

WAHPETON WINS HIGH SCHOOL TOURNAMENT

Fargo A Close Second

The past week our college has been the host to the basket ball teams of the high schools of this district. Coach Borleske has been in charge of the program and some very interesting and closely contested games have been played.

Casselton and Fargo Play First Game
Friday morning at nine o'clock the drawings took place, which resulted in the pairing of Fargo and Casselton, Enderlin and Tower City, Lisbon and Finley, Milnor and Wahpeton, Hope and Page.

Fargo and Casselton started the ball rolling in one of the most interesting games of the tournament, the final outcome being in doubt until the very last minute of play. Within five minutes of the end of the contest the score was 20 to 19 in favor of Casselton. A free throw by Berdahl tied the score. Each team made one field goal and another free throw by Berdahl won the game for Fargo.

Enderlin defeated Tower City in an evenly fought contest requiring an extra five minute period of play. The score at the end of the regular forty minute period was tied at 13. In the extra period of play the Tower City quint went to pieces and failed to score while Enderlin chalked up seven points.

In the afternoon Hope won from Page in a one-sided game to the tune of 39 to 8. Page was hopelessly outclassed in every phase of the game.

Lisbon defeated Finley 29 to 21 and won the right to play Hope on Saturday.

Friday evening Milnor and Wahpeton staged a rather uninteresting contest which resulted in a score of 42 to 12 in favor of Wahpeton. Milnor played a consistent game the first half but failed to make a good showing in the second period.

Saturday morning Wahpeton won the right to meet Fargo by winning from Lisbon, while Fargo defeated Hope in a grueling contest. The Fargo-Hope battle was thought to be the real deciding factor of the tournament and was watched by a large crowd.

In the evening Fargo and Wahpeton met to decide the district championship.

Up to the start of the game Fargo was conceded as the winner but was defeated by a team that exhibited superior basketball. Wahpeton earned her victory by hard, straight basketball and not by any luck as has been said.

The lineup and summary of the last game is as follows:

Fargo	Wahpeton
Berdahl	F. Riperton
Rudd	F. Early
Watkins	C. Larin
Burnett	G. Bowman
Tweed	G. Meldowney

Subs—Huss for Bowman; Doyle for Berdahl.

Field goals—Riperton, 1; Larin, 3; Meldowney, 1; Early, 1; Berdahl, Rudd, 2.

Free throws—Larin, 4 out of 12.

During the evening the crowd and visitors were given an exhibition of Aggie musical talent by the Cadet Band, under the direction of Dr. C. S. Putnam.

The visiting teams were royally entertained at a dinner given in their honor, and the play, "Suppressed Desires," was presented for them in the Little Country Theatre.

During the course of their visit the guests were taken thru the various departments of the college. Much credit is due Coach Borleske for the success of the tournament. Dr. B. Lawler of St. Paul and Mr. E. Lynch of St. Cloud officiated.

GIRL WINS IN STOCK JUDGING CONTEST

Does Very Accurate Placing

Miss Ethel Hutchinson, a special student at the college, won first place in the annual stock judging contest held last Saturday. She led with a score of 637 out of a possible 750 points; and Everett Benidt, a farm husbandry student, took second honors with a score of 591. Miss Hutchinson is the only girl enrolled for the work, and the fact that she won over the large number of men is very remarkable. That great interest was taken in the contest is shown by the fact that about fifty students participated, which surprises most of the students in the college who have had training in this line.

The contest commenced at 8:30 Saturday morning and was conducted in a very orderly and systematic manner similar to the Students' Judging Contest at the Chicago International Livestock Exposition.

The students were divided into squads, given instructions as to procedure and order of rings, and a supervisor was placed in charge of each squad. Each respective squad was allowed twelve minutes to go over each ring and three additional minutes to take notes for reasons and to hand in their cards to the supervisors. The rings comprising two of each class of livestock were judged. These classes were hogs, sheep, dairy cattle, beef cattle and horses. The contestants were credited on the correct placing and on the oral reasons substantiating the placing. The reasons were given by each contestant separately, two minutes being allowed each person. It is needless to say that some very rapid talking took place.

