

Bisons Athletes To Have Four Branches of Spring Sports

Fargo High Wins District Title For The Third Time Spring Football, Intra-Mural Baseball, Tennis and Track Make Program

Fargo High Wins District Title For The Third Time

For the third time in as many years the Fargo High Midgets ran away with the district championship played on the Armory court. The final contest was won by the Midgets by a 39 to 23 margin with Hope on the short end of the score. Fargo came to the finals by winning their opening game from Wahpeton and taking the semifinal from Tower City. Hope won her half of the semifinal in onesided game with Milnor who had won their way thru by beating Hankinson, a newcomer in district tournaments. In addition to Hankinson, Lisbon, Sheldon, Wahpeton were eliminated in the first round with the other four teams coming to semifinals.

PLAY IS POORER.

The play during the tournament was not so good as in previous years as there seemed a woeful lack of opposition for the Fargo team. The loser played well but were under a number of handicaps when playing the Midgets.

The crowds at the tournament were poor as result of Fargo's certainty to win. The same was true at the other districts over the state and the sentiment among the smaller schools seems to be for the splitting of the state into two classes with the larger cities, which have a natural advantage in one and the teams from smaller town in another. This would give more high school students a chance at the game and the interest (Continued on page 3.)

Ray Harding Wins Annual Student Judging Contest From Fifty Contestants

Ray Harding, of Midway, North Dakota won first place in a field of fifty contestants in the Annual Student Livestock Judging Contest held in the college Pavilion Saturday under the auspices of the Saddle and Siroloin Club. Gertrude Roberts, the only woman student in the School of Agriculture placed second. Harding took a total of 669 points out of a possible 750; Miss Roberts had a score of 654. Ten classes of livestock including two rings each of beef cattle, dairy cattle, hogs, horses, and sheep were judged in the contest. Oral reasons were given on five rings.

LIVESTOCK LEADERS HERE.

Judges of the contest were William Hammer of Cooperstown, on Horses; Sam Crabbe of Fargo, on Dairy Cattle; W. W. Brown of Amentia, Beef Cattle; George Baker of Fargo, Hogs; and D. J. Griswold of Fargo on Sheep. William Freeman won third place (Continued on Page 3)

Wed. Thur. and Friday Are Days of Exams

Final examinations in all regular college classes will be held under their instructors on Wednesday, Thursday and Friday of next week, March 19, 20, and 21, according to the schedule arranged in the registrar's office. Registration will take place on those days also and it is the urgent request of the registrar that early registration be the vogue next week.

Spring term classes will meet the following Monday as the nothing in the nature of the preceding week's catastrophes had occurred.

A full schedule of the collegiate spring term program and courses available are published on a special bulletin board in the Main and Library Buildings, as well as being on file in the various dean's offices.

Two-Bit Banquet All Fixed For Monday Nite To Surpass Last Year

Those men who attended the Two Bit Banquet last year will recall the fact that the "Y" auditorium was filled to its capacity for the first of these Banquets which the college association hopes to carry as a college tradition. This year, by rare good fortune, Hon. J. Stitt Wilson will be the principal speaker. Last year President Kane of the University was here. Little need be said regarding Mr. Wilson to those who have heard him, and to those as yet unfamiliar with his personality and punch as a speaker. Monday morning's convocation will give some idea of the good things in store for those attending the all-college banquet Monday evening, March 17.

The dinner will be served by the Red Triangle Auxiliary. The college orchestra under the direction of Dr. Putnam will play before and during the banquet. Dr. John Lee Coulter will preside at the table.

Every college man is cordially asked to come over for the banquet arranged for him with his wishes in mind. No pains have been spared in its arrangement, state the committee in charge, and it is the opinion of all who were in attendance last year that Monday evenings entertainment will stay in your mind afterwards as one of the pleasantest and most enjoyable get-togethers of your college year. Plan to be there and you'll be well taken care of.

First Call For Dairy Judging Team Is Out

The schedule for the dairy cattle judging team this year will be short but peppy. The first contest will be held at the Dairy Cattle Congress at Waterloo, Iowa, on September 22nd. The National Dairy Show will be held at Milwaukee September 27 to October 4th, so that the National contest will probably be held either September 26 or 29.

Candidates for the team should register for Dairy 7. The lecture work on the feeding and care of dairy cattle comes at 11 o'clock Monday and Wednesday. The judging work comes at 1:15 Wednesday. All candidates for the team must take the afternoon judging work. In case of conflict it is not necessary to take the lectures. There will be no extra work during the spring term aside from the scheduled class periods. The team will be selected at the end of the spring term and will report for special training about September 15th. As the National is held a week early this year, the members of the dairy team will miss less than a week of classes.

