# TWENTY-NINTH ANNUAL COLLEGE COMMENCEMENT IS LARGEST IN A. C. HISTORY

110 Diplomas have been engraved for collegiate graduates; 81 will be given diplomas from A. M. A. High School; High School Commencement begins Wednesday evening; College Commencement Week opens Friday evening, June 8, with the presentation of Senior Class Play, "The Gypsy Trail," in L. C. T. at 8:15; Henry J. Waters, Editor of the Kansas City Weekly Star will give graduating address; Dean Squires of the University, to deliver Baccalaureate Sunday; Dean Kennedy, University, to give A. M. A. High School Commencement Address; Schools with their respective number of graduates are as follows: Agriculture, 15; Science and Literature, 10; Candidates for Master of Science Degrees, 11; Mechanic Arts, 10; Pharmacy, 15; Chemistry, 4; Education, 42; Home Economics, 8.

## MIDDLE WEST WELL REPRESENTED IN A. M. A. H. S. GRADUATING CLASS

Students From Canada to Indiana Have Taken Advantage of the Prep School at A. C. in Finishing Their Preparatory Work; Commencement Program Opens Wednesday Evening; 81 to Receive Diplomas This Year as Compared with 75 Last Year.

The largest class in the history of the A. and M. A. high school will be graduated by the North Dakota Agricultural College at the Twelfth Annual Agricultural and Manual Arts high school commencement, June 6th and 7th, according to Superintendent P. J. Iverson. Diplomas have been engraved for eighty one students as compared with 75 last year and 48 the year before. The majority of these graduates have come from schools, throughout North Dakota, where the full four years of high school work has

## Womens League Formed To Set Campus Standards

Various Groups About Campus To Be Represented on a Senate of the League; all College Women Belong

To meet the need of women students of the college for an organization thru which they can work out their problems and set the best ideals as standards of campus tradition, the Woman's League and Senior honorary society was organized last week, the former at a special girls convocation last Monday morning.

A senate composed of twelve members to meet monthly or oftener with the dean, together with the entire student body of women comprises the

## State Board Authorizes Budget For Coming Year

A Little Money Available for Remodeling Little Country Theatre and Other Buildings

There will be about \$824,540 available for use by the college for the fiscal year July 1, 1923—June 30, 1924, according to an announcement of President Coulter last week. Of this sum, the college proper receives but \$455,740 the experiment station receiving \$204,800, and the Extension Division \$164,000.

For the work of the college proper the sum estimated will go to general maintenance and for \$43,500 worth of improvements, repairs, new equipment and completion of new buildings. The latter sum being for the remodeling of the Little Country Theatre, and overhauling some of the older buildings. It is estimated that with an enrollment of 1600 next year, each student at A. C. will cost the college \$250, and the state proper \$125. Considerable federal financial aid is given us together with what the state provides.

## Stockjudging Team To Be Given Medals Soon

The Saddle and Siroin Club has ordered gold medals for each member of the National Stockjudging Teams of the College this year, the same to be given out at the close of this school year. This marks the first time any material recognition of the work of our teams has been given students giving their time and money, to this particular activity and the club hopes that some day the college itself will take over the awarding of the men who bring back the silverware each fall for A. C. in the national shows over the country.

## SENIORS ARE EXCUSSED

Beginning June first, all seniors pursuing regular senior subjects will be excused from further class work according to announcement from the registrars office. Work in Junior subjects however must be continued until examination time it is announced. This ruling is given to enable the senior class to get ready for a strenuous commencement week, the outline of which appears elsewhere in this issue.

## Field Gets Scholarship From Minnesota University

A. M. A. Instructor Will Take up His Work in History and Government At That Place This Fall

Oliver P. Field, instructor in American government and history at the A. M. A. high school of the North Dakota Agricultural College, has received the appointment to the Shevlin scholarship in the graduate school of the University of Minnesota for the year 1923-1924. He will do work in history and government.

The award of the scholarship carries a personal interest to Mr. Field.

