

Bison Brevities Finance Manager Opens Ticket Sale

"Bill" McRoberts, Production Finance Manager, Is Busy Distributing Tickets

"Bill" McRoberts, finance manager of the Bison Brevities, formally opened the ticket sale campaign for the production to be staged Wednesday and Thursday, May 1 and 2, on Wednesday morning of this week.

Tickets will sell for \$1.00 per seat on the main floor, 75c in the first and second balconies and 50c in the gallery. They may be bought either by mail, from representatives, or at the Bison Brevities office. The Brevities office is located directly north of the Bison-Spectrum office in the basement of the administration building.

People who buy tickets from the various representatives on the campus will have to bring their tickets around to the Bison Brevities office and have their seats reserved for whichever night they desire to attend. These tickets bought from representatives may also be reserved at Orpheum box office which will open on Monday, April 29, 1929.

Cup For High Group

A unique eight inch loving cup will be presented to the organization whose representatives sell the largest number of tickets. The cup is a real one and in the minds of M. Foss Narum production manager, and Wm. McRoberts, it should serve as a considerable inducement for organizations to back the ticket selling campaign.

Everyone who expects to attend the show is urged to reserve their seats at once by the management as the good seats are being taken up rapidly.

The Bison Brevities office will be open from 9 to 12 each morning and from 1 to 2 in the afternoons.

Abrahamson Will Manage May Judging

69 Schools To Take Part In The Stock Judging Contest Thursday, May 9

Paul Abrahamson, Leal, will manage the seventh annual May Festival Stock Judging contest on Thursday, May 9th, according to announcements released by Wayne Weiser, Saddle and Siroin president, and Prof. E. H. Jones, in charge of North Dakota's Smith-Hughes instruction, recently. Assisting Mr. Abrahamson, Arthur Ziegler will organize the squad leaders; Martin Peterson will secure the holders for the animals, and Lyness Lloyd will attend to the dope sheet.

Sixty-nine schools over the state of North Dakota have already signified their intentions of entering the contest according to Prof. Jones. In speaking of the contest he added that it would be entirely impossible for them to conduct the high school judging event without the assistance of the members of the Saddle and Siroin Club, who assist annually.

Grain and poultry judging will be held the day following the livestock judging, Friday, May 10.

The first inter-high school meet was held here in 1923 with 13 schools participating. Last year over 50 schools were entered.

Newman Club To Sponsor Speaker At Convocation

Former President of St. Thomas College Will Address Students April 24th

Monsignor Moynihan, rector of St. Paul's Seminary at St. Paul, Minn., will be the convocation speaker on Wednesday morning, April 24, at 9:40. "Are Science and Religion at War" is the topic of his discussion.

The convocation is sponsored by the Newman Club of this campus. The speaker is also speaking up at the University and is sponsored at that point by the Newman Club of the University campus. The club plans on making this convocation an annual event, sponsoring some Catholic speaker here every year.

The Rt. Rev. Humphrey Moynihan graduated with a Master of Arts degree from the Royal University of Ireland. He later studied theology and philosophy in Rome where he was awarded a doctor's degree in theology. He was president of Saint Thomas college until 1923 when he became the Rector of St. Paul's Seminary in St. Paul, Minn.

Banquet Planned

While in town the speaker will be the guest at a Newman Club banquet to be held Tuesday evening at the St. Anthony school dining hall.

THOMAS ARKLE CLARK HERE FOR MAY FETE

Thomas Arkle Clark, dean of men at the University of Illinois, has been secured by Dean A. E. Minard to speak at a convocation hour during the May Festival on May 9, 10, 11. The day has not been set but will very likely be on Thursday morning. Dean Clark, in the minds of the majority of college people, is the foremost man in his field in the world. It was the Dean who said there shall be no cars on the Illinois campus, and there were no cars. Other institutions have attempted a like prohibition but have failed. He has written many books on fraternities and is considered an outstanding authority on the collegiate fraternal situation. He is a member of Alpha Tau Omega fraternity.

