

Campus Welcomes Gamma Phi Beta

Gamma Phi Is Prominent In Social Field

Aided In Relief Work For Belgium During World War

SIGMA THETA TO BE 37TH CHAPTER

Has \$54,000 Fund For Aid In Helping Undergraduate Members

Nov. 11, 1874 marks the founding of an organization which very soon will assimilate a local group here; it is Gamma Phi Beta.

Years passed, as years do, with Gamma Phi Beta growing and expanding all the time. In 1924 there was a Golden Jubilee to celebrate the 50th birthday of the sorority. At this convention a \$54,000 fund, called the Lindee Barlu fund, was presented to the sorority. The income from this fund is used to help undergraduate members to complete college and to encourage graduate social service work.

Relief Work

During the World War the sorority aided in relief work for Belgium children, and after the war engaged in an active campaign for Near East relief. The organization maintains a summer camp for under privileged children, situated in the Colorado mountains.

The pin is a monogram of three Greek letters surrounded by a black enameled crescent. The colors are fawn and seal brown; the flower, a pink carnation. The colors of the pledge pin are the two shades of brown.

Sigma Theta will be Alpha Omicron, the 37th chapter of Gamma Phi Beta. Mrs. Elizabeth Barbour of Evanston, Ill., grand president, will have charge of the installation services.

Gamma Phi Beta

Members of the Fargo alumnae chapter of Gamma Phi Beta are: Mrs. Richard Bower, Mrs. Albert Birch, Mrs. H. D. Brown, Mrs. George Comstock, Mrs. Emery Gestie, Julia Brekke, Mrs. R. M. Salley, Mrs. C. C. Finnegan, Mrs. Eli Weston, Mrs. M. E. Tindall, Margaret Smoot, Mrs. O. J. Hagan, Mrs. Charles Pollock, Mrs. A. F. Myhre, Edith Quinn, Mrs. W. R. Haggart, and Mrs. F. K. Spaulding.

History of Sigma Theta

Sigma Theta was founded in 1908 at Fargo college with Loraine Pollock as its first president and Blanche True as faculty adviser. In the following 14 years Sigma Theta prospered and when Fargo college closed in 1922, two active members transferred it to the State campus.

The Irene Leimbacher fund for scholarship which has been maintained in Sigma Theta will go on in the Alpha Omicron chapter of Gamma Phi Beta, as one of its traditions.

Production Class To Give William Tell

Scenery and Costumes Being Made By Students In Department

Members of the cast for "William Tell", a play in five acts by Schiller, have been selected from the advanced class in play production. The Swiss drama will be presented in the Little Country theatre Feb. 25 and 26 at 8 p. m.

Among the leading characters are: Noral Severson, Morris Erickson, Art Ziegler, Don Lawrence, Carl Ash, Ronald Pierce, Emma Nelson, and Kenneth McCullough.

The cast also includes: Paul Cook, Wilson Pearce, Gerald Garlid, Ole Sand, Joseph Paulson, Clark Fredrickson, Leslie Hanelt, Art Cayou, Jesse Reynolds, Harold Julsrud, Gene Gackle, Gordon Baird, Claire Newell, Dorothea Olson, Kathryn Engebretson, Laura Watkins, Lois Klinsmann, Vera Hoopie, Don Haarman, Robert Bergseth, Les Peterson, and Ralph Welch.

Scenery and costumes for the production are being made by the students in the class, including Dorothea Olson, Kathryn Engebretson, Lois Klinsmann, Vera Hoopie, Laura Watkins, and Emma Nelson.

CONVOCAION SPEAKER

Dr. Howe

Dr. Howe, noted chemist, has been secured for a convocation speaker Tuesday, Feb. 4. He is brought here by Dean Minard, chairman of convocation programs.

Noted Chemist To Speak on Tuesday

Dr. H. E. Howe Will Give Three Addresses While In Fargo

On Tuesday, Feb. 4, Fargoans will be given an opportunity to hear Dr. H. E. Howe, editor of "Industrial Engineering Chemistry", and lecturer extraordinary on present day methods and developments in chemical engineering.

Dr. Howe, who comes here under the auspices of Washington State university at Pullman, Washington, will give his audience three chances to hear him. The first will be at convocation at the North Dakota State College armory, Tuesday morning at 9:40, where he will speak on "Discoveries of Tomorrow"; the second before the chemistry and engineering staffs and all students and general public who are especially interested, in the Chemistry building at 3:30, on the more specialized topic, "Research and Chemistry"; and the third before the Commons club of Fargo at 8:00 in the Fargo Commercial club, on "Chemistry and the New Competition".

