### Stage Set For Engineer's Brawl To Be Held Tonight

Informal Dancing Will Start At 8:30 p.m. With Grand March At 9:00

See Fatima, not the cigaret, but the dancing girl! Two hundred and forty pounds of bouncing loveliness as she dances without the use of her limbs! Such will be the nature of the cries to be heard at the Engineers' Wild West Brawl which will be held in the college armory tonight. Everything is set to give the students of NDSC a revival of that thrill that is customary with carnivals and wild west affairs. The armory is decorated to represent a street in front of the court house at Cactus Gulch, Arizona. According to Percival Peightal, Arizona isn't as dry as it is supposed to be, either. You will hear the balley-hoo of keepers of concession stands, with offers to the luck winners. The finest assortment of sparkling-eyed puppy dogs and googoo-eyed baby dolls will be present and you can't help but be lucky and walk home with at least two or three, according to those in charge. Also, not to neglect the main feature of the evening, informal dancing will be in vogue at promptly 8:30, with the grand march at 9:00 o'clock. Hank Pressler and his Vagabonds have been inveigled to come out to Cactus Gulch for the occasion and will furnish the music.

Percival L. Peightal, senior in Civil Engineering, and his partner, Miss Laurel Kingsley, Mohall, will lead the grand march. Next in line will come the assistant manager, Kenneth McDowell, senior in Mechanical Engineering, and his partner, Miss Alys Norman, Fargo. The members of the various committees and their partners, patrons and chaperones and guests will follow the managers in the grand march.

Chaperones are Dean and Mrs. R. M. Dolve, Professor and Mrs. R. H. Slocum, and Professor and Mrs. H. S. Rush. Patrons are Professor and Mrs. D. M. Bavly, Professor and Mrs. F. L. Weeks, and Mr. and Mrs. G. F. Yott.

### Track Men Attend Minnesota Relays

Tryouts for the right to carry the Bison colors in the Minnesota relays, which are to be held Saturday, took place Tuesday afternoon. Those winning the right to represent the Bison relay team are Dorland Konnichek, Cy Peschel, Neil Baldwin, and Roy Jordre.

The relays are to be held at the University of Minnesota, and are considered as the relay classic of the northwest. Teams picked from universities and colleges making up the northern part of the Big Ten are represented at the relays. A large number of entries come from colleges in Wisconsin, Iowa, South Dakota, Minnesota and North Dakota.

This is the first time the Bison have been entered in the Northern classic and it is thought that the team from this college will make a good showing. The Bison runners will also be entered in the Dakota Relays which are to be held May 19 or 26th.

A number of weight and field event men have been turning out daily for conditioning prior to the dual meets which are to be held in the near future. A dual meet is scheduled with the Valley City State Teachers, and the University trackmen. The Bison will also oppose Jamestown college and the Valley City Vikings in a triangular meet.

The Alpha Gamma Rho formal has been indefinitely postponed due to the death of Fred Grant.

### YMCA WILL ELECT OFFICERS TUESDAY

Members of the YMCA will cast their ballots for officers for the ensuing year at the college "Y" Tuesday, April 9th. Polls will be open from 10 a.m. to 5 p.m.

### Judges Pick 10 Acts For Bison Brevities

Judges Were Enthused Over The Talent Unearthed In Try-Outs Last Week

Ten acts are now selected for the Bison Brevities as the result of the try-outs held the forepart of last week. M. Foss Narum, production manager, and the judges of the acts, emerged from the tryout thoroughly satisfied that the Brevities would go over bigger than anything that ever hit Fargo before.

There will be supervised rehearsals from now until time for presentation. The acts accepted are Alpha Kappa Phi, Alpha Sigma Tau, Delta Kappa Sigma, Delta Phi Beta, Kappa Psi, Kappa Sigma Chi, Phi Omega Pi, Sigma Theta and Theta Chi.

