Sport Clothes To Rule Dance On All-College Day

Prizes for Events of Day to Be Awarded In Evening

TWO BLUES SINGERS PROCURED FOR PARTY

Quartet Featuring Novelty Selections Will Entertain

Informal dancing in sport clothes will bring an end to the annual All-College day, scheduled for Tuesday, May 27. Everyone must be attired in very informal sport clothes, is the rule for the affair as laid down by Miss Emily Samuelson, Social Commissioner of the Student Commission.

A feature of the dance will be a male quartet known as the Goblins, who will sing a number of novelty selections. The quartet is well known in the northwest as a group of radio artists. An excellent orchestra has been chosen for the occasion, which will assist the quartet with its numbers as well as produce the rhythm for the dancing.

As another feature of the closing event of the day, Miss Samuelson announces the procuring of two blues singers who will break the hearts of those present. According to the social commissioner, objections have been raised concerning the singers on the grounds that the gaiety of the occasion will be marred by the blues.

The prizes for the events of the day will be awarded at the sport dance, in which six loving cups will be given as well as ten other prizes.

Baldwin Announces Cadet Hop Program

Capt. Neal Baldwin announces the opening of a series of Cadet Hops, the first of which will be staged in the Armory next Thursday at 4 p. m.

It has been the custom of Scabbard and Blade, honorary military fraternity sponsoring these dances, to offer weekly all-college parties during the spring term. This practice resumes the series of Hops terminated at the opening of the annual basketball season.

An innovation this year was the program of afternoon dances offered by the college Christian associations during the winter term.

Seven Candidates Appear On Ballot

Tomorrow students will go to the polls to cast their ballots for the seven May Queen candidates who will preside over the festivities on All-College day, May 27. The three high candidates will not be announced until the morning of May 27, when the mistress of the day will be selected. The election is sponsored by the Student Commission.

The polls will open in the Registrar's office at 10 tomorrow and will not close until 4:30, according to Frank Carlson, commissioner of elections. The following candidates appear on the ballot: Dorothy Lieb, Ceres Hall club; Katherine Knerr, Kappa Kappa Gamma; Marion South, Kappa Delta; Grace Reynolds, Phi Omega Pi; Margaret Ballard, Gamma Phi Beta; Thelma Nelson, Alpha Xi Beta; and Gertrude Almos, Phi Kappa Lambda.

The six defeated candidates will act as ladies in waiting at the May pageant to be held the afternoon of All-College day.

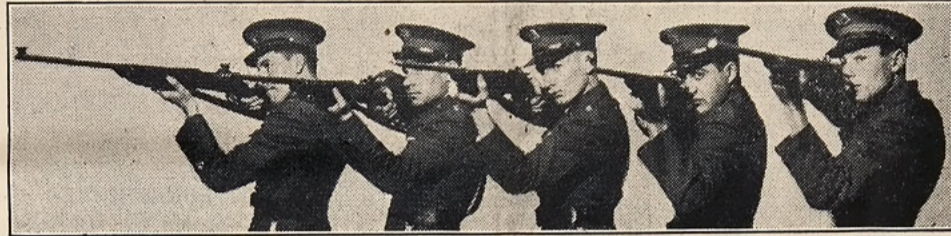

BLUE KEY ELECTS McGRATH PRESIDENT

Blue Key, honorary service fraternity held their annual election of officers for the coming school year last Thursday. Horace McGrath, Fargo, was chosen by the group as the next president. He is a member of Delta Kappa Sigma fraternity.

Amos Wallum, Lakota, will be the next vice-president. The other officers are as follows: Bernhard Benndt, sergeant-at-arms; Glen Schoesow, treasurer, and Leonard Friberg, secretary.

The retiring officers include Clifford A. Booke, president; Adolph Pahl, secretary, and Ralph Welch, treasurer.

MAKE TRIP TO NATIONAL CAPITOL

Members of State College rifle team under the direction of Captain Frank Ross who won the William Randolph Hearst trophy for the third consecutive time and will receive a trip to Washington. Left to right: Kenneth Piper, Ashley; Arthur Johnson, Hurdsfield; Alvin Lee, Valley City; Morris Barks, Egeland; and Edward Comm, Fargo.

1932 BISON EDITOR

Elene Weeks, junior in the school of education who was recently chosen to succeed Amos Wallum to the editorship of the Bison. Kappa Kappa Gamma is Miss Weeks' sorority.

