

NATIONAL "Y" OFFICIAL ARRIVES HERE TO VISIT COLLEGE ORGANIZATION

Esther West Addresses Meeting Sponsored By World Fellowship Group

PAULA VERNE IN CHARGE

Pageant By Claire Newell Is Special Program Feature For All-Y Meeting

Miss Esther West, national world fellowship chairman for the Y. W. C. A., arrived here this morning for a two day visit.

Paula Verne is in general charge of this meeting commemorating the world week of prayer. She is assisted by Dorothea Ward, music; Amy Oscarson, program; Claire Newell, dramatics; and Marguerite Jennings, social chairman.

To honor Miss West the college "Y" advisory board will entertain at a luncheon in Ceres hall Tuesday noon.

The Y. W. C. A. members will meet in the "Y" rooms at 4:15 Tuesday for a conference with Miss West.

Seniors, Freshmen Vie For Honors in Final Debate Meet Nov. 19

Upperclassmen Win Decision From Sophomore Speakers In Monday's Contest

Freshman and senior debate teams will vie for inter-class debate honors when the final contest is conducted Nov. 19, it was announced by Donald McKechnie, chairman of the series.

The question for consideration throughout the entire series is, "Resolved, that the University of Chicago system of education should be adopted at North Dakota State college."

Discussing the negative side of the question, Anthony Faber and Norman Todd, seniors, were awarded the decision by Dean A. E. Minard in Monday night's contest.

Plans are being made by the Lincoln Debate club, sponsor of the inter-class debates, to present a special feature program in connection with the final debate Nov. 19, McKechnie announces.

Kappa Sigma Chi announces the pledging of Nestor Hensler, Fargo; Hugh Preckel, Mapleton; Charles McLaughlin, Fargo; Myron Waxler, Pelican Rapids, Minn.; and Russell McClaglen, Lake Park, Minn.

Mr. C. W. Spalding, Jamestown, was guest at the Alpha Tau Omega house over the week-end.

Plays Major Role

Malve McKeane interprets the part of Willie Tatham, one of the four major characters, in "Aren't We All" to be presented in the Little Country theater tonight.

High Schools Play Game on Armistice For Charity Fund

Fargo and Devils Lake Battle In Post-season Game Under Auspices of Legion

Under the auspices of the American Legion Fargo and Devils Lake high schools will engage in a post season football encounter tomorrow afternoon on Dacotah field at 2:30.

Head Coach Doug Smith of the Satans and his assistant Stafford "Cod" Ordahl, have developed a team that has beaten such teams as East Grand Forks and Jamestown.

Ordahl will be remembered as one of the most outstanding football players to ever graduate from this institution. He was captain of the Bison squad during the 1929 season.

Coach Smith will bring Eldon Rutten, star fullback who has led the scoring attack all season, Vernon Weaver and Forest Stevens, one of the best pair of ends in the state, and Ray Young and Street, two shifty halfbacks.

Coach Brown of Fargo High school has also developed a powerful, hard driving team and the fans of this section are assured one of the most interesting games of the season.

SADDLE AND SIRLOIN ENTERTAIN TOMORROW

The Saddle and Sirloin club at North Dakota State will hold an informal smoker for all students in the school of agriculture, Wednesday evening, Nov. 11, at 8 o'clock in room 308 Agricultural hall.

Mr. Ashley has modern ideas that he expresses in a crisp fashion, according to men who are acquainted with him. He is a natural born leader and has made a name for himself in his line of work.

A short business meeting will be held in the Saddle and Sirloin club rooms before the smoker at 7:30, and all regular club members are requested to be present.

PHI KAPPA PHI NAMES NINE COLLEGE SENIORS MEMBERS OF SOCIETY

Benjamin V. McCaul Announces Election of Upperclassmen Following Meeting

NO INITIATION DATE SET

Six Men, Three Women Honored By Chapter of National Honorary Group

Nine North Dakota State college seniors have been elected to Phi Kappa Phi, national honorary scholastic society, announces B. V. McCaul, secretary of the local chapter.

The honored students, who were elected at a meeting of the organization held October 29, are Carl Hoyem, Christine, mechanical engineering; Wesley Bruns, Oriska, agriculture; Grace Hunkins, Fargo, education; Fannie Zimmerman, Fargo, science and literature; Harold Lundgren, Fargo, chemistry; Sylvia Panimon, Fargo, education; Lyle Phillips, Fargo, science and literature; Alvin Schroeder, McClusky, mechanical engineering; and Frank Seebart, Lakota, chemistry.

Initiation of the elected students will take place later in the fall term, the exact date not having been decided upon as yet.

Phi Kappa Phi was founded in 1898 at the University of Maine, and is a society composed of professors, graduate and undergraduate students from all departments of the college at which a chapter is located.

CLASSES DISMISSED TOMORROW AT 9 A. M.

Classes will be dismissed at 9 a. m. tomorrow it was announced yesterday afternoon by A. H. Parrott, registrar.

In the afternoon students will be given an opportunity to attend the charity football game between Fargo and Devils Lake high schools.

Greek Groups Hold Formal Initiation

Alpha Sigma Tau, Sigma Phi Delta and Gamma Phi Beta Initiate

Two fraternities and one sorority held formal initiations for several pledges this weekend. Alpha Sigma Tau and Sigma Phi Delta fraternities initiated four men at services Sunday morning.

