

PLAY CAST COMPLETES REHEARSALS FOR DRAMATIC PRODUCTION

Edwin Booth Club Will Present "Aren't We All" In Little Country Theater

BENDER, ARVOLD DIRECT
Members Launch Ticket Sales On Campus; Admission Is Thirty-five Cents

After four weeks of intensive practice, the cast for "Aren't We All" will present the three act comedy by Fredrick Lonsdale in the Little Country theater at 8 p. m. Tuesday, announces Miss Alice Bender, who is in charge of the dramatic work. The production is the fall term presentation of the Edwin Booth Dramatic club, and is being produced under the general direction of A. G. Arvold.

With preparation for the play practically completed, the cast will meet in the Little Country theater for the final practice, a dress rehearsal, Sunday afternoon.

Ticket sales have been launched on the campus by Edwin Booth members, under the direction of Dorothea Olson, president. A special admission price of thirty-five cents has been arranged for students and for the general public. Tickets will also be sold at the theater entrance Tuesday night, and they may be secured at the Little Country theater at the present time. No reserved seats will be sold.

In presenting "Aren't We All," the Edwin Booth club is attempting a comedy in which Cyril Maude, famed English actor, won outstanding success. The principal roles will be taken by Malve McKeane, as Willie Tatham, the husband; Celesta Sowka, Margot Totham, Willie's wife; David Minard, Lord Grenham, Tatham's father, and Ruth Barrett, Lady Frinton, a friend of the Tatham family.

Other characters in the all-star cast will be: Lester Wyman, Vicar, husband of Lord Grenham's sister; Jean Pote, Angela, Vicar's wife and sister of Lord Grenham; Albert Buchli, Willocks, Margot's friend; Carol Cooper, Kitty Lake; Seldin Catlin, Morton, Tatham's man; Clifford Bowman, Roberts; Grant McCullough, Arthur Wells; and Fredrick Lough, Martin Steele.

A group of guests will be: Dorothy Holes, Corrine Lawrence, Elroy Johnson and Jane Nichols. Willie Tatham's house in Mayfair will be the first scene of the play. The second and third acts take place in a room in Lord Grenham's home.

Helen Lee Elected President of Club

Luella Ulness, Bertha Orcutt, And Mildred Peterson To Hold Other Offices

Helen Lee, Moorhead, was elected president of the newly formed club for freshman and sophomore home economics girls at the first regular business meeting of the group held Wednesday evening. Other officers elected were: Mildred Peterson, Fargo, vice president; Luella Ulness, Fargo, secretary; and Bertha Orcutt, Fargo, treasurer. A constitution was adopted at the same meeting.

The club, which was organized this fall, is sponsored by Lucille Horton. Its two faculty advisors will be elected soon. The membership of the club at present consists of about seventy home economics girls. It is, as yet, without a name, and suggestions for its naming will be gladly received.

A tea, with Miss Prudence Yaeger in charge, was held just before the meeting.

Cigars were very much in evidence last Monday night when Don Lawrence announced his engagement to Lauretta Wales of Van Hook, N. Dak.

In Turkish Fashion

Suha Zeki crossed the ocean here at the N. D. S. C. a dinner served in Turkish fashion—in a Turkish salon—by two charming "houris." The Lincoln Debate club and the Board of Public Speaking Control were hosts in the Lincoln Log Cabin, to these traveling debaters from Robert's college, Constantinople, Turkey—Tuesday at 6:00 o'clock, November 3.

Among the honored guests were Professor and Mrs. W. E. Smith. Professor Smith was recently of Roberts college faculty—now numbered among the N. D. S. C. faculty as instructor in civil engineering. Mrs. Smith was largely responsible for the authentic atmosphere—furnishing the low beaten brass tables, the brass candelabra, Turkish hassocks, rugs and tapestries. She also was responsible for the typical food and menu.

Among those present were Mr. and Mrs. A. G. Arvold and family, Mr. and Mrs. W. E. Smith, Miss Alice Bender, Mr. Hay, Miss Carey, and members of the Lincoln Debate club. The serving girls were Claire Newell and Dorothea Olsen.

A debate between the Turkish and State debate teams followed the dinner.

Y.W.C.A. Recognition Set For Sunday At Plymouth Church

Candlelight Services Recognize 280 Women Into College Membership

The formal recognition service for the Y. W. C. A. will be held Sunday, Nov. 8, at 5 o'clock in the Plymouth Congregational church. About 280 girls will be formally recognized into membership in the North Dakota State college at this time.

The affair will be in the form of the traditional candle-light services. Rev. R. V. Conard will give a talk and lead in the prayers. Dorothea Ward, who is in charge of the special music for the program, will play during the services.

The members are brought into the church by a processional led by Mrs. C. A. Teet and Rev. Conard followed by the cabinet members. Jane Canniff, general leader of the services, and Amy Oscarson, program and ritual chairman, will lead the cabinet members in the procession.

The services are purely ritualistic. The membership repeats the purpose and the pledge of the Y. W. C. A. The program comes to the end by the singing of "Follow the Gleam" and a recessional.

Amy Oscarson is in general charge. She is assisted by Eleanor Johnson, membership chairman, and Mrs. C. A. Teet, general secretary.

PHARMACY GROUP HAS 23 NEW INITIATES

At a meeting held last Tuesday the Pharmacy club initiated 23 new members at services held in the department in Francis hall.

