BISON SCORE SECOND LOOP WIN YEARLINGS COP EASY WIN OVER MAYVILLE

NORMALITES OFFER LITTLE OPPOSITION TO CATLIN'S CREW

BISON BACKFIELD QUARTETTE RUNS WILD AROUND MAYVILLE FLANKS.

PREPARE FOR NODAK FROSH GAME FRIDAY

HOWELL PULLS INDIVIDUAL FEATURE OF GAME WITH ONE HAND GRAB OF PASS.

Bison Frosh came through their easy 59-0 victory over Mayville Normal on Dacotah Field Friday afternoon, and last evening began work in earnest for their annual battle with the University of North Dakota yearlings, which will be played on Dacotah Field Friday afternoon.

Normal Offers Little.

The Normalites offered little in the way of opposition for the Baby Bison, several weaknesses cropping out in the play of the yearlings, which will be remedied in the practice sessions this week.

The Bison were the better aggregation from the start of the contest, Dutch Hermes, who ran the opening kickoff back was well on the way to a repetition of his feat in the Wahpeton Science game, of running a kick off back for a touchdown, when he fell, owing to the condition of the field. Hermes, in dodging the last Mayville man slipped and fell, ending his spectacular run.

Tronnes Scores First.

Dutch Hermes passed to Tronnes for the first touchdown, after four plays had failed to make the necessary yardage for a first down. After this point the Frosh ran wild, long sweeping end runs by every yearling ball carrier contributing to placing the ball in position for scoring. Before the first half was over, Doc Catlin, Frosh mentor, had only his two tackles, Sullivan and DeSautel in the fory, the play suffering but little through the injection of utility men. The Bison had amassed a total of four touchdowns by Tronnes, Al Hermes, (Continued on page 3)

ALUMNI OFFICERS OF PHI UPSILON OMICRON NAMED

Miss Edna Summerfield was chosen president of the Alumnae Chapter of the Phi Upsilon Omicron, national home economics sorority, at the meeting held Thursday afternoon at the home of Mrs. M.B. McGuigan, 385 Eighth Avenue South. Other officers named are: Mrs. William Guy, vice president; Miss Harriet Ashland, secretary-treasurer, and Mrs. George Hollicky, candle editor.

Mmes. R. H. Wilham, and T. S. Thorfinson, were named as members of the bond committee, and Mmes. Earl Burns and Mrs. H. B. McGuigan members of the house committee. The November meeting will be held at the home of Mrs. George Hollicky, 1125 Ninth Street North.

BIG BEN LEADS BISON ATTACK AGAINST TIGERS

Rumpeltes

PROFESSOR SHEPPERD RETURNS FROM TRIP

VISITED MANY OF LEADING EUROPEAN STOCK SHOWS WHILE ABROAD.

Prof. J. H. Shepperd, veteran instructor in the animal husbandry department, returned Saturday night from an 11-month's trip to foreign countries. Mrs. Shepperd accompanied the professor on the trip.

Professor Shepperd spent much time in foreign stock producing regions, studying the various types of animals raised in these countries with those of the United States. He reports that bacon produced in North Dakota was of the type demanded by English markets, and states that the entire production of bacon in this state can be sold on the English markets providing it can be cured and shipped to England in time. Bacon from North Dakota demands about 5½ cents more on the English market than does bacon shipped from Denmark, the professor said.

PHI OMEGA PI OPEN HOUSE HELD SUNDAY

Members of the Phi Omega Pi sorority were guests at an open house held Sunday afternoon from 3:00 to 7:00. The occasion was the formal opening of the sorority's chapter house at 1125 Fifth Street North.

A three-piece orchestra furnished music during the hours and light refreshments were served. Yellow chrysanthemums were used as decorations in the living room and dining room of the chapter house. Patronesses of the sorority were in charge of the dining room.

WORLD COURT IS MAIN DISCUSSION AT STATE "Y" MEET

FIVE COLLEGES OF STATE ARE REPRESENTED AT LOCAL GATHERING.