## Seven Men Awarded N. D. Sweaters at Convocation

Rooter King and Assistants Given Recognition; Captain Flem Wins Cuipepper Basketball Trophy

Sweaters for the members of this year's champion basketball team were awarded at Convocation Friday Morning in connection with the program arranged for Gay Cat day. Sweaters for the Rooter King and his two assistants were also given out. Gold basketballs were presented the individual members of this year's team and its coach in recognition of their having brought a championship home to A. C. At this time also, the presentation of the Cuipepper Cup, for the most valuable all around man on the team this year, was awarded Captain Flem a four year letterman and star in conference basketball circles.

Those receiving their awards are as follows: Vernon Trowbridge, Jimmie Duncan, Cy Arnold, Percy Flem, Red Blakely, Buck Robbins, Ted Greenfield and Coach Dewey. Rooter King Greenfield, and assistants Dunn and Irick, were given sweaters with an appropriate design worked out on them designating their activity.

## TWENTY-NINTH ANNUAL COLLEGE COMMENCEMENT NORTH DAKOTA AGRICULTURAL COLLEGE FARGO, NORTH DAKOTA

### OFFICIAL PROGRAM

FRIDAY, JUNE EIGHTH  
8:15 P. M.—Presentation Senior Class Play—"The Gypsy Trail" by Robert Housum.

Alumni, Graduates, Faculty, Deans, Directors, Board of Administration, President and Speaker of Day will leave Main Building at ten o'clock and arrive at college armory at ten-twenty o'clock. Processional March—College Concert Orchestra.

(Continued on page Two)

## WASHINGTON HERE MONDAY FOR CLASH WITH BISONS; LAST GAME

Washington U has a real outfit and will give fans a game to make them sit up and take notice; A. C. is one of 12 schools met by westerners on continental tour; game begins at three o'clock—a large student representation needed to back the Bisons against the outfit that have grabbed off the Pacific Coast Championship for past two years.

## Macalester Lost Meet To Bison Tracksters Saturday

Jimmy Duncan High Man; Martin and Anders grabbed off two First apiece; Strong Wind

Piling up a lead in the early events and keeping ahead of their visitors all along, the Bisons won their first dual track and field meet of the year from Macalester Saturday afternoon on Dacotah Field, the two squads winning 70 2-3 and 60 1-3 points respectively.

Duncan High Scorer  
Jimmy Duncan of the A. C. was the best individual scorer of the meet winning first in the discus and javelin and was in a triple tie for third in the high jump. Noble Martin, with first in the high jump and pole vault, tied

Varsity baseball will come to a close on Monday June 4 when the Bisons will meet the crack nine from Washington university on Dakota field. The Westerners have a remarkable record and will afford a real exhibition for the fans. N. D. A. C. is one of the 12 (Continued on Page Four)

## Bison Tennis Sharks To Meet "U" Men Tuesday

New Courts Rapidly Being Put Into Shape; Wright and Narum Are Leading in Peg Tournament to Date

Tennis has been forging into prominence so rapidly that it has been necessary for the athletic department to start building new courts and work has been accomplished so far that two of the courts will be ready for use by the time that summer school session starts. Varsity tennis has caused a great deal of competition and the Bison team will compete against the N. D. university squad on May 27 and June 5. Possibilities for entry in the conference meet at Sioux City on June 2 and 3 are overshadowed by the lack of funds. Arrangements may be made so that they can compete.

As the results of the peg tournament which has been conducted in the past month the following five men lead the list of forty entries. The varsity team will be picked from these men: Wright 1, Narum—2, Foster—3, Bolmier—4 and Greenfield—5. With only two courts on which to play, there has been difficulty in getting the opportunity to stage all of the matches. Many have been forced to use the courts in Island park. Four new courts are being constructed on the north side of Ceres hall.

