EDITORIAL

WELCOME "SHORTHORNS"

To the "shorthorns,"—the horny handed sons of toil we extend a hearty greeting; we welcome you to our presence; we wish you success in your efforts to secure an education that will enable you to live a more efficient life.

You represent one of North Dakota's most valuable assets. You are valuable now for what you are this day, but still more valuable for what you should become for attending college.

This great state of our does not need a larger wheat crop or a larger crop of real estate agents, as much as it needs you as a part of a larger crop of young men who will make some special preparation for life's duties, who are not morally color blind and have horse sense enough to stand with out hitching.

Remember that the call of the twentieth century is for trained men for its mighty tasks. The "self-made man" of the past century will not do for this century.

The call of the twentieth century to the young man or woman of today is for careful preparation.

The tasks are so gigantic, the problems so intricate, the burdens so heavy, the armies of the enemy are so well entrenched, that the willing hands and strong arms alone cannot perform the world's work.

The keenest intellect, the shrewdest judgment, the widest vision, the sanest courage are absolutely necessary.

You represent a class of young people who have caught the vision and heard the call for further preparation for life's work. You are to be highly commended for this.

It is little short of criminal negligence for a young man or woman to dare live in their century without making some special preparation.

The education that you will receive during the next three months should be the start of the unfolding of all your powers and thereby bring you into contact with a broader and fuller field of satisfaction. The educated man owns the universe and all its fields are open to his possession and enjoyment. Science and literature and art, books and libraries, society and solitude, are his domain.

Remember that an education not only helps you to earn the bread of life but it makes the bread of life sweeter.

The Agricultural College stands ready to help you and enable you to get a broader vision of life and to secure a sound practical education. If you will but apply your self to your studies, live up to your highest aspirations, you will at the close of your course feel that you have been well rewarded for having sacrificed both time and money to attend.

Those who glance at the above line-up will notice that there has been a considerable shake-up in positions. These will be followed by more.

The Editor's "easy" chair has again been refilled with the Editor who took the seat at the beginning of the fall term. Alfred Matters, the retiring editor has taken a no less valued position on the Associate Staff, which now consists of Glenn McLellen, Elvira Rasmussen and Alfred Matters.

Joe Roberts will continue with the Athletic side of the question.

In the person of Mortimer Keeley, a valuable addition to the Staff has been made. This is the man who did such good work on the Frosh issue as Athletic Reporter. On the present staff he will hold the position of Athletic Editor and will be an able assistant to Roberts.

Dorothy Price will continue the good work as Society Editor and the SPECTRUM readers will be fed with nourishing tit bits from her pen.

Arnold Heidner, who has been reporting the departments of Military and Music, will be unable to serve on account of a heavy schedule. His place has not been filled as yet.

Park Tarbell, Ivy Waechter, Margaret Hutchinson, Culver Ladd and Olivia Wild will continue in the same capacity.

SMALL PEOPLE

There are some small people, so we have heard, who are abroad "knocking" the "Weekly Spectrum" and every good thing that it stands for. Look out for these gossippers, these slanderers—for they are small persons, without a vision, selfish in their purposes, vicious in their desires, and dangerous in their leadership. We mean exactly what we say, without respect to their names or stations. We care not how interesting an animal is the beast that crawls, how bewitching his shining skin, nor how ruling his face, we always did and forever will fear and hate a "snake in the grass," because of his torturous ways, his hidden paths and his spit of venom unawares.

How this college love resembleth The uncertain glory of an April shower. Winter is having a mighty hard job chilling the lap of fall.

COMING EVENTS THIS WEEK Friday, January 14—Second Annual Industrial Course Debate. JANUARY Thursday, January 27—College Prayer Day. About exam time you'll find the time will drag so heavily on you that you will be tempted to trade off the Ingersoll for a calendar. EX. ALUMI I

A MAN'S house is his castle, an' his pipe's a strong defense to keep trouble an' gloom on the outside. Velvet Joe

Start Tractor Farming Digger Crops—Less Expense—Easier Work ATRACTOR gives you the power you need to practice best farming methods, plow deep and do all your work in the right way at just the right time, which means better crops. Have power that doesn't need to stop for rest—power that hot weather and hard ground can't stop—power in a concentrated form that one man can handle. You can't turn a switch and stop a horse eating. But a tractor stops eating when it stops work, and when it is working it costs you less than to feed enough horses to do the same work. There's a Size Avery Tractor to Fit Your Size Farm Avery Tractors have sliding frames, double drive, two-speed gears, low speed heavy duty tractor motion, extra large crankshafts, removable inner cylinder walls, no primer fan. They are sold at low prices as follows: 2-Row Tractor, \$750 each; 4-Row Tractor, \$1100 each; 5-Row, \$1600; 6-Row, \$2100; 8-10-12 Row, \$2500. Avery "Self-Lift" Plow and "Yellow-Fellow" Tractor are also built in sizes to fit any of the above size tractors. We also build a special smaller size tractor for 250 each. All built and backed by an established company owning a large factory and many branch houses which insure permanent and prompt repair and expert service. Write Now for New, Free, 1916 Avery Tractor, Plow and Thresher Catalog and learn all the facts about Tractor Farming, Farming, Road Building, etc., with an Avery Outline. Avery Company, 2509 Iowa St., Peoria, Ill. Ask for Address of Nearest Branch or Jobber.

