

Commission Election Is Tomorrow

Four Bison Acts To Take Count At Eliminations

Final Date Not Certain; Tryouts
Are Being Held In Little
Country Theatre

Try-outs for the Bison Bevties to be held the first week in May were started yesterday afternoon when the act of the Sigma Phi Delta fraternity was partially produced and outlined to the judges in the Little Country Theatre at 4 p. m.

Each group is being allotted 20 minutes to stage their act. The Alpha Kappa Phis, Alpha Sigma Taus, Alpha Xi Betas and Delta Kappa Sigmas followed the Sigma Phi Deltas yesterday afternoon.

In speaking of the try-outs, M. Foss Narum, production manager, urged that organizations refrain from getting excited over the try-outs, as only a part of the act is necessary, the rest of which is explained to the judges. He also stressed the need of cooperation in the try-outs; groups should be on time, but not ahead of time.

Eliminate Four Acts

The try-outs are being held to eliminate four acts; two sororities and two fraternities, which will leave a total of ten acts for the final production which will probably be held the first few days in May.

Date Indefinite

A real "snag" has been encountered by Blue Key and their agent, M. Foss Narum, in selecting a date. It was originally planned that the show should be staged in the middle of April, as soon as the Guy and Eloda Beach stock company leaves town. Now the State Theatre has fallen behind schedule on their remodeling program and the stock company plans on remaining several weeks longer than they originally intended. The date is not set but it is agreed that the final productions will be staged the same week that the State theatre re-opens, which will be the week following the stock company's departure.

Try-outs For Today

The balance of the try-outs are to be held this afternoon and evening. The schedule and the time for the act to appear on the stage in the LCT is as follows: Delta Phi Beta, 4:00; Kappa Psi, 4:25; Kappa Delta, 4:50; Kappa Sigma Chi, 5:15; Phi Kappa Lambda, 5:40; Phi Omega Pi, 7:00; Alpha Gamma Rho, 7:25; Sigma Theta, 7:50; Theta Chi, 8:15.

Groups are to be in the building 15 minutes before the times set above, but no sooner or later according to M. Foss Narum, production manager. Group managers will explain the part of their acts not given and will be subject to questioning by the judges.

The judges are not being announced at this time for various reasons, but their selection has been given careful consideration by Blue Key, which backs them as fair and true.

RIFLE TEAM ON ROAD TO CHAMPIONSHIP

Lieutenant Ross's Bison rifle team is now firing in the Inter Collegiate championship matches. The scores for the past week compared favorably with those which brought the nationals championship to this college a year ago. Firing for the Hearst trophy competition is also underway and up-to-date a good record has been made in Hearst opposition.

Yesterday afternoon the rifle team completed the first stage of the national inter-collegiate meet, shooting the same score as they did last year, 1946 points. There are four stages in the contest and 189 teams are entered in the meet.

Former Bison Star

The above cut of Claudie Miller will recall the days when he was featured in the Spectrum regularly as the star Bison athlete. Now he has gained fame again by taking the state high school basketball championship with his Valley City Hi-Liners.

Six Home Ec Girls Enter Practice House

Ethel Jones Of Moorhead Proves
To Be Exceptional Cook
First Few Days

Ethel Jones, Moorhead, has been guilty of "hiding her talents under a bushel basket," according to reports from the Practice House. Ethel has proved to be one of those cooks who make you feel lucky to have been invited over for dinner. She is one of six girls who have just entered the Practice House for this term. The others are Maybelle Game, Glyndon, Minn.; Dorothy Berrigan, Moorhead; Agnes Hanson, Valley City; Doris Abel, Beach; and Agnes Schlanser, Fargo. They succeed Inez Lunder, Rothsay, Minnesota; Marie Webster, McIntosh, Minn.; Esther Boyer, Audubon, Minn.; and Doris Webster, Tower City, who spent the winter term there.

