## Bison Maintain Conference Lead

### Installation of Sigma Theta Set This Weekend

Mrs. Elizabeth Newton, Gamma Phi President, To Conduct Ceremonies

### INITIATION SAT. MORNING Pledging Ceremonies To Be Held At Rindlaub Home Friday Night

Services for the installation of Sigma Theta sorority into the national sorority of Gamma Phi Beta will be held Friday and Saturday. Sigma Theta was organized at Fargo college in 1908 and later was transferred to North Dakota State. The Irene Leimbacher scholarship fund distinguishes Sigma Theta as a very worthy sorority and the affiliation of it with Gamma Phi Beta is a advancement for which Sigma Theta is well deserving.

National President to Preside The ceremonies will be conducted by Mrs. Elizabeth Davidson, the national president residing at Evanston, Ill. Mrs. Sarah P. Finley, Minneapolis, Minn., of the second district in which Fargo is located; and the former province director, Mrs. Marie Moreland of St. Paul.

In compliment to the officials of Gamma Phi Beta, Mrs. Richard E. Bower of 1209 Eighth Street South will give a luncheon Friday noon. Gamma Phi Betas of Fargo and those visiting here were entertained at a buffet supper by Mrs. Albert Birch, 1010 Eighth Street South.

Pledging Services Friday For the active and alumnae members of Sigma Theta, pledge services will be held Friday evening at the home of Dr. Elizabeth Rindlaub, a sorority patroness at 321 Eighth Street South. Saturday morning from nine until twelve initiation for active Sigma Thetas will held in the recreation hall of the First Baptist Church. At one o'clock of Saturday afternoon Mrs. Thomas Hull of 723 Eighth Street South acting as hostess will give a luncheon for visiting and Fargo Gamma Phi Beta members. Initiation services for Sigma Theta Alumnae will begin at 2:30 Saturday afternoon. The formal (Continued on Page 2)

### Monroe to Attend Beekeepers Meet

Prominent speakers from all parts of the country have been secured for the program of the American Honey Producers league convention to be held at Milwaukee, Wis., Feb. 4, 5, and 6, according to Prof. J. A. Munroe, secretary-treasurer of the organization and entomologist here. Subjects relating to honey, cooperative marketing and other matters of importance to the beekeeping industry of the country will be covered.

Speakers secured include H. B. Bernard, president of the American Honey Institute; M. C. Tanquary, in charge of beekeeping, U. of M., president of the league; Jas. I. Pemberton, bee culture laboratory; A. W. T. Kposnoes, manager of the Mountain State Honey Producers association; Lewis Parks, president of the Bee Industries Association of America; and Prof. F. B. Miller, Provincial Apiarist of Ontario.

The American Honey Institute will meet Feb. 3, and the Apiary Inspectors of America will meet the same day or during the time of the league program of Feb. 4-6.

A national honey exhibit, planned to reflect the status of the industry, will be a feature of the convention.

That a large delegation of beekeepers from the Northwest will attend the convention is evident from the interest shown to date. Beemen from every corner of the country will be there as the league business is of national scope.

### CAPTAIN ROSS FETED AT TAU STAG PARTY

Frank M. Ross, a member of the college military staff, who was recently promoted to the rank of captain in the United States army from that of first lieutenant, was honored by the members of Alpha Sigma Tau at a stag party Sunday afternoon in the chapear house. Captain Ross is an honorary member of the fraternity. A short program in honor of the occasion included a congratulatory talk by Lawrence Parsons to which Captain Ross responded. Harry Seebart, Bob Anderson and Lawrence Parsons, accompanied by Burton Kilbourne at the piano, sang two numbers dedicated to Captain Ross. Following the program refreshments were served.

Among the guests present were: Judge Leigh Monson, George Sheldon, Ole Anderson, and Ralph Hollands.

Committees in charge of the party were: entertainment, Robert Schultz, Walter Lagerberg, William Bowers, and Burton Kilbourne; and refreshments, Frank Seebart, Melvin Berdahl, and Kenneth Swanson.