Besides being editor of a prominent chemical journal, Dr. Howe was given the honor of an appointment on the National Research council during the late war, and is an author of several noted books on the relation of chemistry to industry. It is interesting to note that he is a former pupil of Dr. P. F. Trowbridge, extension director of the State college, who knew him at the University of Michigan.

Dr. Howe is on a lecture circuit which is taking him from the West coast around a Southern route to Washington. The same tour has brought us Dr. West and Dr. Noyes.

LINCOLN - DOUGLAS TO DEBATE AGAIN

Headlining a tribute to Abraham Lincoln, a Lincoln-Douglas debate will be re-inacted in the Little Country theater by the class in debate, Feb. 10 and 12 at 10 o'clock. The first of the dates will be given to introductory and character sketches of Lincoln, with characters made up to depict various ages and associates of the great emancipator. Various stories of interest concerning Lincoln will bring the first day to a close, according to Earl Welch, chairman of that day's activities.

On Feb. 12, with the stage scene reconstructed, Frank Callinan, representing Lincoln, will debate with John Hardy, who represents Douglas. It is announced by Wayne Herreid that Mary Todd Lincoln will be present. Mr. Herreid is the chairman of that day.

Any one who can be present to the occasion will be allowed to attend with no charge, according to Donald Hay, who is in charge of the group.

DELTA KAPPA SIGS ENTERTAIN

Delta Kappa Sigma fraternity entertained Captain Conny and Mr. Swanston of the Graver hotel at dinner Sunday night.

Gamma Tau Sigma Will Launch New Humor Magazine

First Issue Will Appear At University-State Game On February 14

AUTHORIZATION GRANTED

Publication Will Fill Campus Need; Committees Now At Work

"2500 Laughs for 25 Cents"—that's what North Dakota State's first humor magazine promises its readers when it is launched the night of the first of the University-Bison basketball games Feb. 14 under the auspices of Gamma Tau Sigma, honorary journalistic fraternity of the college.

The 16 page magazine will be the first magazine dedicated to the purpose of tickling the college "funny bone" to make its appearance on the campus and is probably the only one of its kind in the institutions of higher learning in the state.

Authorized by Board

Authorization of the project has been secured from the Board of Publications and every indication points toward a successful venture. The magazine will be financed almost entirely through the sale of individual copies and the fraternity has been assured of support from many of the campus organizations.

The need of a humorous publication has been recognized on the campus by the faculty as well as the student body for some time and last fall Gamma Tau Sigma began a serious investigation with the end in mind of satisfying the need with an adequate humor publication modeled after such magazines as the Minnesota Ski-U-Mah, the Wisconsin Octopus, the Green Gander of Iowa State and others.

The following committees are in charge of the various phases of the work: printing and make-up, Henry Sullivan and Anthony Faber; sales and advertising, Adolph Pahl, Ralph Welch, and Earl Hodgson; publicity, Henry Presler, and Milo Holsveen; editing, "Ebony Blott" alias Everett Wallum, Amos Wallum, and Harold Phillips.

The fraternity plans to publish at least one more issue this school year and next year to launch on a regular publication basis of one or two issues each term.

"Material for the first issues will be written by members of the fraternity but later it is planned to solicit cartoons and other material from the student body at large," said Harold Phillips, president of the group.

Preparations are being made so that it will be possible for every student of the college, faculty member, and college employee to secure a copy of the publication.

Edwin Booth Club Chooses Term Play

"Is Zat So?" Will Be Presented February 18 and 19 By Good Cast

"Is Zat So?" by James Gleason and Richard Taber has been chosen by the Edwin Booth Dramatic club of the college for their winter term production. The play comedy will be presented Tuesday and Wednesday, Feb. 18 and 19 at 8 p. m. in the Little Country Theatre.

The cast has been announced as follows: "Eddie Chick Cowan", Art Cayou; "A. B. Hap Hurley", Charles Hailman; "C. Clinton Blackburn", Ronald Pearce; "Susan Blackburn Parker", Ruth Boerth; "Major Hon. Maurice Fitz-Manley", Joe Van Sickle; "Florence Hanley", Callista Berrigan; "Robert Parker", Rodney McMillan; "Marie Mestretti", Jean Pote; "Master James B. Parker", Harold Julsrud; "Grace Hobart", Jane Canniff; "Fred Hobart", Gerald Garlid; "John Duffy", Clarke Frederickson; "Angie Van Alsten", Bethel Young; "Smith", Donald Lieb.

