

Fourteen Elected To Pi Gamma Mu

Gold Star Band Annual Concert Held In Armory

Recital Is Favorably Received By Audience; Dr. Putnam Is Director

The annual grand concert of the Gold Star Band was very favorably received by the students and townspeople who attended it in the college armory Thursday evening.

The concert started promptly at 8:30 p.m., under the direction of Dr. C. S. Putnam, conductor. The band of 50 pieces was assisted by Mildred Vold and Gwendolyn Lollis, pianists, and Betty Sheldon, violin.

The program of the concert was as follows: Part I—March, "The White and Red Rose;" Overture, "Le Roi d'Ys;" Suite, Ballet Egyptian; Violin Solo, Heire Kati, Betty Sheldon; Queen of the Night. Part II—Children's March, "Over the Hills and Far Away," played by the band, two grand pianos, and male chorus; Prelude, from Suite Ancienne; Clarinet Solo, Fantasia de Concerto, William Watson; Suite, L'Arlesienne; Finale, The Yellow and the Green.

Scabbard and Blade Honors 10 Officers

Society Seeks to Raise Standard of Military Drill in Colleges

Ten officers in the advanced course, R. O. T. C. were initiated into Scabbard and Blade Sunday morning, May 20. The initiation was held in the armory. The ten officers honored were: Peter Kovol, Staples, Minn.; O. L. Watson, Amenia; Marlin Hutchison, Tuttle; George Hermes, Wahpeton; Virgil M. Sullivan, Bemidji, Minn.; Ben Gorder, Carbury; Cecil Kingsley, Mohall; and Ralph Sinner, Roy Landbloom, and Charles McKinie, all of Fargo. After the initiation, breakfast was served at Howard & Watson's.

The purpose of Scabbard and Blade, honorary military fraternity, is primarily to raise the standard of military drill in American colleges and universities; to unite in closer relationship their military departments; to encourage and foster the essential qualities of good and efficient officers, and to promote intimacy and good fellowship among the cadet officers, according to Ronald Millard, president.

Hatred Dying Away

"Further, the society tends to disseminate military education among the students and among the people of the country in general. With the growth in size and influence of this society, the old proverbial hatred of military drill — the regarding it as a necessary drill—is dying away, and the students of universities are beginning to realize that the military service should be performed willingly, cheerfully, and wholeheartedly," he said.

The cadet elected to Scabbard and Blade must be "an officer and a gentleman." He must possess the qualities of ability, fidelity, patriotism, respect for authority, valor, good-fellowship, honor,—all of which lead to success in any line of work, military or civil. In short, merit is the sole basis of election to membership, stated Mr. Millard.

Phil Keene leaves Sunday night for Minot where he has accepted a position in the offices of Ira Rusch. He will be doing architectural work.

New Spectrum Editor

Henry Sullivan, New Salem, who will edit The Spectrum during the school year 1928-29. Mr. Sullivan is a member of Alpha Gamma Rho fraternity.

1929 Historical Bison Distributed Wednesday

"Hysterical Section" Satirizes Theme Of Book; Etchings Are Feature

The 1929 Historical Bison, yearbook of the North Dakota State college, was distributed Wednesday, according to Everett J. Wallum, Lakota, editor of the book.

Dean Emeritus E. S. Keene's history of the college since its inauguration in 1891 is the feature division of the annual. Pictures of all of the past presidents of the school are contained in this history. An "hysterical" section which burlesques the historical theme is an innovation in humor sections. Mr. Wallum wrote this division for the second consecutive year. The six other divisions include classes, administration, Bison life, athletics, organization and advertising.

Etchings Are Feature

Six pencil etchings in high light half-tones of the campus buildings marks the scenic section. Allan Meinecke, Fargo, drew these sketches. A three-color frontispiece of Main building is one of the most attractive pictures.

Brown is used as the color scheme in all decorations. The cover is of dark brown leather and bears the school insignia, the Bison, on the right side. Head and tail pieces, rather than ordinary borders are, contained throughout the book. All border work is in brown tint and several special borders are introduced in the football, administration and activities sections.

Christine Rud, Ruby Oscarson Get Awards

Ruby Oscarson and Christine Rud were awarded sweaters for the most representative seniors at the annual W. A. A. banquet held at the Commercial club Wednesday night. Sarah Moore, President of the group, gave a talk and presented the awards.