## Senior R.O.T.C. Men Receive Commissions Friday Morning

Last Military Ceremony of the School Year to Take Place at 8 Friday Morning; Attendance Means Credit

A final parade and review for the cadet battalion terminating the years work along R. O. T. C. lines together with the presentation of the commissions in the Reserve Corps to seniors in the advanced course given in the R. O. T. C. here takes place at 8 Friday morning. Those receiving recognition as having done faithful service while with the battalion and worthy of commissions are: J. O. Brauer, Adolph Kleis, Jonas Sturlaugson, Harper Brush, Stanley Wilner, Ralph O. Nafziger and Alden R. Melander.

Some forty men students are now undergoing the necessary typhoid inoculations and incidentals in preparations of going to the R. O. T. C. summer camp.

## Moorheads S.T.C. Coeds To Clash With Bisonettes

First Intercollegiate Girls' Baseball Game Ever Played at A. C.—Minnesota's Fast

Moorhead State Teachers College Coeds will meet the varsity team chosen from among the A. C. girls this Thursday afternoon, May 31 in the first contest of its kind ever held here. All indications are that the game will be close and of intense interest thru-out.

The girls baseball tourney is over with now, Miss Andrews announces, and the honors are being split between the Sophomore and Prep teams who tied for first place. Both teams played well all spring, the sophs having a little edge if anything over their young friends.

The varsity team chosen Tuesday to represent A. C.'s coeds is comprised as follows: Suzane Martin, Glade Lattimer, Agnes Peterson, Frances Root, Kate Schmallen, Ann Wahl, Laura Gerard, Edith Peterson, Grace Bayliss, Ruth Talcott, Gladys Flem, Dorothy Lowden and Viola Larson.

## 'A Man A Minute' Attendance Record of "Y" Last Year

Y President and Secretary's Reports Shows a Doubling of Associations Activities Over Last Year

The College Y. M. C. A. has just completed the busiest year of its history. More men used the Association services this past school year than in any two previous years.

A count was taken on a typical day during the winter term; it was found that an average of one man a minute entered the Building for an average day of thirteen hours. The total attendance during the day was over eight hundred.

The report of John Jensen, game room Secretary shows that between (Continued on page 4)

**Woman's League Formed To Set Campus Standards**  
 (Continued From Page One)

Woman's League as it is now organized.  
 Representation in the senate will be by election from the following groups on a basis of one for every 50 or less: those living in the dormitory; those living at home; and those rooming and boarding at private homes. As many more members at large as are required to make 12 will be named.  
 The honor society of six members from the senior class of next year, elected Tuesday by their classmates will act as a dean's council.  
 Both the council and senate will work to initiate movements which may be of benefit to the women or to the college as a whole. They will be at all times in close co-operation with the dean and will work out their problems with her. In this way ideas for

the betterment of campus conditions may originate either with her or with the students.  
 The women need to assume more responsibility both for their own good and for that of the college. Mrs. Cole thinks. Every girl will be encouraged to express herself in activities and the women's organizations should help to develop qualities of leadership and character.  
 Heretofore there has been no organization which was especially designed to consider the welfare of the whole group of women students. The honor society and Woman's League will be constantly considering large and small developments of interest to them all.

**Field Gets Scholarship From Minnesota University**  
 (Continued From Page One)

who worked during several summer vacations in the Shevlin lumbermill's, then located at Frazee, Minn. The scholarship was given by Thomas Shevlin, former Minnesota lumber magnate. "I feel almost as though I had earned the scholarship," said Mr. Field, "but little did I think during those hot summers at the Shevlin lumber yard that I was helping provide a fund in an indirect way of which I was to be a beneficiary in the future."  
 In accepting the scholarship, which carries with it \$500 and exemption from tuition fees, Mr. Fields declined a position at Carnegie Institute of Technology at Pittsburg, Pa.  
 Mr. Field came to the agricultural college last fall from the University of Minnesota, where he has spent two years in graduate study in history and government. He was a student at Concordia college in 1917-1918. His interests lie particularly in constitutional law and history, in which field he has been a contributor to legal periodicals. One of the recent numbers of the American Law Review contained an article by Mr. Field on "Presentation of Bills to the Governor."  
**BOB GARDNER HEADS THETA CHI**  
 Robert Gardner of Fargo, was elected to take the place of Dave Buchanan as President of Theta Chi fraternity for the coming year. The other officers are: Roy Murphy, vice president; Leo Osman, secretary; and Leonard Johnson, treasurer.

