VOLUME 40

AGRICULTURAL COLLEGE, NORTH DAKOTA, TUESDAY, JANUARY 20, 1925.

NUMBER FOUR

## BISON TROUNCE JACKRABBITS

### ELLEDALE NORMAL FALLS BEFORE A. C. YEARLING QUINTET

LOSERS FAIL TO SCORE FROM FIELD AND LOSE 54-4 TO BISON

### PROSH DEFENSE GOOD

HANSON, McPHERSON LEAD THE SCORING WITH 8 EACH; FULLER STARS

Bison Frosh tamed the Ellendale Normal quint, 54-4, Friday afternoon at the Armory in a game lacking in everything pertaining to basketball with the exception of a defense, which only the Frosh had, the Ellendale quint being short of everything which goes to make a cage game.

While an offense was lacking a large share of the time in the Bison game, the defense was almost perfect, the fact that the Normal quint failed to score a single point from the field attesting to that. Time after time the Ellendale five worked the ball up to the front line and here they were repulsed by the Frosh, who either nabbed the ball or hurried the passer, making their tosses go wild.

### Fuller Leads Defense

The superb defense of the yearlings, led by Ted Fuller, proved impregnable to the hardest efforts of the Normalites in an endeavor to break through for a counter. Zimmerman and Fuller kept the opposing forwards out of shooting distance and innumerable times Fuller took the well intended pass of the opposition and used it for launching an offense. During the entire first half neither team showed the semblance of an offense, but as the latter half of the game progressed, Fuller's efforts to start an offense began to bear fruit and the Bison displayed some passing ability.

At the start of the game the playing was listless and numerous fouls were called for playing the man rather than the ball. Ellendale scored first when Zimmerman made an infraction and Ackert, the only opposing player who showed any ability at the cage game, made good on the chance and dropped a foul shot through for one point. Hanson missed a chance to put the Freshmen in the lead when he was allowed two free throws but missed both. McPherson put the Bison in the lead with two free throws on Hoel's foul. This lead was short lived for Ackert made two free throws on Millard's third personal foul. Hanson put the Bison back in the lead again from which they were never displaced after 10 minutes of the game had elapsed. Schneider made a free throw toward the latter part of the half which ended the scoring for the Ellendale quint. Hanson made three more field goals while Fuller, McPherson and Zimmerman got one apiece in this half. Zimmerman, McPherson and Millard negotiated a free throw apiece which brought the score at half time to 19-4 for the Frosh.

### Hanson Looks Good

The Bison got on their shooting toes in the second half and dropped through 16 counters from the field and when the contest ended the score showed the yearlings with a total of 54 while the Normal quint had failed to realize a single point in the last half.

The most outstanding work of the game was done by Fuller, the lanky yearling taking over 90 per cent of the passes let loose back of the front line of defense. Fuller's shooting and floor work was above that shown by any of the other men on the floor. McPherson played a good underbasket game, tipping in the sphere for numerous counters, but his floor work was not all that it might have been. Zimmerman played the other guard berth opposite Fuller and as in the case of the other Bison youngsters his floor work was lacking. A bright future is in store for Hanson as soon as he realizes that a pass game is the best. In the respect of passing only, is Hanson lacking the qualities of a splendid court performer. Ackert of the Normal quint

(Continued on Page Three)

### Military Ball Tickets May Be Purchased Now

Tickets for the Military Ball are rapidly being sold and the student body is warned that only the limit set will be sold. One hundred and by Leslie Narum, managing the twenty-five tickets have been set ball under the auspices of Scabard and Blade, honorary military fraternity. Tickets may be purchased from any of the following: Philip Boise, Charles Brockmeier, Richard Cripe, Robert Sanderson, Bruce Rindlaub, Lewellen Howell, Thomas Caniff, Paul Revell, Henry Wangen, or William Touissant. They are priced at \$2.50.

### NO SUCCESSOR TO BORLESKE NAMED

NEW MENTOR WILL FIND WEALTH OF GRID MATERIAL HERE

No football coach has yet been selected for gridiron mentor at the college, Dr. A. F. Schalk of the athletic board announces. Several candidates for the position are being considered but no definite action has yet been taken.

**Many Backs Remain**  
The position as football coach at the college became open when Stanley Borleske, Bison coach for the past six years tendered his resignation last fall to take effect July 1, 1925. Whoever secures the place left vacant by Borleske's resignation will have an abundance of material with which to build a winning team, as chances for a successful season in the conference have never appeared better for the Bison herd.

