Association Takes Part in Activities

Amusement Furnished at Crittenton Home.

Eight Association girls, Phyllis Ness, Pearl Hollands, Edna Sommerfeld, Helen Fuller, Ella Radcliffe, Mildred Brainerd, Verna Owens, and Edith Jonson, are soon to begin work as leaders in the public schools of the temperance instruction. Classes are limited to the four upper grammar grades, and meetings are held every two weeks. These girls are under the able direction of Mrs. A. L. Leathers, who is president of the Fargo W. C. T. U.

The social committee, headed by Bernice Noyes, is giving its time to the Crittenton Home and entertains there at least twice a week. At these entertainments the girls lead in games and songs, and render musical selections and readings. Since November 15, Miss Noyes, assisted by Miss Ethel McQuigan and Magdalen Sigurdson, have conducted entertainments at the home, which have been very successful.

On December 4th the next party will be given, and any girl willing to help with that or any other work that's being done there may offer her services to Miss Noyes or any of the other cabinet girls.

'Jungle Men of India' is A Certainty

Word Received That He Will Be Here December 5.

The Christian Associations have just received word that Dr. Musser, who spent several years in India, will be here Sunday afternoon, December 5, at 3:30 p. m., for an address.

Dr. Musser had a wonderful experience during his stay in India. He is a splendid story teller and a great humorist. He is popularly known as the "Jungle Man of India," a title won by him through his experiences in that country.

This promises to be one of the most attractive of the speakers which have come to the Agricultural College. All members of the faculty and student body are cordially invited to be present.

The meeting will be held in the "Y" Auditorium. There will be special music.

Polytechnic Society Have Banquet

On Monday, Nov. 22, the Polytechnic Society held its annual banquet in the Ceres Hall dining hall. The three course dinner was served by the Phi Upsilon Omicron fraternity girls.

Prof. Nelson was toastmaster, and introduced as the first speaker Dr. Pearce, who spoke on "Co-operation and Research," with reference to the individual. The second speaker was Dr. Trowbridge, of the Experiment Station, who spoke of "Co-operation and Research" with reference to the relation of the individual to the state and college. The third speaker was Miss Bales, who spoke on "Research Possibilities in Domestic Science." The fourth speaker was Dr. Hunsaker, who spoke of "Research in Political Science." The last speaker was Prof. Minard, who spoke on "Co-operation and Research in Regard to Economic Problems."

Girls Should Go To Geneva

Words cannot describe the value and inspiration of such a conference. Every year during August delegates representing the colleges of Central and Northwestern fields meet at Lake Geneva, Wis., for the great four-fold purpose:

1. To experience ten days of comradeship, council, study, and worship.
2. To increase their knowledge of the needs of the world.
3. To deepen their appreciation of the responsibility in the development of women the world around.
4. To strengthen their friendship with the great leaders.

This year 672 girls were in attendance at the conference, representing 105 colleges in all—52 from the Central field and 53 from the Northwestern field. Twenty denominations were represented. Student delegates from Mexico, China, France, Hawaii and Costa Rico were their with their interesting messages from their respective countries.

North Dakota was represented by 26 delegates—University 8, Valley City Normal 4, Jamestown College 7, Ellendale Normal 2, Mayville Normal 12, Fargo College 1, and A. C. 2.

Any girl interested in the higher things of life cannot afford to miss the opportunity of spending at least one summer during her college life at Geneva. Perhaps a thing of interest to some girls is our Geneva loan fund, which enables any girl desiring to go to Geneva to borrow \$25 without interest, payable within three years after graduation.

Girls, let's get busy and plan on going to Geneva next summer and give A. C. the largest representation in North Dakota.

"Shore Acres" play to Large Audience

Shore Acres, the play chosen by the Edwin Booth Dramatic Club was given Wednesday evening November 24 and Thursday at 4:30 p. m., to a very appreciative audience. All the characters were well chosen and took their parts with great skill. Special credit is due Mr. Hoffman and Miss Caldwell, the two leading characters in the play.

On Monday, November 29 at 4:30 p. m., the class in play production under the direction of Mr. Arvold presented "Waterloo," a one-act play.

On December 10 at 7:30 p. m., in the Little Country Theatre the four Collegiate classes will enter into a play contest which is being carried out for the first time this year, each class presenting a one-act play, not to exceed thirty minute in length. This gives a large number of students an opportunity to take part in plays and develop their dramatic ability and originality, as it is impossible to select plays with a sufficient number of characters to accommodate all the students who desire to take part.