The following were initiated: Clifford Albin, John Bjornson, Anna Bruil, George Brooks, Norman Coulston, Helene Erickson, Robert Flint, Marcella Gray, Vermetta Hidde, Maurice Hoff, William Kemper, Fred Martilla, Harland Pfau, Lars Samuelson, Helen Skei, Henry Vanderby, John Vold, Quay Wells, Timothy Welsh, Louis Whalen, Kermit Solheim, Henry Erickson and Max Retzlaff.

Following the "Pill Rollers" initiation a pharomic luncheon was served in which the new capsuled members took the lead.

NOTICE

There will be a meeting of representatives of all groups that considered entering a team in the Inter-mural Basketball tournament this fall at 4:15 Friday in Coach Saalwaechter's office.

JULIA RISER ARRIVES TOMORROW FOR FIRST ANNUAL INSPECTION

Alumnae and Active Members Of Alpha Gamma Delta Honor Inspector

RISER LEAVES WEDNESDAY

To carry on the inspection of the Beta Beta chapter of the Alpha Gamma Delta sorority, Miss Julia Riser will arrive in Fargo Saturday afternoon where she will be the guest of the active and alumnae members of the Fargo chapter.

Miss Riser is well known in Fargo having been here two years ago to formally install the Phi Kappa Lambda sorority as Alpha Gamma Delta. Upon her arrival Saturday, she will be entertained at a dinner in the home of Mrs. A. E. Cannon. Sunday morning, Miss Dorothy Hatch of the art department will give a breakfast in her honor. Mrs. Kent Darow will be hostess at the inspection tea given by the active and pledge members of the sorority in the home of Mrs. Darrow Sunday afternoon from four to six. The faculty women of the college will entertain Miss Riser at a luncheon Monday noon.

Model pledge services and model pledge and active meetings will be part of the sorority demonstrations at the regular meeting Monday evening. Pledges, actives and alumna, will have dinner together at that time. A model initiation service will be put on Sunday night. Tuesday is being reserved for individual conferences, with active members of the group. The alumnae will entertain Miss Riser Tuesday evening in the home of Mrs. Henry Wood, Riley apartments.

Ruth Johnson, active member of Alpha Gamma Delta in Fargo, has charge of general arrangements. Plans for the tea Sunday afternoon are being formulated by Ruth Bower, general chairman, aided by Eva Sherwood, Ruth Olson, Ann Hieberg and Frances Nichols, all active members.

Miss Riser will leave Fargo Wednesday noon for Winnipeg where she will carry on her inspection tour by visiting the Beta Gamma chapter. Originally from Birmingham, Alabama, Miss Riser comes here from Bozeman, Mont., where she visited the Delta Gamma chapter.

Deadline For Bison Pictures Set Dec. 1

Feature and Administration Sections Soon Ready For Printer

Because it is imperative that the classes section be completed before the first of the year, the deadline for the appointments for the pictures has been set for December 1, according to Edgar L. Crewe, business manager of the publication. That means, Mr. Crewe stated, that the students have less than a month to get their appointments, and their pictures taken.

The freshman and sophomore sections have the same date for their deadline, and are especially urged to make their appointments as soon as possible. The editor and business manager are very anxious to have an unusual turnout of the lower classes, because their place in the annual is a new innovation this year.

So far, according to Mart Vogel, editor of the annual, the classes have been unusually lax in making their appointments. Only a few have signified their intention of having space with their classes. Mr. Vogel further stated that an annual is an impossibility without the full cooperation of every student on the campus.

"The staff have been busy taking pictures for the feature section and it is expected that both the feature and administration sections will soon be ready for the printer," said Mart Vogel regarding the work of the editorial staff. A cover has also been chosen.

Be There Tonight

Freshmen—New Students—a new thrill, fresh sensation is awaiting you! The first "College Jamboree" of the season is to take place at the new college armory tonight. These delightful all-college affairs (and may I stress the college) are sponsored by the Senior Staff, an organization of ten senior women, who concocted the idea last year, having felt the crying need for more all-college functions. Everyone is urged to participate, to make it a live "jamboree." If you like this one, there'll be more. At least one registration card per couple, along with the traditional fifty cents, is demanded.

Joyce Peterson has lain awake nights planning the event. Jane Caniff has made the tickets extra fancy, Claire Newell hired the biggest hall she could find, and Grace Hunkins has positively outdone herself in selecting entertainment features—introducing an element of suspense by way of a LUCKY NUMBER!—one for the man and one for the lady, with a delectable prize for the winner.

Mr. and Mrs. Huntoon and Mr. and Mrs. Severinson will keep an eye on the dreamy dancers as they lilt and sway to Bill Euren's divine music. You really can't afford not to be there.

Alpha Sigma Tau, Alpha Gamma Rho Entertain Pledges

Sigma Taus To Hold Party In Y. M. C. A.; Gamma Rhos To Use Armory

The active members of the Alpha Sigma Tau, and Alpha Gamma Rho fraternities will entertain their pledges at informal dancing parties Saturday evening, November 7.

The Y. M. C. A. will be used for the Alpha Sigma Tau party. Decorations will be carried out in the fraternity colors of green and old rose. Chaperones will be Mr. and Mrs. Homer Huntoon, Captain and Mrs. J. B. Conny. Guests will be Mr. Lean H. Hartwell and Mr. F. E. Loy, S. A. E. at the University of North Dakota. About sixty couples are expected. Glenn Landblom is in charge.

