

200 Couples Attend Annual Junior Prom

Emily Samuelson And Everett Knutson Lead Grand March

Unique paper weights in the form of grey full rigged ships were presented as favors at the 1930 Junior Prom held Friday evening in the Crystal ballroom and attended by close to 200 couples.

With the Red Jackets playing an exceptionally good program, shaded lights on an improvised fountain and plenty of dance room in the spacious Crystal ballroom many of those present pronounced the affair the finest party North Dakota State ever sponsored. Features were outstanding with Miss Harriet Phillips presenting two tap dances and Jack Vincent and Burke Dignam singing several modernistic duets.

Following the half hour of informal dancing, Everett Knutson, ball manager and a member of Sigma Phi Delta fraternity, with his partner, Miss Emily Samuelson, led the 200 couples in a march which opened the program of formal dancing.

Second in line of march were Clifford Booke, assistant manager, member of Alpha Kappa Phi fraternity, and Miss Miriam Morrow. Guests of honor included Dr. and Mrs. John Lee Coulter, Deans and Mmes, H. L. Walster, H. L. Bolley, L. L. Carrick, A. D. Weeks, R. M. Dolve, W. F. Sudro, A. E. Minard, I. W. Smith, and Deans Alba Bales and Pearl Dinan and Messrs, and Mmes, A. H. Parrott, H. W. McArdle, Director and Mrs. C. F. Munro and Director and Mrs. P. F. Trowbridge.

Committees responsible for the success of the party are as follows: Lawrence Parsons, decorations; Keith Allen, music; Dorothea Anderson, features; Lloyd Clark, floor manager; Virginia Keene, patrons and patronesses; Neal Baldwin, refreshments; Elmer Torkelson, tickets; Arlene Burt, programs; Ralph Welch, favors.

PHI "U" INITIATES ELEVEN GIRLS SUNDAY

Corsages of lavender sweet peas and roses were presented to the new members of Phi Upsilon Omicron at the initiation services held at 7:00 a.m. Sunday at the practice house.

Directly after the services Dean Alba Bales served breakfast to the initiates, actives, and alumnae members of the sorority. Dean Bales presented each of the new members with a serving tray. Miss Jennie Grant Edgeley, was an out of town alumnus present for the affair. Miss Constance Leebly and Mrs. H. L. Walter, honorary members, were guests.

Those who were initiated are Dorothy Bain, Fisher, Minn.; Marjorie Beatty, Lidgerwood; Gertrude Ferguson, Sherwood; Katherine Grant, Glyndon; Marion South, Casselton; Ruby Steedsman, Larimore; Lillian Flatner, Ethel Kraft, Margaret Moore, and Alice Putney, Fargo; Gertrude Almos, Ambrose.

TONY SARG AND HIS MARIONETTES HERE MON.

The concluding number on the college Lyceum series will be given in the college armory on Monday, April 29, with the appearance of Tony Sarg and his Marionettes in a play entitled "The Adventures of Christopher Columbus and a Spanish Fiesta." A matinee will be given at 3:45 p.m., and an evening performance at 8:15 p.m.

This play is a comedy and if the dramatic reviews are correct, the production has been very popular.

Tony Sarg and his Marionettes has appeared at the college annually for a number of years. His return has always been demanded by the local public with which he appears to be very popular.

NO SPECTRUM FRIDAY
The Spectrum will not be published Friday so that members of the staff may spend their time in preparation for the prevailing mid-terms. Publication will be resumed Tuesday, April 30.

Shakespeare Honored At Banquet Tonight

Casts Of "If I Were King" And "The Private Secretary" Will Be Guests

Members of the Edwin Booth dramatic club will commemorate the anniversary of the birth of William Shakespeare, famed English playwright, at a banquet in the Little Country Theatre this evening at 5 p.m.

Covers will be laid for 40 guests, including active, alumni and honorary members and the casts of two plays, "If I Were King" and "The Private Secretary." The decorations for the table will be similar to those used in Shakespeare's time and the menu will be comprised of Shakespearian dishes. Mabel Wenzel, Theodore Laibly, Raymond Gregerson, Ruth Whitney, Alta Berg and Ruth Boerth are arranging the banquet features; Victor Lindgren and Harold Fogg, program and Miss Margaret Richardson, the music.

