

## May Festival Next Week Is Largest Ever Attempted

### ACADEMY OF SCIENCE OPENED MEETING TODAY Every Effort Is Being Made To Make Festival Of 1924 A Record One

#### REPORTS OF VARIED NATURE TO BE READ BY ASSEMBLED PROFS

The North Dakota Academy of Science, a group of men composed largely of the faculties of the North Dakota A. C. and the State University opened their annual meeting here this morning.

About thirty members of the staff and station of the college here are attending and nearly as many have already arrived from the school up north and some from scattered other points in the state. The meeting will continue today and tomorrow.

A varied program will be given, a part of which follows: "Mathematical Principles of Bond-Bidding"—Professor I. W. Smith; "Marketing Dairy Products in North Dakota" by Dr. A. H. Benton, N. D. A. C.; "Bush-form Fruit Trees" by A. F. Yeager, N. D. A. C.; "Important Insects Affecting Crops in Spring Wheat Area" Dr. R. L. Webster, N. D. A. C.; "The History of the Ellendale Artesians," Howard E. Simpson, U. N. D.; "The Prediction of Minimum Temperatures" A. W. Cook and Karl H. Fussler, U. N. D.; "Early Diagnosis of Tuberculosis" Dr. B. K. Kilbourne, Fargo.

#### Doc Pearce Shines In Role of City's Cleanup Chairman

Dr. W. T. Pearce, head of the school of chemistry, and chairman of the city cleanup drive announces that he is receiving excellent cooperation from the city authorities and town people in the annual cleanup week.

The campaign opened Monday with the distribution of cards by school children to homes asking householders to check items in cleanup which they would take part in. Special poster and essay contests have been planned for the week as incentives to making the drive toward beautifying the city more intense.

Dr. Pearce yesterday named the following judges for the contests: Grade school contest: J. W. Sutherland, chief of the Fargo fire department; Alex Duncan, superintendent of streets; Prof. O. C. Hallman, of the Interstate Business college; J. E. Orborn of the North Dakota Decorating Company.

Essay contest for junior high school students: Marjorie Bacher, Ethel Fleming and Ralph Nafziger, of The Forum Staff.

Poster contest for senior high school students: Mrs. Mae Douglas Rindlaub, Mrs. Clara Rose Dahl, Herman Boerth.

#### Delta Sigs Include Worthy Day On List

Members of the Delta Kappa Sigma fraternity innovated a worthy day in their program last week and when they entertained the mothers of their members at a tea and reception at their chapter villa on tenth avenue.

Sixteen mothers attended; Mrs. C. S. Putnam and Mrs. A. H. Parrott pouring the tea. Music, numbers by the fraternity quartet and inspection of the house made up the program during the afternoon. The visiting mothers entered their names in the fraternity guest book.

#### NATIONAL LEAGUE.

May 2—Alpha Gamma Rho vs Barracks—Engineers vs Preps.  
May 14—Engineers vs Alpha Gamma Rho.  
May 16—Barracks vs Preps.  
May 23—Alpha Gamma Rho vs Preps.  
May 26—Barracks vs Engineers.  
May 29—30—31—World Series.

#### Good Support Helps Osman And Theta Chis Win—Benshoof Whiffs Six Men—Boners Pulled

Comment has been rife on the campus during the past week as the result of a scourgng attack on the R. O. T. C. by members of the student body through this paper.

One of the agitators has challenged us to secure the opinion of the students. Next week's Spectrum will carry a number of short candid comments secured from leading students and faculty on the campus. The results will be of interest—watch for them.

#### Commission Proposes Publications Board; Be Sure To Vote

The following rules have been adopted by the Student Commission at their meeting of April 22 and are here submitted to the Students for their approval on May 9 when a special election will be held on the submitted measures.

The rules constitute a long felt need in the Agricultural College with reference to the various school publications and the students should back this measure heartily. It will provide for better papers and a much more systematized method of office appointment.

If the measure is approved the students will always be assured that their paper is in the hands of an experienced journalist and the editor in turn will be assured that he will have cooperation on the part of student body and staff. Vote YES May ninth (9).