The new coach will find available a letter man for every position on the team. Only three men will be lost by graduation and these three are all linemen. They are: Frances Hull, guard; Phillip Boise, end; Harry Bridgeford, center. In their places are ready to step men who won their letters this year as reserves or regulars.

### Y PUG TOURNAMENT FINALS ANNOUNCED

KNAPP AND NEWGARD WILL PAY SPECIAL ATTENTION TO LADY GUESTS

The final bouts of the Y. M. C. A. boxing tournament will be held in the "Y" auditorium Thursday evening at 7:15.

There will be more than sixteen rounds of boxing as formerly announced. The final bouts of the tournament will alone account for sixteen rounds, while there will also be a few preliminary bouts by some of the members of the class that have been eliminated in earlier competition.

### Final Contenders Named

The men who will enter the final bouts were announced by Jack Knapp yesterday noon.

The light weight bout will be between Jorgen Birkeland and Carol Anderson, both of whom have shown their superiority over the rest of their class and both are exceptionally clever for amateur boxers.

The welter weights will be between Cowell, a newcomer this term, who is showing a great deal of promise, and Rolf Svendaal, who was clearly the class of the field before the arrival of his new opponent. This will no

(Continued on Page Two)

JUST BRILLIANT STUFF  
---By Ec Fy

Henry, 230 pound center of the Bunnie crew, is a polite fellow, we take it from reports. Henry, it seems, is too fat to run and is therefore stationed as standing forward. Thompson was hanging close to him and someone asked why they didn't get a chair. The reply of Henry went like this, we are told, "Wad, you go over and get a chair; I'll watch the basket while you're gone." Wad brought a rocker.

The Bison wore out the nets on the baskets at S. D. State.

Dakota Student headline: "Bal-loons to Make Prom a Bubble-Land." That's all their basketball team was too, but Jamestown brought along some pins.

Speaking of basketball the Freshmen have a team, too. Their defense is not perfect as yet, an Ellendale guard hit the bankboard.

From Friday's Spectrum: "Miss Jennie Grant, B. E., visited school last Monday." The reporters should be more careful and not use words redundantly. The reporter should have known the "HE" was redundant.

The Flickers shot 53 times in the first half against Jamestown and scored one basket. The Bison should give them 52 shots and send them home singing.

Captain "Cy" Arnold says "The Bison schedule is just one "Cy" swears) game after another." "Cy" should know; he's been in every minute of every game played so far.

Dewey asked his team Saturday morning if they were in by 10 p. m. Friday night. The reply was, "Yes, all in."

A Flicker sport writer, Jack Stewart by name, carries a nickname of Susie. We're singing that late number entitled, "I WONDER WHAT'S BECOME OF SUSIE!"

Reports from South Dakota State say that the Bison literally rained shots at the basket. With the sounding of the final gun the band struck up the anthem, "It Ain't Gonna Rain No More."

Neither are we—the shower's over.

### COULTER RECEIVES NOTICE OF FRENCH SCHOLARSHIPS

The Institute of International Education has sent to President Coulter an announcement of a number of scholarships in French universities that are offered to graduates, men or women, of American universities and colleges. Some of them are valued as high as 5,000 francs and tuition. Only two specific requirements must be met—American birth and speaking ability in French. Students of the North Dakota Agricultural College who may be interested should apply to the Registrar for more detailed information.

### Jimmies Open Home Bison Season Here

Jamestown College cagers, conquerors of the North Dakota University five, will open the home Bison schedule here Saturday evening when they appear on the Armory floor. A tough game is promised the Bison, as they played in top form to beat the Jimmies earlier in the season, 53-28. Since then Jamestown has shown considerable improvement.

### Bison Top Conference Standing With 2 Wins

As was expected the Bison top the conference heap thus far. The standings follow:

Bison	2	0	1.000
South Dakota U.	1	1	.500
Morningside	1	1	.500
Nebraska Wes'l'n	1	1	.500
Craigton	0	0	.000
Des Moines	0	0	.000
North Dakota	0	0	.000
S. D. State	0	2	.000

### BOLLEY RETURNS FROM RUST MEET

DELIVERS FEATURE ADDRESS OF AFTERNOON MEETING OF CONFERENCE

Dean H. L. Bolley has returned from Minneapolis after being elected to the office of vice president of the conference on the prevention of grain rust. While at the conference Dean Bolley delivered the feature address of the afternoon of their one day meeting.

### Favors Eradication

His subject was "Retrospect on Barberry Eradication." Dean Bolley stressed the necessity of the eradication of every barberry if the work now started is to be carried to a successful conclusion. He pointed out in his address that the work of eradicating the barberry has producer decisive results in the prevention of black stem rust.

