

## MAROON FACE BISON TOMORROW CLASS ELECTIONS TO BE HELD NEXT FRIDAY

VACANCY OF COMMISSIONER OF PUBLIC SPEAKING TO BE FILLED AT SAME ELECTION.

### CLASSES FINISH NOMINATIONS

SENIOR MEMBER FOR BOARD OF PUBLICATIONS MUST RUN ON STICKERS—NO ONE NAMED.

Nominations for officers for all college classes were completed Thursday noon with the nominations of the senior class. Six nominations were made to fill three vacancies on the Board of Publications, five being made in the junior class to fill two vacancies, while Ted Fuller was the only one named to fill the lone vacancy on the board from the sophomore class. The seniors did not nominate anyone to take the place of Byron Hanson on the publications board, but according to Allan Keltner, commissioner of elections, seniors may run on stickers for this office.

Two faculty members, A. H. Parrott and T. W. Johnson are the men representing the faculty on the publications board, while Stewart Schlipf and Eugene Ostman are the other two remaining members of the board.

The election to be held on October 16 will name the different class officers and members of the board of publications. At this same election, one member of the student commission must be named. To date, Jorgen Birkeland is the only one nominated. This vacancy was caused by the absence of Thomas Rae, who was named to the position last spring.

The complete list of candidates to be voted on at next Friday's election follows:

### ENROLLMENT PASSES 900 MARK SAYS REGISTRAR

INCREASE OF FIFTY PER CENT IS NOTED IN FOUR COLLEGE DEPARTMENTS.

A 50 per cent increase in the enrollment of four different schools of the North Dakota Agricultural College is the outstanding feature of the enrollment to date, Prof. A. H. Parrott, registrar, said Monday.

An even gain of 100 in the college enrollment is also noted and a loss of 19 in the high school enrollment. The decrease is due to the transfer of the high school as a separate unit into a secondary department in connection with the school of education.

The total enrollment of the agricultural college has now passed the 900 mark, Mr. Parrott says.

According to the classification made up to Saturday night of the 865 students then enrolled, 763 were in the college section and 102 in the high school.

The freshman class with 300 members is the largest, the sophomores second with an even 200; juniors, 143; seniors, 80; post graduates, 15; and special students, 16.

Agriculture, engineering, home economics and pharmacy are the four schools with the 100 percent increase in enrollment. The school of science and literature enrolled 215, education 123, engineering 118, home economics 82, pharmacy 73, agriculture 71 and chemistry 67.

### NEW GALLERY RANGE TO BE ONE OF BEST IN ENTIRE COUNTRY

EACH OFFICER ON DUTY TO HAVE ONE OF THE NEW MODEL GALLERY RIFLES.

Work is starting today on the new gallery range, which, when completed, will be one of the finest gallery ranges in the country, according to Captain Andrews.

This range will permit eight people to fire simultaneously on the same firing point. The lighting system will be so constructed that the light can be reflected on the target and the bulbs themselves will be invisible to those on the firing line. The range will be designed in such a way that it may also be used for the teaching of musketry in the military department.

A new model gallery rifle has been drawn for each officer on duty. These rifles have been developed by the ordinance department and without question are the highest grade rifle made. Three new rifles have been obtained for the use of the rifle team and in addition to these there will be twenty regulation army rifles available to the students.

Captains Smith, Millard and Andrews will be only too glad to work with any student at any time they have no classes and coach them in the intricacies of rifle shooting. Those students who desire to use the gallery in the evening may do so by making arrangements with any of the above mentioned officers.

### ADDRESS IS GIVEN BY SENATOR FERRIS ON THURSDAY MORNING

COULTER WILL WELCOME STUDENTS AT CONVOCATION TO BE HELD TUESDAY.

"Education is life itself and not a preparation" was the salient point in an address made by W. N. Ferris, Senator and noted educator of Michigan, to students at convocation yesterday morning.

"Tradition rules us. We are over-specializing, over-standardizing and over-organizing our schools," said the founder of the Ferris Institute, in pointing out the failings of the modern student and his school. "The idea of time for education as being between the ages of 5 and 21 is wrong. We call our education a democratic one when it is one of class and privilege. Education has no age limits; if you are not living and learning today, you will not be learning to live any better ten years from now."