The proposed articles follow:  
**THE BOARD OF CONTROL OF STUDENT PUBLICATIONS.**

#### Article I.

The name of this organization shall be the North Dakota Agricultural College Publications Board; hereinafter designated as the board.

#### Article II.

**Membership and Organization.**  
The board shall consist of nine members as follows: Three seniors, two juniors, one sophomore and two members of the faculty. The entire personnel of the board will be organized within one week following the election and appointment and shall elect their president and secretary among their own number. There must be at all times at least two members of this board who have had some practical journalistic experience. No person shall serve on the board while such person is on the staff of the "Weekly Spectrum" or in a major position on the staff of the "Bison". Each student elected will hold office for one year or until he ceases to be  
(Continued on page 4.)

#### Delta Phi Beta's Formal Is One Of Many Features

Coored streamers, all in Blue, together with a pyramided false ceiling, was the setting of the sixteenth annual formal party of the Delta Phi Beta Sorority given last Friday at the Prado.

The entire decoration scheme was carried out in various harmonizing shades of blue. A program of 12 dances was enjoyed by the members and their guests in addition to various features and favor dances.

During the progress of the party refreshments in the form of dainty cakes and especially prepared iced frape were partaken of. The party (Dutch in nature, was

Theta Chi ball tossers got away to a good start Wednesday evening, in the first game of the campus circuit, by capturing the opening American League game, at the expense of the Alpha Kappa Phi club, 3 to 2.

The winners gathered in enough scores, behind two hits, by Johnson and Butte, and an misplay by Wahl, in the first frame to make the game secure. The Kappa Phi tossers, who went out in order for the first three frames, came to life at the opening of the fourth inning and scored two runs, poor base running depriving them of the tying tally. Sailer got life on an error by Butte, and hits by Peterson and Wahl scored Sailer and Peterson. Benshoof hit a long fly to Peet, Wahl going to third and Peet threw to Johnson, who stepped on the bag retiring Wahl. Johnson singled and went to 3rd on to Wahl's misplay of Bohnsack's grounder. Hamilton walked and Bohnsack and Hamilton scored on Butte's double.

Benshoof pitched good ball but was given poor support at critical times. Wahl showed good early season form keeping the baserunners hugging the bags. The winners present a strong inner defense with Johnson and Bate as the outstanding performers. Butte was the battling star of the game, getting a single and double in two times at bat. Peterson got the only other extra base hit of the game, a double on his second time at bat. The game was called in the fifth which is

#### Concordia Girl Wins Enforcement Contest With Ped Girl Second

Miss Agnes Kjolrie of Concordia college has been announced as the winner of the law enforcement oratorical contest which was held Tuesday evening at Stone's Auditorium.

The contestants in the contest were the winners of the various contests held in the different schools of Fargo and Moorhead.

Miss Agnes Howies of the Moorhead State Teachers college was the winner of second place and \$25. Miss Kjolrie received a check for \$50 for first place.

Judges for the contest were: delivery, Mayor C. G. Dosland, Moorhead; Miss Katherine Boyd, Fargo High school; and Rev. Wm. Knight, Fargo; Composition, Dean V. Squires, North Dakota university, Mrs. R. G. Price, Moorhead, and Miss Ruth Christie, Fargo high school.

Robert McEwen, winner of the local contest, was a competitor in the finals; as Miss Vincent Lotter of the Interstate Business college.  
Supt. J. G. Moore of the Fargo public schools presided.

#### Hedvig Sand-Marie Smith Have High Winter Averages

Fargo High Honor Students Of Two Years Get Excellent Marks In College-Senior, Ag's High-Greeks Beat Barbbs

Hedvig Sand and Marie Smith, both of Fargo, and also both valedictorians of their respective high school classes, lead the individual honors for the North Dakota Agricultural college during the winter term. Miss Sand is Senior while Miss Smith is Sophomore. Alpha Zeta, honorary Ag fraternity leads the organization averages followed closely by Phi Upsilon Omicron.

Of the social organizations the Delta Phi Beta sorority have the highest average. As a group the seniors in the School of Agriculture have things nearly their own way although he Seniors school of Pharmacy (Seth Welch) is not far behind.

