Edwin Booth To Present Ibsen's "Doll House"

Claire Newell And Martin Vogel Lead In Term Play

Performances Will Be Held Wednesday, Thursday This Week

The immortal drama by Henrik Ibsen, "A Doll's House", will be enacted by the Little Country Theatre Players on Wednesday and Thursday evenings of this week in the Little Country Theatre. It is the regular term production of the Edwin Booth Dramatic Club.

Two performances will be given beginning at 8 p. m. each day. Assisting in the production are members of the club who have charge of the stage arrangements and ticket sales. Tickets can be secured at the Little Country Theatre or from members of the club.

Bringing out the struggle of a woman against her environment, the play centers about Nora, played by Claire Newell, Fargo. The leading male role of Torvald Helmer will be interpreted by Mart Vogel, Perham. Other members of the cast are: Leonard Gilles, Krogstad; Helen Jensen, Mrs. Linden; Don Lawrence, Dr. Rank; Audrey Medley, Anna; and Eryls Hill, Ellen. There also are three children who have parts in the play.

Preceding the Wednesday night performance, members of the club will entertain at a dinner commemorating William Shakespeare. Dinner will be served at 5:30 with covers laid for about twenty in the Log Cabin. Malve McKeane, Elsmere Chamberlain, and Robert Sunderson are in charge of the training the play being coached by Alice Bender under the general direction of Mr. A. G. Arvold.

"Y" Circus Poster Contest Announced

Mattingly Promises Finished Performance On May 1

Plans for a poster contest to stimulate student interest in the Y-Circus-Dance have been completed, according to Mr. D. C. Bayliss who is in charge of the contest. The junior class in the architectural department will be given the poster as a regular sketch problem in design but the contest is open to any S. C. student.

"The rules are few but important," said Mr. Bayliss. The contest opens with this announcement and all posters must be handed in to my office in the architectural department by Friday, April 24 at 10 a. m. The size is limited to 15' x 20" and the poster must be done on heavy poster board. No restrictions are made as to subject but the poster should have the following important facts displayed in a readable manner: Y Circus, College Armory, May 1, 8 p. m.; Entertainment and Dancing - Admission 50c. The faculty of the architectural department will act as judges and prizes will be awarded as follows: First—\$3 in cash; second—four complimentary tickets to the Y-Circus; third—two complimentary tickets to the Y-Circus.

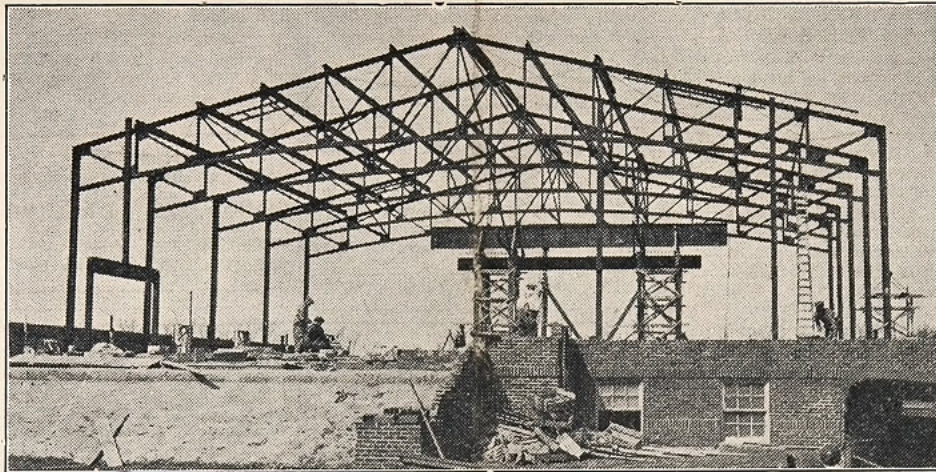

Ticket sales have been aided by the decision of the Inter-Sorority Council in pledging its support to the circus. Sales started yesterday.

Meredith Mattingly, who is directing the performance stated that things were fast rounding into shape to make a finished show. "We are all doing our best to make the entertainment the best ever," said Mattingly.

NOTICE!

Friday, April 24, marks the date of the first general assembly of the Cadet Corps in the spring quarter. Parade and general review will be held.

STEEL SKELETON OF NEW GYMNASIUM RAPIDLY TAKES FORM

Work on the new gymnasium now is under way and the building will be entirely completed by September 1, according to Mr. J. Jones, forman of construction work of T. F. Powers and Company, which holds the building contract.

