

Student Festival To Be Tomorrow Rifle Team Takes National Championship Again

Bison Riflemen Set Up Two New National Records

Penn. State Places Second In National Competition; Culver Academy Third

By amassing a total of 7691 points out of a possible 8000, Lieutenant Ross's rifle team has again taken the national championship and corps area titles according to word received here Saturday. Pennsylvania State placed second in the competition with a score of 7679 and Culver Military Academy third with 7668 points.

This is the second year that the Bison Riflemen have won the national championship, defeating every institution in the United States last year and this year. 7622 points were amassed last year. The sterling silver loving cup, which stands better than 18 inches high, won last year is now in the office of Major Lathrop and will remain there one more year with this recent win.

Two New Records

Seven thousand six hundred and ninety-one points out of a possible 8000 is a new national record. The captain of the team, Arthur Johnson, also set up a new individual record this year never before made in inter-collegiate shoots.

The members of the rifle squad this year were Frank Devorak, Vern Smith, Walter Bartholomew, Albert Palmerlee, Thomas Palmerlee, Jerome Olson, Alvin Lee, Curtis Ballard, Elmer Bothun, Morris Barks, Glenn Schoessow, Earl Schoessow, Ray Bassett, Kenneth Piper, and Arthur Johnson. The team was captained by Arthur Johnson and managed by Curtis Ballard.

Lieutenant Frank S. Ross, U.S.A., the coach, has attended the national marksmanship matches at Camp Perry, Ohio, seven years, shooting with the Infantry team six of those years.

BISON NETMEN DEFEAT VALLEY CITY TEACHERS

The Bison netmen defeated the Valley City Teachers college tennis team by taking four out of six matches with the Vikings. The Bison scored three victories in the singles and broke even in the doubles in securing their win.

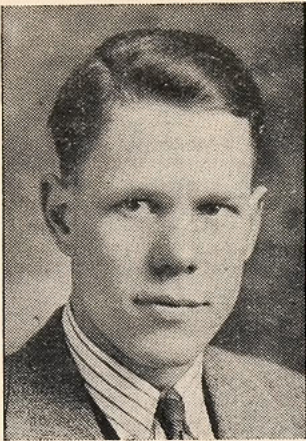

Meldahl turned in a single victory over Murdoch by defeating his opponent 5-7, 9-7, 6-4. Gronvold dropped a single match to Jones by 6-1, 6-1, score. Hughes added another victory to the Bison win column by winning from Ambuehl 6-0 and 6-3. Don Bolley turned in the deciding victory by 6-1, and 7-5 victories over McCosh.

In the singles Valley City grabbed off a victory when Jones and Ambuehl took Meldahl and Hughes into camp by 6-1 and 7-5 scores. Gronvold and Bolley came from behind to win from Murdoch and McQueen. The scores were 6-1, 1-6, 6-3, 7-5.

In the tennis matches held between the University and the Bison last Thursday the Nodaks successfully retained their previous laurels by winning three single matches and dividing honors in the doubles. Meldahl was the only Bison to gain victories in the singles.

The cabinet members of the Y. M. and Y.W.C.A. will hold a Geneva picnic Sunday morning, May 26, at 7 a.m. Talks about the convention at Geneva and at Minot will be given. Katherine Knerr is in charge of the arrangements assisted by Jane Barton, Eleanor Erickson, Dorothy Smith, and Betty Stone.

Master Of Ceremonies

Lawrence Parsons, president of the Student Commission, is in charge of the Gay Cat Day program for tomorrow.

HAYFORD HONORED AT PHARMACEUTICAL BANQUET

Charles W. Hayford, Casselton, was honored at the banquet of the Pharmacy Club held Thursday evening at which time he was presented the Lehn and Fink gold medal prize by Prof. W. F. Sudro, dean of the School of Pharmacy. Mr. Hayford, who is a senior in the school at this time, has maintained a scholastic average grade of 90.5 for the past three years.

Only one senior pharmacist is granted the gold medal each year, according to the rules that regulate the competition. "For the advancement of pharmaceutical science," is engraved on one side of the medal, the winner's name and college appearing on the back.

