

## 28 Men Initiated By Fraternities Sunday, April 7

### Phi Kappa Lambda Sorority Takes In Six Members; Kappa Phi's Lead Fraternities

Following a week of "hell" 28 men were formally initiated into four State College fraternities on Sunday, April 7, 1929.

The Alpha Kappa Phi fraternity leads in numbers, initiating 12 men. They are Willard Peterson, Lisbon; Thomas Christianson, Valley City; LeRoy Boyd, Fargo; Eric Nordstrom, Rockford, Ill.; Clifford Westgate and Carl Hansen, Willmar, Minn.; William Gorder and Gilbert Wall, Carbury; Paul Cook, Bismarck; Owen Jones, Larimore; Lloyd Rawalt, Fargo; and Vern Smith, Twin Valley, Minn.

Alpha Sigma Tau announces the initiation of Edgar Crewe and William Lenhart of Bismarck; Frank Seebart, Lakota; Charles Hedlund, Underwood; and James Konen, Burtrum Kilbourne, Robert Stinson, Merle McCurdy, all of Fargo.

Six men were initiated into Delta Kappa Sigma fraternity. They are as follows: Kenneth Wyard, Fargo; William Champlin, Fargo; Carl Miller, Fargo; Richard Maxwell, New England; James Law, Ayr; Arthur Cramer, Dilworth, Minn.

Kappa Sigma Chi initiated one man on Sunday, Harvey Gifford of Hillsboro, N. Dak.

Theta Chi and Kappa Psi fraternities have not decided upon the date of initiation as yet, while the Gamma Rho's initiated eight last week and the Sigma Phi Deltas will hold initiation services this coming Sunday.

### Lambdas Initiate

Phi Kappa Lambda announces the formal initiation of Alice Warne, Lillian Wangness, Maurine McCurdy, Marguerite Jennings, Roberta Henning, all of Fargo, and Helen Schroeder of Waterbury, N. Y.

### Kappa Deltas Initiate Eight

Sigma Psi of Kappa Delta held initiation services at 3:30 Sunday afternoon April seventh at the chapter house, 1002-7th st. N., for Virginia Davis, Marjorie Landblom, Myrna Ottinger, Bettie Stone, Alma Sandquist, Glade Cowles, Gladys Mickelson, and Helen Peterson. At seven o'clock, a formal banquet in honor of the new initiates was held at the Gardner hotel.

## MATERIALS ARRIVE FOR ALPHA KAPPA PHI HOME

A carload of brick and tile was side tracked on to the G. N. spur running to the power plant on Saturday and trucks immediately began hauling the construction material to the site of the new Alpha Kappa Phi fraternity house on the corner of 12th ave. and 12th sts N.

At the present time the excavating of the basement is complete and the forms for the basement walls are set. Continued progress of the same rapid nature as exhibited the past week will have the house complete and ready for occupancy when school opens next fall.

The general building contract went to Meinecke and Johnson, while M. M. Sornson will look after the plumbing and heating.

## KD'S HAVE EXCEPTIONAL BISON BREVITY ACT

Last week a linotype operator's diminutive knowledge of the Greek alphabet caused him to eliminate the name of the Kappa Delta sorority among the acts which qualified for the Bison Brevities. According to Foss Narum, production manager of the show, the young ladies are very much in the running, having one of the outstanding acts. Rumor hath it that it is an act of three dances and all kinds of music. A dance by Miss Mary Healy is a "wow", the judges having never witnessed anything of the sort before the try-outs.

## STUDENT OFFICERS ASSUME NEW DUTIES

The newly elected student commission headed by Lawrence Parsons formally took over the reins of student government last night at a banquet given in their honor at the Powers Hotel. This year's student commission banquet, an annual event, was in the hands of M. Foss Narum, outgoing president of the commission, who acted as toastmaster for the occasion. Both the old and the new members of the governing body attended the affair.

At the conclusion of the dinner the outgoing commissioners gave short talks, explaining the duties of their respective offices. These were responded to by the present officers and the present commission formally took charge of the coming year's business.

## Women's Senate To Sponsor Style Show

### Correct Spring Attire for Street, Sports, Informal, and Formal Wear To Be Shown

Members of the student body and faculty of the North Dakota State college will have an opportunity to witness a review of spring styles Thursday, April 11th, when the Women's Senate sponsors their "Spring Promenade."