Scenes from several of the well-known Shakespearian plays will be presented after the banquet. Arthur Anderson and Ruth Boerth will present a scene from "Romeo and Juliet," Raymond Gregerson and Margaret Richardson, "The Taming of the Shrew" and Victor Lindgren, "King Lear." Miss Alice Bender, an alumni member of the club, who visited Shakespeare's home at Stratford on Avon, England, while abroad two years ago, will speak on the home; Father Patrick Ramsbottom of the Sacred Heart academy on "Shakespeare" and A. G. Arvold, head of the public speaking department of the school on "Shakespeare's Life."

TENNIS STARS TO MEET VALLEY CITY TEACHERS

C. C. Finnegan, athletic director, announced that the tennis schedule is now completed following arrangements for a match with Valley City State Teachers College at Valley City, May 18.

The Bison netmen will be pitted against the University team here May 4. A return match with the U will be played May 11, Valley City Teachers at Valley City May 18. The Bison team will journey to Brookings for Conference meet which will be held May 23, 24, and 25.

Activities of the Bison netmen have been confined to the indoor courts because of the poor condition of the clay courts. This has also handicapped the play in the coming inter-campus tennis tournament.

SCENIC EFFECTS FOR "IF I WERE KING" UNDERWAY

Construction of the scenery for the play "If I Were King" to be presented on the 7th and 8th of May, has begun according to Jesse Reynolds in charge of the scenic end of the production. The play is the annual spring play of the Little Country Theater Players and it will be presented in the Little Country Theater.

The first act of the play is laid in an old French inn, and the scenery is under construction by the committee in charge. The color is done mostly in dark brown to be in keeping with the age of the structure. In the rear of the stage a balcony with stairs leading to it will be one of the principal properties.

For properties of this scene everything used will be in keeping with the times and with the conditions of the structure. Old tables, beer mugs, chairs, and other properties of this type will be in evidence throughout.

YMCA Delegates Will Convene At Minot May 2 To 5

Howard Y. Williams Of St. Paul To Be Conference Leader; 27 Going From Here

A delegation which already numbers 27 will leave here next week for the North Dakota State Student Conference of the YMCA and YWCA to be held at the State Teacher's College of Minot, this state, May 2, 3, 4, and 5. The theme of the four-day meet is "Campus to World." Howard Y. Williams, minister of the People's Church, St. Paul, is to be the conference leader. According to the committee in charge he is well qualified to lead in the meets, as he has traveled extensively in Europe and America gathering a great store of information. He served abroad during the world war as a chaplain. Rev. H. E. Dierenfield of the First Presbyterian Church of Minot, John Rodger and R. C. Coffin of the State YMCA staff, and Miss Stella Scuplock of the YWC A will assist Rev. Williams in leading the various meetings.

The purpose of the meet is "to offer definite training on problems confronting YMCA and YWCA student organizations; to unite vitality in religion and reality in Jesus; to enter into a larger realization of the challenge of the Christian life and powers that are available for this life in our materialistic world."

Names of two State College students appear on the committee in charge of the conference. Graham Fuller and Prof. Otterson of the history department are in charge of the promotion work, while Miss Margaret Zimmerman is on the committee for social arrangements.

All the members of both the new and the old "Y" cabinets plan on making the trip to Minot as installation services for the new officers are to be held at some time not as yet set during the weekend.

All students who are interested in making the trip are urged by those in charge to come around to the YMCA this week and make their wants known. Those who plan on attending at the present time include Dr. W. C. Hunter, Prof. Rudolph Otterson, Byron Olson, Robert Adam, Arthur and George Platt, Leonard Rygg, Joseph Lindgren, Eugene Huckle, Jesse Reynolds, Martin Altenberg, Graham Fuller, Marvin Huckle, Ralph Welch, Ole Grottoden, Loyal Gaest, Glenn Smith, Ben Gorder, Billie Eastgate, Esther Boyer, Ethel Kraft, Marjorie Beatty, Margaret Zimmerman, Dean Dinan, Florence James, Ethel Jones, and Margaret Green.

BIDS FOR WINGS TO BE CALLED FOR MAY 11

Bids for the two wings to be built to the Agricultural building and Science hall for which the recent legislative assembly appropriated \$95,000 each, will be called for May 11, it was announced today by Dr. John Lee Coulter, president.

