

Bill McRoberts To Lead Annual Senior Function

Arvold Discusses Graduation; Narum Names Committees For Occasion

William McRoberts was elected manager of the Senior Ball, to be held some time in May, at a meeting of the Senior class in the Little Country Theatre Tuesday noon.

A total of 114 votes were cast at the election, the largest number ever cast at a Senior class meeting. There were four candidates in the race who received the following number of votes: Bill McRoberts 43, Kenneth McDowell 32, Gilbert Mowm 28, and Ralph Erickson 11.

Preceding the election Professor Arvold advanced information regarding the part the college will play in the graduation, and emphasized the fact that every senior should see the registrar at their earliest convenience to check up on their credits and the spelling of their names.

Committees for the different graduation activities were announced as follows by M. Foss Narum, president of the class of 1929:

Senior class play committee: Phyllis Heimark, Harold Fog, Gladys Barton, John Bohlig and Alta Berg.

Senior class day program committee: Arthur Anderson, Esther Douglas, Graham Fuller, Margaret Zimmerman, and Ralph Erickson.

Senior swing-out committee: Cyril Peschel, Hazel Heald and Ralph Erickson.

Committees were also appointed for class colors, class motto and class flower.

May Festival Dates Are May 8, 9, 10

State College Will Be Host To Hundreds Of N. Dak. High School Students

May 8th, 9th, 10th are the dates set for the 22nd annual Inter High School May festival to be held here this spring according to an announcement made by the committee in charge this week.

Hundreds of young men and women, representing the high schools in the State of North Dakota and western Minnesota, will be guests of the college during the three days. An extraordinary program of contests and entertainment has been arranged to occupy their time while here, it was stated.

The contests, which are open to all bonafide high school students, athletic, industrial and literary. Athletic contests will be divided into groups for men and women. Contests for men will consist of 14 field and track events, and for girls there will be four events, including folk and interpretative dancing.

Industrial contests will be in the nature of demonstrations and exhibits of the work done in high schools in art, cooking and sewing, and stock, poultry and crop judging in agriculture.

A declamatory contest, dramatic contest, one act play contest, extempore speech contest, story telling, exhibit of miniature stage settings and a newspaper contest make up the literary group.

An interesting feature of the festival will be the industrial arts exposition, which will continue throughout the four days. A discussion of various phases of vocational education in North Dakota by the Smith-Hughes teachers will be one of the principal parts of the program. There will be special programs for the entertainment of the general public.

Alpha Xi Beta will give a Mother's and Patroness tea Sunday afternoon from 2:30 to 5:30. Decorations will be spring flowers.

Molitor And Schrader Prove Sensations Of Boxing Tourney

KAPPA DELTAS SUFFER SENSATIONAL FIRE

Dinner at the Kappa Delta house was rudely interrupted Wednesday evening when there was a sound of an explosion followed by clouds of smoke issuing from the radiators. The fire department was promptly called and the neighbors were startled by seeing a shower of garments falling from the windows. Rita Morris rushed out with a large picture of a certain man under one arm and a bottle of perfume in the other. Hazel Heald rescued her fur coat—the only garment she possesses which is insured. Dorothy Norby proved her big-heartedness by carrying out all of Hazel's clothes and leaving her own to burn. Esther Douglas couldn't find her fur coat, so she rescued two dresses for Mrs. Grieves and ventured down into the basement to locate the trouble. She found the fire—in the furnace. The coal had burst.

Saddle-Sirloin Elects W. Weiser President

"Ag" Students Are Participating In Annual Stock Judging Contest Today

At a meeting of Saddle and Sirloin club Tuesday evening officers for the ensuing year were elected and final plans for the annual stock judging contest were made. Progress today were favorable.

