

Spectrum Places Third In Contest Volante Is First

Editor of Spectrum Is Elected President of North Central Press Association

The Volante, student publication of South Dakota University, was awarded first place in the annual newspaper contest of the North Central Press Association at Omaha Friday. The Creightonian, of Creighton University, was placed second, and The Spectrum, of North Dakota State, third.

Emphasis given to sports as the most outstanding part of the college routine, and the lack of student opinion columns were characteristic of the papers submitted. The basis of judgment was placed on these departments.

Addresses by prominent Omaha newspapermen, business meetings, and round table discussions on various topics of interest to the delegates made up the professional program of the convention. Diversion from the business sessions was enjoyed by the visitors at Omaha's new million-dollar theatre, the Riviera; at the Creighton-Colorado basketball games; at banquets and luncheons; and in a tour of Omaha including the newspaper plants and other points of interest.

Managing Editor Speaks

The convention opened at 9 a. m. Friday with a registration of the delegates. An address by the dean of the Creighton School of Journalism followed. Fred S. Hunter, managing editor of the Omaha Bee-News gave a short talk, which was followed by a tour of Omaha and a luncheon at the University Cafeteria. At 3 p. m. the delegates were entertained at the Riviera theatre.

At 6 p. m. the results of the newspaper contest were made known at a banquet in the Ad-Sell Restaurant. The basketball contest between Creighton and University of Colorado followed, Creighton winning handily 41 to 25.

1929 Meeting At Sioux City

Saturday morning an address by W. R. Watson, managing editor of the World-Herald, began the last day's activities. At 10 o'clock the final business meeting of the convention was called. Officers for the following year were elected as follows: Richard G. Hackenberg, editor "The Spectrum," president; Al Russell, sports editor, "The Creightonian," vice-president; and Louis Dimsdale, business manager, "The Collegian-Reporter," Morningside, secretary. Morningside College, at Sioux City, Iowa, was awarded the convention for 1929. Officers elected Saturday will hold office until that time.

A luncheon at the new Knights of Columbus club preceded the round table discussions. In the evening the delegates were again guests at the second game of the Creighton-Colorado series, which Creighton won 51 to 13.

Delegates representing The Spectrum at the convention were Richard G. Hackenberg, editor; and Lester E. Thompson, business manager.

UNIVERSITY DEAN WILL SPEAK AT CONVOCATION

Dean Joseph Kennedy, of the School of Education of the University of North Dakota, will address the students at convocation tomorrow morning at 9:40, according to word received from Dean A. E. Minard, in charge. Dean Kennedy holds a M. A. from the University of Minnesota, and has been with the University faculty for over 27 years. Although the topic of the address is not known, it will no doubt be along the lines of Education, according to Dean Minard.

Marvin Spielman Chalks Up His Fifth Scholastic Success

BISON SPORTS

Bison sports will hereafter be found on page three. In beginning an exclusive Sports Page, The Spectrum is acting in accordance with favorable comment on the subject expressed by the delegates at the North Central Press Association convention at Omaha Friday and Saturday. The Spectrum has not had a Sports Page before, and as a result the front page make-up has suffered from the excessive prominence of sport news. Hereafter all sport news will be found on page three, unless the news, in the opinion of the editor, warrants a front page position.

Pi Gamma Mu Out In Front Of Organizations; Alpha Zeta Drops To Third

Marvin Spielman, junior in the School of Chemistry, chalked up his fifth scholastic success yesterday when fall term averages, released by the registrar, found his name again heading the list with a 95.7 average.

Spielman is a member of Alpha Kappa Phi, and Alpha Phi Omega fraternities, and resides in Larimore, North Dakota. This is the fifth consecutive time that the junior Chemist has topped the college honor roll.

Ella Kaupaun, 94.7, and Ruth Henning, with one tenth of a point's difference, rank second and third respectively. Among the schools Education was high with 81.7, and Home Economics second with 80.2. The general average of the institution was 78.7 in the collegiate department.

Lucille Gustafson High

In the practice high school Lucille Gustafson, senior, led the honor roll with 92.3. Ruth Johnson, 91.2; Eunice Madsen, 91.1; and Murray McGregor, 91.0 were close to the leader. In the industrial courses, the Farm Husbandry classes had a substantial lead over the others with 81.4. William DeKrey was honor man with a 90.8 mark.