The board of administration has authorized the call and bids will be opened at the office of Dr. Coulter at 10:00 a.m. May 11.

Work on the new buildings should begin almost immediately after the contracts are awarded, Dr. Coulter said today, and it is planned to rush both buildings to completion in an attempt to have them ready for use at the opening of the college in September.

Both buildings are to be approximately 50 by 125 feet in size, each to be full three stories and basement. They will adjoin the respective buildings on the north in each instance.

Plans and specifications are now in the hands of W. F. Kurke, architect.

NEWMAN CLUB CONVOCATION TOMORROW

A convocation, sponsored by the Newman Club, will be held Wednesday, April 24, at 9:50 a.m. The speaker will be Rt. Rev. Humphrey Maynihan. He will speak on the theme "Are Science and Religion at War?"

Modernistic Trophies For Bison Brevities

Ticket Sale Well Underway; Directors Attend Flickertail Follies Last Night

Something new and different in the way of cups have been secured for the winning acts of the Bison Brevities to be given at the Orpheum, May 1 and 2.

The best fraternity act and the best sorority act will be presented with large 14 inch cups that sell for \$50 apiece. Instead of the usual metal handles they have unique green catlin stone handles with green bakelite pedestals. The cups have covers on which the knob is also of green catlin stone. The trophies were secured through the Fargo Jewelry Co.

Supervised rehearsals under the direction of Elmer O. Hansen and M. Foss Narum are now on their second round. Several acts will not be asked to appear again as they are ready for the stage while others will be compelled to rehearse several times this week in preparation for the final production. The directors of the show, M. Foss Narum and Elmer Hanson drove up to Grand Forks yesterday afternoon to attend the Flickertail Follies which are now underway.

Ticket sales in the hands of "Bill" McRoberts are progressing as fine as might be expected this early in the game, although as large a percentage of faculty have not taken advantage of opportunity to secure good seats from the Brevities office as was anticipated.

Ushers, who will be picked from the various fraternities by Finance Manager McRoberts, will be dressed in formal attire.

BISON-SPECTRUM EDITORS TO BE ELECTED SOON

In this issue will be found a notice issued by the secretary of the Board of Publications calling for applications for the four major staff positions on the Bison and Spectrum of next year, and also the minor staff positions. Written statements of the applicant's qualifications must be in the hands of Henry Presler on or before Monday, April 29, at six p.m.

These applications will be considered by the Board of Publications and voted upon at a later date. It will be noted that a call is made to those desiring any position on the paper to make their interest known. This is a distinctly new action on the part of the Board, whose members felt that they were anxious to get in touch with all journalists in the school wishing to serve on the student publications.

HUNSAKER ELECTED PHI KAPPA PHI PRES.

The spring business meeting of Phi Kappa Phi was held last week in the Green Room of the Main Building. The following officers were elected for the next year: president, Dr. A. F. Hunsaker; vice president, Miss Pearl Dinan; secretary-treasurer, E. H. Jones; historian, Miss Harriet A. Pearson.

A list of juniors elected will be announced soon. It is planned to have Recognition Day in May.

May 1 to 7 inclusive has been set for National Egg Week over the United States, according to Prof. O. A. Barton, head of the poultry husbandry department and chairman of the National Egg Week in the state. During this week housewives are urged to consider the value of eggs in the daily diet. The egg has often been called the keystone of cookery.

Riflemen Secure Corps Area Title Again This Year

Winners Of Seventh Corp Area Title Usually Win National Trophy

Lieutenant Ross's Bison Rifle team successfully defended their championship honors of the Seventh Corps area according to word recently received by Lt. Ross. The Bison gallery team scored 7695 points out of a possible 8000 to gain the title for the second consecutive time.

The Bison rifle team led their nearest opposition, Iowa University, by a total of 104 points. The score made by the rifle team was much better than that made a year ago when the Bison copped the National championship, their score at that time being 7622.

For the past four years the team that has gained the Seventh Corps area championship has also won the national championship. Minnesota won the double honors in 1925, Missouri in 1926 and 27 and last year the Bison swept through all opposition to win the local Corp area and the national honors.

High Schools Enter Teams For May Fete

Program Is Divided Into Three Groups—Athletic, Industrial And Literary

Entries for the 22nd annual May Festival to be held May 8, 9, 10, and 11, have started to come into the office of A. G. Arvold, chairman of the committee in charge, from the many High Schools of the State of North Dakota.