Wayne Weiser, a junior in the school of Agriculture, member of Alpha Gamma Rho and Alpha Zeta fraternities, and of the 1928 fat stock judging team was elected president of the club for the ensuing year. Mr. Weiser was elected almost unanimously, only three votes being cast for his opponent. The landslide is credited to the fact that members of the club felt that in the election of Mr. Weiser they were placing a real animal husbandman at the head of the club, as he has spent three summers on the fair circuit showing cattle for Olson Brothers of Hannaford, N. Dak., traveling with them from coast to coast, as well as being a member of the fat stock judging team last fall.

Other officers elected are as follows: P. Jerome Olson, vice-president; Roy Jordre, secretary; John Mund, treasurer; and Robert Rasmusson, historian.

The retiring officers of the club are: Ben Gorder, president; Ralph Diehl, vice-president; Rudolph Nelson, secretary; and Martin Peterson, treasurer.

Following the election of officers Gilbert Mowm, who is manager of the judging contest in progress today, outlined the progress made with the work and stated that between 120 and 135 are expected to take part in the judging work. Professor E. J. Thompson made a few remarks regarding the contest and stated that he wished that he knew "which annual contest this one is" although he was sure it was at least the 30th one, although one was missed around 1910 and another during the war.

PLAY TRYOUTS TO BE HELD TUESDAY

Tryouts for the Edwin Booth Dramatic Club spring term play will be held between the hours of 11 to 12 and 3 to 6, Tuesday. Heretofore the club has sponsored a Shakespearean play each Spring term. This year the policy has been changed. The class in play production will give the Shakespearean play and the Club will sponsor a modern comedy. Tryouts will be in the Little Country Theatre.

Saaly McRoberts who is attending Iowa University this year was recently elected vice-president of her sorority, Delta Gamma. Miss McRoberts attended North Dakota State two years ago and was a member of Delta Phi Beta sorority while here.

Good Crowd Attends Boxing Meet; Finals To Be Held In Two Weeks

By MILO HOISVEEN

Some 400 Bison fight fans were given many thrills in the way of boxing last Wednesday evening when the first round of the boxing tournament took place at the Armory. Five of the eleven scheduled bouts failed to go four rounds ending in knockouts and technical knockouts.

Lieutenant Smith saved his feature bout, the Molitor-Griffin go, for the concluding fight. This setto proved to be the fastest of the eleven matches. The two speeds of the ring fought in the lightweight division. The bout went the scheduled four rounds ending in a decision for Molitor.

In the semi-finals of the Molitor-Griffin bout, Friberg met Schrader in a lighthweight weight bout. Friberg grabbed off the first round but fell to the floor, as a result of Schrader's right, in the second stanza. Schrader repeated the feat three times when referee Chesley awarded the go to Schrader via a technical knockout. Friberg appeared unhurt and was willing to continue with the go. The decision brought much comment from the cliff dweller's sections.

A lighthweight weight go between McMillan and Regan ended in a knockout for McMillan. McMillan scored the K. O. in the second round. Cy Lonsbrough stopped his lighthweight opponent, Allan Hettrich, in the second interval.

Herb Karges and John Bond put up the fight of the night in the middleweight division. The two battlers put up a great battle which won much applause of the crowd. The setto was termed a draw the decision meeting the favor of the crowd. Bollman spiked the middleweight championship hopes of Scallon by stopping his sturdy opponent in the second round.

The Nelson-Scaff fight gave the crowd a favorable introduction to the welterweight class, and was fought on even terms throughout the four rounds. The match was also titled a draw. In the second welterweight bout, Earl Sjonsby gained a technical knockout over Earl Pixely. The third bout in this class was given to Earl Odegaard over Frank Moore, the bout going the full route.

Leonard Patzwald was awarded a decision over Roger Berthold in a bout which was fought on comparatively even terms. Both fighters put up a great exhibition for a feather weight tussle.

Tiny Law, 225 pound heavyweight, easily won a decision over Archie Anderson. The bout went the scheduled four rounds.

The twelfth bout of the card which was to have been between Ed Pagote and Charles Fox was called off as Pagote suffered an injury while training. It is probable that these two featherweights will be matched in a later tournament.