The Practice House is under the direction of Dean Alba Bales. Senior girls registered in Home Economics spend one term here where they put into practice the knowledge they have gained about cooking, cleaning, laundering, entertaining, marketing, and home-making in general. Each girl has a definite duty for a certain length of time so she may have practice in all the duties of the home. While she has one of the duties which does not require a great deal of time, such as laundering, she makes something for the house.

Up to this time it has been customary to have four girls entered at a time, but the classes are becoming so large that it is necessary to have six, which the house can easily accommodate.

NOTICE

All those students interested in jobs on the business staff of Spectrum will meet in Spectrum office, Wednesday at 4:00 p. m.

Harold F Phillips,
Business Mgr.

Miller's Valley City Team Wins State Bunting

Bison Coaches Are In The Ma-
jority At State Basketball
Tournament

The Valley City high school basketball team, coached by Claudie Miller, former Bison all-conference grid and basketball man, won the championship of North Dakota by defeating Bismarck 16-31. Claudie quit easily defeated Cando in their initial tournament clash, and then won from Grand Forks by a 17-13 count to gain the admission to the state finals. Bismarck had previously turned back Fargo and Sherwood. Miller's team met defeat last year at the hands of Grand Forks in the state championship tilt.

Besides Claudie Miller, two other former Bison cage stars, in the role of coaches, had their entries at the state tournament. Carl Hanson, a teammate to Miller, brought his Sherwood high school entry into the semi-finals. "Freddie" Wilson, a star of several years back, now coach of the Walsh County Aggies, was present at the tournament with his Park River entry. Wilson's team was eliminated in the first round but showed class in gaining a sixth birth by winning a consolation game.

Odd as it may seem one of the teams coached by the State stars were opposed to each other. Sherwood, Valley City and the Walsh County Aggies played in seven of the nine contests held in the tournament but failed to play each other.

In the district tournament held in the college armory two weeks ago teams coached by two former Bison athletes gave Fargo, district Champs, their toughest opposition. Hope coached by Don Peet played Fargo in the final game for the championship. "Jug" Newgard's Hillsboro entry held Fargo to their lowest tournament score in the initial tilt of the tournament.

Two of Valley City's players were named on the mythical state team. Duvali was named at the forward post and McKay was given the captaincy and all state center position. L. Thomasson of the Walsh County Aggie contingent was honored by being chosen as a guard on the all state second team. The latter has a brother here who made a good showing on the freshman basketball squad this year.

Candidates Named For YMCA Offices

Election To Be Held In Two
Weeks; Additional Men May
Be Nominated By Petition

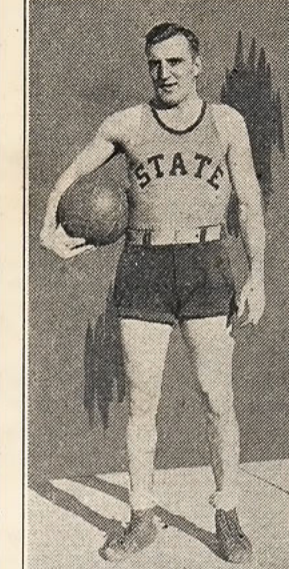

Candidates have been nominated for offices in the "Y" cabinet. They are as follows: for president, Joe Lindgren and Eugene Huckle; for recorder, Herman Muller and Reynold Fredeen; for treasurer, Matin Altenberg and Bob Ramussen. Graham Fuller is the nominating committee chairman.

Additional nominations may be made by any member of the association providing they are drawn up in written form and signed by not less than 35 Association members and presented to the nominating committee chairman within one week after the nominations made by the committee have been posted or published. Date of election will be announced in next issue of September.

In order to enable them to become better acquainted with their duties the officers are elected two months before the end of the school year.

Dr. Hunter was re-elected to the advisory board. Other members of

Newly Elected Captain

Pete Gergen, star Bison guard, was elected captain of the 1929-30 basketball squad late yesterday afternoon by the eight lettermen. Those voting included "Bobby" Hahn, Cecil Bliss, Matt Braus, Leo May, "Gilly" Johnson, John Smith, John Brady, and Pete Gergen.