Judges were the following: Lieutenant Fay Smith, Lieutenant Frank Ross, Professor Homer Huntoon, Professor Kenneth Bird, and Professor T. W. Johnson, Mrs. M. A. Baldwin, representing the Fine Arts club and Elmer Hanson, University of North Dakota.

The Brevities are being sponsored by Blue Key and are in charge of M. Foss Narum as production manager and William McRoberts as finance manager.

### Booke To Assist In Prom Management

Elmer Torkelson To Take Charge Of Ticket Sales According To Knutson

Clifford Booke was recently appointed assistant manager of the coming Junior Prom by Everett Knutson, manager of the party to be held Friday, April 19th. Mr. Booke is a junior in the School of Science and Literature, a member of Alpha Kappa Phi and Blue Key fraternities, and hails from Williston, this state.

Not very authentic, of course, but dame rumor has it that Miss Miriam Morrow will be second in line with Mr. Booke at the junior function.

Elmer Torkelson will have charge of the ticket sales for the affair and says that the tickets will be put on sale during the next week. Mr. Torkelson is a junior in the School of Mechanic Arts and a member of Sigma Phi Delta and Blue Key fraternities.

Lawrence Parson, recently elected president of the Student Commission, is in charge of the decorations. His selection was made by Mr. Knutson before he acquired his new duties, but will undoubtedly stand as he is a junior in the department of Architecture and is given credit for a creative imagination that will put the decorations over in first class style.

### MAY 17 IS DATE SET FOR SENIOR PROM

William McRoberts, manager of the annual senior prom, has announced that it will be held in the Crystal Ballroom on Friday, May 17.

Chairmen of the ball committees include Milton Pemble, assistant leader; Wilford Plath, music; Gladys M. Barton, patrons; Ethel McEssy, refreshments; Arthur Anderson, decorations; John Bohlig, programs; Marion Trowbridge, William Rundquist, features; Kenneth McDowell, floor manager; John Brady, tickets.

### Dramatic Club Agrees On Spring Term Play

'The Private Secretary' by Chas. Hawtrey Will Be Given April 17 and 18

Members of the Edwin Booth Dramatic Club have selected "The Private Secretary" for their term play to be presented on Wednesday and Thursday April 17 and 18, in the Little Country Theatre at 8:00 p.m.

"The Private Secretary" is a farcial comedy in three acts by Charles Hawtrey. There are 13 characters in the play, 7 men and 4 women. The costumes used in the play are of modern design.

The plot of the play consists of numerous complications setting in at the beginning of the first act with misunderstandings increasing while the comedy proceeds until the final end where everything is solved.

Members of the cast have been chosen as follows: Jesse Reynolds will play the part of Mr. Marsland; Kenneth Wyard will take the part of Harry Marsland (his nephew); Raymond Gregerson, Mr. Cattermole; Theodore Laibly as Rev. Robert Spalding (a character of the meekest of the meek, with his hair parted down the center and trousers four inches above his shoes); Joyce Roberts as Douglas Cattermole; Graham Fuller as Mr. Sydney Gibson (a tailor who tries to break into society); Anthony Faber as Gardener; Alta Berg as Edith Marsland; Edna Sullivan as Eva Webster; Callista Berrigan as Mrs. Stead; Jane Eddy as Miss Ashford.

### FRED GRANT DIES IN MOORHEAD HOSPITAL

Fred Grant, Glyndon, Minn., died from spinal meningitis in the St. Ansars hospital yesterday forenoon.

"Freddie" is a former student in the School of Agriculture; a member of Alpha Gamma Rho fraternity; and will be remembered by State College students as the young man who led the charity ball with Miss Marion Trowbridge.

### COULTER TELLS CONGRESS FARM AID PLANS

President John Lee Coulter has been in Washington, D. C., this week in the interests of a farm aid plan that would assist the northwest farmer. Tuesday he spoke before congress declaring that distress of the farmers of the United States is due more to the farm surplus of the world, rather than the surplus produced by the American farmer. Tariff adjustments together with a federal farm board to guide our American farmers, would make it possible to adjust this situation, according to Pres. Coulter.