Portrait of SIR ISAAC NEWTON

**James II is Dead—NEWTON Lives**

It has always been known that free bodies fall. The earth has a strange attraction. How far does it extend? No one knew before Newton, sitting in his garden, one day in 1665, began to speculate. "Why should not the attraction of gravitation reach as far as the moon?" he asked himself. "And if so, perhaps she is retained in her orbit thereby." He began the calculation, but overwhelmed by the stupendous result that he foresaw, he had to beg a friend to complete it.  
 In Newton's Principia were laid down his famous laws of motion—the basis of all modern engineering. The universe was proved to be a huge mechanism, the parts of which are held together in accordance with the great law of gravitation.  
 James II was reigning when the Principia appeared in 1687. He is remembered for the Bloody Assizes of Jeffreys, for his complete disregard of constitutional liberties, for his secret compacts with Louis XIV and the huge bribes that he took from that monarch, and for the revolution that cost him his crown; Newton is remembered because he created a new world of thought, because he enabled scientists and engineers who came after him to grapple more effectively with the forces of nature.  
 When, for instance, the Research Laboratories of the General Electric Company determine the stresses set up in a steam turbine by the enormous centrifugal forces generated as the rotor spins, they practically apply Newton's laws in reaching conclusions that are of the utmost value to the designing engineer.

# Overwhelming Scores Mark This Week's Campus League Activities

Alpha Kappa Phi took on Delta Sigs for a 20-2 rout in their favor; Theta Chi doubled the score on the Frosh in a 10-5 game; Alpha Gamma Rho bit the dust at the hands of the Prep Aggregation in a 15-1 slug fest; and the N. D. P. C. lost first game of the year to the Faculty in a no decision game Gay Cat Day ending 8-5. This week will close the net on the contenders for the N. D. Club Loving Cup for winner of series—The competition bids fair to wax furious among last week's winners—rain preventing their playing much this week so far.

## Deach Says--

Every student should make it a point to turn out for the Washington "U" and Bison baseball tangle on June 4. Without doubt, they have one of the strongest college clubs in the U. S. and N. D. A. C. is fortunate to have an opportunity to compete against such a team and to see them in action. It being the last big athletic contest of the year, why not make it a real one? If the band will turn out and "Ted" and his assistants will be there to lead us in one last big pep turnout, we should be able to give the Westerners a regular welcome and send them away with the right impression of our college.

The athletic battles for the year will soon be over. N. D. A. C. can well be proud of the records made by its teams this year. Chalking up a good record in football, state championship in basketball, strong showings in baseball and track, organizing a lively campus League in baseball, creating an interest in tennis to the point where it became necessary to start work on four new courts, recognizing tennis and rifle shooting as minor sports, the athletic department has been handled in a most satisfactory manner. In appreciation for the work which Athletic Director Borleske and his assistants have done for the school, those students who have been interested in athletics should consider it their duty to influence any young high school athletes to attend the institution. The work this year has been a stepping stone to that of next year. Advantages to the athlete at N. D. A. C. are not in question and we can boast a coaching staff that is second to none in our territory of competition. This year the Bisons have taken on all comers with the typical A. C. spirit, they have played the game square, and they have never quit. Activities will open again about September 15 when Borleske will take his football candidates to the training camp at the lakes. All football men should plan, right now, to be able to get here by that time and get in on the early training.

## Macalester Loses Meet to Bison Tracksters Saturday

(Continued from Page One)

with Milt Anders, who took first in the 100 and 220 yard dashes. Smiley and Wilcox did the best scoring for Macalester, both getting eight points.

The summary:

100 yard dash—Anders, A. C. first; Griffith A. C. second; Moran, Macalester, third. Time 11 seconds.

1 mile run—Thorfinnson, A. C. first; Dixon, Macalester, second; Sabin, Macalester, third. Time 4 minutes, 50 seconds.

