, Dietz, and Kelly, all big, rugged flankmen, will keep the holes well bottled. The guards on the squad are Bettchen, Millar, and Springer. Bettchen at 190, looks specially ready for a big year. Beryl Newman, a former end, may be shifted to guard or tackle. There'll be no lack of defensive centers with Maynard and Welch on the job. This combination will be augmented by the more aggressive Charlie Pollock from the freshman ranks of last year. Other sophomores that are showing the stuff are Wes Phillips, great punting fullback, and Emil May, exceptional blocking half.

**New Frosh Coach
Assumes Duties**

Bison freshmen football and basketball aspirants will be under the tutelage of Johnny Smith following his appointment to that post vacated by Pete Gergen. Johnny is a former Bison great himself and is well versed in the type of athletics taught under the Finnegan regime.

Smith has been coaching at Waubun, Minnesota, where last year his basketeers won their way to the district finals only to drop the title to Bemidji in the championship tilt. Although basketball and track were only minor sports in Waubun, in his years there Smith developed some fine athletes in these two lines, but did not turn out any title-holding aggregations.

While playing with the Bison, Johnny won letters in both football and basketball but did not participate in track even though this was one of his accomplishments while in high school. He graduated from the State college in 1931.

Frosh grid prospects look good for this season if all the men the Herd mentors are planning on come through. Pretz Reiners has brought three men back with him from La-Crosse and if they come through in the same manner he has, things will

brightened considerably. Coach Smith also brought one of his proteges, Lloyd Olson from Waubun, with him. Olson tips the scales at about 215 and is being groomed for one of the guard positions. A squad of from fifty to sixty men should be in hand by the end of the first week of practice.

The Bison have but one week to go before they open up a campaign that will keep them busy on nine consecutive week-ends.

The game with Concordia here next Friday, September 20, is the first of the four games that will be played at home this year.

The following week-end the Bison travel to Minneapolis to furnish the opposition for Minnesota in the opening game in Memorial Stadium. Three successive games at home against Morningside, South Dakota State (Homecoming), and Moorhead State Teachers, follow the Bison-Gopher skirmish.

The complete Bison schedule:

- Sept. 20—Concordia.
- Sept. 28—Minnesota.
- Oct. 4—Morningside.
- Oct. 12—South Dakota State. (Homecoming)
- Oct. 19—M. S. T. C.
- Oct. 26—U. N. D. at Grand Forks.
- Nov. 11—Omaha at Omaha.
- Nov. 16—S. D. U. at Mitchell, S. D.
- Nov. 23—Wichita at Wichita, Kas.

**DON'T START TO CLASSES
Without School's Finest Tool!**

**The Parker Vacumatic—
Invented by a University
Professor to replace pens
that suddenly run dry in
Classes and Exams**

Holds 12,000 words of ink—102% more than old style . . . When held to the light you can see the Ink Level—see when to refill!

THE marvelous new Parker Vacumatic is no more like the pens of yesterday than your 1935 car is like a '25 model.

It's the identical pen you've often said that someone ought to invent.

Scores of inventors tried to—fully 250 sacless pens were patented before this miracle writer was born. But none found a way to surmount the mechanical faults of squirt-gun piston pumps, valves, etc.

Then a scientist at the University of Wisconsin conceived the Vacumatic. And Geo. S. Parker, world's leading pen maker, agreed to develop it because it contained no rubber sac or lever filler like sac-type pens—no piston pump as in ordinary sacless pens.

That's why Parker can—and DOES—guarantee the Vacumatic MECHANICALLY PERFECT!

Because there is nothing else like it, the United States and foreign countries have granted Parker patents.

Visible ink supply

Holds 102% more ink

This side writes fine or medium or broad

This side writes hair line or fine

This original style creation introduces luminous laminated Pearl and Jet—yet when held to the light the "Jet" rings become transparent, revealing the level of ink!

Step into any good store selling pens, and see it. The Parker Pen Company, Janesville, Wis.

FREE! Send a Post Card for New Ink That Cleanses Any Pen As It Writes

Parker Quink—a remarkable new ink—contains a harmless ingredient that dissolves sediment left in pens by ordinary inks. Ends clogging. Get it from any store, or send your address for small bottle to try, FREE. Address, Dept. 711.

New Lawns Grace Campus For Fall Term

Rejuvenation of campus lawns, planting shrubbery, trees and flowers, watering and trimming trees, are the highlights of the most extensive and effective campus beautification program carried out here in recent years. A battery of employees gained through WPA and FERA funds helped in this achievement.