### PEG O' MY HEART TO BE GIVEN BY H. S.

On April 5th the senior class of the Agricultural and Mechanic Arts High School will present "The Peg O' My Heart", a comedy in three acts by J. Hartley Manners, in the Little Country Theatre at 8:00 o'clock.

### Parson Defeats Booke In Race For Presidency

New Commission Members To Be Installed At Banquet On Monday, April 8

Political aspirants and dopesters received a shock last Wednesday evening when the count from the Student Commission election revealed that one frame, which is now recognized as a strong machine, placed every man who happened to be on their ticket. Approximately 620 votes were polled on Wednesday, which is the largest vote ever cast at North Dakota State according to Horace McGrath, commissioner of elections.

A banquet is being planned for Monday evening for the members of the old and new commission to turn over and take over their respective duties.

Lawrence Parsons, a junior in the department of Architecture and a member of the Alpha Sigma Tau fraternity, defeated Clifford Booke in the race for presidency of the student commission. Parsons secured 351 votes and Booke 269. Mr. Parsons will succeed M. Foss Narum as president of the student commission.

Victor Madsen, a junior in the School of Mechanic Arts and a member of Sigma Phi Delta fraternity, defeated Henry P. Sullivan in the commissioner of elections race by 3 votes. Madsen polled 310 and Sullivan 307. Mr. Madsen will succeed Horace McGrath as commissioner of elections.

Mr. Heilman is a sophomore in the School of Science and Literature and a member of Alpha Sigma Tau fraternity. He will succeed John Bohlig as commissioner of public speaking.

In the race for commissioner of athletics, Horace McGrath defeated Leo May by securing 354 votes to May's 269. Mr. McGrath, who is a sophomore in the department of Architecture and a member of Delta Kappa Sigma fraternity, will succeed Pete Gergen as commissioner of athletics.

Oscar Hanson, James Law and Russel Weiser gained a seat on the athletic board of control defeating Roy Jordre and Stanley Raymond. The three men elected will succeed Matt Braus, Mike Sullivan and Joe Blakeslee.

Charles Brawn, Kenneth O. Piper and Adolph Pahl were elected to the Board of Publications. Others in the race include Helen Stokke, Karl Gerteis and Francis Ross.

### GRADUATION TO BE SET AHEAD

On Monday, March 12, 1928, the student body voted to set graduation ahead one week by a vote of 539 for and only 15 against the action. With graduation again close at hand we find it set for the usual time; after over three-fourths of the student body have gone to their respective homes. Under this arrangement students never witness the ceremonies until they themselves are members of the graduating class. This may of course have its advantages, but the student body clearly stated their disapproval of the system some thirteen months ago and now ask why the council did not accede to their demands.

A little inquiry into the situation and the "buck" is passed on to the Student Commission. A formal written request for the change has never been made to the faculty council, consequently no change has been made. Undoubtedly the commission will look after this matter very shortly; it must be done before the next catalog goes to press. When the council is acquainted with the vote taken over a year ago they will probably comply with the student wish and graduation will be held at the "proper" time next year.

### THE THIEF

Recently our attention has been attracted to the stealing of a ND sweater in the armory during an inter-fraternity basketball game. This is a considerably more dastardly act than the usual thievery as a ND sweater is worth much more to its owner than just so many pounds of wool or so many iron horses. Quoting The Volante from South Dakota State, they say:

"To our mind a thief is the most contemptible thing in the world. He should be crushed as the dirty worm that he is. Ranchers in the days of another generation were certainly justified in hanging thieves, we hope that the bird who has been doing all this dirty work will have his neck broken. Then we hope that the Puritan conception of an eternal, fiery hell is correct and that the marauder will roast there forever. And we hope that Lazarus remains in Abraham's bosom and is not permitted to go down with an acetylene blow torch to cool the poor devil's tongue. We're sorry that we are not permitted to print just what we think of the cur."