Of the college organizations Pi Gamma Mu headed the list with the only ninety average, 90.5. Gamma Tau Sigma, journalistic, was a close second with 88.8, topping the Alpha Zeta group who registered 88.4.

The average of the fraternity men was found to lead the non-fraternity men 81.2 to 75.9. In the girls' group, the sorority members led the non-sorority 83.5 to 81.2.

The scholastic statistics of the registrar follow:

General Institutional Average, all students, all curricula, 78.8; all men, all curricula, 77.4; all women, 81.8.

General Average, all regular undergraduates, 78.7; all men, 77.2; all women, 81.7.

Average by Schools

Agriculture, 78.4; Chemistry, 79.8; Education, 81.7; Home Economics, 80.2; Mechanic Arts, 77.7; Pharmacy, 74.4 Science & Literature, 78.1.

College Honor Roll

Marvin Spielman, Junior, 95.7; Ella Kapauun, Senior, 94.7; Ruth Henning, Junior, 94.6; Hjalmer Johnson, Freshman, 94.4; Christine Rud, Senior, 94.3; Ruben F. Anderson, Senior, 94.2; Arthur Walde, Junior, 94.1; Helen Stockton, Freshman, 93.6; Minnie Sukut, Freshman, 93.5; Mary Hassell, Freshman, 93.5.

High School Honor Roll

Lucille Gustafson, Senior, 92.3; Ruth Johnson, Sophomore, 91.2; Eunice Madsen, Sophomore, 91.1; Murray McGregor, Senior, 91.0; Leland Cook, Senior, 90.2; Clarence Walde, (Continued on page four)

Foss Narum Elected To Lead Junior Prom

Date For Annual Ball Has Not Been Set; Committees To Be Chosen Soon

Foss Narum, junior in the School of Science and Literature, was chosen to lead the Junior Prom at a class meeting in the Little Country Theatre yesterday.

Candidates for the office were John Bohlig, Foss Narum, and Wilfred Plath. It was decided that two of the three should run on a final ballot. The results of the primary dropped Plath by a one-vote margin. Narum, in opposing Bohlig in the finals, won by a seven-vote margin.

Further plans have not been announced, but committees will be chosen in the near future according to Mr. Narum. No date for the affair has been set.

SYNOPSIS OF BISON HOCKEY TRIP FOUND

Following are some of the experiences of the Bison hockey team during their sojourn in Minneapolis: Johnson leaves \$40.00 under pillow in sleeper; Severtson bawls out waitress for charging him ten cents for cup of coffee; Entner, hockey team chaplain, delivers excellent sermon on Prodigal Son; Johnson and Diemert engage in hotly contested water fight on sleeper; Captain Severtson gets puck on shin while attempting to sight fair damsel in audience; McLaughlin goes into faint while gazing upon dancing girls at Gayety; Johnson becomes infatuated with usher at Capitol; Landbloom argues with waitress that pie a la mode has ice cream on top of it; Severtson and Diemert walk around Lake of Isles five times trying to get up town; Polar bear McRoberts forgets cap, socks, and shirt at home; Johnson and Diemert break window in street car while trying to give young lady a seat; Fort Snelling bugler gives his opinion of Landbloom for wearing blue pajamas; and though defeated the boys retain the little brown jug.

Forty-two Make Up Bison Pep Society

Organization Will Be Named At Meeting To Be Held In Armory Thursday

Forty-two men at the North Dakota State college will make up the membership of the recently created pep organization at the school. Thirty-five students were elected by the seven original members at a recent meeting.

The promotion of a good college spirit at the athletic contests at the college is the purpose of the club. The group will entertain the audience between halves and before the basketball games this season.

A name will be chosen for the organization at its first meeting in the college armory at 7:30 p. m. Thursday.

The list of the newly appointed members which follows contains men who do not play in the band or who are not engaged in athletics or other activities which interfere with their work in the club.

Members Chosen

They include: Boyd Casey, Crosby; Arthur Anderson, Kindred; Gunder Christianson, Hope; Cecil Carroll, Fargo; Garnet Grieve, Buffalo; John Molitor, Brinsmade; John Pariseau, Grafton; Keith Allen, Sherwood; Clayton Johnson, Fargo; Oliver Radde, Fargo; Vance Vaupel, Valley City; John Johnson, Fargo; Robert Olson, Fargo; Lothian Burgess, Shrewsbury, Mass.; Peter Koval, Staples, Minn.; Clifford Booke, Williston; Richard Day, Brittin; Gilmore Moe, Colville, Wash.; Victor Wahl, Fosston, Minn.; Taylor Hayes, New Rockford; Milton Pemble, Fargo; Everard Cochran, Drayton; Frank Hannaher, Fargo; Omer Watson, Amenia; Melvin Touissant, Leonard; Conrad Brusegaard, Gilby; Marlin Hutchinson, Tuttle; Clyde Barks, Egeland; William Haslam, Devils Lake; Chris Haas, Lidgerwood; Ralph Braake, Davenport; Julius Dockter, Linton; Jesse Sleight, New England; Roy Landblom, Fargo; and Kenneth McDowell, Fargo.