New members of Alpha Sigma Tau are: Donald McEssy, Willard French, Emanuel Smith and Charles Ellis. In the Sigma Phi Delta group are: Idan Flaa, Charles Enider, John Gabe and Clyde Townsend.

Following initiation services Gamma Phi Beta entertained at a tea for the initiates. Mrs. Joseph Powers presided at the tea table.

NOTICE All those interested in the formation of a German language club this quarter please leave signed slips in the German Office: Room 227 in Science Hall, specifying the nights when they can meet. This slip should be in before Wednesday at 5 P. M.

Signed -F. W. Werking.

Has Play Lead

David Minard, playing the part of Lord Grenham, has one of the major roles in "Aren't We All," the fall term production of the Edwin Booth Dramatic club, to be presented at 8:15 p. m. today.

Kappa Delta Sorority Honors Bessie Feagin National Inspector

Official Spends Week Inspecting Sigma Psi Chapter; Group Plans Social Affairs

Active and alumnae members and the mothers club of Kappa Delta sorority will be hostesses to Miss Bessie Feagin, Tallahassee, Fla., who will arrive Tuesday to open the formal inspection of the Sigma Psi chapter here.

The social activities which have been planned in her honor will be opened when she will be entertained at luncheon in the home of Mrs. W. P. Tarbell. Tuesday evening she will be a guest at a pot luck supper in the sorority apartment with the pledges as hostesses.

The executive board of the active chapter will entertain at luncheon on Wednesday. In the afternoon representatives from the different sororities and fraternities on the campus and the faculty women will be guests at a tea given in Miss Feagin's honor in the home of Miss Eve Hammer.

Thursday Miss Feagin will have luncheon with the faculty women. The mothers club will entertain at a tea from 3 to 5 in the home of Mrs. H. W. McArdle and at a buffet supper in the evening at the home of Mrs. R. C. Hastings.

Miss Feagin comes to Fargo from Minneapolis where she has visited the Kappa Delta chapter at the University of Minnesota.

SORORITY GROUP GIVES TEA SUNDAY AFTERNOON

Pledge members of all sororities on the campus and faculty members of the college were honored by the Kappa Kappa Gamma pledge group at a tea in the sorority chapter rooms in the college Y. M. C. A. building from 3 to 5 p. m. Sunday.

With the sorority colors, blue and blue, featured in appointments, Mmes. Urban Powers, Harvey Swiggum, Jay Simpson, and Roy Oliver presided at the tea tables.

In charge of arrangements for the afternoon were Betty Schweiren, Doris Nelson, Jane Nichols and Rosella Bernard.

Edward Behne spent the weekend at his home in Bismarck, N. D. Captain McCrystal and Mr. Warner were dinner guests at the Delta Kappa Sigma house Friday noon.

EDWIN BOOTH PLAYERS OPEN YEAR'S PROGRAM TONIGHT WITH COMEDY

Dress Rehearsal Sunday, Final Practice Monday Night End Preparation

PLAY WILL BEGIN AT 8:15

Several Fargo Stores Co-operate With Club In Providing Properties for Play

Opening their dramatic season for the year, the Edwin Booth Dramatic club will present their fall term production, "Aren't We All," in the Little Country theater tonight.

Preparation for tonight's production was completed Monday night when the cast met for a final rehearsal.

A play filled with subtle comedy was selected for presentation when the Edwin Booth club chose "Aren't We All" as its initial production of the year. A complicated state of affairs develops when Margot Tatham returns from a vacation trip to Egypt finding her husband, Willie, in the arms of another woman.

Malve McKeane, who played one of the leading roles in "Holiday" last year, (Continued on Page 4)

Sorority Entertains At Tea on Sunday To Honor Inspector

Faculty, Fraternity, Sorority Representatives Are Guests At Social Affair

Faculty members and fraternity and sorority representatives were guests of Beta Beta chapter of Alpha Gamma Delta sorority when the chapter honored Miss Julia Riser, Birmingham, Ala., who is inspecting the local chapter, at a tea in the home of Mrs. Kent Darrow, Sunday afternoon.

In the receiving line with Miss Riser during the hours from 4 to 6 p. m. were Bethel Young, vice president of the active chapter; Mrs. A. E. Cannon, president of the alumnae chapter, and Mrs. Kent Darrow.

Presiding at the tea tables were Mrs. Hattie Schmidt, house mother, and Mrs. Leonard Sackett, patroness. Red and buff roses, the sorority flower, decorated the tables, with red, buff and green featured in appointments.

Monday noon faculty women on the campus entertained at a luncheon in Ceres hall in honor of Miss Riser. Miss Dorothy Hatch and Miss Constance Leeb were in charge.

A dinner in the home of Mrs. Henry Wood is among today's social affairs planned in honor of the inspector. The alumnae members will be hostesses.

Devoting the remainder of her visit to individual and group conferences, Miss Riser will leave Wednesday for Winnipeg where she will conduct a formal inspection of the Alpha Gamma Delta chapter at the University of Winnipeg.

Helen Clemens returned to school Monday after a long absence due to an operation for appendicitis.

MEMBER NORTH CENTRAL
PRESS ASSOCIATION

November 11

Tomorrow, after thirteen years, we are again commemorating the signing of the Armistice in 1918. Few of us who are students here now remember anxious moments that so many of us were subjected to. Our memories consist mostly of screaming black headlines, knitting needles, telegrams, and scores of bells ringing at eleven o'clock on that memorable November 11.