The event opens Wednesday evening with open houses of the various schools on the campus and the registration of the high school boys at the "Y" and the girls at Ceres Hall. The Architects Annual Exhibit is to be held that evening and the Gold Star Band will play a concert in the college armory.

A detailed account of the three remaining days is as follows:

Thursday, May Ninth
7:30 A. M. to 6:00 P. M.—Agricultural Contests, Stock Judging Contests, Stock Pavilion.

8:00 A. M.—Registration: Superintendents, Principals, teachers, school board members, contestants, YMCA; Assembly of students and principals interested in Engineering and Architecture tours, Engineering Building; Vocational: Agricultural Teacher's Conference, Agricultural Building.

1:30 P. M.—Home Economics Contests: Laboratories School of Home Economics, Ceres Hall; Vocational-Agricultural Teachers' Conference, Agricultural Building; Continuation of Engineering and Architecture observations, assemble in Engineering Building.

2:00 P. M.—Tennis Tournament: Men, College Campus.

4:00 P. M.—Children's Story Hour Contest, The Little Country Theatre.

8:15 P. M.—Fourth Annual Dance Recital, College Armory.

9:00-11:00 P. M.—All college buildings on the campus will be open for inspection to the general public.

Friday, May Tenth
7:30 A. M.—Agricultural Contests, Poultry and Crop Judging Contests, Agricultural Building.

8:00 A. M.—Athletic Contests (Women), Tennis and Baseball Tournament, College Campus. Meeting of all girls, Ceres Hall Gymnasium; Engineering films and demonstrations, Engineering Building; Engineering laboratories: School of Mechanic Arts open for inspection of the general public during entire day and evening.

9:00 A. M.—Vocational: Agricultural Teachers Business Meeting, Agricultural Building.

CAMPUS DIRT

The past few weeks the air has been saturated, or at least it is reaching the saturation point, with "catty" remarks about various organizations and individuals. As much as we dislike to say so, it seems to have entered with the Bison Brevities. Evidently it is the competition that hurts.

This is small town and small school "stuff." At the present time several nationals are looking over the school with an idea of entering. Their entrance should be given greater credit than it is by many, as they are in actuality a recognition of the school's growth and on the other hand, their entrance will help to build up the institution.

As one faculty man put it, "the fraternal* situation must be elevated to a little higher plain before many of these groups enter." With this thought in mind meetings of the inter-sorority and inter-fraternity councils will be held in the near future for a discussion of the situation. Undoubtedly Dean Arkle Clark will speak on fraternities while here, which will help the good cause along a bit. Check your thoughts and boost your fellow students.

*"Fraternal" in the speaker's mind took in both fraternities and sororities, with emphasis on the latter.

ARTISTS HOLD FORMAL IN GALLERY SETTING

Members of the Art Club entertained their guests at their annual formal in the art studio Saturday evening after expending considerable effort in transforming it into an international art gallery with works of representative artists of the different countries hung for viewing by the guests.

Lighting effects, which were original, were patterned after those used in an art gallery so that the exhibits might be seen to their best advantage. The pictures were artistic plates that members have made during the year in their regular art study courses.

Black and silver were the predominant colors in the decorative scheme and these were featured in the block prints made by the club members and given as favors and in the dance programs which were replicas of the score card of an art judge. Two little girls, Sarah Minard and Marjorie Arnold, dressed as artists, presided at the frappe table.

Director and Mrs. C. F. Monroe, Dr. and Mrs. W. S. Shaw, Professor

and Mrs. Rudolph Otterson, Misses Dorothy Cole and May Kelley and Professor Homer Huntoon were the patrons and patronesses. The party was attended by 40 couples.

CHARLES MCKINNIE TO TAKE UP AVIATION SOON

Charles McKinnie, Senior in the School of Mechanic Arts, has passed all of the examinations for entrance into the army aviation corp according to a telegram received by Roy Corbett from Abner Ingebretson in Minneapolis last Thursday afternoon. Seven out of 138 applicants were successful in the examinations.

Mr. McKinnie will probably finish his spring term of school and then go to the Brooks-Kelly flying field in Texas for a 50 week training course. Abner Ingebretson, mentioned above, is a graduate of this school and is now in Minneapolis with the Northern States Power Co.