Professor Dice, of the dairy department, and Mr. S. F. Crabbe, a breeder of pure bred Jersey cattle, were the judges of the dairy cattle. Mr. A. H. White of Kraemer, North Dakota, a prominent breeder of Percheron horses, was the horse judge. Mr. Charles Struble, one of the crack judges on last year's team, judged the rings of hogs while Mr. H. E. Rilling of the Extension Division placed the beef cattle. Mr. D. J. Geiken judged the rings of sheep and he was assisted by Mr. Geo. C. Mayoue in listening to reasons.

The students having the ten highest scores are as follows: Ethel Hutchinson, Everett Benidt, Oscar Hanson, Fred Wilson, John Johnson, James Hume, Florian Amhurst, Harold Hartman, Merle Benchoof, and Lewis Moe.

Leonard Johnson was high man in the dairy class, getting a score of 138 out of a possible 150. John Johnson judged the rings of horses most accurately while Percy Judd led in the sheep contest. Miss Hutchinson placed the beef rings correctly and received almost a perfect score, while Claude Belden received a score of 148 points out of a possible 150 on the rings of hogs.

Professor Thompson, head of the Animal Husbandry Department, was in charge and much credit is due him for the efficient manner in which the contest was conducted. Every student of agriculture should bear in mind that next year a team will be picked to represent the college at the International at Chicago and everyone should strive for a position on this team.

NOTICE!

Coach Borleske will reserve seats for all the faculty members for the University game March 12. Please communicate with him at your earliest convenience. Season tickets will not be honored at the "U" game unless attached to the original booklet signed by I. W. Smith.

LARGE CLASS TO GRADUATE

Seven States Represented

About one hundred and forty students representing seven states, eighty-two communities and thirty counties in the state of North Dakota will complete the Industrial, Agricultural and Manual Training Model High School and the Collegiate courses at the North Dakota Agricultural College during the coming spring and summer months. The commencement exercises of the institution will begin with the Seventeenth Annual Industrial Course Commencement which is scheduled to take place in The Little Country Theatre on Sunday and Monday, March thirteenth and fourteenth, nineteen hundred twenty-one. This will be followed by the Tenth Annual Agricultural and Manual Training Model High School Commencement which will be held Thursday and Friday, June ninth and tenth, nineteen hundred and twenty-one. The program of the Twenty-sixth Annual College Commencement will open Saturday, June eleventh, with the presentation of the class play and close on Tuesday morning, June fourteenth, with the graduation exercises. The programs of the three different divisions, together with the class officers and rosters follow:

MORRIS WINS DEBATE

Last Friday at 8:00 p. m., the Agricultural and Manual Training Model High School met the High School of Morris, Minnesota, in the third annual inter-state High School debate. The question debated was, "Resolved, That labor is justified in demanding the union shop in industry." Edward Didier, Robert Sanders and Frank Leakey defended the affirmative here against Messrs. Rolan, Bode and Waechter of Morris. The decision, despite Frank Leakey's fiery rebuttal, was three to nothing in Morris's favor. The judges were Messrs. Nordlei and Rustad of Moorhead and Dean Vowles of Fargo College.

After the debate the visiting team was entertained by the two High School Literary Societies, and a fine time was enjoyed by all.

Von A. Hanson, Charles Stevenson and Jonas Sturlaugson represented us at Morris and altho the decision was three to nothing against them we know that these men put up a good argument and represented us well.

The two teams put in long hours of hard toil and did good work. A defeat may often be a victory.

"Tis not so much, did you win the fight; as, how did you fight and why?"

FACULTY-STUDENT COMMITTEES

PROPOSED

At the last meeting of the College Council a plan was proposed creating two new committees, composed jointly of faculty and student members, to exercise control over certain affairs vital to the college as a whole. The council referred the proposal to the Committee on Rules to perfect the details, and will take up the matter again at its next meeting on March 17th.

The proposed committees are a Committee on Social Affairs, composed of two faculty members, the Student Commissioner of Social Affairs, and two other students appointed by the Student Commission or elected by the student body; and a Committee on Publications, similarly composed, but with the Commissioner of Publications as a member. The committees would operate on the same plan as the Board of Athletic Control and the Board of Public Speaking Control.

ANNUAL COMPETITIVE DRILL TO BE GIVEN FRIDAY NIGHT

The annual competitive drill between the three companies of the Cadet Corps will be staged on Friday night, March 11th, at seven o'clock. The drill will be completed in time to allow all those attending the Edwin Booth Dramatic Club play, "A Pair of Sixes," to get their seats.