The original seven were: Everett Wallum, Fargo; George Fisher, Wahpeton; John Bohlig, Fargo; Benjamin Gorder, Carbury; Percy Newton, Fargo; Edmund Peterson, Moorhead; and Foss Narum, Fargo.

Education Club Tonight

The Education club will hold a meeting in the Green Room of the Main Building at 7:30 this evening. Dean Weeks will be the speaker of the evening. Refreshments will be served in the Incoln Log Cabin. All members, old and new, are urged to be present.

Lyceum Program Opens In Armory Tomorrow Night

Noted Naturalist Will Talk On Life Secrets Of Wild Flowers.

State College students will have an opportunity to attend the first series of the Seventeenth Annual Lyceum Course to be given in the Armory tomorrow evening. Arthur C. Pillsbury, naturalist and lecturer, will give an illustrated lecture on the Life Secrets of Wild Flowers and Animals.

Mr. Pillsbury has devoted years to the study of wild flowers. From his observations he found out that flowers are very similar in their actions and habits to man. They clothe themselves in beautiful attire and they exert strange attraction to entice the honey bee, the butterfly or the moth which becomes the instrument by which the life-giving pollen is transmitted for the purposes of reproduction. They also are capable of protecting themselves against their enemies.

According to Mr. Pillsbury, flowers have more regular habits than most of us. From generation to generation they opened at certain hours, lived a certain span, and went to sleep at almost exactly the same time. "The plant life in this world manufactures and utilizes more energy than all the man-made power in the universe. All the motors, engines, turbines, wind-mills and dynamos are as nothing compared to the tremendous amount of energy that is being consumed each day in the fields and forests."

Years Of Study Required

Many years of study of the habits of flowers were required before Mr. Pillsbury was ready to begin filming the blossoms. He devised a clickwork mechanism attached to his motion picture camera so exposures could be taken at regular intervals as the blossoms developed. One does not have to be a botanist to derive the enjoyment from these pictures.

Any person who loves the out-of-doors and who is interested in the habits the plants and animals can derive immense enjoyment from the films that Mr. Pillsbury is going to show.

There will be five different reels that Mr. Pillsbury will offer. The first one will be a scenic reel of Yosemite and the High Sierra; the second reel will portray the wild flowers while growing and opening; the third reel will show trees—their life story, and moss and ferns; the fourth reel will show the biology of the flowers showing many microscopic views, and the last reel will be a reel concerning bird and animal life.

FILM SHOWN ENGINEERS PORTRAYS DAM BUILDING

Friday afternoon in the Engineering department, a film was shown, portraying the interesting features of the construction of the Conowingo dam and power development of the Philadelphia Electric Power Company. This hydro-electric plant is situated on the Susquehanna River about sixty miles from Philadelphia. The Susquehanna river is the second largest on the Atlantic seaboard, draining an area of 27,000 square miles. The ultimate capacity of the plant is 600,000 horse-power, it being second only to the Niagara power developments. That this was a tremendous undertaking, is evidenced by the fact that its dam formed a lake of fifteen square miles, flooding the town of Conowingo. Over 670,000 cubic yards of concrete were required for the power house and dam. From this plant, power is transmitted to Philadelphia at 220,000 volts on an aluminum cable. By means of this development, it is estimated that the cooperation of steam and water power saves the system 750,000 tons of coal annually.

THE LYCEUM

Tomorrow evening, the first of a series of intellectual diversions will be offered students at North Dakota State in the form of the Lyceum Course.

An American essayist once said that a man's (or woman's) status in life could be determined by whatever he did in his leisure moments.

To the student, the Lyceum offers this happy medium. It is entertaining, but educational. It is not boresome, or biased. It is a means not to be ignored.

THE NEW PEP CLUB

Another step in the progress of the school was taken when the new pep club of forty-two members was organized recently.