Grand Forks High Wins Sweepstakes In Home Economics

Beach, Fargo, Benson Aggies, Maddock Tied For Second Place

Grand Forks high school won the grand sweepstakes in the home economics division of the 23rd annual Inter-high school May Festival held here last weekend. Beach, Fargo Central, Benson County Agricultural high school, and Maddock were tied for second place.

Ida Clark, Beach high school student, was presented with the prize given annually to the most outstanding girl in the contest by Phi Upsilon Omicron, honorary home economics fraternity.

Awards Presented
Presentation of the awards was made by Miss Louise Horton who announced the winners in the home economics division, and Miss Barbara Barney, the donor of the Phi Upsilon Omicron award. Greetings by J. E. Davis, president of the state board of administration, Dean H. L. Walter of the school of agriculture and Miss Alba Bales, dean of the home economics school, were on the program arranged by Prof. E. H. Jones, Smith-Hughes supervisor. The men's glee club directed by Prof. Homer Huntton sang.

Walsh County Agricultural high school, Park River, secured the third highest total of points in the home economics group and Anamoose, LaMoure, Neche and Carrington tied for honorable mention.

Other individual school awards, first, second and third places being given in the order named, are: food selection and preparation, Casselton, Grand Forks, Jamestown, Mandan; food judgment, LaMoure, Grand Forks, Walsh County Agricultural; table service and etiquette, Neche, Carrington, Beach, Dickinson; textiles, Fargo Central, Benson County Agricultural, Tower City; clothing judgment, Anamoose, Grand Forks, Oak Grove Seminary; household management, Benson County Agricultural, Grafton, Mohall; applied art, Walsh County Agricultural, Fargo Central, Mandan; child training, Beach, Drake, Grand Forks.

Rifle Team Wins Coveted Awards For Third Time

Comm Second Highest Man In Entire Country With 196 Out of 200

Team Makes Trip to Capital With Expenses Paid By W. R. Hearst

The William Randolph Hearst Trophy, the most coveted of all national school rifle awards, was won by the North Dakota State Rifle team, according to a telegram received recently by Dr. Shepperd. This makes the third national championship that North Dakota State rifle teams under the able leadership and guidance of Capt. Frank S. Ross, have won during the past three years. This year's victory was exceptionally noteworthy because of the strong competition afforded by 363 schools, the largest number of entries to ever compete in this trophy event.

The best individual score of the team was made by Edward Comm of Fargo, who, although shooting in a team for the first time this year, turned in the phenomenal score of 196 out of a possible 200 points. Comm came within a point of having the highest individual score of any rifleman in the United States. Exceptional scores were also turned in by Morris Barks, Alvin Lee, Kenneth Piper, and Arthur Johnson, the other four members of the five man rifle team.

One Point Margin
The Bison riflemen with a total score of 931 out of a possible 1,000 nosed out the Lehigh university of South Bethlehem, Pa., by the scant margin of one point. The University of Kentucky ranked third and the University of Arizona came fourth when the final scores were tabulated.

As a result of this victory the team, accompanied by Capt. Frank S. Ross, the team coach, will be given a trip, some time in the near future, to Washington, D. C., as the guests of Wm. R. Hearst. All their expenses during the trip will be paid by the philanthropic newspaper publisher, who will also present the team with a large gold shield, a loving cup, and various team medals. These trophies

YMCA Circus Plans Nearly Completed

Mattingly Announces Show For May 28; Tumbling, Dances Featured

Meredith Mattingly announces that there will be a "Y" circus in the college armory on May 28, 1930 which will be sponsored by the college Y. M. C. A. and the Athletic department. Plans have been completed and the various groups participating are working hard in preparation for this show which Mattingly says will be full of "surprises, pep and variety."

The "Y" circus will most probably consist of nine acts. The acts as they are now arranged are as follows: a ground tumbling act, a springboard and buck act, a pyramid building act, and a parallel bar act, all of which will be done by the college tumbling team which has some stellar performers within its ranks; an acrobatic dance to be given by Miss Frances Kingsbury; a novelty tap dance by Ben Bowden, a tumbling and pyramid building act by the girls' tumbling team; and lastly a violin solo by Miss Gertrude Pulscher.

