## 1934 Homecoming Plans Formulated

### Debaters Try For Forensic Positions Mon.

To select the NDSC college debaters for this year, tryouts will be held Monday and Tuesday afternoons from 2:00 to 5:30 o'clock at the Little Country theater. Inter-class, intercollegiate, and community debaters will all be chosen at this time.

The agricultural adjustment act will be the basis of inter-class debate, which will get underway early in November, according to a decision reached by the Lincoln club, honorary debate organization, at its meeting early this week. Members of the group will be present at the tryouts next week to select members of the inter-class teams, said Howard Kilbourne, president of the club.

In the intercollegiate feature of the debate program, University of North Dakota, Montana State college, University of Minnesota, South Dakota State college, Concordia college, and Moorhead State Teachers college are tentative foes of the NDSC varsity squad, according to plans underway by the board of public speaking control.

Students desiring to try out for the debate teams should register at the Little Country theater this afternoon from 2 to 5:30, according to Dr. May, speech instructor.

### Bell Award Again Offered To NDSC

The James F. Bell award of \$350 will be given next June for the third year to any student of the N. D. State college writing on any subject, whether it be music, agriculture, art or science in any form, according to R. M. Dolve, dean of the school of engineering and chairman of the award committee. This prize will be given to the student who submits the most constructive idea which contributes to the benefit of mankind.

A series of lectures will be given before the student body on selected subjects as part of the Bell award program. The object of the lectures is not to furnish subject material but to illustrate thought processes that have proven effective in solving problems as well as how to avoid pitfalls in thinking. The time of the first lecture has not been set, but is to be given in the very near future.

Clifford Maloney of Fargo won the prize last June and Roy W. Simonson won the Bell Award two years ago with the topic on rural zoning.

Copies of the winning manuscript will be bound and placed on file in the college library.

"Singing Strings" is the official title of the newly organized string ensemble which has been formed by Audrey V. Kenevan in the music department. Twelve campus women make up the group.

### New Pledges Reach Total of 190 As Fraternities And Sororities Close Rushing Season For 1934

#### Minard Announces Rhodes Applicants Deadline Nov. 17

November 17 is the deadline for the filing of Rhodes scholarship applications, according to Dean A. E. Minard, who is in charge of arrangements on this campus. Students elected may enter the University of Oxford in 1935.

To be eligible for a scholarship, a student must be a male citizen of the United States, between the ages of 19 and 25, and must have completed his college sophomore year. Literary and scholastic ability; qualities of manhood, truth, courage, unselfishness, and fellowship; exhibition of moral forces of character; and physical vigor are the basis on which the choice of the twelve students from the country are chosen.

A scholarship is valued at 400 pounds a year or about 2000 dollars. A student may be elected for two years, although if the course requires a third year and an outstanding record is made, the student may be elected for a third year. Candidates may apply in the state in which they reside, or in the one where they have received two years of college training.

#### Cosmopolitan Club Names Committees

The Cosmopolitan club, independent student organization, began activities at their second regular meeting Monday night by appointing social, program, and publicity committees. Each individual was appointed "a committee of one," as President Calvin Olson termed it, to carry on an extensive membership campaign.

The social committee, composed of Emma Dietz, chairman; Elaise Jeffries, Helen Galyen, Elmer Ewing, and Wm. Oftebro, is preparing for the usual term party which will be held sometime before homecoming. Other committee members are: programs, Edna Sutherland, chairman, Oline Ordahl, Phil Robinson, Knute Haagsjaa, and Erma Romine; publicity, Lawrence Bue, chairman, and Helen Foster.

A short program at the meeting consisted of an accordion solo by Knute Haagsjaa, reading of the weekly paper by Steve Crumm, a play directed by Helen Foster, and a reading by Lawrence Bue, "When the Frost Is on the Pumpkin," with imitations added by Ole Rice.

More than fifty men have reported for membership in the newly organized glee club under the direction of Ernest van Vlissingen. Practices are held Tuesday evenings at 7 o'clock in Festival hall.

With a grand total of 190 new pledges, of which 82 were pledged to the sororities Monday evening and 10 to the fraternities Sunday afternoon, fraternal organizations of the campus have concluded this year's rushing season.