The steel superstructure has been erected and during the past week the construction company has been chiefly

concerned in getting all materials on the grounds. This week, however, large crews of men will be set to work and work will be begun on the second floor.

The brick wall is now going up rapidly and it is expected that the building will be entirely enclosed within a few weeks.

By June the roof will be on and completed, and the summer work will

consist mainly of finishing and decorating, the entire project being completed and ready for use of the students by September 1.

The outside building dimensions are 260 by 111 feet. The main auditorium will be large enough to provide for three standard basketball courts on one floor and will have a bleacher seating capacity of 3,600.

Junior Prom Scores Brilliant Success As Spring Formal

Band, Singers And Tap Dancer Form Features Of College Party

Attracting more than 150 couples, the Junior Prom sponsored by the class of 1932 scored a brilliant success. Unique decorations featuring cleverly designed modernistic effects gave the spring formal a note of charm that has not been duplicated by the college parties this year.

The music by the Klitz band presented a combination of harmony singers and dance music that kept the guests expectant as to the next feature. The musical combination came to the prom from Sioux Falls, S. D., where they had been playing the winter season.

Feature numbers by the Phi Omegt Pi trio, Eleanore Erickson, Dorothy Chard, and Bernice Emmons, and a tap dance by tiny Joanne Fitch gained the approval of the dancers.

Pewter bud vases and American Beauty rosebuds were given as favors during the eleventh dance. Billie Euren and Gertrude Lee led the grand march. They were followed by James Moore and Lillian Lindsey, Orville Isley and Marion Hunter, Rod McMillen, and Edna Sullivan, and President and Mrs. Shepperd.

Captain and Mrs. Frank Ross and Dr. and Mrs. W. C. Hunter chaperoned the affair.

The committee in charge follows: Rod McMillen, refreshments; Walter Shamp, features; Blair Seitz, floor manager; Kenneth Wyard, tickets and finance; Anthony Faber, publicity; Hjalmer Johnson, decorations; Dorothy Smith, invitations; and Eleanore Erickson, favors.

COMMITTEE ON STUDENT RELATIONS HOLDS MEET

A new step in moulding understanding between students and faculty members was begun recently with the appointment of a Faculty-Student Relations committee, which held its first meeting, April 13, at the office of the president of the college.

The committee, composed of Presi-Shepperd, Dean I. W. Smith, Dean Pearl Dinan, Dean W. F. Sudro, Prof. John E. Doerr, and Miss Esther Latzke, met with the Student Commission yesterday afternoon in a preliminary discussion of vital problems of school life.

Honorary Sorority Initiates Two Girls

Betty McMorran of Lawton, N. D., and Donald MacDonal of Fargo, sophomores in the school of home economics were initiated into Beta chapter of Phi Upsilon Omicron, national honorary home economics sorority, Sunday morning, April 18, at the practice house. The initiates were presented with corsages of pink and white sweet peas and roses.

Honorary, active, and alumnae members had breakfast at the Bluebird in honor of the new members. Lois Minard was in charge of arrangements.

Kappa Psi Founder's Day To Be Observed With Formal Party

Pharmacy Fraternity Will Hold Banquet And Formal April 24

Beta Sigma chapter of Kappa Psi fraternity will hold its annual Founder's day banquet and spring formal at the Crystal Ballroom on April 24. Alumni from throughout the state and also from Minnesota will be in attendance.

Honored guests will be Dr. and Mrs. J. H. Shepperd. Patrons and patronesses will be: Dean and Mrs. W. F. Sudro, and Prof. and Mrs. M. Jongeward.

The Crystal Ballroom Redjackets have been engaged for the evening to furnish the music. Feature numbers also will be furnished by that group. The waltz, "Kappa Psi Sweetheart", will be featured during the fifth dance and the lighting effects will be furnished by a model of the fraternity pin.

Simon Mark is in charge of general arrangements assisted by Glenn Roberts, James Moore, Earl Grove, and Barney Burke.

PHI OMEGA PI'S WERE HOSTS TO 60 COUPLES

Phi Omega Pi's guest party which was held in the Masonic Temple Saturday night was attended by sixty couples. Decorations were carried out in the sorority colors, sapphire blue and white. The lighted sorority pin was a feature of the decoration.

Features of the evening were a reading given by Helen Fitch, and the Phi O Pi waltz, which was played for the eighth dance. Chaperons for the dance were Miss Esther Latzky and Mr. and Mrs. Homer B. Huntoon. Guests included Mrs. Sarah Crannelly, house mother, and Miss Pearl Dinan.