The arrangements for the second round of the tournament have not as yet been completed but it is thought that the tournament will be resumed within the next two weeks. Much interest is being shown in the coming tournament.

SIGMA TAU PREPS WILL GIVE PARTY

The rookie chapter of Alpha Sigma Tau will hold a party at the College "Y" tomorrow evening. The active chapter and several guests have been invited.

Mr. and Mrs. Tom Manchester, Mr. and Mrs. Clapp, Mr. and Mrs. Bob Lowe, Rene Wamback, Mike Knauf, George Gronburg, and Nick Nelson are among the guests that have been invited. Frank Seebart and Jimmie Konen head the committees on general arrangements. The evening will be spent in dancing.

Dean Dinan was a guest at the Alpha Xi Beta house Thursday evening.

GYMNASIUM BILL PASSES THE HOUSE

Appropriation bills for the construction of the proposed physical education and auditorium building at North Dakota State college and the completion of the liberal arts building at Grand Forks passed the house yesterday afternoon.

The State college building appropriation has been amended in the house and the approval of the senate to the amendments must be secured. The vote by which it passed the house today was 63 to 47. There is no emergency clause in the bill, the house amendments providing that \$125,000 of the \$210,000 the bill carries shall be available in the fiscal year beginning July 1, 1931, and the remaining \$85,000 the following year.

The appropriation of \$161,000 for the university liberal arts building will become effective as soon as the bill is approved by the governor, as the emergency clause passed both the senate and the house. The vote in the latter branch was 79 to 33.

Junior Prom To Be April 19 At Crystal

Everett Knutson, Manager Of Annual Junior Party is Selecting Committees

Members of the "upper four hundred" will make merry at the Crystal Ballroom on Friday, April 19th, at the 1929 Junior Prom according to an announcement released this week by Everett J. Knutson, manager of the 1929 frolic.

Booke To Assist

Clifford Booke, junior in the School of Science and Literature from Williston, this state, has been appointed by Mr. Knutson as assistant manager of the annual Junior Prom.

The complete list of committees have not been appointed up-to-date although practically all of the committee heads have been selected and will be announced in the very near future. Incidentally Mr. Knutson has signified that the Spectrum will ratify in on two of the appointments. Miss Dorothea Anderson, campus editor of the Spectrum, will undoubtedly head the feature committee, and the editor-in-chief of the Spectrum, Mr. Sullivan will attend to the publicity.

TOURNEY LEADERS WIN BOTH GAMES

The Kappa Psi quint triumphed over the Kappa Sigma Chi aggregation in Tuesday's contest held in Frat. title race. During the first half of play the teams were unable to make good their attempted baskets and the rest period found the Kappa Psi leading 8-4. In the last stanza of play the Kappa Sigma Chi basketballers were held to a lone gift shot while the Kappa Psi's brought their total to 18 points.

Shepherd and Miller were the outstanding players on the Psi team. Shepherd rung up 8 points from the field to win the scoring honors. Chloupek and Walla worked effectively for the Kappa Sigma Chi tossers. Delta Kappa Sigma cagers kept pace with their rivals for the loop leadership by defeating the Sigma Phi Deltas 30 to 18 in a game featured by the offensive play of both teams. Yesterday's two victories for the Kappa Psi and Sigs gives the teams a record of 9 won and one lost.

Baldwin and Blakeslee were the big factors in the Delta Sig victory. Baldwin scored six field goals to show the way to the scoring honors. Madsen and Lovness divided scoring honors in the Sigma Phi Delt lineup each garnering seven points.

Actives and pledges of Phi Omega Pi will entertain tonight at an informal dancing party at the Powers hotel. The guests will return to the chapter house after the party. Miss Latzke, Mrs. Smith, Mr. and Mrs. Temple, Mr. and Mrs. Fred Olson will be the chaperones.