Three judges will be present at the contest and each class will be judged according to the following points: character of play selected, settings, scenery, costuming, make-up, light effects, and properties. The following plays have been selected.

Freshmen.
"Spreading the News"—Lady Gregory.

Sophomore.
"Kara"—Written by University of North Dakota.

Juniors.
"The Cold"—Lewis Beach.

Seniors.
"Sunset"—Jerome K. Jerome.

Association Adopts New Basis of Membership--Association Objective Changed

MEMBERSHIP—Section I.—Any woman of the institution may be a member of the association providing:

1. That she is in sympathy with the purpose of the Association.
2. That she makes the following declaration, "It is my purpose to live as a true follower of the Lord Jesus Christ."

Section II.—Qualifications for Leadership:

1. All members of the cabinet (officers and chairmen of standing committee) shall commit themselves to furthering the purpose of the Association.
2. Two-thirds of the cabinet members shall be members of churches which are entitled to representation in the Federal Council of Churches of Christ in America, and only those delegates who are members of such churches shall be entitled to vote in conventions.
3. Members of the advisory board shall meet the qualifications of cabinet members.

There are three words that express the purpose of the Association, namely: To unite, to lead and to build. We believe that the new basis brings these things.

First, to unite. Having made a common declaration the members start from a common goal, Christ life on the campus. The old system divided the group into two divisions, the workers and voters and the workers and non-voters. The new basis is much more democratic and unites thru an initial pledge all those girls who believe in Jesus Christ and in a Christian way of living.

Second, to lead. With a membership of a group of girls having declared a common purpose, the Christian Association can lead them into true friendship with the person of Jesus Christ. This is the way of Christ himself, to follow and by teaching them more, to lead others to the fullness of faith.

Third, to build. Having united in a common purpose to follow Jesus Christ in their living, and felt the inspiration from His friendship, the Association has felt the need of Christ and that He will come to need our service in the world.

Christian living can only be made vital from now on by uniting, leading and building as our new basis suggests.

Miss Bales Speaks to College Girls

Vital Message Given at Recognition Service.

College girls should learn early to know the value of the ever present love and help which God has promised and which he gives so freely when we are in need. If we knew more about God we would depend more upon spiritual aid. Many problems would be solved if we knew how to use His help.

People lack a vital experience in Christian relationship, hence do not speak of it. Rarely do we hear people talk about Bible characters, particularly Jesus in His social relationships. They hesitate to talk about the Bible. What does our religion mean to us? The model that was given us was Jesus. Then only thru daily Bible reading can we know Him. What does it mean to live a daily Christian life? One thing it means is no hesitancy in the use of our Bible, particularly the part concerning Jesus, that he may become more like an everyday friend to each one of us.

Who is your neighbor? It is not necessarily the girl who lives next door to you. In the first commandment we read, "Thou shalt love the Lord, thy God, with all thy heart, and with all thy soul, and with all thy strength, and thy neighbor as thyself." Everyone we come in contact with is our neighbor. In colleges we have cliques, but every girl should realize that she is a neighbor to the girls outside her own particular group. This can be shown only thru the spirit of love. We are apt to criticize most the girl who needs our help. This should not be the spirit of college girls. Thru service this spirit of love may be revealed to other girls. We should remember the story of the good Samaritan, and also the words of Paul, "And now abideth faith, hope, and charity, these three; but the greatest of these in charity."

Active Work on '22 Agassiz Started

The Agassiz of 1922 became a reality on Monday morning last when the staff met for its initial meeting. Confirmation of appointments to the staff, time of publishing, size, price, etc., were discussed and disposed of at this time. After a careful consideration of present market conditions the Agassiz will be ready for distribution the first week in March. This, it was found, would give the best results in cost of production and maximum sale.—vital considerations in the production of a successful annual.

The contract for the printing of the book will be given to the Knight Printing Company, and the engraving to the Dakota Photo Engraving Company, both of Fargo. The photography of the book will be in the hands of Reid's New Garden Studio. This studio is well equipped in every way and capable of taking care of the work by night or day.

Work in this department has already started, and the various classes, organizations, etc., will be given a definite date when to appear.

Each student whose cut will appear in more than one organization or group should secure enough black and white cuts to take care of each individual case at the time the picture is taken.

Weekly meetings of the staff will be held at the usual time and place henceforth, unless notice of a change is given.

Recognition Service is Impressive

Candle Ceremony Symbolic of Association.

