BISON-BUNNIES BATTLE TO TIE LARGE CROWD ATTENDS BISON ROUNDUP

PARADE IS FEATURE OF ANNUAL DAY FOR FORMER STUDENTS

A. A. E. AWARDED FIRST PRIZE
FOR BEST FLOAT IN PARADE
BY COMMITTEE.

ANNUAL BANQUET WELL ATTENDED

ACTION GOES ON FROM BONFIRE
RALLY SATURDAY EVENING
UNTIL MIDNIGHT SATURDAY.

The beacon light of the huge bonfire at Friday night's rally was the signal for the gathering of hundreds of alumnae, faculty and students at A. C.'s signal and greatest Roundup ever held at the college. Festivities continued from the tending of the rally fire on the eve of the Bison-South Dakota State game until far into Saturday night. When excitement seemed on the wane, the traditional clash of "Soph" and "Frosh" forces served always to enliven the day and possibly recalled to watching alumnae their college days.

With the continued arrival of old "grads," Saturday's program opened with a convocation period at 10 o'clock devoted to one of the combined days on the "Roundup" celebration, that of "Gay Cat."

Convocation Opens Program

Exercises opened with a burlesque pantomime given by the Delta Phi Beta sorority. Theta Chi fraternity entertained with an Apache dance, ably given in a humorous distortion of the real by "Jug" Newgard and Bill Hurt. Phi Upsilon Omicron girls followed with a playlet which was a ridiculous inversion of the historical Bluebeard's case. A wild west show with all the color of galloping sage riders was put on by Phi Kappa Lambda sorority. Phi Omega Pi girls entertained with a winning Dutch chorus. Delta Kappa Sigma and Alpha Tau fraternities gave orchestral numbers. A circus, with the rarest of rare tent animals, the giraffe and a pair of elephants, was the offer of the Edwin Booth Dramatic club. Closing the program was a colored minstrel show given by the Woman's Athletic association.

Despite the flurry of snow that threatened to spoil the usual Gay Cat day parade, it was marked by a most successful march. Judges awards, as announced at the alumnae banquet at the Armory at 6:15 Saturday night, were for the floats of the American Association of Engineers, the Delta Pi and Alpha Sigma Tau fraternities.

Float Prizes Awarded

The Engineers won on a float depicting the demise of Homecoming and Gaycat days and birth of the "BISON ROUNDUP." A threshing machine, busily engaged in devouring bunnies, took second, while the "Sig Taus" captured third with a romantic looking stage coach. Prizes awarded amounted to \$15, \$10 and \$5 for respective places.

ESTHER ANDERSON FORMER STUDENT DIED WEDNESDAY

Miss Esther Anderson, a former student of the college, died at her home in Moorhead Friday morning at 9 o'clock, after an illness of several months duration.

Miss Anderson entered the college as a student in the school of science and literature in the fall of 1923 and was forced to drop out of school the winter term because of illness, which ultimately caused her death. Miss Anderson was a pledge of the Sigma Theta sorority. Besides her parents and three sisters, she is survived by a brother, Harold "Bricks" Anderson, who is a former student of the college.

BUNNIE AND BISON GRIDDERS "Y" GUESTS

NEW "Y" SEC'Y, ERIC THOMSEN IS PRINCIPAL SPEAKER AT BANQUET

After facing one another on equal terms for sixty minutes of football strife, gridmen of South Dakota State and North Dakota Agricultural Colleges again faced each other when they sat down to a banquet given them by the College Y. W. C. A. and Y. M. C. A. committee at the "Y".

Decorations Novel.

Decorations for the dinner given the forty odd guests were a novel combination of the two schools' colors, which descended even to the salads to typify the occasion.

Short talks were given by Coach West of the Bunnies and Ion Cortright, Bison mentor.

Eric H. Thomsen, new "Y" secretary, spoke briefly upon the morale building qualities of athletics and its advantages to collegiate life.

"Football is the most popular religion here tonight," said Mr. Thomsen, in spirit of the occasion. "The trouble with many of our saints is that they are not real sportsmen. But we need to be turned into real saints; on the other hand, some of our sports-filled with great zeal for something that really matters, flowing over with morale." In defining morale, the speaker quoted Ray Petty's poem entitled "What's Morale?"

TWO MATCHES SCHEDULED FOR LOCAL RIFLE CLUB

Seventy-five men have signed up for membership in the rifle club of the local R. O. T. C. unit. A charter was drawn up and by-laws adopted at the first meeting held last Tuesday afternoon. Initiation fee for new members will be fifty cents and the annual dues fifty cents.