### Fast Attractions Open Boxing Card

### Moliter Crosses Gloves With Pinkham In Fistic Tournament

THE CARD		
Main Event		
Thursday, 8 P. M.		
Class I.		
Johnny Moliter vs. Bert Pinkham	135 lbs.	
Semi-windup.		
Class II.		
Jim Slattery vs. Ernest Tang	195 lbs.	
Class II.		
McGregor vs. Spaulding	145 lbs.	
Class II.		
Netteland vs. Ward	135 lbs.	
Class II.		
Wohlwend vs. Shuldries	135 lbs.	
Class II.		
Fortier vs. Lanz	155 lbs.	
Class II.		
Darling vs. Weshnevsky	145 lbs.	

This card is without a doubt the most attractive one that has ever been presented at this institution. The main go between Moliter and Pinkham needs little explanation to the fans who witnessed this pair battle last year. Moliter was returned the winner after he had been forced at top speed throughout. Moliter is the lightweight king of the school but will have to do some real mitt-tossing to keep off the aggressive Pinkham. The Bollman-Dvorak go was called off because of the Bison hockey trip.

The semi-windup will probably be the most interesting bout on the card from the spectators' viewpoint. With such aggressive battlers as Slattery and Tang doing the glove swinging the fans will be given an entertainment well worth going miles to see.

Slattery Confident Jim Slattery, the colorful battler from Bismarck, is full of confidence that he will take the measure of Tang, but on the other hand Tang says he will have something to say about the outcome of this battle. The other bouts on the program will prove to be interesting enough to rate a position on any professional show.

Charles Dawson, Sam Chesney, and Alan King will be the judges of the fight, while Tubby Brown will do the announcing.

VERSATILE COACH Coach Dickson at Wisconsin is a lawyer and teacher, and besides his work on the gridiron he spends considerable time on research at the university.

### Bison Brevities Rehearsals Will Have Supervisor

### Organization Managers Requested To Confer With Huntoon

Supervised rehearsals for the second edition of the Bison Brevities get under way next Sunday, with the major part of this week taken up with conferences with Prof. H. B. Huntoon, director of the acts, it was announced today. Rough spots in the tryouts will be smoothed out in talks with organization managers, Mr. Huntoon said, and these conferences must have been completed by Wednesday night. "I want all froup managers to see me before supervised rehearsal begins," the director said, "and all groups should have a regular practice schedule outside of the regular weekly presentations. The time being short, work must be redoubled to make the production a finished one by March 3."

Following is the weekly schedule which goes into effect Sunday. Organizations wishing to change this schedule must first get permission from managers of the event:

Sunday, 3 p. m., Delta Kappa Sigma; Sunday, 4:30 p. m., Kappa appa Gamma, Tuesday, 4 p. m., Phi Omega Pi; Wednesday, 4 p. m., Alpha Sigma Tau; Thursday, 4 p. m., Kappa Delta; Friday, 4 p. m., Sigma Phi Delta; Saturday, 1:30 p. m., Alpha Kappa Phi; Saturday, 3 p. m., Sigma Theta.

All rehearsals will be held in the Y. M. C. A. unless other arrangements are made. The Alpha Kappa Phi act will rehearse at its chapter house.

### KAPPA DELTA ALUMNI SPONSORS PARTY

The Fargo Kappa Delta Alumnae Association will have a "get-acquainted" party for Sigma Psi chapter actives and pledges. The party will be given Thursday, Jan. 30, at 8 o'clock, in the Lincoln Log Cabin. Games and stunts will form the entertainment for the evening. Althea Reed has charge of arrangements.

### TIGHE WILL ADDRESS CLASS IN EDUCATION

Principal B. C. B. Tighe of Fargo Central High School will be speaker at the meeting of the class in Education 18 at 3:05 p. m. Tuesday, Jan. 28. Mr. Tighe's subject will be extracurricular activities.

COWS KIDNAPPED In a recent athletic feud between Kansas Agricultural college and University of Kansas the latter school branded two of the Aggies' prize cows and attempted to kidnap their pet wildcat mascot.

PRIZE OFFERED A \$50 prize to the fraternity and sorority showing the best spirit at athletic contests is the inducement offered at Butler college by athletic fans.

SOLICITORS BARRED Transient peddlers and solicitors will be barred from fraternity houses on the University of Minnesota campus following a stand taken by the Interfraternity council in December.

EARN MORE THAN MILLION The Alumni Bureau of Occupations at the University of California has estimated that students there earned a total of more than one million dollars last year while taking the regular course.