Most of the scenes are laid on Fifth Avenue in New York City. It is a comedy in three acts and according to the committee who selected the play, it has a great deal of enjoyable humor woven throughout the thread of the theme.

NEW CHAPTER HEAD

Margaret Ballard

Margaret Ballard as president of Sigma Theta will become the head of Alpha Omicron of Gamma Phi Beta whose installation takes place tomorrow evening.

Wire Leased for Saturday Night

Big Dance Will Follow Broadcast of Game In Armory

A leased wire from Sioux City has been secured to keep the supporters of the pennant-bound-Bison in touch with their team who meets Morning-side Saturday night, according to word received late last night from Alf Skaret, president of the Lettermens club. After the game has been announced to the fans gathered in the armory, a benefit dance will be given to help defray expenses of the wire.

The whole affair is the outgrowth of the idea advanced by Coach Saalwaechter at the last rally. His plan was to lease the wire for the three games that the team will play in South Dakota and have a dance two of the nights. This plan proved impractical because of the fact that the armory will be in use tonight when Fargo and Moorhead high school teams clash.

Yesterday, Parsons, president of the Student Commission and Skaret secured the leased wire to Sioux City from the A, T and T. Co. The game will begin at eight o'clock tomorrow evening and afterward there will be a dance. A small charge will be made at the door which will include the game and the dance. Gunder Christianson and his Collegians will furnish the music.

CHARITY BALL HEADS PICK COMMITTEES

Luella McDunn, chairman for the annual Charity ball, a project of the Pan-Hellenic association to be given Feb. 28, has announced the personnel of the ball committees.

Miss Margaret Moore is chairman of the refreshments group and her assistants are Alice Putney, Jane Eddy, Lillian Flatner, Arlene Burt, Marian Hartley. Miss Frances Ross heads the publicity committee and her assistants are Mae Borgen, Margaret Weeks and Gwendolyn Gregg. Miss Emily Samuelson will have charge of the decorations and members of her committee are Virginia Keene, Jane Eddy, Joyce Peterson and Luella McDunn. Miss Hazel Harris is program chairman and working with her will be Doris Burnson and Jean Lillicoe. The music will be arranged by Miss Katherine Knerr. Miss Margaret Ballard will handle the ticket sale; Miss Ruth Whitney, finance, and Miss Margaret Green, entertainment.

M'CURDY TO ADDRESS CLASS IN EDUCATION

Mr. M. E. McCurdy, editor of the North Dakota Teacher and secretary of the North Dakota Education Association, will be the speaker at the meeting of the class in Education 18 at 3:05 p. m. Tuesday, Feb. 4. Mr. McCurdy's subject will be The Teacher's Professional Organization and Its Contribution to Education.

ERLING HEDAHL PLEDGES ENGINEERING FRATERNITY

Sigma Phi Delta, engineering fraternity, announces the pledging of Erling Hedaahl, Bismarck, Monday night.

Alpha Omricon Chapter to Have Installation Sat.

Elizabeth Davidson Barbour, National President Arrives Today

PLEDGING SERVICES FRIDAY EVENING

College Holds Reception In Honor Of Induction Of Sigma Theta

Visitors are coming to Fargo today, visitors whose arrival marks the beginning of the end of Sigma Theta, and the ushering in of a new chapter in Gamma Phi Beta, that of Alpha Omicron.

Mrs. Elizabeth Barbour of Evanston, Ill., and the other national officers will arrive in Fargo this evening and Friday morning and will be guests of the alumnae chapter here. Active members of Alpha Beta at Grand Forks; Kappa, at Minneapolis; and Alpha Kappa, at Winnipeg, Manitoba, chapters, will be sent as representatives of their chapters.

Friday noon Mrs. Richard Bower, 1209 Eighth street south will entertain the national officers at a luncheon followed by a buffet supper. Friday evening at the home of Mrs. Albert Birch, 1010 Eighth street south, for the visiting and Fargo members of Gamma Phi Beta. Pledge services for Sigma Theta, active and alumnae chapters, will take place at 8 o'clock Friday evening at the home of Dr. Elizabeth Rindlaub, honorary member of the sorority, 321 Eighth street south.

Saturday morning the active chapter will be installed and initiated, followed by a luncheon for the visitors, alumnae, and active members. Mrs. Thomas Hull, 723 Eighth street south, hostess. The alumnae chapter of Sigma Theta will be initiated Saturday afternoon. The formal banquet begins at 8 o'clock Saturday evening at the Gardner hotel. Mrs. Barbour will preside over the model chapter meeting Sunday morning, and the college will give a reception in honor of the new chapter Sunday afternoon.