Of the sororities, Gamma Phi Beta, with pledges numbering twenty-one, leads in the number of new affiliates. They are: Gertrude Anderson, Jean Crowley, Cecilie Henry, Mercedes Morris, Muriel Nelson, Jeanne Olson, Arlene Riggs, Janet Sharp, Jeanne Vern, Dorothy Anderson, Catherine Cannon, Harriet Dietz, Harriet Ellsworth, Dorothy Evanson, Marion Harvey, Phyllis Krantz, Irene Martin, Lois Myron, Vinnie Olson, Marjorie Patterson, and Nan Powers.

Next, with twenty new girls, is Kappa Kappa Gamma. The twenty are: Genevieve Hawkins, Doris Johnson, Janet Spaulding, Ellen Tillotson, Ann Bolley, Lucille Clark, Georgia Cook, Frances Cooper, Alice Crahan, Marjorie Dady, Dorothy McPhail, Jean May, Eleanor Miller, Beth Oliver, Joan Pote, Mary Rector, Evelyn Wattam, and Maren Simmons.

Nineteen new members ranks Phi Omega Pi third of the six sororities. The newly pledged "POPS" are: Mildred Boettcher, Muriel Burnson, Ione Carpenter, Mary Clark, Margie Dean, Helen Edmonds, Vernetta Jacobs, Ione Noggle, Genevieve Ruthledge, Frances Tourlote, Lucy Loomis, Ruth McCabe, Kathryn McEnroe, Gertrude Murphy, Mary Sherwood, Lucille Spicer, Dorothy Thull, and Josephine Conolly.

An addition of thirteen girls to the membership of Kappa Delta makes it fourth in line. New Kappa Deltas are: Edna Bruce, Ellen Eichmiller, Lorraine Engle, Ruth Piper, Gwendolyn Stenehjem, Elsie Gabe, Opal Fiske, Greta Jones, Geneva Owens, Eloise Pfeffer, Mary Clare Pfeffer, Madeline Powers, and Catherine Powers.

Phi Mu pledged five girls: Laverne Furcht, Ruth Pinkham, Beverly Snyder, Charlotte Ohnstad, and Arlis Skadsdamen.

(Continued on page 2)

#### Edwin Booth Club To Give Try-Outs

Try-outs for three plays to be given by students interested in dramatics, under the sponsorship of the Edwin Booth Dramatic club, will be held Monday and Tuesday from 2 to 6 p. m. in the Little Country theatre.

According to a statement issued from the public speaking department, a record will be made of all students who try out and this record will be consulted in choosing students for parts in other plays.

The organization will announce the plays selected at a later date.

S. W. HAGEN

#### NDSC Secretary Appointed Arbiter On New NRA Board

S. W. Hagen, NDSC secretary, has been appointed chairman of the NRA board of fair competition serving in the city of Fargo.

Instituted by the national recovery administration, the committee acts on matters concerning violations of the NRA. It carries out the functions of a court, rendering decisions and imposing penalties on the violators. The members of the committee represent the three groups mainly concerned, the employers, the employees, and the public at large.

J. W. Schannach, L. D. Richardson, and S. W. Hagen have been chosen as representatives of these groups, respectively. Mr. Hagen bears the additional responsibility of acting as impartial third party.

#### Campus Elections Tuesday, Oct. 16

Campus class elections will be held Tuesday, October 16, in conjunction with a special poll to fill two vacancies on the student commission. In this all-student ballot, successors to Marion Bristol, commissioner of elections, and Carol Ladwig, commissioner of judiciary, will be selected in addition to the sixteen regular class officers.

For each class, a president, vice-president, secretary, and treasurer will be chosen.

Since the two political factions, the "Hog-it-alls" and the "Holier-than-thous," have not had their frame meetings yet, no candidates for the respective offices have been announced.

Mary Horner, assisted by Gwendolyn Stenehjem and Gretha Jones, will serve at the first Blue Monday tea, sponsored by the YWCA, from 3 to 5 p. m., Monday, in the YWCA rooms. All women students on the campus are invited.