Thursday evening the club will adopt a name. It will be put to a vote before the members of the club, no doubt, as to what the name shall be.

Just Comment WISE and OTHERWISE

ONE OF our English instructors recently assigned as a theme topic a discussion of personal views of college life.

IT IS evident that a problem exists. Last year there were more all-college social functions up to this time of the year than we have so far

I'M THE BOOB

I'm the boob who always jumps into my fraternity brother's car just before the eleven o'clock class is out.

had. The fraternities and sororities sponsored school dances. This they have failed to do as yet.

THE STUDENT Commission is alive to the problem. Since a social function usually means dancing to people of our ages, they sponsored an all college dance which was held in the armory last Saturday evening.

Now let's just sit tight until the next jig rolls around and then get ourselves and five others out to John Lee's Barn.

gridiron. Up to the present time the student body has not been given a real chance to show just how they can sing the school songs.

Wahpeton Science Scores Victory Over Bison

Buffalo Basketeers Lose by 46-38 Count

WILDCAT RALLY FOLLOWING EXPULSION OF McPHERSON AND GERGEN WINS GAME.

A spirited rally following the banishment of Captain George McPherson of the Bison basketball team won a 46 to 38 victory for the Wahpeton Science Wildcats over the buffalo squad at Wahpeton Saturday. This was the first defeat of the year for the Bison cagers.

Up to the time of McPherson's fourth foul, the Bison had an undisputed lead over the down-state team. Shortly after the lanky center left the floor, Pete Gergen, guard, was also ejected for a quartet of infractions, and the Wildcats ran rough-shod over the remnants of the herd.

Bison Lead At Half

Coach Earl Bute's charges played their best game of the season to nose out a win over the State College team. Johnson and Brewster led the scoring of the Science squad, while McPherson, up to the time of his dismissal had accumulated 15 points for the Bison.

At half-time the score was 28 to 22 for the invading herd, but this advantage faded slowly in the glare of the brilliant rally following the loss to the Bison of McPherson and Gergen. The banishment of Gergen weakened the Bison defense to such an extent that the 'Cats were able to pile up an 8-point lead before the final gun. The summary:

Bison	fg	ft	pf
Hahn, f	3	0-0	0
Bliss, f	2	3-3	1
McPherson, c	4	7-7	4
Hays, g	1	0-0	1
Gergen, g	3	0-1	4
Braus, c	1	0-0	0
Hickerson, g	0	0-0	0
Peschel, g	0	0-0	0
Totals	14	10-11	10

Wahpeton	fg	ft	pf
Brewster, f	5	6-6	0
Johnson, f	7	1-1	0
Achter, c	2	0-0	3
Smith, c	0	0-1	0
Lunday, g	1	1-4	0
Beeson, g	4	0-0	3
Totals	14	8-12	6

Referee, Canfield.

MOHER AND BORLESKE PLAY BISON SATURDAY

State College students will get a chance to see the varsity basketball team in action Saturday night when they clash with the Moher and Borleske team of the Commercial league at the armory at 8 o'clock. The Bison scored a close victory over this team earlier in the season and a hard battle can be expected. Several former college stars are in the down-town team's lineup, including Cy Arnold, Jug Newgard, and Jimmy O'Connor.

Buffalo Hockeyists Lose Three Contests

MINNESOTA OVERWHELMS BISON; FORT SNELLING WINS BY NARROW MARGIN.

The North Dakota State College hockey team, playing its first game of the year, lost to a great Minnesota sextet by a 9-2 score. The Bison were defeated solely because they had not the practice nor the condition of their opponents.

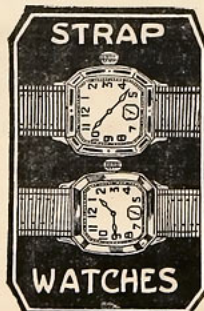

The score of the game does not at all indicate the intensity of the conflict. It was a good game from start to finish. In the first period the Gophers succeeded in putting the disc through the net three times though two of the scores resulted from fluke shots. Johnny Johnson scored the first goal for the Bison in this period. He zig zagged through the entire Minnesota team to register a goal. It was the most spectacular performance turned in during the whole game. The Bison played the Gophers on more than even terms in the final period, and they displayed an attack that had the Minnesotans gasping for breath. Kenny McDowell, Bison left wing exhibited a nice bit of stick work and outwitted the U goalie to score on a pretty rebound shot.