Mr. Hayford is a member of Phi Kappa Phi, Rho Chi and the North Dakota Pharmacy club. Upon graduation Mr. Hayford expects to be behind the prescription counter in his home town.

Awards were also presented to the two freshmen having the highest scholastic averages for the year. Miss Doris Sommer of Barnesville, who has maintained an average of 91, was awarded a United States Pharmacopoeia. "Jimmy" Moore of Devils Lake was presented with a National Formulary. Awards were made by Rho Chi, national honorary pharmaceutical society.

Phi Omega Pi's out of town over the weekend include Muriel Clark, who attended the Alpha Phi Upsilon party at the "U"; Kathryn Grant, who was at Detroit Lakes; and Doris Wilner, who was at Wahpeton.

1930 Bison To Be Distributed At 1:15 Tomorrow

Frank Hannaher, Business Manager, Offers \$10 Prize In Misspelled Word Contest

Truly a more representative Bison than ever before issued will appear tomorrow afternoon as the book contains over 300 cuts of juniors, and seniors in the classes section. Distribution will begin promptly at 1:15 p.m. from the registrar's office and continue until 5 p.m.

An interesting feature following the distribution will be the misspelled word contest which Frank Hannaher, business manager of the book, is sponsoring in connection with the advertising section of the annual. 20 misspelled words have been intentionally placed in the section and the first party handing in a list which contains the twenty words correctly spelled between 4:30 and 5 p.m. will be presented with a \$10 gold piece at the dance in the evening.

These twenty words are all in the advertising section of the book. Every student, except members of the Bison and Spectrum staff, is eligible for competition.

Modernistic Annual

The yearbook itself, which has been carefully prepared and edited by Miss Jessie McLachlin, Hunter, is modernistic in design. Full page pictures of the eight most representative seniors on the campus appear in the modernistic section. Several other new features and surprises are in store for the students of North Dakota State. The opening section of the book is said to be the most pretentious ever put into a yearbook by the engravers.

DOROTHY BAIN ELECTED ART CLUB PRESIDENT

Dorothy Bain was elected president of the Art Club at a recent meeting held in the studio of Science Hall. Other officers elected are Arlene Burt, vice-president and historian; Gertrude Ferguson, secretary; and Mae Borgen, treasurer. The retiring officers are Margaret Green, president; Gladys Barton, vice-president; Jane Eddy, secretary; and Alice Peterson, treasurer.

The new officers will be installed at the annual picnic which will be held next Thursday evening. Grace Swanson is in charge of general arrangements assisted by Helen Carstensen. Alice Putney has charge of transportation.

Edits 1930 Bison

Miss Jessie Colleen McLachlin has edited the 1930 Modernistic Bison which will be distributed at 1:15 tomorrow.

BRUCE RINDLAUB IS HONORED AT WEST POINT

Bruce D. Rindlaub, former State college student, who graduates in June from the United States Military Academy at West Point, N. Y., was given the highest military rank attainable at the academy in winning the honor of cadet first captain and regimental commander. He entered the academy July 1, 1925. Rindlaub, while a student at this college, was on the Spectrum Staff, a cadet officer in the R.O.T.C., a member of Gamma Tau Sigma, honorary journalistic fraternity, and Theta Chi fraternity.

RUSSIAN FARMERS ARE HERE IN "NOVO" SEARCH

Ten Russian agronomists and agricultural engineers representing the State Grain Farms of Russia interviewed members of the departments of agronomy, engineering, and economics of the School of Agriculture during the past week. They are interested in raising "bolshe" (more wheat in Russian) by "novo", that is new methods.

Dates for the annual six week summer school session of the North Dakota State college are set for June 11 to July 19, according to A. H. Parrott, registrar. The school is designed especially for teachers and others employed during the regular school year, for June high school graduates, and for regular college students who wish to make up work. Courses will also be offered for college graduates who wish to work toward a master's degree, it was announced.