### Varied Prizes To Be Awarded Novel Floats

Homecoming plans are progressing rapidly under the direction of Earl Jennings, president of the Student Commission, and a great deal of enthusiasm is being directed to make October 27 one of the most important dates of the college year.

#### SCHEDULE FOR OCT. 27TH

Morning: Parade in charge of Capt. Conmy.  
Noon: Luncheon for Alumni in Lincoln Log Cabin.  
Afternoon: NDU-NDSC Game—Crowning of Homecoming Queen. Announcement of winners of prizes and presentation of awards. Two bands give exhibition.  
Evening: All-college dance sponsored by the Student Commission and the Alumni Association.

"Prizes are to be awarded to the organizations who best carry out the Homecoming theme and who excite the greatest public interest," says Earl Jennings.

"Awards will be made by judges appointed by Professor Huntoon, of the school of architecture."

The awards offered are as follows: the best float—first prize, both a permanent and a competitive cup; second prize, a permanent cup. First prize for the house having the best decorations is seven dollars with four dollars as second prize. Two permanent cups will be given to the two best sororities in cars. For individual costumes, a five and a three dollar prize are offered.

By virtue of being commissioner of social affairs, Virginia Landbloom will be crowned Homecoming Queen during the intermission between the halves of the football game.

#### Promotions Made In Cadet Groups

To accommodate the enlarged freshman military enrollment and to replace officers who did not return to school this term, promotions in the ranks of NDSC cadet officers were announced this week by the military department. Two captains were elevated to majorships, and five first lieutenants were named captains.

Harry Hanson and Jerome Stevenson were commissioned as majors. Lloyd Burman, Ernest Hall, George Toman, Verne Kasson, and Walter Dykstra are the new captains.

These and other changes in the lower officers of the cadet corps were caused primarily because of the necessity of the formation of twelve full platoons instead of the previous ten. In the promotional shakeup, twenty-four sophomores taking the basic instruction, for instance, were selected to augment the number of corporals.

## STUDENT OPINION

A college paper should reflect the attitudes and opinions of the students as well as their activities. It is impossible for a few people busy with their school work and interested in their own particular field of study to keep in touch with all the activities on a campus. It is impossible for these few to present the various opinions of more than fourteen hundred students.

Many problems arise on this campus. Many changes are being made in other institutions and in the whole education system which might influence this institution. Politics, government, social affairs, advancements in the different branches of science, new literature, and a million more things should interest the student orienting himself to taking his place in an ever-changing world.

Students must have ideas and opinions concerning campus activities. They are heard griping often enough about the student teacher relationship, the lack of cooperation between schools and departments, the professional jealousies demonstrated by educated men, the need for adequate equipment, the need for new buildings, military training, and so on far far into the night.

Affairs outside the campus must draw comment as well as these. The Spectrum staff would like to print student opinion. By expressing ideas, and comparing them and rebuilding solutions on the basis of the gathered information, the solution to many problems may be found and public opinion will at least be awakened.

We of the editorial staff ask that you use our paper and our columns to express yourselves. All we ask is that you have concrete basis for your statements and that they are just and reasonably unprejudiced.

### POLITICS AGAIN

Elections are in order again. The frames will be busy this week trying to dig up dirt about one another and spread it as propoganda against the opposing candidate. For the honor of holding sixteen petty offices, two of which have even a slight importance, the "Hog-it-alls" and the "Holier-than-thous" will go into huddles and come out shouting signals at the poor members of the various organizations. "This is OUR ticket, vote it!"

Since elections are necessary, some form of nomination is essential. However, this old grouping of frames is as out of date and as inadequate as are the old line republicans. In the first place, students are not chosen for office upon their capability, but rather on their popularity and power to draw votes for the frame as a whole. In the second place, there are dissensions within the ranks of both frames.

Lastly, students are no longer willing to support frame candidates, as was shown in the last election when very few ballots were "straight".

A new form of nomination could be worked out and would gain support if the candidates were judged on their capacity and if voting were not forced upon the frame argument rather than personality.

