

William Chauncey Langdon Speaks At Chappel

WILL BE HERE AGAIN MONDAY

William Chauncey Langdon of New York City, a director of pageants, spoke at Chapel Monday morning.

He described in detail a pageant, now in development, to portray the development of the city of Austin, Texas.

He told of the good work that Steven Austin, the first settler of Texas and founder of the now great city of Austin, had done for the development of the city and his wish that it should be continued.

The first scene of the pageant would portray the coming of Steven Austin and his laying the foundation of the city of Austin. Other acts that would follow would be the portraying of the beginning of government in the city, the annexation of Texas, the civil war period and thus show the development up to the present time.

"Back To The Farm" Makes Decided Hit

Full Houses on Every Presentation.

"Back to the Farm" was presented to a most appreciative and enthusiastic audience on Tuesday, Wednesday and Thursday evenings of last week. It would have been impossible to present this play at a more opportune time, for a great many visitors at the Grain-Growers Convention took advantage of the opportunities afforded. To say the least, it was a wonderful success and exceeded all expectations.

Those who took the various parts were happily cast. Mary Gibbons and Arthur Ellertson showed that they had spent much thoughtful time and labor in preparation, and were very good. Mr. Ellertson seemed a little timid. The comedy side was placed in extremely capable hands. Miss Dolve, as Hulda, and Mr. Rasmussen as Gus, kept the audience in convulsions. Mr. Scholander demonstrated his ability in the dramatic line, and did some good work. Cecil Manikowski and Bertha Schneider made very creditable showings, as also did Cecil Baker and Carl Lolland. John Jamieson made a good presentation of a lawyer and real estate agent. On the whole, "Back to the Farm" was one of the best plays seen in the LITTLE COUNTRY THEATRE for some time, and all who took part are to be congratulated and showed that they had been well trained.

The High School Agassiz

As all the High School people probably know by this time, the Senior class of the High School has secured, from the regular Agassiz staff permission for the use of a separate department in the 1917 Agassiz devoted exclusively to the High School.

A committee of three has been elected, by the seniors, to be responsible for this department. This committee will in turn call upon committees from the different classes to assist them in making this department as good as the best.

It is therefore important that all the members of the High School should keep their eyes open for all usable material such as snapshots, drawings, appropriate jokes and sayings of the students etc.

Much good material is already on hand but a great deal more is needed.

The following committee is in charge and will appreciate your assistance.

- SIVERT ERICKSON, MARY HORNE, MONROE KIRK.

"DOC" DOLT HAS "HAPPY FACE" ON

Another addition to the College family was the arrival of a seven-pound daughter at the home of Dr. and Mrs. Dolt last Wednesday. As far as can be learned, all concerned are doing nicely.

Laymens Convention To Meet This Week

A. C. STUDENTS REPRESENTED

A. C. men are getting to be known more and more as men who know good things when they see them. This fact is emphasized once again at the occasion of the big convention staged this week in Fargo by the Layman's Missionary Movement of the United States who are holding big conventions in seventy-five strategic cities of the nation.

At tonight's banquet in the Masonic temple it is a sight the college can be proud of that one hundred men of the eight hundred or more that will be present will be students and faculty from A. C.

The reason for this big attendance on the part of the busy students and faculty men is not that merely a little missionary information regarding China or Africa is to be passed around, but that out of two days and more of contact with the leaders of this movement it will be possible to receive a vital vision of the task that lies before the Christian layman during the next generation.

It is because this convention brings to Fargo, in fact to North Dakota, the message of the present day standards demanded of a Christian man that A. C. men are interested in getting its message and its spirit. It is hoped that every man registered for this convention will avail himself of the opportunity to get from the convention such facts and information as to enable him to make a report when he returns to his home town and thus carry the report of this convention back to the home community. A. C. men will have an opportunity to help the Layman's Missionary movement to reach more effectively the whole State of North Dakota.

Department of Music Is Busy Place

Miss Grasse has large classes. Extra time used in giving lessons.

Music Hall at the Agricultural College, is the scene, these days, of considerable activity, especially in Voice and Piano work. Under Miss Edyth Grasse. She is giving fifty lessons a week, including those who come from town for special work, as well as students registered in college. Considerable inconvenience has been caused by the lack of sufficient pianos for practice, but a new piano is to be secured within a few days to accommodate the waiting list. A number of the students, have been obliged to arrange for practice outside the college. Miss Grasse is keeping her studio open one evening a week for those who wish to take evening classes.