Convocations To Emphasize Need Of Religion Soon

Three National Speakers To Be Here For Religious Emphasis Week, March 11-17

March 11th to 17th is set aside in Fargo as a Religious Emphasis Week and in accordance with the week two convocations will be held in the armory next week according to information released by Dean A. E. Minard, late yesterday afternoon.

The first one will be held Monday morning at 9:40 at which time Donald H. Tippett, pastor and headworker of the Church of All Nations, New York City, will address the student body. Mr. Tippett's specialty is lecturing before college groups and service clubs, having just recently completed a series of lectures at Yale.

On Wednesday morning the second convocation of the week will be held at 9:40 a.m., with the women assembling in the Little Country Theatre and the men in the armory.

Miss Ethel L. Perry, representative of Juvenile Court and Minneapolis Church Federation, will address the women in the Little Country Theatre. Miss Perry served with the Y. M. C. A. in France during the World War, and since has engaged in business, Girl Scout, Church and Mission work.

Dr. H. N. Geistweir, pastor of First Baptist Church of Des Moines, Iowa, will speak to the men in the armory. Dr. Geistweir comes with the reputation of being an outstanding successful minister who draws the biggest crowds of any pastor in Sioux City for his Sunday services.

In speaking of the convocations Dean Minard pointed out that these three speakers will speak not as representatives of any church or particular group but as socially minded citizens seeking to make the common essentials of religion effective in the life of every citizen of the country.

AGRIC. PROBLEMS TO BE DEBATED TONIGHT

Karl Gerteis and Loyal Gast will uphold the negative side of the debate in the Little Country Theatre this evening upon the question "Resolved, that farmers in the grain growing areas of the U. S. and Canada can find the best solution to their marketing problems through agricultural tariffs or other forms of government assistance rather than through cooperative marketing organizations." The affirmative side will be upheld by members of the Manitoba Agricultural college, namely, Bruce B. Strachan of Faulkton, S. Dak., and Rudolph F. Peterson, Winnipeg.

Members of the affirmative side of the question left last evening for Manitoba where they will debate as the meet is in the nature of a dual debate. Harold Fog, Fort Ransom, and Glenn Smith of Dickinson made the trip.

EMMA NELSON ELECTED CONVENTION DELEGATE

Miss Emma Nelson was elected Sigma Psi chapter's delegate to Kappa Delta convention at the regular meeting held Monday evening at the chapter house. The convention will be held in the picturesque old city of Biloxi, Mississippi, June 22 to 29. An innovation of the convention this year is the promise of Colonel J. W. Apperson, manager of the lovely hotel overlooking the Gulf, the Beuna Vista, which will be convention headquarters, to provide several hundred young southern gentlemen to act as hosts at a dancing party.

Miss Nelson will leave on a special convention train from Chicago. Stops will be made at Indianapolis for a visit to the Kappa Delta central office, at Louisville for a special entertainment, and at Glasgow Junction for a side trip to Mammoth Cave. There will be a past convention tour leaving New Orleans June 29 to Panama and return.

PAPYRUS EBERS

Papyrus Ebers, official organ of the Pharmacy club, made its appearance upon the campus this week in a new dress; a twenty page magazine in place of the old mimeograph sheet which formerly appeared at irregular intervals.

The magazine is a nice piece of work, well edited and contains sufficient advertising to make it pay out. The Spectrum at this time wishes to congratulate those who were instrumental in issuing the magazine, as it is truly a credit to their department and our school.

AN INOVATION

"Athletics for all," as a slogan for this institution, is fast becoming a reality. One has only to consider the variety of features on our athletic program to realize the fine opportunities offered for development in the different phases of physical prowess. Wednesday evening local enthusiasts enjoyed a program very unique in the history of the school. To Lieut. Smith is due the credit for staging a most successful boxing performance. A large sized crowd gave wholehearted approval to the innovation. Boxing is one of the cleanest sports in existence and the way these bouts were handled illustrates the fact.