BUSINESS MANAGER

Floyd Viel, junior in the school of chemistry, will be the business manager of the 1932 Bison. He succeeds Adolph Pahl who has charge of the business affairs of the 1931 yearbook. He is a member of Delta Kappa Sigma fraternity.

Walsh County School Makes Best Score In Agriculture Event

Larimore Places Second With Wahpeton In Third Position

Walsh County Agricultural High school at Park River Friday won the sweepstakes banner as the highest point winner in the agricultural contests here in connection with the May Festival. Larimore was second and Wahpeton third.

All winners in the various agricultural contests received banners or medals at the banquet given in Ceres hall Friday evening. Prof. E. J. Thompson made the presentations.

George Lee of the Walsh County Aggies was high individual in stock judging and was awarded the large bronze bison, a traveling trophy presented by the Saddle and Siroin club at the college. Mr. Lee's school will have possession of this trophy for one year. This trophy was first awarded in 1928 and was won that year by Lenhart Shafer of Hazen. Last year it was won by Gerard Goughnour, Hazelton. Donald Lawrence made the presentation of this trophy on behalf of the Saddle and Siroin club.

Walsh County Aggies also won a loving cup, a traveling trophy presented by the North Dakota State college, as a special award to the highest school in stock judging.

As a result of winning this trophy this team will represent North Dakota in the national stock judging contest held annually in November at the American Royal Cattle show, Kansas City.

Although Anamoose was in third place in the dairy judging contest. Barnesville, Minn., being first and Bemidji, Minn., being second, the Anamoose team will represent the state in the national dairy contest at St. Louis in October, the two Minnesota teams being ineligible to represent North Dakota.

Team Awards
High teams winning school banners which were presented at the banquet, in the order of their winnings are: Sheep, Hazelton, Grafton, Velva, Swine, New Salem, Larimore, Barnesville, Minn.
Dairy, Barnesville, Bemidji, Anamoose.

Lambdas Become Fifth National On State Campus

Formal Reception and Dance Planned for Saturday Evening

JULIA RISER PRESIDES DURING INSTALLATION

Over 75 Members and Alumnae Present; Minnesota Sends 40

With the installation of Phi Kappa Lambda as Beta Beta chapter of Alpha Gamma Delta, the fifth national sorority group will be represented on this campus. The plans are now completed, according to Miss Margaret Green, president of the Lambdas.

Miss Julia Riser, national extension chairman, will preside. Services will begin Thursday, continue through the remainder of the week, and more than 75 members and alumnae of Alpha Gamma Delta chapters will be present. From the University of Minnesota will come a party of 40.

Among the guests will be Miss Madge Runey, Bismarck, Delta alumna, together with many chapter presidents. Miss Runey will participate in the installation.

The complete program for the four days includes a dinner Thursday in the home of Mrs. W. W. Fuller, 1115 Seventh St. S., at which the patronesses, Mmes. A. E. Minard, Frank Ross, N. B. Black, Fuller and Misses Elvira Smith and Christine Finlayson will be hostesses to Alpha Gamma Delta alumnae. This will be followed by pledge services for the active and alumnae members in Fellowship hall, First Baptist church.

Initiation Friday
Initiation of alumnae will be held at 10:30 a. m. Friday in the First Baptist church, and lunch will be served there at 4:30 p. m., the active chapter of Phi Kappa Lambda will be initiated as an active chapter of Alpha Gamma Delta with installation services following immediately.

Mrs. Paul Smith, Amenia, Alpha Gamma Delta alumna, and past extension chairman, is in charge of the formal installation banquet to be held at 8 p. m. Friday in the Gardner hotel. Mrs. A. E. Cannon, Fargo, also an alumna, is toastmistress.

Saturday morning will be taken up with conferences with Miss Riser and

Phi Kappa Phi To Recognize Students

Plans are now completed for the annual Recognition day of Phi Kappa Phi tomorrow. A convocation in the armory will open the program. Special recognition of members of all the honor societies on the campus will be followed by an address by Dr. Gottfried Emanuel Hult, professor of classical languages and literature at the University.

In the evening, the annual Phi Kappa Phi banquet will be held in the Chamber of Commerce, preceded by initiation services. The president, Dr. A. F. Hunsaker, will preside. The program will include musical numbers by the trio composed of Mrs. Frank Temple, the Misses Leah and Belle Shalit, addresses by Dr. Hult, Miss Frances Ross representing the students, and President Shepperd representing the faculty.

