MIDGETS WIN FROM BUFFALO 35 TO 8 IN TOURNAMENT FINALS

Casselton Takes Third in Sub-District meet held Here Saturday

Fargo High School by defeating Casselton and Buffalo won the sub-district tournament which was staged in the College Armory Friday and Saturday. Fargo will meet the Wahpeton High Quint, winners of the other sub-district meet, for the right to play in the state tournament.

Midget Offense Effective

The Midget basketball team defeated the Buffalo five 35-8 in the championship tilt. The Fargo quint had little trouble in advancing the ball through the Buffalo defense, and were effective in their attempts at the basket which enabled them to lead Buffalo 19-1 at the half time.

The Buffalo five attempted a rally in the third period which the Fargo quint quelled after their opponents had garnered five points. Fargo again launched a smooth running offensive attack which brought an easy victory.

Gregory and Olson each caged five field goals for Fargo; while the defensive work of Long was outstanding for his team. Anderson performed well for Buffalo, being the only Buffalo floorman to show and adeptness in advancing the ball against the Midget crew.

GAMMA RHO QUINT CINCHES NET TITLE

An easy 30 to 16 victory over the Delta Pi practically assured the Alpha Gamma Rho quint of the fraternity basketball championship Saturday. Their nearest rivals, the Theta Chi are three games in arrears and the Rhos having but one game left to play cannot be toppled.

The Delta Pi men held the "Ag" five to a 15-10 count in the first half, but were unable to stave off "Polly" Guertin's association with the net in the final half. Guertin with four, Widdi field, Mach and McLain with two each told the Rho tallies. Matson counted thrice, and Chadwick twice for the Engineers, with Hulett and Hutchinson getting each one.

Dean Cole has also been in attendance at a national Dean of Women's convention held recently at Dallas, Texas.

BISON LOSE STATE TITLE TO FLICKERS IN 24-22 STRUGGLE

McPherson Stars on Offense—Newgard, Hahn go out on Personals

Harold Goldberg, the half-pint basketeer from Minot, proved to be a big enough factor in the Nodak 24 to 22 victory over the Bison at Grand Forks Thursday. After jumping into the lead at the start of the tilt the Saaly troupe was never headed until the final minutes of play when Goldberg's sensational scoring bee put the Flickers out in front.

3 Bison End Careers

Claudie Miller closed his college athletic career in a blaze of glory giving the up-state rooters an exhibition of dribbling and guarding and guarding that will be the subject of conversation in the corner drug store for some time to come. Captain "Jug" Newgard displayed a brand of defensive work that was unique in that it was offensive—to the referee. Newgard's stellar guarding showed a precision that met the oncoming Nodaks half-way and kept them in mid-court most of the time. Carl Hansen, injected into the fray after Bobby Hahn had fallen victim to a fourth infringement of the Holzer code of ethics, played the game of his life, dropping in the basket that pulled the Bison momentarily out of danger and contributing a good floor game.

Mac Comes Through

George McPherson was the Bison high-point man with 11 points of the 22 total. Mac seemed to be the life of the party following in shots a la Blakely and fighting with a goodly store of enthusiasm and determination McPherson went so high over Lee on every tip-off that the Nodak center seemed to jump with all the alacrity of a man encased in a deep-sea diver's costume.

Two minutes after the ball ascended into the atmosphere at center for the initial time the score was 4 to 0 for the Bison and the Nodaks called for time. Miller's dribbling had brought the ball into position for Bobby Hahn to slip in from the side, and McPherson had charged through the entire Nodak contingent to tally a short one. When play was resumed again Goldberg dropped in a long one and added two free throws to tie the count. McPherson came through with another (Continued on page four)

CINDERMEN BEGIN WORKOUTS TODAY

SAALWAECHTER WOULD DEVELOP MATERIAL FOR MIDWEST RELAYS—BISON PICTURES 4 P. M. FRIDAY

Coach Leonard Saalwaechter issues his initial call for material and also preparing for possible competition in several of the midwest relays, Coach Saalwaechter wants all field and track candidates to report at the athletic department at 4:30 p. m. today.

The condition of Dacotah field has obviated outdoor cinder rehearsals for a week or ten days. To allow his men to get a fair start, Saaly has been granted the use of the livestock pavilion by officials of the School of Agriculture. Workouts will be held there until Bison field track and cross country men can get outside.