Shot Put—Flow, A. C. first; Berrigan A. C. second; Jieborth, Macalester third. Distance 33 feet, 8 1/2 inches.

220 yard run—Anders A. C. first; Moran, Macalester second; Griffith, A. C. third. Time 23 4/5 seconds.

120 high hurdles—Clark, Macalester first; Bridgeford, A. C. second; Eddy A. C. third. Time 18 seconds.

Discus throw—Duncan, A. C. first; Beresford, Macalester, second; Bridgeford, A. C. third. Distance 114 feet, 2 1/2 inches.

Pole Vault—Martin, A. C. first; Bridgeford, A. C. second; Barr, Mac-

alester, third. Height 11 feet, 3 1/2 inches.

440 yard dash—Smiley, Macalester, first; Moran, Macalester, second; Bechtel, A. C. third. Time 55 4/5 seconds.

Two mile run—Sabin, Macalester, first; Dixon, Macalester, second; Thorfinnson, A. C. third. Time 11 minutes, 5 seconds.

High jump—Martin, A. C. first; Barr, Macalester, second; Duncan and Eddy, A. C., and McLean Macalester tied for third. Height, 5 feet, 6 inches.

220 low hurdles—Gaass, A. C. first; Wilcox, Macalester, second; Clark, Macalester, third. Time 28 seconds.

Half mile run—Tennis, Macalester, first; Smiley, Macalester, second; Mortenson, A. C. third. Time, 2 minutes, 8 seconds.

Broad Jump—Wilcox, Macalester, first; Gass, A. C., second; Taylor, Macalester, third. Distance 20 feet, 6 1/2 inches.

Javelin throw—Duncan, A. C. first; Buchanan, A. C. second; Flow, A. C. third. Distance 153 feet, 5 inches.

## Senior R. O. T. C. Men Receive Commissions Friday Morning

(Continued From Page One)

mer camp which opens at Fort Snelling June 14, and closes July 26. A. C. is to be well represented along all lines of activity and according to Major Harrell who is in charge of the camp this year, the Bisons tread is to be heard and listened to this summer. A crack ball team, a good bunch of track men, a pugilist or two, musicians, singers, comedians, and other entertainers are to be a few of the things A. C. men will have in themselves this year.

Committees are now at work to have things organized before hitting camp and according to latest reports the same are making rapid progress. It is planned to have all the fellows leave Fargo together if possible and baggage and equipment is all being taken care of. All clothing, with the exception of b. v. d.'s will be furnished those at camp; five cents a mile both ways will be allowed for traveling expenses and in addition an allowance of a dollar a day is being given.

Each college puts on a "College Night" while in camp. These are programs of various natures and last two hours.

The committees cordially invite any and all students and faculty members to visit the camp and attend all the forms of recreation in the afternoons and evenings this summer.

## "A Man a Minute," Attendance Record of "Y" Past Year.

(Continued From Page One)

forty and fifty thousand games of bowling have been played.

The number of men calling at the Game Room Office for services of various sorts was found to be an average for one man each two minutes during open hours.

Approximately five thousand dollars worth of work was furnished the students through the Association's Employment Bureau. Thirteen hundred hand books were distributed free to students, faculty, alumni and prospective students.

In the winter term fifty six organized groups used the Building regularly each week.

The religious work of the association was represented in Bible discussion and religious meetings. The dis-

ussions were on vital topics in American life, and were taken part in by students of the college, closing with a debate. The religious meetings brought in prominent local and outside speakers.

Boys' work classes conducted by students had a total attendance of over six hundred boys.

Deputation teams visited hospitals, young peoples' societies, churches and small communities.

## W. A. A. Installs Officers at Annual Banquet Tuesday

Officers for the coming year were installed at the annual banquet of the Woman's Athletic Association held in the Commercial Club rooms, Tuesday evening, May 29. Suzanne Martin, retiring president, presided as toastmaster, with responses from Miss Ruth Andrews, Naomi Scule, and Grace Fuller.