This is the second time that Dr. Hult has addressed the local chapter of Phi Kappa Phi. On Feb. 5, 1920, he was here and read extracts from his own play, Galileo Galilei. The members met at the home of Dr. and Mrs. R. E. Weible and thoroughly enjoyed the evening.

DELTA SIGS OBSERVE ANNUAL MOTHER'S DAY

Kenneth Wyard supervised the Delta Kappa Sigma annual Mother's Day tea given in the chapter house Sunday afternoon, May 11.

American beauty roses supplied the regular feature of this function. Mrs. Fred Olsen poured, and was assisted by the Misses Lillian Lindsay and Elizabeth Olsen.

ALPHA GAMMA DELTA

The installation this week of Phi Kappa Lambda as Beta Beta chapter of Alpha Gamma Delta is THE feature of the Spring term. It marks the success of one of our older campus sororities; it marks the achievement of a coed organization founded in 1923, and the long up-hill struggle to recognition; it marks an ever greater esteem for North Dakota State College.

Let us join in dedicating this week to Phi Kappa Lambda, and at its termination, give the members of this sorority and their guests the genuine congratulation and welcome which is uppermost in our minds.

MAY FESTIVAL

It was undoubtedly a success, in spite of the wrath of Old Man Weather. The various departments, the campus fraternal organizations, the student body, all joined in showing our many guests a good time, and a warm welcome. The features of the week were the splendid efforts of our athletic departments. Moreover, the numerous exhibits and demonstrations combined to prove the gold mine of opportunity at hand at North Dakota State.

COMMENCEMENT

You who are sponsoring the move to establish the wearing of caps and gowns by faculty members during Commencement, might take advantage of our columns to discuss the subject.

THE MAY QUEEN

It seems that it was an ancient custom to elect a queen to preside over all the festivities of the month of May. This is exactly the idea that the Student Commission are following when they hold elections tomorrow to decide the three candidates for the final election on all-college day, May 27.

Although we are not overly enthusiastic in the prospect of picking beauty queens or "Girls of the West" we feel an election like this one will be a big improvement over the framed

type that dominates so many contests in the American colleges.

The girls receiving the highest number of votes tomorrow will be kept secret until May 27 when a popular election will take place during the convocation in the armory. The polls open tomorrow at 10:30. Look the candidates over, and then cast your vote.

MUD!

For forty days and forty nights it rained and rained and rained. There seems to be a fair start in North Dakota with the precipitation of the past week. With the moisture came the mud and as usual the roads and crossings on the campus became as bad as the open field.

It is only in times like this that we realize that something should be done to improve the crossing conditions of the campus. The engineers that laid them out must have chosen the lowest spots they could find to put the cement. The M. E. student who dons his boots and britches is the only person who does not suffer during a wet season.

The crossings between Ceres and Main, Engineering and Science, and the Band Hall and Engineering, are in a miserable condition and should be fixed at the first opportunity.

LAMBDA BECOME FIFTH NATIONAL ON STATE CAMPUS

(Continued From Page 1)

at 1 p. m. Beta Beta alumnae, formerly Phi K. Lambda alumnae, will be hostesses at a luncheon in the Lincoln Lob Cabin. Mrs. R. Otterson and Miss Gladys Feenendal are in charge.

Reception, Dance Saturday

The College will entertain at a formal reception and dance in the armory between 8:30 and 11:30 p. m.

Alpha Gamma Delta visitors will be guests at luncheon Sunday at the farm home of Mrs. Paul Smith at Amenia, and the active visitors will be entertained at luncheon in the Tea Cup Inn.

Sunday the chapter will receive campus groups and friends at a reception from 3 to 5:30 p. m. in the home of Mrs. Kent Darrow, 718 Eighth St. S.

Phi Kappa Lambda was founded, Nov. 28, 1923, with the following as charter members: Gladys Feenendal, Ruth Brisco, Catherine Cockrell Cort, Emma Hatlie Bauer, Bernice Klinger, Elizabeth Jonson, Inez Sjoldal, Pauline Sorkness, Belle Mae Peterson and Suzanne Martin. The group is represented on the campus in Phi Kappa Phi, Phi Upsilon Omicron, Delta Psi Kappa, Pi Gamma Mu, Kappa Alpha, Edwin Booth Dramatic club, Women's Senior Staff, Women's Senate, Y. W. C. A., Newman club, Art club, Education club, Pharmacy club, Guidon, Women's Athletic association and the college glee club.