OLDEST FRESHMAN The oldest freshman in the world attends the University of Chicago. He is 72 years of age and obeys freshmen rules.

### Bliss and Mates Relinquish Lead to South Dakota State But Once in Torrid Contest

### DELTA PSI KAPPA TO INITIATE FIVE

Pi chapter of Delta Psi Kappa will hold initiation services Tuesday at 5 o'clock in Miss Coles' apartment, Graver Hotel. The following girls will receive membership in the chapter: Grace Reynold, Myrna Ottinger, Velva Rudd, Gwendolyn Lollis and Belle Shalit.

Miss Minerva Streed will be pledged to the sorority at services following the initiation.

Miss Dorothy Hatch, Mrs. Fay Smith, Mrs. Casey Finnegan and Mrs. Bob Lowe will be dinner guests of the chapter.

The evening will be spent playing bridge.

### Huntoon Chooses State Glee Club

### Over Sixty Men Try Out For New Campus Musical Group

The members of the newly formed North Dakota State college glee club have been announced by Prof. Homer Huntoon, head of the architectural department of the school. The work of selecting the members and organizing the club has been carried along the last few weeks under Huntoon's direction.

"I certainly was agreeably surprised by the number of students who turned out for the club and at the number of really fine singers that we have here at the school. The fact that over 60 students turned out for the glee club demonstrates to me that the student body of N. D. S. C. realizes the need of a good glee club. Next to athletics I think the best advertising that a school may have is its glee club."

Active and Reserve Lists The glee club personnel follows: First tenors: Harold S. Julsrud, John Headland, Donald Brasseur, all of Fargo; Thomas Fisk, Kenmare, N. D.; Robert J. Anderson, S. Robert Stinson, both of Fargo.

Second tenors: Mitchell Zeller, Lisbon, N. D.; Robert Olsen, Fargo; Johnny Johnson, Gardar, N. D.; Paul Kasson, Blaisdell, N. D.; Harold Lundgren, Argle, Minn.; Wm. C. Ball, Fargo.

First bass: L. G. McDonald, Fort Collins, Colo.; Everett B. Velzy, Valley City, N. D.; Clark Fredrickson, Davenport, N. D.; L. S. Parsons, Fargo; Lloyd K. Clark, Mohall, N. D.; Donald McKechnie, Cavalier, N. D.; Dan G. Howell, Fargo.

Second bass: Clare Hallack, Fargo; Leslie E. Madsen, Devils Lake, N. D.; Gordon K. Widdfield, Leal, N. D.; Earle Carlton, Lisbon, N. D.; Owen Berldson, Fargo; Erven J. Hepper, Underwood, N. D.; Ralph A. Heggeness, Fargo.

This list are the men on reserve: Robert F. Schulz, Leon Jacobson, Charles, Challey, Wilbur LaMarre, Erling Thorson, Charles J. Hedlund, Eugene L. Gackle, Robert Harnish, Keith Allen, George Probstfield, Ray- (Continued on Page 2)

### May, Johnson, Gergen, and Goodwin Play Fine Basketball

### Cecil Worries Guards in Sparkling Display

### Wert Engelman Is Tower of Strength in State Lineup

By Milo Haisneen

Old King Ptolemy once said: "To avoid the evils one must partake lightly in them." King Ptolemy's statement may also be applied to the Bison, who in, the game with South Dakota State partook of the evils by allowing the Bunnies a momentary 13-12 lead. From this point on the Bison were immune from evils, taking a great 22-17 victory from State and retaining the first position in the North Central Conference race.

### Bliss Stars

Cecil Bliss, veteran Bison forward, played one of the greatest games of his brilliant career and was consequently the ace of the contest. Bliss was always on hand when most needed, following in teammate's shots, converting passes into points, and always worrying the great Bunny guards. He scored 13 of the Bison total, 12 of his points being the result of field goals.

May, Gergen, Johnson, and Goodwin all played excellent ball for the Bison. May, Bison center, received second honors in the Bison scoring by sinking two field goals and a free throw. Captain Gergen, who guarded Nicholson, the Jackrabbit flash, followed as the tail of the comet follows its main body. Gergen held his man to a lone field goal.