Wednesday evening's feature has attracted wide-spread interest and comment. The Fargo Forum gave it considerable attention and the number of its supporters has increased remarkably. We anticipate the definite entrance of boxing on our athletic program. The sport is worthy of such consideration and is in turn desirable.—H. P.

Student Opinion

My dear "Disappointed Co-ed,"
Are you a Co-ed or were you masked and trying to pass as one?
You seem to be laboring under the illusion that no party is complete without a man! Horrors! What are we Co-eds coming to? This is supposed to be the "Independent Era," And as to their "Lacking courage to venture

forth into a hen-party," why should they? Do Co-eds impersonate men and sneak into a stag party? I am very much afraid if we did we would be promptly and none-too-gently shown to the door.
Why do you bemoan the fact that they didn't come? Somehow, your powers of observation and astuteness must be sadly neglected because a group of six people, not college students, came to the party, and it was an evening of fun, mirth, and shrewd

guessing for the chaperones to decide if more than two of them were boys, and even yet it remains a mystery to them how many of the remaining six were of the unfair sex.

Personally, when the men are requested to stay away from a party, and do so, my thanks are for them! The costumes were well worth the risk to see, but you must like to be seen in ridiculous and scanty attire, and then have it broadcasted! However, not every one does—so, you'll have to look elsewhere for your excitement.

A satisfied Co-ed.
(Billy Eastgate)

Among Our Contemporaries

With term exams so near once more, we must think of cramming. For those who are opposed to cramming we might quote Dr. Glen Pease's declaration. Dr. Pease, who is an instructor at the University of California, states that cramming is justified for results show that the marks attained by cramming are 11 points higher than the rest.

Dr. William Mayo, of Rochester, Minn., advocates a twelve month school year, believing that the students' lives would not be impaired by such a program.

At Georgia Tech. one instructor gives higher marks to the students if they wear white shirts and good looking ties. Such an inducement seems to be creditable to say the least.

Many persons responded to the call for blood transfusion at Huron Col-

lege—but then, money was offered as compensation.

The statement that a fraternity pin means necking privileges is all wrong—for whoever saw a co-ed wearing forty or fifty frat pins!

The College of St. Thomas has opened an employment agency to assist those who must work their way through college.

PROBSTFIELD POEM PRINTED IN "POETRY"

"A Wisp of Smoke" by Edris Mary Probstfield is printed in the March issue of Poetry, a magazine of prose. The poem was selected out of a number submitted to Harriet Monroe, editor of Poetry, close to a year ago according to Miss Probstfield.

This is not Miss Probstfield's first venture for in 1926 she published an

entire book of poems written by herself. She is a senior in the School of Education and a member of Alpha Xi Beta sorority, as well as being one of the organizers of the Writer's Club, which recently appeared on the campus.

The poem as published is as follows:

A WISP OF SMOKE
Stranger things have happened
Than this, by far.
This is old and commonplace;
Strange things there are.
That no one should care
Is a bitter pill to take—
Isn't it odd that swallowing
Should make my throat ache?
This is fact, it has not come
Upon me unawares;
I've known it for long silent
months—
Nobody cares.

Ebullitions of Ebony Blott

By Everett Wallum

An editorial in the last issue of the Spectrum carried a message for the freshmen. This is the first message our freshmen has received that didn't come from the discipline board.

"It's a message we get," said the frosh, "in the end":

College authorities evidently believe that freshmen should get more advice and less vice.

Frosh are advised to "learn to play well some athletic game." Most of them are good at skipping classes now.

A couple need no instructions in running amuck.

One frosh got pretty good at wrestling, but he finally paid his bill.

Judging by the cigar stubs on the campus, freshmen aren't skipping the rope.

Another frosh has asserted his intention of taking up bowling. "It depends what's in the bowl," he amended.

"I'd go in fer billyards", wheezed a yearling, "but I don't like duck farms."

Another bit of advice given was "learn to work while others are around": That's the only time the frosh do work—when there's somebody around to work.