Other speakers at the conference stressed the danger of too much optimism over the work already done. Governor Christenson of Minnesota was elected president of the conference for the coming year and announced himself as "thoroughly wedded to the idea of barberry eradication."

Ex-governor Lowden of Illinois spoke before the meeting and said: "The money spent by the government for barberry eradication is the best investment that they ever made." Other speakers included delegates from the thirteen cereal growing states represented and in addition members of the various educational institutions in the states as well as members of the different farm bureaus.

### DOC ORGANIZES A. C. ORCHESTRA FOR 1925

WILL GIVE COLLEGE CONCERT DURING SPRING TERM WITH 33 PIECES

The N. D. A. C. orchestra has been organized and the outlook for an exceptionally fine orchestra is very good. "Doc" Putnam has another composition well under way, his second this year—it is called the "Gold Star" march.

### Play Best Music

The orchestra, as it began rehearsal and as will probably be, is as follows: eighteen strings, two flutes, two clarinets, two oboes, two bassoons, two trumpets, two French horns, three trombones, one tuba, and a tympani. They have begun work on Beethoven's sixth symphony known as the Pastoral Symphony. They also rehearsed several standard symphonies and recent concert numbers of the better class.

The orchestra will probably give a convocation concert some time during the spring term.

"Doc" has finished the scoring and is copying the parts to his new march, the "Gold Star". Both this march and his other march named in honor of Major Harrell are written in sym-

(Continued on Page Three)

### WESTMEN DROP TWO CONFERENCE GAMES TO DEWEY QUINTET

BISON WIN FIRST, 34-18; WALK THROUGH SECOND GAME 40 TO 16

### MILLERSTAYSHOME

NORTH DAKOTANS SHOW VERSATILE SCORING METHODS IN WINS

Cancellation of the game with Nebraska Wesleyan for Friday evening was announced last evening by Director of Athletics Stanley E. Borleske. Cancellation of games the Nebraskans had with St. Thomas and Macalester was given as the reason for the calling off of the contest. The contest, it appears, would still have been possible if "High Pockets" Davis had been willing to raise his guarantee \$50.00, but the Flicker mentor refused. The opening game will be played here Saturday with the Jamestown College quint. The Bison have played 13 games so far and the Jimmie contest will be the opening home appearance.

### By BERT POPOWSKI

Brookings, S. D., Jan. 17.—North Dakota Bison opened their conference season in an auspicious manner here Friday and Saturday by humbling Jack West's South Dakota State crew in both contests of a two game series, 34-18 and 40-16.

### Bison Attack Varies

The Bunnies were helpless before the versatile attack of the Bison, who short passed, long passed, dribbled and criss-crossed their way to victory. The play of the Bison was superior to the expectations of even the most ardent supporters of the Yellow and Green cagers. Not only was the offense of the Bison good, but the defense set up by the northern school was almost impregnable against the West aggregation the Bunnies being able to glean out 13 baskets in the two contests.

While taking two contests from the Bunnies the Bison were taking steps toward the coveted conference title. The play of the Bison was not only a classy brand of team play but it was unanimously voiced by the fans that the team that beats the Bison out of the flag will have to offer much more than just a classy brand of ball, for the Bison have this and more which goes to make a winning quint.

Friday's contest was a mixed long and short pass attack good for numerous shots at the hoop which the Westmen could not stem. Every Bison who started the game found the hoop for at least one counter from the field. "Red" Blakeley found the hoop for seven counters and led the attack on the hoop, followed by Greenfield and Arnold who caged three apiece. Newgard contributed two field goals, while Thompson sneaked up the floor long enough to cage one.

### Owens, Welch Star

Captain Owens, at guard, and F. Welch contributed the best play of the Bunnies, and but for these two the score would have been larger. Coffey also contributed some nice play during the course of the contest.

The first half found the Bison leading by an eight point margin and this lead was increased as the game went on. The Westmen launched a long pass attack in the second half which netted three counters, but at this point the Bison staged another rally and carried the play into Rabbit territory until the close of the contest.

The Bison proceeded to keep their slate clean in the conference race the second night and scored an even more impressive win by humbling the Rabbits, 40-16. The score indicates the superiority of the Bison.

### Arnold Leads Mates

Captain "Cy" Arnold led the attack on the Bunnies basket by dropping seven field goals and a free throw through the hoop for a total of fifteen points. Greenfield, the scoring ace of

## Students Notice!

A telephone has been installed in the Bison-Spectrum office and may furnish a means of telephoning your news items. There will be someone in the office on Sunday from 1 until 3 p. m. to receive items for Tuesday's paper. There will also be someone at the phone on Wednesday afternoons from 4 to 6 to receive items for Friday's paper. Use the phone—it will save both yourselves and The Spectrum staff time and trouble. There will also be someone in the office during miscellaneous hours during the week. Give us a ring! Our number is 4905.