Student Prexy Announces Final Gay Cat Program

**Convocation At 9:40 Wednesday
Bison Distribution At 1:15 P. M.**

"Organized rivalry between the sophomores and freshmen will take the place of the old fisticuff and paddle method of celebrating the Gay Cat Days of the past," said Lawrence Parsons, president of the Student Commission, today in commenting on the annual celebration to be held on the State College campus tomorrow. Several years ago the student governing body decided that the spirited contests that had been experienced in the past should be succeeded by a feeling of friendly rivalry and a sane program of contests. In accordance with this decision the present Student Commission have prepared an inviting schedule of fun that promises to exhaust the exuberance of even the most enthusiastic believer in the rule of the rod.

The Wednesday's student frolic will be featured by the costumes that all Bison are expected to wear to their morning classes. Experience with past Gay Cat Days has shown that the student body as a whole appreciates the privilege of making whoopee on this one school day and it is expected that the attendance at classes will appeal to the art of costuming.

Prizes Offered

To encourage the students to dress for the big day the Student Commission has offered two prizes, one each for the most original boy and girl costume. Judges for the contest are: Lt. Ross, Mr. Parrott, and Prof. P. W. Jones. The rewards offered are two five dollar gold pieces.

Convocation at 9:40

At 9:40 a special convocation will be held in the armory. At this time the freshmen and sophomores will engage in a song contest and the Gold Star Band will be on hand to assist in the events. The trophy for the song contest is the property of the sophomores at this time, having been won by the class last year. The Little Country Theatre players will present an additional feature in a one act play, entitled, "Peas and Beans." The cast for this play, in the order of their appearance, is as follows: Lotta, the maid, Grace Swanson; Alicia Hargrow, the spinster, Alta Berg; Betty Hargrow, her flapper niece, Ruth Boerth; Prof. Pease, Ted Laibly.

Inter-class Struggle

The first contest between the freshmen and sophomores will take place at 4 p.m. when the two classes meet to test their strength in a tug-of-war. This event will be staged on the banks of the coulee west of the ice house.

Following this the ROTC battalion will form at 4:45 for the evening parade. One hundred and fifty cadets will be presented with decorations, rewards for special merit during the past year. The usual clean-up contest usually having taken place at this time, will be done away with, according to Lawrence Parsons, owing to the lack of time.

At 6:30 the two lower classes will clash in a baseball game on Dacotah field. Much interest and speculation centers around this game, and dopsters have found it difficult to predict even a probable outcome.

All College Party

At 8:30 a dance will be given in the armory for the student body. The Student Commission has made it plain that this dance is exclusively

(Continued on page four)

State Riflemen Again National Champions

Pictured above is the North Dakota State college R.O.T.C. rifle team which won the cup in the 1929 National Inter-collegiate Indoor Rifle matches. It is the second consecutive year they

have placed first. Front row (left to right) Elmer Bothun, Earl Schoessow, Albert Palmerlee, Arthur Johnson, captain, Thomas Palmerlee, Glenn Schoessow, Frank Devorak. Back row

—Vern Smith, Walter Bartholomew, Kenneth Piper, Jerome Olson, Morris Barks, Alvin Lee, Curtis Ballard, and First Lieutenant Frank S. Ross, team coach.

TODAY WE HASTEN TO SAY

Tomorrow is Gay Cat Day all day. A real day will be enjoyed by all providing a majority of the populace dress up as requested. Get a costume and do your bit towards making the day successful. The outstanding event of the day will probably be the ball game at 6:30 p.m., for Coach "Bob" Lowe has two strong line-ups representing the freshman and sophomore classes, respectively. The dance in the evening should draw a good crowd. Sport clothes will be in vogue.

The distribution of the 1930 Bison is one of the outstanding events of the school year. Editing this book is no small job. Many an afternoon is spent chasing about identifying pictures and the rest of the editor's time is taken up with worry over the book, the smallest part of the task being the copy writing. Miss McLachlin is issuing a fine book for your approval tomorrow afternoon and it is our sincere hope that each and every one of you be exceptionally lavish in your compliments, lest she feel that her worries have been for naught and accomplished nihil.

All seniors should be exceptionally willing to lay aside their books tomorrow and take part in the festivities, for apparently exemption from examinations for seniors is a thing of the past. At least the faculty vote on the proposition seems to indicate so. Have your good time tomorrow for you seniors will soon be writing exams with the rest of us.