Fortieth Chapter

Alpha Gamma Delta was founded at Syracuse university, Syracuse, N. Y. National Pan-Hellenic congress membership was granted in September, 1909. Beta Beta will become the 40th chapter, with members scattered from coast to coast. Members of the national group, resident in Fargo, are Mrs. Cannon and Mrs. L. W. Boyle.

Dutee Chosen Editor Of College Engineer

Simenson Succeeds Torkelson As Business Manager of Publication

Francis Dutee of the school of mechanical engineering has been appointed editor-in-chief of the State College Engineer for 1930-31. Mr. Dutee was alumni editor of the magazine, a publication of the school of mechanic arts. He is a member of Sigma Phi Delta, a national social and professional fraternity for engineers.

Elmer Torkelson, Valley City, will be succeeded by Ralph Simenson as business manager for the coming year. Simenson is also a member of Sigma Phi Delta.

The staff that will take charge of the June issue of the magazine is as follows: George Probstfeld, junior, circulation manager; Edward Booth, freshman, advertising manager; Robert Carlson, junior, associate editor; Fred Payne, sophomore, engineering review; Rea Taylor, sophomore, engineering review; Donald Haarman, junior, architectural editor; Donald Holaday, sophomore, alumni editor; Burton Pinkham, sophomore, campus editor; Loyal Nerdaahl, junior, campus; Jack Simonitsch, sophomore, circulation; Herman Johnson, junior, circulation; Melvin Johnson, sophomore, circulation; Hugh Hemple, freshman, advertising; and Martin Rosen, junior, officer manager.

These men are all students in the school of mechanic arts and are taking up electrical, mechanical or civil engineering.

The State College Engineer has been published the last five years. The school is striving to make the magazine a member of the national group of technical periodicals.

will become the property of the college and will be placed in the office of the president.

Much credit is due to the boys and to Captain Ross, formerly the highest ranking army marksman in the United States, for the national successes of the rifle team. He has worked hard and earnestly with his teams, and has tutored some very fine marksmen. Captain Ross says: "We may consider the past season a success in all respects. The Hearst trophy will be a fine event with which to end the school year especially since it means the closing of the school careers of three seniors who will be passing into a more serious type of life. Piper, Barks, and Johnson will

all graduate in June and we certainly are going to miss them during the coming years. Every man on the team deserves equal credit because one single point less by any man would have meant a tie for first place and two such smaller scores would have meant defeat. Any of the men could have had that much smaller scores and still have an excellent score."

The Telegram

The following telegram was received by President Shepperd:

It is with great pleasure that I send the congratulations of Mr. Hearst and my own upon the victory of the Rifle Team from your institution in this year's William Randolph Hearst Rifle matches. Stop. Your school should feel especially proud inasmuch as more teams participated in the matches this year than ever before in history. Stop. Plans for the presentation of medals in Washington are being worked out and we shall inform you immediately upon their completion.

"No swearing" is the motto of the newly-formed "Purity League" at Ohio State university. The group is composed of about 30 members of the track team, and the action was taken as an answer to several complaints about the language of the track team.

At the last meeting of the North Central Association of Colleges and Secondary Schools it was decided to drop Butler university at Indianapolis from the accredited list. The reason for the action by the board was based on athletic conditions at the university.

Frosh Challenge Varsity Supremacy

Yearlings Meet Upper Classmen This Afternoon

Distance Runs Seem Closest Contested Races Of The Entire Event

MANY STARS IN DASHES

Freshman Strongest In Field With Schroder, McKay, And Orness

Freshman track aspirants of N. D. S. C. have filed a formal challenge with Coach L. T. Saalwaechter for a meet with his varsity squad. The events will start today at 4 p. m.

This clash promises to bring out some interesting races, especially in the distance runs and particularly in the mile run in which Goodman, a yearling and Wollan, a varsity man are expected to fight it out to the finish. These two met in the Intramural meet a few weeks back, Goodman being barely able to eke out a win, setting a new meet record for the event.

In the 100 and 220 yard dashes the varsity material in Ole Sand, Thomasson and Grohnke seem to have the edge over their younger rivals, Murner and McKendry. In the 440 yard dash and 880 yard run the varsity again will hold the stage, having Konichek, Jondre, Lockrem, and McMillan, four reliable point getters, while the frosh have but two runners in Goodman and Goldan, but they can be expected to offer some stiff competition.