On this November 11 we are witnessing the most perilous world situation since the World War. At present we are in the grip of a worldwide business depression. We are watching India in her agonizing struggle to work out her national destiny. China and Japan are again at each others throats, perhaps this time with disastrous consequences in sight. In February a League disarmament conference will be held which will powerfully influence world history in the years ahead.

It is because of this perilous crisis that we as college students, supposedly educated men and women, cannot afford to regard tomorrow as just another day having no particular significance.

November 11 recalls the most significant occasion in the history of the world. Thirteen years later we are beginning to appreciate Woodrow Wilson's attempt, "To make the world safe for democracy."

Bison Brevities

The decision of Blue Key to present an all-college musical show this year rather than the former competitive type, we feel is a step ahead for the fraternity and the school.

A show such as the Brevities naturally gives the school a great deal of publicity. However, in the past much adverse criticism has been widely circulated because of the expense, the effort and the time necessary to produce a commendable production.

By eliminating the competitive feature the greater share of the credit will fall to the college and not to the individual groups. If well managed and directed the show will be well cast, take less preparation, and eliminate much of the expense that the individual groups have borne in the last three years.

We are looking forward to a successful fourth edition of the Bison Brevities.

Tolerance

Recently we have had the pleasure of meeting an individual who has all the ear marks of a tolerant man. Perhaps no other quality so well distinguishes a cultured man.

This particular person at present is taking a course of sixteen hours, not one course of which he likes or in which he evinces a great deal of ability. Yet his attitude in the classroom is that of an interested listener. Few instructors could help being flattered at the reception he gives their lectures.

Outside the classroom his attitude is just as considerate—never have we heard him "gripe" about any assignment or neglect preparation because of indifference.

By keeping an open mind and being sincerely tolerant in all situations even if they are disagreeable he is charming and interesting.

Unwittingly an individual is helping himself by cultivating a tolerant attitude. It is even possible that one might become interested and enthusiastic while being politely attentive.

Society

Donald Grant was a week-end guest at the Alpha Gamma Rho house.

Loren Plath, University of North Dakota student, stayed at the Gamma Rho house while attending an engineers convention.

Harold Bergefjord was week-end guest at the Gamma Rho house.

Doris Lathrop and Dorothy Rutherford for Alpha Xi Beta were guests for dinner Monday at the Kappa Kappa Gamma rooms.

Evelyn Gaabe of New Salem, North Dakota, a graduate of last year, visited the Alpha Gamma Delta house last week.

Doris Lathrop, Viola Seaburg, Alpha Xi Beta, and Milton Lee, Gordon Strong, Sigma Phi Delta, were dinner guests at the Phi Omega Pi house Sunday.

Mr. and Mrs. Johnson, New Rockford, visited their daughter, Shirley, Kappa Delta, from Tuesday until Friday last week.

Kathleen Perkins, Binford, visited her home over the week-end.

Myrna Ottinger was substitute teacher at the Woodrow Wilson school last week.

Eleanor Burnett, Kappa Kappa Gamma, went to Northfield, Minn., Saturday to attend Carleton College Homecoming.

Marion Weeks had an operation for appendicitis Saturday.

Earl Bigler, Alpha Xi Delta from University of North Dakota, was a weekend guest at the Kappa Sigma Chi house.

Fred Loy was a guest at the Alpha Sigma Tau house Saturday for dinner and informal party.

Wilmar and Francis Lamare, Grafton, were guests at the Alpha Tau Omega house over the week-end.

Mr. and Mrs. Peshel visited Herbert Peshel at the Alpha Tau Omega house Sunday.

Richard Jordahl, Ralph Hanson, William Sturch, Ralph Willert, and Gale Monson spent the weekend at their homes.

Ceres Hall News

Eleanor Gust's mother, Mrs. Robert Gust, spent Saturday with her daughter.

Ida Hollands spent the week-end at her home in Christine.

Dr. A. J. Graves visited with his daughter, Betty, over Sunday.

Mrs. Sartell, from Jamestown, visited, her daughter, Innette, over the week-end.

Mr. and Mrs. R. L. Toft of Eckelson visited with their daughter, Gladys, over the week-end.

Mr. and Mrs. Everson from Grafton, visited with their daughter, Enid, over Sunday.

Ernest and Roy Isrealson of Christine, visited their sister, Agnes, Saturday.

Mr. and Mrs. Ray Gelnett of Wheatland visited their daughter Helen, Sunday.

Complete Process of Beer Production Witnessed By Many

Na, gentle reader; no such luck. This was up in Canada at McGill University. The closest we can come to this is the special offer the Gamma Rhos have on Spirits of Notre Dame this week.

The only dirt we've heard this week is from the catanatomy students. We could tell you some of the stories of the young carvists, but ach! they will they will cause insomnia. We hear that they cut up in those courses all the time.

And the old folks say we don't have the fun they used to. But they couldn't have seen those long runs of Hanson's and still say that with an honest face. Too, if they could have seen that boy tackle some of the Juniversity Papooses, they would have been convinced that football is a mighty leveler of humanity! Some of our linemen looked tough; good old Erlenneyer snorted like dishwater going down the kitchen drain. Then with Marquardt and the versatile Adonis of the gridiron, Scholander, going hot, we had a pretty good evening.