"Use the powers you've got; or lose those powers," was a thought outstanding in the senator's address. To illustrate this he pointed to the experiment of Sir James Creighton Browne, an English scientist, who upon weighing and examining the brains of fifty tame ducks and a like number of wild found the later to have the more developed and heavier brain.

"Such men as Abraham Lincoln and Franklin were really at an advantage in gaining the education under difficulties. It is an environment such as Lincoln's that counted in his case. A large university has banned students from parking motor vehicles on its campus. The modern comforts are making domestic ducks of students. Science and invention has evolved a new world; but has neglected to perfect its manipulator in proportion—man."

"Students spend too much time looking for short cuts in learning," thought Mr. Ferris.

"Today there is a premium on mediocrity; but a penalty for genius. For entrance to the School of Medicine at Michigan University, a three year high school graduate is penalized one year."

#### Is Noted Educator.

Senator Ferris is one of the noted educators of the country. Until his entry into political fields he had devoted his time to the Ferris Institute, founded in 1884. In 1904 he accomplished the political paradox of being Democratic governor in a Republican state. After a second term in 1912, Michigan chose him as her senator, which office he still fills.

Touching upon his friendship with E. F. Ladd, late North Dakota senator and once president of our college, Senator Ferris said of him: "I only wish all senators had attained the ideals of Senator Ladd; and would fight for them as did Ladd."

At the opening of convocation Miss Thelma Edelbrock, instructor in the music department, gave several violin selections.

### SADDLE AND SIRLOIN ARE HOSTS TO NEW STUDENTS

MANAGER OF ARMOUR PLANT GIVES SHORT TALK TO MEMBERS.

The first meeting of the Saddle and Sirloin Club for this year was held in the Agricultural Building last Tuesday evening.

#### Movies Are Shown.

After the business meeting the Agricultural Faculty, members, and "Ag" freshmen enjoyed an interesting program. Prof. Thompson of the Animal Husbandry Department gave a brief discussion of the past activities of the Club. He also gave a short outline as planned for this year. Mr. Frank Good, manager of the new Armour Packing Plant at West Fargo, gave a short talk on "Agricultural Education" and the possibilities throughout the middle west for all men having one. He pointed out the varied lines of endeavor and the demand in each field for the man with the college education.

This was followed by three reels of motion pictures, one of which was entitled "Campus Scenes." This picture was taken on the A. C. Campus and showed some of the old familiar sights in an unfamiliar way. The other two reels consisted of an educational picture on tuberculosis entitled "Out of the shadows."

After the program a light luncheon consisting of "hot dogs", coffee and cookies was served followed by a short social session at which time the new students were introduced to the members.

### PERMISSION GRANTED BY COULTER TO HAVE MILITARY RIFLE CLUB

NEW ORGANIZATION WILL TRY FOR AFFILIATION WITH NATIONAL CLUB.

Permission has been granted to the military department by Dr. Coulter to organize a college rifle club which will be affiliated with the National Rifle Association of America.

This will allow competition in national matches by mail and telegraph, and will also allow the college to enter a rifle team in the national matches held at Camp Perry, Ohio.

Membership in the club is open to all students and faculty members.

A meeting will be held Friday afternoon at 4 o'clock at the office of the military department for the purpose of organization, the drawing up of by-laws and the preparation of a charter.

#### Officers Assigned.

Appointments of cadet officers to their platoons was announced Wednesday by Captain Millard in a special order from Captain Smith. The appointment of several new cadet officers was also announced at the same time.

The quota of advance course students has been limited to 50 this year; however, it is possible that this number may be increased by special permission from higher authority.

### SAUNDERSON'S CREW WILL PROVE TOUGH IN BISON CONTEST

BISON WILL TRY HARD TO KEEP SLATE CLEAN IN SECOND CONFERENCE PRAY.

### MAROONS WILL MISS ROGERS

SAUNDERSON CLAIMS GOOD CENTER TO OPPOSE CAPTAIN THOMPSON, BISON PIVOT.