TO DISCUSS TOPIC AT Y NOVEMBER 13

HOPE TO PROMOTE INTERNATIONAL-MINDEDNESS BY COMMITTEES.

The Student Council met at the A. C. "Y" Saturday to discuss and arrange plans for the year's program. John Rogers, of Jamestown College acted as chairman. Delegates from outside the state were Hugo Thompson, student secretary, from Minneapolis, and Miss Gerlach, from Y. W. C. A. headquarters, Chicago. About twenty delegates, representing Y. M. C. A., and Y. W. C. A. organizations on the campuses and colleges at Ellendale, Jamestown, Valley City and Grand Forks, were present.

World Court Discussed.

Foremost of the problems discussed by the council was the one of the World Court and the stand the United States Senate will take when acted upon by that body next December. The C. C. A. (Council of Christian (Continued on Page Four)

FORMER STUDENT ISSUES BULLETINS

L. A. WELO, ENGINEERING GRADUATE, ISSUES SERIES OF PAMPHLETS.

Dr. L. A. Welo, graduate of the school of Mechanical Engineering, in 1911 with a B. S. degree in civil engineering, recently published a series of pamphlets on investigations which he has been engaged for a long time. These pamphlets were recently received at the office of Dean E. S. Keene, and deal with changes which occur in properties due to the biological action of iron.

One bulletin, "The Aging of Mineral Waters," is of particular interest. The investigation shows the cause for inactivity of bottled waters from medical springs. These waters, fresh from the spring, provide certain effects which are not retained in the bottled water. The result of work along this line has a far reaching effect in medicine, according to Dean Keene, who commented on the pamphlets.

After receiving his B. S. degree from this school, Dr. Welo entered the University of Illinois, where he received his M. S. He received his Ph. D. from the University of California in 1919. He later studied at the University of Christiania and also spent some time in Paris. During the war Dr. Welo was physicist for the Research Laboratory of Forestry Investigation at the University of Wisconsin. He is now physicist in the Rockefeller Institute for Medical Research at Brooklyn, N. Y.

HE SCORED TWICE AGAINST THE DES MOINES TIGERS

Augustine

REAGER IS NAMED RIFLE CLUB HEAD

MEMBERS EXPECT BUSY INDOOR SHOOTING SEASON ON NEW RANGE.

Returns on the election of officers for the A. C. Rifle Club, which was held last Friday morning at battalion drill, showed Leonard B. Reager elected as president; Paul Revell, vice president; Sergeant William Hanson, secretary and Theodore Fuller, treasurer. Captain Anderson was unanimously elected as executive and range officer of the club.

Race Is Close.

The ballots cast, numbering 129, showed the race for the various offices to be very close.

Membership in the Rifle Club has now reached the 160 mark, with every prospect that it will reach a higher mark when entrants from the student body and faculty are completely tallied. The club is not restricted to R. O. T. C. students alone, but is open to anyone.

Y. M. C. A. MAY GET \$1,000 FROM ESTATE

The College Y. M. C. A. will receive \$1,000 from the estate of John Horace Reed of Amenia, if there is any property left after certain other provisions of the will, admitted to probate at the Cass County Court House Friday, are carried out.

The balance of the estate, if any, after the Y. M. C. A. bequest is carried out, will go to the North Dakota Children's Home of Fargo.

Mr. Reed, who is father of Walter R. Reed, one of the first graduates of this school, died in Fargo August 25, of this year. He was the grandfather of Clarence and Althea Reed, present students of the college.

MILLER, GORDER, AND RUMPELTES STAR IN THRILLING VICTORY

THOMPSON, BISON LEADER, CONTINUES GOOD WORK AT PIVOT POST.

AUGUSTINE SCORES BOTH BISON COUNTERS

GRAY FILLS BAILLIE'S POST; KNEESHAW INJURED AND REMOVED EARLY IN GAME.

Coach Cortright's Bison gridders continued their steady march towards a North Central Conference championship by downing the Des Moines Tigers, 14-6 at Des Moines, Saturday afternoon.