Helen Ballard, retiring president, presented Miss Dorothy Cole with a gift in appreciation of her work in behalf of the organization during the past year.

State College Poultry Lay 3355 Eggs In April

With an average of 20 eggs for the month of April the 163 hens in the North Dakota State college poultry flock laid a total of 3355 eggs. One hen, a barred Plymouth Rock, lacked just one egg of laying an egg a day during the month. Her close competitor, also a barred Rock, laid 28 eggs.

Salary Increases Slashed by Board Of Administration

Increase Granted State College Is Larger Than University Appropriation

Salary increases recommended for professors and instructors at the North Dakota State college were slashed by the board of administration to 50 percent of the figure requested, it was made known yesterday.

President John Lee Coulter of the college had recommended increases totalling \$20,000 a year. This figure was cut to \$10,000 and he was given instructions to "spread it around where it was most needed."

President Kane, of the University of North Dakota, who had asked for a \$12,000 increase was allowed \$6,000 instead and was given instructions similar to Dr. Coulter's.

College Increase Larger

The State college was given a larger increase than the university, it was explained, because instructors and professors here receive less pay than university men who are doing similar work. For instance, according to the board, State college deans draw a maximum of \$4,500, as against a maximum of \$5,000 for university deans. In addition some instructors at the college work 12 months a year while those at the university work only nine.

Most of the increase awarded the college will be used to increase the salaries of men employed in the school of agriculture, it was announced. The board expressed its desire to make the school of agriculture as strong as possible, and is willing to pay to get and keep good men.

Salary lists for the state teachers colleges at Mayville and Valley City must not be increased more than 1 percent of the present total, the heads of those institutions have been told. This rule was followed by the board in doling out pay boosts to instructors who were promised pay increases when they were employed, provided their services at the end of a given period had proved satisfactory. The institution heads were advised by the board to make good these promises and distribute any additional salary appropriation where it is most needed.

BENTON WILL ATTEND RESEARCH CONFERENCE

Acting as a special representative from North Dakota, Dr. Alva H. Benton, specialist in marketing and rural organization work at the North Dakota State college, will attend a meeting of Research Workers in the Field of Livestock Marketing at Chicago, May 31 and June 1, and the annual meeting of the International Conference of Wheat Pools at Regina, Saskatchewan, June 5, 6 and 7.

Dr. Benton was asked by Dr. Thomas P. Cooper, director of the Kentucky Experiment station and former director of the North Dakota station, to represent the North Dakota station at Chicago.

CLUB REQUIREMENTS CHANGED AT MEETING

Requirements for membership to the Education club were changed at a meeting of the organization held in the Y. M. C. A. Tuesday evening. Heretofore, any student registered in the school of education was eligible to membership. Under the new plan only those students in the school of education who have an average of 82 percent for the preceding term will be considered eligible for a vote of the membership of the club.

Edits 1930 Bison

Jessie McLachlin, Hunter, who will edit the Bison of 1930 which will be issued in May, 1929. Miss McLachlin is a member of Delta Phi Beta.

New Wing Enlarges Office Of Registrar

Large Assembly Room To Be Made On Second Floor For Use By Arvold

The new wing on the Administration building which is being built at the present time will give the alumni association, registrar, dean of women and dean of men more room on the first floor; and the west side of the administration building will be completely rearranged. At present the room reserved for the dean of men will be used for a committee room, until a full time dean of men is secured.

The basement will be used for storage purposes only, and the second floor will be finished up in a large assembly. This room will be turned over to the department of public discussion and social service for Prof. A. G. Arvold to do with it as he sees fit.

Meinecke and Johnson have the contract for the wing. The exterior dimensions are 36' 6" x 35'. The appropriation for this wing was granted by the last session of the legislature.

Johnny Johnson Named Hockey Sextet Leader

Johnny Johnson, leading Bison hockey star of the past season, was elected captain of the Bison varsity to succeed Kenneth McDowell for the coming year. McDowell was elected at the same meeting as the past years honorary captain, the team going thru the season without one.

BEN GORDER ELECTED N. D. CLUB PRESIDENT

Ben Gorder was elected president of the N. D. lettermen's club at the meeting Tuesday. Alf Skaret and Cy Peschel were elected vice-president and secretary-treasurer, respectively.