On Sunday, November 21, in the Y. M. C. A. auditorium the Y. W. C. A. held its recognition service for the new members. The service opened with a processional of all new members led by the cabinet girls, each one carrying a lighted candle. The chairs in the auditorium were placed in a triangle. The girls took their places in the triangle and remained standing while a chorus sang "Hymn of the Lights," after which the candles were extinguished. The ninety-first psalm was then read responsively and was followed by the Lord's prayer. A song entitled "Teach Me How to Pray" was rendered by Frances Sim. The president of the association, Amy Etren, gave the dedication. In this she described the meaning of the triangle which signifies to the Y. W. C. A. the relationship between God, others, and self. The girls accepted the dedication by relighting their candles at a large candle at the head of the triangle, and passing the light on to their neighbors.

After the candles were again lighted the purpose of the Association was read in unison. Miss Forsberg then led in prayer and a benediction was sung. Miss Bales then gave a talk which was both practical and inspirational. The service was pretty and impressive and emphasized the earnestness of purpose and meaning of the association. As a means of furthering acquaintance, tea was served after the service and was found to add very much to the good cheer of the meeting. Faculty ladies and wives and advisory board members were guests at the service.

Association Entertain on Sat. Nights

In November the Saturday night joint parties were started. These parties are given to offer entertainment and an evening's fun to anyone who wishes to come and join the happy gathering. Every Saturday evening something new in entertainment is offered, a program is always given and refreshments are served.

The last Saturday night, Nov. 20, party was a Thanksgiving affair. The Puritan idea was carried out as far as was possible in the decorations as well as in the program. The first part of the evening was featured by a grand march, then group games were played. Later the groups joined together and enjoyed an excellent program, after which pop-corn balls were served.

Family reunions, charades, and spelling matches were the chief stunts enjoyed by the folks at the last party. Grace Fuller rendered two delightful piano solos; Carl Bubblitz sang, "Somewhere a Voice Is Calling"; and Willis Boots elucidated several everyday problems much to the pleasure of the company. A community sing was conducted by Mr. Bubblitz. Just before the singing of "The Yellow and the Green" huge platters filled with scrumptious fudge and penoche were passed around. Many a sweet tooth found its balm in these confections.

If you are not in the habit of attending these Saturday night frolics you'd better get in line; come out and enjoy them.

What the Association is Doing

The Y. W. C. A. is at present the only Christian organization on the Campus for women. This association endeavors to aid the young women on our campus in every way. This year we have secured Miss Foreberg as our secretary, who is very fitted to carry on the work.

The president of the association is Amy Euren. Amy is a very capable and willing worker and aims to make the Y. W. C. A. all i stands for.

The other officers are: Vict-President and Membership chairman, Gladys Larson; Secretary Magdalen Sigurdson; Treasurer, Ethel McGuigan and Under graduate Field Representative, Letitia Jones. The Committee chairmen are: Publicity, Dorothy Neverman; Social Service, Eleanor Trowbridge; Bible, Mildred Jenkins; Social, Bernice Noyes; Finance, Anna Jorgenson; Meetings Florence Isensee; Missions, Francis Sim; Room, SdithJonson.

A brief survey of the duties accomplished and to be done by these various committees is as follows:

The work of the Finance Committee is to plan ways of raising money to meet the expenses of the Association. Anna Jorgenson is in charge of this committee and has for her committee members Vida Colwell, Letitia Jones, Ella Radcliffe and Lucile Jackson. So far they have had a candy sale. This was held during the "U" game, Oct. 30, and was successful. December 15 they are going to have a Christmas bazar in which will be several booths, such as Japanese, embroidery, etc. Hot lunch will be staged. It is hoped that every girl on the campus will donate some article before December 12 and thus help to make this sale a success. As most of us are hungry about 2:30 p. m., it has been decided to sell doughnuts and coffee or sandwiches and coffee on Wednesday afternoon from 2:30 to 5 in the main building. Watch the bulletin boards.

The social service committee, headed by Eleanor Trowbridge and supported by Lillian and Carrie Hoveland and Harriet Ashland, has perhaps the widest range of material of any committee under the auspices of the Y. W. C. A. It is endeavoring to do those things around Fargo which it thinks will benefit Fargo and her people the most.