### McMillan Scores Knockout In Tourney

Lieutenant Smith's Bison boxers gave fight spectators an enjoyable evening when they fought the second round of the elimination tournament last Wednesday evening.

Rod McMillan and Ai Schrader put up a great battle in the headline setto. McMillan won by a clean knockout in the final round of the four round event, and won the right to fight for the light heavyweight championship in the coming card.

McMillan proved to be the aggressor in the first round and copped the initial stanza on points. McMillan continued to shade his hard punching opponent in the second and third rounds by his vicious attack. The two gladiators fought on comparatively even terms at the start of the final round but with a miute to go one of McMillan's sizzling rights found its objective and Schrader went down for the complete count.

The curtain raiser fought between Law and Herseth, two heavyweights, ended in a victory for Law. The two big boys hit a terrific pace in the first round but the giant Law solved the Herseth attack and referee Sam Chesely stopped the bout in the second stanza, Law winning by a technical knockout.

Vern Skjonsby shaded the midget welterweight Johnny Scalf in an interesting bout. Scalf gained the first round advantage by his stinging punches. The welterweights fought on even terms during the second round. Skjonsby took the next two rounds to win the bout on points.

John Bond and Frankie Devorak put up a thrilling scrap in the second welterweight match. Although handicapped by the lack of ring experience Bond won the applause of the crowd by his gameness. The hard-hitting Devorak counted heavily in the fighting and it was in this department that he won himself the decision.

After Hintz had gained the first round by a slim margin the wily Cliff Bollman uncorked enough drive to win from his opponent in the second stanza. Bollman continued to pile up a big advantage over Hintz and his driving rights were sufficient to gain a technical knockout in this period.

Herb Karges proved himself to be one of the leading middleweight candidates by winning from Frank Haley via the technical knockout route in the second round. Karges won the laurels in the first round by his hard

hitting. In the second round the two fighters collided, Haley receiving a head injury which necessitated stopping of the bout, Karges winning by a technical knockout.

As yet no definite date has been set for the third card of the elimination series. The officials working Wednesday's program were: referees, Sam Chesely, C. Dawson; judges, Pat Purcell and H. Hubertz; timers, F. Mumm and Lieutenant Frank Ross.

We note with trepidation that six girls have moved into the practice house for the Spring Term. That house has had nothing but practice since it was built, and it's liable to go stale any minute.

We don't care what the girls practice just so it isn't a saxophone.

The girls do their own cooking. Which is a subtle way by which college authorities determine how long people can fast.

Anyway, we'd hate to invite any one of them for a feed after their long vigil.

They spend half their time estimating the number of calories in a bowl of tripe.

Then they boil, roast, fry, and fricasee the calories until their own parents wouldn't know them.

And then they throw away the tripe and eat the bowl.

In the past, girls in the practice house have had better luck with men than menus.

They ought to teach the girls to reach for a "Lucky" instead of a sweet. That's what Anne Morrow did.

At that, gils would rather go to the practice house and have a model home than get married and have a muddle one.

Girls have to do their own laundering. And we imagine they would, too, if they had anything to launder.

They have to sew, too. And as you sew, so shall you rip, or is it vice-versa?

The only needles we've ever seen the modern girl use are in the phonograph.

They might needle lil food after while, though.

It's all right if the girls want to practice on the house, but hey'll have to leave our little freshman hopefuls alone.

There used to be only four girls in the practice house. After ransacking the bedpost, the present inmates will have to buy two new sticks.

Judging by what they sell in drug stores nowadays, the pharmacists should spend a little time in the practice house too.

After eating boarding house buns, we arrive at the conclusion that the girls keep practicing after they get out of school.

But why should they practice on us?