Gorder said that there would be a meeting in the near future to determine the policies of the organization for the coming year.

KAPPA TAU DELTA MEN ELECT-NEW OFFICERS

Kappa Tau Delta, honorary architectural fraternity, elected their officers for the coming year at a regular meeting, Tuesday evening, May 21.

Kenneth Sundberg, New Rockford was elected president; Alf Skaret, Fargo, vice president; and Donald Best, Fargo, secretary-treasurer.

Services To Be Held Monday At Commercial Club

Dr. Walter Lee Airheart Will Be Principal Speaker At Banquet

Fourteen students have been elected to the North Dakota Alpha chapter of Pi Gamma Mu, national social science fraternity, and will be initiated into active membership at a banquet to be held Monday, according to Ruby Oscarson, president.

The initiation banquet will be held at the Commercial club at 5:45 p.m. O. M. Fuller will act as toastmaster, and Dr. Walter Lee Airheart will be the principal speaker. Mildred Vold and Ruby Oscarson will be featured in a few musical numbers.

14 Students Elected

Students elected to the social science society are: Lorinda Bechtel, senior in education; Frances Brummond, junior in education; Myron Eagle, senior in science and literature; Geraldine Ewald, senior in science and literature; Esther Douglas, junior in education; Richard Hackenberg, junior in science and literature; Ethel Hector, senior in science and literature; Phyllis Heimark, junior in education; Ruth Henning, junior in education; Laurel Kingsley, junior in science and literature; Albert Palmerlee and Thomas Palmerlee, juniors in science and literature; Thelma Pederson, senior in science and literature; and Everett Wallum, junior in science and literature.

Farmers Will Attend Dairy-Poultry Train

Officials Base Prediction On The Preliminary Interest In 88 Towns

That the bulk of the farming population of North Dakota will attend the Dairy-Poultry Special Train meetings in the state during the coming month is the prediction of those in charge of the train, based on the preliminary interest which is being displayed at the 88 points at which stops are scheduled from May 28 to June 30.

Attendances of 30,000 and 50,000 were secured respectively for the Better Beef and Better Seed special trains which were run during the past two years, and the longer schedule for this special train coupled with the fact that interest is general in every section of the state in dairying and poultry production, will result in even larger attendances, college officials believe.

To Be Dedicated

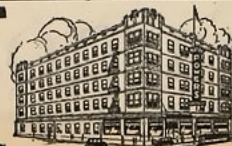

The train will be dedicated with a program Saturday afternoon, to be held at the State college at which talks will be given by Governor A. G. Sorlie, President John Lee Coulter of the college, and prominent railway officials.

Meetings will be held Monday at Leonard, Verona and Gackle, and the train will stop at Jamestown Tuesday morning and afternoon, where an all-day celebratin will be held. The committee at Jamestown plans a chicken-calling contest for women and a hog-calling contest for men with several prizes, a free lunch and music by the boys' band.

Similar programs are planned at many of the points where meetings will be held on the Northern Pacific, Soo Line and Great Northern railways.

ON APPROPRIATIONS

The state board of administration has voted to give our professors and instructors a raise in salary. The raise is just half of the figure recommended by President Coulter but an appropriation of any amount is welcome, and the fact that State college was allotted more than the University has its exhilarating qualities. The board has admitted that our faculty has been doing the same amount of work as the university faculty and for less money. This realization is a forward step. It proves more than ever the equality of the two institutions, the fact that North Dakota has two schools of higher learning who are giving slightly varied courses but who turn out an equally good product.

The administration board advises that the larger part of this appropriation be spent on the school of agriculture and since agriculture was the basic idea of founding the college, this is entirely logical. Mechanic arts, the other foundation of the act which enabled the state to start this institution, should come in for a full share also. The other schools on the campus should not be overlooked, however. Their combined enrollment embraces the greater number of students and in order to care for this number, their shattered resources need bolstering as greatly as the basic schools. Perhaps they will be stressed in future appropriations. At any rate it is hoped so. North Dakota State is far more valuable to North Dakota with seven great schools than with one or two, and the college as a whole is in dire need of the almighty dollar to enable it to give the state a better return on the investment.