"Cattily" we remark, "Serves them right considering the support they gave their party." The party was well planned and managed, and everyone present had a fine time, but the disappointing part was that hardly 25% of the class that sponsors the party was in attendance.

An oddity about the proposed discontinuance of the senior leave is that the faculty lay part of the blame on Bison Brevities. In our minds this is the greatest achievement of the school for some time past. The show was a success and a credit to the school. Training received in taking part in the show was certainly more educational than a lot of classwork. Many people who have attended the show say they have never seen anything of its nature and excellence before in their career. Instead of holding it against the class of '29, the faculty should be broadminded enough to credit the class with being the one that carried the heavy end of the load of the first annual production of Bison Brevities.

Once again Lieutenant Ross clearly exemplifies his ability as a rifery coach. His marksmen have taken the national championship for two consecutive years, defeating every institution in the United States. A poet might credit the results to the North Dakota atmospheric conditions, our robust farm boys, etc. The credit belongs to Lieutenant Ross who, although handicapped with the equipment and facilities of a smaller institution, has "Brought home the bacon" two consecutive years. We congratulate you, Lieutenant Ross.

WE APPRECIATE your past patronage and solicit your future work. When you think of laundry call the **DIXON** for service and quality. We darn sox and sew on buttons without extra charge.

N. D. BEEKEEPERS TO MEET AT HILLSBORO

Hillsboro, in the heart of the sweet clover region of the northwest, has been chosen as the spot for the North Dakota Beekeepers association annual summer convention, according to Prof. J. A. Munro, secretary of the association, North Dakota State college. The date has been set for July 24.

The Hillsboro Civic club members in cooperation with the local beekeepers will provide for the entertainment. Judging from the interest shown by beekeepers and others, this summer meeting promises to be the best one to date. Arrangements are now under way to provide for prominent speakers who will talk on different phases of beekeeping management and on marketing the product.

Chas. Hausmann, commercial beekeeper at Hillsboro, is the president of the North Dakota Beekeepers association, and the beekeepers are fortunate to have their meeting in the home town of their president, according to Mr. Munro.

KAPPA PHIS LEAD BASEBALL TOURNEY

Kappa Phi bat swingers continued to lead the intra mural baseball loop by downing the Gamma Rhos by a 6-1 count. Theta Chi remaining in the second position by defeating the Kappa Psis in a hard fought contest. The Delta Sigs maintained their winning stride by triumphing over the Kappa Psi aggregation, Kappa Sigma Chi managed a 500 percentage by nosing out the Sigma Phi Deltas. The "Y" team broke even in the percentage column by a win over the Sigma Taus.

The standings:

| | W | L | Pct. |
|-----------------|---|---|-------|
| Kappa Phi | 4 | 0 | 1.000 |
| Theta Chi | 4 | 1 | .800 |
| Delta Sigs | 3 | 1 | .750 |
| Y. M. C. A. | 1 | 1 | .500 |
| Kappa Sigma Chi | 1 | 1 | .500 |
| Sigma Phi Delta | 1 | 2 | .333 |
| Gamma Rho | 1 | 3 | .250 |
| Sigma Tau | 0 | 3 | .000 |
| Kappa Psi | 0 | 3 | .000 |

VAN VORST ELECTED CHEMIST'S CLUB PRES.

Amos Van Vorst was elected president of Chemist's Club at their annual banquet held in the Power's Hotel Thursday evening. Other officers elected include Kenneth McCullough, vice president; Ovidia Carstens, secretary; Maurice Hanson, treasurer; Allan J. Porter, reporter.

The second issue of the Retort, official organ of the club which is edited by Kenneth McCullough, was distributed to the members at the close of the banquet.

"GRAD" MAY DIRECT INDIAN AGRICULTURE

W. E. Botsford, Agr. '13, is being considered by the U. S. Department of Interior as a candidate for the position of "Director of Agriculture" in the Indian Service according to word recently received by Dr. H. L. Walster, dean of the School of Agriculture.

K. D.'S AND LAMBDA'S WIN DANCE AWARDS

Kappa Delta sorority won first place and the ten dollar award and Phi Kappa Lambda second and the five dollar award in the dance recital contest sponsored by the women's physical education department at the college. The Kappa Deltas sold 139 tickets and the Lambdas 95. Sigma Theta sorority placed third.

