## Seaburg Awarded Irene Leimbacher 1931 Scholarship

Junior Girl Is Fifth Receiver Of Gamma Phi Award

Scholarship Established In 1927; Honor Girl Heroine

Viola Seaburg is the recipient of the Irene Leimbacher scholarship awarded annually by the Gamma Phi Beta sorority it was announced today.

Miss Seaburg is the fifth student to receive the award of \$100 which is given to a woman student at the end of the junior year. A junior in the school of home economics, Miss Seaburg is a member of Alpha Xi Beta sorority, Phi Upsilon Omicron, and the art club.

Established in 1927 by the Sigma Theta sorority in memory of Irene Leimbacher one of the early members of the group who lost her life saving that of another woman, the scholarship consisted of tuition fees. A year ago when Sigma Theta assumed national affiliation with Gamma Phi Beta the fund of \$2000 was closed through the generosity of Mr. and Mrs. A. H. Leimbacher who gave \$1000 to close the fund.

The scholarship is awarded to the person who in the opinion of the committee is a person of good scholarship, general excellence in character and promise of success in the future. The recipient must be in some need of financial assistance to complete her college work. On the committee are Dean Dixon, A. H. Parrott and Marion Trowbridge.

Students who have received the scholarship in previous years are Maybelle Game, Glyndon; Margaret Green, Fargo; Irene Brown, Glyndon; and Alta Holritz, Milwaukee, Wis.

## Two State Students Enter Medical Work

Miss Metzinger, B. Kilbourne Are Accepted By Schools

Georgina Metzinger and Burton Kilbourne, premed students, recently received word they had been selected from hundreds of applicants for entrance into two of the leading schools of medicine in the country. Miss Metzinger will enroll at the University of Chicago next fall and Mr. Kilbourne will enter the medical school at Northwestern University, Evanston, Ill.

Enrolled at the college for three years Miss Metzinger has taken work in the school of science and literature. She will take two years of work at the University of Chicago. Following that she will probably enter Rusch School of Medicine in Chicago. She is a member of Gamma Phi Beta.

Mr. Kilbourne is also a junior in the school of science and literature and has the distinction of being one of the 125 candidates selected from over 1,800 applications. He is a member of Alpha Sigma Tau.

## Senior Class Gives Play Friday, June 12

"Laff That Off," senior class play, will be presented as the opening feature of the commencement program on Friday evening, June 12, in the Little Country theatre.

This farce comedy was written by Don Nullaly. The setting is laid in the bachelor apartment of three young men who are called to war in 1914.

Seven characters are included in the cast. Those who have parts are: Robert Morse, "Remorse"; Robert Olsen; Art Lindau; Morris Erickson; Leo-Leonard Luther; Peggy-Emily Samuelson; Emmie-Mary Ricker; Mrs. Connelly-Constance West; Mike Connelly-Clark Frederickson. Miss Alice Bender is directing the production.

## Hundreds To Attend Nine-State Geneva Conference In June

North Dakota State Will Be Represented By Men, Women Students

Hundreds of student representatives from Y. M. C. A. and Y. W. C. A. organizations in nine states will go to Lake Geneva in southern Wisconsin this month for the annual nine-state conference. North Dakota, South Dakota, Minnesota, Wisconsin, Michigan, Indiana, and Ohio will be represented at the conference.

Although delegations from North Dakota State college have not been definitely announced, the college will be represented by both men and women students at the meet this year. Men will convene from June 12 to 19 while women will hold their sessions June 20 to 29.

An extensive conference program including recreation and athletics, personal guidance and vocational help and other features is being planned by committees in charge of the two meets.

Outstanding men in law, medicine, business, education, and religion will speak at a series of evening meetings for men, including: Charles Taft II, Cincinnati lawyer; Charles W. Gilkey, dean of chapel, University of Chicago; Kirby Page, editor "The World Tomorrow"; and William P. Hapgood, general manager of the Columbus Conserve company. Among other conference speakers will be Edmund Conklin, professor of psychology, University of Oregon; Thomas Graham, dean of Oberlin School of Theology; and M. L. Lichliter, pastor of First Congregational church at Columbus, Ohio.