Fistic Tournament Tomorrow Night

Bison Fight Fans Will Witness
Six Fast Bouts According
To Finnegan

Bison fight fans will be given an opportunity to watch six fast and well matched bouts at the Armory tomorrow at 8 p. m. in the second elimination round of the college boxing tournament. The bouts will be of four two minute rounds making a total of 24 rounds.

The final and feature bout of the tournament will be between Alvin Schrader and Rod McMillan. This bout has probably attracted more attention than the other bouts of the card as both boxers are excellent punchers and have shown themselves as real ring generals.

Five bouts will precede the main go, all of which are attracting much attention from the fans. Lieutenant Smith has three darkhorses in Frankie DeVorak, Ralph Herseth and Emil Hintz which he intends to put before the eyes of the fans in tomorrow's card. Frankie DeVorak is a middleweight and his followers claim the logical candidate for the middleweight championship. Herseth a heavyweight will be pitted against the aggressive Law who won his last bout by the knockout route. Hintz fights in the middleweight class and is expected to give the speedy Bollman much opposition.

Athletic Director Finnegan has named the following to officiate at the coming card. Sam Chesley, Pat Purcell, Lt. Ross, C. Dawson, and Frank Mumm. Tubby Brown will again be found in the role of announcer.

Gamma Rau Sigma, honorary journalistic fraternity, will meet in the Bison-Spectrum office Thursday at 4:30 p. m. according to Everett J. Wallum, president of the group.

Alpha Xi Beta announces April the twenty-sixth as the date selected by them for their annual formal. Miss Ethel Smith is general chairman.

The board are Prof. Rudolph Otterson and Prof. A. F. Yeager.

Booke Opposes Parsons In Race For Presidency

Polls Open At 8 A. M., Close At
4:30 p.m., In Registrar's
Office

Election of officers for the Student Commission, and members of the Boards of Athletic Control, and of Publications will be held tomorrow (Wednesday, March 27).

Polling will take place in the registrar's office with the polls opening up at 8 a. m. and close at 5:00 p. m., with an intermission during the noon hour.

Following is a list of the candidates, whose petitions were turned into the Commissioner of Elections, Horace McGrath, before 5 p. m. yesterday afternoon. The following is similar to the ballot form which will be used Wednesday.

STUDENT COMMISSION Vote For One

For President:

Clifford Booke
Lawrence Parsons

For Commissioner of Elections:

Victor Madsen
Henry P. Sullivan

For Commissioner of Judiciary:

Lloyd Clark
Everett Knutson

For Commissioner of Campus:

Erling Thorson
Frank Carlson

For Commissioner of Public Speaking:

Charles Heilman

For Commissioner of Athletic:

Leo May
Horace McGrath

For Commissioner of Finance:

Simon Mark
Jerome Olson

For Commissioner of Social Affairs:

Grace Reynolds
Katherine Knerr

ATHLETIC BOARD OF CONTROL Vote For Three

Oscar Hanson
Stanley Raymond
Russell Weiser

Roy Jordre
James Law

BOARD OF PUBLICATIONS

Freshman Member: Vote for one for two year term.

Helen Stokke
Karl Gerteis
Charles Brown

(Only freshmen may vote.)

Sophomore Member: Vote for one for two year term.

Kenneth O. Piper

(Only Sophomores may vote.)

Junior Member: Vote for one for two year term.

Francis Ross
Adolph Pahl

NO SCHOOL OR SPECTRUM ON FRIDAY

Easter vacation begins at 4 p.m. Thursday afternoon and lasts until 8:00 a.m. Tuesday, April 2. In making the announcement Registrar Parrott expressed himself as pleased over the fine attendance in classes following the winter term finals.

The Spectrum will not appear on the scene on Friday and on Tuesday, April 2. Publication will be resumed Friday, April 5.