The Sigma Taus were rather hard-boiled at their last party. They gave out paddles for favors—which reminds us of what a wide-awake person once said. It ran something like this: "If a man needs to be beaten he's not the kind of a guy for a fraternity—while if he doesn't need it and gets socked anyhow,—shame on the paddle wielder." That's commonly known as logic among the rookies on our campus. For our end of it, we think paddling is the lowest form of humor—lower than Milwaukee beer, in fact.

Did You Know That:

All the attendance at the first interclass debate were officials and the debaters themselves.

There was once an eccentric football star who never drew a cent of salary. Homer Zilch has the best larynx eruption in America and that Ballyhoo got their Cheer Up, Nerts, Prosperity song recorded.

An Ag student when asked "What is a metaphor" replied "For cows to graze in."

Strychnine in small doses will relieve you of all worries.

All we know about women is what we read in the Spectrum and what we've picked up.

Last Words: Beast—brute—swine—cad—devil.

Exchanges

Princeton University has plans for a \$400,000 university center for undergraduates. This building will have accommodations for the Athletic association, the Graduate Council, student employment organizations as well as student publications. The purpose of this center is to afford a gathering place for students, the need of which Princeton has long felt.

Minnesota Students Work Way

More than half the students at the University of Minnesota earn all or part of their college expenses, according to a study just completed by James G. Umstätt, assistant professor of education at that university, who will write about the young workers in his book, "Student Self-Support," to be published by the University of Minnesota Press. Dr. Umstätt found a law student cutting hair in a campus barber shop, a miner looking after a paper route, an engineer employed as a soda-jerker, and a "Home Ec" girl as a switchboard operator. Employed students get just as good grades as those who do not work, and they take just as much interest in athletics and campus activities, it has been discovered.

Columbia University is offering courses for its alumni in an attempt to stimulate intellectual relations between the university and the alumni. This is

quite in line with the trend towards adult education which is fast disproving the theory that one's intellectual life must end at graduation. The courses will be given by prominent members of the faculty on such subjects as art, science, and international relations. Two hours of outside preparation are required each week.

Dean Charles M. McConn of Lehigh University recently told the faculty and student body of Brown University that: "College spirit and loyalty stuff is pure and simple hokum." The Dean attacked the theory that extra-curricular activities are more important for the training of character than studies and that athletes are more loyal to their colleges than scholars. "Athletes," he said, "go out for teams primarily because of a desire for publicity and personal ambition."

The story of an Alaskan youth who travelled seventeen hundred miles from Sitka in a sixteen foot dory in order to attend school at the University of Oregon, rather puts to shame the tales of our grandfathers who boasted of travelling twenty miles for an education in the good old days.

The Cosmopolitan Club of Occidental has collected over \$60 from faculty members, students, and friends of the college to help in providing food and clothing for thousands of Mexicans who are being deported from Los Angeles because of the unemployment situation in that region. The club began its activity with the distribution of apples among the deportees, and with provision for their entertainment at the train. It has prepared meals for deported families, and has provided money for those in need. A girl student sang Spanish numbers at the train and explained to the Mexicans the purpose in sending them back to their native land. Their reactions to the work were favorable; it was keenly appreciated. It was done to show them that there was a spirit of friendship for them and that the students were ready to help them.

The fair young ladies of North Carolina are well on their way to being self-supporting. Hair-dressers, manicurists, seamstresses, cleaner's agents, saleswomen for different products advertise their services or their products on college bulletin boards.

These girls are now talking of running the campus on a communistic basis. The girls will raise the raw materials, manufacture the products, consume them, and thereby reduce expenses to almost nothing. It is understood that a petition for the establishment of this plan will be drawn up when the leaders of the movement have straightened out details.

At last the value of extra-curricular activities is being acknowledged. Among other colleges, the Milton college faculty has adopted a plan whereby worthwhile extra-curricular activities of the students will have official recognition with "service credits."

BABY BISON BATTER SIOUX PAPOOSES IN SPECTACULAR GAME

Brilliant Fritz Hanson Steps
Through For Two
Touchdowns

MANTHEY'S PUNTS GO FAR

Bud Marquardt Stars At End
Post; Schollander
Hurls Passes

In one of the most spectacular exhibitions of football presented on Dacotah field this year, the Baby Bison, last Friday evening, convincingly proved their superiority over the Sioux Papooses with a 26-6 margin.

A new keynote of speed in the Bison backfield, contributed by Fritz Hanson, diminutive Bison back, early in the game gave the North Dakota State boys a winning margin. Fritz sped through the lines of University freshmen for two thrilling runs of 80 and 63 yards respectively, for touchdowns, in the first half to put the game "on ice" for the Bison.

Passes from "Windy" Schollander to Bud Marquardt furnished thrilling moments as they accounted for several first downs and a sensational touchdown. Marquardt's performance as left end on the Bison line was outstanding. Offensively and defensively, he played a stellar role for the Baby Bison.

Manthey Punts Far

George Manthey, Bison quarterback, set new kicking standards Friday as he averaged more than 50 yards for each punt into the enemy territory. His team generalship and choice of plays time and again gave the Bison the needed edge for successful running plays, surprise passes and power thrusts through the line. Manthey intercepted three Sioux passes and caught four passes from the hands of Schollander for gains for the Bison.

The Nodak freshmen found the Bison line a fighting, scrapping crew. While the Sioux players outpushed the Bison line for the first part of the game, substitutions and adaptability of the Baby Bison to the plays of their rivals soon stopped the Sioux advances. The Sioux made six first downs the first half of the game and but two the second half. The Baby Bison made a total of 11 for the game.