First it is working thru Mrs. Bliss, the visiting nurse. The association voted her \$25 for a tuberculosis patient. Second, it is going to do work for the Children's Home, such as darning stockings. Harriet Ashland will be in charge of this work. Third, it is endeavoring to help the Crittenden Home people. Bernice Noyes with her social committee is carrying on this work. Fourth, it is going to collect clothes and toys for a Christmas offering to several poor families of Fargo. Carrie Hoveland will be in charge of the clothes, Lillian Hovland in charge of the toys. All who wish to co-operate with the committee in this matter please see either of the above mentioned girls.

The object of the Missions committee is to bring students in contact with foreign missions. The plan is to have one mission meeting each semester, led by Missionaries or people personally connected with fission work. The other work of this committee is to be responsible for \$75 each year, which goes in our association's share of Miss Charlotte Nealy's salary who is one of our field student secretaries in China. Francis Sim is chairman of this committee and her helpers are Bertha Rambow and Hilma Hoffman.

The social committee of the Y. W. C. A. endeavors to offer social functions which will give each student an opportunity to become acquainted. Bernice Noyes is chairman of this committee and has for her helper Ellen Aageson, Francis Wenstrom, Astrid Christensen, Glade Latimer, Myrtle Madison, and Lillian Mallough. This committee holds its regular meetings the first Thursday of every month in the Blue Room at 4:30. The meeting for December 2 is in charge of Myrtle Madison and Ellen Aageson. The first entertainment for the Y. W. C. A. was the get-acquainted party given on October 2 in the Ceres Hall gym. A program was given, games were played, dancing was enjoyed and then refreshments were served. The next event was the joint Y. M. and Y. W. C. A. party given in the Y. M. C. A. building October 9. At this party the young men and young women of our college tried to become acquainted. A fine program was given, then stunts and games were enjoyed, and refreshments were served. The future work of the committee is to help with the Saturday night parties and have charge of the co-ed prom.

Dorothy Neverman is in charge of the publicity work. Her duties are to put up posters, write Spectrum notes, and do the Y. W. C. A. advertising.

Florence Isensee is chairman of the meetings committee and has charge of the Wednesday night programs, which are given in Ceres Hall. The first meeting was given over to Miss Forsberg, who gave a very interesting talk on the history and work of the association. Miss Wygal, the field secretary, had charge of the next meeting and gave a talk on "Your Neighbor Second Door From You." Miss Jorgenson and Miss Sigurdson, the two delegates to Geneva, had charge of the next meeting, and gave many interesting and amusing facts about Geneva, and showed pictures of the beautiful camp. After this meeting Miss Isensee gave out some stockings she had obtained at the Children's Home and the girls of Ceres Hall, assisted by a few outsiders, darned them. The next two meetings were postponed on account of Sunday meetings, but the next one is to be held December 9, and will be in charge of Mrs. Williams, who was part-time secretary last year.

The rooms committee headed by Edith Johnson has charge of the Y. W. C. A. room in Ceres Hall and arranges the meeting place for the Wednesday night programs.

Gladys Larson, chairman of the membership committee, together with her committee members, Francis Root, Pearl Sours, and Ruth Dawson, and all the cabinet members has just completed a successful membership campaign. Due to the recent adoption of the new membership basis all the old members were asked to renew their pledge. The membership roll to date consists of 125 girls and faculty women.

A new addition to the cabinet this year is the undergraduate field representative whose duty is to act as a channel of information for the local campus to the Field Headquarters office. In this way student thinking may be passed on in crystallized form to the national board and conventions with the hope of a better understanding and handling of student problems. This year Letitia Jones, our undergraduate field representative was named from field headquarters as the field representative. All information pertaining to this plan is passed on by her to the undergraduate representatives of Fargo College and Moorhead Normal. Next year the field representative will be from one of these other schools.

The immediate aim of the Y. W. C. A. this year is a 100 per cent college in women membership, and 100 per cent membership at work in association activities.

"Y" To Star Movies

"Little Jimmie" Is First Number.

The Young Women's and Young Men's Christian Associations will tryout as a part of their social program the introduction of a "Community Night" program, in which will be combined moving pictures, group singing, and special features.

The program Saturday night, December 4, will be as follows:

1. "Little Jimmie"—A story of today, showing the victory of a child's simple faith over the doubts and theories of men.
2. An educational film.
3. A comedy—real fun and a good laugh.
4. The illustrated song, "The Holy City"—Carl Bublitz, baritone soloist.
5. Community Singing — The words for several popular songs will be thrown on the screen and a competent leader will direct the singing.

A small door charge will be made to cover the expense of the film and incidentals. The Christian Associations do not expect to make one cent on these entertainments but merely desire to break even. Come and enjoy the evening.