### To All Students Interested In Positions On Bison And Spectrum:

All students desirous of positions on the school's two major publications are urged to make application between October 7-13.

A table is being placed immediately adjacent to the offices of the publications on the lower floor of Science hall. Please write your name, classification, and publication on which you desire to obtain a position on a card and deposit it in a box which will be found on the table.

It is the sincere wish of the Board of Publications that all students who are in any way interested in journalism and who wish such valuable experience as afforded by these publications will take advantage of this opportunity.

We especially address this announcement to freshmen and sophomores who are interested in this phase of activity. To them splendid opportunities for advancement to major staff positions are available and to these positions financial compensation is paid.

—Board of Publications Control.

### PI GAMMA MU ELECTS

#### GERALD STEVENS HEAD

Gerald Stevens, senior in the school of science and literature, was elected president of Pi Gamma Mu, honorary social science fraternity, at a meeting of the group Tuesday afternoon. Lavernis Hidde was elected vice-president and Dr. A. D. Steosz, assistant professor of botany, secretary-treasurer.

New candidates whose names are not yet known will be initiated at the next regular meeting October 11. New members will be guests at a dinner meeting.

## DIRT and STUFF

By JART

For our freshman story this week we're going to use the one about Manny Ladwig, one of these who are furnishing the green part of our school colors this year, who said, "I'd rather take advanced than basic military; I think the uniforms are so much nicer."

### In Memoriam

This bottle's killed, no more we'll ope,

For Don Fraser, the poor dope,  
Has got himself a fiancee  
And'll know it to his dying day.  
Remember, Don, you're married a long, long time.

We wonder why the Cook family's prodigal has such an alarming respect for lamp posts. Somethin' he et, no doubt.

Next comes the case of the naive rushee who, after the rusher had told her of the high average of the sorority, said that she'd like to join the outfit, but was afraid that she'd bring the average down. And this in the day of the sophisticated freshman!

It might interest you to know that Ken Sornsin and one Mable are "oogums" and "didums" to one another.

How is it that the "man mountain" of the Bison team has picked for his training partner the frailest of all frails? At least she has a windbreak, which is worth something in these here parts.

Happy Birthday to you, over at Ceres Hall. Better watch out or the beer-worms will get you. And she was such a nice girl, too.

We hear that the Phi Mu's are going to start holding their pledge teas in the bull pen of the city jail. And they wanted so to make a good impression on the rushees. The irony of it all; a group of convicts leading innocent freshmen astray.

The campus is eagerly awaiting the debut of the college's latest dance team: Bjornson and Oehlke with their interpretation of the "Dying Swan."

And then there is the Gamma Rho and Kappa couple that got kicked out of the Crystal for being too young to join in the fun. Back to rompers, kiddies, the dance hall's a place for grown-ups.

### INITIAL CADET DANCE WAS HELD LAST NIGHT

Sponsored by Scabbard and Blade, the first Cadet Hop was held Thursday, October 4, from 4 to 6 o'clock in Festival Hall. Don Fredrikson and his band furnished the music. Al Reummele and Chester Perry were in charge. Mr. and Mrs. Leonard Sackett and Capt. H. J. McChrystal were chaperones.

Scabbard and Blade made plans Wednesday for a second Cadet Hop to be held next Thursday. Don Fredrikson's band will again play. The same admission price as at previous hops will be charged.

## AT THE THEATERS

Movie interpretations of two well known and popular novels will be presented when Stevenson's "Treasure Island," and Mougham's "Of Human Bondage" are shown at the Fargo theater today, tomorrow, and next week. The one, a great adventure story, the other a psychological study, they demonstrate the extremes in type of movie. If the portrayals are as good as the cast selections and if the movies follow the books as written, both should be the ultimate in entertainment.

A very appropo picture, "Death on the Diamond," shows at the State today and tomorrow. The St. Louis Cardinals and C. Henry Gordon, Ted Healy, and Net Pendleton appear in the picture. Jean Parker's first starring vehicle, "Have a Heart," appears Monday and Tuesday.

Saturday, "Millions", popular serial in last year's Saturday Evening Post, is showing at the Roxy this week-end. It is one of the outstanding football stories of the year and has lost none of its merits in the film version.