THE JOY OF THE NEW YEAR.

Always on the job—Dick and Sid, gladly accepted a telephone invitation from a representative of an "Ingraving company to partake of a dinner at the Waldorf and talk business afterwards. (The dinner was to get them in condition for business.)

Promptly at the appointed hour these worthy journalists stalked thru the lobby in search of the cats.

Inquiring for their man they were directed to an individual who approached them with a card bearing STUFFEM & KIDDEM Undertakers

Both came to life and an Agassiz is promised. Dick blame it all on Sid. and Sid says that he will never accept another invite to "dinner".

The Men's Glee Club of Grinnell College are on a thirty-four day tour to the coast. They are meeting with success at every stop.

Alumni Receive First Annual Directory

Names, Occupation, Year of Graduation, Address, Are Some Items of Interest Found in Book.

The first College Alumni directory is out. It is published in a small booklet, with an excellent picture of Main Building on the cover. It has been the result of much work on the part of those in charge and is as complete as is possible in a work of this kind.

The alumni association have the following officers:

- President: Homer Dixon, '15, Perham Minnesota. Vice-President: Fern Dynes, '12, Casselton. Secretary-Treasurer: Levi M. Thomas, '09, Agricultural College.

The list shows that there are at present 240 living alumni, who have taken their Bachelor degrees, and nine who have taken master's degrees. The alumni are all classified according to their present occupations. A study of the following reveals many interesting points:

Educators—In colleges and universities, 12; in academies, 1; in normal schools, 6; superintendents, 4; in high schools, 46; in grade schools, 3; and in extension service, 4, making a total of 76 educators.

Other classifications of the alumni comprise: Graded students, 16; lawyers, 1; engineers, 18; contractors and builders, 3; farmers, 34; physicians and surgeons, 6; superintendents of sub-stations and demonstration farms, 6; with United States department of agriculture, 12; county agricultural agents, 5; experiment station investigators, 6; agricultural editor, 1; banking, 2; pure food commissioners or inspectors, 2; commercial chemists, 8; in social service, 1; in business, 16; women at home, 9; and married women, 18; and the deceased, 9, making the total number of bachelor degrees 249. Masters' degrees include eight M. S. and one M. A.

AGAIN WE REPEAT

A week ago Monday, at chapel, something occurred which if continued would surely help to stamp this institution as a "rube" school. Those who were at chapel will understand what is meant; but for the benefit of those who were not present, we will relate the occurrence.

At about 10:45, in the midst of the talk which was being so interestingly given, was heard the tramp, tramp of heavy boots. Everyone looked around to see what part of Europe's fighting forces had journeyed across the Atlantic to surround us. But great disappointment. For it was simply a few A. C. boys with extremely large feet and heavy holed shoes. Whether they were not interested in the talk, or whether they felt beyond the pale of any law, to restrict them in their wild career, is not known.

It seems that everyone in these enlightened days ought to know better. If you do not care for the talk, at least pretend you do; don't show your blissful ignorance in lack of manners.

ARMORP RECEIVING LONG NEEDED SHAKE-UP

Many Changes Will Give More Room—Better Quarters and Up-to-Date Equipment.

Considerable changes are being made in the smaller rooms of the Armory. The Director of Athletics will have his office in the present gun room. A lady's rest room will also occupy part of the present gun room. The new gun room will be made up of the present store room, varsity locker room and the hall leading to the varsity locker room. The store room will be where the varsity had their baths. The varsity lockers and shower baths will be where the Director of Athletics had his office and also the hall that led to the Athletic field. The general locker room will remain the same as will the Commandants office.

The varsity room will have the latest fixtures in baths, rubbing tables and lockers. An automatic baseball league is being planned by the fraternities at Colorado U.

FRESHMEN CLASS TO HAVE A NEW COMMISSIONER.

Enock A. Frojen former commissioner of the Freshmen class but who is now a Sophomore and therefore no longer able to represent the freshmen has resigned. The freshmen are considering a new commissioner to take the vacancy that Mr. Frojen so ably filled.