### THE SECRET OF THE AROUND THE WORLD FLIGHT

By Burdette Graham

The world is marveling at the accomplishment of the three American aviators who have just circled the globe by airplane. They have been given everything you can imagine in the way of testimonials for what they have accomplished. I would not take one iota of their credit away. Only those who have tried flying can know how much courage it requires to face an 825 mile trip across an icy ocean, or to face the torrid deserts of India. Long days of plain hard work keeping in the air.

But it is not the unusual courage nor the ability to fly that made the Round-the-World trip possible. There are a hundred flyers in the American air service who could have accomplished the feat. Success in this case was spelled with preparation. In little rock-bound inlets, at out of the way villages and a hundred difficult places to reach were supply stations and landing fields. If a motor went wrong there was a new one ready. Were a landing gear broken another was on hand. Behind all of this preparation, somewhere is a man with a lot of patience and brains.

It is because of these precautions that the Americans succeeded when the British and Italians fell out because of trouble. College students can learn a lesson on the value of preparation from the world cruise.—Copyright, 1924, Collegiate Feature Syndicate.

### DOWNTRODDEN SCHOLARS

The students of American colleges and universities are slaves bending under the yokes of tyrannical faculties. It must be so for the New Student, college magazines with the new thought movement for a background, says it's so. According to the direful story carried in its editorial columns recently, expression is not one of the things which college students possess, and minds are entirely unknown among them.

Such a horrible picture to paint. It would be bad enough if it were half true, but—and here's where the humor of the situation lies—it's "greatly exaggerated" as Mark Twain would say. There isn't enough truth in it so far as the A. C. is concerned to even make it interesting reading. And those institutions at which it was aimed in particular shoot back with the fact that it doesn't fit there.

This day of scientific enlightenment has called for an open mindedness of people in all walks of life, and it is as truly reflected in the activities of a college as it is in the working of a great research laboratory or investigation body. Things are changing so rapidly, and scientific progress is going at such a tremendous rate, that there is no time in which to bend the thoughts of students or try to mold them into one way of thinking.

The more serious problem is to get students to do their own thinking. It isn't so much a matter of them not being allowed to think and express themselves as it is a matter of them being too afraid of their own opinions and convictions to use them.

### A STUDENT SPEAKS

Note.—It is the students, not one or two that the college represents. A fine example of student opinion has found its way to The Spectrum drop box. It follows:

Less than a month ago the people of this nation were shocked to read in the papers that thirty-nine people had burned to death in a little country schoolhouse in one of our southwestern states. Do we want the headlines of the papers to bear a similar story executed on the campus of the North Dakota Agricultural College? Thursday evening two hundred people, more or less, gathered to hear Opie Reed deliver a lecture. After the lecture while the crowd was leaving the building it was found that only one of the double doors leading out of the building would open. Is this a thing that should happen, especially in a wooden building, even if the weather is cold? Why not have some one appointed whose business it is to see that such doors will open easily and have them opened when a gathering is ready to disperse?  
 (Signed) G. U. KAPPEL.

## Dick Hyland Donates Music For 1926 Junior Promenade

MEMBER OF JUNIOR CLASS, OWNER OF SEVERAL FINE ORCHESTRAS, BRINGS ONE HERE

The finest music that ever came to Fargo to play for a dance has been donated to the Junior class by one of their members to play for their annual promenade. Dick Hyland, now pursuing his third year as a student in chemistry, owns and manages several orchestras that are playing in high class vaudeville and one of the best under him, The Harlem Harmony Hounds, a ten piece negro orchestra, will play for the Junior prom. The music will cost the class absolutely nothing, he says.

**Carry Own Features**  
 The Harlem Harmony Hounds will have a two weeks break from an engagement in Winnipeg until they open on the Orpheum circuit in Chicago and it will be during that time that the prom will be held. The exact date will be announced in the near future by George Bairey, prom manager.

Several features are carried with the orchestra, including a saxophone sextet and a white directress and dancer. During the feature numbers of the prom Mr. Hyland will personally take over the direction of the orchestra.

To many the tale of such an orchestra will sound like a page from a fairy story, but those in close touch with Mr. Hyland will realize what a fine donation he has made to the Junior class. In place of the money usually spent for music that amount can now be expended on decorations and on the old bills that the class has outstanding.