Gerteis Makes Touchdown

Besides playing an outstanding game as blocking fullback, Leo Gerteis of the Baby Bison, stretched out, intercepted a Nodak pass and ran 35 yards for the fourth Bison touchdown near the end of the last quarter.

For practically the first time in history, Coach Fay Smith, was able to substitute freely with reserve backs who kept up the high class of performance of the regular Baby Bison. Speedy Milton Hollister, Lud Rider, Ken Pirnie, Walt Jahnke, Art Stege, Gordon Wallace all saw action in the backfield. Pirnie proved to be as versatile as any on the team by also playing a greater share of the last quarter as guard in place of Harvey Erlenmeyer, who was injured.

Earl Thomas, center, and Harvey Erlenmeyer proved effective in tackling against the Sioux Papooses, stopping runners play after play.

Hanson Travels Fast

Catching a University kicked punt on his own 20 yard line early in the first quarter gave Fritz Hanson, the speediest high school dash man in Minnesota last year, a chance to show his speed and elusiveness in a spectacular 80 yard run through the Sioux line for a touchdown. George Manthey kicked goal for point after touchdown.

Hanson again tore loose in the second quarter after two Sioux backs, Gove and Cope, had driven over a touchdown for the University to make the score 7-6. On his second touchdown run, Fritz ran 65 yards through the University on an off-tackle play, outrunning four tacklers in a last minute sprint before making the counter. Try for point after touchdown was blocked.

In the third quarter after two brilliant completed passes from Schollander to Bud Marquardt, which took the ball from the Sioux 45 yard line to the 5 yard line, Schollander dropped a pass into Bud Marquardt's arms for the third Bison touchdown. Manthey kicked goal after touchdown. Gerteis, late in the fourth quarter, carried over the fourth Bison counter after an intercepted pass.

Between Halves

By EVERETT WALLUM

Those who saw the Baby Bison vanquish the Nodak frosh by the unexpectedly large score of 26 to 6 last Friday night are convinced the varsity next year will have the most colorful team in years.

ONCE WARMED UP THESE YEAR-LINGS WERE NOT TO BE CHECKED, DISPLAYING A VERSATILITY OF FORM WHICH ELICITED PRAISE FROM A LARGE DELEGATION OF DOWNTOWN SKEPTICS.

It is not often that a high school player lives up to the prowess claimed of him upon entrance in college. Too often a touted prep star fizzles when facing college competition. Not so Fritz Hanson, Perham speedster, who gave the fans more thrills Friday than they have had for some time. It is to Fritz' credit that he maintains the same dash and fire which characterized his high school play.

Fritz' contribution to the team is not entirely summed up in the two flashy touchdowns he scored. He provided just the spark needed to fire confidence in the other ten men. As a result the Baby Bison, who were a little weak in the early periods, took on that championship air that is unbeatable in most football games.

Fritz is not alone however. We mention him only because it has been years since we have had a griddier with his speed and elusiveness, qualities that always pack the stands with fans who get thrills out of the unexpected. Added to the color slated for next year's team are George May, sensational when on his game; Wendell Schollander, an excellent passer and blocker; George Manthey, an unusual punter, and Bud Marquardt, elongated Moorhead youth whose ability to snatch passes and keep the opposition checked on gains around, his end surprised Friday.

OTHERS WHO PLAYED GOOD FOOTBALL WERE HOLLISTER, VAN HOOK, ERLIENMEYER, GOVE AND THOMAS.

The battle for positions on next year's varsity will be interesting material for sports gossip during the long winter months. Returning candidates for the Bison backfield next year are George Fisher and Morris Ellingson, diminutive but speedy ball carriers; Viv Mc-Kay, veteran yardage chiseler; Peck McEssy, blocking back, and Flynn. None of these fellows will relinquish their positions to sophomores without a real fight. That such subs on this year's team as Fisher and Ellingson are capable of putting up such a fight was shown by the way they sped through Sliv Nemzek's Dragons last Saturday.

JACOBSON, TOO, MAY BE A BACKFIELD CONTENDER. THIS VERSATILE MINNESOTAN WILL MAKE IT PLENTY TOUGH FOR ANY OF THEM AND IF HE FAILS TO MAKE THE GRADE IN THE BACKFIELD HE IS A CINCH FOR AN END POSITION.

The freshman forward wall has already served notice that it will "fight it out on the Bison line if it takes all summer." The many lettermen returning will have to mind their pigtails right smart to stem the invasion of sophomores. Gove, Marquardt and Olson will give flankmen Berdahl, Selliken and Meyers a merry tussle. Paris, Orness, Jahr, Schoenfelder, Platt, Miller, Thompson and other linemen will have to watch their step against the onslaught of Thomas, Pessel, Erlenmeyer and Halvorson, not to mention other yearlings showing promise.

With all this material in the offing, Finnegan faces the 1932 season with considerable optimism, an optimism which is more than justified with present conditions as they are.

And with the Bison playing the Army next year, it's well the material is in the offing. And don't think that game won't heighten battle for first team jobs. A trip to West Point isn't to be Brooklyn'd at.

Easy Victory Marks Finale of Thundering Herd Home Season

Bison Reserves Show Strength
In Battling Dragon
Grid Wall

(By JACK GROHNKE)

A fighting band of Bison reserve football players outran, outcharged, and outpassed a scrapping team from Moorhead State Teachers college on Dacotah field Saturday afternoon. The Bison lived up to the pre-game dope by completely outclassing the Peds in every department of the contest and finally winning 19-6.