Colonial Play Today

Today, at 4:30 in the Little Country Theatre, the play "The Courtship of Miles Standish" will be given by Mr. Meinzer's American History Class. Vernon Sanford plays the part of the title character, Leland Smith is John Alden and Desdemona Archibald is the "gentle Puritan maiden, Priscilla." Miss Katharine Ladd is coaching the cast. The college orchestra will play several selections. This is free and open to all.

Co-eds Will Publish Issue

Louise Fitzgerald Re-elected Editor Good Staff Also Elected—Live Issue Promised Feb. 14.

The Co-ed issue of the Spectrum is going to be a reality. This is an annual institution, and is always a huge success. Of course, Louise says she is busy, but in spite of it, is willing to devote her time and services to a "good cause." A staff is selected which seems representative of the girls in this school, but if you have any suggestions to offer, we shall be extremely glad to get them.

What we need is enthusiasm, try to furnish your share. The paper will appear FEBRUARY 14. The staff is:

CASTALIAN-HESPERIAN DEBATE

On Friday night, occurred the annual debate between the High School Literary Societies. It was most enthusiastically received by the audience.

The question, "Resolved that North Dakota should build a terminal system of elevators," was upheld in the affirmative by the Hesperian Society, while the Castilians defended the negative.

The result was victory for Castalia, in a 2-1 vote; the judges being: Miss Louise Fitzgerald, Prof. Donegoue, and Mr. Arthur Scholander. President of the evening, Miss Mary Gibbons; time-keeper, Mr. Carl Lolland.

The contestants were: "Castalia" Affirmative -- Estelle Walter Thordur Thordarson Eloise Waldron Wm. Mortenson Esther Heidner "Hesperia" Negative -- Monroe Kirk -- Antie Walter Thordur Thordarson Eloise Waldron Wm. Mortenson Esther Heidner The arguments were presented in a straight forward, convincing manner, and proved the ability of each speaker.

Board of Regents Well Received

Largest Chapel Attendance in Years Turn Out to Hear Big Men on Their First Appearance.

The Board of Regents of the higher institutions of learning of North Dakota were present at a special chapel meeting held in the Armory last Wednesday.

The Board of Regents consists of President Crawford, Mr. Craighead, Mr. Powers, and Secretary Brewer. President McFarland of Valley City Normal, President A. G. Craul of the Minot Normal, and President Black of the Ellendale Normal were also present and made short talks.

Professor Minard introduced Mr. Crawford the president of the board who in turn made a short appropriate talk. He thanked the students on their attendance at the first appearance of the board in chapel and then made a few general remarks.

He then introduced Mr. Powers, who said that he was not prepared to make a speech but would return some other time and give us a talk. He will be here about Feb. 4.

Dr. Craighead director of the college survey commission spoke next and said he feared that President Crawford was losing control of the situation, for it had been previously agreed that Mr. Crawford was to do all the speech making. He spoke at length concerning the great value of college spirit, using Yale, Harvard, and Princeton as examples of schools having college spirit that could be well adopted by western colleges. He emphasized the value of a college education, and pointed out that only college graduates had held the presidency of the United States for the past number of years. He referred to Lincoln as a great man who although not a college graduate had by his own efforts acquired the equivalent of a college education.

He stated that the survey that would be made of the A. C. would be a constructive instead of a destructive one. Mr. Crawford on introducing President McFarland of the Valley City Normal, said that Mr. McFarland had been in North Dakota for so long that no one knew exactly how long he had been here, but it was quite generally thought that he came here shortly after the flood. Mr. McFarland said that the predominance of girls in his school was as great as the predominance of boys in the A. C. and he thought what a nice time we would all have if only the two schools could divide up.

It will be remembered that President McFarland spoke some time ago in chapel. President Black of the Ellendale Normal who was introduced as the youngest member of the board gave a spirited talk in which he paid a high tribute to the A. C. because of the efficiency of her graduates, stating that the two best members of his faculty were A. C. graduates. He said he was glad to see so many men at the A. C. for his school was made up mostly of men, although they did have a few pretty girls.

President A. G. Crane of the Minot Normal said that his school was a school that dreamed dreams and saw visions and then they proceeded to develop them. He stated that ninety per cent of the enrollment at the Minot Normal consisted of girls.