25 Graduate In Annual Industrial Commencement This Week

"Climb Tho The Hills Be Rugged" is the motto of twenty-five young men and women taking part in the twentieth annual industrial Course Commencement exercises to take place in the Little Country Theatre March 16, and 17, as final preparation of their entering life's school and battling with the worlds problems. With the exception of one South Dakota man, all of the graduates come from towns and communities in North Dakota. In lieu of this fact the college and its people are looking forward with interest to what these young people will do in the immediate future and years to come.

Ernest Bolton, of Grafton, is president of the graduating class. Oscar Swanson, of Hoople, is vice-president; and Elmer Jacobson of Dickey is class secretary and treasurer. Purple and Gold, symbolic of the dawn of better things, are the class colors under which they graduate, and their class (Continued on page 2.)

DISPENSE WITH CORSAGES.

The executive committee wish to make known at this time that corsages will be dispensed with this year, in keeping with the custom in other colleges this year.

Fourth Is March.

The fourth number on the dance program will be the grand march number. Miss Elizabeth and Lieutenant J. Ogden Brauer will lead the (Continued on page 3.)

FISS HEADS SIGMA TAU.

Carence Fiske was elected president of Alpha Sigma Tau fraternity Monday night, to keep office until the regular election of officers in May. Aubrey Hook is Vice-President, Tom Canniff, secretary, and Stewart Schliff is treasurer.

Stage Is Set For Annual Gold-Star Military Ball Saturday; U Men Guests

A number of pretty interpretive dances by Miss Marie Early and her pupils is to be one of the features of the elaborate formal dancing program planned by the committee in keeping with the Annual Gold Star Military Ball being given by the officers of the Cadet Battalion in the college armory Saturday evening. One hundred and fifteen couples will be in attendance at the ball.

All plans have now been completed and the decorations will centre about the "Gold Star Idea", a novel dome effect resplendent in unique lighting and color technique planned and originated by the director of the annual event. A seven piece orchestra featuring two pianos and two banjos will play the dance program beginning at nine o'clock after a half hour informal dancing. Military equipment will be much in evidence as will a display of the national colors. Torches, rockers and flashes will be used to illuminate the campus and the entrance to the armory during the half hour of the arrival of the guests.

THE BALLOT.

The ballot is as follows:
For President of Commission:—
1. Phil Boise.
2. Carleton Rydstrom.
For Commissioner of Publications:—
1. Ed. Yocum.
(Continued on page 2.)

Three New Fraternities Blossom Out On Campus Within The Last Week

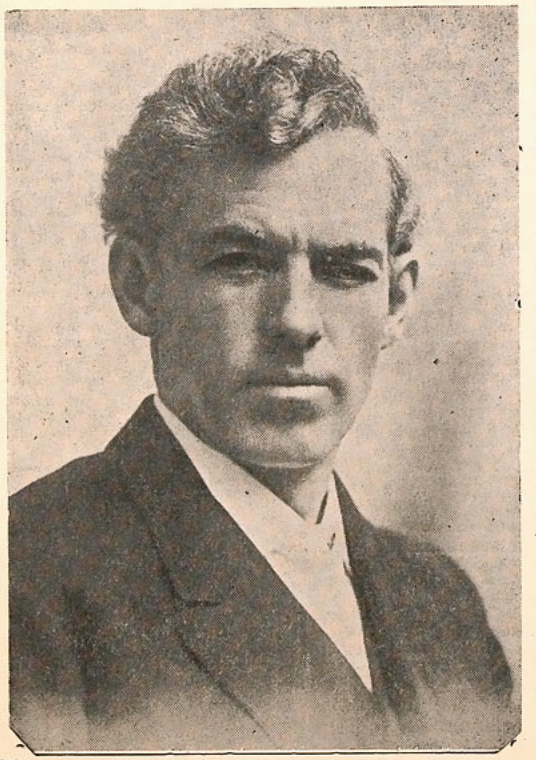

Three new fraternities, one social, and the other two professional chemistry and pharmacy fraternities respectively were organized on the campus and approved by the faculty body last week. Alpha Sigma Tau, the social organization has a charter membership of eleven. Alpha Phi Omega is the name of the chemistry fraternity and has a roll of ten members. The pharmacy group is known as Mu Pi and includes twelve pharmacy students.