Delta Tau Epsilon Completes Purchase Of Fraternity Home

College's Newest Fraternity Begins Expansion With Home

Delta Tau Epsilon fraternity has moved from 735 College Street to 1011-13 on Fourteenth Street. The move was made Saturday, and marks the achievement of a project which has been under consideration since early this year, according to David Carlson, chairman of the executive committee.

The new house was acquired by purchase, and is of a size to provide ample housing facilities for a long time to come. It is a frame structure, square in shape, and is located two blocks from the campus. It was built as a duplex, and the fraternity is occupying only half of the total space at present, since some remodeling will be necessary before the interior arrangement will permit the convenient use of the whole building. Few alterations will be made until summer, because the present arrangement now houses the members adequately, but Edgar Johnson, the newly elected president, said the entire house would be ready for use when school opens in the fall. It will have a kitchen, dining room, living room, library and study room on the first floor, and the second floor will have individual rooms for members and guests.

A housewarming dinner was given Sunday noon. Guests of honor were: Messrs. Otterson, Wenger, and Good-earl, who are honorary members of the fraternity.

R. O. T. C. INCREASES

In spite of the general decline in enrollment that comes each spring quarter, the college Cadet Corps is larger this year than last, according to Sergeant R. D. White.

The corps is larger by thirteen members than last year at this time, there being 543 cadets in 1931 as compared with 530 for the corresponding time last year.

BAND PLAYS WEDNESDAY

Tomorrow morning the fifty piece North Dakota State College concert band will present its annual spring program at the 9:40 convocation.

The program, which will be broadcast from WDAY at 8 o'clock in the evening, consists of seven compositions by various composers. Several marches, an overture, a symphony, and several popular numbers are included.

Campus Groups Initiate Many Over Week-End

Nine Greek Letter Groups Admit Neophytes To Membership

Gamma Phi Beta, Kappa Sigma Chi Take In Most New Members

Nine fraternities and sororities have announced the initiation of their pledges during the past week or two. Gamma Phi Beta leads in numbers, 15 pledges becoming active members at initiation services. Kappa Sigma Chi ran a close second, having 13 initiates.

The new members of Gamma Phi Beta are: Glenora Sommer, Barnesville; Dorothy Holes, Hunter; Helen Lee and Paula Verne, Moorhead; Miriam Narum, Constance Heilman, Abbie Porter, Myrna Severin, Myrl Hoar, Phyllis Tritchler, Sally Hunkins, Sara O'Connor, Margaret Murphy, Kay Lindley, and Dorothy Olson, Fargo.

Kappa Sigma Chi: Stanley Thompson and Art Larson, Fargo; Arlie Oman, Napoleon; Thomas King, Starkweather; George Burt, Tower City; Donald Morrison, Moorhead; Roger Smith, Escanaba, Mich.; Harvey Taylor, Oberon; William Sturch, Page; Gale Monson, Argusville; Wesley Bruns, Oriska; William Hatch, Fergus Falls; and Gordon Kaercher, Cavalier.

Alpha Sigma Tau: George Toman, Mandan; David Miller and Harold (Continued on Page 3)

National Fraternity Accepts Phi Beta Nu

Kappa Delta Pi Is Name Of New Honorary Society At State

Phi Beta Nu, honorary education fraternity, at North Dakota State College announces that their petition to Kappa Delta Pi, national education fraternity has been accepted.

Kappa Delta Pi was organized at the University of Illinois, June 8, 1911. It now comprises 21 laureates and 62 chapters. Membership consists of juniors and seniors, both men and women, with general scholarship in the upper quartile and the completion of work in education to the extent of at least six semester hours for juniors and twelve semester hours for seniors. It is both a graduate and undergraduate honorary fraternity, and has the unique distinction of a laureate chapter composed of outstanding educators, the interior thrust being to make this in essence an academy of educators similar to the academy of science or academy of fine letters.

The official magazine, The Kadel-pian Review, is published quarterly at Menasha, Wis.

The key is a scroll and stylus upon which are the three Greek letters of the fraternity name, the letter Delta being placed upon a beehive.

The active members at North Dakota State College are: Ethel Renwick, president; Ruth Whitney, vice-president; Mrs. Henrietta Perkins, secretary; Naomi Aplan, treasurer; Myrna Severin, Emilybelle Craig, Reynold Fredeen, Glenn Walrath, Bernice Christensen, Mary Hassell, Inez Jarr, Jane Canniff, Ruth Lossness, Joyce Peterson, and Elene Weeks.

Formal initiation will be held at some time during the spring term.

students. A problem as to the size of the organization should be considered. We feel that more than eight members would so complicate the processes of discussion that little value could be derived. A small, concentrated body can accomplish much more than a large group.