**Started With Girls**  
 Mr. Hyland started specializing in girls jazz orchestras and now has four playing on theatrical circuits. In addition he has several other male organizations playing in the east. Another orchestra is playing in Miami, Fla., and another in Havana, Cuba. His orchestras are known as the Dick Hyland Incorporated Orchestras.

### SAD TALE RELATED BY FRESHMAN STUDENT

He lay where he had been thrown, it seemed only a second ago; but time flees in that stupor. He tried to move his senses were dead yet. He rubbed his aching brow. A terrible ringing was in his ears, he opened his swollen eyes. That awful face was still towering above him, he shrank back. Nothing could be more humiliating. His thoughts raced back over the events just past. Why had he ever done such a thing, the odds had always been against it. Now he was paying and paying dearly. One used to such rebuffs might be able to overlook this, but he was too much the man, he still had a conscience; he remembered his duty. Another hasty glance at that determined face told him that its possessor was sure. He cringed. Then, gathering himself for one cyclonic action, he jumped up and shut off his alarm clock.

### Y Pug Tournament Finals Announced

(Continued from Page One)  
 doubt be one of the most interesting bouts as there has been no change of comparison between these men and both are dark horses as far as their opponent is concerned.

Frank Dvork in the middle weight class already has quite a reputation about the campus as a pugilist and his friends all claim that he can't be beat by anyone in Fargo or Moorhead in his weight, amateurs or otherwise. John Smith, his opponent, is a good husky lad and has been putting in a lot of time in preparation for his attempt to steal Dvork's laurels.

**Ladies To Be Admitted**  
 The heavy weight bout is to be a grudge match. It is to be the final number on the program and will no doubt be worth its place as the main go. Both Jones and Denning have been spending all their spare time in preparation for this fight. In fact, both of these boys put in a good many training licks during the vacation period and it will be an exciting fight throughout.

The managers, Newgard and Knapp, again wish to announce that they have tickets on sale now and that special attention will be paid to the ladies who wish to attend. For any of the girls who have never attended a boxing show before this will be an opportunity that should not be overlooked.

## STATE HAS 11 GAMES ON CONFERENCE LIST

South Dakota State cagers face one of the hardest schedules in the history of the Westmen and if the shooting of the Bunnies in the Bison contests is any indication State will have a tough time to hold the prestige gained in football. The Westmen will appear in Fargo on January 31 for a one night stay. Previous to their bow in the Armory they will tackle the Flickers at Grand Forks.

Their schedule follows:  
 January 16 and 17, N. D. A. C. at Brookings.  
 January 23 and 24 U. S. D. at Brookings.  
 January 30, U. N. D. at Grand Forks.  
 January 31, N. D. A. C. at Fargo.  
 February 6, Creighton at Omaha  
 February 20, Morningside at Brookings.  
 February 23 and 24, U. S. D. at Vermillion.  
 February 28, U. N. D. at Brookings.

## Y CAGE TOURNAMENT FIRST ROUND TODAY

This term the college "Y" is staging an Inter-Organization Basketball tournament. There are nine teams entered in the tournament competing for the trophy that has been on display in the book store window for the past week.

The teams that are entered in the tournament are from various fraternities and organizations around the campus, as follows: Delta Pi, Short Course, Alpha Sigma Tau, Power Machinery, Alpha Gamma Rho, Theta Chi, Tappa Kegg, Alpha Kappa Sigma and the Alpha Kappa Phi.

The "Y" is furnishing a very beautiful trophy for the winners of this tournament. It being a large, silver basketball with an appropriate pedestal. The trophy has been on display in the window of the College Book Store for the past week and will be there for some time yet.

Tournament play started last night and games will be held every week night when there is not some conflicting attraction. It is estimated that the finish will come the latter part of February.

**North Dakota Agricultural College**

For Completeness of Equipment and Facilities for Instruction is Unsurpassed in the Northwest.

The College Department Offers

# LEWIS TAKES SWEEPSTAKES

## CITY ORGANIZATIONS DONATE SEVEN CUPS AS DIVISION PRIZES

SHOW CLOSES MEETING OF THE NORTH DAKOTA GRAIN GROWERS

## STAR BAND PLAYS

LITTLE COUNTRY THEATER PLAYERS PRESENT ONE ACT PLAY AT SHOW

By R. V. CRIPLE

For grooming and showing a red Shorthorn steer, Howard Lewis of Binford, N. D., won the sweepstakes prize which was offered by the Saddle and Siroin club at Friday night's Little International.