### Opening Play Intense

In the opening minutes of play the game was so intense that neither team was able to score. May opened the scoring by cashing in on a pass from Goodwin. A minute later May drew Englemann out from under the basket and passed to Goodwin who made a pretty toss to bring the Bison total to four points. Rishoi then counted for State under the basket, cutting the Bison margin to two points. Bliss got off for the races and received a pay off on a toss from edge of foul line making it six for the Bison. Rishoi worked his way under the Bison basket for another goal. Bliss gave the Bison a comfortable 10-4 lead at the midway period by registering a setup.

The half period had no sooner (Continued on Page 4)

### Ruth Olafson Judged Declamation Winner

Miss Ruth Olafson, who gave The Perfect Tribute won the 35th annual Declamatory contest held at the Little Country Theater last Friday. Mart Vogel presenting The Eleventh Commandment was given second place. The winner was awarded a gold medal. Mrs. J. W. Riddle, Mr. George Backer, Miss Mabel Wenzel, and Miss Reneyleds judged the contest.

Miss Althea Reed was in charge of the affair and Charles Heilmann, commissioner of public speaking, presided. Several letters and telegrams from former winners were read.

Among the other participants in the contest were: Glen Hoople presenting How Tom Sawyer Whitewashed the Fence; Lebrecht Klebe who gave John Graham; Don McKechnie delivering the oration, Appeal to Arms; Margaret Morris presented Confessions; Earl Hodgson chose as his selection, A Different Pair of Shoes; Joe Paulson delivered The Sign of the Cross; and Dorothea Olson presented The Sign of the Cross.

## THE RACE

We never were quite so enthused as over the outcome of the recent game which placed us at the top of the conference ladder. All credit is due "Sally"—the team—and the students who ganged up Friday night and helped win the game. To boast is unhealthy, but human, and we must admit that N. D. S. C. is represented by a real basketball team, one that is well coached. Reporters have it that there are plenty of stumbling blocks in the way of a conference championship. This fact alone should spur the student body on to added efforts to aid in keeping the morale of our quintet at a high level, by giving them their absolute and undivided support.

## ANOTHER ASSET

In back of the Agricultural building are the college greenhouses supervised by Professors C. B. Waldron and Yeager of the Department of Horticulture and Forestry. Experiments are carried out and sold in the summer in the form of delicious fruits and vegetables. Three courses in landscape gardening which apply to outdoor art and to the most satisfactory and economic application of these in the development of home and school grounds, cemeteries, parks and highways; in the location of buildings, grading of grounds, location and construction of walks and drives, character and disposition of the structural planting, nature and the use of architectural features are offered to students interested in art and agriculture.

During the summer, advanced students are employed in the greenhouses so that they may work out the experiments they have planned and watched in the school year.

Courses are offered in commercial floriculture and stressing the importance and development of the flower industry.

## HUNTOON CHOOSES STATE GLEE CLUB

(Continued from Page 1)

mond Hamieson, Francis Rondorf. These men are on the waiting list and would be eligible for the club if it were not that the size is being limited to 28 or 30.

### Huntoon Well Qualified

Professor Huntoon, who has been in charge of the architectural department for the past two years, is well qualified to carry on and direct a musical organization of this type. He has been in school glee clubs during each of his four years of high school in Des Moines and during his eight years of college at Ames college in Iowa and at the Massachusetts Institute of Technology, where he took advanced work in architecture. He composed several successful operettas when he was in college, for use in the glee clubs. Besides his work in the glee clubs, Mr. Huntoon played and paid his own way through college by managing and directing his own dance orchestras. He is an accomplished pianist and pipe organ player; he has taken piano lessons from an early age and was a regular organ player in a Des Moines church at the age of 15.

An outstanding part of the glee club will be the North Dakota State Male Quartet to be chosen from the members of the club. These four picked men will be used as a feature in radio broadcasts, at banquets, in convocations, and will lead in the singing at some of the athletic games.

The glee club will meet three times a week in its practice room in the Architectural department. A full credit and possibly a numeral will be given the members of the glee club.