ATHLETICS

Basket Ball Prospects Bright

Maerial is Best That Institution Has Had in Many Years—Large Squad From Which to Draw

Basket ball is booming these days—that is if enthusiasm and a large squad of men is any criterion of success. The complete schedule will appear in a separate article. We schedule, but the men are working with a vengeance—which is the only solution of the difficulty.

From the best sources reports indicate that all the teams of the northwest are strong this season, especially is this true of our old rivals Fargo College and the University of N. D. No one realizes the proposition we are up against when we meet these schools more than the student body. This fact is probably the cause of the wealth of material which is trying out for the Varsity. We shall have a strong second team this year, this means that the first team will be stronger.

The Hauser brothers who played with Bismarck last year, are working hard for a birth on the first team. Shaw, an old Fargo College man is giving a good account of himself. Spalding a new man gives fair promise of developing into a good guard. All the rest of the squad are putting up a fast game, and the spirited contests are attracting large crowds—(mostly Philosophers). Let us give the team our full support, for they

work hard to add to the athletic prestige of the school.

Class Team Working Hard For Series

Schedule Soon Out—Larger Number Of Games To Be Played This Year.

This is the time for all good men to come to the aid of the classes.

All the teams are boosting of numerous dark horses. At present the soph seems to have the edge on the other classes as they have many men on the squad who are eligible for the series. Never the less, according to Pat Keeley the freshman are going to make a big noise. Then there is the junior class to be reckoned with, of course they will win,—so will they all. This is the time to be getting in trim if you intend to take the honors. Get up your enthusiasm before the series starts. Much depend on the attitude of each class toward this series—whether it is a success or failure. Each class should have a large delegation at each game to give pep to their side.

We all know the calibre of the men who will participate in these series. Those who remember the senior football game will understand how much rivalry there will be this year. So come out and boost for your team.

Aggies Start Long Schedule In An Appropriate Manner

Take Moorhead Normal Into Camp In First Game of Season to Tune of 55-17

Altho the score was one sided the first game of the season with the quint from across the Red the game itself was by no means slow. From the blow of referee Tierny's whistle to the last blast by the time keeper the game was on the jump every minute.

The first half opened up with McKee and Movold as forwards, Howitzer at center and McQuillan and Bolsinger as guards.

The half ended disastrously for Moorhead Normal, the score being 34 to 3 at the end of the half.

The half was swift and the squad showed greater improvement for the first game of the season than was seen last year at this time.

The last half opened with Howitzer and Movold at forward positions Bolsinger at center, and McQuillan and Kinneberg at guard. Numerous substitutions were made during the half as the coach seems to believe in giving every one a fair chance to show their true worth. Some of the men showing up exceptionally well. The men in order of their substitution were; Happy Peterson, center, Howe for Howitzer at forward, Shaw for Peterson at center, Nemzek for Shaw, Howitzer for Kinneberg at guard, Catlin for McQuillan, McQuillan for Howe, McCune for Nemzek, H. Roberts for McQuillan at forward, Underwood for Catlin, Nichols for Howitzer.

The final score was 55 to 17 in favor of the Aggies. All those who took part in the game did good work at their position and with a little more practice some valuable additions to the team should be developed.

The line up for the normal at beginning of the game was Carland and Weld, forwards; Thompson center; Storm and Anderson guards.

BASKETBALL SCHEDULE

- Jan. 12—Concordia College at Concordia.
- Jan. 15—Wahpeton State Science School at A. C.

CERES HALL

Agnes Hutchison spent Tuesday night with Mary Miller of Fargo.

Mary Radcliffe and Dot Keene were Ceres Hall visitors Tuesday night.

Myrtle Waechter and Agnes Hutchison entertained the members of the Phi Upsilon Omicron Fraternity Saturday afternoon in Ceres Hall.

Gladys Plath and Harriet Rupert were at the home of Mrs. A. A. Plath's Friday evening.