"PEP"

Vigor, vitality, vim and punch—
That's pep!
The courage to act on a certain hunch—
That's pep!
The nerve to tackle the hardest thing,
With feet that climb and hands that cling,
And a heart that never forgets to sing—
That's pep!

Sand and grit in a concrete base—
That's pep!
Friendly smile on an honest face—
That's pep!
The spirit that helps when another's down,
That knows how to scatter the blackest frown,
That loves its neighbor and loves its town—
That's pep!

To say, "I will"—for you know you can—
That's pep!
To look for the best in every man—
That's pep!
To meet each thundering, knock-out blow,
And come back with a laugh, because you know
You'll get the best of the whole big show—
That's pep!

THE RACE OF MAN

Let me live in a Hall called Ceres
And see the students rush
To get a bit of a dinner
And mingle in the crush.

Each noon you may stand at the window
Where the race of men goes by
Some of those boys are fine sprinters
And some of those Co-eds sure fly.

They start as the noon gong rings
From Chemistry, Science and Main;
And each one exerts his muscles
Far more than he does his brain.

They rush up the steps and enter;
The hallway is jammed with the mob,
Industrial, High School and College,
Faculty, Doughboy and Gob.

They all are out for one purpose:
To get a square meal, but each one
Must wait his turn, he'll mighty soon learn
That Hamlet won't hurry or run.

So slow and so calm, (he's a Norsky)
He waits on the hungering crowd,
With stately and solemn demeanor
Oblivious to clamorings loud.

The seconds grow up; become minutes,
The minutes drag by into hours,
The starved ones who die go to "Wasem's"
The College provides wreaths of flowers.

Comical? No, it is tragic
The way we must fight for our food,
And the powers that be fold their hands in their laps,
Look angelic, and say, "It is good."

SOCIETY

BETA "ALUMS" ENTERTAIN

The Hale home was the scene of a most enjoyable party given by the alumni of the Delta Phi Beta sorority for the active members and their rushees. Progressive running was a very enlivening diversion and afforded a great amount of merriment. Miss Hedwig Sand proved to be the genius of the evening. As a result of her progressive spirit she carried away with her a very handsome gift. The hostesses served a very delightful luncheon. The following alumni served as hostesses: Mrs. Hale, Miss Lieberg, Miss Welland, Mrs. Nichols, Mrs. Thoms, Mrs. Lorschough, Mrs. Oftedal and Miss Schuyler.

BETAS AND GUESTS DANCE BY LIGHT OF CAMPFIRE AND MOON

The Delta Phi Beta sorority entertained their rushees and the members of the Achoth and Phi Upsilon Omicron sororities at an informal dancing party last Friday evening in the college armory. The lights dimmed to a moonlight radiance and a glowing campfire furnished a unique effect. The patrons and patronesses of the evening were Dr. and Mrs. E. F. Ladd, and Dean and Mrs. E. S. Keene. The Misses Mabel Stewart, Eleanor Pearson and Marjorie Brown, Betas of last year, were among the out of town guests. During the twelfth dance four little Puritan maidens, the Misses Virginia and Elizabeth Ladd, Marie Smith and Lillie Pearson, served pumpkin pie a la mode. Farrell's orchestra played their initial program in the A. C. armory and achieved notable success.

Theta Chi's Entertain

Theta Chi fraternity was host to the other fraternities, men of the Freshman class and their lady escorts on Saturday evening last. An enjoyable evening was spent in dancing, music of the first order being furnished by Malchow's live aggregation. Refreshments in the form of punch and wafers were served thruout the evening. Patrons for the evening were Dr. and Mrs. E. F. Ladd, Dean and Mrs. E. S. Keene, and Major and Mrs. F. B. Carrithers. Saturday night's party brought to a pleasant close the numerous festivities of Thanksgiving week.

ATHENIA ENTERTAINS

November 18th the Athenians entertained a number of the new students at a program and social. The first part of the evening was spent in the Little Country Theatre where the following program was rendered:

Song—Richard Falkenstein.

Talk on Debate—Ted Thorfinnson
Pantomime—Magdelin Sigurdson,
Horace Judd, Anna Jorgenson, and
Claude Beldin.

One Act Play—Bernice Noyes and
Wm. Zimmermann.

After the program all adjourned to the hayloft, where games and a light lunch were enjoyed.