One of the biggest thrills of the contest came in the last 45 seconds of play, when Henry Booher, Dragon right end, grabbed a pass which was tossed to Fisher, Bison halfback, and ran 75 yards for a touchdown.

Fisher Makes Goal

The Bison offense was irregular and their ground gaining came in spurts. Early in the first quarter the Bison made three consecutive first downs which placed them on the Moorhead 30 yard line. The Moorhead line held for four downs and the ball went over. The Dragons punted on the third down and Ellingson returned the ball to the 50 yard line. The Yellow and Green clad team again made three consecutive first downs which resulted in the counter. Johnnie Fisher, Fat Ellingson, and Captain Lonsbrough took turns in carrying the ball until it rested on the Moorhead 25 yard line. On the next play Fisher tossed a long pass to Ellingson and he went over for the counter. The rest of the quarter was played on even terms and as the gun sounded the ball was on the Moorhead 35 yard line. Bison 6, Moorhead 0.

Second Quarter Slow

There was much excitement in the first quarter for the Bison scored seven first downs and held the Dragons without gaining a first down. During the entire second period only one first down was scored and this being just before the gun sounded for the half. Lonsbrough furnished the only excitement of the quarter, when he ran 33 yards from a punt formation play, but the ball was lost on downs on the 11 yard line to stop the Bison threat. Fisher did much in keeping his team out of danger by his fine punting, and one of his punts travelled 65 yards before being downed.

Regulars Enter Game

At the beginning of the second half, Coaches Finnegan and Lowe put the regulars into the fray. A complete new team was placed on the field with the exception of Ellingson, Hovland and McEssy. This quarter was full of thrills with 10 first downs being made and one touchdown scored. Schoenfelder took the opening kickoff and was downed on his 40 yard line. Bunt made two consecutive first downs and Ellingson added another before the ball went over to Moorhead. The Dragons then scored their two first downs of the game on passes. The Bison then held for downs to stop the Moorhead scoring threat.

Capt. Lonsbrough Scores

Lonsbrough was to a great extent responsible for the scoring of the second Bison touchdown. The line was charging like demons and Bunt, Ellingson and Lonsbrough were running the ball for long gains. Meyers also made 20 yards on a pass from Bunt. Lonsbrough carried the ball to the 3 yard line on an off tackle play and went through the center of the line for a touchdown on the third down. Schoenfelder kicked the goal for the extra point as the quarter ended. Bison 13, Dragons 0.

Finnegan again began to insert his reserves into the game and they did not alter the effectiveness of the attack in any way. The game was played

on even terms for a few minutes with neither team gaining the advantage. Fisher started his team toward another touchdown when he went around end for 32 yards. Seitz who replaced Lonsbrough at fullback, was battering the Moorhead line for long gains. Fisher then carried the ball to the 4 yard line. It took the Bison four downs to make the counter, but Seitz smashed through the center of the line for the third touchdown of the game. Schoenfelder's kick was blocked and the score stood 19-0 for the Bison.

In the closing minute of play Hank Booher, Moorhead end, intercepted a Bison pass and ran for the Dragons' first counter. The kick from placement was partially blocked and the game ended 19-6.

Fisher and Ellingson were the outstanding performers in the backfield. Fisher was the longest ground gainer, his punting was very commendable, and he completed several passes for gains. He snatched one long pass from Fisher and ran for a touchdown and was one of the most consistent ground gainers. Paul Bunt was especially effective while he was in the contest and showed better form than at any other time this season. Don McEssy did a good job of backing up the line. His blocking was good and he made innumerable tackles behind the line of scrimmage. Seitz, powerful reserve fullback, showed surprising power in hitting the line for long gains. He was also alert on pass defense and intercepted two Moorhead passes in the closing quarter.

Guards Are Strong

Art Hovland, reserve guard, was one of the most consistent players in the line. He made many tackles behind the line of scrimmage and was always playing heads up ball. Jahr was playing up to his old standard and broke up many Dragon plays. Thomasson, reserve end, upheld his end of the line in a good manner. Paris, who went into the game at the start of the second half, showed up well at center. Meyers stopped many plays that were sent around his end.

Instructor Requires Cheating

Cheating is compulsory on a quiz given recently in a psychology class at the University of Texas.

"Look at your neighbor's paper, compare your answers, change your seat if you wish; cheat in any way you can provided you do not talk" were the instructions given at the beginning of the class period. Elated students needed no urging, and with complacent expressions, they carefully copied each others answers and willingly exchanged papers for purposes of comparison.

Material covered by this quiz had also been covered by a previous test on which no cheating was possible. A method of testing, involving individual codes which were used in answering had been prepared.

The purpose of the second quiz was solely experimental and no credit was given. Results of the experiment have not been announced yet.

Miss Leebby Prepares Bulletin on Honey

Booklet Is Issued In Connection
With National Honey Week,
November 9 To 14

A bulletin featuring the many uses of honey is being distributed from the college this week in connection with national honey week being observed from Nov. 9 to 14. Prepared by Miss Constance Leebby, home economics research worker at the college, the bulletin sets forth the importance of honey as an ingredient in cookery processes.

Two home economics students assisted Miss Leebby in preparing the bulletin. They were: Marguerite Jennings, now a senior in home economics, and Louise Christensen, a 1931 graduate from the school and now student dietician in a Chicago hospital.