Those of the Sigma Theta alumnae who will become Gamma Phi Betas are: Mrs. A. H. Leimbacher, Dr. Elizabeth Rindlaub, Katherine Eddy, Clara Young, Gladys Whitney, Margaret Donovan, Maybelle Game, Katherine Schmalleh, Elizabeth Fitzgerald, Alice Benedict, Rebecca Keene, Mildred Welter, Alene Twitchell, Nell Murfin, Ardath Calmer, Ruth Baker, Margaret Hull, Clara Pollock, Marian Burnett, Jeanette Henderson, Mrs. Lawrence Sauer, Lucille Thompson, Margaret Carlyle, Katherine O'Connor, Frances Lamb, Agnes Schlanzer, Margaret Newton, Irene Tainter, Mrs. Walter Curtis, Elizabeth Powers, Virginia Yocum, Katherine Hannaher, and Mrs. Harry Rusch.

Sigma Taus, Kappa Phi Undeclared

Sigs Topple From The Top After 13 To 12 Defeat

The Kappa Phi and Sigma Tau teams remain at the top of the heap in the fraternity basketball league with a perfect standing. The Delta Sigs were ousted from first place by their 13 to 12 defeat at the hands of the Kappa Phis. This game was the feature of the two games played Monday, Jan. 27. Robertson led the Gamma Rho quint to a 21 to 9 victory over the Sigma Phi Deltas in the other contest.

On Tuesday the Sigma Phi Delta team ran into another tough outfit going down to defeat 34 to 8 by the Delta Sigs. The Gamma Rhos and Theta Chis gave the small gathering of spectators a real thrill with their hotly contested game. The half ended with the score even when a Gamma Rho basket made as the whistle blew failed to count. However a similar basket at the end of the game counted and game the Gamma Rhos a 16 to 15 victory.

Only one game was played Wednesday. With the help of 15 men the Kappa Phi tossers barely emerged with a 27 to 5 conquest of the Kappa Sigma Chis.

TO DR. WHEDON

In the life of man are the blessings of fresh and lovely youth, of youth that leaves fragrant joys in its wake. We, as artists all, sometimes live to paint in our minds a lasting picture of the dreams the young inspire in their purity, for therein lies the TRUTH.

Often the picture is not completed, and in its stead, eternal love lifts us to the spheres.

GAMMA PHI BETA

The history of North Dakota State has been one of progress. In reviewing the story of this development we find it to be a record of rapid and consistent growth. Peculiar to this growth is its characteristic and unwavering expansion. In perspective one sees a school of modest beginnings rising to recognition in a variety of fields. This is almost phenomenal—this branching out, this remarkable versatility, this success in many branches of higher education. A glance at the N. D. S. C. catalogue will suggest the multiplicity of courses offered at this institution, and the number of degrees that may be sought. But let us not confine ourselves to this alone. There is another aspect that must be considered—the student body. No more distinct compliment could be paid to the excellence of the student body than the entrance of Gamma Phi Beta, national sorority. Sigma Theta's winning of a charter in this organization may be truly called one of the great events in the history of this college. We are sure that it is indicative of the future, of a new and greater era, as the Northwest comes more and more to see in State College

THE educational center for its youth.

To the national order of Gamma Phi Beta we extend a welcome, which is felt by all. Proud of the honor which has been given this school, The Spectrum congratulates the following members of Sigma Theta: Margaret Ballard, Elaine Barr, Mildred Briggs, Almeda Cosgrove, Florence Fleming, Mary Hassell, Ellen Hussey, Virginia Keene, Gertrude Lee, Elizabeth McDonald, Lois Minard, Georgina Metzinger, Minda Rudser, Doris Sommers, Helen Stokke, Iola Osness, May Sontag, Ruth Whitney, Margaret Weeks, Dortha Ward, June VonSein, Helen Fetsch, Grace Hunkins, Helen Rainville, Grace Witherow, and the following pledges: Marjorie Archer, Walterine Barry, Marjean Crites, Margaret Fleming, Roda Marr, Clara Mohagen, Helen Fredrickson, Helen Jensen, Mary Powers, and Jean Pote.

"Laugh and the whole campus laughs with you, weep and you admit you don't get your copy of the new humor magazine."