The active members of the Achoth sorority entertained informally Sunday evening at the home of Marian Addison. The affair was in honor of Miss Bernice Derby, an alumna of the organization who is teaching this year at Red Lake Falls.

INS AND OUTS

ALPHA KAPPA PHI NOTES

Oscar Jordheim spent Thanksgiving and the week end at Walcott. Hubert Wolfe left Thursday evening for Wahpeton, and says he found the town the same as ever.

Del. Sage returned today after a visit to (that's a secret), and it seems to have agreed with him.

Leland Smith stopped at the fraternity house for a few minutes on Thursday.

Louis Jorgenson, '19, and Fred Wilson, '23, were guests of the Alpha Gamma Rho fraternity the past week.

The "stay overs" at the Kappa Phi house and those at the Phi U. house enjoyed their Thanksgiving dinner at the Phi U. house. The afternoon was spent in taking in "Shore Acres."

Dr. Charles W. Kilkey, pastor of the Hyde Park Baptist Church, Chicago, who gave a series of addresses on the Wholeness of Christianity" at the Y. W. C. A. Cleveland Convention made the following statement about the convention as a religious gathering:

"I found the extraordinary significance of the gathering at Cleveland to be summarized around the four words of your name, youth, women, Christianity, Association.

YOUTH—Thinking, independent, impatient of control, democratic, earnest.

WOMEN—Making their revelation of what we believe to be the spirit and the attitude and the contribution that the Christian womanhood of our country is going to make to the problems that baffle and perplex us, thinking clear and clean and straight.

CHRISTIANITY—Not a doctrinal or dogmatic position, but a growing life.

ASSOCIATION—A unity founded on the very essence of democracy, groups of women from different backgrounds granting each other liberty of thought and action in their individual needs, deeply conscious and achieving force.

PHI U NEWS

Miss Mabel Severson came from Aberdeen, S. D. ak., to spend Thanksgiving with Miss Nettie Thompson at the Phi U. house.

Miss Mae Stewart, who is teaching at Casselton, is spending her Thanksgiving vacation at the Phi U. house.

Miss Ruth Fischer, who is teaching at Petersburg, N. D., Beulah Watson, who is teaching at Devils Lake, and Mayre Healy from Lidgerwood, are spending Thanksgiving in Fargo. They are alumnae Phi U. girls.

Misses Agnes Sorenson and Charste Mikkelsen went to Devils Lake and Margaret Larson to Kindred to spend Thanksgiving with their parents.

CERES HALL

Most of the girls spent Thanksgiving at their homes or with their friends. We wonder if Mrs. Kelsey enjoyed herself.

Talk about feeds—if you only could see the big boxes coming from home. No wonder some of us have wild dreams after all these "late hour" feeds.

ACHIEVEMENT WEEK

During the week of Dec. 14-17, the boys and girls of North Dakota who have been successful in the Agricultural and Home Economics contests held thruout the state will be guests at the State College. These boys and girls, announces Mr. O. A. Barton, state leader of boys' and girls' club work, will spend four days here and will be given advance instruction in such subjects as livestock, canning, sewing and potato and small grain plot gardening. The club has accomplished much good thruout the state in getting the young farmer and housekeeper interested in production and constructive work besides giving them an opportunity to earn their own spending money and preparing them for a more profitable work the future.

6. Disputes that cannot be amicably settled between the captains of the two teams concerned, may be referred to the three neutral members of the Governing Board, whose majority vote, after listening to both sides, is final.
7. The Governing Board for this tournament consists of the General Secretary of the College Y. M. C. A., and the captains of the four teams entered.

2. Rotation of each player thru each position consecutively previous to the service of each team is made mandatory.
3. A point is lost to the team whose players touch the ball more than three times when in play on their side of the net. In other words, the ball must be volleyed across the net by the third player touching it, or the point is lost.

AGRICULTURAL CLUB NEWS

On Saturday night, December 4th, the Industrial Course party will be held. This will consist of a dance, an entertainment, and eats. This party is open to all Industrial Course students, and they may bring their friends.

"CURLY" MOVOLD VISITS
"Curly" Movold, class of '20, was in town for a short while last Friday evening and a few of his fraternity brothers are able to report that he is the same old Curly. He was on his way to Decorah, Iowa, to coach the athletic teams at Luther College. While a student here, Movold was known as one of the best all-around athletes in the state. He is also a member of the Alpha Gamma Rho fraternity. A. C. wishes you success, "Curly."

But best of all, these parties are going to run every Saturday night for some time and everybody is surely welcome.