Charter members of Alpha Sigma Tau include: Stewart Schliff, Fargo; Thomas Canniff, Fargo; Milo Brandmeyer, Fargo; Jack Knapp, Fargo; Clarence Fisk, Hunter; Aubrey Hook, Dilworth; Hugo Thompson, Fargo; Lawrence Burnett, Fargo; Archie Gerard, Fargo; Ray Fisher, Fargo; and Llewellyn Howell, Fargo.

Membership of Alpha Phi Omega includes: Archie Loudon, Fargo; George Holta, Bismarck; James Adams, Wisconsin; Henry Nelson, Edgeley; Frank Sandie, Moorhead; Walter Egge, Moorhead; Ralph Eddy, Fargo; Carlton Rydstrom, Fargo; Robert Janieson, Wahpeton; and Kenneth Keating, Fargo.

Mu Pi members are: Lavern Reager, Lester Oliver, Stephen Sleight, Edsel Lindelow, Ansel Suckerman, Ted Wall, Arthur Johnson, Phillip Messner, Leo Moylan, Norman Welch, W. A. Ringness and Henry Rice.

NOTED TRAVELING LECTURER AND STUDENT TO BE WITH US FOR MONDAY CONVOCATION

J. STITT WILSON.

Seldom do we have the privilege of hearing and meeting a man like J. Stitt Wilson, our convocation speaker for Monday morning, March 17 at ten o'clock A. M. Mr. Wilson, former Mayor of Berkeley, California, is now making a tour of the colleges of the middle west, under the auspices of the Student Department of the International Committee of the Y. M. C. A. and will lecture at A. C. on the general theme, "World Problems and the College Student". The same evening he (Continued on page 3.)

Barred Escapes and Locked Doors Force Ceres Girl To Stay In And Fight Fire

Excitement ran high at Ceres Hall Wednesday night about midnight when some of the late burners of the oil discovered the halls blue with smoke and a smell of burning wood somewhere. The House President and a few of her trained sleuths began an investigation and after several frantic trailings thru the labyrinths of attic and basement found a rubbish box in the Home Economics Cooking Locker room blazing merrily.

The fire department had been called by one of the girls. Others who came first on the scene unrolled a few hundred yards of fire hose and extinguished the blaze.

Escapes and Doors Locked.

The fire department on arriving in full force found the doors securely locked against all invaders and a group of girls in the lobby. The temperature outside was rather low but rose somewhat at this juncture. Before finally gaining admittance the chief's first query was, "Well, if there's a fire why aren't you girls outside?" The group answered in chorus "We can't get out!"

No Alarm Given.

Several hours later when the excitement had subsided enough for those in attendance to retire, sleepy individuals emerged from various rooms wondering why all the racket,—for no alarm had been given.

No Escape Possible.

Windows, doors, and fire escapes at Ceres have all been carefully screened and barricaded this year for fear of some truant getting in or out unofficially—due little consideration was taken of the fact that at some time these fire escapes might be their only possible exit. The Ceres girl's motto at present is, "Clear Fire Escapes or We Clear Them."

Little Damage Done.

The damage though not great would have been very serious had it not been for the wit and clear mindedness of some of the girls. (Continued on page 3.)

All Noise Must Cease Says Commission Prexy In Lieu of Complaints

Considerable complaint has arisen of late in regard to the unnecessary horseplay and noise which has been going on in the halls of Science Hall during class periods by Professors and students in class sessions. Playful frosh and dizzy sophomores and cake eaters amuse themselves, while others work, by galloping up and down the halls chasing the little cads with mice, blow guns, water, and so on or, in a saner mood, rent the air with their horse laffs and cat calls in an effort to make themselves the life of the institutions or something. Such playful antics have drawn the attention of the faculty and older students and in their belief these high school stunts must cease.

"When classes are in session, here (Continued on page 3.)

ELIZABETH DOYLE.

Election Polls Open At Eight O'clock Tomorrow To Decide Commission

In spite of rumors to the contrary the Bisons will continue their plan of athletics for all in the spring. Spring football will feature the program as athletic. Director Borleske is going to do everything that is possible to have a team that will beat the University and place high in the conference next year.

BASEBALL DOUBTFUL.

Baseball will not hold the place that it has in past years as there is but little collegiate competition in the Northwest. In the place of the varsity the Intra-Mural league, formed in 1923 by Phil Boise, commissioner of athletics, will be continued and if a enough good games can be secured, a varsity team will make an excursion. Last season the Pharmacy Club team took the title and with the advent of a number of new organizations to the campus the race for honors will be even closer and it is likely that the 1923 cup winners will have to play (Continued on page 3.)