The Bison lost their second game with Minnesota U by a 10-0 score. In the first period of the game the U sextet was held to one goal and in the second period they made only two more. These first two periods were very interesting and the Bison and the U were playing on nearly even terms. The third period wrought havoc to the Bison, however, for in this period the pucksters from the U succeeded in slipping seven goals through the net.

Fraternity Quints To Open Season Tonight

The Delta Pi and Alpha Sigma Tau fraternity basketball teams will open the play in the interfraternity league tonight in the armory. Beta Chi and Kappa Psi will play the second game.

Interest in the campus league is running high and much competition is expected between the various teams. The standard of play is expected to be much higher than that exhibited last year and a much closer race can be looked forward to. Owing to freshman practice being held after six o'clock, the start of the fraternity games will be delayed until eight or eight-thirty.

The games scheduled for Wednesday evening will be postponed until a later date on account of the Lyceum program. The games to be played on Thursday are between Delta Pi and Kappa Psi, and Beta Chi and Alpha Sigma Tau.

For the Bison, Johnny Johnson, McRoberts and McDowell played the best hockey.

In their last hockey game in Minneapolis, the Bison met the exceptionally fast and accurate shooting Fort Snelling team which downed them by a 4-2 score. This team led by Mickey, a whirlwind in himself, and aided by some former Canadian stars offered a brand of hockey which was comparable to a good professional team. The Bison showed their potential power by holding this fast outfit to a 4-2 score, and had it not been for a little tough luck they might have emerged victoriously from the contest. The Bison scored a goal in the first period only to have it ignored by the goal judge, and in the second period Johnson missed an excellent chance to score when right in front of the goal.

BEMIDJI TEACHERS DRUB FRESHMAN SQUAD 42-23

The Bison Frosh invaded Northern Minnesota last Friday and met defeat at the hands of the Bemidji Teachers by the score of 42-23.

This was the first game of the season for the frosh and their showing was largely due to lack of practice. The Northerners had a formidable lineup and have not lost a game this year. The first game is not an indication of what can be expected of the frosh as they had only had one or two workouts before this game.

Those who made the trip are: Gilly Johnson, Leonard Freberg, Boyd Casey, Leo May, Chief Pariseau, Clarence Sheppherd, and Athletic Director Ion J. Cortright.

Education Value Is \$72,000, Says Chicago Alumnus

A college education is worth \$72,000. This is a profit of 1,200 percent on an original investment of \$6,000, which is the average total cost of a four year's course in college.

Deducting the cost of the education itself, the student adds to his future income at the rate of approximately \$15,000 a year during the time he is in college.

As classes are held only five days a week, this means potential earnings of \$70 a day to the student for each day spent in the class room.

These statements were made by Otto Y. Schnering, President of the Baby Ruth Candy Company, who is an alumnus of the University of Chicago, in an address recently.

College Education Essential

"A college education is not only very essential in modern business but highly profitable, if the student spends his time in real study," Mr. Schnering said. "The annual average income of a high school graduate is \$2,200 and that of a college graduate \$6,000. Total earnings of the two classes of men up to the age of 60 are approximately placed at \$78,000 and \$150,000. This gives the college graduate a lead of \$72,000 over the high school youth.

"This is the age of specialization and scientific management in business, in which a college education is becoming almost an absolute necessity."

FARGO STUDENT WINNER IN CONTRACTORS CONTEST

William Bowers of Fargo Saturday was announced the winner of the contest sponsored by the Associated Contractors of North Dakota for a monogram to be used by association members on their stationery.

More than 40 students in the school of architecture of the North Dakota State college competed for the prizes.

Other prize winners are: Henry Zwerg, Sheboygan, Wis., second; John Wolfe, Moorhead, third and Lawrence Parson, Ada, Minn.; Robert Hahn, Willmar, Minn.; Alf Skaret, Fargo and Kenneth Sundberg, New Rockford, honorable mention.

Judging the entries was done by S. M. Houkom, Joseph Rosatti, Fargo architects and C. H. Johnson. Announcement of the winners was made by B. F. Meinecke, Fargo contractor who is president of the state association.

Declamatory Contest

Those wishing to enter the Thirty-third Annual Declamatory Contest to be held January 27 must leave their names at the Little Country Theatre at once.

Women's League Organization

All women interested in organizing a League of Women Voters meet in the Little Country Theatre Wednesday afternoon at four. This group will form the nucleus of the new league, and elections will be held.
