MAJOR HARRELL ORDERED TO NEW POST

LOCAL UNIT TO HAVE NEW COMMANDANT IN CHARGE NEXT YEAR

OUTCOME OF INSPECTION FOR THIRD GOLD STAR STILL PENDING

MILLARD TO CAMP

HARRELL HAS HAD RAPID RISE FROM RANKS TO COLONEL DURING LATE WAR

Major W. F. Harrell, for the past three years commandant of the local unit of the R. O. T. C., will not be back next year, according to word recently given out by the military department.

Major Harrell received orders to report at Governor's Island, New York, recently, and he will report there within a few days. Before receiving orders to go east, Major Harrell was ordered to report for duty at Fort Des Moines, Iowa, and had already completed arrangements to report there when the order was received to report at Governor's Island.

No Successor Named

Major Harrell had reported at Fort Des Moines, but returned to Fargo Wednesday to complete some preliminary arrangements before going to his new post. A successor to Major Harrell as commandant of the local unit has not been named as yet, but word is expected from the war department in the near future.

During his three years as leader of the local unit Major Harrell has succeeded in bringing two gold stars to the unit, while the outcome of the third inspection, declared by many to be the best yet shown by the local unit, is still pending.

Began Career in 1898

Major Harrell began his military career in 1898, when he entered West Point as a cadet from South Carolina. After spending two years at the military academy he entered the army as an enlisted man and was commissioned in 1903. At the outbreak of the World war he was assigned to a captaincy in the Sixteenth infantry of the First division. He rose rapidly during the hostilities in France and was made a colonel. After two years overseas he returned and was stationed at Omaha, from which place he came to take his post as commandant of the local unit.

Military Work Disrupted

Military work here has been practically disrupted by the transfer of commanding officers to summer posts. Captain Millard left last Tuesday for Fort Snelling, where he will be in charge of the North Dakota contingent at the R. O. T. C. and C. M. C. T. encampments.

Captain Thomas Smith will not leave for Fort Snelling until June 23. Sergeant Hansen will also report at Fort Snelling for duty during the summer, while Sergeant Culpepper will remain in Fargo.

Leslie Narum, J. Ogden Brauer and Archie Gerard, who were recently named as members from this school to receive commissions in the marine corps, will leave shortly for Philadelphia, where they will undergo a short term of training before taking up active work with the corps.

Mrs. E. L. Yocum

MRS. E. L. YOCUM MADE NEW HEAD OF "Y" AUXILIARY

AUXILIARY HAS DONE MUCH GOOD WORK DURING THE PAST YEAR

At the annual business meeting of the Red Triangle auxiliary of the college Y. M. C. A. held recently, Mrs. E. L. Yocum of 1132 College st was elected president for the year 1925-26. The other officers elected were Mrs. F. W. Christiansen, vicepresident; Mrs. Theo. Euren, secretary, and Mrs. Geo. Miller, treasurer.

The auxiliary was organized in the fall of 1920 as an aid to the general secretary in carrying out the program mapped out by the advisory board and cabinet. During the past year the auxiliary has raised money and paid for the repair of davenport in the lobby of the "Y," presented 10 fine banquet tables for use in the "Y" auditorium, cared for linen, curtains, and other things, giving a home touch to the building. The two-bit banquet was served by an auxiliary committee, of which Mrs. A. F. Schalk was chairman.

Miss Erls May Hill sang "June Night" as a feature and accompanied the orchestra for the encore. After the last dance the members of the sorority sang the new sorority song which was written by Miss Catherine Cockerell.

Miss Florence Henderson and escort, Dr. and Mrs. John Lee Coulter, Mr. and Mrs. W. W. Fuller, Mrs. Myrtle Gleason Cole and Miss Finlayson were in the receiving line.