The Weekly Spectrum staff landed in fifth place thereby proving that their dumbness is practically confined to their publication.

Fraternity men had a decided advantage over the non-fraternity men as did the Sorority women over the non-sorority women.  
The tabulated results follow:

#### Students Grades for the Winter Term 1924

General Institutional Average	(All students, all curricula)-----79.3 (All men, all curricula)-----78.0 (All women, all curricula)-----81.3
General Average	(All undergraduates)-----79.2 (All men)-----78.0 (All women)-----81.3

(Continued on page 2.)

#### Gama Kappa Psi Receives Sigma Phi of Kappa Delta

#### Engineers Get There After Battling Gumbo For 2 Hundred Miles

Despite heavy roads, the giant army engineering truck carrying nine students and two professors of the engineering department of the North Dakota Agricultural College on a tour of engineering projects in the Red Red River Valley arrived in Winnipeg in time for 6 o'clock dinner Thursday, according to word received at the college this morning. The state mill and the university is being inspected this morning, and if weather permits it is the intention of the group to move on up to Donaldson and International Falls.

Had the weather man not interfered, the group would have plannde on crossing the border Monday, stopping off and inspecting the bridges spanning  
(Continued on page 2.)

#### Leap Year Essay Winner Will Be Known Next Week

Next week the Spectrum will carry the announcement of the winning essay in the Leap Year contest which was begun early in the year. The material received from the contestants would keep the school warm for at least two weeks, and it is great,ly regretted we, like the famous man of history, have but one box of chocolates to give to the cause.

The following committee to judge the essays was appointed and their decision is unanimous. They are Seth Welch, Jerry Weissert, Kjeagle Keating, Prof. Brown, and Sergeant Culppepper. Ladies were barred as the contest was limited to co-eds. Prof. McReynolds presided at all meetings of the committee.

#### Sorority Is First Large National of Non-Sectarian Nature on A.C. Campus

Miss Gladys Pugh, National Chaptorian of Kappa Delta sorority, arrived in Fargo Wednesday afternoon to install Gamma Kappa Psi sorority as Sigma Phi chapter of Kappa Delta. A very busy week end is anticipated by members of the sorority. The various degrees of the installaton are being given Thursday, Friday and Saturday.

On Saturday morning, the patronesses of the sorority will entertain at a breakfast at the home of Mrs. H. L. Bolley at eleven o'clock, for members of the sorority, Miss Pugh, guests from the University of Minnesota, and Mrs. Cole.

Following the final installation services Saturday afternoon, a banquet will be held in the Rose Room of the Gardner Hotel. Mrs. Max Morgan will preside as toastmistress and a  
(Continued on page 3.)

#### Junior Prom Tonight Will Be Surprise of Surprises

The Junior Prom, one of the important events of the school year, will be given Friday, May 2 in the college armory.

Miss Florence Cole will lead the grand march with Frank Leakey, Prom Manager. Second in line will be Carlton Rydstrom, as assistant prom manager, and Miss Shannie McNeese. Patrons and patronesses will follow in line, and in this group will be President and Mrs. John Lee Couler, Major and Mrs. W. E. Harrell, Prof. and Mrs. I. W. Smith, Prof. and Mrs. W. F. Sudro, Prof. and Mrs. A. H. Parrott, and Mrs. Myrtle Gleason Cole.

Feature dances will be a large part of the evening's entertainment. Miss

The Seventeenth Annual Inter-High School May Festival which will be held at the North Dakota Agricultural College, Fargo, North Dakota, Thursday, Friday and Saturday, May eighth, ninth and tenth, nineteen hundred and twenty-four promises to be one of the best festivals ever held. Many delegations of students and instructors from various high schools of the state have already signified their intention of being present for the three-day session. More high school students than ever before will participate in the various contests arranged for the three days.

#### Usual Events Run.

The contests, which are open to all bona-fide high school students, have been divided into three district groups—athletic, industrial, and literary. The Athletic contests will be divided into two groups, those for men and those for women. The contests for men will consists of fourteen different field and track events—a one hundred yard dash, a two hundred and twenty yard dash, a four hundred and forty yard dash, an eight hundred and eighty yard run, a mile run a two hundred and twenty yard low hurdles, a hundred and twenty yard high hurdles, the high jump, the broad jump, the pole vault, the shot put, the discus throw, the Javelin throw and a one half mile relay.