The personnel of the three competing companies this year is as follows: A Company, college men, commanded by 1st Lieut. Geo. Bohlig, Lieutenants Lelfson and Eastgate assisting; B Company, industrial course men, commanded by Captain Bohnsack, Lieutenants Roth and Brauer assisting; C Company, industrial course men, commanded by Captain James Cline, Lieutenants Benson and Osman assisting.

Each company commander will draw for order of appearance on the floor. Fifteen minutes will be given each for drill, preceded by an inspection of the unit by the judges. A gold saber will be the award to the commander of the winning company.

The competition drill is open to

AGGIES TOO STRONG FOR CONCORDIA

Victory An Easy One

In the return game played with Concordia on the Armory floor the Aggies won a decided victory by a one-sided score of 54 to 8. From the opening whistle to the end the Aggies showed superior ball and were able to make baskets at will. Bohler started Sivertson and Trowbridge at forwards, with Hildre doing the jumping, Flem and Kraemer doing the guarding. The combination Sivertson to Trowbridge proved very effective and eventually ended in a basket for the locals.

The line-up and summary follow:
A. C. -----Concordia
Sivertson F. -----Schele, L.
Trowbridge F. -----Rafshol
Hildre C. -----Martinson
Flem G. -----Schele, O.
Kraemer G. -----Reitan

Subs—Van Arnum for Reis; Reis for Trowbridge; Mares for Hildre; Wilson for Kraemer, Butte for Flem; Bohnsack for Van Arnum; Tally for Schele.

Field goals—Sivertson, 5; Trowbridge, 6; Reis, 3; Hildre 4.

Free throws—Flem 0; Reis, 1 out of 2; Sivertson, 1 out of 3.

A. C. Rooters, Attention!

Saturday night we will again meet our rivals from the North in the final basket ball game of the season. The team is primed to meet anything Coach Davis's men have to offer so let's get behind our team and give them the support they deserve. We want a hundred per cent attendance at the rally Friday noon, so let each and every one make a point to be there. When you come to the game, come prepared to yell, and yell as though you mean it. Watch the yell leaders and follow them, because unless you do no harmonious effort can be made. We hope to have a merry time Saturday night so let everyone be present and help cheer our team on to victory.

ELECTION OF Y. M. C. A. OFFICERS

The election of Y. M. C. A. officers for the year 1921-1922 will be held in the Main Building on Thursday, March 10. The polls will be open from 9:00 a. m. until 5:00 p. m. All members of the Association are entitled to a vote. Any male student may become a member by signing an application blank.

The nominating committee, appointed by President McKinstry, is as follows: W. P. McKinstry (ex-officio); Dr. A. F. Hunsaker, board member; Ted Thorfinson, college; Francis Strong, industrial; H. J. Thompson, general secretary (ex-officio).

This committee presents the following ticket:

For President—(vote for one)
*Richard B. Falkenstein, '22
*Murville F. Peightal, '22

For Vice President—
The man receiving second highest number of votes for President shall be declared Vice President.

For Recorder—(vote for one)—
*John Jensen, '22

THE DOPE BOX

The editor wishes to express his appreciation of the generous way in which students have been patronizing the "Dope Box." Besides news items, not a few jokes and accounts of amusing incidents have been found therein. Some of these have been published and others will be. Of course it is not possible to publish all such items, for various reasons. Each week's space is limited, and moreover it sometimes happens that while the incidents reported must have been highly amusing at the time of their occurrence, much of their effect was due to surrounding conditions, manner of speaking, and so on, rather than to what was actually said; and it's a rather difficult thing to reproduce facial expressions and voice inflections in cold type. In other words, such happenings lose much of their amusing quality when put in print, and hence cannot well be published; so if you have dropped some "dope" in the box and do not see it in print, don't give up and go away breathing imprecations on the individual and collective heads of the editor and staff—at least, don't give up patronizing the "Dope Box." As far as the other is concerned, the staff are used to maledictions, and have grown pachydermous protections against them, and the editor probably will in time, so go ahead.