SIGMA THETA FORMAL IS GIVEN ON FRIDAY

WIND AND RAIN STORM FORMS SURPRISE FEATURES OF EVENING PROGRAM

A successful candle light party was given by the Sigma Theta sorority at the Country club last Friday evening. Heavy rains and a wind storm were surprise features of the evening. Other features were a Spanish dance by Miss Dona McCready, and popular song numbers by the Anderson sisters. There were three feature dances; during the first dance Misses Ellen and Dona McCready distributed daisies to the gentlemen and yellow roses to the ladies. Cigarettes were distributed among the gentlemen at the eighth dance, and before the last dance the ladies favored the gentlemen with bronze reading lamps on which were engraved the sorority insignia.

Baskets of yellow roses and daisies were used to decorate the porch and rooms of the club house. Grape juice, ice cream, in the form of a yellow rose, and wafers were served by the Misses Dona and Ellen McCready.

The dance programs were hand made to represent the Sigma Theta pin. After the last dance the sorority (Continued on Page Three)

CONVOCATION HELD THIS MORNING TO HONOR CANDIDATES

FIFTEEN SENIORS ELECTED TO MEMBERSHIP IN HONORARY FRATERNITY

3 JUNIORS NAMED

INITIATION FOR NEW MEMBERS TO TAKE PLACE AT LUNCHEON ON SATURDAY

Eighteen students of the college, who were recently elected to membership in Phi Kappa Phi, national honorary fraternity, were honored at the convocation held in the armory at 10 o'clock this morning. All candidates for degrees were also cited as having indicated noteworthy scholarly accomplishments.

To Be Held Annually

A program of several musical numbers and some short talks were included in the program. While the program was the result of a suggestion made by the local chapter of Phi Kappa Phi, the occasion is an institutional affair and is open to all students. The affair will perhaps be made a tradition and a like program held every spring in an effort to honor those students who show proficiency in scholarship and as a means of honoring those candidates for degrees.

Those students who were elected to Phi Kappa Phi follow:

Graduates

Clarence Fiske, Hunter.
Murville Peightal, Coleharbor.

Seniors

William Freeman, Upham.
Lucille Thompson, Fargo.
Agnes Johnson, Christine.
Keziah Evingson, Kindred.
Harry Critchfield, Hunter.
Beatrice Bosworth, Moorhead.
Gladys Feendall, Fargo.
Harry Erps, Fargo.
Henry Oefstos, Lakota.
Carlton Rydstrom, Fargo.
Marion Bender, Fargo.
Sophus Thompson, Hatton.

Juniors

Marie Smith, Fargo.
Violet Flamer, Fargo.
Grace Ross, Fargo.

Initiation for these eighteen students will be held Saturday noon at a luncheon given by the Phi Kappa Phi fraternity at the Y. M. C. A. Officers of the local chapter of the organization are:

Alba Bales, president.
Dr. R. L. Webster, vice president.
Prof. E. H. Jones, secretary.

First Time Tried

A fair sized crowd of students and faculty members were in attendance at the affair. While this is the first event of its kind ever tried in the institution it was expressed by many after the convocation that the affair could be worked up to a point where it would become one of the biggest affairs of the year. Phi Kappa Phi annually elects a number of seniors who have shown proficiency in scholarship, and sometimes takes exceptional students from the junior class.

AS USUAL?

While the editor was looking over the copy in the drop box Friday afternoon a student walked in the door, peered around the door looking for a Spectrum, and seeing none there walked out, saying, "As usual, no paper."

Perhaps the Spectrum is to blame for this situation for not explaining it sooner. During the previous editor's term of office, Mr. Yocum had the semi-weekly paper a total of 32 Tuesdays and Fridays. During this time 25 issues of the Spectrum were put out, making seven days on which the paper was missed. Of these seven, three were on account of mid-term and final examinations, one was not put out the opening day of school in the winter term, two were missed during the Easter vacation, and one was not put out during the university basketball games because the paper would be unable to give any account of the games. Under the present editor, one was missed at mid-term, while the others that have been missed are on account of the shortness of funds.

Legitimate excuses have been given for all the issues missed, and we believe we have shown that the Spectrum has not missed a single issue except where circumstances would warrant its not being put out.