The athletic contest for girls will consist of folk and interpretative dancing, a tennis tournament, and track events. The industrial contests will be in the nature of exhibits of the work done in the high schools in art, cooking, mechanical drawing, sewing and wood-work. Contests in stock judging will be one of the many features of the industrial group. A declamatory contest, a dramatic contest, a presentation of a one act play, an extemporé speech contest, and an essay writing contest, together with an exhibit of high school publications will comprise the literary group.

#### Arts Exhibition.

One of the interesting features in connection with the festival will be the Industrial Arts Exposition which will be held in Ceres Hall during the entire three days. This room will contain several hundred exhibits sent in from high school and consolidated schools in the state as well as display many interesting articles made at the state institution.

An interesting discussion of the various phases of vocational education in North Dakota by the Smith-Hughes teachers will be one of the principle parts of the three-day program. This part of the festival will  
(Continued on page 3.)

#### Rain Will Not Slow Up Spring Athletics Says Director Stan

While the rain of the past week, according to Einar Leifson, is a godsend in that it prevents the spread of militarism, by making impractical for the cadet battalion to put into practice what they have learned from their long days of tedious toil in the classroom, it has caused dismay to Coach Borleske and Dewey, because they have been unable to do very little work on the Spring athletic program.

Coach Borleske announced that all games, which have been cancelled because of the weather, will be played on the first open date that it is possible for the two teams, involved in the cancellation, to get together. The captains of all teams affected should see Borleske as to when arrangements can be made to play.

#### Courts Reserved for Profs.

Borleske also announced that the tennis courts will be reserved from 5 P. M. to 6 P. M. for faculty members, and asks that all students bear this in mind, that there may be no misunderstanding.

Saturday at 1:30 P. M. will witness the opening of the interclass meet. The captains of the various class teams should get out their performers on time and see that all is in readiness before the meet opens. The meet this year is more worthy of effort, because all contestants making six points or more will be awarded a class numeral, whereas, in past years only the honor of winning an event, which was soon forgotten, was the best a man could hope for.

#### Many Entries On.

Entries for the May Festival, to be held the last three days of next week,  
(Continued on page 3.)

#### Promotions of Cadet Officers Effective At Once Say Major

The following promotions, assignments and transfers within the Cadet Battalion are announced, effective Monday, April 28th, 1924.

#### Promotions

Major Leo D. Osman to Lieutenant Colonel.  
First Lieutenant Leslie Narum to Captain.  
First Lieutenant Aubrey Hook to Captain.  
First Lieutenant John Hannaher to Captain.  
First Lieutenant A. M. Anderson to Captain.  
First Lieutenant Ogden Brauer to Major.

**Assignments and Transfers.**  
Battalion Headquarters and Staff.  
Lt. Col. Leo D. Osman, Commanding.  
Major Allen Bagrud, 2d Com., Bn. Ex.  
Major Ogden Brauer, Inspector.  
Captain Donald Peet, Adjutant, Bn. 1.  
Captain H. Heribson, Intel. Off., Bn. 3.  
Captain Kenneth Keating -----  
----- Plans and Training, Bn. 3.  
Captain Oscar Hansen -----  
----- Supply Officer, Bn. 4.  
Captain Galen C. Oederkirk -----  
----- Assttant Adjutant.  
Captain Neal Cott -----  
----- Communicatio Officer.  
Non-Commissioned Staff.

Staff Sergeant J. Knapp, Sergeant Major.  
Staff Sergeant Robert Sanderson -----  
----- Color Sergeant.  
Staff Sergeant George Bairey -----  
----- Color Sergeant.  
Sergeant Cy Arnold, Supply Sergeant, Company "A".  
Captain Frank Leakey.