ONWARD, GRECIAN SOLDIERS

The seed of desire of local Greek letter societies to prove to the national organizations of the nation that North Dakota State is fertile soil for their expansion is beginning to take root. With the advent of Sigma Phi Delta, which Monday absorbed Delta Pi into its family of chapters, another step toward the eventual assimilation of our local groups into great national bodies has taken place. This is but the bugle call of the advance. It cannot be for long that the organizations here will be ignored by the country-wide fraternities and sororities. And as for Delta Pi, may the success that was theirs continue to be that of Epsilon chapter of Sigma Phi Delta!

WE APPRECIATE your past patronage and solicit your future work. When you think of laundry call the DIXON for service and quality. We darn sox and sew on buttons without extra charge.

WISE and OTHERWISE

By Henry Presler

THE LONG awaited Bison, chronicle of the school year 1927 and '28, was distributed to the students Wednesday. The enthusiasm with which it was received and the praise that accompanied its examination are proof enough of its worth and popularity. The Spectrum staff congratulates Mr. Wallum and the annual staff on the splendid record of this years activities.

THE ANNUAL Gold Star Band concert of last evening was a great success. Everybody, especially the musicians of Fargo and Moorhead, declared it a real treat. It was a fine exhibition of the type of music a military band can produce when properly trained. Dr. Putnam chose a number of different types of selections, illustrating the versatility of his charges. When the finale, the Yellow and the Green, brought the students to their feet it was with a feeling of pride.

BASEBALL ON the campus has come into its own for a while. A number of hotly contested games have been played before enthusiastic spectators. The fraternities are determined to take the championship away from the Kappa Phi's. All the various teams are working into real form. So far no favorite has been picked.

BEAR IN mind that the last big school dance of this year is about two weeks off. The Senior Ball!

WITH THE last minute rush catching us in its grip, the number of students laying in the shade during class hours and chewing the rag has somewhat diminished. Especially in

the various labs has the "rush" taken hold. Take a trip to the Chemistry building for instance. Preparations for that home-going are in the making. Already the exodus has begun. Several of the seniors having gone to their new positions. A few more weeks and the campus will take on that deserted summer-school look. But the year isn't over yet. Many events are still coming up. Watch for them.

FOR INSTANCE: that Memorial Day parade.

AND WHILE we think of it, there are about two more issues of the Spectrum due. Be sure to get them.

North Dakota State TEN YEARS AGO TODAY

Pat Keely, undoubtedly the most popular student on the campus, left this morning to enlist. He has held practically every position one could wish and has done a great deal for our school in every way.

A line in the Spectrum said—A few men started this war in the blindness of autocratic power, all men will settle this war in the open vision of democracy.

There were nine active members of the Edwin Booth club.

The message was received that Roy Chandler was killed in France. Roy was the first State college boy as well as the first Fargo boy to give up his life in France. His line of duty was a sniper in the American army.

Ten years ago today the officers of the Edwin Booth Dramatic club were President, Marjory Lieberg; vice-president, Dorothy Price; secretary,

Richard Lewis; treasurer, Louise Rusch; keeper of the Chest, Alfred Sorenson.

*Ebullitions of
Ebony Blott*
By Everett Wallum

The Kappa Lambdas carried out the ship motif in their formal party. Even some of their partners seemed anchored.

And they gave out cards as favors, so the deck was there allright.

Giving out cards, the Lambdas inform us, was not a hint for the boys to start holding hands.

In featuring the nautical effect, the sorority should have presented a singer who could hit the high "C's".

We've heard a lot of alleged feminine yodelers who were "C" sick.

A crooked gambler must be popular. He always gets a big hand.

Maybe they should have carried out a raft motif, because so many of the fellows felt flat.

A lot of the rookies attending the party campaigned for a canoe theme. They were much better acquainted with a paddle.

The helpers at the party liked the canoe idea, too, because it would mean better possibilities of getting tipped.

Anyway the girls had permanent waves and the boys looked like they had just fallen out of a hammock, so the theme was a success.

Many a permanent wave is a wash-out.

What we really need in this country is permanent wives.

The jack of hearts usually turns out to be alimony.

The report reaches us that Russel Freeman is engaged, and now we've lost all our faith in names.

If names mean anything, why isn't Professor Ikenberry an undertaker?

And why isn't Professor Household a real estate demon?

But, alas and alack, there's nothing in most of our names but a lot of bills.