Here at last. What North Dakota State has been wanting for a long time, a publication dedicated to the principle of showing the student body that there is a funny side to college life on the campus, even to flunking an exam or to that gruff prof. that's got your goat.

No longer will North Dakota State students read through the pages of our national college humor magazine and say: "Things like that might happen at other colleges but not at my school. Here everything is dry as an intellectual coed's line."

We are glad Gamma Tau Sigma has taken this progressive step toward a greater fulfillment of our college life and congratulate them in the name of The Spectrum and the school.

The resolutions listed below are the ones adopted by the students of Creighton University for this year:

1. To give up all arguments with your best girl about Freud and Nietzsche.
2. To quit smoking, chewing, eating and sleeping (at least in class).
3. To refrain from singing "Piccolo Pete."
4. To boopa doop-boop the next apple-knocking plow jockey that hollers boop-a doop-boop.
5. To never wear hob-nailed boots to a Junior-Senior Prom.
6. To joins Boy Scout troop.
7. To bid the landlady and landlord an affectionate "good night" every night.
8. At least the landlord.
9. To quit reading Creightonian editorials.
10. To quit saying what you would otherwise have said when you finish this.

Twenty-one percent of the rooming space in fraternity houses and fourteen percent of the rooming space at sororities at the University of Wisconsin was unoccupied during the first quarter of this school year. There are accommodations for 1,500 students in the fraternities; only 1,220 were lodged.

Ebullitions of Ebony Blott

By Everett Wallum

With the Bison netmen winging their way South, we can decide the conference champions now and for all.

WE SAW CECIL PLAY LAST FRIDAY AND IF IGNORANCE IS BLISS WE HOPE HE STAYS DUMB AT LEAST OVER THE WEEKEND.

Just so they don't bring home the bacon. There's plenty of it just north of the campus.

Pete Gergen is bringing all his schools books with him on the trip. "I paid my registration, and I'm not going to get cheated," says Pete.

KENNIE McCULLOUGH DOESN'T SEEM TO GET EXCITED OVER THE LOCAL BASKETBALL SITUATION. "I DON'T CARE A 'HOOP," SAYS KENNIE.

Funny, too. Kennie, it must be remembered, is a little forward.

To quote The Spectrum, the Bison "will test the metal of the Morningside Maroons." We didn't know college students had any metal.

WE CAN'T FIGURE OUT WHY ALL THE TEAMS ARE TRYING TO KEEP OUT OF THE CELLAR PLACES WE'VE BEEN. IT SEEMS TO BE THE MOST POPULAR LOCATION.

If the Coyotes beat us, we'll lay it on to the Root of all evil.

And if the Bunnies take us into camp, it will probably be Herting.

But should Morningside win, that would be the dark side of life.

TOO KEEP HIS WARRIORS FROM DRIBBLING TOO MUCH, SAALY IS GOING TO SEW A DOLLAR BILL ON THE BALL. "THEN WATCH 'EM PASS THE BUCK," SAYS THE BISON MENTOR.

If Gergen gets his Seitz on the basket for a Goodwin, wouldn't that be Bliss? It may be a Fairhead start towards a pennant, anyhow.

An Agricultural college team should be good on field goals and fowl shots.

OF COURSE WE'RE PLAYING ON STRANGE FLOORS, BUT THAT DOESN'T MEAN ANYTHING. THIS GANG IS SELDOM OUT OF BOUNDS EVEN ON A STRANGE DAVENPORT.

We feel sorry for Scotch basketballers. Their centers don't believe in tipping.

\$13.50

"Think."
"Don't Want to."

ALL RIGHT, you don't need to. Here's a camera that requires practically no thinking. Just take it out in the sunshine, set for snapshots, and shoot. It's all so easy that you can't go wrong. Simple for time exposures too.

Remember the name—No. 1A Ready-set Anso. Takes pictures 2 1/2 x 4 1/2, the most popular size. Price only \$13.50.

If you prefer the No. 1 size, 2 1/2 x 3 1/2, we have the new No. 1 Anso Juniorette, which is also a Ready-set with the same helpful features.

If you already have a camera which requires thinking, come in and get an Anso Light Meter for \$1.50. Shows in a jiffy how to set the shutter under any light condition for the best degree of exposure. Works with all films and means better pictures.

BROADWAY
PHARMACY

There is no truth in the rumor that Pete Gergen carries a rabbit foot on these trips. "I always get a big hand wherever I go, however," he said.

AFTER WATCHING A FEW OF THE INTER-FRATERNITY GAMES, WE'VE COME TO THE CONCLUSION THAT BOXING AND WRESTLING ARE DUE FOR A BIG SEASON.