Alpha Gamma Rho fraternity will hold their pledge party in Festival Hall. The decorations will be in green and gold, the fraternity colors. Chaperones will be Dr. and Mrs. Kellogg and Mr. and Mrs. E. J. Thompson. Refreshments will be served at the chapter house. About sixty-five couples are expected. The committee in charge is: Clarence Lockrem, Walter Altenbrandt and Wayne Houtcooper.

ARTISTS FROM CHICAGO STUDIO GIVE PROGRAM

A quintet of artists from the studios of NBC in Chicago appeared Wednesday in convocation as the Metropolitan Concert company brought here under the auspices of the extension department of the University of Minnesota.

The group with William Davies, director and tenor, presented operatic and semi-popular selections in solo, duet, and mixed quartet arrangements among which the numbers, "Old Man River" and "The Bells of Saint Mary's" were the apparent favorites of the audience.

The latter part of the program moved rapidly with a presentation in costume of a familiar scene from the opera "Martha." In addition to Mr. Davies the group consisted of Misses Winifred Goodman, soprano; and Virginia Auyer, contralto; Carroll Van Buskirk, bass; and Miss Marie Adolph, pianist.

Sigma Delta discussion club will hold its first meeting of the year in the Alley cafe on Sunday evening, Nov. 15, at 6:30. Six new members will be initiated at that time. Those to be initiated are: Misses Grace Hunkins, Sylvia Panimon, Abbie Porter and Marjory Archer and Messrs. William E. Stewart and Gerald Garlid.

BLUE KEY FRATERNITY ELECTS JAMES KONEN BREVITIES MANAGER

Fraternity Sponsors All-College Musical Show For First Time This Year

HOMER HUNTOON DIRECTS

First Week In March Probable Date For Fourth Edition of Brevities

James Konen was elected manager of the 1933 Bison Brevities at a meeting of the Blue Key last night. Homer Huntoon will act as director for the fourth consecutive time.

To replace the competitive system of the last three years wherein fraternities and sororities competed for cups, Blue Key this year will sponsor an all-college musical show the cast of which will be chosen from all the groups on the campus thereby eliminating the competitive feature. Detailed plans for this type of show have not been completed as yet, but the approval of Pan-Hellenic and the greater share of the fraternities has been secured.

While no definite date has been set as yet, it is expected that the Brevities will be given the first week in March. The fraternity is also considering several places where the show might be most successfully presented.

Within a short time the manager, director and executive committee made up of the officers, will appoint a music director, publicity and ticket managers. Officers for the fraternity are: Bill Euren, acting president; Max Hughes, secretary; and Hjalmer Johnson, treasurer.

Class Groups Launch Debate Contest Work

Teams Compete In Preliminary Debates In Little Country Theater This Afternoon

The annual inter-class debate contest for North Dakota State college students will be inaugurated on this campus at 4 p. m. today when two preliminary debate contests are conducted in the Little Country theater, announces Donald McKechnie, general chairman of the series of debates sponsored by the Lincoln Debate club.

This year's question for the inter-class series is, "Resolved, That the University of Chicago system of education should be adopted at North Dakota State college."

Upholding the negative side of the question, Robert Snuff and William Stewart, freshman speakers, will debate the sophomore team including Paul Faber and Waldo Wyatt. In the second debate, Anthony Faber and Norman Todd, seniors, will uphold the negative side of the question in debating with the juniors, Lester Wyman and George Simons.

Serving as judge of the debates will be Otto Hackenstad, Fargo attorney. Albert Buchli is in charge of the first year team; Harold Fredrikson, sophomores; Donald McKechnie, juniors, and Karl Gerteis, seniors. The two winning teams in today's debates will vie for final honors sometime next week.

Fred Loy, senior at the University of North Dakota, is visiting his brother Ted at the Alpha Gamma Rho house. He came to Fargo yesterday to attend the third annual meeting of the North Dakota Water and Sewage Works conference which opened on the campus yesterday. Mr. Loy is a member of Sigma Alpha Epsilon fraternity and will be a guest at the Alpha Sigma Tau and Alpha Gamma Rho parties tomorrow night.

NOTICE!

One member of each couple attending the senior staff party tonight, must present his or her registration card at the door in order to be admitted to the party.

Quality Versus Quantity

We have had occasion to note during the last week the trend of the collegiate mind toward scholastic grades. It is interesting to observe that the student stresses the number of hours he is carrying and merely mentions the scholastic average for the hours.

To most of us it doesn't seem particularly commendable that a man should make a ninety average for fifteen hours of work. Rather we praise the man who is holding an average of barely eighty for nineteen hours.

This general tendency of placing the greater emphasis on quantity rather than quality is apparent in other instances as well. For example good Americans boast that the United States has forty-five times more college people than England has. If they are good American boosters they ignore the relative standings and prestige of these two educational systems when compared. Occasionally perhaps a stray "doubting Thomas" does a bit of investigating. After that he begins advocating a policy of elimination of the large percentage of students who have no place in college. Yet as a general rule we are still concerned with the planning and building of elaborate physical equipment while none of us have been educated sufficiently to use it to the best advantage.