Members of Gamma Phi Beta returning to Fargo for the services are Miss Dorothy Volkamer, member of the University of Minnesota chapter; Miss Helen Berquist, alumnae of the North western University chapter, and now at Aurora, Minnesota; and Miss Josephine Browne, a pledge to the University of North Dakota chapter. Among the honored guests were Misses Peggy Binger and Mary Lou Fahn, Minneapolis and Helen Eolem, Fergus Falls, Minnesota, members of the Minnesota chapter. Miss Pinger was the guest of Miss Volkamer at the home of Mr. and Mrs. F. J. Volkamer, 816 Twelfth Street North.

### GYMNASIUM DESTROYED

Fire completely destroyed the gymnasium of Rutgers' university of New Brunswick, N. J., last week. The origin of the blaze was undetermined. The fire was discovered at 3 a. m. and at 7:30 a. m. only a fire-blackened shell of walls and heaps of smoldering ruins remained.

Sixty-four cadets, including Alonzo Parham, negro, of Chicago, were honorably discharged from the United States Military academy because of failure to pass mid-term examinations, Maj. Gen. William R. Smith, superintendent, announced. Oscar Depriest, negro representative of Illinois, who appointed Parham, to West Point, said that he would appoint another negro to the academy if Parham failed to pass the make-up exams.

## Boxing Regulations

I. Following are the rules and regulations governing the Interfraternity boxing tournament at the North Dakota State College for 1930:

1. Contestants will be divided into two classes: Class I consisting of those who competed in the tournament of 1929; class II of those who have never competed in a boxing tournament at this college.

2. Following weight limits have been set for the various weight divisions:

Featherweight — Under 126  
Lightweight — " 135  
Welterweight — " 147  
Middleweight — " 160  
Light-heavy — " 175  
Heavyweight — Over 175

3. Points will be awarded as follows:

(a) 6 points to the winner of each weight division.

(b) 4 points to the runner up in each weight division.

(c) 3 points to the winner of each weight division in class II.

(d) 1 point to the runner up of each weight division in class II.

4. No class II. contestant may enter class I. until he has won the championship of his weight division in class II.

5. Weighing in will take place at any time on the afternoon of the day of the match. Any contestant has the right to be present or to have a representative present at the time his opponent weighs in; therefore, all contestants will be notified of the times set for weighing in accordingly.

6. Each fraternity must submit to the boxing instructor on or before Jan. 30: Entries failing to meet the opponent selected for them on the date specified by the boxing instructor will forfeit the match.

7. No individual may enter more than one weight division.

8. All matches in 1930 will be governed under the same rules and regulations which governed in the tournament of 1929 as to length of rounds, number of rounds, decision in case of tie, etc.

9. Insofar as practicable officials

II. Trophies and Awards.  
1. A suitable trophy will be awarded the organization making the greatest number of points under the provisions outlined in paragraph I. above. It is expected that a similar trophy will be awarded each year under the same conditions and provisions in this memorandum.

2. Individual awards will be announced later.

III. Matches will be made by the boxing instructor who will endeavor insofar as practicable to match only those of equal experience and nearly equal ability—especially at the beginning of the tournament. By adopting this method every contestant is given a better opportunity to develop which is of especial advantage to the slow starters and those of no previous experience. Under the Bagnall Wilde system which leaves everything to the luck of the draw some of the most promising material might well be eliminated in the first round and consequently never given a chance to improve; and, the same system often fails to give some of the more experienced any real competition until the finals have been reached.

By Everett Wallum

There is no truth in the rumor that the college-sponsored night school confines itself to the dark ages.

Bright pupils get reduced rates after dark. They take the place of an electric bulb.

WE ALWAYS DID CONTENT THAT SLEEP IS MOST REFRESHING AT NIGHT.

As far as that goes, lots of these courses that we've been taking in the daytime leaves us in the dark.

Some of the fellows thought of taking night classes with their girl until they found out that modern light plants never fail.

TEACHERS' PETS WILL BE BRINGING FLASHLIGHTS INSTEAD OF ORANGES.

Night school should increase the use of cribs.

They ought to have school during the day at least once so the students can see what the campus looks like.

WE NOTE THAT MANY HOUSEWIVES ARE TAKING ADVANTAGE OF THESE CLASSES. AS IF THEY NEED TO GO TO SCHOOL TO TELL THEIR HUSBANDS WHAT'S WHAT!

And a lot of them go for purely romantic reasons. They've read statistics that more matches are struck after dark.