The Spectrum was put on a twice-a-week basis at the beginning of the winter term. Contracts for advertising were made out before the opening of school in the fall, and were made on a basis of one issue a week. Student activity fees would not put out the paper for a half term and as much of the money derived from advertising was used up the previous two terms the paper has been missed at times when it was thought best not to put one out. In the spring term especially the student activity fee is lowest and we have made a determined effort to put out the paper as far as finances would warrant. There will be but one more issue of the Spectrum this year and that will be out on Friday of this week. We believe we have justified ourselves for the frequent skips of the paper and beg your pardon for not having notified you before that the paper would not be out on a certain day.

GAY CAT DAY OR NOT?

In changing the day of celebration for Gay Cat day from a Friday to Wednesday, the student commission foresaw the most successful celebration of the day ever put on by the school.

Students did not live up to expectations and the day was perhaps the poorest ever held. A mere handful appeared in the parade, few took the time to get costumes and all in all it appeared as though the students cared little for Gay Cat day.

Gay Cat day within recent years has been getting poorer in spirit and numbers and if we are allowed to keep the day we shall have to get down and show the powers that be that we are really desirous of having a celebration of this kind.

Other schools and colleges to a large extent hold their annual dress-up day in the fall during the homecoming celebration. Perhaps it is not a bad suggestion to celebrate the day here during homecoming, at least to give it a trial. If we don't care to give it a trial let's at least start thinking about next year's celebration and start in now making preparations for it. We want Gay Cat day and we're going to have it if we start doing something immediately. If we don't do something we will be confronted with the possibility of having the day discontinued, and rightly so for we show by our actions that only a small percentage of the student body care whether we have one or not. Let's go!

GOOD LUCK, MAJOR!
Notice was recently given out that Major W. F. Harrell, who has been in charge of R. O. T. C. work here for the past three years, had been assigned to another post in the east. In losing Major Harrell the college loses one of its most outstanding boosters. Whether we agree with the idea of military training in colleges or not, we must admire Major Harrell for the efficient way he has carried on his work while here.

Before Major Harrell's appearance at the college, the unit was perhaps one of the poorest equipped in the corps area. Major Harrell in his first year brought a distinguished rating to the college, one of the things which the college now covets highly. Last year he succeeded in bringing a second rating to the school, and it is believed by many that the third star is coming on the strength of the exhibition the corps put on in May.

No successor has been named to Major Harrell, and while we hope for a man as efficient in his work as Major Harrell proved to be, we can hardly expect his successor to accomplish as much as has Major Harrell. The Spectrum says for the student body, "Good luck, Major!"

NO SPIRIT?
Coach Borleske has repeatedly asked for all those who have out athletic equipment to turn it in, but his pleas seem to go for naught. If you have some equipment turn it in today or any day this week between 4 and 6. Why keep someone worried until the last minute and then have them chase after you to get something they let you borrow? Let's show some spirit.

GAY CAT DAY HELD WEDNESDAY

MARGUERITE MINNIS AND JACK KNAPP ARE WINNERS OF PRIZES

GOLD STAR BAND ATTIRED IN WHITE UNIFORMS ARE THE LEADERS OF PARADE

PARADE IS SMALL

STUNTS BY VARIOUS ORGANIZATIONS PLEASE CONVO-CATION CROWD

Gay Cat day, which was observed by the students of the college last Wednesday, was not as big a success as was noted in past years. Few students took part in the day's festivities, and the parade scheduled as the biggest event of the day, was not nearly as long as in recent years.

Stunts Pleasing

Several very pleasing stunts were put on by the various campus organizations and a fair sized crowd was in attendance at the convocation.

Jack Knapp and Marguerite Minnis captured first prizes for the best boy and girl costumes appearing in the parade.

The Gold Star band, attired in white shirts and pants, and appearing with straw hats in place of the regular military hats, were at the head of the parade.

The costumes appearing in the parade were good, although they lacked number. The presidents of the sophomore and freshman classes did not make their initial appearance in the parade as they have in recent years.