The show brought out a fine array of well fitted stock and the competition was keen in all classes. There were 10 horses, 10 beef cattle, 8 dairy cattle, 12 hogs, 11 sheep and 14 fowls exhibited before the judges. The winners follow:

Horses — Louis Moe, first; Geo. Landsverk, second; S. Johnson, third; W. D. Tregloam, fourth. Moe was the winner of the silver loving cup offered by the North Dakota Live Stock association. Prof. E. J. Thompson of the college and Professor Peters of Minnesota were the judges of this class.

Beef Cattle—First, Howard Lewis; second, Raymond Douglas; third, Allen Knight; fourth, Theodore Piper. Lewis was awarded the cup presented by E. J. Thompson. Cash prizes of \$3, \$2 and \$1 went to second, third and fourth places, the cash being presented by "Billie Edwards, beef herdsman of the college. Geo. Baker was the judge in this event.

In the sheep class the winners were: Harry Critchfield, first; Martin Anderson, second; Fred Bruns, third, and Craig Montgomery, fourth. The cup in this event was donated by the Interstate Grain and Seed company. D. J. Griswold and "Daddy" Geiken were judges.

Dairy Cattle—Harold Seilstad, first; Lloyd Ryall, second; Walter Lillierap, third; Galen Oederkirk, fourth. The Fairmount Creamery company offered the cup in this class and J. R. Dice acted as judge.

Poultry—Frank Moore, first; M. Stiles, second; Clayton Rust, third; and Alden Baillie, fourth. Moore won the cup offered by the Mondakomin Hatchery.

Hog Division—Merril Burke, first; Warren Tewksberry, second; Walter Davidson, third, and E. Benid, fourth. The cup was presented by the Fargo Seed House. Al Severson was the judge.

The show was the closing event on the program of the Tri-State Grain Growers convention held in Fargo last week and the pavilion was packed.

Features which added to the night's entertainment were "Doc's" band, a one act play by Little Country Theater players, and barnyard quartet composed of Walter Davidson, Harry Critchfield, Philip Nelson and Galen Oederkirk, who sang some appropriate songs of their own composition.

Other events of interest was the pony exhibition by a number of Fargo youngsters and the parade of gaily decorated Belgium horses which was the closing card on the program.

## JAMESTOWN PAPER LAUDS BISON FIVE

JIMMIE COLLEGE PUBLICATION PRAISES PLAY OF DEWEY QUINT

A clipping from the Jamestown Collegian, student paper of Jamestown College, shows a fine grade of sportsmanship and some high words of praise for the touring Bison quint. It is unusual that a team beaten by such a margin as the Bison whipped Jamestown offers no alibis but rather praise for the winners. Members of the iBson team say that the game with Jamestown was one of the best they played in their recent 11 games in the west. The article as it was published follows:

"Are we down-hearted? No. Nothing of the sort. We lost the first home game but in so doing we saw that Jamestown college will have an extremely formidable aggregation during the coming season. Probably quite a number were disappointed and disgusted with the outcome, but did those people realize and appreciate the power of the team that defeated us? It is not at all likely that they did. The A. C. has one of the best teams it has ever had, all members have played together for two years now, and last year they were state champions and third in the North Central conference. During the Christmas vacation they took a trip out to the Pacific coast and won nine out of eleven games, defeating some of the best quints in that part of the country. The papers say that the Bison has one of the best teams that ever played out west. Well then, should be be down-hearted? NO.

All this means that we should support the team better and heartier even than we did Saturday night. There will be ten more home games this year and they will all be good. Don't get down-hearted. It won't help things at all and there is no reason for such a feeling.

What's the matter with the team? They're all right. Yea!

## CO-EDS HOLD PROM WEDNESDAY EVENING

BEATRICE SJOQUIST WILL LEAD ANNUAL MARCH WITH MISS MCKEE

Co-eds of the college will hold their annual frolic in the college Armory tomorrow evening. Beatrice Sjoquist is in charge of general arrangements and has chosen Kathryn McKee as her partner in the grand march that will open the evening's entertainment.

Watchers on, ladies only, will be admitted at the regular ticket price, 35c. The Anderson sisters, musicians, will furnish the feature entertainment of the evening. Edna Johnson will give several clogging numbers with Myrtle Euren as accompanist. Two sets of prizes will be awarded. One for the most comically dressed individual and another for the most artistically dressed individual. What the prizes are is being kept secret by the committee in charge.

## Students!

Here's a Time Saver for You!

Haven't you often wished you could go down town after school and get some stuff you really need. But you're too busy to go. Ploy practice or gym keeps you there.