We would suggest that where items contributed have been taken from other papers, the source be made known. This week there were several clever jingles handed in which have appeared in other papers, but no notation of this was given. We must, either go to considerable trouble to find the source or else run grave danger of being charged with plagiarism, so please give credit where known.

We would also extend thanks for the tid-bits of nourishment frequently found in the box. The peanuts left there this week were especially nutritious and of an excellent flavor. Come again!

THE RELIEF FUND

The students and faculty members representing the various organizations on the campus which have taken part in the drive to raise funds for Chinese relief are to be highly commended. The committee meetings, arranging of the entertainments and selling of tickets, have meant much hard, faithful, time-consuming work, and the call has been nobly responded to. At this writing some nine hundred dollars have been raised—a sum which represents a great deal to our community in times like the present, but which will mean infinitely more to starving China where the state cannot take care of its sufferers as the state can and does do in our own country. The Agricultural College may well feel proud of its achievement, and of the manner in which the different organizations have participated in the work, which is, by the way, only another illustration of the effectiveness of team-work.

Unbounded thanks is due to the people of Fargo and Moorhead and those on our own campus who have given so generously of their talent in making the programs a success.

CO-OPERATION

It is a pleasure to those connected with our college to note that the Commercial Club of Fargo appointed a committee to go with a group of delegates from the Agricultural College to Bismarck and lay before the Appropriations Committee the need of the college for money with which to carry on the Home Economics practice house, and for other purposes. That the efforts of this joint committee were not completely successful does not alter the fact that the Commercial Club placed itself on record as having a spirit of helpful co-operation for the Agricultural College. We appreciate this spirit and hope that we may have more of it both from within and from without the school.

THE SCHEDULE FOR FINAL EXAMINATIONS

Examination Periods	March 16	March 17	March 18
Morning	8-9 classes	10-11 classes	1-30 classes
Afternoon	9-10 classes	11-12 classes	2-30 classes

Examination in advance of this schedule are not permitted.
 The morning period will begin at 8:00 and the afternoon period at 1:30. An examination in a major (a four or five hour course) and for a minor (a course of three hours or less) that regularly meets on Monday or the first part of the week. Minors that do not meet on Monday nor through the first part of the week will have examinations during the latter half of their proper periods.

Under this plan, a student can take the examinations in two minors that regularly meet at the same hour but on different days.

Collegiate majors may carry three-hour examinations. All minor and all sub-collegiate courses shall carry two hour examinations.

WAHPETON WINS HIGH SCHOOL TOURNAMENT

(Continued from Page 1)

throughout the state, Wahpeton, defeated Fargo contrary to all predictions. Wahpeton, Grand Forks, Mandan, Valley City, Egeland, Hettinger, Bowbells and Minot will take part in the state tournament at Minot, as the result of Saturday's games.

Mandan won a bitterly contested battle from Bismarck by a score of 17 to 15.

Bowbells defeated Kenmare 20 to 10, which gave Bowbells the district honors.

After winning four straight games Devils Lake lost to Egeland, 21 to 10.

Minot came thru the tournament with a clean record, winning by a close margin of 16 to 14 in the final game.

Hettinger upset the dope and won the final contest from Dickinson by the close score of 11 to 8. Close guarding was a feature of the game.

The state championship tournament will be held at Minot, as mentioned above, on March 18 and 19.

BENEFIT ENTERTAINMENTS

going to the lively strains evoked by the coons, Kratzke and McArtos, from uke and accordion. The "Y" quartette presented a number of whimsical melodies and Lynn Huey's "Model Wife" was a real laugh-getter. The Cootie Club presented "Crooks" so realistically as to set the audience wondering, and Dr. Putnam's orchestra and saxophone band performed with their pleasing effect.

The second entertainment, given on Monday night, was a real treat. The persons appearing on the program are all too well known to require individual mention; suffice it to say that all lovers of good music went away feeling that the evening had indeed been well spent.

SPRING'S COMIN'

I ain't got nothin',
Ain't had nothin',
Don't want nothin',
'Cept you.

I ain't seen nobody,
Ain't had nobody,
Ain't loved nobody,
That's true.

But if you'll love me,
I'll love you,
If you want money,
I won't do.

'Cause I ain't got nothin',
Never had nothin',
Don't want nothin',
'Cept you.