Contained in the bulletin are many honey recipes worked out by Miss Leebby and her assistants in the research laboratories. Only a small part of the honey recipes worked out in the laboratory is included in this bulletin, says Miss Leebby. Cuts showing the results of the honey cookery processes illustrate the booklet.

No More Lipstick

"No lipstick Saturday," is the warning issued by the sophomores of Tulane university. Freshmen will be forbidden to appear with the slightest trace of lip rouge. A committee of sophomores will be on guard ready to go into action when necessary. Refractory freshmen will have their faces branded with lipstick and be compelled to sit through the afternoon's football game with their war paint in prominent view.

Barnard Students Sign Petition
A Disarmament petition prepared by students at Barnard college has been signed by approximately seven hundred students. It is to be sent to the American Delegation to the International Conference on Disarmament. After a compulsory assembly at which disarmament was discussed, six hundred signatures were obtained, and the number is steadily growing.

Fraternity Actives Entertain Pledges

Alpha Sigma Tau and Alpha Gamma Rho Honor Pledges At Parties Saturday

Active members of Alpha Sigma Tau and Alpha Gamma Rho fraternities honored their pledges at informal parties from 8:30-11:30 Saturday evening. Using a decorative scheme of old rose and gray, the fraternity colors, the Sigma Tau entertained in the college Y. M. C. A. Silhouettes in paneled effects were used on the walls. A revolving pedestal using silhouettes depicting college life was placed in the center of the dance floor. As a feature number a tap dance was presented by John Hamlet. Ice cream molds in the shape of paddles employing a color scheme of pink and white were served to the guests. Small wooden paddles were also presented to the dancers.

Guests were Messrs. Leon Hartwell and F. E. Loy, S. A. E. from the University of North Dakota. Chaperones were Mr. and Mrs. Homer Huntoon and Captain and Mrs. J. B. Conny. Glenn Landbloom was in charge of arrangements assisted by Norman McKendry, Donald Alstrup and Donald Fredrickson.

Alpha Gamma Rho entertained their pledges in Festival Hall. Decorations employed the fraternity colors, gold and green. Fraternity songs were played as a feature number during the eighth dance.

Following the dance program the guests were served refreshments at the chapter house, 1303 13 st. N. F. E. Loy, a weekend guest of his brother, Ted, was a guest. Chaperones were Dr. and Mrs. C. E. Kellogg and Mr. and Mrs. E. J. Thompson.

In charge of arrangements were Clarence Lockrem, Walter Altenbrand, and Wayne Houtcooper. Sixty-five couples were entertained.

Engineer Magazine Issued November 20

North Dakota State Engineer Has Cover Featuring Various Phases

The publication date for the fall issue of the North Dakota State Engineer, quarterly magazine published by the engineering students of the college, has been set as November 20, it was announced today by Rae Taylor, editor of the magazine.

The magazine was formerly called the State College Engineer, but due to disagreement with the publication's national advertisers it was thought advisable to change the name to the more descriptive and distinctive title. Dean R. M. Dolve, chairman of the faculty advisory board of the magazine, believes the new title to be a step forward as this college is daily gaining recognition in college circles as North Dakota State rather than under the title State College.

This appearance of the magazine will carry an entirely new cover design. Alf Skaret, alumnus of the department of architecture, was engaged to make the design which features in an artistic way all the various phases of engineering.

Jack Simonitsch, circulation manager, states that so far the response of the engineering student body has not been very satisfactory and urges that the students sign up for a subscription to the magazine during the remaining two weeks of the subscription drive.

W. A. A. NOTICE

The meeting of W. A. A. has been postponed from Wednesday, November 11 to Wednesday, November 18.

There will be a meeting of the dramatic group of the Y. W. C. A. at 4:15 Tuesday in the "Y" room. All members are asked to be present as it is to be rehearsal and choosing of characters for the pageant.

Vern Goodwin and Don MacNaughton attended the Carleton Homecoming at Northfield, Minn., this week.

SOCCER TOURNAMENT STARTS WEDNESDAY

The soccer tournament opened Wednesday, November 4, when the sophomore team defeated the freshmen, 1 to 0. Thursday the freshmen and upperclassmen played a 0 to 0 game and, although an extra five minutes was played, no score was made. This necessitates another game between freshmen and upperclassmen. On Friday the upperclassmen triumphed over the sophomores with a 2 to 0 game.

The soccer tournament will be continued this week. The schedule is as follows:
Monday, Nov. 9—Frosh vs. Sophs
Tuesday, Nov. 10—Frosh vs. Upperclassmen
Thursday, Nov. 12—Sophs vs. Upperclassmen.

Engineers Formulate Fall Banquet Plans

Edward Booth Is In General Charge of Arrangements For Annual Dinner

Plans were made for the annual engineers club banquet to be held during the second week following the Thanksgiving holidays at a meeting of the Engineers club Thursday night. The exact date of the affair is tentative as yet and will be announced later.

Edward Booth, junior in engineering, was appointed by Ralph Simenson, president of the club, to act as general chairman of the affair. Mr. Booth has named the following students to assist him in arranging the banquet: menu, Grant Solberg, chairman, assisted by Jack Simonitsch and Oliver Blecken; decorations and cards, Gordon Strong, chairman, assisted by John Gassman and Jordan Engberg; program, Norman McKendry, chairman, assisted by Robert Nettelund and Rae Taylor; tickets, Paul Deal, chairman assisted by Miles Formo, Idan Flaa, Arlie Oman, Orville Sunberg, Harold Haugse, Robert Acheson, Albert Nelson, Charles Brown, and Allen Locke.