**Pharmacy Club Party Is Easily Up To Standard**

The Pharmacy club of last Saturday proved to be in every way the equal of all the Pharmacy parties that have gone before in previous years; the usual favors and feature dances being well received by the 150 couples who were guests.  
Programs were numbered and the holders of numbers 17—27—37—57 were given life size jars of cold cream as favors.  
In some future issue of the Spectrum a list of the firms who aided the pill-pushers to put their jig across will be printed.

**Engineers Get There After Battling Gumbo**

(Continued from page 1)  
The Red River. Bad roads will set the trip back at least 2 days in time, thinks R. M. Dolve, who is supervising the tour. As it is, the group have had a hard time reaching Winnipeg on Tuesday. Here they took advantage of the opportunity to inspect the power plant and government building there, said to be the most complete and best planned structures of their kind anywhere in the world.  
The return trip will be begun the middle of next week. Wednesday is expected to find the group at International Falls and Hibbing. From there they will work down thru the iron range country and return to Fargo around the sixth of May.  
Those making up the party are: Professors R. H. Slocum and R. M. Dolve, and Dell Deyoe of (Marion, Arni Helgeson of Hensal, Gunner Liefson, Clarence Sgmoen, and Harry Swanson of Fargo, Logan Taylor of South Bend, Indiana, G. A. Hagen of Bowden, Clifford Loss of Minneapolis and Henry Kneet of Wimbledon, all seniors students in the school of Mechanic Arts at the North Dakota Agricultural College.

**HENRY CAVENDISH**  
1731-1810  
English chemist and physicist, of whom Biot said, "He was the richest of the learned and the most learned of the rich. His last great achievement was his famous experiment to determine the density of the earth.

He first made water from gases

Henry Cavendish, an eccentric millionaire recluse, who devoted his life to research, was the discoverer of the H and the O in H<sub>2</sub>O. In fact he first told the Royal Society of the existence of hydrogen.

He found what water was by making it himself, and so became one of the first of the synthetic chemists.

Cavendish concluded that the atmosphere contained elements then unknown. His conclusion has been verified by the discovery of argon and other gases.

The Research Laboratories of the General Electric Company have found a use for argon in developing lamps hundreds of times brighter than the guttering candles which lighted Cavendish's laboratory.

In this age of electricity the General Electric Company has blazed the trail of electrical progress. You will find its monogram on the giant generators used by lighting companies, and even on the lamps and little motors that mean so much in the home. It is a symbol of useful service.

### Cadets Are Working Hard On Final Days Before Inspection

The Cadets during the past three weeks have worked hard in order to be a crack outfit by May 10. Good progress has been made in bayonet, close order, extended order, company and battalion drill. Every possible effort is being put forth to make each individual of the battalion a working unit so that an efficient organization may be effected. The battalion has been reorganized with new assignments and transfers with the intention and purpose of making the battalion a strong efficient organization. We have but eight more days until the day of inspection and it means concentration of all efforts to put it across again this year.

Much is yet to be accomplished before cadets can be said to be ready for inspection. Each of the classes have work yet to be covered as well as a great amount of review work. The Federal Board will quiz the cadets and cadet officers in their class work, so it is well that everything that is said in class be thought of and kept in mind. It is of vital importance in the next three weeks that they concentrate all their efforts towards "efficiency". Every cadet is expected to know how to drill the battalion in

physical training. Major Harrell, requests that all of the cadets practice commands so that on the day of inspection if anyone is called on to drill the battalion or company he will be able to do so.

Besides knowing how to drill, repeat commands, pitch tents, theoretical work and other factors that go towards efficiency, too little cannot be said regarding the uniform. All possible care should be taken in the intervening time between now and inspection.

It is of vital and utmost importance that the A. C. hold the "Distinguished Rating" which was won last year. Much competition is being offered us by the "Up-State Normal Boys." According to Major Harrell, we have to work hard and if the cadets put forth all their efforts in earnest there should be no fear of losing the rating. The Major also mentioned the fact that if the A. C. loses this year it means we will have a difficult time in order to get it again and if we win the rating we will no doubt keep it permanently. If the Cadets and Cadet Officers give what they got the A. C. will head the list of the "1924 Distinguished Colleges."—On you, Bisons!