More than 600 girls are expected to take part in a similar conference program during their week at Geneva. Among their conference leaders will be Mr. Kirby; Reinhold Niebuhr, professor at Union Theological seminary; Rev. George Collins, Madison, Wis., student pastor; Dr. William H. Boddy, pastor of First Presbyterian church, Chicago, Ill.; A. Philip Randolph, executive secretary of the Brotherhood of Pullman Porters, New York City, N. Y.; Paul Harris, Jr., secretary for the National Council for the Prevention of War; Mrs. Earl Roadman, of Dakota Wesleyan University; Howard Y. Williams, secretary for the League for Independent Political Action; Dr. Mary Snow, M. D., physician and counsellor for students at Ypsilanti, Mich.; Ellen Gammach, secretary for Presbyterian Students, Ann Arbor, Mich.; Marjorie Rush, musician; Frances Huff, Drake University; Florence Pierce, recently returned from China; Jane Bachman, Ypsilanti; and Dorothy Nyline, University of Minnesota, who will teach swimming and diving; Elnora Zeiger, regional student office secretary, and head registrar for the conference.

Percy Evander visited with his folks at Everwood from Wednesday until Sunday.

All athletic equipment must be turned in before Friday of this week. Casey Finnegan.

## Faber, Hodgson Finish Year's Work

Spectrum Heads Retire After Successful Year With Paper

After three years of journalistic experience on the Spectrum, Anthony Faber relinquished his duties as editor last Friday. Earl Hodgson, after completing two years on the business staff, has been replaced by Glenn Reichert.

Prominent in journalistic circles during his high school and college careers, Faber has served on the staff throughout his three years at North Dakota State. During his sophomore year he was managing editor. Alpha Sigma Tau is his social fraternity. He is also a member of Gamma Tau Sigma and Blue Key.

Having served on the Spectrum staff during his sophomore year, Hodgson was elected business manager in the spring of 1930. He is a junior in the school of agriculture and is a member of Alpha Gamma Rho, Gamma Tau Sigma, Saddle and Siroloin and Blue Key.

Students who have assisted the staff heads with publication of the Spectrum during the year are: Amos Wallum, Harold Peterson, Marjory Archer, Gerald Garlid, Robert Connolly, Kathryn Engebretson, Elene Weeks, Frances Anderson, Helen Rainville, Abbie Porter, Jean McMillan, Jack Grohne, James Konen, Kenneth Wyard, Ruth Barrett, Sally Hunkins, Ethel Kraft, Ruby De Otte, Morris Olson, Margaret Olsen, Frederick Martin, Ida May Hollands, Harry Hanson, Clifford Bowman, Glen Reichert, John Thorsell, Jay Lynch, and Christian Bjornson.

## Week's Anticipates Successful Session

Basic And Unit Courses Are Given In Summer Session

Dean A. D. Weeks of the school of education anticipates another successful session of summer school this year which will open directly after commencement, June 16, and end on July 25. The enrollment last summer was approximately 400, about double the preceding summer school enrollment.

The course of instruction classified by Mr. Weeks lists basic courses and unit courses in adult education. Basic courses are those outlined for the regular college student. The unit courses were an innovation of last year and proved quite popular.

The unit courses are an accommodation both to college students and any non-collegiate in any occupation. The duration of these courses is usually one week, sometimes two, with college credit ranging from one-half to two credits. Credit corresponds to the total number of class hours taken in the course based on the ratio of one hour credit to twelve hours of instruction. A student who lacks only a few credits of graduation may finish in a week or two by selection of a few one or two credit courses and complete his work in that time rather than in the ordinary six weeks.

A few instructors outside the college will be employed but some of the unit courses will be consolidated with the basic courses. Among the unit courses offered for this summer are social objectives of education, football coaching, news writing, birds, cattle judging, and birds. More than a hundred of these courses will be given.

## EDWIN BOOTH HAS PICNIC TUESDAY

Closing their year's activities, members of the Edwin Booth Dramatic club will hold a picnic meeting at the home of Mr. and Mrs. A. G. Arvold, 1110 Broadway, at 5 p. m., Wednesday. Clark Fredrikson, president of the club, is in charge of arrangements.

Among the guests will be Mr. and Mrs. Arvold, Mr. and Mrs. Donald G. Hay, Miss Alice Bender and Miss Ethel Carey.

## South America Has Poor Employment Situation, Says Dean

Bolley Recently Returned From Six Months In The Argentine

Prospects for employment in the South American countries are very poor at the present time, according to Dean Bolley of the experiment station staff, who has recently returned from a six months' study in the Argentine.

Prof. Bolley says: "After consultation with heads of the American business there and with government officials, I am convinced that none of our young people should go to any of the South American countries without first being assured of employment by some reliable concern, and in no case should he go without a written contract O. K'd by some reliable firm or friend in the region concerned. The usual mode for people from the United States entering South America for employment comes about from their having filled a position in this country in a similar capacity. Even in these cases, it is recommended that he have a rather complete working knowledge of the Spanish language, or Portuguese, if Brazil is the objective. Unless a man possesses these attributes and is really competent in his line, he certainly will not find employment."