Wilbur McMartyr hastens to tell us that the most striking thing in his name is his wife.

"Worst Is Honor Guest At Commencement", the Spectrum frankly informs us. Evidently the best isn't good enough.

A beautifully embroidered cassimere pen point, this week's prize to the outstanding numb-brain, goes to the fellow who proudly contends that the Book of Job is "How to be Happy though Married (earn while you learn, pay smiling postman \$1.98 plus a few cents postage.)"

Theta Chi, Kappa Phi, Tied For National Lead

Y Tossers Defeat Sigma Tau Outfit

Kappa Phi Men Trounce Gamma Rhos 9 to 1; Sorenson and Howell Sock Homers.

ATTENTION BASEBALL MANAGERS

It is the policy of the Spectrum to be a representative school publication. Continue to make it so by turning in legible box scores and items of interest concerning your games the night they are played to the Spectrum office. It is impossible to take care of the leagues without this assistance. Place them in the drop box, outside the postoffice door, where they will be available. Thank you.

The Theta Chis won their second contest to go into a two-way tie with the Kappa Phis for first place in the National league. The Theta Chis defeated the Delta Sigs 8 to 6 and the Sigs pulled a rally in the last innings. Bill Howell pounded out a home run with two men on base to score three of the Sig runs. Blakeslee and McLachlin scored on Arneson's single who came in on Radde's short liner.

Sorenson scored twice for the winners, one a home run, the other on a base on balls. Millard, Bassett, and Brady scored for the Theta Chis in the second inning. Brady and May again crossed the plate to bring in the winning counters.

The batteries were Bassett and May for the winners and Blakeslee and Arneson for the Sigs.

The Y. M. C. A. won their second game winning from the Sigma Taus 8 to 4 Tuesday. The Kappa Phis defeated the Gamma Rhos in an National league contest 9 to 1 Monday.

11 Bison Tracksters Leave For Loop Meet

Largest Delegation In History To Represent State In Track Competition At Sioux City.

Eleven members of the North Dakota State college track team left on Wednesday for Sioux City, where tomorrow and Saturday they will compete in the annual North Central conference meet.

This delegation is the largest ever sent forth to carry the Bison colors in a conference meet, and close followers of the circuit believe that Leonard Saalwaechter's charges will come through with many points.

Dave Aitken and Cy Peschel, sprinters, have not reached top form yet, and this weekend they may be able to crash into the point column. Herman Zeissler, high jumper who cleared six feet in the dual meet with North Dakota university, is regarded as a possible first place winner, and he is likely to qualify and place in the 220 yard dash.

Distance Runners Good

Dorland Konichek has not reached the peak of his form in the quarter and half mile races, while Neal Baldwin and Leonard Wollan may come through in the middle distances. Russel Weiser and Walter Nelson, conference crosscountry champions, have never failed to place in the two mile run and may finish with the

Coaches Champions

Lt. Frank S. Ross, U. S. A., who recently coached the Bison rifle team to the National and Corps Area championships.

leaders in the mile.

Milton Pemble has shown great improvement in the hurdles as the season has progressed while George Hays has been a consistent placer in the high jump and pole vault. Saalwaechter believes it will take some mighty heaves to shut Jake Wahl out of the shot and discus place winners.

Dr. A. F. Schalk, member of the college athletic board, accompanied the team and will represent the Bison school at the spring business meeting of the circuit Friday night. Several important matters will be discussed at this time.

Saalwaechter will confer with the other basketball coaches of the loop at this time and it is expected that the circuit programs for the cagers will be completely drawn up.

Bison Tennis Stars Break Even With Flicker Players

Two Court Teams To Play Here Tomorrow Afternoon at 2:30; Tronnes and Gronvold Star.

Tennis stars representing the North Dakota State college broke even in a series of matches with the University of North Dakota at Grand Forks Wednesday afternoon. The same teams will play here tomorrow at 2:30 p.m.

Fred Gronvold and Hans Tronnes won all matches which were credited to the Bison. Tronnes won his singles match from Jack Woolledge, 8-6, 6-2. Gronvold beat Dick Sturtevant, 9-7, 2-6, 6-4. George McHose and Prentice Johnson accounted for the Flicker singles victory, McHose winning from Elmer Stranahan by scores of 6-1, 6-0, while Johnson won from Lawrence Meldahl, 6-2, 6-3.