THETA CHIS TO HOLD SMOKER AND SUPPER

A smoker and buffet supper will be held at the Theta Chi fraternity house on April 4. The affair will be a get-together of alumni and the active chapter and several members of the faculty will be present as guests.

Harold Phillips is in charge of arrangements. Assisting him are: Horace Muller, Robert Minta and Norman Dahl.

TOMORROW'S ELECTION

Every bona fide student of North Dakota State College is privileged to vote in tomorrow's election, and with this privilege goes a certain obligation. You should vote now and take all your friends along to the polls that the campus government may be run by officials who are capable of doing so. This last may not be entirely appropriate in a college election, as undoubtedly every man up is capable, but a matter of personal preference enters in. Elect the man you prefer and then help him throughout the balance of the year with his many tasks. The big trouble in the past has been that elections are not by the majority, and then the majority fails to cooperate with those elected because of their disapproval of the successful candidates, consequently a failure in student government.

Tomorrow's election in particular promises to be interesting although it might have been made more interesting by more candidates in the race. Several candidates were nosed out of the race by ineligibilities and a failure to have petitions in on time. Students seem to handle their politics the same as term reports. Petitions were due at 5 p.m. yesterday and most of them came in between 4:30 and 5:00 p.m., and those that were ineligible were just out of luck.

Our plea is: Be sure and vote, giving each man careful consideration before placing the X behind the name.

NOW IS THE TIME

And again—a new term and another editorial. You will probably pass this up and turn to the sports section, but in case some of you don't, may we say just one thing—that has been said so often before—step on the gas! Do the thing you're doing well, whether it be feeding bird seed to the canary, washing the hound, or pursuing potato bugs. It isn't tomorrow that matters, it's today. For all the todays are yesterday's tomorrows, you know, and it is far easier to use the tomorrow that is within your grasp than the tomorrow that is beyond the night which another sun may never lighten. Use your yesterday's tomorrow—not today's.

KEEP ON THE GRASS

Now that Spring is here tra la, tra la, never repose the sprightly dogs upon that addly gleaming structure called a "sidewalk." Trip heavily upon the lush grasses, squeezing the green juices out of them with one hundred and forty pounds of aplomb at every chance. Sink with a sigh of satisfaction about four inches into all soft spots on the campus. Whenever possible, note any attempt upon the part of a blade of grass to rise upon the surface of the ground and rush upon it with a bright glint in the eye and a battle cry of joy, and slay it with one fell stroke of a Goodyear. May you live happy forever upon a campus of disappointed verdure, and covered as with the black measles with bare black spots.

WE APPRECIATE your past patronage and solicit your future work. When you think of laundry call the **DIXON** for service and quality. We darn sox and sew on buttons without extra charge.

DIXON LAUNDRY CO.
PHONE 666

We have a representative in each fraternity on the campus.

Among Our Contemporaries

New things are always interesting to human beings, and it will be exceedingly interesting to know how successful the new method of teaching psychology at Hamline University will be. Recitations are not held but are substituted by conference. A quiz each week and periodical reports complete the work to be done by the class as a group. The student alone is responsible for his success in the course.

This is not meant to discourage girls who are striving to graduate from college, but it may make some feel despondent. It is stated, if you can believe statistics, that only in Arkansas and Massachusetts do the majority of women graduates marry. Only 46% of the women who receive diplomas at Ohio State ever partake of matrimonial bliss.

Just to prove that "they'll get you one-way-or-another" the Trinity College at Hartford includes in their curriculum a definite amount of outside reading, independent of any course. Each student is expected to take two pages of typewritten notes per hundred pages of book. In this way they hope to stimulate the habit of intelligent and thoughtful reading.

Think about this for a while—"We may not be beautiful, but why be dumb?"

The University of Minnesota will not publish an annual this year, for, starting next year, the Senior Class will edit the "Gopher." A supplement is now being prepared by the present staff.

Earl Butte, coach at Wahpeton Science, was a guest this week-end at the Theta Chi house. He was returning to his school from the tournament at Mandan.