For the freshmen members of the club the banquet will take the place of a mock initiation formerly held each fall. Last year when the idea of a banquet was instigated as an annual affair it was given enthusiastic support, there being over one hundred members, initiates, and guests in attendance. This year an even larger attendance is expected.

The program which followed the business meeting included a short talk commemorating the life of Thomas A. Edison given by Oliver Blecken, and a film, "The Story of Rail Steel," furnished through the courtesy of the Rail Steel Bar association of Chicago. Fred Payne, vice president and program chairman, was in charge of this portion of the meeting.

At the close of the meeting the refreshments committee headed by Alvin Schroeder served refreshments.

Floyd Daly, Moorhead, and Leo Schreinner, Fargo, were formally initiated into the active Kappi Psi chapter Sunday morning.

"Fergie" Ferguson "28," Leon Galehouse "31," Glenn Roberts "31," Barney Burke "31," are visitors at Kappa Psi this week preparing for the pharmacy state board examinations Tuesday and Wednesday.

Ross Cone visited in Minneapolis over the week-end.

Nels Brakke spent part of last week at his home in McVie, North Dakota.

Hopping at Hops

Students! Do you want to continue the Cadet Hops? If so better attendance must be shown at the next hop than was shown at the one last week. Goodness knows there are plenty of men on the campus—conspicuous by their absence on Thursday afternoons. Thirty-five cents surely isn't too much to spend for an afternoon of fun and dancing. The floor is fine, the music is fine, but where is the crowd?

Can you remember last year the grand turnout for these hops? They were enough to encourage any promoter. This year the enthusiasm seems to wane. Can you present a definite answer to this problem? The next hop will certainly answer it—to be or not to be. Can't there be a little student cooperation?

EDWIN BOOTH CLUB BEGINS YEAR'S DRAMATIC PROGRAM

(Continued from Page 1)

will play the part of Willie. Celeste Sovka, a new student here this year, will be Margot. David Minard, who has starred in previous Edwin Booth productions, will play the part of Lord Grenham. Ruth Barrett, who has played several leading roles in previous Edwin Booth plays, will have the fourth major part, that of Lady Frinton, a friend of the Tathams.

Supporting the four major characters will be an experienced cast including: Lester Wyman, Jean Pote, Albert Buchli, Carol Cooper, Seldin Catlin, Clifford Bowman, Grant McCullough, Frederick Martih, Dorothy Holes, Corrine Lawrence, Elroy Johnson and Jane Nichols.

Co-operating with the Edwin Booth club in producing the play are several downtown firms. The Herbst and Black department stores are furnishing costumes, while Luger Furniture company is assisting in furnishing the stage for the three scenes.

Tickets have been placed on sale for students and the general public for thirty-five cents. Sales are being handled through the Little Country theater and by club members. Tickets will also be sold at the theater door.

Dedication Committee Makes General Plans

Physical Education Building Will Be Formally Dedicated December 5

General plans for the dedication of the new physical education building on the campus were formulated by the dedication committee at a meeting with President J. H. Shepperd. The building will be formally dedicated at brief services on the night of Dec. 5, the date for the basketball game with the University of Minnesota.

No speakers from any great distance will address the gathering at the dedication service, according to plans of the committee. Existing financial conditions prompted the committee to make a decision to only have speakers from the state of North Dakota. The formal program will be only 15 minutes in length, taking place between halves of the game.

A number of invitations to be present for the dedication are being issued to members of the legislature, college officials in the northwest, and state officers.

Working with Dr. Shepperd in formulating plans for the event are: C. C. Finnegan, N. D. Gorman, A. G. Arvold, Dr. O. O. Churchill and Everett J. Wallum.

Fred Loy, senior in the school of engineering at the University of North Dakota, was a guest of his brother, Ted, at the Alpha Gamma Rho house from Thursday until Sunday of last week. Mr. Loy is a member of Sigma Alpha Epsilon fraternity and was a guest at the Alpha Sigma Tau and Alpha Gamma Rho parties Saturday night.

Dorothy Holes spent the weekend at her home in Hunter.

Dr. and Mrs. J. F. Knudson of Pelican Rapids, Minnesota, and Mrs. S. E. Arthur of Mandan were Sunday dinner guests at the Theta Chi chapter home.

NEWMAN CLUB ENTERTAINS NOVEMBER 13

Members of the Newman club, an organization of Catholic students on the campus, will be entertained at an informal dance in St. Anthony's auditorium November 3 from 8:30 to 11:30.

All Catholic students on the campus are invited. Among the guests will be Captain and Mrs. J. B. Conny, Mr. and Mrs. George Mayoue and Miss Pearl Dinan. Refreshments will be served by a committee of the Catholic Daughters of America.

Gordon Strong and Jack Lee represented Sigma Phi Delta at the Alpha Gamma Delta tea Sunday afternoon.

Oscar Hanson and John Stege of Perham, Minnesota, were guests of their sons, Fritz Hanson and Art Stege, at the Theta Chi house, Friday afternoon and evening.

Phi chapter of Theta Chi announces the pledging of Lee Gress, Thursday noon.

Gordon Strong and Jack Lee were dinner guests at the Phi Omega Pi house Sunday.