Incidentally, Dean Clark was a classmate of our deceased Dean Emeritus of the School of Mechanic Arts, Edward S. Keene.

OX "Bo's and Shebo's" Make Whoopee Saturday

"Hallelujah, I'm a Bum" is to be the theme song of the Theta Chi "Jungle Buzzard's Ball" when the "bo's" and their "shebo's" hop the 6:30 freight as it pulls up to the water tower enroute to the "jungle" at Saben, Minn., tomorrow night.

A "handout" wound in a bandana and a "pint" will be the equipment of each and every "buzzard" attending the shindig. The chief "Bo" will be "Red-Dog" Allen and among those whose duty it will be to see that the dance does not turn into an I.W.W. convention are: Mr. and Mrs. C. A. Williams; Mr. and Mrs. Matt Tindall; Mr. and Mrs. N. D. Gorman, and Mr. and Mrs. James Cook.

The tattered veterans of the rails and their "ladies" will dance until the 11:30 freight goes back to Fargo. The dance will take the place of the annual cotillion of the fraternity.

Sixteen Freshmen Receive Numerals

Largest Number Of Basketball Numerals Ever Awarded At N. D. State

The largest number of basketball numerals ever to be made at this college since the Freshman eligibility ruling, were made by Athletic Director Finnegan as a result of the sixteen recommendations turned in by Coaches Saalwaechter and Lowe. In previous years the numeral awards never exceeded twelve but the galaxy of material reporting for the first year practice necessitated the increasing of the "1932" awards.

Lowe's charges turned in an excellent record for the past season. The Baby Bison turned in victories over the Concordia B team, the Waldorf quint, and the University frosh basketballers. Many of the numeral winners show promise of giving the varsity regulars much opposition in the next years basketball season.

Winners of the numerals are: Blair Seitz, Mandan; Erick Nordstrom, George Farihead, Rockford, Ill.; Thor Johnson, Pembina; Leo Thommason, Park River; Don Walsh, Vern Goodwin, New Richmond, Wisc.; Carl Hanson, Clifford Westgard, Willmar, Minn.; Clifford Lonsbrough, Ferndale, Mich.; Sam Westgate, Grafton; Paul Bunt, Aberdeen, S. D.; John Walker, Robert Freeman, Moorhead; Walter Olson and Clair Peterson, Fargo.

The purpose of this society is to further education by high professional and scholarship standards during the period of preparation for teaching.

The constitution was adopted and the following officers elected: Hazel Harris, president; Lily Ann Thorsell, vice-president; Lucille Edlund, secretary; and Forest Willey, treasurer.

Phi Beta Nu will petition Kappa Delta Pi for a local chapter of this national honorary education fraternity. The School of Education leads all other schools on our campus in scholastic standing.

Over 200 Couples Expected At Junior Function. Knutson, Samuelson, To Lead

Plans are complete for the greatest Junior Prom ever held at North Dakota State College to begin this evening at 8:30 p. m. at the Crystal Ballroom, according to Everett Knutson, McClusky, prom manager. Miss Emily Samuelson, Phi Omega Pi, will lead the grand march with him at 9 o'clock following a half hour of informal dancing. Miss Miriam Morrow and Clifford Booke, assistant prom manager, will be second in line.

A fountain at one end of the room will be one of the special features connected with the decorations which will be carried out largely with modernistic designs. Miss Dorothea Anderson has not released the nature of the feature dances, but they will undoubtedly consist of several tap dances and comical vocal duets.

Good Crowd Expected

Over 200 couples are expected to attend the party, judging from the demand for the tickets, according to Elmer Torkelson, finance manager. The tickets have been on sale all week on the campus and downtown.

Two Extras

The programs which will be given out at the door are unique in design. They will accommodate 12 dances and two extras. The Red Jackets, best in the Northwest, will play the 14 dances and the grand march.

In the line of favors, all those who have had a squint at them have placed their orders for an extra one in case any remain after the party. They surpass any favors ever presented at a Junior prom in recent years.