James Fredrikson, a freshman at the college last year, stopped at the Theta Chi house Saturday on his way to St. Louis, where he will attend school the coming year.

# SOCIETY

Al Mortenson, Watertown, S. D.; Craig Montgomery, Fosston, Minn.; Steven Easter, member of the Minnesota University chapter of the Alpha Gamma Rho; Clyde Challey, Finley, N. D.; Alex Robertson, La-Crosse, Wis., and Roy Simonson, 1934 graduate, visited at the Alpha Gamma Rho house during rush week.

Al Ballweg and Laverne Bodden were week-end guests at Delta Tau Epsilon house.

Mr. and Mrs. Peter Long, Page, N. D., visited their son James at the Kappa Sigma Chi house Sunday afternoon.

George Burt, Kappa Sigma Chi alumnus and instructor in the Eckelson city schools, was a Sunday visitor at the chapter house.

Loren Odell, secretary of Kappa Sigma Chi, spent the week-end at his home in Tower City.

Harry E. Schlenz, national secretary of Alpha Kappa Lambda, national social fraternity, was a luncheon guest at the Kappa Sigma Chi house Friday noon.

William Brady, Theta Chi alumnus, spent the week-end at the chapter house.

Kappa Kappa Gamma pledges were entertained at supper in the chapter rooms after pledging services which were held at the H. G. Fuller home.

A waffle supper is being planned by Kappa Kappa Gamma sorority to be held in the chapter rooms before the football game Friday night.

Non-sorority women of this campus were entertained at a tea Sunday from 3:30 to 5:30 p.m. in the fireplace room of the YMCA. The team, which was sponsored by the Freshman commission of the YWCA, was served by Phyllis Coyne, Ethyl Olson, and Lucille Iverson. Virginia Smith played the piano for entertainment. Mary Horner, Freshman commission president, was in general charge of the tea.

Dorothy Kretzmar, Grand Forks; Eloise McArdle Mortenson, Watertown, S. Dak.; and Dorothy Vorby Bohlig, Lake Park, Minn., alumnae members of the Kappa Delta sorority and graduates of NDSC, assisted with the rushing last week.

Sid Shannon, Sigma Phi Delta, passed cigars to fraternity brothers Monday night. Frances Asleson is the fiancee.

Harold Raney was elected president of the Alpha Tau Omega fraternity at a regular meeting Monday evening. Raney, a senior in the school of science and literature, succeeds Dale Iverson, who is attending the University of North Dakota.

Alumni visitors at the Kappa Psi house Saturday evening were Russ Osman, Ken Reardon, Harlan Black, and J. G. Halbuse.

Clarence Sagmoen, Minneapolis, Minn., one of the founders of Delta Kappa Sigma, visited the Sigma Chi house over the week-end.

Doris Brimer, Wheatland; Marian Miller, Lake Park, Minn.; June Kremer, Sykeston, members of the Phi Mu sorority, visited in Fargo during rush week.

Clair Peterson, who has just completed a course at Kelly Field, is visiting at the Alpha Sigma Tau house. He is an alumnus of the fraternity.

Pledges of Kappa Delta sorority were entertained at a fudge party Wednesday at 7:30 p.m., in the sorority rooms. Carmen Ostby, rushing captain, was in charge of the party.

The Mothers' club of Sigma Phi Delta held their first meeting of the year in the fraternity house, Tuesday night.

### INCREASE OF 184 IN MILITARY DEPARTMENT

Enrollment figures at the military department office show an increase this fall of 184 cadets over last spring.

This fall there are registered 365 freshmen, 167 sophomores, 47 juniors, and 47 seniors, a complete enrollment of 626.

Last spring's enrollment was 214 "frosh", 142 "sophs", 48 juniors, and 38 seniors, a total enrollment of 442. The first Friday morning general assembly in military instruction is scheduled for Friday, October 5, at the field house, it is announced. Due to an increased enrollment this fall there will be 12 platoons instead of 10 as formerly. There will be no other change in the general organization.