The present absence system has had a chance to prove whether it is a success or not. If it is not a success a committee as outlined by our plan could plan something to take its place. Students cannot complain when their representatives help make the rules that govern them.

We are glad of the appointment of such a committee.

INTRAMURAL SPORTS PUT ON THE SPOT

There is no better word that we can think of concerning intramural sports this winter than that of 'flop'. We are not concerned as to where the fault lies, all we know is that a fault exists. It may be placed at the door of the participating clubs or at the door of the management.

At any rate, some change should be made in the system so that a basketball tournament might be finished. There is nothing that causes groups to lose interest faster than that of dragging out a competition. The basketball tourney is now a dead issue, and the eyes of the fraternities are fixed on the coming baseball and track competitions.

If nothing better can be suggested for running off the baseball tournament, we suggest that a student manager be appointed to see that the teams come together according to schedule to play their games. Any method would be an improvement over the way the basketball tournament was handled. A repetition in baseball would come very close to severing intramural relations.

ROSS ENTERTAINS

Senior members of Alpha Sigma Tau were entertained at dinner, Monday noon, at the home of Captain Frank Ross, an affair carried on annually for the past four years.

Time: One of those nights.

Place: Some store.

"My Gahd, I hope I didn't forget that package of marshmallows. What would the girls say if I didn't have anything to eat."

"Aw, you make me tired, always having to bring along marshmallows as an excuse. They make my face sticky."

"We don't have to roast them, do

we? I like mine raw and besides a fire makes too much light."
"Hurry up with the phonograph. We got to have it because my girl is afraid of night noises—poor dear."
Last picnic line: What's the time?

Advocating a "strict patronize your own school policy," Dick Kraft, militant director of the campus building forces, has ordered park benches to be placed on the west side of Main building for afternoon and twilight loitering.

Taking Electrical Convenience From Ol' Man River

THE total capacity of waterwheel generators built by General Electric in the last ten years is more than enough to supply light and power for twenty cities of one million population.

Installed in power houses along the waterways, these machines transform the strength of mighty rivers into useful electric energy for homes, for industry, and for transportation.

The vision and skill of college-trained men are largely responsible for the continuing leadership of General Electric in its service of furnishing machines and devices that provide the swift, sure convenience and the economy of electricity — on land and sea and in the air.

THIRTY-FIVE MEN WORK OUT DAILY FOR TRACK SEASON

Freshman Tracksters Display Promises Of Speed Ability

About thirty five North Dakota State College track candidates are working out daily in preparation for the regular track season.

The annual intramural track meet will be held on Friday and Saturday of this week. The teams that will compete for the large loving cup will be made up from the different fraternity groups on the campus and it is probable that the Y. M. C. A. will enter a team composed of non-fraternity men.

This will be the first competitive trial of the year and it will enable Coach Saalwaechter to get a more definite idea of the ability of his men. In former years men of exceptional track ability have been found during this meet who later aided greatly on the regular track team.

Freshmen who have been showing up well during the daily practices are: Cecil Graham, speed merchant from Anamoose, who captured first place in the 100 and 220 yard dashes at the state meet last year; Carman Hunt, lanky high jumper from Hannah, winner of first place in this event at the state meet and the May festival; Arthur Habener, former Fargo High School star and well known in high school athletic circles for his ability in the high and broad jump; Robert Hatch, diminutive sprinter; Myron Pond, middle distance runner; and John Pederson, sprinter.

SAND TRACKS

It is rumored that the fellow dancing with tears in his eyes had athletes' feet.

And Saaly gingerly admits that he wishes more of his trackmen had athletic-enough footsies to carry on the reputations of Sand, etc.

Talking of dancing also brings home the fact that aesthetic dancing is seen on the cinder paths in the spring preliminaries since the advent of the giant Norseman.

The "Flying Deacon", who has had experience with the Gopher runners, is religiously attending to his track training.

"Crackers" Graham threatens to do some shredding of freshman speed marks.

A stocky led with the "good old Scotch name" of Pederson may prove a dark horse among the freshman runners this year.

The last line: (Apologies to Peepin')—Saaly doesn't even dare use a handkerchief this spring, not desiring to curtail any collegiate running, whatsoever.

SAALY CASTS TWO ANXIOUS EYES ON TRACK PROSPECTS

Bison Mentor Suffers Loss Of Many Veterans This Year

North Dakota State College's 1931 track talent will parade before the watchful eyes of Coach L. T. Saalwaechter next Friday and Saturday in the first of two interfraternity meets. Approximately 130 athletes are entered.