90 Special Courses Offered this Summer

More than 90 special unit courses in adult education, extending over one or in some cases two weeks, will be offered in addition to the regular summer school session courses here, according to an announcement by Dean A. D. Weeks, chairman of the summer session. College credit will be granted on all courses proportionate to the amount of work completed. The 1930 summer session opens June 17 and closes July 25.

The purpose of the unit courses is to afford to groups of adults specific instruction and assistance at points of need and interest, states Dean Weeks. Any person may enroll for one or more unit courses for a single week or pursue a sequence of units for a longer period or for the whole six weeks during the summer school session. The subject matter of the special unit courses in adult education, points out Mr. Weeks, will in many cases consist of selections from standard college courses, but in other cases will be of material organized exclusively for the summer program. Both college instructors and specialists engaged for this service will con-

duct the unit courses.

As examples of the adult courses, those of agricultural botany, which appear first in the announcement, may be cited. Six units in sequence, each of a week, are offered in the following order on the subjects of birds, animals, animal life, weeds, flowers, and plant life.

Holding that the amount of each farm commodity produced in relation to the demand appears to be the most important factor determining price, O. M. Fuller and Rex E. Willard of North Dakota Agricultural Experiment Station have prepared an economic bulletin, No. 232, designed to aid farmers in deciding what to grow and when to grow it.

"At no time since 1921 has the general level of farm prices in North Dakota been high enough to provide 100 percent purchasing power of farm products," the booklet states in an attempt to solve the price problem. Bulletin 232, which is 51 pages in length, will be sent to anyone writing the publications department of the college.

The students of South Dakota University voted this week, 311 to 88, assuring the campus the Union building. Fifty-five thousand five hundred and seventy-eight dollars of the one hundred thousand dollars needed to build the first unit of the Union has been subscribed. Construction will begin in the early spring.

Bison Will Play Most Attractive Schedule in 1930

Night Football Will Be Inaugurated In Game With Southerners

FINNEGAN OFFERED THREE BIG TEN GAMES

Gridders To Meet Michigan State College On November 8

With the signing of a Football contract this week between Davis and Elkins of West Virginia and North Dakota State College, Director of Athletics C. C. (Casey) Finnegan has completed a schedule for 1930 that will give local gridiron fans the most attractive home series ever booked at the Bison school. Both from a conference and intersectional standpoint the 1930 bookings offer the Yellow and Green team an imposing array of opponents.

Five of the nine games will be played at Fargo and all of these are slated for the part of the season when football weather is still ideal in this latitude.

Leading the list of home attractions is the Davis and Elkins game Sept. 27 which will inaugurate night football at the Bison school. The coming of this colorful eleven will mark the first North Dakota invasion in all history of an eastern football team. The West Virginia school is one of the outstanding aggregations in that section of the country with a win record that includes a defeat of the powerful Navy team.

Another great drawing card will be the South Dakota University Coyotes who will make their bow in Fargo for the first time since the organization of the North Central conference. The third big contest will be the annual Homecoming battle with North Dakota university at Fargo on Oct. 25. Another big home attraction will be the clash with St. Thomas, 1929 champions on the Minnesota conference, on Oct. 4.

Leading away from attractions is the meeting with Michigan State college at East Lansing on Oct. 8.

"This contract together with Davis and Elkins and an offer from Indiana university, which could not be negotiated because of a date already filled, has given new emphasis to the rating North Dakota State has attained through its showing in 1929," Mr. Finnegan said. "The Michigan game will give the team a fine trip and a test as to their ability in big game football. The schedule is an indication of what can be expected from the Bison this fall and with a full complement of this year's freshman stars back, we should give every opponent a real battle."

The schedule:
Sept. 20—Concordia at Moorhead.
Sept. 27—Davis and Elkins at Fargo.
Oct. 4—St. Thomas at Fargo.
Oct. 11—South Dakota U. at Fargo.
Oct. 18—Morningside at Sioux City.
Oct. 25—North Dakota U. at Fargo.
Nov. 1—Moorhead Teachers at Fargo.
Nov. 8—Michigan State at East Lansing.
Nov. 15—South Dakota State at Brookings.

HIGH SCHOOL TEAMS TO PLAY IN ARMORY

The annual Fargo and Moorhead high school basketball classic will be played on the armory floor of this college tonight starting at 8 p. m. Because of the limited seating capacity of the Moorhead auditorium this game has been shifted to the school. This game headlines the home basketball attractions for this week and a capacity crowd is anticipated. Rush seats are on sale at 50 cents while the reserved chairs can be purchased for \$1.00.