"The results of my trip to the Argentine proved far more satisfactory than I had anticipated." In addition to making a detailed study of wheat rust, Dean Bolley found time to make numerous selections of seeds, and has brought back to the college approximately 450 such samples. It is hoped that results obtained from growing these seeds will be of value to North Dakota agriculture.

In respect to the business depression there, Prof. Bolley indicated that the South Americans are quite cheerful about the prospects, although it was evident, because of tariffs and large-scale methods of production, they were to experience difficulties such as we have been experiencing in this country.

## Orchestra Will Make Tour Around World

The great business of acquiring an education is to be continued by several North Dakota State college seniors through the medium of world travel, when Henry Presler and his orchestra, consisting of William Hilts, Rudy Hehr, and Warren B. Horton, renew past vagabond habits with a round-the-world-cruise next fall.

Mr. Presler has completed final arrangements with the Dollar Steamship Lines for a cruise with the S. S. President Van Buren, to begin at San Francisco on Sept. 18.

Time will be spent by the boys in the Hawaiian Islands, Japan, China, Philippines, Singapore, Malay States, Penang, Ceylon, India, Egypt, Italy, France, Cuba, and Panama. This voyage will terminate at San Francisco in January, and arrangements are being completed for further travel after that date.

Luverne McDonald, Earl Grove, and Simon Mark spent the weekend in the Twin cities visiting friends.

## Alpha Tau Omega Grants Charter To Alpha Kappa Phi

Recognition Is Result Of Ten Years' Work By Group

Oldest Local On State Campus Becomes National Next Fall

That a charter had been granted to the Alpha Kappa Phi fraternity by Alpha Tau Omega, national social fraternity, was the word received late Friday after ten years of work by George Mayoue, president of the alumni, from Claude T. Peno, national head of Alpha Tau Omega, at Champaign, Ill.

Alpha Kappa Phi, oldest local fraternity on the campus, will become the 94th chapter of Alpha Tau Omega at installation services set for early fall. In the formal petition set in circulation a month ago to the 93 chapters of Alpha Tau Omega were letters of praise from college officials commending them on their active participation in college activities.

At the present time the local fraternity owns a chapter house valued at approximately \$35,000 and located on Twelfth avenue at Twelfth street N. Recently elected officers are Walter Shamp, supreme director; Raymond Greenwood, grand judge; Carl Hanson, bursar, and David Minard, recorder.

Active members of the chapter are: Jack Aiken, 1434 Twelfth av N; Arnold Austin, Milnor; Donald Brasseur, Bottineau; Elsmere Chamberlin, 821 Thirteenth st N; George Coffey, Pensacola, Fla.; Donald Clark, Crosby; Lloyd Clark, Mohall; William Euren, 824 Ninth St. N.; George Fairhead, Rockford, Ill.; Leonard Friberg, Rockford, Ill.; Raymond Greenwood, Bismarck; Carl Hansen, Willmar, Minn.; Edward Jensen, 1044 College St.; (Continued on Page 2)

## Staff Appointments Announced Today

### OUR POLICY

With this issue of the Spectrum, the new editorial and business staffs assume management, direction, and control of the paper for next year.

Believing that tolerance, constructive criticism, consistency, accuracy and timeliness are desirable in all things and especially necessary for maintaining or raising the standards of a paper, the staffs will have a policy embodying, in so far as possible, all of these things.

To be sincerely tolerant is our greatest aim. At all times it shall be the policy to edit a college newspaper and not a Greek letter bulletin. Suggestions and constructive criticism from both faculty and student members of the college are earnestly desired. We shall attempt to be consistent in our news articles, advertisements, and particularly in our mechanical makeup. To avoid all harmful misrepresentation of fact we shall strive for accuracy in printing as timely a news sheet as is possible for a semi-weekly publication.

We shall encourage more student government by lending our support to the Student-Faculty committee organized this year in the hope that it may become a truly workable organization. We believe that the armory should be converted into some sort of a recreational or student union building for students as soon as the new physical education building is completed. We hope to encourage the pursuit of a liberal arts education to some degree among students primarily interested in vocational education by urging closer coordination of all the schools within the college.

In brief then we have sketched our policy and our platform that we shall endeavor to follow in editing the Spectrum. Because we believe it to be a worthwhile aim we ask for the cooperation of the entire faculty and student body that such a policy may be a success.