If the development of material turning out this week warrants, Coach Saalwaechter plans to enter several of the early relay meets. In such case, the Sioux Falls Relays being held April 23 and the Hamline Relays at St. Paul, scheduled for May 7 will be entered.

The Bison cinder coach plans to spend most of this week getting his men limbered up on indoor work. A regular training regime will be in order later.

Pictures of this year's track candidates will be taken for the 1928 Bison at 4 p. m. Friday afternoon, reports Dick Hackenberg, Bison editor.

PHI OMEGA PI HOLDS FOUNDERS DAY DINNER

In observance of the 17th anniversary of the founding of Phi Omega Pi, members of the sorority held their annual Founders Day banquet at Strickler's at 5 p. m. Sunday.

Miss Esther Skejset presided as toastmistress. Mrs. C. A. Williams made response for the alumni. Others who spoke were Mrs. F. O. Olsen, Mrs. Minnie Rusk, Miss Erle Steen, and Miss Marguerite Jongeward.

Thirty-five guests were present. Table appointments were in the sorority colors, blue and white.

The sorority, affiliated with the Eastern Star, is a national organization of 33 chapters.

SCENERY, ORCHESTRA TO BE FEATURES OF STAGE EXPERIMENT

77 Students in Classic to be Shown at Theatre Two Days

"Peer Gynt", great five act drama by Henrik Ibsen, will be presented by the Little Country theatre players of the North Dakota Agricultural college on Wednesday and Thursday evenings at 8 o'clock in the college theatre.

Seventy-seven students have roles in the Norwegian stage classic. "Peer Gynt" will be the first attempt of the college players, under the direction of A. G. Arvola, to adapt a large production on a small stage and theatre.

Something unusual in its presentation will be the musical and scenic effects that have been worked out by the students.

Byerly Directs Orchestra

A 20 piece orchestra will play Greig's classic accompaniment to the drama, Fred Byerly, a pupil of Dr. C. S. Putnam, will direct the program. Mr. Byerly has had a varied experience in band and orchestral work. A novel arrangement will be the directorship of Mr. Byerly over his instructor Dr. C. S. Putnam, who will play the tympani. Dr. Putnam is widely known for his success in bandwork and development of directors, having turned out the nationally known band director Harold Bachman, of the "Million Dollar" band, as well as other accomplished musicians.

Students Paint Scenery

Scenic properties of the play will be developed from as unique a source. Every piece of scenery from tormentor to broken casks, every stitch of costuming has been produced by student hands. The Lincoln log cabin for the past ten days has been a blending of an artist's garret and a seamstress' quarters with the stage "carps" hovering about hammer in hand. Sources of information regarding scenic or costuming effects have been probed by committee members. The handwork of the students was assembled Monday afternoon at dress rehearsal and the final rehearsal is this afternoon.

OUR CAMPUS

"Bigger, better and broader" are the three words that have been used most during recent years in describing our college. We are all delighted to realize that they represent truth in advertising whether they are applied to our student body, our scholastic standing, our athletic program, or our social activities, but, alas, they do not apply to our campus.

Like an honor student who is a campus favorite but who is apt to appear at a public function with a dirty face, our campus is not a worthy banner for us to hang out by which to be judged by our visitors. The oldtimers around the campus tell us with a smile about the days when there were a few students and a small faculty and so on, but when they speak of the campus it is to tell how beautiful it used to be and register regret that now nobody seems to care how much the campus is cut up into paths or used as a drive way or athletic grounds. Even the snowplow is allowed to gouge out several yards of turf every time two inches of snow is removed.

Anyone who travels thru our state and notices the average farmstead or village must admit that we owe it to our students to take them as freshmen and instill into their psychology the idea that with a little help and consideration nature will do wonders to beautify our landscape. A visitor who comes on our campus and finds a broad unsightly path by the side of our Main Building will expect our graduates who return to the farm to keep their farm machinery in the front yard just like their fathers did.

Our students possess to a rare degree the rare virtue of fellowship. Anyone who attended one of our basketball games this year and observed the spirit of true sportsmanship that was in evidence at all times would never suspect that just a few years ago we acted like hoodlums at such games. All that was needed was some one to tell us how to act and insist on good sportsmanship, and now it would seem as natural for us to eat with our knives as to act like roughnecks at a game.