Maybe you need some writing paper, so you can get those letters off your mind. Or you're all out of face powder, or cold cream, or tooth paste, or you want to get some good cough medicine so you can stop that cough and get a good night's rest.

Well, just call up 23-W and tell them your troubles. If you don't know yourself, maybe our suggestions will help.

HERE'S THE IDEA

Any time you are in need of any of the thousand and one things that a good, up-to-date Drug Store keeps, call 23-W. We'll deliver it free. One general delivery a day, every day at 4:15 tse livery will leave here and will deliver anything free of charge any place on the campus or in the vicinity of the campus. This is solely for the benefit of A. C. students.

Our Drug Department, Sundry Department and Toilet Department are complete.

When you need something, just call us up. We'll save you a long walk up town and bring it out to you.

When down town leave your prescriptions with us, and let us deliver them, too.

All deliveries cash unless other arrangements are made.

Cordially,

Christianson Drug Co.

Phone 23-W 10 Broadway

## NO SUCCESSOR FOR BORLESKE (Continued from Page One)

less independently. Augustine and Rumpeltes were greatly handicapped last fall by being moved from the line to the backfield and they seemed uneasy at their new posts until the close of the season. The quarterback material will be strengthened also with the return to condition of Cyril Arnold. Arnold was suffering last fall from injuries received in the previous basketball season and Borleske was unable to call upon him for strenuous work.

## PLEASANT PEOPLE

"Store manners" may not be as important as ballroom manners but we think they are. Every store that has become an Institution holds to the same doctrine.

When you come to this store, every one here becomes your host as truly as though you visited them at their own homes.

As a guest you expect courtesy without stiff formality, careful attention to your wants without impertinent suggestion, and a pleasant echo of the welcome that greeted your arrival when you leave.

All this is assured you whenever you call, but you are reassured NOW, because we want you to know that we are glad to have you come and see the new spring shoes and other merchandise, just arrived, even though the thought of purchase may be weeks away.

## Knewsey Knosey Kampus Kolumn

Honorable mention for this week, for both quality and quantity of copy, goes to Emery Putnam. "Puttie" as campus inquiring reporter, has aroused considerable comment with his first series of campus comment. The second edition will appear Friday.

### Band Turns Out

Forty-three dyed in wool members of Doc's star band turned out in the face of a cold west wind Sunday afternoon to greet the returning triumphant Bison. In addition a number of students were there, including a group with a royal greeting entitled, "OSCAR, KING OF THE MOLESKINS."

### Former Student Visits

Miss Marguerite Black, a former Bison, is here visiting. She says that she is going to enter the U at the beginning of the second semester.

### Senate Meets

Members of the Womens Senate of the college held a meeting in Ceres hall Monday afternoon at 4:30 p. m.

### Theta Chi Guests

Usher L. Burdick and Professor E. S. ones were guests at the Theta Chi house for dinner Sunday.

### Mayoue Returns

George Mayoue returned from Minneapolis Sunday night, where he was in attendance at a meeting of state leaders in Barbary Eradication work.

### Education Club Meets

The regular meeting of the club will be held this evening at 7:30 in Room N of Main building. All students registered in the school of education are eligible to membership and the officers are urging all non-members to join at this meeting which will consist chiefly of an initiation service.

### Artists Meet

The Art Club will hold its regular meeting on Thursday evening, an. 22, in the Art Studio. Every member is urged to be present.

### Betas Initiate

The Delta Phi Beta sorority held formal initiation services Sunday afternoon at the home of Miss Elizabeth Doyle. The following were initiated into membership: Mary Ball, Dorothy Beckwith, Florence Brastrup, Elizabeth Cleveland, Helen Bowers, Madeline Parrott, Margaret Richardson, all of Fargo; Genevieve Boise, Bismarck; Loretta Nilles, Casselton. After initiation services a dinner was given at the Gardner hotel in honor of the new members.

### Bairey Goes Home

Mr. George Bairey spent the week end at his home in Tower City.

### Kappa Lambdas Initiate

Formal initiation services were held by the Phi Kappa Lambda sorority on Sunday afternoon at the home of Miss Catherine Cockrell. The following were initiated: Carrie Dolphin, Pauline Fjelde, Della Johnson, Mavis Peterson, Eloise Stubbs, Florence Henderson, Mildred Vold, all of Fargo; Mary Austin, Casselton.

### Boise Visits Bright Lights

Mr. Philip Boise spent the week end in Minneapolis attending to business affairs.

### To Hold Candy Sale

The Kappa Delta sorority held a candy sale Saturday at Herbst Department Store and at Barker's Bakery.