This event means more than just campus rivalry to Saaly who is hoping against hope that some material of varsity calibre will be uncovered. If there is any way to reinforce his depleted ranks of veterans, the Bison mentor believes this is the best, pointing out Ole Sands, giant Norse sprinter; Dorland Konichek, speedy quarter miler; and Milton Pemble, high hurdler, as examples of athletes, now graduated, who were developed through campus competition.

While awaiting the weekend trials, however, Saaly is none too optimistic. Joe Blakeslee, captain of the track team and holder of the North Central conference pole vault record, is the only certain point getter, Saaly laments, although there are several other veterans and a troupe of promising sophomores to bolster the prospects.

Medals will be given this weekend as well as to winners of the second meet to be held during the middle of May.

Sigma Tau Delta Is Formally Installed

Twenty-Two Students, Two Alumni, Three Teachers Are Members

A formal installation service at which the Writers' Club became Omicron Gamma chapter of Sigma Tau Delta, national English fraternity, was conducted at the Gardner hotel at 5:30 p. m., Saturday.

Besides the 22 students, two alumni and three faculty members were initiated into the fraternity. Presiding during the installation and initiation service was Miss Maude Hayes, head of the department of English at Moorhead State Teachers College. Assisting her were members of the chapters at Moorhead and Jamestown College including: Misses Delsie Holmquist, Helen Lincoln Viola Dixon, Mamie Carlson, Alma Peterson, Marian Lippert, Louise Wescom, Mrs. Josephine Kise, Professor Mansfield, and Mr. Olson.

A banquet was served in the Rose room following the installation. Red tulips and tapers decorated the tables. Claire Newell, president of Omicron Gamma chapter, was toastmistress. Speakers included Edris Probstfield, Delsie Holmquist, Miss Hayes, Marjory Archer, Prof. Byron D. Murray, Marian Lippert, Mr. Olson, Prof. Kenneth Kuhn, Professor Mansfield, and Dean A. E. Minard.

Faculty members of Omicron Gamma chapter are Eloise Waldron, Dean A. E. Minard, and Professor Kuhn. Edris Probstfield and Joe Van Sickle are the alumni initiates. The active chapter includes: Marian Anders, Marjory Archer, Ruth Barrett, Robert Connolly, Lyle Behan, Robert Bergseth, Callista Berrigan, Virginia Davis, Gerald Garlid, Karl Gerteis, Jeanette Greenshields, Edward Hansen, Robert Hatch, Mary Healy, Jeanette Hooper, Daniel Howell, Rollin Moore, Claire Newell, Morris Olson, Joseph Paulson, Aldyth Pinkham, and Elene Weeks.

NEWMAN CLUB

At a recent meeting of the Newman Club, annual election of officers was held which resulted in the selec-

tion of the following students to lead the club for the year 1932: President, Bill McDonald; vice-president, Robert Harmish; treasurer, Roman Meyers; secretary, Helen Louise Clemens; social chairman, Mary Powers. The office of social chairman is a newly created office and Miss Powers will take over her duties at the next meeting, at which time all of the new officers will preside at their duties.

The retiring officers are: Lawrence Forman, president; John Rooney, vice-president; Ellen Kelly, secretary; and Jack Simonitsch, treasurer.

Schoessow To Direct Annual Open House

Wayne Curtis Was Elected Head Of Engineering Society

The Engineers Club had a meeting last Thursday night and the members discussed plans for open house, an event that is staged every year during the May festival. Earl Schoessow has been elected open house manager this year.

A film was shown on acetylene welding process in relation to the large structural steel industries of today.

At a meeting of the American Society of Mechanical Engineers, held just after the other meeting, the officers for the coming year were elected. Wayne Curtis will succeed Wilson Pierce as chairman, Leonard Lyngstad was elected to take Martin Rosen's place as vice-chairman, and Theodore Lagerberg was named as a successor to Herman Johnson as secretary-treasurer of the organization.

Following the two gatherings a lunch was served.

PERCY EVANDER HEADS PHARMACY CLUB BALL

Percy Evander, Underwood, was elected in charge of the annual Pharmacy Club Ball at a recent meeting of the club. The date has been set for May 9, but at the present time no other preparations have been made.

Mat LeFor, in charge of favors, has written to about seventy-five wholesale houses and asked that they send samples of merchandise to be given away as favors at this event. The response is gratifying and everything points to another successful Pharmacy Club Ball.

Committees appointed are: Leon Galehouse, decorations; Ralph Willard, hall; Mat LeFor, favors; Eric Tonn, music; and Nels Brakke, finance.