Orville M. Fuller Named Graduate Club President

Orville M. Fuller, and Hilmen E. Kjoslie were elected President and Secretary, respectively, of the North Dakota Agricultural College Graduate Club Tuesday afternoon. This club was organized and is composed entirely of students working for their Master of Science Degree from the N. D. A. C. this and the following year. The membership of this year's club is as follows: O. M. Fuller, Kenneth W. Green, H. E. Kjoslie, T. X. Callman, and Ronald C. Bentley, (graduating in June 1924), and Fred Wilkinson, Sidney W. Hooper, Clarence Fiske, Oscar O. Wilcox, Ed. A. Willson, Frank Greenside, Benjamin McCaul, T. W. Thordarson, Prof. Kimball, and Elijah Lipetz, all of whom complete their work the spring term of 1925.

The purpose of the organization is to better its members and thru them advertise the college in the best possible way, namely thru constructive effort along lines of service and progress.

What Do Your Books Cost Is Registrar's Query

What do you average in paying for books used in your college classes per term? How much have you spent or books since entrance here, and what would you have spent had you purchased all the books ordinarily asked by the instructor in giving you your list or required references each term? These are a few questions we would like to have you answer and drop in the Spectrum Drop Box in the Main Building at your convenience.

This information is to be of value to the registrar in revising or leaving the present tabulated costs per term incumbent with a students stay in college in the annual catalog being prepared. Your cooperation is solicited; will you cut out the following blank, fill out and turn in to us. Please?

FLATEN'S 318 Broadway

Noted Traveling Lecturer and Student to Be Here

(Continued from page 1.)
will speak at the Second annual Two Bit Banquet in the "Y" auditorium.

IS FAMOUS LECTURER.
Mr. Wilson is a student of social and industrial problems in America. His interest began when as a student in Northwestern University, he was thrown in contact with social and industrial problems presented by the slums of Chicago. He worked for many years with the Labor Movement of Great Britain and could probably have had a seat in parliament had he chosen.

J. Stitt Wilson is a practical idealist and has always stood for the conviction that the solution of the social problem will be found only through the application of the principles and spirit of Christ to these problems. His message to the students relates to present personal responsibility. His message gives no place to destructive criticism.

During this past two years, he has spoken in the largest universities and colleges of the Pacific coast, Middle West, Southern states, and East. A large part of the student body of 6,000 of Ohio State heard all his message. At New Hampshire State College the president of the college called an official convocation for the first meeting, and he personally presided at the succeeding voluntary meetings which were attended by nearly four-fifths of the student body. Mr. Wilson has influenced faculty and students more profoundly than any man who has visited the colleges in recent years. His years of thorough study of the social question combined with extraordinary power as a speaker, make him not only a most interesting and helpful man but a real prophet of the hour.

Fargo High Wins District Title For the Third Time

(Continued from page 1.)
would be a great deal keener and as a result the crowds that attended tournaments before Fargo and other larger schools were consistent winners would return.

VALLEY CITY GETS MEET.
By winning the district title the Midgets will again compete in the state tournament which for the first time in three years will be played of the Armory floor. This season the

meet is to be held in Valley City on March 21 and 22.
The other seven district winners that will compete are Grand Forks, Berthold, Devils Lake, Dickinson, Mandan Valley City and Kenmare.

Ray Harding Wins Annual Judging Contest

(Continued from page 1.)
in judging all classes with a score of 646. Following Freeman in order of rank were Harry Critchfield, R. V. Cripe, Peter Olsson, Leroy Lillie, Clyde Challey, Martin Sebby, and Peter Jorgenson.

Schroeder Has Perfect Score.
Fred Schroeder placed first in judging the classes of beef cattle with a perfect score of 150. Three men who were tied for first place in dairy cattle with a score of 146 were Martin Sebby, Arthur Lahlum, and George Landsverk. Miss Roberts won first place on horses with a score of 140, R. Douglas and Harry Critchfield were tied for first place for judging hogs with a score of 150. Victor Marsh won first honor in sheep with a score of 122.

Would You Eliminate Class Dues Troubles?

(Continued from page 1.)
presented to the student body by the present commission.

It is the belief of the present commission that an assessment, of, say twenty-five cents per term, for all students would eliminate the financial difficulties of the various classes thru nonpayment of honorarium dues and the trouble of collecting the same. It would, in no case, amount to more than the customary dues and would ordinarily mean lower dues in the long run.