Don Andrist, who is teaching at Hillsboro, was at the Sigma Tau house during the week-end.

Rev. Howard S. Anderson, pastor of the First Congregational church of Williston, N. Dak., who will be the special preacher for Holy week at Plymouth Congregational church of Fargo. Mr. Anderson has come to this state from a pastorate at Peoria, Illinois, only recently. He is a graduate of Chicago Theological Seminary. Services will be held Tuesday, Wednesday, Thursday, and Friday evenings at 7:30 o'clock. The theme of the sermons is "What the Church Has to Offer." We cordially invite all college students to attend these services and hear Mr. Anderson. (Pd. Adv.)

Madelyn Parrott, home economics instructor at Lisbon, N. Dak., spent the week-end in Fargo visiting with her parents Mr. and Mrs. A. H. Parrott.

Richard Hackenberg, former Bison and Spectrum editor, will not be home for an Easter vacation as he has accepted a position for the week with a daily in Ottumwa, Iowa. "Dick" is attending Northwestern this year.

A "Priceless" College Education

---At Less Expense

You can get it at the North Dakota Agricultural College.

Students who are now attending this college give "low cost of attendance" as one of the main reasons for coming here.

Even though the cost is low you obtain the best training that fits you for prominent positions.

A Bachelor of Science degree is offered in Agriculture, Science and Literature, Home Economics, Architectural Engineering, Architecture, Biology, Chemistry, Civil Engineering, Education, Electrical Engineering, Mechanical Engineering, and Pharmacy.

Special work may be taken in paint chemistry, physics, botany, mathematics, public speaking and dramatics, economics (agricultural and general), and social and political sciences.

THE NESTOR BILLIARDS-BOWLING-SMOKES LUNCH - SOFT DRINKS

Ebullitions of Ebony Blott

By Everett Wallum

It's hard to know who to vote for tomorrow. None of the candidates have ever endorsed any cigarettes.

The only stump speeches they've ever made was when they used to dare somebody to do something.

All of them have taken blindfold tests though—that is, if they've had chemistry.

We hope none of the politicians gather at the polls to kiss the babies. We want all our coeds to vote.

Bill McRoberts is relieved because he isn't running for anything this year. Last year, during the campaign season, he had to put on socks and a shirt.

Kennie McCullough read some place that little things count, and he has applied for job tabulating the ballots.

Some of the candidates expect to sail to victory, and there's enough water on the campus to do it.

Because the President of the commission takes a long trip every year, many students are expected to vote for the armory.

There's a sad candidate on the campus today. He was all set to fling a challenge in the teeth of his opponent, only to find that his foe forgot his teeth at home.

The ballots may be secret, but the candidates surely are not.

Some students will go to the polls with an open mind. Others will use pencils.

A chemistry student, and a freshman at that, sent a letter to the commissioner of election, saying that he wants to be considered a candidate for the board of public cations.

And, he added, private cations are equally gripping.

One candidate was told to get a plug hat, and he came back with a sunshade for horses.

The main requisite for the commissioner of public speaking is to be able to dodge.

"Fine stuff," commented the canniest campus politician as he slid six votes through the slot.

We refuse to vote for Tammany Hall. Ceres is all right for us.

Delta Sigs Cinch The Campus Championship

Kappa Psis Play Gamma Rhos Tonite

Sigma Taus, In Cellar Position, Will Play Delta Kappa Sigs Thursday Night

Delta Kappa Sigma's chances for the Bison Campus League basketball championship took on a brighter aspect because of their recent victory over the Kappa Psi quint. The Delta Sigs are now resting in the first place with a percentage of 923 and have only one contest to be played. The Sigs are given more than an even chance to defeat the Sigma Tau five in their final fray.

The Kappa Psi cagers are not given a Chinaman's chance to regain the top rung of the Campus loop. The Pharmacy crew has been defeated only twice in their 13 starts but the fact that they have only one game to play is counted against their championship hopes. The Kappa Psi play the Gamma Rhos in their concluding contest and are favored to win, but the Rhos have shown themselves capable by defeating several of the leading quints.