Clever open-field running by Claudie Miller, hard line plunging by en Rumpeltes, alertness of Ben Gorder in intercepting a pass led to the defeat of the Tiger band.

The ison played good ball for three quarters of the game, and except for a slip in the fourth quarter would have scored a shutout victory over the Iowans.

Rumpeltes Big Star.

Ben Rumpeltes was easily the outstanding star of the game. He was everywhere at once on the defense and his line plunging was responsible for three-quarters of the ground gained by the Bison. Ben tore large holes in the Des Moines forward wall almost unaided, and it was he who cut down the tackle to start Claudie Miller on his 30-yard dash early in the first period, which enabled the Cortright clan to score their first touchdown.

Miller broke away from the Des Moines line only once. The remainder of the time his interference failed to spread and the stocky Bison star was unable to make his several long dashes for substantial gains.

Thompson Line Star.

Captain Wallace Thompson, who kept up his determined fight to land a berth on the all-conference eleven, was the mainstay of the line. "Wad", having one of the best days of his career, outplayed Wood, Tiger pivot man, to a standstill, and also made (Continued on Page Three)

20 RUSHEES ATTENDED KAPPA PHI DANCE

Members of the Alpha Kappa Phi fraternity and about twenty rushees and their ladies were entertained at a dancing party given by the fraternity at the Prado, Ninth St. and Second Avenue South, Saturday evening.

Hours of the party were from 8:45 to 11:45. Professor and Mrs. Al Severson and Mr. and Mrs. Geo. Mayoue were chaperones. Music was furnished by the Collegian orchestra and James Dusbabek and Earl Olsen were the committee in charge of arrangements for the party. This party marked the last of a series given by the organization during the rushing season, which will be concluded Friday evening.

IT'S A BIG WEEK.

Friday and Saturday of this week promise much in the way of important events of the school year. On these two days, four major events are scheduled, all of which are of importance to a large majority of the students.

Perhaps the outstanding event is the annual football game between the Bison and the University of North Dakota, to be staged at the University field in Grand Forks, Saturday afternoon. The other event of importance to every student is the annual struggle between the Freshmen teams of the A. C. and University.

The other two events will attract more than passing interest, and one of them will be the major event of the week, at least to those closely connected with the outcome. Fraternity pledging is always of more than passing interest even to those who are not vitally concerned with it. The other event is the meeting of the North Central Conference Press Association, which is being held at the University of South Dakota, at Vermillion. The press conference is scheduled for two days, Friday and Saturday, while the other events are taking place only on either Friday or Saturday. The main event in connection with the annual meeting of the press conference is the awarding of the prize for the best paper in the conference. It is this event which makes the meet of particular interest to those connected with the school paper.

The annual clash between the Freshmen teams of the two institutions deserve as much support as the game between the varsity teams of the institutions. Attendance at the game last Friday between Mayville Normal and the Frosh was anything but gratifying, but the annual struggle Friday will be well worth seeing and students should remember that the Frosh will need support in this game. The upstate team has been exhibiting a good brand of ball this season and should prove a tough team for the locals to crack.

The game at Grand Forks will be well worth seeing, and while there is more than just the game, the team will need every ounce of support they can get. If you have a way to get to Grand Forks, go, if not, start looking up a way right now. The band will be at the game, and while they have been the main support of the team thus far this season, every student who goes to Grand Forks and yells will add that much more fight to the team.

HOW ABOUT A TRAIN?

In years gone by the students have nearly always chartered a special train for the University-A. C. games. This year nothing has been said about a special. Rates can be secured if enough students will consent to go. If we don't have a train everyone should make an effort to find a way to get up there.

We want a special train and with the band and team already assured of going it would not take many more to complete a sufficient number to charter a special. Someone should take hold of this thing right away, make a general survey of how many can be secured and get the special rates to the Forks. A special train is sure to create a lot more pep than if the students went up in small groups. Who is going to start agitation for a special? We need one, remember that.