After proving to the football world in general and Creighton University in particular that the North Dakota Bison can and will wear the North Central Conference crown this season, Coach Cortright is confronted with the problem of repelling an invasion of Morningside College here tomorrow. A week of scrimmage, chalk talks, and corrections of errors made plain in the Creighton game, together with the confidence of knowing that they are just as good and better than the best team in the conference, have molded the Bison into one grand fighting aggregation. Morningside has its doubts, as most colleges do, until after the game. The facts will be made clear to them, however, when the Bison warriors trot onto Dakota Field tomorrow afternoon.

#### Lose to Western Union.

On the other hand Coach Saunderson is bringing to Fargo one of the best teams to represent the Methodists in years. The 1923 Conference Champions, although without the services of "Honie" Rogers, last year's star, will present a formidable lineup. The Bison defeated Morningside last season 9 to 3, Rogers booting a drop-kick in the final minute of play for the only Maroon tally of the game. Last Saturday the Sioux City grid-ders lost a heart-breaking contest to Western Union, 7 to 6, the missing of a try-for-point spelling defeat for the Saunderson men. Chagrined at this loss and the wonderful showing of the Bison at Omaha, the Morningsiders should furnish tough opposition in tomorrow's tussle.

#### NOTICE.

There still remain to be filled several positions on the Bison staff. A call has been issued by Miss Carrie Dolphin, Editor-in-Chief, for applicants for the following editorial positions: Associate-Editor, Satire, Organizations, Classes, Military, High School and Industrial, Dramatics and Administration editors. If you have any interest in journalism whatsoever, report to the Editor immediately. There are also several vacancies yet to be filled on the business staff. Applications for the latter should be presented to Emery T. Putnam, business manager.

The Freshman class at the University of Oregon is governed by an executive council instead of a president.

### GET YOUR EDUCATION FIRST.

Heaven help the poor Freshman that doesn't know his own mind. Through the daylight hours he is pursued by the valiant Sophomores armed with paddles, and through the night hours by chummy Greeks armed with pledge pins and clever lines. Many a poor Frosh is rushed off his or her respective feet for five weeks or two weeks, and then believes that he has seen the sum and essence of college life.

Not exactly. Three years and a half more will show that fellowship is a fine thing but really it has to be mixed and seasoned with a little serious effort. If you have come to college with the idea of joining a fraternity, read no farther. But if you really intend to get an education, don't let your sense of values be distorted by the first few weeks. Go to your room and get a good night's sleep.

### IT'S NOT HAZING!

Once upon a time a young Freshman came to start his first year in college. Nobody laid down any rules for him, or paddled him; no one spoke roughly to him or induced him to help clean up the campus sidewalks; and he wore just any kind of a cap he wanted to. In fact, not a soul bothered him. At the end of the second week this Freshman quit and went home. It was no use, he just couldn't realize he was in college.

Now that is nearly the truth. Hazing has grown to be a part of the traditions of the campus, as of every other campus; traditions that you as Freshmen should respect. The Sophomores with deep and fervid generosity are taking time aside from their round of class room toil to help induct you into the mysteries and comradeship of college life. Forgive them their occasional playful roughness and remember only their splendid efforts in your behalf, so cheerfully given and so thanklessly received. And remember, next year you will be Sophomores, and there will be new Freshmen coming on.

### IT'S WORTH IT.

From time to time during the school year, certain class hours are devoted to public programs of an educational nature, known as Convocations. An impression, shared by many more or less prominent campus men and women is, that this hour is to be devoted to sleep and drowsy conversation in some out of the way corner.

That is something of a misconception. These speakers and entertainers, these convocation orators are brought here for a reason. It is intended them to A. C, your money helps to support the college. It is a question of getting your money's worth. Get your sleep at night and get in the habit of attending Convocation.

## Conference Bits

By Wallace Matson.

The Morningside-Bison, and South Dakota State-Nebraska Wesleyan clashes are the only battles scheduled between conference teams tomorrow.

On dope, the Bison and Bunnies should be victorious, but the Des Moines-Bison meeting last fall demonstrates what may be expected.

Despite their 14-0 defeat at Brookings last Saturday the Bunnies will prove dangerous, as reports coming from Brookings gives the impression that the Rabbits out played the Beavers, and nevertheless West's crew is a threat any time they step on the field.