### Rain Will Not Slow Up Spring Athletics

(Continued from Page 1.)

bid fair to surpass all other years. Grand Forks and Valley City are intent on taking the meet from Fargo, who has won every meet since 1920. Several changes have been made in the awards by giving the high point man and the team winning the relay a metal shield instead of a banner, which it has been customary to award to these event winners in past years. The trophy for the winning team will be a larger and better silver bronze cup. Everything points toward a bigger and better meet if the weather permits.

All spring activities will be resumed as usual after the May Festival,

providing old Jupiter Pluvius does not greet the athletes with another deluge, and in case another flood comes a call will probably be issued for a varsity rowing crew.

### Gamma Kappa Psi Receives Sigma Phi

(Continued from page 1.)  
number of responses will be given. After the banquet sorority members and their guests will be guests of Sigma Theta at the all-sorority dance.

Sunday afternoon from three to six o'clock, Kappa Delta sorority will be "at home" to members of the faculty and the sororities and fraternities at the home of Mrs. H. L. Bolley, 1327 Twelfth Avenue North.

Misses Virginia Tasker, Ruth Miller

and Helen Kuehne of Sigma Beta chapter at the University will be guests of the newly installed chapter over the week end.

Last Wednesday evening the alumni members of the sorority entertained at a theatre party in honor of Miss Gladys Pugh, after which they went to the home of Mrs DeLong where refreshments were served.

### Good Support Help Osman and Theta Chis

(Continued from page 1.)  
the regular campus league game, Chris Culpeper umpired, and judging from his performance, "Sarg" has not gotten rusty on balls and strikes through the long winter layoff. The score by innings:

The score by innings	1	2	3	4	5
Alpha Kappa Phi	0	0	0	2	0
Theta Chi	3	0	0	0	X

Lineup and summary.										
Alpha Kappa Phi	AB	RH	PO	A	E					
Sailer, ss	1	1	0	2	0	0

Summary—Two base hits, Butte, Peterson; Stolen base, Johnson; Double plays Peet to Johnson; Benshoof to Peterson to Bridgeford; Base on balls, by Osman 1, Benshoof 3; left on bases Theta Chi, 5; Struck out, by Osman 4, by Benshoof 6. Umpire, Culpeper. Time of game, 50 minutes.										
Ball Here.										
Les Ball, '23	visited at the Alpha Kappa Phi house over the week end.									

### Sigma Theta Entertain At Sorority Party May 3

Tomorrow night, May 3, is the date that has been set by the Sigma Theta sorority for their annual all-sorority dance which will be given in the college armory.

There will be two feature dances by unknown artists whose names have been held in suspense. Four moonlight waltzes will add to the program and the decoration will be the same as those for the Junior Prom with some possible re-vamping.

For Completeness of Equipment and Facilities for Instruction is unsurpassed in the Northwest  
THE COLLEGE DEPARTMENT OFFERS

Agriculture—Architectural Engineering—Architecture—Biology—Chemistry—Chemistry and Engineering—Civil Engineering—Education—Home Economics—Mechanical Engineering—Pharmacy—Science and Literature—Veterinary Medicine and Surgery.

These courses are available to those who have completed the equivalent of a High School training. For those who have not had such training—

The Agricultural and Manual Arts High School Offers  
Complete Secondary Courses in Agriculture—Domestic Science—General Science—Mechanics—Arts—Rural Teachers.

SPECIAL COURSES  
Business Training, Draftsmen and Builders, Farm Husbandry, Homemakers, Power Machinery.  
THIS COLLEGE offers to the young people of this state an education which is thoroughly in line with modern thought and demands. It spends no time on dead languages or such subjects as are of little practical value. It aims to fit young men and women to think and investigate for themselves; to deal intelligently with the social, agricultural and industrial problems of the day.  
THE LABORATORIES are thoroughly equipped, and the instructors are specialists in their line. Exceptional advantages are offered in chemistry, physics, botany, literature, mathematics, engineering, and the social, economic and political sciences.  
Graduates from Approved High Schools are admitted to the Freshman class. Board and Room \$6.25 to \$7.50 Per Week.  
WRITE TO THE REGISTRAR FOR CIRCULARS, CATALOG, AND ADMISSION BLANKS  
Collegiate, High School and Business Courses start September 24, 1923. The special and industrial courses open October 16, 1923.