One of our professors said recently, "America is making a god out of magnitude." We fill our store windows to capacity. We build our buildings higher and higher. We pay people for their time rather than for their work. We buy cheaper clothes, cheaper furniture, cheaper cars, but we buy more of them. We raise more wheat and more cotton than we need, the greater share of which is of an inferior grade. Indeed, the cry of America today seems to be, "How much?" and not "How good?"

Bison Cooperation

With the work on the 1933 Bison underway comes the annual howl of the editor for more cooperation from the student body in getting the classes section underway. To date the upper classes have responded feebly, and the lower classes not at all. The Bison is a student publication, and will be a miserable failure if the students do not make it representative.

If the upper classes are dead on their feet, the lower classes should be more anxious to respond to the call. Mr. Vogel and Mr. Crewe are doing the freshmen and sophomores a favor in letting their pictures appear on the annual pages. Is it not fair then that these people give the Bison their whole-hearted support?

The Bison heads are striving for a 100% representative year book, and it is up to the students to insure that strife against failure.

Inconsistencies

A cursory glance at feminine fashions for 1931 again illustrates our fondness for inconsistency.

We are supposedly in the throes of a period of worldwide depression. Yet women's clothes contain more material than at any time since the war. We

wear more ornamental luxuries, such as feathers, furs, costume jewelry and whatnots, than we have for a decade.

We have more clothes than formerly because sports apparel is no longer appropriate from dawn until sunset. Then too, the more feminine the more fragile. We spend more on repair bills caring for fine kid shoes than the durable brogues at one time so much in vogue. More expensive and improved luggage is sold to carry picture hats and perishable laces. We taxi everywhere to save our trailing skirts. And yet we discuss all the phases of depression at breakfast, lunch, and dinner. Even at times during the evening we start off again if the headlines startle us with the latest angle on "the depression."

Faculty Member Of Council Committee Interviewed Thurs.

Possibility of Reorganization of Student-Faculty Group A Necessity

Interviews during the past week with several members of the Student-Faculty Council, organized last year under the guidance of Prof. John Doerr, revealed the interest concerning the reorganization of this now dormant group. This council, organized to serve as a medium between the students and faculty, has not acted in any official capacity yet this year, but it is expected that it will be reorganized for action in the near future.

Members of the organizations were picked from both the faculty and the student body giving as near a perfectly democratic organization as possible. This group acted on problems that concerned both the students and the faculty and served as a clearing house for such cases.

Several members of the council have expressed their desire that the organization be continued as a basis for expression of ideas of both students and faculty. Dr. Hunter stated, "As the committee was formed for the benefit of all concerned, I would like to see it reorganized."

Miss Elliott, also a member of the council, expressed the desire that the movement be continued because there is a need for such an association between the students and the faculty.

Dr. C. I. Nelson, another member of the group, stated, "It serves as a basis of reaching a common understanding between the students and the faculty. I am in favor of it."

Bison Briefs

By BILL

And now there's only about so many shopping days until Xmas—It's a good thing it doesn't come any nearer mid-term marks or some of the boys would lose faith in Santa Claus—Some of us have just found out that what we thought were brains are merely fungus growths—But when a fellow says "I'd like to find a guy inferior to you in intellect who isn't in a menagerie," that's carrying things a little too far.

Hi say, ol' toppah, were you out to the debate the othah night—you weren't—well fawncy that if you can—The L. C. T. should be crowded for an attraction like that, but there were a good many seats left. After attending we conclude that:

A thing that don't rate,
Is intercollegiate debate.

The first speaker was our idea of a Turkish Ty phoon—they called him a talking machine back home—and what a fast line of verbal hokum that man had—he was like some of the clothing store owners we've bargained with who can convince you that everything is a perfect fit whether it clings like a wet towel or hangs like a gunny sack—he would make some of our lecturing profs sound as bad as Moorhead's radio announcer—his mind was speedy (not to be confused with racy). Speaking of speed, did you know that a cockroach born in the morning is a grandfather before night.

With Apologies to Ogden Nash
It's smart to be thrifty
My gal goes fifty-fifty.

Some quinine pills and a chaser of rye,
Bill Streibel says, will make you a new gye.

She's a high hat baby, that's she
Yet she reads "Prairie Lit" by gee.
(Adv't.)

It seems to me that that famous goatee,
Would be so gol-darned unsanitary.

And speaking of professors, we hear that all Woodrow Wilson's shortcomings can be traced to his being a prof at Princeton's Cultural hot-house.

Some of the football players think they ought to go on some inter-sectional game tours, but they've got a cinch compared with the football teams at Sing Sing. They have to play in old uniforms and they never make any road trips. If the Bison had as many games on their home ground, we'd be satisfied.

The so-called Baby Bison football team ought to be pretty tough now—they've waited so long for that game with the U frosh that they ought to have at least reached the adolescent stage by this time.

There's been so blame much going on that we haven't had time to answer the many thousands of requests for pictures and autographs coming in lately—and tonight we trip the light bombastic toe and wrestle till our vertebrae lies prone on the floor over at the new gym; but maybe sometime later fans.

Hostesses for the Blue Monday Tea on Nov. 9 are Imogene Ward, Mildred Shelland, Helen Miller and Lillian Stolar. All girls on the campus are cordially invited. The hours are from three to five o'clock.