Gailen Frosaker and William Stutsman, both of Minot, were weekend visitors at the Theta Chi house. They came to attend the Junior Prom and the Theta Chi party.

NOTICE!

Applications for the following positions on the '29-'30 Spectrum and 1931 Bison are due on or before Monday, April 29, at 6:00 p.m.: Editor-in-Chief and Business Manager of Spectrum and all minor staff positions; Editor-Chief and Business Manager of the Bison and all minor staff positions. These applications must state the applicant's experience and qualifications and the position he desires. The four major appointments are open to those who will be juniors or seniors at the time of assuming duty. Minor positions are open to any student of the institution. These applications may be presented to me as authorized agent of the Board of Publications.

(Signed) Henry Presler.

AMERICA LEADS IN CHEMISTRY SAYS NOYES

"He that put the advancement of mankind equal with his own advancement gets the best of life," Dr. W. A. Noyes, dean emeritus of the school of chemistry, University of Illinois, told the student body at a special convocation held Wednesday.

Dr. Noyes, speaking on "America's Opportunity in Chemistry" said that America was rapidly taking her place as a leader in chemical fields, the coveted position which was held until the World War by Germany, and that the change in attack upon chemical problems in the big laboratories was in a great way responsible for our success.

"The way forward," said Dr. Noyes, "is to develop training in schools in methods which will enable students to take the initiative and go ahead to find new knowledge in problems of industries. Our great problem now is that chemistry workers do not receive adequate incomes. In the period from 1900 to 1925 incomes in industry and agriculture increased over threefold, while incomes in the chemical world stayed unchanged. We may be thankful, however, that there are still men who are so interested that they go into it regardless of reward."

According to Dr. Noyes, that nation, class, or individual which places gain for himself above gain for others will lose that which is best in life, for "He that saveth his life shall lose it, he that shall lose his life, shall save it."

Dr. Noyes spoke at eleven o'clock in the chemistry building on "The electronic interpretation of oxidation and reduction." At six-thirty Wednesday evening he attended a dinner given by the local chapter of the Association of University and College Professors, and spoke afterward on "Authority and Religion."

THE END OF A PERFECT EVENING A LUNCH AT VIRGINIA CAFE Private Booths (Across from N. P. Depot)

TWO FORMALS TO BE HELD THIS WEEKEND

The annual spring formal dance season at the college has moved under way and as this issue goes to press four fraternal organizations announce their formal party plans, adding impetus to the party season. The committees of the Kappa Sigma Chi, Alpha Xi Beta, Kappa Psi, and Phi Upsilon Omicron groups have completed their arrangements.

The first formal dance of the week end is set for Friday evening when the members of Alpha Xi Beta sorority will hold their party to be given in the Comstock Hotel, Moorhead. Ethel Smith has charge of the affair which is to be a Hawaiian festal. She is assisted by Frances Brummond, chairman of the music committee; Hilda Hovde, patrons and programs; Gertrude Wilmert, entertainment; Ruby DeOtte, favors; Alice Peterson, decorations; Hazel Harris, refreshments. Mr. and Mrs. Percy Beals, Mr. and Mrs. T. H. Hopper, Dean and Mrs. H. L. Walster and Miss Adelaide Laurie are the patrons and patronesses.

On Saturday evening the Kappa Sigma Chi members and their friends will enjoy a formal party at the Fargo Country Club. Gil Moom is general chairman of arrangements. Tyler Helland, chairman of the decorations committee, is keeping his plans a secret but promises something very different for the guests. Patrons and patronesses are Dean and Mrs. I. W. Smith, Dean and Mrs. H. L. Walster and Mr. and Mrs. L. Seranton.

The Kappa Psi fraternity will hold their party on May 3, and the Phi Upsilon Omicron group on May 11.

Elsa Simmons and Robert Allison, accompanied by Mr. S. Simmons, drove to Des Moines Thursday to attend the formal party of the Chi Delta fraternity of which "Bob" is a member. The party took place Friday evening.

FORMER STUDENT WEDS MINNEAPOLIS WOMAN

Miss Helen Elizabeth Simmons, daughter of Mrs. William H. Simmons, Minneapolis, became the bride of Philip C. Schuyler, Los Angeles, Calif., son of Mrs. Clarence Schuyler, who made her home in Fargo for a number of years, Saturday.