Theta Chi Third
Theta Chi basketballers are in the third position due to the breaking up of the first honor deadlock which had continued throughout the league play. The present position occupied by Theta Chi cannot be altered for the better or worse. Alpha Kappa Phi appears to be assured of the fourth place, while the Kappa Sigma Chi basket artists have a chance to tie for the fifth with the Alpha Gamma Rho team. The cellar position continues to be occupied by the Sigma Phi Deltas and the Alpha Sigma Tau men.

The coming week should conclude the league competition. Four games have been scheduled to be played on Tuesday and Thursday evenings, Theta Chi and Sigma Phi Deltas will pay the initial contest Tuesday at 7 p. m. This game will be followed by the Kappa Psi-Gamma Rho contest. Alpha Sigma Tau and Delta Kappa Sigma play Thursday at 7 p. m. Alpha Kappa Phi and Kappa Sigma Chi will play their final contest following at 8 p. m. The battle for the

cellar position will be definitely settled in a contest between the Alpha Sigma Taus and the Sigma Phi Deltas. As yet this game has not been scheduled.

Although the Theta Chi quint remained idle during the past week the 25 point margin which Basset had the week prior was sufficient to keep him at the scoring helm. Baldwin and Hanson, who played in two hard contests during the week, added but little to their scoring total. Chloupek, Kappa Sigma Chi center, had little difficulty in locating the hoop, and jumped from eighth place in the column to third place to make the only radical change in the honor roll. The league standings:

	W.	L.	Pct.
Kappa Psi	11	2	.856
Delta Kappa Sigma	12	1	.923
Theta Chi	8	5	.616
Alpha Kappa Phi	7	6	.539
Alpha Gamma Rho	5	8	.385
Kappa Sigma Chi	4	9	.308
Alpha Sigma Tau	2	10	.167
Sigma Phi Delta	2	10	.167

Leading Scorers			
	fg.	ft.	To 1
Basset, Theta Chi	41	11	93

GIRLS NAME MYTHICAL ALL STAR B. B. TEAM

Women basketballers, in an effort to not be outdone by the male species, got busy over in Ceres hall last week and named the all star team for the year made up from members of the four class teams. The following girls were chosen: Doris Sommers, Myrna Ottinger, Minerva Streed, Bernice Hurmence, Georgina Brindle, Luella McDunn, Olive Osness, Helen Ballard, Grace Sjordal, Evelyn Blakeslee and Helen Stokke. The team is purely honorary as they play no games.

They were chosen by the class captains who are Bernice Hurmence, sophomore; Helen Stokke, freshmen; Olive Osnes, junior; Grace Sjordal, senior.

GOLF TOURNEY IS NEXT ON PROGRAM

A recent announcement by Athletic Director Finnegan that golf would be introduced at the college as a new sport has met with considerable favor among Bison golf fans. "Casey" stated that arrangements have already been made in the scheduling of a tournament with the university golfers. It is thought that other members of the North Central conference will follow the example of the athletic department of this college and golf will become a conference sport.

BUSINESS EDUCATION

A business education is a practical education that prepares one for every-day living. It gives the training necessary for entrance into the business world where the demand for trained workers is much greater than the supply. The business world pays a salary twelve months out of the year with two weeks' vacation on full pay.

Hon. W. T. Harris, Ex-Commissioner of Education, said, "Without a thorough and practical commercial education, a man is like a ship at sea without a compass or rudder."

Take your course in business training in an accredited school. Call or write for particulars.

**KNOWS KNOSEY
KAMPUS KOLUMN**

Dud Farnham and Mike Curran were dinner guests at the Kappa Phi house Sunday.

Doris Boyle, '28, who is an instructor at Warren, Minn., is home for Spring vacation.

The Theta Chi house building association will have a dinner and business meeting Tuesday evening at the Elks club.

Horace Muller, who left school last term because of illness, has returned to school.