### ALPHA TAU OMEGA

We congratulate the Alpha Kappa Phi fraternity on the new national affiliation with Alpha Tau Omega.

The entrance of a large national social fraternity onto this campus indicates that national organizations are as interested in agricultural colleges as in larger schools with more prestige.

With four national fraternity chapters already on the campus and the assurance of a fifth in the fall, we feel sure that in a short time the remaining four locals will become national in scope.

### ILLUSIONS

In less than two weeks now the senior class will be graduated much wiser and much sadder than when they first entered college.

Perhaps nothing else so well illustrates the fact that a college education does more for the student than to give him a theoretical knowledge of some two hundred credit hours.

While there are some who are a bit reluctant to leave college, for the most part the graduates are anxious to enter some other phase of life which still retains its air of glamour as viewed from a distance and concerning which their illusions are still to be broken.

Fortunately we all have our illusions—these intangible somethings that give us zest for life. As long as we can keep moving from one phase of life to another, meeting new people and new situations, we shall always have those glamorous dreams that give us faith and courage and a certain charm.

### KAPPA DELTA PHI INITIATES TWELVE

Kappa Delta Pi, national honorary fraternity, will initiate twelve students tomorrow afternoon at 5. New officers will be installed at the same time. At 6:30 following the services a banquet honoring the new initiates will be given in Ceres hall dining room.

Mr. Lawritson, instructor in education will give the main address. Jane Canniff, newly installed president, will welcome the new initiates and Eugene Huckle will give the response.

On the committee in charge of arrangements are: Myrna Severin and Emilybelle Craigo. Officers to be installed are: Jane Canniff, president; Elene Weeks, vice-president; Joyce Peterson, recorder - treasurer; and Emilybelle Craigo, historian. Mr. Lawritson will be councillor.

The twelve new members are: Clara Carlson, Wolverton, Minn.; Norma Cavett, Tower City; Agnes Beckstrom, Moorhead; Merritt Flynn, Ryder; Arthur Holem, Montevideo, Minn.; Eugene Huckle, Lidgerwood; Roy Holft, Alace Warne, Grace Hunkins, Lois Klinsmann, Esther Green-shields, and Douglas Sommerville, Fargo.

### NEW CONSTITUTION FOR 4 H CLUB

A new constitution will be drawn up and officers will be elected at a meeting of the Campus 4H club in the Lincoln Log cabin at 7:30 p. m., Wednesday. All former members of 4H clubs are requested to be present.

In charge of arrangements for the meeting are: George Simons, Delia Grinaker and Ruth Johnson, entertainment committee; and Adeline Rosendahl, Betty McMorrin and Jeanette Lee, refreshments committee.

### Baseball And Tennis Season Closes Soon

Baseball and tennis are now officially things of the past, as far as the women athletes of state college are concerned. Interclass competition to determine superiority in those sports completed this season's schedule last week.

In the baseball tournament the junior-senior team emerged victorious, having won three out of the four games played. The sophomore team placed second, winning two, tying one, and losing one game, while the freshmen were forced to take the bottom rung, since they succeeded in winning only one of four games. The members of the high team are: Bernice Streit, captain; Alpha Knight, Loris-a Sheldon, Esther Greenshields, Frances Hedner, Minerva Streed, and Irene Beyer.

On the afternoon of all-college day Georgina Metzinger and Ellen Kelly played off the final match of the tournament for the singles championship, Georgina Metzinger winning two out of three sets with scores of 6-1 and 6-2 respectively.

At present all of the physical education classes are engaged in playing off the deck-tennis tournament, an annual event. They expect to finish some time this week.

## BISON NET SQUAD FEATURING DIXON, WINS LOOP TITLE

Horton, Faber, And Wurdeman  
Complete Winning  
Team

Playing as consistent tennis as any team that has represented State, four Bison netmen returned from Brookings where they annexed the conference championship. John Dixon, playing No. 1, scored five points when he annexed the singles title from Harold James of the University of North Dakota Saturday morning.

Dixon dropped the first set to James 2-6 but rallied and took the next three to win 6-3, 6-1, 6-4. He advanced to the finals when he defeated Williams, S. D. S., in straight sets 7-5, 6-2, while James earned the right to meet Dixon by eliminating Horton 6-3, 6-1.

Horton and Dixon, No. 1 doubles team, advanced to the semifinals where they were defeated by the conference champions, Korte and Williams, 5-7, 6-3, 6-3, 6-3. The Jack-rabbit team defeated James and Hazen in the final match to repeat their victory of last year 4-6, 6-4, 6-3, 6-2.