## Iverson Presided At June Songfest

Chief generalissimo of the national convention of the Norwegian Singers of America association, which held sessions at the field house on the NDSC campus last June, was the big summer-time experience for Prof. P. J. Iverson of the school of education. Iverson was president of the group, and, with Fargo as the convention city, his job was to direct the planning of this gigantic sangerfest (songfest).

Two thousand male singers from Chicago, Duluth, and other parts of the nation gathered for this meeting of Norse choristers. Public concerts were attended by thousands and given over a radio hook-up of the national broadcasting chains and re-broadcast by short wave to the Scandinavian countries. The concerts drew favorable comment as to the beauty of the selections given by this massed chorus.

To Iverson, however, the job was fun, because he enjoys these music meetings. The group as a whole has as its main purpose to foster interest in Norse music and to provide a vacation-time diversion for the people of Norwegian descent who love the music of their "old country." In appreciation for his execution of the duties as president, Iverson was named by the group in its business session to an honorary office.

### ENGLISH DEPARTMENT INCREASES PERSONNEL

A new instructor, Walter F. Wright, has been added to the personnel of the English department due to the large number of students taking freshman English.

Mr. Wright is a graduate of Miami university and has also taken work at Johns Hopkins university and the University of Illinois, at which universities he specialized in the eighteenth and nineteenth century novel. While at North Dakota State college he will teach freshman English.

**"HE'S LEARNING TO COOK"**  
... A TRUE STORY

Preface: Last year, two groups of boys in the "dorm" worked together cooking their meals. This resulted in a request this year to the home economics department for help.

Now read on: Now, nine groups of boys are working together preparing their meals. Since there is a lack of laboratory room, all of these boys are not able to take the work in cooking. The (ingenious?) male is going to do something about it. Two or three representatives will be elected from each group to take the course in cooking and return their knowledge to the other fellows.

The course, according to Miss Constance Leeb, in charge of the work, will consist of the planning of menus, with discussions on food

values and food combinations. Laboratory work will be on the proper methods of preparing and serving vegetables. The boys will prepare the less expensive meats in such a way as to make them appetizing and attractive.

Result: Perhaps, when the little wife says that she has burned the muffins, the husband will prepare some of his quick bread, thus eliminating the possibility of going out to eat. When the little wife finds that her husband can cook, she will have to find some other excuse to dine out. Men, there is justice!

"Dancing with men to be allowed" is the headline in the Miami Student, official publication of the University of Florida at Miami. The story goes on to explain that this dancing can be done Friday and Saturday nights in the sorority houses under supervision.

**Cadet Battalion Escorts Governor**

A special battalion of NDSC sophomore and senior cadets was formed Monday morning, October 1, to escort the acting Governor Ole H. Olson to Fargo's Harvest Festival. Monday was Governor's Day in the festival, which lasted from September 29 to October 6.

This unit met the governor and his party at 11 o'clock in the forenoon at Front and Thirteenth streets. At this point the cadets, drawn up in line, presented arms to the governor while the Gold Star band sounded the ruffles and flourishes.

The columns then formed with

the Gold Star band in the lead, followed by the governor's party. A personal escort of forty cadet officers marched with the governor's party. The route of march was east on Front street to Broadway and north on Broadway to Second avenue.

The showing of the cadets drew compliments of the governor's party, according to Capt. J. B. Conmy.

Veronta Wheeler, graduate of 1933, was a guest at the Phi Omega Pi house Monday night.

## Stubborn Tommies To Engage Bison Gridders Here Tonight

Boasting an all-veteran backfield combination, the strong football team from St. Thomas promises to give the Bison a great battle when these two teams clash this evening in a night game at Dacotah field.

"Remember the 7-7 deadlock they held us to last year" is the slogan Casey Finnegan and Bob Lowe, Aggie coaches, are trying to pound into the boys on the team. "St. Thomas always plays great ball against us and I don't expect this year to be any different," is Casey's view of the contest.

The Tommie backfield includes Frank Haider, Harry Higgins, Matt Gouze, and Leander Reinhardt, all of them hard driving backs who carry a scoring threat from any part of the field. Although Coach George Barsi lost some of his linemen by the graduation route, at least four of the seven men on the scrimmage line will be monogram winners from last season. Tom Rigney, scintillating end, John Lackner at the pivot post, George Little at a guard position, and Leo McGuire filling a tackle job, are four lettermen who are sure to be in the starting line-up.