Last spring a very commendable start was made to respect the beauty and add to the appearance of our campus. After a brief campaign most of us were careful to walk on the walks and park our cars on the drives. Nature did wonders to cover the scars that had been made during recent years. Last fall, for instance, there was one path cutting across the lawn between the chemistry building and the north drive, while a year before that there were eleven paths. Most everyone kept off the campus shortcuts during the first of last fall term and then one path was started, and gradually most of the old paths were re-established.

The spring thaws are already upon us, and if we continue to use the shortcuts for another month we will undo all the good work done last year. On one state college campus the jay-walker is thrown into the river, while on a university campus south of us the offender has to run the gauntlet between a student court armed with paddles. Judging from results obtained last spring we do not need anything so heroic, but we should do something about it, and keep on doing it.

EBULLITIONS OF EBONY BLOTT

By Everett Wallum

We may have lost that last game with the University, but it would have taken a Daniel Webster and a Robert Ingersoll to convince homeward journeying students of that fact.

The real battle came on the trip home when students resented the limited space under the seats.

TICKETS WEREN'T THE ONLY THINGS PUNCHED ON THE TRAIN

It's a good thing we didn't win because we might have carried the train home on our shoulders.

That couldn't have been a limited special. Everything was unlimited.

IN THE BAGGAGE COACH AHEAD

As the train rolled onward,
The trainmen sat in tears;
The shouts of these collegians
Were ringing in their ears.
He knew some boys were cheating,
But tittle did he reck:
There was a man
In each cream can
In the baggage coach ahead.

Your girl may be pretty, but she isn't fare enough for two on a train.

That was a double train we had. You had to double up to get under those seats.

A bill recently came up in the legislature to move this college up to the "U". That would be wasteful action as that happens once a year anyhow.

Now that we've bought the train, what shall we do with it?

SOME STUDENTS DISCOVERED THAT RIDING A COAL TENDER IS A DIRTY THING TO DO.

But after riding those Grand Forks street cars, any form of conveyance is tolerable.

The tran watchman was a very thorough man. He believed in getting at the seat of the trouble.

Our architects proved themselves promising elocutionists with their "Hip, hip, hurrah". Their "Hip" was especially strong and full.

A couple of students, we hear, liked the up state city so well that they stayed a day or two to inspect their city owned institutions from the inside.

WE ARE INFORMED THAT, AS THE STUDENTS BOARDED THE TRAIN FOR HOME, THE ENGINEER INSTINCTIVELY HEADED FOR JAMESTOWN.

CLASSES SECTION HAS STATE SCENES

When the Juniors and Seniors look into the Classes section of the 1928 Bison about May 15 they are going to have a pleasant surprise awaiting them. A specially designed border adorns each page of class panels and at the bottom of the page a state scene contributes to the Greater North Dakota theme of the book, according to Dick Hackenberg, editor.

These scenes are of the state's beauty spots, of its numerous lakes and rivers, of bad lands and fertile prairies, of parks and cities.

There will be ten individuals to a panel on each page. Right opposite each panel near the outside of the page is the official Bison crest, the same design as used on the cover. The classes section is edited by Miss Dorothy Kretzschmar.

Midgets Defeat Buffalo

gets 8-4; the half ending with Fargo at an 18-9 advantage.

In th second half Gregory, Fargo's shooting ace, got busy shortly and dropped in two long shots. Cmmings worked the ball behind the Fargo defense for several set-ups but was unable to make his attempts count.

Gregory carried off scoring honors by registering six field goals and counting one from the foul line. Olson Fargo center, was next in line with ten points to his credit.

CCummings and Ford starred for the Casselton quint. Cummings rung up three field goals for his team.

Casselton Noses out Hunter

In the consolation game for third place Casselton defeated Hunter 17-14. Hunter substituted for the Page cagers who were unable to remain for the consolation game.

Olson, Fargo High center, won the trophy awarded to the tourney making most free throws out of a possible twenty-five. Olson made twenty out of his twenty-five attempts, while Blakeslee of Fargo High and Cummings of Casselton tied for second place with 18 tallies.