They may study at night, but they go around in a daze.

NIGHT SCHOOL IS A WELCOME INNOVATION FOR MARRIED PROFESSORS. NOW THEY CAN DO SOME TALKING AFTER SIX O'CLOCK.

But if his wife is in his class he might as well confine his lectures to woman suffrage.

Modern dancing proves that you can make hey, hey after the sun shines.

DEFECTIVE STUDENTS WILL BE SENT OUT INTO THE DARK AT THE TENDER MERCIES OF THE BOGIE MAN.

It's in the cards that we have night sessions—poker, for instance.

Time will come when the curfew will ring at 10 a. m.

INTELLECTUALS WILL SAY: "I CAN'T THROW ANY LIGHT ON YOUR QUESTION. I GOT ALL MY TRAINING IN NIGHT SCHOOL."

Ohio State has recently passed a ruling forbidding men and women students from sitting together at all football games. The very obvious purpose for this ruling is that it would result in less conversation and more cheering.

Four thousand Madrid university students went on strike this past week. After ejecting some of their professors from class rooms, windows, and doors were broken in a general riot.

## Bison Journey South to Decide Title Dispute

Three Victories Would Practically Assure Saalymen of Championship

OPPOSITION IS STRONG

South Dakota University Looms As Menace To Bison Hopes

The North Dakota State College Bison Basketball quint goes south on Thursday for a three day conference engagement which may settle the 1930 championship argument. Three victories would practically assure the Bison of holding the position they now occupy at the head of the conference standing, but three victories the three strong rivals, S. D. U., S. D. S. and Morningside is more than can be reasonably hoped for. In the first place the North Dakota quint will be playing on strange floors, and secondly, the three struggles will all take place within a period of four days. On Friday night the Bison will engage the S. D. Coyotes at Vermillion, the following night they will test the metal of Morningside Maroons at Sioux City, and on Monday night will meet the S. D. Jack-rabbits at Brookings.

Bison Rivals Tough

When it is remembered that N. D. S. beat S. D. S. and S. D. U. on a Fargo court recently by narrow margins it would indicate that Saalwaechter's men will have to be at their best to come out on the long end of the argument when meeting these rivals on their own floors. Right now S. D. U. looks like the biggest barrier to an N. C. I. championship. The Coyotes have a fine machine led by those brilliant scoring aces, Root and Adkins, with plenty of reserve material on hand. S. D. S. with Engleman, Nicholson and Herting is no less dangerous. While Morningside has already proven that she is not in any mood to be shoved into the cellar position in the conference.

Leading the Bison forces in their southern appearance will be the veteran guard and captain, Pete Gergen, all conference choice of last year. For running mate Gergen has Gilly Johnson, tall, blonde Viking star, whose performances this year have been a source of much pleasure to Bison fans. Johnson's improvement in his basketball technique has also been a source of much pleasure to Coach Saalwaechter.

Good Forwards

For the forward jobs the Bison mentor has a plentiful supply of good material. Leo May, the Aberdeen, S. D. star, and Cecil Bliss will undoubtedly get first call for the forward positions. Both men played a remarkable game against S. D. S. last week and early contests have proven that they are the smoothest scoring combination. May is a consistent shooter and can be counted upon to garner several long shots during an evening's argument. Bliss is a tireless worker and has an un-

canny way of wiggling through a tight defense for a close shot under the basket. At center Vern Goodwin can be depended upon to fight for his share of the tipoffs. He is fast on the floor and because of his ability to shoot while traveling at a high rate of speed is always a dangerous opponent unless closely guarded. Among his reserves Saalwaechter can depend on Leo Thomasson to carry on the good work should one of his regular guards be forced from the contest. For forward positions Eric Nordstrom, George Fairhead and Blair Seitz are likely choices in case a substitution is needed.

## MOORHEAD ALL-STARS DOWN BISON SEXTET

Fans who witnessed the practice tilt between the Moorhead All-Stars and the Bison Puck teams Saturday, were treated to an exhibition of smooth passing and hard driving hockey by the Moorhead sextet. The All-Stars, boasting of one of the best independent ice teams in the state, lived up to their reputation by pushing through seven counters to the Bison two. Most of the scores were the result of mad scrambles in front of the net.