### Knewsey Knosey Kampus Kolumn

**Prexy Leaves.**  
Dr. John Lee Coulter left Wednesday for Bismarck where he will hold a conference with the state board of administration.

**Sigma Theta's Meet.**  
Members of the Sigma Theta Sorority held their regular meeting at the home of Miss Clara Pollock on Tuesday.

**Noted Man Speaks.**  
John W. Foley, North Dakotan by birth and still claiming the state as his residence although he has attained great fame in both United States as a poet and writer, was the speaker at a special convocation held in the Little Country Theatre Tuesday afternoon.

**In Post Graduate Recital.**  
Miss Martha Klinsman, a student in the school of Science and Literature, was presented in a post-graduate recital by the Dakota Conservatory at Stone's Hall on Wednesday of this week. Miss Klinsman was well received by an appreciative audience.

**Add Many Clubs.**  
During the first three months of the year 1924 the North Dakota Home-makers club has added 26 new clubs which brings the total to 126. This speaks well for the interest that people over the state are taking and the cooperation they are offering Mrs. Myrtle Gleason Cole and her assistants.

**Betas Meet-Eat.**  
Members of the Delta Phi Beta sorority were the guests of Mrs. A. H. Parrott at their meeting Monday. Refreshments were served following the regular meeting.

**University Women Give Party.**  
Over two hundred women of the Fargo-Moorhead chapter of the American association for University women were entertained at a benefit bridge party given in Ceres hall parlors last Saturday afternoon. Playing began at 2:30 and the proceeds will be used for the furtherance of a scholarship for college women.

**Miss Simmons Leaves.**  
Miss Abbie Louise Simmons, of the English department, has left for Bridgeport, New Jersey, where she has been called by the illness of her sister. She was accompanied by Miss Edith Flewell.

**Hold Bake Sale.**  
Members of the Phi Kappa Lambda sorority held a combined bake and candy sale Saturday. Judging from the way we saw the boys roped in Cruse's drug that afternoon the sale was a success.

**Where's The Wife?**  
Fred Wilkinson, newlywed, was a

guest at the Alpha Gamma Rho house over the weekend.

**Sigma Tau's Pledge.**  
Members of the Sigma Tau fraternity announce the pledging of Gilbert Moun.

**Phi U's Initiate.**  
Edith Skurdall, Alice Dahlen, Mable Kelly, Ruth Arveh, Doris Stewart, Althea Reed, and Ethel Flaten were initiated into Beta chapter of Phi Upsilon Omicron, honorary Home Economic sorority last Sunday. Members of the National council of the sorority were guests at the initiation.

**Five Co-eds Get Sweaters.**  
Five members of the W. A. A. have secured the needed 1,000 points to earn an ND sweater. They are: Rose Lane, Agnes Peterson, Gladys Flem, Dorothy Loudon, and Myrtle Euren.

**Pill-Mixer Back.**  
Myron Quammen, a graduate Pharmacist of two years ago, was a visitor at the Alpha Kappa Phi house over the weekend.

**Fitz O. K. Again.**  
Philip Fitzgerald has returned to school after a two weeks absence incurred as the result of an acute attack of appendicitis.

**Queen Is Here.**  
Florence Cole, who with Frank Leakey will lead the 1925 Junior Prom arrived in the village last evening and immediately took up headquarters at the ABC house on College street.

**Dr. Pearce Is Back.**  
Dr. Pearce, Head of the school of chemistry returned this week from Washington, D. C. where he attended a national meeting of American Chemists. While at the convention Dr. Pearce presented a paper of the work of the chemists here in the Industrial paint and varnish field.

**Colonel Returns.**  
Cadet Lieut. Colonel Leo Osman returned Tuesday from Champaign, Ill., where he had been the delegate of the North Dakota Agricultural College chapter of Scabbard and Blade, honorary Military fraternity.

**Rho Entertan.**  
Members of Alpha Gamma Rho fraternity entertained at an informal party at their house Saturday evening. Gold and green, the fraternity colors, were used in the decorations. Profs. and Mmes. E. Thompson and T. S. Thorfinnson chaperoned the party.