Honored guests will be Dr. and Mrs. John Lee Coulter, Deans and Mrs. H. L. Walster, H. L. Bolley, L. L. Carrick, A. D. Weeks, R. M. Dolve, W. F. Sudro, A. E. Minard, I. W. COSTUME SEARCH BEGUN FOR "IF I WERE KING"

Costumes will be a feature in the presentation of "If I Were King" on May 7 and 8, according to Miss Harriett Phillips, in charge of the costumes. Every effort is being made to have every costume in keeping with the time of Louis XI. A state wide search is in progress to procure the attire.

It is the intention of the committee in charge of the play to have the costuming of "If I Were King" the best ever shown in the Little Country Theatre. Every character will be arrayed in the most fitting apparel procurable for the event.

VERY FINE, BYRON!

Byron Olson, outgoing president of the YMCA, outlines this week in the student opinion column the accomplishments of the association during the past year. Apparently Mr. Olson believes the term "White Elephant" too drastic for our situation. One reading his summary would almost believe so.

On the other hand, item one might stand a little enlightening. No credit is due the "Y" or the student body of North Dakota State for the cleaning up of the bad debts. The business men of Fargo should be thanked for this, for the funds have come from the Fargo Community Chest. Unsubstantiated, we dare to say that student fees from membership do not even pay the salaries of the men the "Y" keeps.

We are not attempting to belittle Mr. Olson's administration, and the purpose of the YMCA, but are attempting to throw sufficient light on the situation to make "Our White Elephant" a challenge to every male student on the campus, thus making for a stronger organization with more students managing it in the years to come. Our plea this week is to read the Student Opinion and give the matter some thought.

THE BEST "GUY" IN TOWN

In the minds of the members of Blue Key fraternity Guy Beach is undoubtedly the best "Guy" in town for he has been going out of his way the past few weeks to cooperate with the management of the Bison Brevities. He has personally announced the coming of the Brevities from the stage each evening this week. He has freely given them advice on how to run the show, passed out "comps" to the entire group, offered the assistance of his entire scenery painting staff free of charge and lastly, but not least, he is leaving five complete sets of scenery at the Orpheum, which the management of the Brevities may use if they so desire. Along with this last grant, he has left considerable miscellaneous properties behind which are to be used if needed.

No financial reimbursement for the favors at all, but merely expending the courtesy from his heart. It apparently pleases him to be of assistance. State College appreciates it, Guy, and we hope to see you back in Fargo with your stock company again next spring.

Ebullitions of Ebony Blott

By Everett Wallum

"The Private Secretary", is billed as the "rarest farce comedy ever written." We had hoped it would be well done.

No doubt it won't be so rare, after the critics get through roasting it.

Many rare productions develop into a raw deal.

If anything is well done, it will be the private secretary's boss.

The trouble with most private secretaries is that they are public nuisances.

"A romantic love theme is carried out," says the writeup. Thank heavens, they are carrying it out.

Who's going to carry out the gum used by the private sec.?

Curtain denotes the lapse of four bunches of gum and mind of stage hand.

We know a private secretary so dumb that she thinks she has to close her fist to take short hand.

They may be good on shorthand, but they sure got long fingers when it comes to garnering lucre.

We hope the curtain goes down a lot so that the cures hall girls will take the hint when they retire nights.

HOW TO BE AN ACTOR

The erring business man will hear his wife coming, and it is then, folks, that he will have to go before the foot lights.

"The Private Secretary" was given twice. Most of them are given in marriage more than that.

The stenog's motto is "Do a good durn daily."

When a stenographer is bending over her work, the typewriter is under wood.

The world's most stupid typist has just been brought to light. The boss told her to take a letter and turn out a carbon copy, so she dismissed the colored office boy.

Married women never make good typists. They can't take dictation.

Stenogs put gum on their chairs in hopes that they will stick to their job.

The play was centered around mistaken identities. "That was no stenog, that was a lady."