The low and high hurdles should offer some close competition with Murner, McKendry, McDonald and Landbloom running for the first year men and Allison, Fey, Bertelson and Thomasson bearing the burden for the veterans.

The pole vault should offer some points for the yearlings. Blakeslee is expected to capture the event but will be pressed by Kambestad, a freshman who has shown a good deal of promise lately. Besides Blakeslee, the varsity can rely on Freeman and Walker, and the frosh on Dwight, a southpaw.

The field events present the best possibilities for the yearlings, who have a number of stars available, including Schroder in the shot put, McKay to throw the discus and Orness to throw the javelin; in these events the varsity will have May, Hilts, Thomasson, Sand and Westgate.

The broad jump and high jump will undoubtedly bolster the freshman total a good deal with Schwartz to help the cause, while he will be pressed by Allison, Sand, Konichek and Thomasson.

Besides these events, there will also be run an 880 yard relay and a two mile run.

State Boxers Take First, Two Seconds In Shriners Tourney

Ted Loy Wins First In Light-Heavyweight Division In Twin Cities

Molitor Gets Tough Break In Losing Bout To Merrill

North Dakota State boxers at the Minneapolis Shriners Golden Gloves tournament were very impressive, according to Lt. Fay Smith, boxing tutor at the Bison institution. In taking second place in the meet the boys brought home one first and two seconds, a remarkable feat for any school of this size with boxing only a year old as an intramural sport.

Ted Loy, the husky battler from the Gamma Rho house captured first place in the light-heavy division after fighting two hard bouts in one evening, with Johnnie Molitor and Frankie Dvorak taking second in their respective divisions.

In describing the tournament, Lt. Smith says:

"Considering the fact that there were more than 100 entries from all parts of the Northwest, including some of the larger colleges, I am very well satisfied with the showing made by the Bison boxers. Loy proved a surprise for the light-heavyweight class, defeating both Sankey of Minnesota and Lindley of Yale, both highly touted and prime favorites with the boxing fans of Minneapolis. Molitor had rather a bad break on a decision in the semi-finals, and on his merits should have easily taken off the light-weight trophy. Dvorak lost to the champion by a close decision. The bout was decided after an extra round. Pung was the only man to be eliminated in the first bracket, losing to Howard of St. Paul.

Molitor Much Better

"Molitor really boxed much better than he has ever boxed in our local tournament. He drew a fellow from Minneapolis by the name of Anderson for his first bout. Anderson weighed about five pounds more than

Molitor and was a very aggressive boxer, and had the advantage of both height and reach. Molitor's superior boxing ability stood him in good stead and he clearly outboxed and outpunched Anderson, winning by a wide margin. His next opponent, Jimmy Slaughter, started in with a rush but fought himself out in the first round without landing a single solid blow. Molitor won this bout with a technical knockout in the second round. In the third bout Molitor was matched with Merrill of Minneapolis. The first round was even, neither boxer doing much damage; the second was fairly even, perhaps Molitor's by a shade; the third round was all Molitor's. Beginning at the bell in the third round Molitor pummeled his opponent all over the ring inflicting considerable damage. Much to everyone's surprise this bout was awarded to Merrill. The crowd booted this decision loud and vociferously, even during the greater part of the next bout.

Dvorak Wins First

"Dvorak took his first bout without having to extend himself. Anton Yager was not in Dvorak's class at all and was lucky to escape without being knocked out. Billy Meyers opposed the 'Hammerhead' in the next bout and provided a great deal of entertainment for the fans. His antics were greatly appreciated by everyone but Frankie. Frankie scored the first knockdown with a right that banged against Meyer's chin and reverberated throughout the auditorium. Meyers turned a complete flop and came up on his feet in fighting position but was forced to take the count of nine shortly thereafter. This was Dvorak's best exhibition of boxing against a man who was touted as the best amateur boxer in Potts Gym. In the last bout Dvorak and Schweback were forced to go an extra round, the decision going to Schweback, who came through by a scant margin.