Matches with New York University and University of Illinois rifle clubs have been contracted for by Captain Andrewes and will be run off soon.

Mrs. Nubbs—"Will my boy learn to drink at your school?"

Professor—"Sorry Madame—but we can hardly find enough for the faculty."

FOUR BOYS TO HEAD COLLEGE CLASSES AS RESULT OF ELECTION

GEORGE BAIREY NAMED TO STUDENT COMMISSION OVER JORGEN BIRKELAND.

COMPETITION KEEN FOR SOME CLASSES

TRONNES, SORKNESS, HANSON, AND RUMPELTES TO LEAD COLLEGE CLASSES.

Hans Tronnes, Fred Sorkness, Carl Hanson and Ben Rumpeltes were named to head the freshmen, sophomore, junior and senior classes respectively, at the annual class election held Friday.

George Bairey was named as Commissioner of Public Speaking, defeating Jorgen Birkeland, the only other candidate for the office to fill the unexpired term of Thomas Rae, who did not return to school this fall.

Two ties resulted in Friday's elections, one in the sophomore class and the other in the senior class. George Hermes and George Elerding were tied at 16 for the office of secretary. In the senior class Gladys Feenendall and Willard Trumbull were tied for the senior representative on the Student Board of Control of Publications with five each.

NOTICE.

All engineering students are invited to attend the annual A. A. E. smoker given by the student chapter of the American Association of Engineers, Thursday evening at 8:00 o'clock. The entertainment will be held in Room 22 of the engineering building.

300 GUESTS ATTEND KAPPA DELTA AT HOME SUNDAY

Three hundred guests, including members of the college sororities, fraternities and faculty, were entertained by the Kappa Delta sorority at their annual at home party, given at the home of Professor and Mrs. H. L. Bolley, Sunday afternoon from 3:30 to 6:30.

Lorinda Bechtel was chairman of the arrangements committee, and Mesdames W. F. Sudro, H. L. Bolley, E. H. Jones, C. S. Putnam, E. F. Moore, and Albert Birch presided at the tea tables. Appointments were carried out in orange and white. A three-piece orchestra played during the afternoon.

PARK REGION FROSH PLAY SCORELESS TIE

FROSH GET TWENTY-ONE FIRST DOWNS TO PARK REGION'S SINGLE FIRST DOWN.

"Doc" Catlin took his squad of yearling gridmen to Fergus Falls last Friday only to outplay the Park Region college eleven to a scoreless tie. It was the second clash of the season for the frosh who had won handily over the Wahpeton Science team the week before.

Early in the first quarter of the game, the frosh were handicapped by the loss of Al Hermes, their star full back who was injured. Eugene Elerding, replaced him, until late in the final quarter, when Hermes resumed play.

Lutherans Outplayed.

Although badly outplayed on the offense, with the Bison yearlings making twenty-one downs to the Lutherans' one, the northern school was able to stave off the frosh attacks when within scoring distance.

On a Lutheran fumble, the embryo Bison took the oval to Park Region's five yard line, but lost it on downs. The frosh resorted to straight football with occasional passing to run up their yardage gained. At every attempt of the Park Region to advance the heavy yearling line proved too effective. Mike Sullivan played his usual stellar game at tackle with his husky mates aiding in snowing the Lutheran offense.

Of the yearling backs, "Dutch" Hermes showed well. His running game was too much for the opposing ends who were often in the lurch. Only the line play of their mates which tightened when Catlin's men neared the goal kept the scoring in the goose egg column.

GAMMA TAU SIGMA INITIAL MEET TOMORROW AT 4:30

Gamma Tau Sigma, local honorary journalistic fraternity, will hold its initial meeting of the school year in the Bison-Spectrum office Wednesday afternoon at 4:30, according to Stewart Schlipf, president of the organization. An outlay of the work to be done during the present school year will be discussed at this meeting along with other routine business. The fraternity now has five members in school.

BUNNIE DROPKICK IN FINAL MINUTES OF PLAY TIES SCORE

KNEESHAW, THOMPSON, MILLER AND RUMPELTES BRILLIANT IN ANNUAL BUNNIE TILT.

SUBSTITUTE QUARTER SCORES BUNNY COUNT

BUNNIES PROVE THREATENING AT OUTSET OF THIRD PERIOD WITH PASS ATTACK.