Bison Leave on Crucial Campaign

Conference Race Depends On Result Of Southern Trip

Leonard T. Saalwaechter and nine stalwart Bison basketballers left Thursday afternoon for Vermillion, S. D., intent upon furthering their lead in the North Central Conference standings. According to the way the teams are lined up in the standings so far, the Bison and S. D. U. look like the most potent contenders for the conference flag, and consequently Saalwaechter has left no stone unturned when his charges meet the Coyotes tonight. If the Bison are successful in their start against the southern university they will have a commanding lead over the other teams in the conference. They will travel to Sioux City the following day where they will meet the Morningside aggregation, who recently upset the Nodaks by a one point margin, and should give the league leading Bison a real tussle.

After the Morningside game they will be given a days rest before taking on the strong S. D. S. team on Monday, Feb. 3, in a game that will have considerable bearing on the conference standings. Coach Saalwaechter will have to rely on his sophomores to carry much of the burden in these contests because it's sure that the five regulars will have enough stamina to go through all of these games at top speed.

The men that accompanied Saalwaechter on the trip south are: Captain Pete Gergen, Leo May, Vern Goodwin, Cecil Bliss, George Fairhead, Gilly Johnson, Blair Seitz, Leo Thomasson, and Eric Nordstrom. It's quite certain that every one will see considerable action on this trip.

Captain Conny Will Direct Hockey Team

Pucksters Leave for Minneapolis to Meet Minnesota and Macalester

Bison fans are very enthusiastic over the appointment of Captain Conny to succeed J. A. Purcell as coach of the Hockey team. Captain Conny, known as one of the best all-around athletes of the Army, hails from North Dakota, getting his first hockey experience at the Pembina high school teams. He also gained much experience with the Emerson, Manitoba town team.

At St. Thomas the captain entered every possible form of sport, playing three years of football, basketball, and was a real track man. Although interfering with basketball, he played as much hockey as possible. Conny also made the first football squad at Notre Dame where he attended one year.

Upon returning to the Army, he immediately became active in all lines of athletics. He was head athletic director at Fort Snelling, where he organized, coached, and played hockey from 1920 through 1923. The captain was transferred to the Philippines from Fort Snelling and it was there that he gained great success coaching the Army track and field team, competitors in the National amateur championship. He also coached the Army men to represent the Philippines in the far eastern Olympics in 1927.

Coming to North Dakota State last fall he was immediately interested in all sports of the college. When asked about his views on the hockey situation, he said that the men are fast and heavy but lack polish and condition. He is rapidly rounding them into condition for their two games next Monday and Tuesday when the Bison meet Minnesota and Macalester at Minneapolis.

PROFS. ARE THETA CHI GUESTS
Dr. A. F. Hunsaker, Paul E. Zerby, and Eugene W. Pettee, all of the social science department, were dinner guests at the Theta Chi house Tuesday noon.

FREE THROW TROPHY

This beautiful trophy will be given to the Varsity Letterman who makes the highest percentage of free throws during the present campaign, in both conference and non-conference games. This trophy was donated by Dodge-Ascher jewelry manufacturers of Chicago, through its Fargo representative, Percy Newton.

The Creighton law library contains over 30,000 volumes. It has 250 volumes for each student enrolled in the school, a ratio which few law schools exceed.
Priceless and rare lawbooks as well as tablets dating back as far as 2350 B. C. are among the collections found in the stackroom.

Y. M. C. A. LEAGUE

The results of the Monday night games found the Y. M. C. A. team leading the league. Y. M. C. A. B team defeated the Farm Husbandry club 27 to 9. The Hart brothers played the big role for the Y. The Collegiates defeated the Hot Shots in the second go by a count of 27 to 11. Andahl led the winners.

Vodden team defeated Steffensons aggregation 13 to 10. Vodden and Johnson were the outstanding performers with three baskets each. In the final game the Y. M. C. A. team defeated the Tappa Keggs 29 to 4. Four free throws comprised the scoring of the losers. Elefson led the victors with 10 points.

The new electric scoreboard was presented by the athletic department of South Dakota University last Saturday evening for the Coyote-Flicker basketball game. Students say that the board is "Oke" as compared with the former affair.

Scorer's desk control makes the board accurate and more certain. With the aid of numbers and light bulbs to designate playing time, spectators will enjoy future games a great deal more.