Tronnes and Gronvold beat Sturtevant and Woolledge in the doubles by scores of 2-6, 6-4, 6-4. McHose and Johnson beat Meldahl and Don Boley, 6-2, 6-3.

PHI OMEGA PI FORMAL TO BE HELD TOMORROW

The Phi Omega Pi annual spring formal will be held tomorrow evening at the Fargo Country club during the hours 8:30 to 11:30. Honor guests include Dr. and Mrs. John Lee Coulter, Professor and Mrs. J. R. Dice, Dean Pearl Dinan, Dr. and Mrs. C. S. Putnam, Mrs. Minnie Rusk, Mrs. Frank Ployhar, and Messrs. and Mmes. F. O. Olson, A. H. Hammerud, Walter Reed, Charles Wickert, and F. J. Temple. Miss Almarine Schulz has charge of the general arrangements and working with her are Misses Edna Steeves, Ruby Johnson, Ruby Oscarson, Helen Carstenson, and Doris Abel.

New Alpha Gamma Rho Fraternity House

Above is the architect's drawing of the Alpha Gamma Rho fraternity house which will be constructed this summer at the corner of Thirteenth avenue North and Thirteenth street, directly across the street from the practice house. The structure will cost approximately \$30,000 when equipped.

This is an epochal event for it marks the first step taken toward a realization of State college's "Fraternity Row" as two other fraternities and the Y. W. C. A. own lots adjacent.

The local organization is Epsilon chapter of a national social profes-

sional fraternity of thirty-one chapters. The members of the active chapter are: Clyde Barks, Egeland; Cyrus Gorder, Grafton; Merrill Burke, Leal; Lawrence Reiten, Petersburg; George Hildre, Petersburg; Craig Montgomery, Harvey; Walter Davidson, Valley City; Clair Southam, Mohall; Hjalti Thorfinnson, Mountain; Ralph K. Welch, Grafton, president of the fraternity; Wilfred Plath, Davenport; Lawrence Ranes, Lisbon; Graham Fuller, Hamilton; Lawrence DeSautel and Wesley Erickson, Grafton; Virgil Sullivan and Verne Hickerson, Bemidji, Minn.; Paul Abrahamson, Leal; Arthur Zeigler, Tower City; Paul Guertin, Deer River, Minn.; Pete Gergen, Grafton; Jesse Reynolds Van Hook; Henry P. SIGMA THETA FORMAL TO BE HELD TONIGHT

Lilacs and other spring blossoms have been chosen as the decorations for the Sigma Theta annual spring formal at the Country Club this evening. Active, alumnae, and pledge members will be in attendance. Guests of honor will include the patrons and patronesses of the group and Dr. and Mrs. John Lee Coulter, and Dean Pearl Dinan. Miss Maybelle Game has charge of the arrangements and assisting her are Margaret Ballard, Ethel Grimson, Elizabeth Fitzgerald, Dorothy Volkamer, and Ardath Cal-

We Show Styles While They're New

And that applies to both our furnishings and our clothing. Right now you'll find our stocks filled with fresh spring merchandise authoritatively styled and attractively priced.

Styles for young men.

HOLLYWOOD BOULEVARD

With the most chic and exclusive shops in America, reveals the smartest fashions, the finest fabrics, and styles which are a year ahead of all other styles in America.

The Hollywood Shopping Service executes any shopping commission from one fine linen handkerchief to a Rolls-Royce (with as many doo-dads as Tom Mix has on his big white Rolls), complete even to a horn with chimes or a bugle call. Anything you see on the screen that a star is wearing, that we can buy and ship to you.

The Hollywood Shopping Service does all this for you quite free of extra charge, asking only that you state your size, correct measurements, color preferences, or other particulars, when you enclose your Postal Money Order for the articles desired. Correspondence is solicited and satisfaction is guaranteed. Please check over the following list and let us know your wishes by an early mail.

We Buy You What The Stars Buy (Reg.)

No One Can Know His Eyes' Condition

Without undergoing an examination. No one can tell anything about the eyes merely by looking at them. They must be examined by instruments that detect the slightest deviation from normal. So there is very little use asking anyone if his eyes are normal. He doesn't know. But our examination would tell him. Then we could correct the defects we found.