Only the conservative coeds of Bryn Mawr smoke cigarettes, and most of them have given it up as a thing for the grinds to use, a census at the eastern school has disclosed. Instead, the sophisticates there are using pipes, fashionably expressed for women.

Silence is golden; but many a man has been talked out of his silver.

Student Opinion

If you should be taking Chemistry and are having difficulty with a certain phase of it, your instructor will help you with your difficulties. If you should be taking a subject in "math" and should be having difficulty with a certain part of it, your "math" instructor will help you with that with which you are having trouble. If you are taking military you shall have observed that if a platoon is weak in performing a certain movement that platoon is drilled in that particular movement until it is able to perform that movement properly. If you should be a prospect for an athletic team, the coach coaches you most in that in which you are the weakest. If you should be taking English and having trouble making the required grade in spelling, the English department gives you more poems and essays to read, more sentences to analyze, more practice in constructing sentences and paragraphs and then trusts to luck that by some "hocus pocus" way, yet unheard of, you shall be able to make your grade in spelling. If you don't make the required grade in spelling, regardless of your other marks, you take English over again. No, you don't take spelling over again; just give you an "exam." in it. The old saying is: "If at first you don't succeed, try try again." Certainly, but in order to make trying again worth while one must overcome his weakness and not do that over which he has done well enough.—E. H.

Diamonds More Precious Than Nature Can Yield---

Once upon a time there lived a certain man out on the African veldt. He had a perpetual grouch. He railed at the sun and he wailed for the rain. And all the while he grappled with starvation, his little sons played marbles with pretty stones in the yard. He later was the original owner of the Kimberley diamond mines, richer than fabled Golconda.

There's a second Kimberley at your very door. In it you can mine knowledge which is more precious than the diamonds of the African veldt. There you can obtain a "priceless" college education at low cost. Even though the expenses are small the training is of the best.

A Bachelor of Science degree is offered in Agriculture, Science and Literature, Home Economics, Architectural Engineering, Architecture, Biology, Chemistry, Civil Engineering, Education, Electrical Engineering, Mechanical Engineering, and Pharmacy.

Special work may be taken in paint chemistry, physics, botany, mathematics, public speaking, and dramatics, economics (agricultural and general), and social and political sciences.

Exultations of Ebony Blott

By Everett Wallum

So Student Commission are victims of "traffic jam" with reference to Gay Cat Day. That's one "jam" that can't "preserve" the day.

All gay cats have their classes at night, so the faculty ruling won't affect us anyway.

Gay cats may be "on the fence", but the faculty isn't.

It's not a case of "Puss in Boots", but of puss getting booted.

We're going to have a convoCATION anyway.

To contribute towards the atmosphere, the Commission asks the co-eds to be catier than usual.

And the men can let their motors purr all day.

Judging from the tough luck arising from faculty decisions, tomorrow must be Gay Black Cat Day.

The faculty is perturbed over the necessity of making nine successive rulings in order to kill a gay cat.

A gay cat ruling is one ultimatum with a claws in it.

A ball game will be played. One O' Cat, of course.

There's bound to be a clash when students dress to put on the dog on gay cat day.

A frosh told us he is anxiously waiting for tomorrow so he can hear Pi Gamma Mew.

Loyal gay catters will play kitten ball.

Every dog has his day, but the faculty refuses to recognize the status of the cat.

Cats are supposed to carry germs, so frivolous felines on the campus will wear mike robes.

Tomorrow may be gay cat day, but it doesn't mean a thing to the specimens in Biology lab.

Male feline impersonators are asked to be on guard tomorrow. Old maids keep cats.

If they must have a tug of war, why not arrange it between the faculty and the senior class?

Then the seniors will learn just how much pull they've got with the profs.

Bison Cindermen Defeat V.C. Teachers

Leo May Is High Point Man For Bison; Eckel Outstanding For Valley City

The Bison cindermen scored an impressive victory over the Valley City State Teachers College track team, winning from their opponents by a 97½-33½ count. Saaly's tracksters scored first in every event with the exception of the low hurdles where the Vikings placed first and second.