By DICK HACKENBERG

A drop-kick, soaring between the uprights and over the Bison crossbar in the final minutes of Saturday's Homecoming game, took with it all chances of a Bison victory over Jack West's South Dakota Jackrabbits until the 1926 season. For this particular kick which rotated in end over end fashion from the educated toe belonging to Carlisle, State quarterback, put a "3" on the scoreboard equal in every respect to a similar "3" placed there by Big Ben Rumpeltes' placekick in the second period, and donated to Cortright's men the second tie game in three conference starts.

Rumpeltes Goes Over

It was a grueling battle for both teams. The Bison launched a terrific offensive at the outset of the game and after a few plays had Rumpeltes over the Bunnies' goal in short order, only to be brought back five yards for offside and to meet an animated stone wall on a second attempt at a touch-down. The ball was lost to the invaders on State's two foot line. Welch punted to Miller and the Bison again pushed the Rabbits to their 17 yard line only to lose the ball a second time. The Brookings gridmen then assumed the offensive and marched to the Bison 21 yard line at the end of the quarter.

At the start of the second period Welch attempted a drop-kick, but it was wide. There followed a punting duel between Miller and Welch in which the Bison back outbooted his opponent. This and a series of plays brought the Bison to State's 28 yard line and Rumpeltes missed an attempted placekick. Miller took Welch's punt on his own 48 yard line and the Bison put the ball in play in the middle of the field. The Cortright clan launched another great offensive and started on a march to the Rabbit goal to the tune of the "Yellow and the Green," but were stopped dead on the State 21 yard line. Big Ben was called back and a few seconds later a perfect placekick was sent between the Bunnies' goal posts, giving the Cortright clan a 3 to 0 margin at half time.

Miller Stops Schweinfurt

Miller added another threat to his already long list when Schweinfurt, the receiver of the Bison kickoff, at the start of the second half, eluded all the Bison tacklers but Claudie, who brought him down on the 49 yard line. The end of the period found the Bison

STAFF APPOINTMENTS.

At yesterday's meeting of the Student Board of Control of Publications, those students who were awarded positions are indeed fortunate and are to be congratulated. Their names were not just mentioned and nothing more thought of them. Many names were disapproved because their work did not warrant that they be awarded positions.

Those names which are carried in the masthead from now on are an indication that the student's name appearing thereon is contributing something to the publication.

Journalism is in its infancy at this institution. Student activities are one of the important things in the life of every college student. Many have their fraternity or sorority, but when the student is thrown on his own resources upon completion of his college career, no employer asks he or she whether they were a member of a certain fraternity or sorority, but if the student can submit the fact that he or she worked on a publication, the employer will at once realize that that student has acquired more than just what the curricula offer.

Every student in college likes to have some means by which they may be outstanding, and not just an ordinary student who takes part in class work. Twice each week the college paper appears on the campus and each student's name carried within the columns of that paper is placed before 1,500 readers. In the annual, the student who works on that publication is placed before the numerous readers. If you would be outstanding get on publication staffs. Positions are still open on the two major publications of this campus and why not get on one?

Awards for outstanding bits of work on the Bison and Spectrum may be given those students who work toward getting one, and the student fortunate enough to get one of these will have something to be cherished. Truly it is said, journalistic work at this institution is only in its infancy.

THE STUDENT ON DISPLAY.

Every college student is an advertiser of his school. At least, the world judges the higher institutions of today to a certain extent by the actions of those who are a part of them. And often this judgment is made upon hasty observation or upon misconstrued facts, and the colleges eventually suffer. As a result, criticism of colleges and of students has become to be more noticeable at the present time than it was years ago.

The logic behind the formation of this critical attitude, however, is not the best. It must be realized that the enrollments in our colleges today is far greater than the total before the war. And just as it is true now that in every group of individuals there are a few whose actions are always open to criticism, so was it equally true a few years ago. But with the increase of size of this group, so also is there an increase in the number of undesirable students. The ratio of the one to the other is really no different than it formerly was, but the total has increased.

But because of the facts just mentioned students should exercise more than the usual amount of precaution to prevent any criticism being lodged against colleges in general because of the actions of a few individuals. The public judges a school by its various representatives—its athletic teams and its supporters, the men who have graduated, and those who have dropped their work before completing their four years. Many a school has received a black eye through the careless actions of several students during a week-end football trip to a rival institution. And the press of the country is willing to give wide publicity to any of the shortcomings of a student body.—Purdue Exponent.

"NO ONE LIKES A QUITTER."