In Ceres Cafe

Did you know that Ceres cafeteria serves over 50 pounds of meat to some 200 teachers and students every day? In a month 330 pounds of butter are spread on well over 360 loaves of bread and four hundred rolls.

To peel two bushels of potatoes a day would keep many hands busy, but one man does this task with the electric peeler, while two men are kept busy washing and wiping dishes.

Mrs. Gilbert, manager of the cafeteria, prides her kitchen as being the cleanest spot on the campus, and can assure her patrons that the food served over her counter is just what she claims. "Clean the kitchen" is not her slogan for hash. All foods are fresh and clean. The prices are so low because of quantity buying and economical preparation.

Sixteen students are employed at the cafeteria, and Mrs. Hulebak is the cook. The fifteen pies consumed daily are baked by Miss Hanson who is in charge of the pastry department. Miss Kinney fixes some five score dainty salads and desserts each day. With such competent supervision and staff, it is no wonder that Ceres cafeteria can offer such a fine menu.

Ceres Hall News

Maxine Carsten's mother, Mrs. J. C. Carstens, from Bowman, N. D., visited with her daughter for the week-end.

Mrs. A. W. Schrag stayed with her daughter, Clara, for the last week.

Margaret Hanson had her mother, Mrs. P. H. Hanson, to visit her last Monday.

Mrs. Chas. Howe from Wilton, was at Ceres Hall for the past week.

Sunday evening guests of Jane Adams were Miriam and Priscella Taylor from LaMoure.

Girls who went to Grand Forks for the week-end were: Betty Foster, Frances Nichols, Rosella Bernard, Enid Everson, Frances Hedner Margaret Allen, Luella Anderson, Jane Adams, Celeste Sowka, and Nellie Reed.

Esther Buehl went to her home at Frazee, Minn., for the week-end.

Innette Sartell spent the week-end at Jamestown for the Homecoming there at Jamestown college.

Agnes Israelson went to Christine for the week-end.

Marcelle Gray visited in Moorhead over the week-end.

Madeline Miller went to her home at Casselton, over the week-end.

Margaret Hanson spent the week-end at her home in Lake Park, Minn.

Ruth Westergaard, who has been ill for the past few days, will soon be able to return to Ceres Hall.

Kappa Tau Delta, honorary architectural fraternity, held pledging services Tuesday, October 27, for Meredith Mattingly, Jamestown, senior in the school of architecture; and Walter Runestrand, Egan, N. D., sophomore in the school of architecture. Byron Tharaldson, the chapter president, presided.

A new interest group is being organized in mending with Mrs. Teet, Y. W. secretary, in charge.

Sigma Alpha Iota will hold a business meeting at 7:30 p. m. November 11 in the alumni clubrooms.

John Vold was elected Rookie president of Kappa Psi last Monday night.

Henry Winch stopped at the Kappa Psi house last Saturday on his way to Crookston, Minn., where he is employed at the Crookston Drug.

BISON GRID PLAYERS FIGHT WITH DRAGONS SATURDAY AFTERNOON

Reserve Backs, Fisher, Seitz, and Ellingson Will See Action

McKAY, JACOBSON INJURED

Fisher Will Punt for Bison; Davis, Robinson Star for Dragons

Playing one of the strongest teams in the history of the Moorhead State Teachers college, the Bison gridgers of North Dakota State college are anticipating a very busy afternoon this Saturday, according to word sent out from the training camp of the State college football men.

The opening whistle at 2 o'clock on Saturday will mark the start of a football game which promises some unusual plays, much hard fighting and probably many thrills with each side represented with fast, sturdy backfield ball carriers.

Coach "Sliv" Nemzek's Dragons, already champions of the Interstate football conference, are rounding out a very successful football season Saturday. They won their conference games, played the strong Concordia and Aberdeen Normal grid teams to scoreless ties, and took a close defeat from St. Thomas after a thrilling 7-6 game in non-conference tilts.

Reserves Will Play

Reserve backs such as Blair Seitz, Fat Ellingson and John Fisher will likely be called upon to carry much of the work against the driving Dragons. Both Viv McKay, backfield ace of aces, and Milt Jacobson, curly-thatched varsity punter, will be unavailable to the Bison due to injuries received at Grand Forks last week. George Fairhead has a badly smashed rib as the result of Tuesday's practice scrimmage.

A triple-threat halfback, Johnny Fisher, will be expected to carry on the punting work of Jacobson. Paul Bunt, outstanding passer, will also be available to carry on his shore of the kicking.

Dragons Have Speed

In Tony Davis and Bill Robinson, Sliv Nemzek, Dragon coach, has a fleet, hard driving pair of backs who are able to carry out the "Nemzekian" style of deceptive cross plays in a manner that may cause the Bison line a great deal of hard work. Both the Moorhead wingmen, Ireland and Booker, have made reputations for themselves as strong tacklers. The Dragon center post is under the personal care of Captain Nelson.

Saturday's game marks the completion of the home game schedule of the 1931 season at North Dakota State college. Next week the Finnegan-Lowe boys pack the moleskins for the trek to Vermillion where they meet the University of South Dakota players in the Bison's last conference game. The week following they will travel further south into the winter wheat country to play the Kansas Aggies, one of the nation's best teams, on November 21.

GUIDON PLEDGES 11 AT SERVICES WEDNESDAY

Eleven women were pledged to Guidon at services conducted Wednesday night in the Kappa Kappa Gamma rooms. Elizabeth Woolledge, president, presided.