ALPHA GAMMA RHO
Lewis Jorgenson was a visitor on the campus last week. "Jorgey" is still director of the Langdon experiment station and looking fine. Last Friday evening and Sunday afternoon the Alpha Gamma Rho pledges were put across the hot sands and made full A. G. R.'s. The neophytes were Oscar Hanson, Geo. Madsven, James Hume, Ernest Mortenson, Fred Wilkinson and Edward Eastgate. If anyone should want to know anything about the nature of a roster just call on any of the above named men.

THETA CHI NEWS
A few of the Alumni dropped in to greet us the last week. Herbert D. Gorman, located at Minot, let us know that he still has an inner feeling for the fellows. While here he was enrolled in the course of agriculture besides being a star in all branches of athletics. Homer Dixon of Grand Forks stopped at the house a couple of days to renew acquaintances and to make new ones. Melvin "Mac" McGuligan, even though he lives only on the south side, finds it hard to see us very often. Mac, like the rest of the Alumni, loves to

talk of the old place and the good times. Lloyd V. Engle, now engaged in the drug business at Enderlin, was a mid-week caller.

HESPERIA
"The meeting will please come to order," said "Joe" Sturlaugson, president of the Hesperian Literary Society at the first of the school year, and the command was obeyed. Many old members were present and with these as a nucleus, the society was rapidly built up so that within two weeks the limit of thirty had been reached. Since that time progress has been a matter of course. Hesperia has taken an active part in declamatory contests and inter-high school debates.

In the spring term an inter-society debate will be held with the Castalians. The Hesperian Society challenged the Castalian Literary Society to a competitive one-act play to be held at the same time. The challenge was accepted.

One of the chief developments this winter is "Rube's Jazz Band," which is composed to Hesperians with an inclination towards music. It lives up to its name in a remarkable manner.

IN LIGHTER VEIN

Lynn—"What did she say when you kissed her in the dark?"
Vernon—"Said she never wanted to see my face again."

A chair for one is holding two,
It could not hold another;
But suddenly it holds but one,
You think it broke? No, Mother.
—Banter.

Cy Cornshucks remarks: "That feller Laurant was some magician; but 'twould take more nor him to convince me that the old sayin' 'bout a feller hidin' behind a woman's skirts could be true nowadays."

Uh—huh
When the prof springs a quiz,
And you were out last night,
But are in today—all in—
And you sit and sigh,
And the sweet, blue-eyed one on the seat beside you
Pipes up, "Do we write on both sides of the paper?"
And you could write all you know on one edge of the paper,
Ain't it nice?
I say, ain't it?

He—"Would it be wrong for me to kiss you on the cheek?"
She—"Well, it might be a little bit off color."—Dirge.

Bill—"Who was it that first discovered that two's company and three's a crowd?"
John—"I think it must have been the first father of triplets."

'Mid bar-rooms and blind pigs
Tho we may roam,
Be it ever so costly
There's no brew like Home.

He—"You're very noisy."
She—"Why do you say that?"
He—"Because you do your hair up with a bang."

"The Woes of the Eskimos"
Consider the heathen Esquimeaux
In the Northernland where the cold
wind bleaux
If they go out they freeze their
neaux,
Their ears, their cheeks, their hands,
and teaux.
But what is worse as everyone
kneaux,
Up in the land where the Yukon
fleaux
Is this—in that land of the lasting
sneaux,
It's too darn cold to wear half-heaux.
—Ex.

Bill—"Do you like fish balls?"
Eleanor—"I don't know; I've never been to any."

COLLEGE OFFERS WORK IN SUMMER TERM

Members of the regular teaching force of the Agricultural College will be engaged to give classes at the summer term to be held at the college June 20 to July 29th. Prof. P. J. Iverson, superintendent of the summer school, announces. In addition to regular college studies, special courses for teachers will be given, both for college and elementary instructors, with special attention to instruction in Smith-Hughes vocational work.

Full credit for all work done will be given by the college, while work done by elementary school teachers will be accredited towards certificates, just as work in normal schools will be accredited. Altho the school is but half as long as the usual college term, opportunity will be given for completing full term work in the various college subjects.

We carry a complete line of Trunks, Traveling Bags and Suit Cases, as well as all sorts of small Leather goods. Also equipped to repair any of the above.