**Delta Sigs Win Campus Championship**

**Milo Hoisveen Selects All Campus Team; Kappa Psis Take Second Place**

Delta Kappa Sigma fraternity eaglers won the Campus league championship by winning 13 out of 14 games. The champions by no means had an easy time annexing the honors as they won several of their games on one and two point margins and were hard pressed by the Kappa Psi quint, last year's champs, throughout the season.

The Delta Kappa Sigma team was the most evenly balanced organization in the loop. The laurel winner suffered a lone defeat at the hands of the Kappa Psi team. The regulars composing the championship quint are Joe Blakeslee, Neil Baldwin, Carl Miller, Chuck Arneson, and Floyd Viel.

**All Campus Team**

Chloupek, forward, Kappa Sigma Chi

Honorable mention—Tonn, Hanson and Shepherd, of Kappa Psi; Baldwin, Delta Kappa Sigma; Wall, Boyd and Peschel, Kappa Phi; McKinnon and Robertson of Alpha Gamma Rho; Konnichek, Alpha Sigma Tau; McRoberts and Hiltz of Theta Chi; Carlson, Sig-

ma Phi Delta; Jordre, Kappa Sigma Chi.

Ray Basset, Theta Chi forward, was the outstanding performer of the league. Basset is the possessor of a fast and accurate pass, and is a clever dribbler. It was because of these assets that the Theta Chi flash gained the high scoring honors.

**Chloupek Star Player**

Not far behind Basset was Harold Chloupek, stellar Kappa Sigma Chi forward. Chloupek proved to be the backbone of the Kappa Sigma Chi aggregation which caused the leading teams of the loop no end of trouble. Chloupek is fast and an excellent ball handler.

Carl Miller, Delta Kappa Sigma center, was chosen for the pivot position because of his steady play thru-out the Sig championship campaign. The big fellow plays any position on the floor, but has better command of the center post.

Joe Blakeslee, also a Delta Kappa Sigma cager, was selected to hold down a guard position because he was capable of taking care of the fastest forwards in the loop and added much to the champs offense. Blakeslee was easily the fastest player in the Delta Sig lineup.

The other guard post was awarded to Weenie Miller, clever Kappa Psi guard. He is a fast deceptive dribbler and would be of great value to a team having a fast breaking offense.

**Basset High Scorer**

Though Basset played in only 11 games he had little trouble in gaining first place in the scoring honor roll. Hanson of the Kappa Psi was second. Chloupek, like Basset, was handicapped by missing some games, but made a fine showing in gaining the third rung. Baldwin, Robertson, and Shepherd had but two points sep-

arating them in the fourth, fifth and sixth places. The final standings:

**Conquering the Cascades**

SNOW falls every month in the year where the Great Northern crosses the Cascades. Steep, tortuous grades increase the difficulty of the railroading problem. Nature has stubbornly resisted man's effort to conquer the range.

In January, 1929, the new Cascade tunnel was opened. Man, with electricity as an ally, had conquered the Cascades.

The eight-mile bore was driven in three years—a

record impossible without electric power. And electrification has been extended to the entire 75-mile route through the mountains.

The conquests of electricity on the land and on the sea, in the air, and underground, are making practicable the impossibilities of yesterday. As our vision encompasses wider horizons, electricity appears as a vital contribution to future industrial progress and human welfare.

### "GUST" GROVES HIT BY CAR IN FRONT OF HOUSE

William Groves was quite seriously injured last Wednesday afternoon when hit by a motorist on 10th avenue North. It seems Chuck Arneson had just pulled up in front of the Delta Kappa Sigma house; Harold Bugge and Groves made their exit from the Arneson car, only to collide with a motorist coming down 10th avenue. The oncoming car just missed Bugge but caught "Gust" on the knee, knocked him down, jarred and scratched him up severely enough to necessitate the use of crutches for several weeks.

Delta Kappa Sigma Mother's club met at the chapter house yesterday afternoon.