Loy Is Tough

Loy easily disposed of Sankey of Minnesota, a tall, clean cut looking athlete, outboxing and outpunching

him from start to finish. The championship bout was the last bout of the tournament and furnished the spectators with more thrills than any other on the program. Lindley of Yale was a great favorite with the crowd by reason of his splendid showing in the preliminaries and his reputation as stroke oar of one of Yale's most famous crews. He was a tall, well set up boy, and carried a dangerous looking right hand which he held fairly high most of the time, all set for a straight, hard right cross. Loy outboxed him in the first round, scoring a number of hard body blows. Lindley scored with his right cross in the second and Loy took the count of nine. Loy finished this round well and came out in the third to pound Lindley all over the ring, thereby earning a draw. In the fourth Loy outpunched and outgamed the Yale man who was barely able to hang on until the final bell.

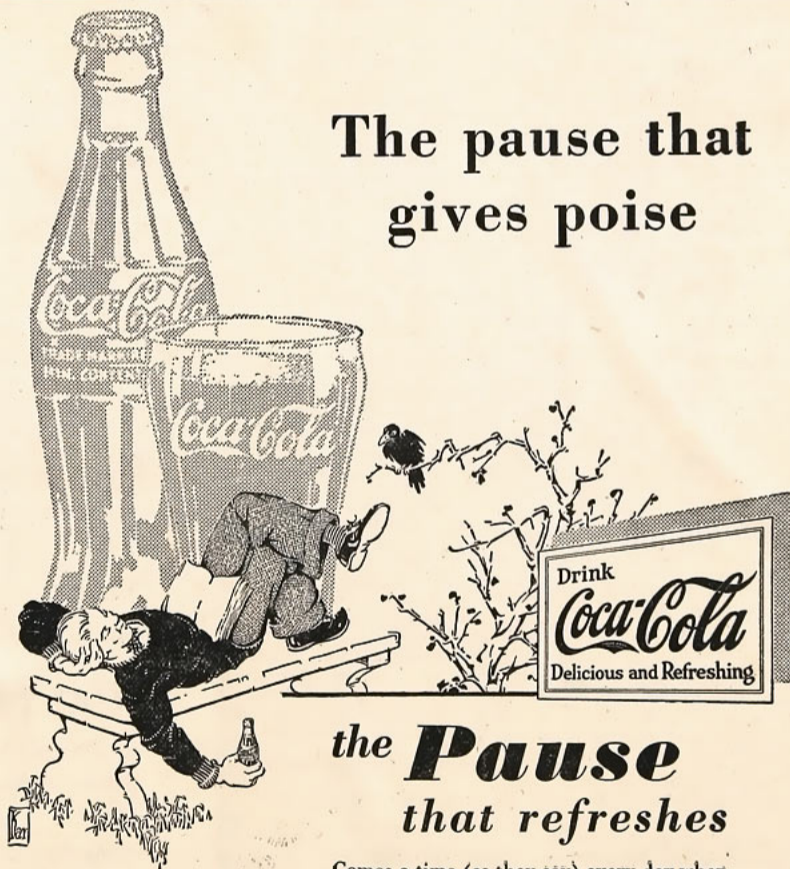

The Gene Tunney trophy, a large silver trophy from the former champion himself, for the light-heavyweight class will be presented to Loy in addition to the golden glove with the diamond inset given by the Shriners.

"These bouts clearly show the high class of the boxers wearing the Yellow and Green and much more will be heard from them next year in this and other tournaments."

The pause that gives poise

the **Pause** that refreshes

Comes a time (as they say) every day when it's good to drop things—relax—and, calm, collected, cool, seek the hidden meaning of life.

Sign off for just a minute, now and then, and refresh yourself with an ice-cold Coca-Cola. Ready for you—anytime—around the corner from anywhere. Nine million times a day the Thinkers and Doers of the nation find the pause that refreshes is what keeps the world wagging.

PHI KAPPA LAMBDA

Eileen Pedu, alumna of Alpha Gamma Delta, who is teaching at Drake, N. D., was a guest of the Lambdas over the weekend.

Suzanne Martin, alumna of Phi Kappa Lambda, will spend about six weeks traveling in Europe this summer. She will leave Montreal July 5 and will visit the British Isles, the Scandinavian countries, Germany, Italy, and other countries. She will also attend the Passion Play.

The Mother's club of Phi Kappa Lambda met with Mrs. J. T. Warne last night for a combined business and social session.

Miss Harriet Iden, Dickinson, spent the weekend at her home.

Luella McDunn has left for Casselton where she will spend two weeks practice teaching.