And when the old man comes around, he's at his best.

And right here is where he could follow the advice, "have an avocation which would bring him into close touch with men." He'd have to be careful, though, not to touch them for too much.

Maybe he "should learn to speak to speak in public," says Mrs. McVeety, but not in a public library.

Freshmen may be black sheep, but they believe they should be seen and not herded.

The most conceited freshman we know started quarreling with himself, as he learned that it takes two to argue.

Freshmen who have an impediment in their speech should stop chewing licorice.

"Eureka exclamation mark" said the freshman as he noted the advice that he should get better acquainted with his instructors, "all my profs 'no' me."

NOW THAT SPRING'S HERE Judging by the way freshmen and instructors are lulling each other to sleep in the classes, we'd say they are either acquainted or rude.

FEDERAL CAKES AND PASTRIES ARE A TREAT EVERYONE SAYS THEY CAN'T BE BEAT.

Hunter, Casselton To Open District Tourney

Hunter and Casselton will clash in the initial contest of the district high school basketball tournament which is to be held in the Armory today and tomorrow. The two teams meet this afternoon at 3:00 o'clock. Little is known in this vicinity as to the strength of the two teams playing the first contest.

In the second tilt Fargo will meet Hillsboro at 7:30 this evening. Fargo is reputed as being the strongest entry in the tournament, consequently, victory is expected of the Fargo entry.

Immediately following the Fargo-Hillsboro game Hope will meet Tower City. Buffalo, the seventh entry in the tournament, won a bye and will meet the winner of the Tower City-Hope game tomorrow morning at 11:00. The two winners of the games in the first bracket will meet in the initial semi-final game Saturday morning at 10:00.

The championship game is scheduled to take place at 8:30 Saturday evening between the winners of the re-

spective brackets. The winner of the district championship will meet the winner of the Wahpeton district for the regional championship. The regional tournament is to be held in the College Armory Saturday, March 16. The winner of the regional honors wins the right to represent this region in the state tournament held in Mandan a week later.

DEMOLAY PARTY TO BE HELD MARCH 16

Bill Champlin is busy this week selling assessments for the annual spring Demolay dance and urges that all Demolays from other chapters

come around and secure their assessments, as non-resident members are especially welcome at this particular party. The date is Saturday, March 16, 1929.

Phi Kappa Lambda mother's Auxiliary held a benefit bridge at the home of Mrs. C. George Wednesday evening.

Members of the Alpha Gamma Rho fraternity will hold an informal "stag" banquet downtown on Sunday evening, March 10. Russell Weiser is in charge of the arrangements.

Fred Mitchell, traveling secretary of Theta Chi was at the house Monday and Tuesday of this week.

Edwin Booth held their monthly luncheon in the Log Cabin Wednesday noon. Mabel Wenzel was in charge of the luncheon.

Our Honor Organizations

Kappa Tau Delta
Kappa Tau Delta is a local honorary architectural fraternity which was founded in December, 1925, at North Dakota State College. The purpose of this fraternity is to

encourage original endeavor in architecture, promote ideals and scholarship, and to uphold in college life the traditions of this institution.

The honorary members of Kappa Tau Delta are Professor Homer B. Huntoon, Mr. M. Eaton, and Mr. Paul Jones. Active members are Donald Best, Lawrence Parsons, Alf Skaret,

and Kenneth Sundberg. Pledges are Robert Stenson, Wilber Larson, Henry Zwerg, Herman Skaret, Donald Haarman, Geryl Gardner, and Horace McGrath.

Officers of the organization are Kenneth Sundberg, president; Alf Skaret, vice president; Donald Best, secretary and treasurer; and Lawrence Parsons, historian.

**Our Hats
Will Tell the Robin
It's Spring**

How many times do you see Mr. Robin nowadays, before you've seen oodles of Spring hats. Not once, we bet!

And that reminds us that we have such clever new hats in from New York.

Both you and the Robin will like them, we feel sure!