Buffalo Defeats Page

Buffalo won the right to meet Fargo for the sub-district championship by vanquishing Page 26-18. Buffalo in order to gain victory displayed a much superior brand of basketball than in their initial contest. Anderson, diminutive Buffalo forward, proved to be the class of the contest, and was largely responsible for several of his teammates baskets.

The Hope quint succumbed to the fast traveling Casselton men by a 14-11 count in the opening game of the tournament. Neither team were effective in their scoring missing numerous set-ups.

Ford located the hoop for three field goals and carried off the scoring honors of the fray. Cummins at center also played stellar ball for his team. McCullough and Kerkow were the outstanding performers on the Hope quint.

The second game of the tournament took place in the evening when Buffalo downed the Hunter quint 25 to 15. Buffalo took an early lead which they never relinquished. The half ended with the Buffalo leading 14-8.

Buffalo bettered the lead in the second half on well executed sideline plays. Collins, forward, worked thru the Buffalo defense for many shots but failed to make a fair portion of his attempts.

Page and Tower City opened met in the third game of the preliminaries in bitterly contested contest. Tower City opened the scoring after both teams had played on even terms for the first few minutes of play. Through the work of A. Bachm and King the Tower City fere able to lead their opponents 10-7 at the half time.

In the final ten seconds of play Sturch, Page center, brought his team a 12-11 victory by potting a field goal from behind the foul line.

THEY APPEAR IN "PEER GYNT"

Constance Melchior, playing the part of Peer's mother, "Ase", and Harold Fog, as Peer, have the leading roles in "Peer Gynt", the five act drama being given at 8:00 p. m. Wednesday and Thursday evenings at the Little Country Theatre.

MILITARY MEN FIRE IN NATIONAL MATCH

Members of Scabbard and Blade, national honorary military fraternity at State College, completed competition in the national Scabbard and Blade rifle match at the college indoor range Saturday, according to Sergeant Chris Culpeeper, in charge of the match.

Leroy Lillie turned in the highest individual score toward a 1699 team total of a possible 2,000 bu netting a 359 count. The five highest scorers were: Leroy Lillie, 359; Ronald Millard, 354; Paul Revell, 343; Clarence Reed, 336; Harold Hulett, 307. Mercade Cramer with 301 and Charles Bowers with 298 were outside the select five. The men fired from prone, sitting, kneeling, and standing positions.

The five high scores were mailed to Lt. Col. H. Raymond Tremaine, Los Angeles, Cal., who is in charge of the national match for the 71 Scabbard and Blade chapters. The match closes March 31.

Ed. G. Ferguson, K. W. pledge who has been confined to St. Luke's hospital for four weeks is to undergo two more operations.

Bison Lose Title (Continued from Page 1)

short shot under the hoop and Viegel retaliated to make it 6-all. Mac became angry at this outrage and scored in spite of Boe's clinging vine act. The Bison center made one of his two tosses and Newgard scored down charity lane to give the invaders a four-point lead. Letich came to life long enough to score and Mac rang up another gift. Boe did likewise and Hahn swished the net from the side of the court closing the half 13 to 9 for the Bison, MacPherson scoring 8 of the 13 points.

Lee sank a long one as the second period opened but McPherson dribbled through the mesh after Goldberg held him, giving the Bison a six-point lead 17-11. Goldberg sprang into action at this point and scored twice. Hahn and Letich countered and Viegel made a free throw setting the count at 19 to 18 for the Bison and sending Bobby to the bench with four personals.

Hansen was sent in for Hahn and told everybody how glad he was to be with them by sending the ball through the hoop from somewhere in the center of the floor. Letich again scored bringing the odds to 21-20, the invaders still ahead. Now comes the last act. Enter, the villian. Mr. Goldberg dribbles down the court and shoots. The ball plops through and a foul is called on Jug for being in the immediate vicinity and a witness thereof. Goldberg makes both and Newgard makes for the sidelines. The Nodaks go into the lead 24 to 21 with about two minutes to go. McPherson and Lee clash and Mac makes his toss. Lee went out on fouls. Peschel who is in for Newgard fails to count on Viegel's foul as the gun sputters and the Flickers win their first state championship in five long years, 24-22.