South Dakota meeting Dakota Wesleyan loop teams are in action this week. With the Bluejays idle, but seven of leyan at Vermillion, Des Moines meeting Parsons at Des Moines, and the Flickers being pitted against Karl Erickson's Jamestown College eleven.

The Flicker-Jimmy clash should give a somewhat near comparison of the Bison and Flickertails, as the Jimmies were handed a 47-0 defeat at the hands of the Bison in the opener here two weeks ago.

The Bluejays' 14-0 defeat by Colorado Wednesday afternoon proves that the Creightonians are not invincible and that they can be beaten.

Creighton took the Bison too lightly and the Bison realizing that the Bluejays were not unbeatable actually out-

played them for the greater part of the game.

While Bison tennis stars did not capture the tennis title last year they can start building a team for the future. Hans Tronnes who matriculated here this fall was rated second to Les Narum, the Bison ranking player, and by the time he is eligible for competition he should be an improved player.

The two N. C. I. teams who had Big Ten opponents last Saturday made good showings, both North Dakota and South Dakota Universities scoring touchdowns.

The Flickers got theirs as a result of an 85 yard run against Minnesota, while the Coyotes grabbed their lone counter as a result of a pass against Northwestern.

The Colorado victory may be credited to the Bison for had not the Bluejays not tackled Cortright's team Saturday they may have been the victors in the mid-week game

FORWARD WALL SHOULD PROVE NEARLY IMPREGNABLE IN WAHPETON STRUGGLE.

This afternoon the Bison griders of the future are making their first debut as defenders of the Yellow and Green. "Doc" Catlin's Freshman squad will meet the Wahpeton Science team at Wahpeton in the first of the four games scheduled for the yearlings. After a week of hard scrimmage in which the frosh caused no end of worry to the regulars, Coach Catlin has gathered together the cream of four complete teams and has developed a combination which works with a smooth, machine-like precision.

### Frosh Are Strong.

Tuesday's scrimmage with the regulars showed up to a great extent the strength of the Freshmen. A flash of brilliant football against such brilliant opposition was visible now and then back of the Frosh forward wall. The Hermes brothers seemed to be the chief worries of the Cortright clan. A few minutes after the initial kick-off George Hermes skirted the end for a 30-yard run, and later Al intercepted a pass and raced 40 yards before he was brought to earth by the Bison safety man.

### Lineup Uncertain.

The Frosh line-up was uncertain up to last night but the probable personnel is: Hoster and Howell or Jones, ends; Sullivan and DeSautel, tackles; Blair and Smith, guards; Fisher, center. In the back field Cy Peschel at quarter, George Hermes and Marty Engl at the halves, and Al Hermes at full are the probable ground-gainers. Several other Freshmen made the trip and will be ready to fill positions where vacancies might occur. The entire squad left by bus this morning and will return this evening. Dope on the Wahpeton eleven is scarce but it is thought the Frosh will have an interesting afternoon.

## SOUTH DAKOTA "U" PLANS ON LARGEST DAKOTA DAY

By Conrad Hoyer.

Vermillion, S. D., Oct. 5.—Mammoth plans are under way at the University of South Dakota to take care of ten thousand visitors for the annual Dakota Day homecoming celebration here Dec. 31, at which time the University will meet South Dakota State College in the annual football classic of the season.

The dedication of the recently completed first wing of the new Administration building will be held the day before the game and will be considered a part of the regular homecoming celebration this year. The program begins Friday morning with the dedicatory address in the new auditorium and from then on, it is well filled. An orchestra concert will be given Friday afternoon and a Shakespearean play "Love's Labour Lost" will be presented by the local dramatic society in the evening.

### Four Bands In Parade.

The annual Dakota Day parade to be staged Saturday morning has been thrown open to the entire state this year and the number of towns that have students at the University plan to enter floats. Arrangements have been made to have four bands in this parade.

Two special trains have been scheduled to bring visitors for this big celebration. One of these will start at Platte and gather passengers at all towns on that line. The other will come from Lake Preston. Fare on these trains will be one cent a mile, round trip.

## CREIGHTON IS DOWNED BY COLORADO UNIVERSITY 14-6

Omaha, Oct. 7.—Colorado University defeated Creighton University 14 to 6, today in a football game played before a colorful American Legion convention throng.