Mr. Schuyler is a charter member of Epsilon chapter of Alpha Gamma Rho and is at present a student of Agricultural Economics working with the U. S. Dept. of Agriculture.

WRITERS CLUB MET THURSDAY EVENING

The Writers Club held its regular meeting last Thursday night at the home of Karl Gerteis. Among the numbers on the program were "How to Flatter a Woman" by Dorothy Warburton and "One Decade" a short story by Joseph Paulson. Light refreshments were served. The next meeting will be held at the home of Walter Bordsch.

A "Priceless" College Education ---At Less Expense

You can get it at the North Dakota Agricultural College.

Students who are now attending this college give "low cost of attendance" as one of the main reasons for coming here.

Even though the cost is low you obtain the best training that fits you for prominent positions.

A Bachelor of Science degree is offered in Agriculture, Science and Literature, Home Economics, Architectural Engineering, Architecture, Biology, Chemistry, Civil Engineering, Education, Electrical Engineering, Mechanical Engineering, and Pharmacy.

Special work may be taken in paint chemistry, physics, botany, mathematics, public speaking and dramatics, economics (agricultural and general), and social and political sciences.

THE NESTOR BILLIARDS-BOWLING-SMOKES LUNCH - SOFT DRINKS

*Ebullitions of
Ebony Blott*
By Everett Wallum

Kennie McCullough can't figure out why he didn't get into the Bison Brevities. "I'm the original Bison brevity," says he.

There's bound to be some buck and wing dancing. It costs you a buck to see it, and afterwards you wish you had wings.

We've heard of the co-ed acts, and we don't blame the management for having an asbestos curtain.

The Kappa Phis are to have a band, and we hope it has plenty brass for its initial appearance.

Dutch Hermes will play on the linoleum.

Dutch thinks a mouth organ is the tongue.

We'd like to see Walt Shamp play the piccolo.

The Sigma Taus will have mechanical men who will have to carry can openers in order to get out of their costumes.

Even their voices have a metallic ring.

They're going to wear the tin you love to touch.

If any of the acts flop, there'll be a few impromptu disappearing acts too numerous to mention.

To be able to look like robots, the Sigma Taus are allowed to eat nothing but canned goods.

The Kappa Sigma Chis have a strong man act. He will bend horse-shoes which is a lucky break.

He will be out on a bender, so to speak.

He will break nails, but that isn't so swell. We've seen lots of people bite their nails.

He's so strong he once ploughed his way through the corridors in Science Hall.

He's a nice man to have around to break up a cold. Anyway, he won't sing any mammy songs.

The Sigma Thetas are going to dress as dolls, cats, and jack-in-the-boxes. We're going to bring marbles.

We're more interested in jack in the office box.

The girls who are going to act as dolls have been eating sawdust the past week, and we hope they can hold out for another week.

Spring Eootball Will End With A Real Game

125 Track Men Enter For Intra-Mural Sat.

Coach Finnegan Will Pick Two Teams To Play Genuine Game Friday Afternoon

By MILO HOISVEEN

Bison football followers will be given an opportunity to see some pre-season football Friday afternoon when two teams picked from the candidates reporting for spring football will be pitted against each other in a regular game. Athletic director Finnegan announced that the game would be the final event in spring football.

Forty-four pre-season gridders will be given an opportunity to play in the coming game. A number of seniors from last year's team have consented to participate in Friday's contest and will don the Bison uniform for the last time.

Should Finnegan's charges tackle and block in the coming game as they have been doing the past week, fans will be treated to a rare bit of football. Never before has a Bison squad shown such viciousness in blocking and tackling. On end run plays, backs protecting the ball carrier, have been throwing themselves relentlessly at oncoming tacklers. Guards have been pulling out of their places and joined the backfield in their onslaught on the defensive backs and ends. Linemen have shown much ability in opening up holes for the oncoming ball luggers.

In the meantime when some back fails to be properly protected he is usually nailed in his tracks by some hard hitting tackler. The three weeks of hard workouts which the squad underwent has put the members in excellent condition and the casualties suffered in the scrimmages have been mild.

Finnegan and Lowe have been giving the squad much work in blocking, tackling, and passing. The backfield candidates have received much work in broken field running. Several formations have been given but the majority of this work will be given this week in preparation for the coming game.