The axiom "no one likes a quitter" seems to have been proven to the satisfaction of every American within the course of the year's events. Failure of the navy planes to reach the Hawaiian Islands in a non-stop flight has caused considerable more attention to be given to the participants than they would have received had they been successful. The fact that the fliers made a heroic attempt is all that is needed to have their names blazoned on the front pages of America's newspapers. Roald Amundson did not find the North Pole, but he and his party did make an heroic attempt. While he was lost to the rest of the world in the frozen north the most meagre reports were greedily consumed by millions constituting America's populace. The public forms the rooting section, the adventurers, the players. No amount of spirit will eke out an applause for the quitter; if the players win, it's something to cheer about; if they lose, but lose fighting, that's worth talking about.—California Aggie.

30 NEW BOOKS ADDED TO COLLEGE LIBRARY

AUTOBIOGRAPHY OF SAMUEL L. CLEMENS STANDS OUT IN BIOGRAPHY GROUP.

Thirty new books have been added recently to the circulation list at the A. C. library. Of these, the travel group make up the largest selection although biography and history have their place.

The books of travel include two written by Frank Carpenter, perhaps the most noted of present day globe trotters.

There has been added a ten volume set of "World's Best Essays" compiled by Brewer.

Of the biographical group, the life of Samuel Clemens as written by himself stands out. Clemens, outstanding of American humorists, is universally known as "Mark Twain."

Running the gamut of book subjects the list as given by Miss Pearson, assistant librarian, follows:

- Andrews—Old Morocco and the Forbidden Atlas. 192.
- Begbie—Seven Ages. 1923.

HACKENBURG TO WRITE SPECTRUM ATHLETICS

COMMITTEE NAMED TO INVESTIGATE MEANS OF ADMINISTERING PUBLICATIONS FUND

Appointments to important positions on the staffs of the Bison and Spectrum were made at the first meeting of the newly elected Student Board of Control of Publications held in the Bison-Spectrum office yesterday afternoon.

Gladys Feenendall Named

Miss Gladys Feenendall, Fargo, was chosen president of the board at the meeting, and Eugene Ostman, Fargo, was named secretary.

Wade Boardman, New Richmond, Wis., was appointed associate editor of the Bison. Other staff positions awarded on the Bison were: Military section, Hugo Thompson and Robert Sanderson; satire, Stewart Schlipf and Richard Hackenberg; organizations, Phil Hamilton and Walter Hester; administration, Dorothy Kretzschmar and Delia Gransberg; classes, Elizabeth Sheldon and Wilfield Hurt, and Bison life, Herman Herland and Hugh McCarthy.

Appointments to the Spectrum staff include Earl Hendrickson, associate business manager; Richard Hackenberg, athletics; Rebecca Keene, society; Catherine Cockerell, campus, and J. Bryant, desk editor. Reportorial positions on the Spectrum were awarded Maurice Welch, Gerald Hunter, Craig Montgomery, Clyde Barks, Helen Hoover, William Rundquist and Hugh McCarthy.

A committee was appointed at the meeting consisting of T. W. Johnson, professor of journalism, and a member of the board; Paul Revell, business manager of the Spectrum, and Emery Putnam, business manager of the Bison, to investigate means of administering the funds paid toward support of the publications.

The matter of giving keys as an award for proficient work on publications was raised and discussion postponed until the next meeting of the board.

NEMZIK AND LEWIS TO REPRESENT A. C.

Leo P Nemzek of Philadelphia, former student, will represent the college at the inauguration of John Martin Thomas as president of Rutgers university, at Brunswick, N. J., Oct. 14, Dr. John Lee Coulter, president, announced recently.

"Invitations were issued to all the state colleges to send representatives to the inauguration, either members of the faculty or some outstanding alumnus," said Dr. Coulter. "Mr. Nemzek, whose residence is Philadelphia, was considered to be one of our most successful and thoroughly outstanding former students."

R. R. Lewis, New Haven, Conn., alumnus, will represent the college at the commemoration of the 50th anniversary of the founding of the Connecticut agricultural experiment station. Invitations to all agricultural experiment stations and state colleges in the United States to send representatives to this anniversary were issued.

BISON-BUNNIES BATTLE TO TIE

(Continued from page 1)

on State's 28 yard line with the latter team in possession of the ball and the score still 3 to 0.

The State warriors took the ball down the field at the start of the final quarter and soon had the Bison on their own goal line. The ball had been advanced to within a half yard of the goal, when Bneeshaw broke through and spilled Welch for a 3 yard loss, the Bison receiving the ball on downs. Miller punted to Kelly, who brought the ball back to the 20 yard line. From here the invading eleven took the ball to the Bison 3 yard line, where it was halted on the fourth down. Carlsyle dropped back to the 19 yard line and booted a pretty dropkick between the bars to knot the count at 3 all. Three minutes later the game ended with the Bison on State's 40 yard line and State in possession of the ball.