"Collegiate Campus Creations" procured through the courtesy of downtown stores, will be modeled by both men and women from 4:00 to 6:00 in the Little Country Theatre. The girls who will wear the clothes, chosen at a tryout held Friday afternoon, and the stores which will outfit them are as follows: Blacks, Evelyn Blakeslee and Audrey Miller; Mary Elizabeth Shop, Grace Soper; Moody's, Helen Stokke and Elsa Simmons; Kruse's, Mary Healy, Hazel Heald; Taylor's, Harriet Phillips, Emily Samuelson, Marjorie Landblom; Fusfield's, Jessie Smith, Mary Healy; Waterman's, Helen Carstenson, Luella McDunn; Shotwell's, Jane Sudro, Mary Hassel; DeLendrecie's, Mary Ricker, Glade Cowles; Joseph's, Helen Stokke, Elsa Simmons. Four changes of costume will be shown including the correct apparel for the street, sports, informal wear and for formal evening attire.

The men who will model have not yet been selected, but the stores which will attire them are Stern's, Marquisee's, Fargo Toggery, Ted Evanston's, and the Globe.

A few humorous skits will be presented during the modeling and music will be provided by Dorothea Warde and Marion South. Misses Mary Elliot and Minnie H. Anderson are cooperating with the Woman's Senate to make the event a success.

## Y. M. C. A. WILL ELECT OFFICERS TODAY

Members of the Y. M. C. A. will cast their ballots for officers for the ensuing year at the college "Y" today. Polls will be open from 10 a.m. to 5 p.m.

## ART CLUB, ALPHA XI BETA FORMALS SOON

Luella McDunn is the general chairman on arrangements for the Art club ball to be given in the Art studio at the college April 20. Plans are under way for special features and decorations. Honorary members who have been invited are the Misses Dorothy Cole, Frances Bailey, and May Kelley. Patrons and patronesses will be Prof. and Mrs. Rudolph Otterson, Prof. Homer Huntoon, Dr. and Mrs. W. S. Shaw, and Mr. and Mrs. C. F. Munroe.

On April 26, the Alpha Xi Beta sorority members will entertain at a formal party at the Chamber of Commerce. Miss Ethel Smith has charge of the general arrangements. Other committee chairmen are: Frances Brummond, music; Gertrude Wilmet, entertainment; Alice Peterson, decorations; Hazel Harris, refreshments; Ruby DeOtte, favors; and Hilda Hovde, programs and patronesses.

## Mrs. Gooden Has Work For All Who Cooperate

### Spring Weather Has Opened Up Many New Positions; Bureau Makes Good Record

Every student on the campus who is desirous of securing employment must register with Mrs. Psyche M. Gooden, employment secretary located in the "Y", at once, as the fine weather has exhausted her supply of available students.

In making the appeal for more students, Mrs. Gooden stated that this extra demand was due to a recent advertising campaign conducted by herself and the spring weather, which has opened up many new positions. The matter of registering is acquainting her with the applicant's available hours and where he can be located at all times. In speaking of the latter she pointed out how boys come in for work; she has none at hand at that moment; they leave; calls come in and they want someone at once. Practically everyone wants their man at once and the greater majority of the calls come in when no students happen to be in the office. In her opinion students who fail to take advantage of the bureau are making a mistake, as the college is furnishing this service free of charge.

Up-to-date the bureau has furnished student help in 1,289 homes and 278 business houses in Fargo. The work has been either part time jobs or regular positions. A total of 540 students have enrolled in the bureau this year, 434 men and 106 women. A careful checkup on the quality of work done is kept by the employment secretary in her files. A rate of less than one percent of dissatisfaction has resulted during the fall and winter terms, Mrs. Gooden stated.

"There is no sort of job that students will not tackle," Mrs. Gooden said. "They do not pick and choose the kind of work they like, but cheerfully attack with vigor anything offered."

Girls' work during the winter has included the following: care of children, cooking, dishwashing, ironing, cleaning and serving at luncheon and parties, tutoring work, nurse maids, stenographers, clerks, store clerks, summer camp workers, and ushers in theaters. Men students have washed windows, put on screens, helped in moving, raked lawns, polished floors, painted, washed cars, spaded gardens, planted, and many have found work at hotels, cafeterias, offices, garages, oil stations, express and telegraph companies, janitors of apartment buildings, and caretakers for various plants in the city.