Secretary Brewer made the closing talk in which he traced the marvelous growth and development of A. C. from the time the first corner stone was laid.

He laid particular stress on the athletic department, stating that he could remember when the present deans had to get out in order to make a second team so that the first could receive practice.

NOTICE

A rule has recently been made at the University of Texas which allows University of Texas which allows members of college publications to be suitable rewarded. Editors are to receive gold medals, associates silver and reporters bronze.

FIRST LEAP YEAR PARTY

The Misses Lylith Rusk, Madeline Blake, Minnie Sorenson, Maizie Gillmore, Lillian Hanson and Olivia Wild entertained as their guests at a leap year party, the Messrs. Ching Challey, Dick Olsen, Clifford Wilson, Alfred Sorenson, "Happy" Peterson and Albert Sinner. After the show the party journeyed to Miss Rusk's home on Front street where a delightful luncheon was served.

Concordia Receives Final Blow

Tuesday night the A. C. basketball team defeated Concordia for the second time this season.

The Norsks scored first then the Aggies got busy and Sam Crawford registered two field goals in succession. R. Lovig then dribbled down to his goal and leisurely dropped in a field goal. That ended the scoring in the first half for the visitors. E. Hauser made two pretty throws and made two field goals. MacQuillan and Bolsinger were invincible. Concordia fought hard, but seemed unable to stick with their men. At times the play was a little rough but the boys didn't mind it and the various tumbles were immensely enjoyed by the spectators. The half ended with the score 26-4 in favor of the A. C.

In the second half McKee registered a field goal in 1 minute of play. A minute later R. Lovig threw a goal for Concordia. At this stage the play is turbulent, massed plays are numerous, after which the boys lay in swaths. Moorhead missed a foul and Hollis made a field goal. M. Hauser was substituted for McKee. Moorhead threw a foul. Shaw substituted for E. Hauser. M. Hauser makes a field goal. Levik registers another foul goal. Levik makes another foul. Hauser made another field goal. Hauser fouled for roughing. Moorhead makes the goal. Catlin subs for MacQuillan. Moorhead missed a foul. Shaw is fouled and Moorhead registers. Peterson in for Shaw. Roberts for Hauser.

The game from the standpoint of aggressive play was good, but finer points of the game was a little marred by failure of the men to play his man. The A. C. men watched their men pretty well. Concordia center was loose occasionally but did no material damage. The game as a whole was very good. Field Goals—McKee, 5; R. Lovig, 4; E. Hauser, 3; M. Hauser, 3; Crawford, 2; MacQuillan, 2; Bolsinger, 1; Hollis, 1. Fouls—R. Lovig, 5 missed 4; Bolsinger 2 missed 1; M. Hauser, 1; E. Hauser 1 missed 1. Score—A. C. 36-Concordia 15.

AGGIES HAND THE NORMALITES A SECOND DEFEAT 51-18

In a fast and hard fought game in the Normal "chicken coop" the Farmers proved their ability to hit the hoops. The first few minutes of play the Normal proved fast and dangerous but it was not long before the Aggies got acquainted with the "arena" and learned to hide behind the posts. From then the ball remained in A. C. hands.

At the end of the first half the score stood 29 to 16 in favor of the State Agricultural College. Both teams entered the last half with the same men. Rosel, for the teachers was sent in for Stafney and Crawford for McKee for the farmers. Davis sent Kinneburg in for Movold and Slingsby sent Olson in for Wells. Happy Peterson relieved Bolsinger. M. Hauser took E. Hauser's place and Catlin occupied MacQuillan's position.

The line-up of the two teams: N. D. A. C.—McKee, forward; Movold, forward; Hauser, center; MacQuillan, guard; Bolsinger, guard. Normal — Carlander, forward; Wells, forward; Stafney, center; Anderson, guard; Messner, guard. Field Baskets—McKee, 2; Movold, 6; Hauser, 9; MacQuillan, 3; Bolsinger, 1; Catlin, 1; Kinneburg, 1; Carlander, 2; Wells, 1; Messner, 1; and Anderson, 1.

Fouls—Movold, 4 out of 5 chances; Bolsinger, 1 out of 1; and Carlander, 6 out of 8 chances. Time of halves, 20 minutes. Referee, Pete Tierney.