The Bison staff faces a problem in finding able men to take the place of Erling Schranz, halfback, and Neville Reiners, quarter, both of whom were injured in the Minnesota fracas and not likely to see service against the Tommies. There is a chance that Let Dohn, clever passer and runner from Bismarck, may be in shape to display his wares in varsity competition. Dohn was injured before the opener and has been unable to see any rough action since.

In the one game the Tommies have played this year, they dropped a heart-breaker to St. Olaf's eleven by the close count of 2-0. Notwithstanding this upset, Coach Barsi's outfit is still very much in the Minnesota state college conference race and are conceded an even chance to cop the conference crown.

## Bison Vanquished By Gopher Eleven

Before 27,000 fans, the largest opening day crowd ever to assemble in Minnesota's stadium, the NDSC Bison fell first 1934 victims of Minnesota's powerful Gophers—52-12.

After being held scoreless throughout the first quarter in a surprisingly hard fought battle, Minnesota's much-heralded power became effective in the second quarter, when Art Clarkson slipped away on a 19-yard dash around right end to start the ground-gaining rush which the Bison could neither stem nor delay. A pass from Lund to Larson carried the ball to the Bison 4-yard stripe, where Biese scored the first of Minnesota's eight touchdowns.

The Bison had their inning, however. There was an interlude late in the game which very decisively belonged to the Herd. Coming late in the game as it did, the crowd watched a revival rush as the Bison followed two careless Minnesota passes from center back for heavy losses. On the next kick play, Peschel charged into Rennix's punt for a square block. Continuing after the oval, Peschel fell upon it across Minnesota's line for the NDSC first six points.

The second touchdown was forced through the air against the refreshed Gopher squad. Carrying on a highly successful pass attack, the Aggies completed three in a row, finally to score on Schollander's toss to Marquardt.

The game was a pleasing one in spite of the one-sided scoring. The Bison, as well as the Gophers, were pleasantly surprised by their new players. Sturgeon frequently out-punted the famous Lund and was one of the three to play the entire struggle without substitution. The other two likewise were linemen—Dobervich and Peschel.

## Sport Speculations

Even though everybody has heard about "Goliath" Sturgeon and the pants-fitting episode, ye scribe believes he has a new one concerning the Man Mountain from Moorhead. Starring for a high school team in Minneapolis is another Sturgeon, but oh, so different from our own dear Lyle. This one plays in the backfield and tips the scales at a measly 143, as compared to the stately 282 pounds for the Bison edition.

When we first read that "Sturgeon, the dynamic atom," had starred on the gridiron, we were willing to bet that someone was crazy and that it wasn't us.

What we can't figure is how Minnesota was allowed so many fellows on the field in that game against the Herd. Everybody on the Bison team insists that there was always all the way from two to four men on him every play. Wonder how Bierman managed that and still had someone left to carry the ball.

lashing those frosh with his tongue out there in practice, the freshies are assured of the best verbal trouncing the school has to offer, as it is generally conceded that "Gramps" can outtalk his weight in phonograph records. Providing of course that he is properly wound up. Say, for instance, with a glass of six percent.

Keys to the Bison office were lost when a purse belonging to Cathryn Ray mysteriously disappeared last week. The registration card and sorority pins are particularly valuable to the owner, who offers a liberal reward for the return of the purse.

## Fellowship Given To 1934 Graduate

Andrew Aandahl, a graduate of 1934, has been awarded a research fellowship in the department of pathology at the North Dakota experiment station, according to P. J. Olson, assistant director of agriculture and the experiment station.

Aandahl will make a special research in the control of cereal smut under the supervision of W. E. Brentzel, pathologist in the North Dakota agricultural experiment station. Aside from the research work Aandahl will take graduate work, leading to a master of science degree.

Aandahl is a member of Alpha Zeta, honorary agriculture fraternity, and also of Phytois, an organization concerned with botany.