## Blue Key Elects One Senior, Six Juniors

### Next Meeting To Be Held Thursday, April 11th, In Ceres Hall

Six juniors and one senior were recently elected to Blue Key, honorary social service fraternity, in recognition of their collegiate achievements.

Those elected are as follows: John Brady, Wahpeton, senior in the School of Education; Wayne Weiser, Hazelton, junior in the School of Agriculture; Lawrence Parsons, Fargo, junior in the School of Mechanical Arts; Ralph K. Welch, Grafton, junior in the School of Agriculture; Lloyd Clark, Mohall, junior in the School of Mechanical Arts; Victor Madsen, Starkweather, junior in the School of Mechanical Arts; Adolph Pahl, Lidgerwood, junior in the School of Chemistry.

The next regular meeting of Blue Key will be held this Thursday evening in the Ceres hall blue room. At this time the newly elected men will be initiated and the date for the Bison Brevities will be set.

## Ronald Olson Leads Honor Roll With A 95.6 Average

### MARION HARTLEY IS CONCLAVE DELEGATE

Miss Marion Hartley will represent Zeta chapter of Phi Omega Pi at the National Conclave which will be held in the early part of June at Mackinac Island, Michigan. Miss Ruth McKinnon will serve as alternate delegate, and Miss Almarine Schulz will represent the alumni chapter.

The trip will be made by train to Chicago. From there the girls will reach Mackinac Island via boat as no motor vehicles are permitted at the Island resort.

## Tindall Appointed Alumni Secretary

### Thordarson To Devote Entire Time To Correspondence Course Work

M. E. Tindall, a graduate from the school of agriculture in 1922, and more familiarly known as "Matt," will devote his full time as Secretary of the Alumni and Former Student Association beginning July 1, 1929, according to Dr. L. R. Waldron, president of the association. He will succeed T. W. Thordarson, '16, who has been devoting one-third time to the duties of the Association. Mr. Thordarson will be on full time in charge of the correspondence courses in the school of agriculture.

Mr. Tindall comes particularly well qualified for the position. He was outstanding in collegiate activities. Besides being editor of the Agassiz, now the Bison, and of the Spectrum, he was cadet major of the R. O. T. C. battalion and active in the Edwin Booth Dramatic club. Alpha Zeta and Theta Chi claimed him as member. He entered the world war as private and was commissioned second lieutenant in the field artillery, serving 14 months with the A. E. F. in France. He is now captain of the local Fargo Headquarters company of the National guard. Upon graduation, he entered the services of the Fargo Forum, and has advanced steadily from reporter to telegraph editor.

Mr. Tindall is the son of Rev. and Mrs. G. E. Tindall, St. Cloud, Minn., his father being one of the pioneer ministers of the northern Minnesota conference of the Methodist Episcopal church. In 1926 Mr. Tindall married Mildred Fraser, daughter of Adjutant General and Mrs. G. A. Fraser, a former A. C. student and graduate of the University of North Dakota.

In taking up his new work at this time, when the institution is obviously at the threshold of a new development, Mr. Tindall is prepared, with his customary enthusiasm, to carry out the proposed program to a successful conclusion. Dr. Waldron believes. That the Alumni Association, under the able leadership of Mr. Thordarson, has already secured for itself an important place in the state was shown during the last legislature.

## W. A. A. TO INITIATE 10 WOMEN WEDNESDAY

Initiation services will be held at the Women's Athletic Association meeting tomorrow (Wednesday) at 5 p.m. The new members to be taken in are: Mabel Samuelson, Myrtle Allen, Myrna Ottinger, Iola Osness, Doris Sommer, Helen Stokke, Lillian Wangness, Dorothy Rennix, and Grace Soper. Belle Shalit will renew her membership.

Kathryn Knerr, Grace Sjoldal, Olive Osness and Lorissa Sheldon are in charge of the services.

Clifford Booke, Williston, was elected Supreme Director of the Alpha Kappa Phi fraternity last night. Other officers elected are Lawrence Nilles, Casselton, Bursur; Leonard Friberg, Rockford, Ill., Grand Judge; and Paul Cook, Bismarck, Recorder.

**THE ALUMNI ASSOCIATION**

The appointment of M. E. Tindall as full time alumni secretary is a boon to North Dakota State College. Under the part time direction of Mr. Thordarson the association has done creditable work influencing the growth of the school. Our new physical education building that is coming up is due to a large extent to the efforts expended by the association. With the secretary of the association devoting his entire time to the work, the alumni of the institution will be united and a larger percentage of them brought into the association.