FINNEGAN TO SPEAK AT AMENIA HIGH SCHOOL

C. C. Finnegan, Director of Athletics, will address the Amenia Civic club and the high school basketball team at a banquet honoring the basketball team on Saturday. The Amenia quint which is coached by Supt. Frank Dugan, former University football and basketball star, made an admirable record during the past season, winning eleven out of fourteen games. This is the first year basketball has been played in Amenia high school and fans are elated over the excellent showing made by the team.

Intra-Mural Track Records Will Suffer Soon

Over 100 Trackmen To Enter April 27th

Alpha Kappa Phi Team Won Two Years Ago; YMCA Team Last Year

All records established in the annual intra-mural track meet during the past two years are expected to be broken in the third annual meet which is to be held Saturday, April 27 at 1 p.m. A record number of entries is also expected in the coming meet.

With the interest in track growing, each year Coach Saalwaechter has arranged an extensive relay and track schedule. The first year in which Coach Saalwaechter introduced intra-mural track at this college there were but sixty entries. This amount was increased to over a hundred for last year and at present indications look as though it would be well over the hundred mark for the third annual event.

Past experience has shown that a number of men not adapted to other sports have participated in track and turned out to be excellent athletes in this sport. Anyone desiring to enter the meet should report to Coach Saalwaechter.

The initial intra-mural meet held at this college two years ago was won by the Alpha Kappa Phi cindermen. Last year the event was captured by a band of tracksters representing the college Y. M. C. A. The 440 yard relay will be run in the intra-mural this year for the first time. The meet will not require two hours time for completion and all students are urged to attend the spring classic.

The records established in the past two years are: 100 yard dash, Dave Aitken, Y.M.C.A., 10.03; 220 yard dash, Dave Aitken, Y.M.C.A., 23.03; 440 yard dash, Dorland Konichek, Sigma Tau, 55.5 sec.; 880 yard dash, Dorland Konichek, Sigma Tau, 2:15.3; Mile run, Mueller, Y.M.C.A., 5:04.3; Two mile run, Russel Weiser, Gamma Rho, 11:31; High hurdles, Clasen, Kappa Phi, 17.3; Low hurdles, C. Miller, Kappa Psi, 29.01; Pole vault, Blakeslee, Delta Sig, 10 ft. 6 inches; Broad jump, George Hays, Theta Chi, 20 ft. 6 1/2 inches; High jump, Zeissler, Sigma Tau, 5 ft. 5 inches; Shot put, Wahl, Kappa Phi, 36 ft. 11 3/4 inches; Javelin, Schmidt, Kappa Psi, 145 ft. 1 inch.; Discus, Wahl, Kappa Phi, 113 ft. 6 inches; 880 yard relay, Kappa Phi, 1:40.6.

At services held at the chapter house last Monday evening Dean R. M. Dolve was initiated into honorary membership in the Sigma Phi Delta fraternity. At the same time professors R. H. Slocum, H. S. Rush, M. B. Erickson, and Messrs. G. F. Yott and R. A. Corbett were initiated into faculty membership.

Epsilon Chapter of Sigma Phi Delta fraternity announces the formal initiation of Ralph Simenson, Valley City; Rea Talyor, Bismarek; and Don

Haarmon, Herman Grothe, Tommie Quam, Jack Simonitsch, and Allan Brierly, all of Fargo. Initiation services were held at the chapter house at 7:00 a.m. Sunday.

Drink **Coca-Cola**
Delicious and Refreshing

PAUSE AND REFRESH YOURSELF

IT WON'T BE LONG NOW. AND THE PAUSE THAT'S COMING MAY NOT BE SO REFRESHING AS SOME OTHERS WE KNOW OF.

The moral is to avoid situations where it is impossible to pause and refresh yourself—because whenever you can't is when you most wish you could. Fortunately, in normal affairs there's always a soda fountain or refreshment stand around the corner from anywhere with plenty of ice-cold Coca-Cola ready. And every day in the year 8 million people stop a minute, refresh themselves with this pure drink of natural flavors and are off again with the zest of a fresh start.