Directing the general improvements has been Dick Kraft, superintendent of buildings and grounds. C. B. Waldron and A. F. Yeager, NDSC horticulturists, have accomplished some improvements with a corps of workers under Marvel Lein, field foreman.

Through permission received by the city authorities, fire hydrants were employed to water the lawns and trees. Six million gallons of water were used to keep the NDSC campus green during the summer. Much of this was used in a miniature irrigation project at Ceres hall to build up a new lawn growth.

The largest lawn rebuilding venture is that located on the drill field west of the library where a lawn grass combination has been seeded using barley as a cover crop. Plantings of shrubbery, consisting of spirea and roses, of flowers, and of ash, walnut, and elm trees have been made.

Other improvements include the installation of steam heat in the practice house, extension of high pressure steam to the pathology greenhouse, reconditioning of the campus roads, and reshingeling of the roof on Festival hall.

APPLICATIONS WANTED FOR BISON BREVITIES

Positions on the 1935-36 Bison Brevities are still available, according to Bill Akeley, manager.

This year's show will be an all college musical comedy differing from the revue of last year. In order to hold tryouts in October as scheduled, it is imperative that the staff be complete within the next two weeks. Anyone interested in positions such as script girl, stenographer, electrician, or carpenter see Warner Litten, Blue Key president or Bill Akeley, manager.

Alumni Notes

Mr. and Mrs. F. Neal Baldwin, '31, of Lawrence, Kansas, visited in Fargo for two weeks in August. Mrs. Baldwin was Miss Helen Carstensen before her marriage. Neal is manager of the Gamble Stores in Lawrence, Kansas.

Robert Weir, '33, left Tuesday for Kansas City, where he will again play basketball with the Southern Kansas State Lines basketball team. Last year this basketball team won the national basketball championship title and Bob was one of the first five. After the season was over Bob drove one of the Southern Kansas State Line busses. Bob was a member of the North Dakota State basketball team which won the North Central Conference basketball title two years in succession.

Mr. John Dinwoodie, '09, has a number of North Dakota State college graduates working for him on the wheat allotment project. Among the group are: June Fredeen '33, Amy Glaser '35, Vivian Luther '35, Art Olson '26, Dorothy M. Olsen '32, Mildred Peterson '35.

Dorothy Smith, '33, daughter of Dean and Mrs. I. W. Smith, arrived here Saturday from Portland, Oregon, where she has been visiting her sister, Marie Smith Miller, former student of the college. Dorothy will leave Thursday for Chicago, where she has accepted a position as assistant in the Department of Medicine at the University of Chicago.

Mr. Donald Peet, '25, has resigned his position at Elbow Lake, Minnesota, to act as County Agent for Clay County, Minnesota. Mr. and Mrs. Peet will reside in Moorhead, Minnesota. Mrs. Peet was Miss Helen Newton before her marriage and was a former student at the college.

Orientation Week Commences Today

(Continued from Page One)
and of student activities. Placement tests in English will be held at 10 in rooms 5 and 26, Chemistry building. From 3 to 5 p. m. a reception and tea for all girls will be held in the Ceres Hall parlors by the YWCA advisory board. At 8 p. m. the boys will be entertained at a stag party in the Y and the girls at Festival Hall.

The social program and regulations will be explained by Dean Sudro, chairman of council committee on social affairs, at 9 Tuesday morning in Festival Hall. Following this will be a quiz on the hand book conducted by Registrar Parrott. At 10 o'clock Dr. C. I. Nelson, chairman of council committee on student health, will conduct a program on student health which will be followed by the physical education program, conducted by Director of Athletics, C. C. Finnegan and professor Cole. Fraternities and sororities will hold open house in the afternoon from 2:30 to 5. An opportunity for all new students to meet the upper classmen will be afforded at the all-college hop starting at 9 p. m. in the Field house.

Registration for upper classmen begins Monday and will continue through Tuesday in the Administration building. Regular classes will convene Wednesday morning at 8 o'clock.

Eleanor Miller will attend Miss Wood's school in New York next year and Maren Simmons the University of Minnesota.

OPPORTUNITIES.....

The business world is full of opportunities for those who are properly trained, but opportunities are of value only to those who are ready to make use of them. The business world offers more opportunities to trained workers than all other lines of work put together. Why not take a course in business training and be prepared to take advantage of worth while business opportunities? If interested, phone 1099 or write for particulars.