Following the pledging services a potluck supper was held with Alpha Knight in charge of arrangements.

The following were pledged: Walterine Barry, Grace Hunkins, Katherine Lindley, Paula Verne, Rhoda Clausen, Eleanor Burnett, Edna Sullivan, Doris Lathrop, Vernota Weppeler, Ruth Dyson, and Janet Jacobson. Helen Louise Clemens was not able to be pledged because of illness.

The Freshman Commission met yesterday from five to seven in the home of Mrs. C. A. Teet. The meeting was in the form of a supper and business meeting. Honor guests were Eleanor Johnson, membership chairman, and Norma Cavett, finance chairman. Ruth Clausen is the president of this group and Jane Caniff is the sponsor. Hostesses were Luella Furcht, Thelma Leissman and Grace South.

Between Halves

By EVERETT WALLUM

Tonight, in the final floodlight contest of the local season, students will have an opportunity of watching their "Baby Bison" in action against the yearlings from the State university—another game to equal the thrills of that 7 to 6 encounter a few weeks back is promised.

Fans who like their sports competition between these two rival institutions will find none of the traditional rivalry and fight missing.

The frosh coached by the triumvirate of Smith, Gergen and Blakeslee will be handicapped through absence of George May whose back was badly strained in scrimmage recently. May was the sensational element in that other game which the Bison frosh won. They went for George in a big way at Grand Forks. Leo's younger brother giving the fans their money's worth with long, twisting runs. George, by the way, scored that touchdown that enabled Coach Smith's boys to win.

BUT LOOMING OVER THE HORIZON TO OFFSET THIS BLOW BY INJURY, IS NONE OTHER THAN FRITZ HANSON, BLOND PERHAM, MINN., SPEED BOY. FRITZ IS LIVING UP TO ALL THOSE NICE THINGS SAID ABOUT HIM AND HIS ADVENT IN THE PLAYING FIELD IS BOUND TO BRING OUT A CROWD OF THRILL SEEKERS.

Fritz is the fastest Bison to enroll since Ole Sand, another Viking speedster. While the latter confined his activities to track, Fritz excels in football and basketball as well. He is also an expert swimmer and can be located during the summer basking in placid waters of one of "them thar" 10,000 or so lakes in Minnesota.

With Fritz in the limelight tonight will be such former prep stars as George Manthly, Wendell "Windy" Schollander, Hollister, Jahnke, Pirnie, Gove, Thomas, Peschel, Halvorson and others.

Those who saw the Moorhead State Teachers game last year will be on hand Saturday afternoon when the Bison again tackle Nemzek's crew in the last home encounter of the season. The Dragons are much improved over a year ago and with the Bison crippled from injuries, anything is apt to happen.

Nemzek used to be a star Bison griddler. One of his biggest ambitions is to turn in a victory over his alma mater and this year it seems he has his best chance.

In an early season game the Dragons outplayed St. Thomas in St. Paul, though losing 7 to 6. We beat St. Thomas, 27 to 6, while the Bison were at full strength and tomorrow, with many Buffalo substitutes in the game, there'll be no walkaway.

A YEAR AGO FINNEGAN STARTED A NUMBER OF RESERVES BUT WAS FORCED TO INJECT REGULARS BEFORE GETTING THE MEELEE ON ICE. IT WAS A WILD BUT THRILLING GAME, THE DRAGONS BAGGING 20 POINTS TO 39 FOR THE BISON.

Morris Ellingson was one of the reserves who starred against Nemzek's clan last year and he, along with Fisher, will probably carry much of the burden Saturday.

Fisher and Ellingson are perhaps the two fastest backs on the Bison squad and this should give the speed-loving fan his money's worth. The Dragons, too, have a backfield man who compares well with any in the Northwest. He is Lyman Davis of Frazee, Minn.

And all in all, it looks like a full weekend for the football follower, with speed the keynote of both Bison games.

A short meeting of the Y. W. C. A. cabinet will be held Sunday afternoon, Nov. 8, after the recognition services at the Plymouth Congregational church.

Bison Yearling To Oppose University Freshmen Friday

Bison Squad In Good Condition For Tilt; Two Casualties Suffered Last Week

At 7:15 Friday evening the University Freshmen will attempt to avenge the 7 to 6 defeat meted out to them in October by the Bison Yearlings. Due to poor weather the game has been constantly postponed from the original date two weeks ago Saturday. However the delay has only increased the anxiety of the players and the interest of the Bison followers.

The baby Bison squad is in good condition for the approaching tilt. Only two casualties have been suffered in the past weeks of scrimmage, although they can be of serious consequences in the final results of Friday night's game. George May, the fast and aggressive fullback from Aberdeen, suffered torn ligaments in his back in Tuesday's scrimmage and will be definitely out of the play for at least a week and possibly the rest of the season. May is the man who made the fifty yard cantor in the frosh game at Grand Forks, scoring the lone Bison touchdown and making it possible for Schollander's kick to provide the narrow margin of victory. Art Halverson, powerful guard from Wahpeton, received a badly sprained ankle in he will be able to see action tonight. Monday's workout and it is doubtful if both of these men are valuable cogs in the frosh machine and their absence will be keenly felt.