Bisons Athletes To Have Four Branches of Sports

(Continued from page 1.)
even better ball than before to again win the cup.
TRACKSTERS TO SIOUX CITY.
Track, as in the past, will form a part of the spring program and if any likely winners for the conference outdoor meet that is to be held at Sioux City on May 23 and 24 are found among the candidates they will make the trip to the meet. Only such men as look like point winners will be sent, though, according to coach Borkeske.

TENNIS PROSPECTS GOOD.
Three letter men and all of the first five ranking players of last season make the Bison racket prospect even better than last year when the University team was defeated in two matches. Last season a conference tennis meet was talked of and if the plan is carried out this year the Bisons will be on the courts after titular honors.
As a result of spring football the Bisons will know just what material they have to work with and as the Frosh ruling takes effect next fall, the men that will make up the team next season are in school and a team can already start to work for the conference games next fall.

All Noise Must Cease Says Commission Prexy

(Continued from page 1.)
after, all noise must cease in the hallways of the buildings on the campus", is the order of the President of the Student Commission, Mr. Harry A. Swanson. If any more complaints are brought to the attention of the commission, means will be taken to remove the playful ones to the great open spaces to grow up.

Stage Is Set For Annual Gold-Star Military Ball Saturday; U Men Guests

(Continued from page 1.)
march followed by Cadet Colonel Leo Osman. Supper will be served the guests in the gun room adjoining the armory proper, and that room has been cleverly fixed up for the occasion. The guests will be divided up into two groups, according to numbered dance program, and each group will be served separately, two dance numbers being allotted as an approximate interval for this.

U Officers Guests.
President and Mrs. John Lee Coulter, Major and Mrs. W. F. Harrell, Captain and Mrs. W. W. Millard and Captain and Mrs. Tom Smith have been chosen as honor patrons and patronesses for the affair. The guests of honor include, Gov. R. A. Nestos, Adjutant General and Mrs. Angus Fraser and Colonel Doan, commandant of the R. O. T. C. unit at the University of North Dakota. The cadet colonel of the unit of the University of North Dakota and three officers will be guests of the college unit at the ball.

GLASSES that merely seem helpful to your sight are not necessarily the lenses that will correct your vision any more than a pleasant-to-taste drug is certain to correct some other physical ailment. Allow our optometrist to look back through your pupil—back through the corner of your eyes at the crystalline lens. If there are no opacities he will discover by other tests the manner in which your weakened eye muscles have interfered with your sight.

Y. M. C. A. Election Open Tomorrow To Everyone Who Vote

Any college student holding a "Class A" membership card is entitled to vote in the election of board members and officers of the College Y. M. C. A. for the coming year. Election will be held Friday, March 14, in the Main Building.

The Class A Membership card merely signifies your sympathy with the objective of the association and your willingness to help in seeking its full realization at N. D. A. C. There is no financial obligation whatsoever connected with the Class A membership. If you are not now a member sign a card at Y building or procure one at the polls. The association will appreciate every man showing his interest by qualifying for voting and casting his ballot.

THE BALLOT.

The ballot to be voted on tomorrow is as follows:
Advisory Board Member—Three year Term—Vote for ONE. (I. W. Smith's term expiring).

California Comes To A.C. For Best in Garden Lines

California, the "sunkist" state, uses North Dakota selections, strains and varieties of vegetables in her fields and gardens, according to A. F. Yeager, horticulturist at the North Dakota Agricultural college.
"At least a dozen letters from California fruit and vegetable producers have come into my office recently," says Mr. Yeager. "There seems to be considerable demand for the North Dakota strain of the Earliana tomato. This strain was selected at the college a few years ago and is now proving very popular as an early maturing and high yielding tomato."
The following two letters are submitted by Mr. Yeager as being typical of many others received during the past month from California producers.
Norwalk, Los Angeles Co., Calif.
February 20, 1924.

Dears Sirs:
I saw an item of a new Earliana Tomato originated at your station, I would greatly appreciate a few seeds.

I am interested in finding the best in tomatoes.
If you have any other vegetable seeds you would be interested in having tried out here, I am situated to try them.
I enclose postage.
Respectfully,
(Signed) J. S. Philippi.
San Carlos, Cal., Feb. 20, 1924.
Dear Sir:
I have recently been informed that a successful grower of early tomatoes in this region is using North Dakota Earliana. I seem to have an impression that this variety was developed by the Station, and as I always like to go to the source, I am writing you for information and a trial ground sample if available.
Very truly yours,
(Signed) W. H. Nixon,
C. C. Morse & Co.,
Superintendent of Trial Grounds.