Candidates who have been outstanding in their positions are: backfield, May, Gergen, Hanson, Pariseau, Goodwin, Lonsbrough, Westgate, Fairhead, and Walsh; Centers, Ordahl and

Bollman; Guards, Hoveland, McGrath, Sasse; Tackles, Shamp, Law, McMillan, Herseht, Anderson; Ends, Deitrich, Miller, Wahl, Haley, Scalf, Regan, and Clark.

Track Meet Saturday

More than 125 thinly clad athletes will compete in the third annual intramural track and field meet Saturday at 1 p.m. Teams representing the college Y. M. C. A., Freshmen R. O. T. C., and eight fraternities will be entered in the annual spring classic according to Coach Leonard T. Saalwaechter, Bison track mentor.

The number of entries greatly exceeds that of last year and are double that of two years ago when intramural track was first introduced at the college. In order to increase interest in the spring meet three trophies will be awarded by the athletic department. A trophy will be awarded to the team garnering the largest number of points and to teams winning the 440 and 880 yard relays.

Two Strong Teams Enter

Last year's classic was won by the Y. M. C. A., the winning margin being much less than that of two years ago when the Alpha Kappa Phi tracksters easily romped off with the meet. Both groups are again represented by formidable teams.

Many records established during the past two years will be broken if the early tryout of the entries are any indication of their coming performances. The 100 and 220 yard dashes seem destined to fall before the flying feet of Ole Sand, Alpha Kappa Phi sprinter. The discus throw and the shot put appear to be rather unstable due to the early trials made by Leo May, Theta Chi weightman.

A great battle for the supremacy of the javelin throw and a possible new record will be the result of the shaft throwing contest between Redhorse Johnson, Pembina, and Paul

Bunt, Aberdeen, S. D. Johnson, a one time holder of the North Dakota state high school title, has tossed the spear better than 175 feet, while his opponent, Bunt, is the present holder of the South Dakota high school record. Other records that appear to be resting unfirm are the broad and high jumps, low and high hurdles, and the 880 yard relay.

Alpha Kappa Phi Enters 22

At the present time Alpha Kappa Phi, with 22, has the largest number entered in the intramural competition. Theta Chi and Alpha Sigma Tau are next with 17 men each. Alpha Gamma Rho and Kappa Psi have 13 and 12 respectively. The Sigma Phi Delta and Delta Kappa Sigma fraternities have entered 11 men. Kappa Sigma Chi has the lowest entry having only 8 enrolled to date. There are possibilities of the R. O. T. C. and the Y. M. C. A. teams combining to make the largest entry made by one group.

A drawing will be made among the sororities for the purpose of picking sorority sponsors for the various fraternities and groups entered in the track meet. The sorority being the sponsor of the winning group will be awarded a trophy. The Sigma Theta sorority won the award last year, being sponsor for the championship Y. M. C. A. team.

ONE MORE COLLEGE ROMANCE CULMINATES

Miss Gladys Barton and John Wandmaker, college sweethearts, will marry in August according to an announcement made at a luncheon at the O. A. Barton home Saturday afternoon.

Miss Barton will graduate this June. She is a member of Kappa Delta and

Guidon sororities. John Wandmaker was a member of the class of 1928 and is now connected with the Minnesota Linseed Oil and Paint company, with headquarters in Minneapolis. He is a member of Alpha Sigma Tau and Alpha Phi Omega fraternities.

George Hildre, Egeland; Raymond Douglas, Cando; Lawrence Reiten, Buffalo; and Christ Benson, Halstad, Minn., were weekend visitors at the Rho house.

What! No Gold?

A terrible situation! Avoid it next year at this time by investigating the Consumers Merchandise Association offer to student salesmen. During the vacation months, hundreds of our student representatives make from \$400 to \$2,500. Write or call for further information.

BUSINESS EDUCATION

A business education is a practical education that prepares one for every-day living. It gives the training necessary for entrance into the business world where the demand for trained workers is much greater than the supply. The business world pays a salary twelve months out of the year with two weeks' vacation on full pay.

Hon. W. T. Harris, Ex-Commissioner of Education, said, "Without a thorough and practical commercial education, a man is like a ship at sea without a compass or rudder."

Take your course in business training in an accredited school. Call or write for particulars.