Nebraska and North Dakota Teams Lead Conference Race

CREIGHTON AND NEBRASKA WESLEYAN PLAY NON-CONFERENCE GAME SATURDAY

Conference Standings.					
	P.	W.	L.	T.	Pct.
N. D. A. C.....	4	2	0	2	1,000
Creighton	3	2	0	1	1,000
N. D. U.....	2	2	0	0	1,000
Neb. Wes.....	2	1	0	1	1,000
S. D. State.....	3	0	1	2	000
South Dakota...	2	0	2	0	000
Des Moines.....	1	0	1	0	000
Morningside	3	0	1	0	000

By Wallace Matson.

This year's North Central Conference race is half over. Oddly enough, the percentages show that half of the Little Eight teams are without as yet a win to their credit; whereas, the other half have not yet tasted of defeat. One thing seems assured in the struggle for the grid title; that is that the championship flag of 1925 will rest in a new stand.

Two States Favored.

Two states seem to be favored with potential championship teams this year. They are North Dakota and Nebraska. Creighton and Nebraska Wesleyan are the bulwarks of the Southern state's hopes. North Dakota University and North Dakota Agricultural College uphold the Northern hopes.

Forgetting for the while the outcome of the remaining nine games to be played in the Conference, the number of tie games and the reliance upon the field goal for scoring by teams has been notable.

The Blue Jay-Bison 0 to 0 tie, which was the opening game of the Conference race indicates the defensive strength of two top notchers. In the succeeding games these two teams have played, the scoring column has slightly favored the southern eleven. The Bison played South Dakota State, last year's champions to a 3 all tie. Each team after battling to the two yard line of its opponent's goal line, resorted to the field goal tally route.

Although Creighton has but one tie to the Bison's two, they have also played but three games.

Wesleyan-Coyote Game Close.

Nebraska Wesleyan has been the other eleven from out of the south to break into the victor class. Saturday's game between the Nebraska and South Dakota Coyotes was another game to be determined by a field goal.

On successive Saturdays the Vermillion team has been defeated by the scant margin of three points. Nebraska Wesleyan will not have another chance to win a conference game until Nov. 7, when they meet the hapless Morningside eleven. The Maroons have fallen before both of the Northern leaders in the race.

Bison-Flicker Clash Important.

When the Bison and Flickertail elevens fight it out next Saturday, the flag race will have reduced to three contestants, for the southern elevens are to play games outside the conference that day. Two state championships, however, will be determined by conference games on that day. As the Bison and Flickertails battle at Grand Forks, the Coyotes and Rabbits will struggle for state favor in their game at Vermillion.

Creighton does not meet her other Dakota rival until November 14, when Davis takes his Flickertails to Omaha.

"Jones is an awfully easy anatomy, prof."
"A pipe organist, as it were."

All Curricula fully Accredited by North Central Association of Colleges and Secondary Schools and by Regents of New York.

These courses are available to those who have completed the equivalent of a High School training. For those who have not had such training

SPECIAL COURSES

Business Training, Drafting and Building, Farm Husbandry, Homemaking, Power Machinery
THIS COLLEGE offers to the young people of this state an education which is thoroughly in line with modern thought and demands. It spends no time on dead languages or such subjects as are of little practical value. It aims to fit young men and women to think and investigate for themselves; to deal intelligently with the social, agricultural and industrial problems of the day.
THE LABORATORIES are thoroughly equipped, and the instructors are specialists in their line. Exceptional advantages are offered in chemistry, physics, botany, literature, mathematics, engineering, and the social, economic and political sciences.

Graduates from Approved High Schools are admitted to the Freshman Class.

Board and room, \$6.25 to \$7.50 per week.

BUSY WEEK IS SCHEDULED

BISON AND NODAKS STAGE ANNUAL WAR AT FORKS SATURDAY

BISON FROSH UNIVERSITY YEARLINGS ON DACOTAH FIELD FRIDAY.

PRESS CONFERENCE TO MEET AT VERMILLION

ANNUAL FALL TERM FRATERNITY PLEDGING TO BE HELD FRIDAY AT 7:00 P. M.