Farm Husbandry Hold Reunion

One of the annual meetings of interest to A. C. students and the Short Course students was the Annual Farm Husbandry reunion and banquet, held at the Annex Hotel last Wednesday.

The meeting was called together by Pres. Morton Sherdahl. After the "feed", Pres. Worst, J. H. Shepperd, and Dean W. Mendenhall were heard. The next morning, they met again at the Little Country Theatre where some more addresses were heard.

One of the items of business, and also of interest to the A. C., was a resolution to investigate annually, the farms operated by the members of the Farm Husbandry Alumni, and to publish these findings.

The following officers were elected for the coming year: President, Richard Arnason. Vice-Pres. Steini Myrdahl. Sec.-Treas. N. R. Porter.

ADDISON LEECH TO SUCCEED SEC. YODER

At the meeting of the Board of Regents on Saturday Morning, they selected Addison Leech as Secretary Yoder's successor. Mr. Leech is at present Auditor of Cass County, but will resign that position and take up his duties at the College on February 1st.

Mr. Leech has been a resident of Fargo for about twenty-five years, and served on the Board of Trustees of the College for four years. These fact should do much to make him a very valuable addition to the force of A. C.

As soon as Mr. Leech takes up the duties as secretary, Mr. Yoder will engage in the insurance business, as previously noted. While we regret Secretary Yoder's departure, we wish him success in his new venture.

Personal Column

Worth Coney: Will you please tell me the quickest way you know of becoming a society man? Also is it proper to wear a dress suit at the Junior Prom? I noticed that the leader of last year's Prom did not do so.

There are several cores on Front street making a specialty of second-hand dress suits; probably previous society men were not cognizant of the fact. The very fact that you are to be master-of-ceremonies makes your social position secure. Do not try to win anyone's favor, let people flock to you.

Desdemona: Have been considered very beautiful; especially by a certain Junior frat fellow. I think he likes blue eyes, brown hair, and tall graceful girls like myself. Now what worries me is I haven't been anywhere with him since we went to a play in the Little Country Theatre together. As he is a very desirable person, could you tell me how to get him back?

If you do not succeed the first time, try, try again. Perhaps your young man's ideal has changed to light hair and blue eyes. Just show him you don't care. Cora: I am 5 1/2 feet, 2 3/4 inches tall; weight 110.56932 pounds. Hair dark and curly, eyes blue. Would you tell me, am I beautiful? What colors can I wear? Was born in November. What are my characteristics? Is my writing good?

You ask a great deal for \$5. I can answer only 3 questions, the Ed. is very cruel in this respect. It is extremely hard for me to tell at this distance whether you are beautiful or not. Your writing could be improved on—there is nothing like practise, so I am told. As to characteristics. You are very susceptible to the influence of others; try to overcome it, dear. Really a bad habit they say.

J. L. McConnell: Have greatly enjoyed your splendid advise; could I intrude upon your time long enough to ask you how to be a force in this college? Also should I take another course in extempore speaking? My efforts do not seem to be appreciated by my teacher.

Am surprised to have you ask how to become a force in the college—always that you were one. As to your speaking abilities, anyone hearing you once would never forget it. Never.

EDITORIAL

It is with regret that the student body notes the retiring of Secretary Yoder who has faithfully discharged his duties to the college for the past seven years. We may say with sincerity that the departure of our genial and democratic friend is felt to be a distinct loss to the students and faculty.

As students, we do not always realize the importance of the business enterprise which must be conducted by the college. Almost a million dollars pass annually through the secretary's hands. With his quiet business tact, Mr. Yoder has placed the name of the Agricultural College high in the business world.

But it is the interest Mr. Yoder has taken in student affairs that has won for him the esteem and respect of every student. The efforts to place student activities upon a sound financial basis have always engaged his ready and earnest co-operation. He has taken an active part in many student activities and we are indebted to him, more than many realize, for the successful culmination of various enterprises.

As a tribute to his seven years of worthy work the students are unanimous in extending to Mr. Yoder their sincere regards and join his many friends in wishing him the best success in the business enterprise he is about to undertake.

While paying our farewell respects to Mr. Yoder, we also extend our greetings to Mr. Addison Leach, of Fargo, who will succeed to the office of Secretary of the Agricultural College. We hope that his tenure of office will be as successful and win for him as many friends, as that of his predecessor.