KAMPUS KOLUMN**

Alpha Sigma Tau announces the initiation of Anthony Faber, Bismarck; and Robert Anderson, Don Alstrop, Dan Howell, Fred Payne, all of Fargo at the chapter house, Sunday morning.

Miss Fern Carlson a student at the University of N. D. was at home this week end to attend the Junior Prom and the Theta Chi party.

Mr. and Mrs. Smith and Theresa Smith were weekend guests of Ethel Smith at the Alpha Xi Beta house.

Evelyn Probstfield spent the week end in town with her parents.

Mr. and Mrs. B. T. Smith of Underwood were guests of their daughter, Ethel, at the Alpha Xi Beta house this weekend.

The girls of Ceres hall were hostesses at a dancing party in the Ceres hall parlors on Saturday evening. After the dancing hours, which were from 8:30 to 11:30, light refreshments were served in the dining room. Dean Pearl Dinan, Mrs. A. M. Williams, Mrs. E. Kelsey, and Miss Ruth Rogers were chaperones. Delphine Van Houten and Velma Hurmence were in charge of the general arrangements.

Dere Torg;

Yu no I sed that I wusnt goin to rite til aftre the Brevities but I just coodnt waite as I got sum moor insyde on the sho an heer it is. Wus rong on who is perducin the sho as Foss an Hanson dont want to bee anybodee less than Flo Seigfeldt an Earl Carroll but Elmer doesnt want the bathtub wid it.

Saw sum of the ackts rehersing and the Beta's ar shure in the ronning as long as Harriett an Evelyn wil do there stuf whil the Kappa sumtings have a pare called Norby an Cowles (shes the little redhed) thet put the sketch over to satisfactory konklusion an speaking of flyers the Thetas hav one called Mary Hassell, vel she aint got to Sweden but jyst the same there homber vil be gude.

Aint goin to tel yu no mor abowt the Brevities caus Im sposed to say to yu frum Flaten thet he hes in a lot of swel neckties an now thet Sprung hes kum, he is selin a lot of golf socks an sweaters an thet he is goin to see thet boxing fight thet is goin to be at the Y.

Mus be leevin yu.

Olaf.

P. S. After seein the gurls reherse found out why the ar calling it Bison Brevities. Me, vy Im setting in the fron row an no follin.

**GREGERSON OUTSTANDING
IN PRIVATE SECRETARY**

Before a good crowd in the Little Country Theatre, the Edwin Booth Dramatic Club presented "The Private Secretary," a farce comedy by Charles Hawtry last Wednesday, which evoked much mirth and laughter from the audience.

The play was largely built around exaggerated situations rather than a well developed plot. These situations Raymond Gregerson brought out characteristically of the agitating Mr. Cattermole terrorizing at the least bit of opposition. To balance this was the regressing Rev. Spaulding which was acted with care and well portrayed by Theodore Laibly.

Alta Berg and Joyce Roberts as Edith Marsland and Douglas Cattermole, respectively, taking the main roles of a love story theme gave excellent performances.

Graham Fuller as an emaculated dressed tailor played well the part of Sidney Gibson, who solved the mixed identity complex by collecting bills.

Jane Eddy's interpretation of an elderly lady was splendidly given. Others who took part in the play were Edna Sullivan, Callista Berrigan, Kenneth Wyard, Jesse Reynolds, Tillman Stevens, and Anthony Faber.

Plans are being made by the alumnae chapter of Phi Kappa Lambda sorority for a benefit bridge to be given Saturday afternoon in the Elks club. Games will begin at 2:30 p.m., and refreshments will be served at the conclusion of the afternoon. Miss Ella Pickering is in charge of arrangements.

Coca-Cola
Delicious and Refreshing

**PAUSE AND
REFRESH
YOURSELF**

OF COURSE IT'S NO FAIR PLAYING THE PROCTOR AND SPYING OUT SUCH A DELICATE SITUATION AS THIS. BUT THEN, WE'RE NO PROCTOR. AND WE CAN RESIST ANYTHING BUT TEMPTATION.

All of which goes to prove (if we may be excused for saying so) that the pause that refreshes is the sanest temptation which millions ever succumbed to. And to these same millions the pause that refreshes has come to mean an ice-cold Coca-Cola. Its tingling, delicious taste and cool after-sense of refreshment have proved that a little minute is long enough for a big rest any time.