Rivalry marks activities this week. Throughout the week, five fraternal organizations will be fraught with the rivalry and bitterness that involves the changing of the title of a select group of individuals from the sweeping one of "rushes" to a mere 'umble one of "rookies."

Varsity and Frosh Meet "U"

The rivalry will swell from its purely local state into that of the traditional feud with the University, when the Bison Frosh eleven sally forth Friday afternoon at 3:00 o'clock to meet the Flickertail yearling squad on Dacotah Field here.

By Saturday afternoon, the battle will have attained its utmost fury, for Cortright will have rumbled into the locality of the Northern school with a select Bison herd. When the two elevens meet on University Field that day the height of a week's activities will have been reached.

Fitzgerald Goes to Press Meet.

While a grid team is being eliminated from the grid title quest, a different kind of contest will have been determined at Vermillion, where the North Central Conference Press Association meets on Friday for the judging of the year's best newspaper publications. Eugene Fitzgerald, editor-in-chief of the Spectrum, with possibly another Bison representative, will attend the convention.

Pledging of rushes to the various fraternities will be made at 7:00 on Friday evening. Their pledging at that time will terminate a period of five weeks' rushing which has been carried out, since the opening of school. After their interim of being "wined and dined" figuratively at least if not in actuality, the pledges will begin their duties as neophytes of fraternal society.

Frosh Play at Home.

The Freshman grid game will be outstanding of any event on this week's home program. The teams of the respective schools are the cream of football talent gleaned from within and without the borders of the state. Their performance will be doubly interesting when all aspects of the battle are considered. It is a preliminary test of the strength of the two school's grid prowess. It is not inferior to the Varsity game which follows it, for members of the Frosh eleven are practically ripe for the senior eleven and so perhaps might be the case with the opposing Frosh. The scoring power of the local Frosh should make Friday's game an exciting one after the protracted jest the yearlings enjoyed with the Mayville Normal squad.

Former Teammates Opposed

Facing each other from behind their own walls of grid linesmen will be players who worked signals together on the same high school eleven. Kinn, fleet Frosh halfback for the University will face his old team mates, Al and George Hermes and Peschel, in Friday's contest.

The Varsity battle on Saturday will

doubtless turn Grand Forks into a Bison mecca. The procession which enters the city will not be one of palm branch bearers, however, for all hinges on the Bison-Flickertail battle. Were one to view matters from either viewpoint, a conference championship, a state championship will be settled; but sweetest of all will be the settlement of the mooted question of superiority. Who has the best team.

Bison Defeat Tigers for Second Loop Win

(Continued from Page One)

things interesting for Roper and Curtis, the Des Moines guards.

Captain Paul Little, Harry Knapp, and Leonard Anderson were the bright lights of the Tiger play. Knapp and Little played the leading part in the ball-carrying art, and on defense Knapp backed up the line in good shape, while Little's tackling was nothing short of fierce. Anderson, playing the left wing position, gave the Bison backs plenty of worry, playing a heady game at his post.

Bison Score Early.

The Bison scored early in the first period, Rumpeltes starting the march towards the Des Moines goal, making 20 yards on five successive downs. With the ball on the Tiger 40-yard line, Miller twisted and pivoted his way to the 10-yard line before being brought down. Miller and Rumpeltes hit the line for six yards, and Augustine went over for a touchdown on the next play. Ben made the extra point with a dropkick.

In the final period Knapp intercepted a Bison pass and ran to the Bison 48-yard line. A long pass, Knapp to Anderson, placed the ball on the Bison 8-yard line where two tries at the line failed. On the next play Couchman hurled a pass to Knapp who slipped over the line for the only Tiger counter.

Gorder Intercepts Pass.

Only three minutes of play remained when Gorder leaped high in the air and pulled down an attempted Tiger pass and ran 23 yards before being pulled down on the Tiger 2-yard line. Augustine went over for a touchdown when Thompson and Keltner opened a large hole for him. Rumpeltes made the extra point with a placekick.