Marion and Ivy enjoyed a slumber party Friday night. At a late hour Saturday morning Harriet served them with a delicious breakfast consisting of toothpicks and gum drops.

Desdemona Archibald went home for Friday night and returned Saturday morning.

Miss Winifred Pope spent the latter part of the week at Ceres Hall, visiting with her old friends.

Mr. Marshal Brainard spent Sunday with his sister Marion.

Mabel Ewen has joined the East corridor on second floor taking the room formerly occupied by Lucile Stuart. Lucile moved into Mabel's old room.

Mabel is having the pleasure of having her mother with her this week.

Miss Luella Kuher took dinner with Miss Pearl Forslof, Sunday.

ALUMNI

During the Christmas recess, a number of alumni were seen, among them; Mr. Homer Dixon who was home for the holidays from Perham, Minn.

Miss Ruth Brown from Fessenden and Miss Margaret Keene, who is at Bathgate. Miss Mable Holmes from Warroad. Mr. Clarence Williams of Oklahoma City. Mr. John Halland from Minnesota University. Mr. Arthur Ogaard, Edgely; Miss Amy Whitman, Bottineau; Mr. John Thysel, Dickinson.

Mr. Theo. Stoa wen to Washington in connection with his work in the Cereal Investigation.

Alumni will have issue of Spectrum Hand Set This

It is with a great deal of pleasure that we announce a special Alumni issue to be edited by Alumni. This will come the end of this term—the last issue. Watch for it. Mr. Roy Dynes, editor.

Miss Addie Stafford returned to her school at Velva, N. D. Miss Fern Dynes also went to her work in Casselton.

LOCALS

Among the old students of the college who were home for Xmas the following reported their presence. Grace Briscoe, '12, Lena Taylor '12, Fern Dynes '12. They are all teaching at various points.

Lena Honeth was in for a few days during vacation. She was on her way to Forman, Minn., where she will teach.

Lena Honett was in for a few campus during the Xmas vacation. He was on his way to Ohio State College.

Christianson was also happy during the short vacation period. The editor personally saw him coming home not earlier than 10:30 p. m.

Amy is teaching now and can't get in as often as she would like.

Library Notes

Library Hours. 8-12; 12:30-6, every day except Sunday. Evening hours, 7-9 on Monday, Tuesday, Wednesday and Thursday.

Happy New Year to all the faculty and students. We ask you again to form the library habit for the coming year. Drop in often to read a newspaper or magazine. It may be that we have just the book that you need.

Pope at Minneapolis Public Library Alison Pope, who took the course in Library methods last year and later served as an assistant in the library, is now employed in the Minneapolis Public Library.

Library Crowded. Now that the winter term has begun, the library is much in need of room, as last year. At the noon hour, every available chair is occupied in the west reading room and often in every other quarter.

Some changes have been made in our magazine list for this year. A few periodicals have been discontinued because they were inferior in quality or were not listed in Readers' Guide. The new magazines of special interest are:

The Infantry Journal.
The Industrial Art Magazine.
The New Republic
School and Society
System.

SOCIETY

Friday evening the Misses Ladd were at home to the Betas and their friends in compliment to Miss Laura Dayton. The invited guests were for the most part Alpha Mus. Progressive games were played at sevendables during the first part of the evening.

During the latter part every one enjoyed dancing to the music of a Victrola. A delicious lunch was served later in the evening and each guest reported a charming evening.

Mr. Holsington is wearing the smile that wont come off these days, due to the recent addition to his family.

Short course student in Roy Sweetman's office. "Is this the secretary's Office? Is this where I pay my fees?"

Schutze: "No, you pay them upstairs."

Student: "Well is this where I get a room?"

"Yes I can get you a room, Student."

"Well I'm taking schedule A. And my brother's taking schedule B. Could we room together?"

The first of the week Miss Lewis went disparately over to Science, determined to speak to Mr. Nelson about her Bacteriology mark. She arrived with a quite little speech on the end of her tongue but Nelson met her at the door with a welcoming hand, saying, "Good morning Miss Lewis, Happy New Year." And Helen wondered afterward what happened to her speech.

We Believe in Woman's Suffrage! There was to have been one girl in a certain Dairy Bacteriology class but she withdrew where upon Wilson remarked that now that they had gotten rid of this one girl, he and the several boys could have a much more comfortable time now. Nix on the suffrage!

Mr. Drewry in Education: "After he died he gave \$25,000 to purchase a site for a University."

Last Saturday the fourth of the series of Kadona dances were held at the K. C. Hall. Those in attendance report the best dance so far in the series. The music was up to date and novel.

Industrial Students held a "Hard Times" party.

Everyone who attended was in costume fitting the occasion—some very novel.