Sweaters were awarded to Glade Lattimer and Viola Larson at this time, and Evelyn McCarthy was formally initiated into active membership.

## Washington Here Monday For Clash with Bisons

(Continued From Page One)

schools to be played by the Washington club in their tour through the continent.

The game is scheduled to start at three o'clock on Monday afternoon and plans are being arranged to have a large student representation present to give their organized support to the team. With ten of their men, having played for three years on their team which has had the pacific coast championship for the last two years and which won 28 out of 32 games in a tour of the orient the Washington club will present, without a doubt the snappiest and smartest college ball club that has ever been seen in action on the Bison diamond. While odds favor a victory for the visitors, Coach Borleske has stated that he will put his strongest lineup in the field and will be prepared to battle all of the way. Regardless of the outcome of the contest, the game will be an exhibition of real baseball and the fans will be treated to the unusual on the diamond.

It was only through the efforts of Athletic Director Borleske and his intimate acquaintance with the Washington coach that the game was arranged. The westerners will tour thru the eastern states and play such clubs as Harvard and Yale. That alone proves their caliber. According to Borleske, they are a finished ball club and will make a hit with the fans. All

of their men are seasoned players and Boarderud who played against them while in training this spring writes that they are exceptional. It will be a real opportunity for both the students and the players. Anyone that misses the game will be passing up a rare opportunity.

## BACK FROM THE FARM

'Twas with great pleasure that the Frosh noted the return of Joe Sturlaugson Wednesday to take charge of the Gay Cat Convocation after ten days absence in putting in some work on his home farm.

## JOHN SAYS:

Early to bed and early to rise is all O. K. for success-seeking guys, but makes a man miss all the fun when he dies and joins the old stiffs up in the skies. Go to bed when you please and lie at your ease and you'll die just the same of some Latin disease.

## SOMETHING NEW

Minnesota and Iowa held a dual track meet by telegraph last week, performances of the first three men to finish at both fields to be wired back and forth to the respective delight or discomfiture of the competing youngsters. It is a form of meet that gives the incentive of intercollegiate competition and saves hunks of shining railroad fare.

## BEEEMEN MEET HERE IN JUNE

Thirty members of North Dakota's new beekeepers' association will meet here in June together with Minnesota Beemen according to Dr. Webster, secretary of the organization. The date is set as June 22-23.

## DON'T FORGET IT

All students and members of our faculty are cordially invited to visit the R. O. T. C. summer camp at Fort Snelling this summer, and attend all forms of recreation during the evenings, by invitation of the committees.

## CAPTAIN KING VISITING HOME

Captain Robert J. King is spending the week at his home in Pennsylvania, from there he will join the summer camp at Fort Snelling as an Athletic instructor.

## HOORAY! CHEMISTRY IS OVER

Now that the fishing season has opened and the game warden is bringing in his annual crop of victims who can't estimate fourteen inches, the long suffering class in Chem 10 (2) report the dishes as having been all washed, the desks locked, and their deposit fees spent already in payment of their last breakage in connection with lab work.

## NEW PLANT DISEASE BULLETIN

Nearly a hundred plant diseases which affect cereal and forage crops in this state are described together with methods of control in a 96 page, illustrated bulletin written by Dr. Weniger of the station, copies of which can be obtained upon application this week. The publication is Bulletin 166, "Diseases of Grain and Forage Crops in North Dakota."

## TENNIS MATCH IS SATURDAY

Jamestown College girls will be here Saturday in a dual match with Bison co-ed racket welders. In the present tourney on Grace Bayliss, Suzanne Martin, and Laura Gerard are showing up exceptionally well and will probably be slated to meet the visitors here.

## THREE MORE NEW SIGS

Delta Kappa Sigma fraternity announces the formal initiation of John Hannaher and Eugene Ostman, Fargo; and Rolla Eastgate of Bottineau, N. D.

## PHI U'S BANQUET TONIGHT

The annual banquet and business meeting of the Phi Upsilon Omicron fraternity will be held at the Commercial Club rooms tonight at six o'clock. Amy Euren will preside.