Coach Purcell, using the game to get a line on his squad, used all 11 players and was well satisfied with the possibilities shown in this contest.

Although outscored, the Bison gave a good account of themselves; Captain McGrath pushing through one counter while Blakeslee garnered the other point. Stefferud worked a good game at center, with McLaughlin showing some fine defensive work. Van Vorst playing his first game at the goal made some pretty stops, proving to be a good man to have around.

This week the team will be driven hard at offensive tactics in preparation for their game with Minnesota on Feb. 3. Purcell believes that his team will be in good enough condition by the end of the week to give the Gophers a real battle.

## NEW NIGHT SPORT

Night horsback riding has been added to the sports menu of the University of Oregon through the completion of a new enclosed sawdust ring, brightly lighted at the Bangs Riding academy. This is in line with the modern trend which has added football to the list of sports played under the flood-lights.

The University of Iowa's new stadium, constructed at a cost of \$500,000, is 30 feet below the level of the surrounding terrain.

## CARS PROHIBITED

Students at the University of Michigan have been prohibited from driving their cars on the campus this winter. They have gone back to their fathers' mode of locomotion, the horse and cutter, which serves very satisfactorily as the steering device requires neither hand to guide Old Dobbin along a quiet by-road.

## WILL JUDGE S. D. U. BEAUTIES

Charles "Buddy" Rogers has been asked to judge South Dakota University's Vanity Fair Contest. He will select five of South Dakota's most beautiful girls of the 16 entrants.

The department of ethics at the University of Texas has recently conducted a survey which reveals the 16 most prevalent vices among students. These vices as ranked by the students are: Sex irregularities, cheating, stealing, lying, vulgar talk, swearing, gambling, selfishness, drinking, gossip, Sabbath breaking, extravagance, snobbishness, idleness, smoking and dancing.

### BISON TEAM MAINTAIN CONFERENCE LEAD

(Continued from Page 1)

started than the Jackrabbit hardwood men "turned on the heat." Herting, who in the first period had been in the position of Sitting Bull, started scoring activities by dropping in a long counter. Bliss counted on a side shot making the count 12-6. From this point on the Bison lead shrunk like a woolen shirt on a Monday clothesline and the Bunnies were given a 13-12 lead.

Bliss erased the State advantage on a follow in shot which was good under any form of government. A minute later Bliss followed in Gergen's toss to make the count 16-14. Play then became extremely intense and Referee Dick Holzer ordered out summons for five free throws the Bison making three points from the pay bar and State two to make the count 19-16. State garnered another point by the free throw route to bring their total to 17. Nicholson charged Gergen and the tallied on his gift effort to bring the count to 20.

**Bliss Ends Scoring**  
With one minute of play that seemed like several Gene Tunney long counts State tried hard to crack the Bison defense. Gergen took the ball under his own basket, streaked it down the floor and passed to Bliss who sunk a pretty one hand shot and put the game in the bag for the Bison.

South Dakota State proved themselves to be one of the strongest teams in the Conference presenting an almost airtight defense and an offense which was almost as strong. Wert Englemann, the Woolworth building of the State team, was the star of the State lineup. His work was closely followed by that of his teammate, Lem Herting, foxy State forward.

### S. D. HAS WOMAN ENGINEER

Miss Genevieve Rose has the distinction of being the only woman engineering student on the campus of South Dakota State. She is now well started on her second year as a civil engineering student. This past summer she was employed with the appliance department of the state highway commission at Pierre, S. D. At present Miss Rose is studying civil engineering, but is seriously considering changing her course to the study of architecture.

### INTELLIGENCE LAST

Intelligence is about the last thing that a Princeton freshman likes to find in a girl, if any generalization can be drawn from a vote recently taken among 490 freshmen. The vote also indicated that to the mass mind, constancy is rather a trivial consideration and that if a girl is beautiful, a good dancer or a ready conversationalist, she can be a nit-wit for all that it matters to the first year men.

### NEW WIND TUNNEL

A wind tunnel which will produce air currents approximately the same as those experienced in actual flying will soon be completed in the experimental engineering building at the University of Minnesota. The device will be used by the students in the aeronautical engineering department to test airplane models constructed in class.

### NO CONVERSATION

Coeds at the University of Detroit have been forbidden to converse with male students at any time or at any place on the campus.