Rae Kneeshaw, Bison tackle, was slightly injured and Cortright jerked him immediately sending Gorder into the fray. Bill Gray did a good job of handling Baillie's position at left guard. Baillie was left at home on account of an injured shoulder. Just how serious Baillie's injury is has not been determined. X-ray pictures taken of the shoulder will be taken in an effort to find out the extent of the injury.

Lineup and Summary:

Bison:	Des Moines:
Newgard LE	Anderson
Kneeshaw LT	Courtright
Gray LG	Roper
Thompson (C) C	Wood
Keltner RG	Curtis
Marks RT	Marks
Tilton RE	Barnes
Arnold QB	Knapp
Miller LH	Couchman
Augustine RH	Craven
Rumpeltes FB	(C) Little

Substitutions: Toay for Craven, Ballenger for Courtright, Hall for Toay, Thomas for Wood, Haase for Ballinger, Toay for Hall, Montgomery for Couchman. Gorder for Kneeshaw, Clausen for Augustine, Mach for Arnold, McPherson for Tilton.

Summary—Touchdowns: Augustine 2, Knapp. Points after touchdown—Rumpeltes 2 (placekicks).

Officials: Referee Welch of Drake; umpire, Graham of Michigan; head linesman, Otopolik, of Nebraska.

Normalites Offer Little Opposition To Frosh

(Continued from page one)

25 points in the first half as the result of George Hermes, and Peschel.

The yearlings were even better in the second half, frequent long gains by end runs and passes, aiding materially in the scoring.

Back Quartet Good.

The line play of Mike Sullivan and Fisher was the best exhibited in the Bison forward wall, while the trio from Wahpeton, composed of Al and George Hermes and Cy Peschel and Sullivan was brilliant. Sweeney, who had been figured on but little as a ball carrier the earlier part of the season, exhibited a clever bit of open field running. Hans Tronnes was good at his wing position, being a constant source of worry to the Mayville crew, and in addition grabbed the only pass thrown to him for a touchdown.

A one handed catch of a forward pass, for a touchdown, by Howell, was the individual feature of the game. Howel reached high in the air while traveling at full speed and pulled the oval to him with one hand, scoring one of the numerous counters made by the yearlings.

The lineups and summary:

Bison Frosh:	Mayville:
Tronnes RE	Eggmann
DeSautel RT	Larson
Blair RG	Ginsrud
Fisher C	Hanson

Alpha Gamma Rho fraternity held a dancing party at the Powers Hotel Friday evening. The decorations were of black and orange, making a Hallo-e'en effect. Dancing was in order from 8:30 to 11:50 after which a lunch was served. Patrons and patronesses were Prof. and Mrs. L. Jackson, and Mr. and Mrs. Clayton Rust.

Paul Kratzke spent the week end with his parents at Vegas, Minn.

Donald Bishop, '25, now employed by J. A. Jardine as construction engineer, was a guest at the Delta Pi house on Sunday.

Carl Olson went to Valley City Friday evening to spend the week end with his parents.

Edward Bryant was one of the spectators from the A. C. who watched Rockne's fighting Irish trim Minnesota at Minneapolis last Saturday.

A. A. E. Entertains.

About thirty-five freshmen engineers were entertained at a smoker last Thursday evening by the student chapter of the American Association of Engineers. Members of the engineering faculty gave short talks and after a short business meeting an informal "get-acquainted" session was held. At the close of the evening the freshmen were served lunch.

The Delta Phi Beta sorority announce the formal initiation of Dean Bales and Mrs. A. M. Baldwin as honorary members. The event took place at the home of Miss Genevieve Boise, Sunday at 5:00 o'clock.

Miss Mildred Hedman, of Valley City, was an out of town guest at the Kapa Psi dance Friday evening.

Malcus Agren has entered school again after several weeks' absence.

Prof. A. G. Arvold has been in Washington, D. C., and will go on to Richmond, Va. where he will attend a conference.

Ceres Hal girls elected officers for the year at their first regular house meeting last week. The following officers were elected: President, Robina Wilder; vice president, Alva Lynn; secretary and treasurer, Huldah Lindstad. The organization aims to promote the interests of the girls and to aid in maintaining rules of the hall.