### Burnett Returns

Mr. Lawrence Burnett has returned to school. He is forced to go on crutches, as he is undergoing treatment for an injured knee.

### Takes Long Journey

Miss Alice Dahlen visited with friends in Harwood over the week end.

### Y. W. Gives Banquet

Members of the Y. W. C. A. cabinet, committees and advisory board were guests at a dinner given last Wednesday evening, Jan. 14, in the Y. M. C. A. building in honor of Miss Heeln Scott, National Secretary from China.

### Williams Entertains

Mr. Tom Williams entertained at dinner last Thursday evening in honor of the S. S. President McKinley Collegian Orchestra. Covers were laid for ten guests. On Wednesday evening Mrs. Peter Olson entertained at a similar affair.

## Notice Engineers!

The American Association of Engineers will hold a meeting on Thursday evening, January 22, for the purpose of initiating new members. All old members are requested to be present, and all new members are advised to be present.

H. R. ERPS,  
President.

**Another Altar?**  
Mr. and Mrs. A. G. Arvold announce the birth of a baby daughter, Mary Caroline.

**Leah Carlson Returns**  
Miss Leah Carlson has returned to school and resumed her school work after an illness of a month.

**Bertelson Marries**  
Word has been received in Fargo of the wedding of Mr. Morton Bertelson, former A. C. student, and Mrs. Mary Sullivan of Minneapolis, which took place on Dec. 27. Mr. Bertelson attended the A. C. two years ago and was a member of the Theta Chi fraternity. Mr. and Mrs. Bertelson will make their home at Minot.

**Injured in Car Crash**  
Miss Inez Hanson was absent from school last week due to injuries suffered in an automobile accident.

**W. A. A. Meets**  
The regular meeting of the W. A. A. was held last Wednesday. Another meeting will be held Wednesday, Jan. 21, at 12:30 in Ceres hall gymnasium.

## Westmen Drop Two Conference Games

(Continued from Page One)

the Bison, was not far behind his leader with six counters from the field. Blakeley, the star of the previous night's encounter against the Bunnies, found the Babbit net for four counters and a free throw. Newgard caged two field goals, while playing a strong floor game.

Earl Welch and Coffey donated two counters apiece for the Bunnie cause and also contributed some brilliant floor play. Earl Welch started at the outset of the game and scored two field goals in rapid succession but his efforts for further scoring honors for

the evening were smothered by the fast moving Bison.

The Bunnies displayed real determination in the first period and were within two points of the Bison until Greenfield stepped out and scored three goals, which put the Bison total at 20 as the half ended with the advantage in favor of the Bison, 20-12. In the second half the Bison literally rained the basket with shots, while the astonished Bunnies gazed awe-stricken at the fast traveling Bison.

**Popowski Shows Worth**  
Popowski, substituting for Owens, when the latter was injured, demonstrated that West has at least one dependable guard in case his dusky leader should be forced out with old injuries.

While the Bison were surprisingly strong in their series here, it is not saying too much to remark that the Bison, with Miller in their lineup, will be one of the strongest cage quintets that ever graced a floor in the Northwest. Miller is the sensational type of performer and his absence undoubtedly kept the Bison score at a lower figure than it would have been otherwise. Thompson, while not the sensational performer that Miller is, is unquestionably a guard whom no coach would reject.

**Creighton Must Improve**  
If Creighton, considered the strongest competition for the Bison in quest of their first conference flag, down the Bison they will have to present a much superior aggregation of cage performers than they had last year. While Creighton's team was undoubtedly the strongest in the N. C. I. last year, the Bison are a much improved quint over last year, a veteran aggregation, who display much basketball, both intuitive and natural. Miller was not a member of the Bison regulars at the time of the Crighton game last year, and with this flashy guard a much improved performer over 1924, the Bison should prove favorites to cop the bunting.

## The CASE Engineering Code

### Extensive Field Work the Best Laboratory

WITH all the ingenuity and effort of the most exacting engineers, even of the competent, resourceful men who design Case machines, no machine ever reaches the highest state of development until it has been used extensively in field work.

The reason is obvious. The best laboratory and experimental field tests known furnish only limited opportunities for improvement as compared to the infinite variety of conditions met with in extensive field operation.

Here again, this Company is fortunate. We have thousands of machines in operation, in every civilized country on the globe. Every condition of soil, crop, power, weather, climate and handling is represented in field reports on the operation of Case machines.

We maintain a department for the monthly classification and analysis of the accurate information contained in these reports. This system enables Case engineers to proceed with certainty toward refinements far in advance of the ordinary. This is why Case machines meet so successfully all the requirements of profitable farming.