### Bison Score Seven

The Bison team total came to seven points while South Dakota State and the University of North Dakota each scored six. Morningside was not represented.

Faber was eliminated in the first round by Tice, U. S. D. 6-0, 7-5 and Wurdeman dropped his first round match to Reynolds, S. D. U. 6-0, 6-0.

Other first round matches follow: Williams, S. D. S. defeated Nelson, N. D. U. 6-0, 6-1; Dixon defeated Blewitt, S. D. U. 6-0, 6-2; Hazen, N. D. U. defeated Detlie, S. D. S. 6-0, 6-2; Thomas, S. D. S. defeated Moore, N. D. U. 6-0, 6-3; Horton defeated Greene, S. D. U. 9-7, 6-2; James, N. D. U. defeated Korte, S. D. S. 6-2, 6-1.

### Horton Downs Champ

The feature of the second round of the singles occurred when Horton defeated Thomas, defending singles champion, 7-9, 6-1, 6-3. Tice lost to Williams 6-4, 6-3, Dixon downed Hazen 6-3, 6-1, and James eliminated Reynolds 6-3, 7-5 in the other round matches.

Wurdeman and Faber lost to Tice and Blewitt 6-0, 6-3 in the doubles. James and Hazen defeated Thomas and Detlie 7-5, 7-9, 6-4, Horton and Dixon downed Greene and Reynolds, 6-3, 6-3, and Korte and Williams defeated Moore and Nelson 6-0, 9-7 in the other first round matches.

Tice and Blewitt went down before Hazen and James from the University, 6-3, 10-8, 4-6, 6-4 in the first semifinals match and Dixon and Horton were eliminated by Korte and James.

## Trackmen Make Weak Bid In Conference

State Varsity In Background  
As Coyote Men Take  
Meet

(By Jack Grohnke)

As has been expected, the North Dakota State College track team did not make a very strong bid for honors at the annual Conference track and field meet held at Grand Forks on Friday and Saturday of last week.

The University of South Dakota presented a well balanced team which collected a total of 64 points to win first honors. Besides winning the half mile relay they placed a man in every event except the discus. Joe Crakes, giant basketball guard led his teammates in scoring, winning first in

the shot put and the javelin throw.

South Dakota State College was runnerup with 42 points. North Dakota scored with 36, Morningside gathered 23, and North Dakota State with only three individuals scoring collected 12.

### 4 Record Established

With the aid of almost perfect track weather four of the former records were lowered during the assault which took place on Saturday. Lawrence Wirth, South Dakota University star, established a new mark when he transversed the 440 yards in 49.9 seconds. Roy Pearson, North Dakota sophomore sensation, exceeded two old marks when he ran the 880 in 1.59 seconds and the mile event 1 7-8 inches to tie for first place with be surpassed was the half mile relay which was negotiated in 1 minute 29.8 seconds by the South Dakota University quartet.

## Baby Bison Conquer Rival Sioux Frosh

Close Margins Mark Meet Of  
Frosh From Dakota  
Colleges

Forging ahead of their traditional rivals in the last point event of their annual dual meet, the half-mile relay, the North Dakota State College freshman tracksters were victors Saturday over the first year athletes of the University of North Dakota.

The Bison frosh took a 39 to 33 lead in the track events run under the beams of the gigantic Sioux stadium floodlights Friday and were still in the lead, 66 to 64, as the end of the meet, Saturday afternoon.

Art Habener and Emmet O'Day gave the State College freshman a neat margin of seven points early in the meet by winning first and second places in the 120 yard high hurdles. Led by Ralph Pierce, winner of the 100 and 220 yard dashes, the Sioux Papooses then began a steady game of point winning from which they slowly emerged into a lead of several points.

The Bison victory in the track events Friday was settled only in the final event, the 440-yard dash, in which Cecil Graham and Myron Pond, State College frosh, raced to the finish in first and second places respectively.

With Pierce taking the javelin throw and the broad jump, and Meinhover, also of the U, taking both the shot put and discus heaves in the field Saturday, the Bison lead was cut down to the tie mark just before the final event, the half-mile relay. The winning of the relay was the crowning achievement of the meet for the State frosh, affording them the two point advantage.

Members of the Kappa Psi who visited out of the city are Nicholas LeFor, Valley City; Bud Brakke, Kindred; Olaf Ekeren, Rothsay; Orville Buss, Fergus Falls; Charles Holiday Jamestown; and Thomas Fiske, Breckenridge, Minn.