Frances Bellamy had as her guest over the week end, Louise Riebling of the Valley City Teachers' College.

Helen Anderson spent the week end at her home in Perley, Minn.

Anne Anderson, Ceres Hall, is a patient at St. John's Hospital where she has undergone an operation for appendicitis.

Charles Oliver and Hugh Williams spent Sunday with relatives and friends at Barnesville.

Paddling of freshmen has been abolished at St. Lawrence University. The system of freshman relegation substituted includes clipping of hair, extra duties and confinement to rooms.

The Yale News, which was founded January 28, 1878, is the oldest college daily in America.

ENGINEERING DEPARTMENT SHOWS GREAT EXPANSION

From a small room occupied by only two machines and very little test equipment to a large, spacious laboratory of 3,000 square feet of floor space, is the growth that the electrical laboratory has made in the past four years. When Prof. H. S. Rush, head of the department, came to the institution about five years ago, he found a very small amount of electrical equipment and very little funds with which to purchase more. This did not discourage him, however, for he made a trip down town to visit a junk dealer and it was there he purchased the majority of the machines now found in the laboratory, at a scrap iron price.

Department Moved.

The department has thus been growing steadily until the old room in the main part of the Engineering building became inadequate. Growth in every other department of the engineering school had caused every bit of floor space to be utilized so that the need for morea room that the electrical laboratory was demanding presented quite a problem. It was finally decided that the Auto Mechanics laboratory could be moved elsewhere and the electrical laboratory take its place in the long wing on the north side of the Mechanic Arts building. The machines and other equipment were moved into their new quarters about a month ago and now the engineering department posses an electrical laboratory that is comparable to that of any school of this size.

At present there are five complete motor-generator sets, besides several other smaller machines and in the whole lot there is only one motor that was purchased new, the remainder being rebuilt from old machines that had gone through fires or had been junked because they were no longer adapted to the type of service desired. They have all been rewound and painted and have the appearance of new machines. A six-panel switchboard built from marble slabs that had been thrown out of one of the buildings on the campus has been completed and carries both alternating and direct current service. The present equipment makes it possible for classes in electrical engineering to perform almos any kind of test as well as to make a study of all types of electrical machines.

This remarkable improvement is due largely to the efforts of Professor Rush. At times the laboratory classes have helped in remodeling machines and rewiring, but the switchboard and

the rebuilding of all the machines was done altogether by Mr. Rush. He has not stopped his designs for further improvement, either, for now with the new laboratory and plenty of available room he is looking around for more old junked motors and generators to rebuild, to make his laboratory better.

World Court Discussed At State Y.M.C.A. Meet

(Continued from page 1)

Associations) decided at the Lake Forest conference last September, to nationally endorse the entrance of the United States into the World Court. It is the first time that the "Y", as a national organization has put all its resources behind a political measure of world wide significance.

By stimulating the interest of students throughout the nation to think individually upon the subject, the various state councils hope to arrange for appointment of strong World Court committees to promote international-mindedness. The committees are to be made up of faculty and students. The "World Court" will be discussed at the first meeting of the Open Forum, tentatively fixed for Friday evening, November 13, at the College "Y".

He—"We're comin to a tunnel, are you afraid?"

She—"Not if you take that cigar out of your mouth."

Wellesley girls look forward to rainy days, when they bring forth oilskins bearing elaborate hand-paintings.

Law students at Michigan University are required to try two cases a year, one before a judge and one before a jury made up of freshmen.

University of Nevada has abolished cuts for seniors and juniors, in recognition of the upper classmen's sense of responsibility and seriousness.

The man (having surrendered his seat)—I beg your pardon.

The girl—I didn't speak
The man—Sorry, I'm sure. Thought I heard you say "thank you."

Minister—"I belong to the army of the Lord."

From the back seat—"Yes, but you are a long ways from headquarters."

Students at Iowa State spent \$34,000 following their football team on trips during the past season.