Students Carried Away

Carrying off of freshman and sophomore class members continued until late Wednesday afternoon, several having been carried away the night previous, for a short jaunt into the country, from which they walked back.

Mercade A. Cramer, a sophomore, perhaps received more rides into the country than any other student. Sev-

eral different parties of freshmen caught him and took him for a ride. Upon the conclusion of one ride he was the recipient of the numerals of the class of '28, painted in yellow on his back. Donald Tarbox was seized from the Alpha Kappa Phi house while enjoying an afternoon nap and was taken for an eight mile ride by a small group of sophomores. Norman cow, a sophomore, also was seized by freshmen and forced to walk back from a six mile ride.

Freshmen Win Sack Rush

Freshmen were victors in the annual sack rush held in the afternoon on Dacotah field. The freshmen succeeded in getting across three sacks while the sophomores were able to carry one across.

All Sororities Represented

Miss Katherine Eddy, Lorraine Bohlig, Keziah Evingson and Esther Skjelset representing the Sigma Theta, Delta Phi Beta, Kappa Delta and Phi Omega Pi sororities respectively, were among the honor guests of the evening.

Frappe was served by Misses Erlis May Hill and Corrine Lawrence. The S. S. President McKinley orchestra furnished the music for the dance.

BAND HEADS PARADE OF GREAT NORTHERN VETERANS IN FARGO FRIDAY

band led the members of the Great Northern Veterans' association, which was in session in Fargo Friday, from the Great Northern depot to the Masonic temple, where the sessions were held.

Activities Over

The band has completed its activities for the year, with the announcement by Dr. Putnam that he has several very likely looking prospects in view for next year to replace those members of this year's band who are leaving.

The band played at the Community day program given at Kindred on May 20 and the Kindred Tribune has this to say of them:

"The Gold Star band concerts thrilled the hearts of all. Each musician was an artist and a gentleman and their unstinted numbers rendered received much enthusiastic applause. That the band and their leader are without a parallel in the northwest is the opinion of all who had the pleasure of being in attendance."

Nineteen College Students Leave Tomorrow for Geneva

THIS YEAR'S DELEGATION IS THE LARGEST EVER TO GO FROM THIS SCHOOL

Nineteen students of the college will leave tomorrow for Lake Geneva, Wisconsin, where they will attend the annual sessions of the college Y. M. C. A. associations from a large number of western universities and colleges.

The students who are leaving have completed their final examinations and many will leave via automobiles, while others have chosen the train as a means of going to the session.

Is Largest Delegation

This year's delegation marks the largest number to ever attend from this institution. It is expected the delegation will have much to do with the choice of a new general secretary to succeed H. J. Thompson, who recently resigned in order to pursue more school work in quest of a Ph.D. degree.

The University of North Dakota delegation will include 12 members, while Jamestown college will send 7. Two will go from the Moorhead State Teachers college.

The list of students attending the

sessions are as follows: From the class of '26, Vern Archer and Donald Hay; '27, Bill Morrow, Attaliva Cuneo, James Parkinson, Gilmore Sondreal, Don Andrist, Warren Tewksberry and Oliver Radde; '28, Norbert Cuneo, Jose Cuneo, Elwood Parkinson, Philip Burger, Homer Allison, alph Hollands and Vernon Peterson. Willis Boots, post graduate, and Prof. J. R. Dice and H. J. Thompson will complete the party.

Soft-Light Lenses
Seven Advantages of These

1. They filter the light SENSIBLY, in a natural way.
2. Absorb all harmful light and transmit all beneficial rays.
3. Eliminate all annoying glare, affording greater visual comfort.
4. Relieve eye-strain caused by improper illumination.
5. Tone down all visible light rays uniformly and evenly.
6. Are never habit-forming.
7. They do not cast shadows about the eyes of the wearer, and so their tint is not noticeable.

For constant wear, the use of Soft-Lite Lenses can be determined only by a thorough eye examination.