High point honors went to Leo May who placed first in the shotput, discus throw, third in the javelin, and finished second in the broad jump. May was closely followed by Konichek, Hays, and Peschel.

The points garnered by the Vikings were of the second and third place variety. McQueen and Eckel were tied for the high point honors in the Viking lineup. McQueen picked up seven points in the weights while his team mate scored seven in the dashes and hurdles.

Coach Saalwaechter's Bison Frosh team would have made plenty of points for the Bison had their efforts been counted. The First year men counted heavy in the javelin and discus, and also showed strength in the other events.

The annual dual track meet held between the Bison and the Nodaks will take place on the college field Saturday at 2 p.m. The Bison defeated the Nodaks last year by a very slim margin and an evenly matched dual is looked forward to in the coming event. The Flickers up to date have not had dual meets but from their showing in the Drake and Minnesota relays they will again have a formidable team.

Nodak Frosh and Bison Frosh will compete for track honors at 4 p.m. following the Varsity meet. Up to date the Bison Frosh have shown considerable class in the track events and an interesting meet is looked forward to take place between the Yearlings from the two schools.

100 yard dash—Won by Peschel, A. C.; Carroll, A. C., second; Eckel, V. C., third. Time, 10.3 seconds.

120 yard high hurdles—Won by Pemble, A. C.; McRoberts, A. C., second. Time, 16.8 seconds.

Half mile run—Won by Konichek, A. C.; Jordre, A. C., second; Frestad, V. C., third. Time, two minutes nine seconds.

220 yard dash—Won by Peschel, A. C.; Carroll, A. C., second; Cassidy, V. C., third. Time, 23.4 seconds.

Mile run—Won by Nelson, A. C.; Wollan, A. C., second; Frestad, V. C., third. Time, 4:56.

220 yard low hurdles—Won by Eckel, V. C.; Cassidy, V. C., second; Frey, A. C., third. Time, 26.4 seconds.

440 yard dash—Won by Konichek, A. C.; Jordre, A. C., second; Nordgaard, V. C., third. Time, 54.3 seconds.

Two mile run—Won by Nelson and Wesier, A. C., tied for first; Brown, V. C., third. Time, 10 minutes 50 sec.

880 yard relay—Forfeited to Bison. Shot put—Won by May, A. C.; Floan, V. C., second; McQueen, V. C., third. Distance, 38 feet.

Pole vault—Won by Blakeslee, A. C.; Peterson, A. C., second; Hays, A. C., and Soroos, V. C., tied for third. Height, 11 feet.

Discus throw—Won by May, A. C.; McQueen, V. C., second; Peterson, A. C., third. Distance, 110 feet 11 inches.

High jump—Won by Hays, A. V.; Soroos, V. C., second; Konichek, A. C., third. Height, 5 feet 4 inches.

Javelin throw—Won by Shepard, A. C.; McQueen, V. C., second; May, A. C., third. Distance, 138 feet.

Broad jump—Won by Hays, A. C.; May, A. C., second; Eckel, V. C., third. Distance, 19 feet 6 inches.

WOMEN'S TENNIS TOURNAMENT OPENS THIS WEEK

The following couples have been drawn for the first round in tennis singles of the Women's Tennis Tournament: Bud Osness, Ellen Kelly; Lillian Wangsness, Myrtle Allen; Edris

Probstfield, Kate Knerr; Velva Rudd, Helen Ballard; Camille Alfred, Evelyn Blakeslee; Berniece Hurmence, Delphine Van Houten.

These matches should be played off as soon as possible during this week. Winners will be repaired for the second round.

Alpha Sigma Tau announces the formal initiation of Ted Umhoefer and John Walker, Moorhead; Clair Peterson and Ross Cone of Fargo.

ENGLEMANN WINS MEET FOR SOUTH DAKOTA STATE

Led by Wert Englemann, who scored 27 points, South Dakota State college swamped the University of South Dakota, 87 to 44, in a dual track and field meet at Brookings Saturday.

North Dakota State will meet Englemann and his teammates on the 31st of May and June 1st at Sioux City at the conference meet.