Packed House Watches Opening Boxing Classic

Slattery Defeats Tang In
Senmiwindup Bout
Last Night

MOLITER BESTS PINKHAM

Ward, McGregor, And Lang
Show Possibilities
In Fistic Art

A packed house say the opening boxing classic staged in the college armory last night which was undoubtedly the best one presented at this institution.

Johnny Moliter, classy lightweight champion, gained a popular decision over Burton Pinkham of Fargo in the main event of the program. Moliter floored Pinkham with a hard right to the face in the second round for a two count, but it was apparent that the Fargo battler was not hurt for he came back strong to force the champion the rest of the round. Both battlers bled somewhat throughout the third round when they exchanged hard blows to the face. Moliter displayed a good left hook that bothered Pinkham throughout the contest. Both boxers showed real boxing ability and pleased the throng that witnessed the milling.

Slattery Beats Tang

Jim Slattery of Bismarck defeated Ernest Tang in the feature contest of the evening. This bout was marred by both boxers falling to the floor repeatedly without being hit, Slattery being the greatest offender of this throughout. Tang seemed the aggressor of the two, but failed to land the cleaner punches which seemed to be the determining factor. Tang floored Slattery for no count in the first round and again in the third. Slattery rushed Tang repeatedly during the four rounds of milling forcing him to the ropes and landing several telling blows. This bout kept the fans on their feet throughout, yelling at

the top of their voices for a kayo. It's almost certain that Slattery will be a big drawing card by virtue of his victory over Tang.

Harry Lanz, Alexander, N. D., won on a technical knockout after one minute and 25 seconds in the third round, from Charie Fortier of Wild Rose, N. D. Lanz was the master boxer of the two, making Fortier miss time and again. Fortier started out at a fast pace but slowed down considerably after Lanz staggered him with a hard right at the end of the first round.

McGregor Wins

Gordon McGregor of McIntosh, S. D., gained a fairly close decision over Payson Spaulding of Sherwood, N. D., after rallying in the last round. McGregor shot his left to Spaulding's face that helped to keep the willing Sherwood boy off. Spaulding got a big hand when he left the ring. They are middleweights.

Paul Wohlwend of Lidgerwood, N. D., beat Roy Shuldheisz of Kulm, N. D., in a welterweight go. Wohlwend threw two rights to Shuldheisz's chin in the third round and again in the last that had the Kulm boy groggy at the end.

Bobby Ward of Bismarck had a left hand that was too much for Pat Grimes of Ryder, N. D., to handle and as a result was awarded the decision at the end of the completion of hostilities.

Shorty Weshnevsky was kayoed by Dutch Pung after 1 minute and 40 seconds of fighting in the second round when he walked right into a hard right to the jaw. Weshnevsky was given a big ovation when he staggered out of the ring.

Fred Munns was beaten by Julian Fugere in the curtain raiser. They are lightweights.

John Martin and Angus Fraser were the judges, with Sam Chesley as referee. Tubby Brown did the announcing.

The Valley City Teachers College Kampus Kadets, a pep organization consisting of twenty-one women, have appeared at all the games this year and won much praise in performances and yells.

Their uniforms are of blue and red, the Viking colors and red bellboy caps.

Official Bulletin

Junior class meeting, Tuesday, Feb. 4, at 4 o'clock, in Room 26, Chemistry building. All candidates must have eligibility slips from registrar.
H. M. McGrath, Pres.

There will be a Y. W. C. A. cabinet meeting Monday, Feb. 3, at 6:45 p. m., in the rooms, called by the president, Miss Billie Eastgate. Plans for social functions and next year's schedule will be the events for discussion. The regular Y. W. C. A. meeting will be held as usual at 7 p. m. Wednesday. All Y. W. C. A. members and assistants are welcome to attend this meeting.

Pep club meets at 4:15 today, Friday, Room 125, Science hall.

Cosmopolitan club meeting at 7:30 Monday at the Y. building.

HELP WANTED!

Can you shoot an apple off a real person's head? That wouldn't be so bad. No, but supposing we reverse the position? Would you allow your father to shoot an apple off your head with a bow and arrow? Wilhelm Tell's dad dit. Why shouldn't you?

Anyhow the matter perplexes the class in advanced play production. Right now it's a serious problem with them and any suggestions would be greatly appreciated. Thank you.

WHY PAY MORE?

Application and Exchange Pictures—25 for \$2.00.

All sizes kodak films developed and six prints for 25c.

Satisfaction guaranteed or money refunded.