THE EDITOR SOLILOQUIZES

When a dearly loved reader (usually not a subscriber) of the "Spectrum" says to us in an irate manner; "Why don't you put out a good paper?" or "Can't you write better editorials for the vile sheet?" we just puff our sweet old corn-cob, and stroke the office cat—editors "don't have no feelings"—never mind—we're used to that.

When a typographical error sometimes creeps in by mistake (a thing which the editors can't prevent) and our friends rush up and tell us what first rate jack asses we'd make, we just over look THEIR errors, never giving tit for tat; editors are pachydermic, and—oh well; we're used to that.

When some of the students choose to be skin-flints and read their neighbors coyp of the "Spectrum," we simply grin and bear it, though it does leave us rather flat; editors and business managers can exist somehow. Somehow we get used to doing a lot of hard work and sacrificing much time in order to put out the "Spectrum," for which we receive neither pay nor credit, nay not even a word of thanks or appreciation. How'd you like the job?

When you make star plays on the football or basketball teams, or take part in some affair, or receive some honorable mention—you expect the kind of write-ups that in adjective about. Do you ever stop to thank us, though 'tis done with great "clat"—that's what editors are for, and—Oh, well! We're used to that.

Hamline To Play Here February 26

First Appearance of Twin City Quint On Local Floor in Number of Years.—Makes Fine Schedule Complete.

A game has been arranged between the fast Hamline Quint and the Aggies, to be played here on February 26th. This will be one of the big games of the year as Hamline has one of the best teams in Minnesota and in giving the A. C. this date Hamline recognize the superiority of the Aggies squad.

SPORT SQUIBS

The University of North Dakota recently defeated the Wahpeton Science School in a fast game at Wahpeton but by a low score.

Fargo College entered Minnesota territory expecting to carry off another victory but were defeated in a fast and hard fought game by Moorhead Normal. The score being 25-16.

Concordia College was defeated at Grand Forks by the U. N. D. quint in a slow game and by a score of 30-16.

Word was received here this morning from Fred Fulton who says that as he can not get a fight with Jess Willard he would like a date with Bolsinger.

Heard On The Side Line.
"I think those A. C. boys are awfully rough."
"Why?"
"Why? Didn't you see that terrible Bolsinger deliberately step aside when one of our boys came at him and let him bump into the crowd?"

The last Concordia game was a loving affair. It was always two by two—always on the floor.

Talk about your mortars—well as battering rams those "Concorja" chaps aren't no worse. The only thing is that their energy never gets in the rite place. The janitor at the Army is going to hire a couple of them to "knock down" the chairs after games are out.

INTERCOLLEGIATE

Caesar—! ! — ? — ?
Calpurnia—"What ho, my lord, what ho!"
Caesar—"What hoe? What hoe? Gillette. Gillette."—Ex.

"I heard John Bunny has joined Barnum and Bialek."
"Why John is dead, you boob."
"Well so are Barnum and Bialek."—Rose Technic.

Friend—"Are you taking good care of your cold?"
Sufferer—"You bet I am. I've had it for six weeks and it's as good as new."

We editors may dig and think Till our finger tips are sore.

But some poor saphead's sure to say,
"Aw, I've heard that joke before."

He (we do not print names), at the football game: "That tackle will be our best man next year!"
She: "Why John! This is so sudden."

Woman's Philosophy—If the shoe fits, get a size smaller.

"Why, I could marry any co-ed I please."
"I expect so, but you don't please any."—Michigan Gargyle.

Rose—Charlie tried to kiss me last night and I told him to behave.
Narcissus—And did he kiss you?
Rose—No, the idiot actually behaved.—Awgwan.

"Heavens, man! You've been parading all over town with the price tag on your new overcoat!"
"Read it."
"Eh? 'Sixty dollars.'"
"Yep. Only cost me \$7."

Post graduate men students at Oklahoma have adopted the monocle as a dress distinction.

IT IS ONE THING
to wish to make good trunks and quite another to be able to make them. Our product is an evidence of something more than an intention it is an evidence of Equipment, Facilities and Knowing How. You may have an idea that there is no difference in the construction of trunks. If you will call at our factory we will have no trouble in disabusing your mind of that idea.
We sell trunks that are made in Fargo, and made to last. They will cost you less than trunks that are made to sell.