Mr. Tindall's ability as a journalist will make it possible for him to sell the school to the young folks of the state through correspondence, newspaper features and like material. Very likely he will handle all of the sports news coming out from the institution, which has been recognized as a weak division for some time past. This will put our athletics on a par with other large schools in the minds of the readers over the state.

The department of correspondence courses will now grow into a bigger and better department with Mr. Thordarson devoting his entire time to the work. In the opinion of the Spectrum he makes his exit from the alumni association having made a very creditable showing for himself and the organization. His homecomings have all been successful and carefully managed, with a continued growth each year. He has made many friends in his work and undoubtedly strengthened the organization.

**TENNIS CLUB TO BE ORGANIZED WEDNESDAY**

Tomorrow noon a tennis club which will be backed by the athletic department will be organized in a room in the Engineering building. The meeting is in charge of Fred O. Gronvold and Lawrence Meldahl and will start promptly at 12:45 p.m.

Thirty-two students have signed up for the campus tournament which is to be held in the near future. Director Finnegan has made it possible for the netmen to gain early season training by making arrangements with the college Y. M. C. A. for the use of the Y auditorium for indoor practice. The college armory is also being turned over to the racket followers at certain hours.

Director Finnegan announced there are possibilities of placing a girl's team in intercollegiate competition. There is exceptionally fine material among the coeds for introducing this sport. Several of the coeds enrolled here have made excellent records in state and interstate competition.

Students who have signed for the campus tournament are: Fred Gronvold, Felix Adams, K. Helferty, Gene Sinner, Cecil Bliss, Al Benson, Harold Julsrud, John Blair, John Bond, Max Hughes, K. McDowell, Don Bolley, K. Landbloom, and Chuck Callahan, all of Fargo; Sam Westgate, Stanley Raymond, Milo Hoisveen, Grafton; L. Meldahl, Valley City; George Fairhead, Rockford, Ill.; Art Johnson, Donnybrook; Glen Smith, Dickinson; H. Zwerg, Sheboygan, Wisc.; H. Vendt, New Salem; C. Kingsley, Mohall; H. Tribur, Rugby; Bill Hiltz, Bowbells; Ray Basset, Wahpeton, and M. Tobias, Beach.

**BISON RELAY TEAM PLACES SECOND SAT.**

The Bison entry in the Minnesota Relays finished second in the relays event in 3:37.5. Morningside college trailed the Bison to cop third place.

The relay team which represented the Bison was made up of Ole Sand, D. Konnichek, Neal Baldwin, and Roy held for the members of the North Central conference. The Bison relays

were headed by the Nodaks who gained first place by running the mile ordre. Saaly's runners will next compete in the Dakota Relays which will be held at Sioux Falls in the near future.

Ole Sand traversed the first lap for the Bison and established a big lead for his team, traversing the quarter mile in excellent time. Baldwin, running second for the Bison, maintained the lead made by Sand. Jordre, the third man, was pitted against the fastest of the university quartet and although putting up an excellent stand the Nodak runner was able to gain the lead from the Bison. Konnichek, holding down the anchor position, gained ground on the "U" finalist and

was but a few inches from regaining the lead when the tape was reached. Lieut. Frank Ross accompanied the team to St. Paul.

## Ebullitions of Ebony Blott

By Everett Wallum

We have an employment bureau on the campus, and all the students are patronizing the place to find out where they can evade work.

Each cold-blooded applicant is given a job taking care of furnaces.

The girls are taking care of babies, and this is an awful WOW.

Which reminds us that there are others besides infants who cry for "it."

Everyone feels the necessity of working, but few know who to work.

One student, who got a job winding a sun-dial, got canned for watching the clock too much.

Another asked for a position as bookkeeper, and he had a testimonial from Mrs. McVeety showing that he kept a book for two years.

This affinity for the written word got him a job as a page.

Students failing are labeled as canned goods and kept in dry places.

Every pledge works for his board, and gets it in the end.

Before criticising our employment station, we must remember that all bureaus have socks in them.

We must hand the lilacs to the enterprising applicant, who wanted a job as bouncer. As proof of his ability, he proffered an age-stained newspaper clipping which read: Mr. and Mrs. Hooley are the proud parents of a bouncing baby boy.