The Mothers' Club of Alpha Xi Beta will meet at the chapter house this afternoon.

Alpha Xi Beta held a theatre party for active members and pledges at the Orpheum theatre last Tuesday.

Miss Theresa Smith, who teaches at Pelican Rapids, spent the week-end at the Alpha Xi Beta house as the guest of her sister Ethel Smith.

George Newguard, Hillsboro, and Ronnie Millard, Wahpeton, were at the Theta Chi house over the week-end.

Chris Jensen, who will leave April 1st for Iowa State college, was a guest at a Kappa Sigma Chi smoker and card party last Wednesday evening. Mr. Jensen, who is a dairy instructor on this campus will complete his work for his Master's degree at Ames.

**COMEAU WINS COVER
DESIGN PRIZE MONEY**

Chester W. Comeau, Lakota, a junior in the department of architecture, received first prize for his cover design for College and State magazine, according to an announcement made today by the committee in charge of awards. The winning cover design was picked from a number of sketches submitted by students in architecture.

Mr. Comeau's cover design consists of a central picture of "Old Main", historical building on the campus, and the lettering "College and State" worked out in the skyline. Surrounding the central picture is a border in which Mr. Comeau has worked out the symbols of each of the schools in the college. He has also represented agriculture and industry of the state of North Dakota. The design carries the idea of connecting the North Dakota State college with the state.

The new design will make its initial appearance on the cover of the high school senior number of College and State some time in April, according to T. Worden Johnson, editor. At that time approximately 8000 copies will be distributed, 4000 to college alumni and former students and an equal number to North Dakota high school seniors.

The following were on the committee to award the prize for the best cover design: T. Worden Johnson, editor; W. C. Palmer, business manager; Homer Huntoon, head of the department of architecture; Phillip Keene, instructor in architecture, and T. W. Thordarson, secretary of the Alumni and Former Student Association.

**SENIOR CHEMISTS ARE
SECURING APPOINTMENTS**

An interview with Dr. L. L. Carrick reveals the fact that the seniors in the School of Chemistry have already secured their positions or will be placed within the next few weeks.

Arthur Anderson and Milton Pemble have both accepted positions with the Aluminum Company of America. They will go to Chicago in June and will probably later be moved to New Kensington, Penn.

Conrad Brusegard has accepted a position with Pratt and Lambert, Buffalo, New York.

Wm. Maroney made a trip to Terre Haute, Ind., this week where he will undoubtedly accept a position with Commercial Solvents Corp.

Dr. Carrick also reports that Alex Coutlee '27 is doing fine in the lacquer industry. He is with O'Neil-Duro at Grand Rapids, Mich.

**MISS WOOLEGE DRINKS
FROM YOUTH FOUNTAIN**

"Got quite a kick out of drinking from Ponce de Leon's fountain of perpetual youth at St. Augustine, Fla.," writes Miss Elizabeth Woolledge, who attended State College during the fall term, but is now at Miami Beach, Florida.

Miss Woolledge's party made the trip to Miami Beach in about 12 days via auto, stopping at different points enroute. Part of the group attended the Stribling-Sharkey fight. St. Augustine, where the spring is located, claims to be the oldest city in the United States. Milk costs three times as much in Florida as it does here, and fruit is just as high except when bought out in the country at the roadside markets.

Pete Simpson of the U. of Minnesota was a guest at the Sigma Tau house Sunday. He is home on spring vacation.

PAUSE AND REFRESH YOURSELF

WHOA!
HOLD EVERYTHING. HERE'S A LITTLE EXTRA-CURRICULAR DEMONSTRATION OF A PAUSE THAT'S GOING TO NEED PLENTY REFRESHMENT.

But you don't have to fall off a polo pony to demonstrate the pause that refreshes. Every day in the year 8 million people, at work and at play, find it in an ice-cold Coca-Cola—the best served drink in the world—the pure drink of natural flavors that makes a little minute long enough for a big rest.

OVER 8 MILLION A DAY