Both teams scored in the opening quarter, Creighton failing to kick goal.

Colorado's other touchdown came in the last few minutes of the last quarter, when Chilson, Colorado captain, passed to Johnson 11 yards and carried the ball 25 yards on two succeeding plunges for a touchdown. Healey kicked goal.

## BEUNA VISTA SCORES 14-0 WIN OVER STATE

By Windsor A. Straw.

Brookings, S. D., Oct. 5.—The Jack-rabbits dropped their second try of the season to Beuna Vista last Saturday, by a score of 14 to 0. The Beavers and Robbits played an even game in the first half with odds in favor of the Rabbits. With the opening of the second quarter a fifty yard pass, Welch to Biegert, put the ball on Beuna Vista's twenty yard line, and

State fans were in high hopes of a near touch down. The next play blasted this hope when State fumbled and Morrill recovering, ran the ball eighty yards for the opening touchdown. From this time on the play of the Westmen was very ragged and another touchdow was contributed to the Beavers when Rollings picked a ppunt up among several Rabbits and ran forty-five yards through their entire eleven for the six points. The remainder of the game was a succession of wild passing on the part of both teams with neither making any notable gains or threats.

**DELTA PHI BETAS GIVE LAST OF  
FORMAL RUSHING PARTIES  
THIS EVENING.**

The formal rushing dinner of the Phi Omega Pi Sorority was given last Monday evening at the Paul Revere Tavern of the Masonic Temple. The main idea carried out was the departure for the Trip Around the World. Appropriate passports were given to the rushees as invitations, summoning them to the Phi Omega Pi House, 1125 5th St. N. Each guest was presented with a miniature suit case in the sorority colors, sapphire blue and white, before leaving for the dock. The balcony of the Blue Room at the Masonic Temple was arrayed as the deck of the ship with deck chairs, life savers, suit cases, steamer trunks, and flowers. Dinner was served at 7:15 by the alumni of the sorority dressed as sailors. Pink tapers, pink rosebuds, parrot and sweet-pea-girl favors and butterfly napkins in the pastel shades decorated the table.

Coat Corsages Presented. Miss Mildred Sheldon, accompanied by Mrs. Bill Williams, gave a few vocal numbers. Before returning to the deck to dance the rushees were presented with coat corsages. A program of musical and dance numbers was given, Betty Sheldon, dressed as a Highland Lass sang Scotch songs. A trio of Ruby Oscarson, cello, Betty Sheldon, violin, and Mildred Sheldon, piano, played "Perfest Day." A typically modern dance, "The Unfaithful Katrina" was well received. Miss Gerald Ewald was hostess.

Czecho Slavakia was visited Tuesday afternoon. Progressive checkers was played. Decorations and refreshments were in harmony with the idea. Checkered silk handkerchiefs were given as favors. Anita Mary Blake, rushing captain, announced the opening to the rushees, of the Honolulu Resort and a swimming party at the Masonic Temple pool on Wednesday, after which "hot dogs" and coffee was served. On Thursday was the Irish Taffy Pull at the Sorority House, Friday the Dutch Breakfast at 12 o'clock and the evening at Monte Carlo. The Rainbow Tea given at the Phi Pi House on Saturday afternoon welcomes the travelers home from their journey. The sorority flower, lily-of-the-valley will be presented to each of the rushees.

Phi Kappa Lambdas Tuesday. The Phi Kappa Lambda sorority held its formal rushing party Tuesday evening at the home of Mavis Peterson, at which a formal dinner was served. Voile and lace handkerchiefs in pastel shades were presented as favors. Mrs. Wilbur Hohncke entertained with a few readings between the courses and were then entertained at a cotillion at the Commercial Club. Carrie Dolphin was leader of the co-

tillion. Miss Catherine Cokerell presented a feature dance "I Love Me" during the course of the evening. The Kappa Delta sorority held its formal rushing party Wednesday evening, the Sigma Theta Thursday evening, and the rushing parties will be concluded with a formal party by the Delta Phi Beta sorority this evening.

Seniors at Massachusetts Technical college will be given a physical examination to determine the effect of four years work on a student.