STEVE GORMAN, MANAGER
620 FIRST AVENUE NORTH

**K NEWSY K NOSEY
KAMPUS K COLUMN**

Edna Steeves '28, now employed in a Bismarck drug store, is visiting at the Phi Omega Pi house this week.

Miss Theresa Smith, who teaches at Pelican Rapids, was the guest of her sister Ethel Smith at the Alpha Xi Beta house over the week end.

Mrs. Tracy Johnson will entertain the Y. W. C. A. cabinet at a supper Tuesday evening, May 28, at her home.

Bernie Benidt and Merrill McCurdy spent the week end in Grand Forks attending the State Track Meet.

Helen Fetch and Doris Sommers spent the week end at the Sommers home in Barnesville.

Gamma Tau chapter of Kappa Kappa Gamma entertained at their first spring formal Saturday evening in the Elks club. Specialty dances with a moonlight waltz featuring one of the fraternity songs were introduced during the program of formal dancing. The senior members of the fraternity were in charge of the party, Margaret Richardson being the general chairman. Patrons and patronesses were Mr. and Mrs. R. T. Barnard and Dr. and Mrs. Ralph Weible. About 40 couples attended the affair.

Phi chapter of Theta Chi fraternity were hosts at a Mother's day tea at the chapter house from 2:30 to 5:00 Sunday afternoon. The fraternity flower the red carnation together with white carnations and spring flowers were used through the rooms. A program consisting of selections by the fraternity quartet; address of welcome, Leo May; piano solos, Ross Fowler and Donald Harris; motion pictures of the activities of the chapter were shown. Invitations were also sent to the members of the Theta Chi auxiliary. This is the last social function of the fraternity in their old house and George Hays gave an appropriate farewell address.

**Final Gay Cat Day
Plans Announced**

(Continued from page one) for college students and their friends. Admittance will be given to those presenting registration cards at the door and to their guests. It is asked that everyone appear in sport clothes at the party. During the evening, announcement will be made of the winners of the various awards. The day's festivities will thus close at 11:30 p.m.

Year Book Out

Frank Hannaher, business manager of the 1930 Bison, has announced that this year's annual will be distributed from 1:15 to 5 p.m. in the Registrar's office. A special feature of this event is the contest centering around the twenty misspelled words to be found in the advertising section of the volume. A ten dollar gold piece has been offered to the first person handing in the correct list of words at the Registrar's office between 4:30 and 5:00 o'clock.

**PUBLICATION HEADS
TO BE ELECTED TODAY**

Members of the Board of Publications will meet in the Ceres Hall Blue Room this noon at 12:15 for their regular bi-weekly luncheon at which time the Spectrum and Bison editors and business managers will be elected for the ensuing year. Guests of honor will include Miss Carrie Dolphin, editor of 1927 Bison, and Miss Jessie McLachlin, Frank Hannaher, Henry P. Sullivan and Harold F. Phillips.

Those who vote on the board are William McRoberts, Sarah Moore, Henry Presler, Adolph Pahl, Everett J. Wallum, Kenneth O. Piper, Charles Brown, T. Worden Johnson and Alfred H. Parrott.

used 162 pounds of coal to move 1,000 tons of freight and train equipment a distance of one mile. In 1928 but 127 pounds of coal was used to perform the same service. This was the best record in fuel consumption the railroads have ever made.

The average distance traveled by all freight cars each day in 1920 was

25.1 miles, while in 1928 the average distance traveled was 31.3 miles, the best average per day reached in the past decade.

For the first time in his investment in American railroads has reached an aggregate sum of \$100,000 per mile of line operated.

Dr. C. D. "Buck" Thompson, N. D. S. C. '19, osteopathic physician, announces to N. D. State College students that he has opened his office at 107 1/2 Bdwy. Suite 6, for the practice of Osteopathy.

BUSINESS EDUCATION

A business education is a practical education that prepares one for every-day living. It gives the training necessary for entrance into the business world where the demand for trained workers is much greater than the supply. The business world pays a salary twelve months out of the year with two weeks' vacation on full pay.

Hon. W. T. Harris, Ex-Commissioner of Education, said, "Without a thorough and practical commercial education, a man is like a ship at sea without a compass or rudder."

Take your course in business training in an accredited school. Call or write for particulars.