Women's Senate Show Attracts Packed House

Spring Promenade Showed What The Well Dressed Man And Woman Should Wear

By ELENE WEEKS

Twenty-one young women and eight young men paraded the newest spring models in front of a packed house in the Little Country Theatre Thursday afternoon in the Spring Promenade sponsored by the Women's Senate of the North Dakota State College.

The revue was staged in four sections, showing sports wear, street costumes, afternoon frocks and formal evening models.

Red, with a scattering of tan and green predominated in the sports attire which was shown against an outdoor setting of awnings and grass. The straight line, accentuated by pleats was much in evidence. The unusual neckline distinguished the models for the street, which were trimmed with a good deal of fur. Black and tan over chareuse green and red were the favorites for the ensemble which figured prominently in this display. Hats were of the close fitting brimless type, chosen in color to accentuate the coat of the ensemble. The men in this scene wore light colored sweaters which were worn in the sports revue.

Tan, blue, green and lavender in the pastel shades featured the frocks of sheer georgette developed with the uneven flared hemline, and in most cases with deep cape collars of the same material, worn with large transparent hats of matching color which demanded prominence in the afternoon display. The petit ensemble with tiny coats of georgette to match the frock were also of importance. The men were dressed in rather darker shades of business suits.

The uneven hemline, dipping decidedly in back, featuring rows of ties

and floating flares, combined with severe necklines to form evening gowns of decided charm and originality. Materials used were mostly taffeta and tulle, with some printed chiffon. Men wore the correct tuxedo.

Costumers and models for the event included: Blacks, Evelyn Blakeslee, Audrey Miller; DeLendrecies, Margaret Richardson, Grace Swanson; Fusfield's, Mary Healy, Helen Carstenson; oJoseph's, Grace Soper, Margaret Ballard; Mary Elizabeth Shop, Grace Soper, Margaret Ballard; Herbst, Glade Cowles, Marjorie Landbloom; Kruse's, Hazel Heald, Mary Ricker; Moody's, Helen Stokke, Elsa Simmons; Shotwell's, Jane Sudro, Mary Hassel; Taylor's, Harriet Phillips, Emily Samuelson; Waterman's, Luella McDunn, Helen Carstenson; Ted Evanson, Leonard Luther, Bob Allison; Flaten's and The Globe, Joseph Blakeslee, Stanley Raymond; Fargo Toggery, Harold Peterson; Marquisee's, Bob Roberts; Alex Stern, Leonard Friberg, Joyce Roberts. Marvel Ulrich and Ethel Dahl, costumed by DeLendrecie's appeared as maids. Music was provided by Dorothea Ward and Marion South.

Members of the Women's Senate are: Margaret Ballard, Gladys Barton, Ruth Henning, Florence James, Ethel Jones, Katherine Knerr, Elene Weeks, Marion South, Jayne Sudro, and Dorothea Ward.

REDECORATED STATE TO OPEN ON APRIL 22

Can you imagine yourself sitting in an old Spanish garden with the stars twinkling in the midnight blue sky above and watching and listening to the latest release from Hollywood?

If you can then you've already guessed the setting the redecorated State Theatre will present when it opens its doors to State college theatre goers on April 22.

"We are proud to give Fargo theatre goers the only atmospheric theatre in North Dakota, where the latest all-sound pictures will be presented for their approval," said Mr. Ed. Krause,

manager.

Portions of a castle protrude from the walls of the show house, giving the audience the effect of sitting in a Spanish garden between two castles. The roof is dome shaped and the twinkling stars produce a beautiful effect.

The theatre is equipped for both movietone and vitaphone shows and as an added feature a non-synchronous device has been added for the presentation of novelty song and organ numbers.

North Dakota State boys in snappy uniforms will serve as ushers. There will be a change of program twice a week, Monday and Thursday. Five shows, four of them deluxe programs, will be given each day at 1, 3, 5, 7, and 9 p.m.

Nancy Carroll and Gary Cooper will be featured in the opening number, "The Shop-Worn Angel", a talking singing and sound production. Miss Carroll sings the theme song, "That Precious Little Thing Called Love." The price will be fifty cents for evening performances and thirty-five cents for matinees.