**RO'S Elect.**  
Epsilon of Alpha Gamma Rho announces the formal initiation of Leon M. Johnson of Fosston, Minnesota, into active membership in their fraternity.

**Mrs. Millard Patroness.**  
Sigma Theta Sorority announces

that Mrs. W. W. Millard is a new patroness of the sorority.

**Delta Sigs Pledge.**  
Delta Kappa Sigma announces the formal pledging of Howard Swinney of New York; Oliver Radde of White Rock, South Dakota, and William Morrow of Erie, North Dakota.

**Scabbard and Blade Pledge.**  
Cadet Lieutenants Richard Vaughn Cripe, John Hannaher, Aubrey Hook, Verne McCaul, and Phillip Boise were formally pledged to Scabbard and Blade, national honorary military fraternity, at the bi-weekly meeting of the local chapter Wednesday evening.

**A New Arrival.**  
Claude Sweet, senior Chemistry student, is the proud father of a new baby girl. Just notice his chest expansion next time you see him on the campus.

**Out of School.**  
Victor Marsh, Junior student in the college of Agriculture, has been forced to leave his school work to go home on account of the death of his father. Marsh lives at Leal, North Dakota.

**Rho Visitors.**  
G. Kaldec, Fred Willson, Cliff Willson, Vard Sheppard were in to spend a few days with their brothers at the Rho house. D. Willson, and Sheppard were in to attend the local county agent's conference held here in connection with the live stock loan for North Western farmers. Kadlec and Bruin are school teachers with a few days leave.

### Commission Proposes Publications Board

(Continued from page 1)

a member of the student body or in case action is taken on his removal in accordance with Article IV.

**Article III.**  
**Election of Members.**  
The editor-in-chief and business manager of the "Bison" of the year before, shall serve as senior members on the board, leaving one senior member to be elected in his junior year. The two faculty members be appointed by the president of the college to serve one year or at his pleasure. The remaining members on the board shall be elected at the regular spring election, held under the auspices of the student commission.

Each candidate for office, on the publications board, must submit in writing a petition setting forth his experience or training in journalism. This petition must be signed by twenty-five members of the student body. The board shall have complete control of the "Bison" and the "Spectrum" and other necessary members of the staff, shall see that the accounts of the "Spectrum" and "Bison" are audited and, in addition, shall have all such Spectrum 3 3 3 other powers as they may see fit to exercise for the student publications. The editor in chief and business manager of the Spectrum and the editor and business manager of the "Bison" shall be elected by the board.

shall be elected by the board. The publications board shall consider, when appointing the members of the "Spectrum" and "Bison" staff, the recommendations made by the departing editor and business manager. The appointment of staff members shall be made during the fourth week of the spring term, and such members shall take office with the first day in June. No student shall be elected to the positions of editor or business manager of the "Spectrum" or "Bison" unless he is pursuing his 9th month and at least one year's experience in the publication to the staff of which he is appointed.

**Article IV.**  
The relative powers of the editor-in-chief, the managing editor and business manager of all publications shall be such as the board shall see fit to specify. The board shall have power to remove for cause any member of the editorial staff or managerial staff and to direct that the vacancies or vacancy be filled in the regular manner. The person or persons sought to be removed shall have the right of appeal to the student commission acting through the chairman of the judiciary. A two-thirds vote of the board, confirmed by the student commission, will be necessary to remove any member of the staff of any publication. After the board has received all audits of the "Spectrum" or "Bison", a copy of such audit shall be sent to the publications department.

In the election of the editors and business managers of the "Spectrum" and "Bison", five affirmative votes are necessary to elect such officer.

Amendments to this constitution, after first being passed by a three-fourth vote of the board, may be made

in the regular manner of making amendments to any article in the student government regulations. This constitution shall go into effect immediately upon its adoption by the student commission and student body, with the provision, however, that the present editor of the "Spectrum" and the present editor and business manager of the "Bison" will serve in their respective capacities during the term for which they are now serving.

**Article V.**  
The Commissioner of Publications, elected for the year 1924-25, shall hold a seat and vote on the board and