The rebound was terrific as he bounced out of the office.

A couple of job-seeking electricians got shocked in a hurry.

They said they were live wires, and they were. Everybody who hired them dropped them immediately.

Another wanted to labor in a drug store. "I've eaten hash," says he, "and I know about everything."

He was politely informed that it isn't what you eat that goes to your head. It's what you drink.

## Championship Boxing Tourney Wednesday

### Spring Football To Attract 50 Men Soon

**Herb Karges vs Frankie Devorak And McMillan vs Lonsborough Attracting Attention**

By MILO HOISVEEN

Bison leather punchers will lace their gloves Wednesday at 8 p.m. for the final elimination card in which six college champions will be crowned. The championship of the following divisions are at stake: feather, light, welter, middle, lighthheavy, and the heavyweight.

In the main go of the titular card Herb Karges and Frankie Dvorak will fight for the middle weight honors. Karges, who has participated in the two previous elimination cards, won his last bout by a technical knockout and was held to a draw in his first start by John Bond. Dvorak has fought in but one card and eked out a draw over Bond in this match. As far as the dope is concerned the two gladiators will take to the ring on even terms in their coming setto.

McMillan and Lonsborough have been drawn to set the pace in the semi-final match. At the present time McMillan is riding high in the minds of the railbirds because of his victory over Schrader in the last card. Lonsborough, who has fought in but one series, has also a knockout to his credit and a great battle is expected when these two lighthheavyweights place their feet in the rosin for the championship of their group.

The welterweight championship is being contested by Nick Nelson and Skjonsby. Both boys are somewhat on the order of speed merchants and it is thought that the crowd will be treated to a fast bout.

Molitor, who made a brilliant performance in his first start, will be pitted against Pingham. Pingham, who has not made a public appearance up to date, is a darkhorse in the lighthweight division but it is known that he possesses much speed and is a heavy puncher.

Friberg is given an even chance to defeat Law for the heavyweight title, and the king of them all champion-ship. Law has disposed of all previous

opposition by the knockout route and has gained fame as a dynamite puncher.

In a bout held Saturday afternoon to determine Marvin Spielman's opponent for the feather weight championship, Charles Fox punched his way to a decision over Leonard Patzwald.

Cliff Bollman, who was scheduled to meet Karges in a session similar to Patzwald-Fox bout, injured his hand and was forced to withdraw from the final tourney. Arrangements may be made for a clash between the middleweight champ and Bollman in the near future.

### Spring Football Under Way

Forty grid candidates are daily receiving work in the fundamentals and the rudiments of football under the tutelage of coaches Finnegan and Lowe. The pre-season candidates reported for their first practice a week ago.

For the past week the practices have been confined to the conditioning of the gridders in preparation for the coming week which is to be marked by some scrimmage. Charging practice, passing, and a small amount of blocking made up last week's program. Considerable attention will be given to blocking practice during the early part of the week.

Headed by Captain "Cod" Ordahl a number of the veterans of last year have reported to receive the benefits to be derived from the spring campaign. Veterans who have reported are: Pete Gergen, Alf Skaret, Leo May, Elmer Pariseau, Loyd Clark, Horace McGrath, and Joe Blakeslee. It is expected that a number of the other veterans will report for duty this week.

**BUSINESS EDUCATION**  
A business education is a practical education that prepares one for every-day living. It gives the training necessary for entrance into the business world where the demand for trained workers is much greater than the supply. The business world pays a salary twelve months out of the year with two weeks' vacation on full pay.  
Hon. W. T. Harris, Ex-Commissioner of Education, said, "Without a thorough and practical commercial education, a man is like a ship at sea without a compass or rudder."

Kill the Umpire

PAUSE AND REFRESH YOURSELF

THE FELLOW THAT SHOUTS, 'KILL THE UMPIRE', LOUDEST, USUALLY WOULDN'T HURT A FLEA. ORDINARILY HE'S JUST GOTTEN ALL HOT AND BOTHERED AND NEEDS NOTHING SO MUCH AS AN 'ICE-COLD COCA-COLA AND THE PAUSE THAT REFRESHES.

Millions have found that this pure drink of natural flavors, with its delicious taste and cool after-sense of refreshment, makes a little minute long enough for a big rest. The one who pauses to refresh himself laughs at the overheated fellow.