As a consolation, however, Lt. Fay Smith, freshman mentor, assures us that Fritz Hanson, fast back from Perham, will be on deck in full uniform tomorrow evening ready to assist a repetition of the last U-Bison Frosh game. Hanson suffered an injured shoulder early in the season that has kept him on the sidelines until the present time.

With Schollander and Gerteis of Fargo, Manthay of Owatonna, and Hanson at backfield positions and Jahnke, New Rockford; Hollister and Ryder, Owatonna; and Wallace, Devils Lake, on reserve, the ball carrying responsibilities are well taken care of. In the line is Gove and Acey Olson, Fargo; and Marquardt, Moorhead, at ends. Peschel, Wahpeton; Jackson, Casselton; Snyder, Bismarck, and Follendorf, Fargo, are possibilities to start at tackle berths. Pirnie, Aberdeen; Elwin, Breckenridge; Erlymeyer, Bismarck, and Nelson and Van Hook, Fargo are outstanding guards, with Thomas, a Grafton lad, at center.

Lt. Smith and his assistant, Pete Gergen, have spent considerable work and time to develop a fast charging line and as a result there should be some substantial gains from straight bucks and off tackle smashes. The aerial attack has found a valuable combination in Schollander and Acey Olson. Olson has a remarkable ability to cover a great deal of territory in a surprisingly short time and consistently snares Schollander's passes for big gains. With Hanson and Hollister to skirt the ends the frosh have an aggregation that will show the best the University can offer a merry chase.

Reports from the U camp state the youngsters are in excellent condition. No doubt they will be down with blood in their eyes and a determination to capture the game if possible. They have a strong line and a fast set of backs and another defeat will be a bitter pill to swallow.

All in all it promises to be an exciting spectacle and an evening of choice entertainment with the feeling and action of a varsity game.

Mattingly Conducts Tumbling Classes For Men and Women

Monograms Will Be Awarded To Those Showing Ability And Progress

Tumbling, which is assuming a new status of importance through the cooperation of Mr. C. C. (Casey) Finnegan and Miss Helen Ballard of the men's and women's athletic departments respectively, will get into full swing next week and will have the added feature of a class of girls. Mr. Meredith Mattingly, student in architecture, is the instigator and instructor for the group and will be assisted by Ben Boyden.

Monograms will be given to individuals who attend regularly, who show ability, and who progress quite rapidly. This reward is an innovation this year. Military decorations will be awarded, in addition to the monograms, as was done last year, to the five outstanding men of the military department who take part.

Included in the program for the year will be exhibitions between halves of three of the important basketball games of the season. One of these will be during the half-time period of a University of North Dakota game and will probably be a spring-board or elephant act neither of which have been attempted before on the campus.

Members enrolled are: women: Minerva Streed, Eunice Lund, Ellen Kelly, Myrna Ottinger, Lorraine Scribins, Ruth Hartman, Ruth Moore, June

Fredeen Irma Jane Hanley Louise Barton, and Theodora Huntley; men: Ben Boyden, Edgar Rohs, Orville Isley, Byron Tharaldson, Kenneth Hanson, Hank Bottermiller, Douglas Frazzee, Milton Samuelson, Andy Aandahl, Max Retslaff, Chet Perry, Dave Rustand, Harold Northrup, Leo Schwehr, Paul Rosholt, Forrest Swisher, Clinton Mogen, Selden Catlin, Hally Broderon, Lloyd Moore, Francis Furmen, Elry Fleisher, Al Bordeleau, Roy Johnson and John Wood.

Mesdames Eli Weston and Charles Pollock and Misses Margaret Ballard and Ruth Whitney attended meeting at the Gamma Phi house Monday night.

Annual Conference Of State Engineers Meeting Here Now

Whittaker, Sanitation Director,
Speaks At Annual Banquet
At 6:30 Tonight

The third annual meeting of the North Dakota Water and Sewage Works conference is being held on the campus November 5-7. Headquarters for the meeting is room 22 of the engineering building.

The conference started yesterday morning and will continue until tomorrow afternoon. Registration of delegates, an address of welcome by Mayor Lynner, a business session at which committees were appointed and an inspection trip occupied yesterday morning.

Talks and discussions are scheduled for today. Some of the speakers are: F. W. Pinney, Jamestown; E. L. Chandler, Grand Forks; S. W. Thompson, Devils Lake; E. L. Luum, city engineer, Grand Forks; A. L. Bavane, state sanitary engineer, Bismarck; W. H. Metcalf, Des Moines, Iowa; A. E. Skinner, Chicago; C. S. Childs, Minneapolis; G. A. Johnson, Minneapolis; W. W. Peterson, city engineer, Minot; and P. L. Eide, Fargo.

The annual banquet of the group will be held tonight at 6:30. W. P. Tarbell, Fargo, is general chairman for the banquet. The speaker at this time will be H. A. Whittaker, director of the bureau of sanitation, Minnesota department of health, St. Paul.

A. L. Bavane is in charge of a round-table discussion which will be held tomorrow morning. Election of officers will be held at the same time. Conference members will attend the football game between North Dakota State and the Moorhead State Teachers college on Saturday afternoon as the closing number on the program.

Officers at the present time are: P. W. Tarbell, president; F. W. Pinney, Jamestown, vice president; and A. L. Bavane, Bismarck, secretary and treasurer.

Fraternity Brothers Honor Duane Murner

Funeral Rites For State College
Student Are Conducted
In Aberdeen, S. D.