GAMMA PHI BETA

Ruth Whitney and Grace Hunkins will leave tomorrow for Iowa City, where they will attend the fourth province convention of Gamma Phi Beta sorority, Friday and Saturday.

Mothers of the Gamma Phi Beta girls were the honored guests at a tea given in the chapter house Sunday between 3 and 5 p. m.

Miss Elizabeth Airheart, instructor in the language department, will spend the summer visiting in France and England. She will sail from Quebec June 25 and will go directly to France. Returning in the fall, she will go to Albion, Mich., to be a member of the faculty in the modern language department of Albion college. Miss Airheart was recently awarded the A. A. and B. W. Whitney scholarship from Radcliffe college.

THETA CHI

Alumni visitors at the Theta Chi house over the weekend included: Merrick Bierman, Dwight, N. D.; Kenneth Bute, Fertile, Minn.; Russel Freeman, Phil Keene, Bruce Robertson, and C. A. Williams of Fargo. Other visitors were Kermit Johnson, Alpha Psi Delta, Grand Forks; Dr. F. W. Deason and Stanley Raymond, Sr., of Grafton; and several high school students attending the annual May Festival.

Twenty-five Theta Chi mothers attended the Mother's Day tea held at the chapter house Sunday afternoon between the hours of 2:30 and 5.

Plans for the tea were made by the active chapter with the assistance of Mrs. N. B. Peterson, president of the Fargo Theta Chi auxiliary. The decoration scheme was carried out in the fraternity's colors, military red and white. A huge basket of red and white carnations adorned the tea table. A large white cake bearing the fraternity's letters also was on the center of the table. Mrs. J. H. Shepperd and Mrs. S. Birch poured tea during the afternoon.

Musical numbers were furnished by Merrick Bierman, Donald Harris, and Robert Connolly.

Eighteen art students of Concordia college, under the supervision of Mrs. Edgar Olson, art instructor, inspected the new chapter home Friday afternoon. All study rooms were graded by the visitors according to their artisticness, attractiveness, and general arrangement.

Jimmie Moore, former student of N. D. S. C., was a weekend visitor from the University of Minnesota to attend the Kappa Delta and Phi Upsilon Omicron formals. While here he was also a guest at the Theta Chi house of which fraternity he is a member, as well as Delta Sigma Delta, professional dental fraternity.

ALPHA SIGMA TAU

Varsity Golf Team Tryouts Wednesday

Paul Cook, State Amateur Champ, Heads Strong List Of Candidates

Tryouts for the varsity golf team will be held Wednesday of this week at the Edgewood course. Since there has been so much rain during the past two weeks, the candidates have done little practicing. However, the team expects to be in readiness for the University, Saturday, May 17.

Paul Cook, state amateur champion and captain of this year's team, heads the list of candidates. At the present time, Lonsbrough and Fairhead seem to be in the lead for the remainder of the team. At any rate Wednesday's play will determine those to participate in the match with the University.

In the games with the University last year the local team came out on top with one overwhelming win and two ties. It remains to be seen what will be the outcome of this season's play. Both schools are quite evenly matched regardless of their final lineups.

205 Livestock Growers Enter College Projects

Two hundred and five farmers and 4-H club livestock raisers have already entered animals in the five extension service livestock projects this year, according to S. G. Denner, animal husbandman in charge of the work. Twenty-four counties are represented by this group which includes entries of hogs, sheep and cattle.

Four of the projects are of a competitive nature with awards for the winners, while the fifth has for its purpose the testing of sows to determine their relative profitableness in the economical production of pork. The five projects include a lamb production contest, a carlot baby beef contest, a ton-litter contest, a pork production contest, and the sow testing project.

Entries in the hog projects lead, with the greatest number in the ton-litter contest. Benson county, which took major honors in the ton-litter contest in 1929 by producing 17 litters

weighing over a ton each, is leading in number of entries. In its winnings last year, Benson took several of the highest places in the contest, including first and second.

Number of entries in each contest is as follows: Ton-litter, 101; pork production, 21; lamb production, 30; and baby beef, 25. In the sow testing project, 28 entries are in.

Students at North Carolina State college are required to pay a fine of 50 cents for each class they cut.

Williams college men decided that prohibition is a failure. From a vote taken 75 percent of the 606 votes were of this opinion, and that 65 percent of them drink. Of the 208 undergraduates who do not drink 99 would like to see government control of the liquor traffic.