Miller, Rumpeltes, Kneeshaw and Thompson were the brilliant performers, while Kelley, Welch, Eggers and Carlsyle were the bright lights in the State machine. Schweinfurt was also one of the best of West's performers and is hailed as a star in the making by the South Dakota fans.

The Bison still retain their undefeated record and with one win and two tie games hold the lead in the conference standing along with other teams who won their first game Saturday.

The summary of the game:

Bison	Pos.	Bunnies
Newgard	LE	Malmer
Kneeshaw	LT	Schugel
Baillie	LG	Murray
Thompson (c)	C	Starbeck
Keltner	RG	Seely
Marks	RT	Ekern
Tilton	RE	Eggers
Arnold	QB	Welch
Miller	LH	Kelley (c)
Augustine	RH	Biegert
Rumpeltes	FB	Schweinfurt

Substitutions: Bison—Blakely for Tilton, Wall for Blakely, Gorder for Kneeshaw and Mach for Arnold; State—Parmeter for Schweinfurt for Biegert, Johnson for Eggers, Osborne for Malmer, Hadler for Ekern, Ekern for Hadler, Reinecke for Starbeck, Malmer for Osborne, Eggers for Johnson, Popowski for Murray, Carlsyle for Welch, Noddings for Parmeter, Biegert for Noddings.

Scoring: Field goals, Rumpeltes, placekick, 21 yards; Carlsyle, dropkick, 19 yards.

Referee: Rogers, Carlton. Umpire: Jackson, Coe. Head Linesman: Smith, Minnesota.

BISON JUDGERS GET THIRTEENTH PLACE

Entering the National Dairy show judging contest, Indianapolis, against 24 other competing teams from dairy states, the North Dakota Agricultural college dairy judging team won 13th place in the contest.

The team took sixth in Ayrshires, and placed eighth in Holsteins. Lloyd Ryall stood 17th as individual showman. The team this year, all seniors in college, is as follows: Ray Harding of Midway; Ted Martell, Bismarck; Lloyd Ryall, Crary, and William Toussaint of Leonard as alternate. J. R. Rice of the dairy department, is the coach.

At the Dairy Cattle congress, Waterloo, Iowa, the team tied for fourth place as a team. There were 11 other competing teams at the cattle congress.

FORTY ENTERTAINED BY EDUCATION CLUB

The Education club entertained about 40 students at their meeting Tuesday night. President Mossler outlined the scope and purpose of the club in a short talk, followed by musical selections by Miss Myers and Miss Vold and readings by Miss Elizabeth Sorenson. Dean Weeks discussed the place of the Education club in college life and emphasized its remarkable growth. Following the program a social hour and refreshments were enjoyed in the Log Cabin.

Initiation services will be held in a short time and any Education students who have not handed in their names and wishes to join may give their name to the president or any member of the club.

LARGE CROWD AT BISON ROUNDUP

(Continued from page one)

The climax of the parade which marched down Broadway at 2 p. m., was reached when a mass of defamed Sophomore manhood attacked the marching freshmen who bore in their midst the effigy of the strangling sophomore class. It outclassed the battle of the Bison and Bunnies not only in bitterness but in results, as the Frosh were deprived of their scaffold, only to test their strength with the enemy between halves on an immovable pushball.

Saturday's football battle was viewed by a crowd that filled the stands. Despite its outcome to a scoreless tie, the fans and boosters never witnessed a struggle between better matched forces.

"Y" Banquets Players

At the close of the game, players of

both teams were banqueted at the college "Y" by the Y. W. C. A. and Y. J. M. C. A. organizations. At the same time, alumnae and faculty were partaking of the annual banquet given in the college Armory. More than 150 persons were present.

Speakers on the reunion program were President John Lee Coulter, T. W. Thordarson, alumnae secretary; Reginald Colley of New York; W. H. Westergaard, Williston, and Ion Cortright, coach of the Bison football team.

At the close of the banquet, alumnae, faculty and students attended the evening dance. Many of the familiar faces of old were to be seen enjoying the meeting of old comrades and grads.

A movement has been started at the University of California for an improvement in manners and a more considerate attitude towards instructors.

A Timely Tip

Keep an eye on your eyes; they're barometers of your personal efficiency. And they also govern your measure of health, happiness and comfort for the years to come. Care for them as you do your teeth and your skin—only far more so. Have them examined regularly.