Singing their fraternity song as burial services were completed, members of Delta Kappa Sigma paid final tribute to Duane Murner, 22, North Dakota State college student who died Saturday, when interment was made in Riverside cemetery in Aberdeen, S. D., following funeral services Tuesday afternoon.

More than 30 active and pledge members of the fraternity were in Aberdeen Tuesday to attend the funeral services. Six Delta Kappa Sigma brothers were pallbearers. They were: Walter Schoenfelder, Paul Bunt, Verne Goodwin, Malve McKeane, Edward Dehne and Joe Blakeslee.

Rites were conducted in the Methodist Episcopal church in Aberdeen at 1:30 p. m. Tuesday. Rev. Mr. Glendinning officiated at the funeral and gave the funeral sermon. A mixed quartet sang two songs. Fraternity brothers attended the service in a body. Members of the N club of Northern State Teachers college in Aberdeen, which Murner at one time attended, were among the hundreds of Aberdeen friends who attended the funeral.

Murner was a junior in civil engineering and was a star athlete. Surviving him besides his mother and father, Mr. and Mrs. Norman Murner, are two brothers, Harold and Wesley, and a sister, Marjorie.

Gamma Tau Sigma

Four pledges will be initiated into Gamma Tau Sigma, honorary journalistic fraternity, at services held tonight at a dinner in Ceres Hall at 6 o'clock. Those to be initiated are: Edgar Crewe, Jay Lynch, John Thorsell, and Jack Gronhnke. Glenn Reichert, acting president, is in charge of arrangements.

SORORITY PLEDGES TO BE GUESTS OF KAPPAS

The pledges of Kappa Kappa Gamma will entertain all other sorority pledges on the campus at a tea Sunday afternoon from 3-5 p. m. in the chapter rooms. Mesdames Urban Powers and Harvey Swiggum will pour during the first hour. Mesdames Jay Simpson and Roy Oliver will preside the second hour.

The sorority quartet will present several numbers. On the committee in charge are: Betty Schweiren, Doris Nelson, Jane Nichols, and Rosella Bernard.

L. C. T. Players Give "Seventh Heaven"

"Freshmen With Leading Roles
Show Marked Ability," Says
Jack Knapp

"Seventh Heaven," a play in three acts, will be given in the Little Country Theater, November 7, by the Little Country Theater players.

The play by Austin Strong was written in New York by Helen Menkin as one of her great successes. Diane, the heroine, is a convert of stolen goods, probably a thief, Chico, the hero, is a sewer cleaner. He calls himself a free-thinker and has grown so accustomed to believing himself a remarkable man that he actually becomes one. He rescues Diane from the clutches of an evil sister. He takes pity upon the poor girl because her lot is so much more forlorn than his own. To save her from arrest as a vagrant Chico proclaims her his wife.

Thus a series of events occur which elevate Chico, Diane, Boul, a radical taxi driver, Arlette, a barmaid—everyone with whom Chico comes in contact. Taken from Diane on what was to have been their wedding day by the call to arms at the outbreak of the war, he imparts to her the secret of his own courage, which is faith in one's self. The chain of exciting events continues until the finish when all ends happily.

The majority of leading parts are to be taken by freshmen who are showing marked dramatic ability according to Mr. Jack Knapp, director.

HIGH SCHOOL GIVES FIRST PARTY TONIGHT

Students in the high school department will hold an all High-School party tonight in the college Y. M. C. A. from 8:30-11:30.

Dancing will be featured on a program that will contain games and special numbers. The Fargo-Moorhead trio will play. Entertainment is being arranged by Richard Armstrong, Eleanor Gust, Curtis Sandness, Hazel Sears, Howard Arves, Gladys Sway, Eila McGee, and Lorence Meyer. Chaperones will be Mr. and Mrs. Matt Jongeward and Mr. and Mrs. Lichtenheld.

Miss Yvonne Fleury opened the first meeting of the French club Wednesday evening by introducing the guests. The formal program began with group singing of "Marche Lorraine" and "Les Angles Dans nos Compagnie." Lawrence Forman continued the program with three selections played on the violin. Dr. Metzinger completed the program speaking of his voyage to France.

College-trained engineers revisit the athletic field

ON more than a hundred floodlighted fields, football is being played and practiced in the evening hours, before larger audiences than ever before—with fewer injuries and in better conformity with classroom duties.

This constructive revolution in athletics is largely the work of college-trained engineers— young men personally familiar with the needs of college and school. They are dedicating the technical experience gained in the General Electric Test Department to the practical service of undergraduate athletics—designing and installing floodlighting equipment for virtually every sport—football, baseball, hockey, tennis, and track.

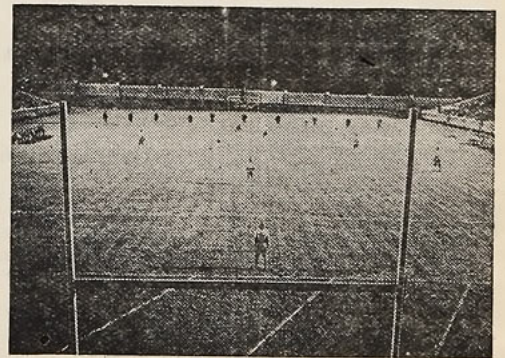

Other college men in the General Electric organization have specialized in street-
